The Association is offered the opportunity to participate in establishing uniformity of work loads. The administration, upon advance written notice to the Association President, may establish an in-school time for teachers in any building different from that set forth above provided that the in-school time for the teachers shall not be increased as a result of the different schedule of hour.

- B. Recognizing that the staff has many responsibilities outside of school hours, a teacher shall not be expected to attend more than two (2) meetings a week after regular dismissal time.
- C. Secondary teachers are to report fifteen (15 minutes) prior to the beginning of secondary classes, elementary teachers are to report five (5) minutes prior to the beginning of elementary classes. In addition, each elementary teacher may complete in-school preparation time at his/her own professional discretion in one of the following ways:
1. Report fifteen (15) minutes earlier each day. (flex-time)
 2. Spend a one (1) hour period per week for in-school preparation time.
- D. While the performance of professional duties cannot be put on a clock-hour basis, it is understood that the individual teacher will not be required to remain in the school building, except for emergencies, more than five (5) minutes after dismissal of the last scheduled class of the day, unless professional duties require all teachers of the building or department to remain for a longer period.

- E. The preparation time for Elementary teachers within the scheduled work hours provided in Article 5, Section A. shall be increased forty-five (45) minutes compared to the amount of preparation time provided Elementary teachers within the scheduled work hours during the 1996-97 school year.
- F. Teachers performing recess duty shall be paid ten dollars (\$10.00) for each half-hour recess. The Administration shall ask for volunteers to perform recess duty. If there is an insufficient number of volunteers, recess duty shall be rotated among the bargaining unit members in the building.

- L. The school calendar of the Fruitport Community Schools is to be published at the beginning of the year, establishing dates and times for conferences, institutes, records days, in-service meetings, spring vacation, etc. and any other activity normally a part of the school year. Any changes or additions to school calendar shall be mutually agreed upon.
- M. It is the responsibility of each individual teacher, as well as the Board, to provide the highest quality educational program practicable for every boy and girl in the school district. ARTICLE 6

TEACHING LOADS AND ASSIGNMENTS

- A. The normal teaching load in the senior high school will consist of an average of five (5) daily teaching periods and one (1) period of preparation, or the equivalent thereof. Effective at the start of the 1980-81 school year the middle school shall operate on a six period day and the normal teaching load will consist of an average of five (5) daily teaching periods and one (1) period of preparation, or the equivalent thereof. The term "preparation period" shall be construed to include the use of this period purposes other than preparation when emergencies arise.

The Association agrees that the purpose of non-teaching time (other than lunch periods) is to permit the teacher to have time during the school day for planning, conferences, preparations for teaching and related teaching functions and obligations concerned with the actual teaching assignment.

The normal teaching load in the elementary schools will be approximately five and one-half (5-1/2) hours of classroom duties daily, or the equivalent thereof.

Elementary teachers may use for preparation all the time during which their classes are receiving instruction from teaching specialists in the areas of elementary art, music, and physical education. And during the time of the one-half (1/2) hour recess period when the students are under the direct supervision of hired playground aides.

The teaching load during the normal school day of elementary teaching specialists, such as Art, Music, Physical Education, Resource Room and Emotionally Impaired, shall be twenty-five (25) hours of classroom duties weekly. Consistent with the above requirements, the Board shall determine the equivalence for employees in the bargaining unit who are assigned to non-classroom duties, such as librarians, guidance counselors, and itinerant personnel, etc.

Department chairmen shall be appointed by the Administration and have such released time for their duties as the Administration deems necessary.

- B. Elementary Planning Time
The Board and the Association agree that efficient planning of instructional time is important to the success of the school district. To this end the Board and Association agree to encourage, support and assist efforts on the part of teachers, (buildings, teams, etc.), to maximize the effectiveness of their planning time provided, however, that such plans do not reduce instructional time. Plans that call for a modification of contract language must be approved by the Association and Board prior to implementation of pilot or regular efforts.
- C. All teachers shall be assigned by the Superintendent to that level of instruction for which they are qualified. Teachers shall not be assigned without their consent outside the scope of their teaching competence, teaching certificates, or major or minor fields.

- D. Teachers employed under Extra-Curricular contracts will be notified before June 1 in writing as to whether they will or will not be employed in the same position for the following school year. However, the position may be eliminated at any time.

ARTICLE 7

TEACHING CONDITIONS

The parties recognize that the primary duty of the teacher except for such employees in the bargaining unit as are assigned to non-classroom duties, such as for example, librarians and guidance counselors, is to teach, and the Board and the Association consider it to be a desirable objective to make maximum utilization of the teacher's professional skills to the fullest extent practicable.

- A. The Board and Association agree that pupil-teacher ratio is an important aspect of an effective educational program and that class size shall be determined in relation to pupil needs, area of instruction, grade level, and shall strive for as a minimum the recommended personnel-pupil standards of the Michigan Department of Education whenever possible. The Board shall strive to continually improve the pupil-teacher ratio and implement all reasonable means for eliminating overcrowded classrooms whenever such conditions should exist.

The teaching load in the senior high school shall be established or adjusted with reasonable dispatch to a teaching load not in excess of that recommended in 1968-69 for secondary schools by the North Central Association of Schools and Colleges. The same standards will be applicable to the middle school. The provisions of this section shall be subject to reasonable exceptions and deviations during the first three weeks of each semester or other enrollment period, or by reason of the necessity of physical facilities. It is recognized that other exceptions may be desirable whenever it is necessary to work with larger groups of students, such as for example, in physical education, band and chorus classes, with respect to which the student teacher load may be adjusted to the size that can be accommodated in the school facilities.

No DK class shall exceed twenty (20) students.

In grades K-3 no individual class shall exceed twenty-eight (28) students. In grades 4-6 no individual class shall exceed thirty (30) students.

If after the third Friday of September the Board determines that it is necessary to exceed the above maximum class loads, the following compensation formula shall be instituted:

$$\frac{\text{Teacher's Annual Salary Schedule Amount}}{\text{Maximum Class Load}} \times \frac{1}{181} \times \begin{matrix} \# \text{ of students} \\ \text{in excess of} \\ \text{maximum class} \\ \text{size limits} \end{matrix} \times \begin{matrix} \text{membership} \\ \text{days in} \\ \text{class} \end{matrix}$$

- B. Under no conditions shall a teacher be required as a part of the work of a teacher to drive a school bus.
- C. To the extent practicable, the Board of Education will make available in each school building adequate lunchroom, rest-room and lavatory facilities exclusively for teacher use (including use by school employees not within the bargaining unit), and at least one room, appropriately furnished and maintained, which shall be reserved for use as a faculty lounge.
- D. Teachers shall be permitted to place out-going non-toll calls on the office telephones in their buildings but it is expected that personal, non-emergency calls will be held to a minimum. Teachers will be given "to call" messages on incoming calls, to be returned by the teacher outside of classroom hours, but will be given immediate opportunity to return calls relating to grave emergencies, such as death, or serious illness or injury of a close relative.
- E. Parking Facilities - Designated parking facilities shall be made available to teachers and other employees of the system. The Board shall assume no liabilities in respect to parking facilities.
- F. In schools where continuous cafeteria service for teachers is not available, a vending machine for beverages will be installed at the request of the Association, the proceeds to be used for the existing Teachers Scholarship Fund. The location of these vending machines shall be subject to approval by the Board.
- G. All faculty shall have a minimum of two (2) record days per school year. Special education teachers may be granted additional record days if the Board determines it is necessary for the teachers to complete their special duties.
- H. Every teacher in both elementary and secondary schools shall be provided with the necessary teaching equipment, such as a file for teaching records and a desk.
- I. Notwithstanding their employment, teachers shall be entitled to full rights of citizenship and no religious or political activities of any teacher or the lack thereof shall be grounds for any discipline or discrimination with respect to the professional employment of such teacher.

- J. - B. All monitoring or observation of the work performance of a teacher shall be conducted openly. However, when modern technological devices such as intercoms are used to evaluate, it must be with the full knowledge and consent of the teacher.
- C. Each teacher shall have the right to review the contents of his/her own personnel file. A representative of the Association may be requested to accompany the teacher in such review. Privileged information such as credentials and other related personal references are exempted from review and shall be removed by the administrator in charge prior to the review by the teacher.
- D. Each teacher, upon his/her employment or at the beginning of the school year, whichever is later, shall be given a copy of the evaluation instrument to be used in his/her evaluation.
- E. Each probationary teacher shall have a minimum of **one (1)** formal full cycle written evaluation a year completed on or before **March 15** of the current school year. A full cycle shall consist of two (2) formal observations with written feedback at least 60 calendar days apart, two (2) informal observations with written feedback and a summative evaluation. The first formal observation will occur on or before November 1.

A Professional Improvement Commitment (PIC) shall be completed each year on or before December 1 with debriefing and analysis for current year and planning begun for the following year completed on or before March 15.

Each tenure teacher shall have a minimum of one (1) formal full cycle written evaluation each three (3) years. The full cycle for a tenured teacher will be the same as the full cycle for non-tenured except the summative must be completed on or before May 15.

Upon mutual agreement between evaluator and evaluatee a modified cycle may be implemented. A modified cycle consists of one (1) formal and one (1) informal observation both with written feedback and a summative evaluation.

In the years a tenure teacher is not on cycle, he/she shall work with his/her principal to complete the P.I.C. process as previously described.

Each evaluation must be preceded by an observation in the classroom of at least thirty (30) minutes. Following the classroom observation, the evaluation form shall be

A copy shall be furnished to the teacher. In the event a teacher is not continued in employment, the Board will advise the teacher of the specific reasons therefore in writing with a copy to the Association.
- G. Teachers shall have the right to submit a written response to any document, including evaluations and reprimands, entered or contained in their personnel file, which shall be attached to the document.
- H. If a teacher is asked to sign material placed in his/her personnel file, such signature shall be understood to indicate his/her awareness of the material, but in no instance shall said signature be interpreted to mean agreement with the content of the material. ARTICLE 12

PROTECTION OF TEACHERS

- A. All of the rights granted to teachers in any or all of the Sections of this Article, entitled "Protection of Teachers", are subject to the condition precedent that the teacher shall have conducted himself or herself in accordance with established policies, practices or rules of the Board of Education with respect to the maintenance of control and discipline in the classroom or elsewhere while the teacher stands in loco parentis to the pupil.

The Board of Education recognizes its responsibility to give all reasonable support and assistance to teachers with respect to the maintenance of control and discipline in the classroom. Such policies, practices and rules respecting reasonable control and discipline, support and assistance, as established by the Board of Education, will be applied to all teachers without discrimination. It shall be the responsibility of the teacher to disclose promptly in writing to the principal, or other administrator designated by the Board, any conduct of a student during any period when the teacher is in control of the student which may cause the teacher reasonably to believe that the student is emotionally disturbed; and it shall likewise be the responsibility of the teacher to disclose promptly in writing to the principal, or other such administrator, the desire to revoke any such report, whenever it reasonably appears to the teacher, who has filed such a report, that the report was filed by mistake or in error, or that the teacher otherwise reasonably believes that the student was not emotionally disturbed, or that it is not likely that the student will again become emotionally disturbed.

Whenever it appears to the Administration that a particular pupil required the attention of special counselors, social workers, law enforcement personnel or other professional persons, selected by the Administration in accordance with the policies, practices and appointments established by the Board, the Administration will take reasonable steps to relieve the teacher of responsibilities with respect to such student during the period, if any, that it is reasonably determined by the Administration that such student should be withdrawn from the responsibility of the teacher. If there should be any question respecting whether or not the Administration has acted reasonably thereon, and in accordance with such policies, practices and appointments, the issue thereon may be a matter of grievance under this Agreement. The provisions of this paragraph shall be construed consistently with the statutory obligations of the Board of Education, including, among others, the laws respecting compulsory school attendance, and with due regard for the relationship of the public schools to the Probate Court.

- B. Any case of assault upon a teacher shall be promptly reported to the Board or its designated representative. The Board shall render all reasonable assistance to the teacher

in connection with handling of the incident by law enforcement and judicial authority. Time lost, by reason of any unjustified assault, shall not be charged against the teacher as sick leave.

- C. If any teacher is complained against or sued by reason of disciplinary action taken by the teacher against a student, the teacher may request assistance of the Board in such a matter. These requests shall be made in writing to the Board who shall make a determination as to whether the conduct of the teacher making such request justifies any assistance from the Board and the extent thereof.
- D. The Board of Education will reimburse the teacher for the lesser of the cost of repair or the fair market value of clothing or other personal property, which a teacher customarily is expected to bring to the premises in the performance of teaching duties, provided such clothing or such other property is lost, damaged or destroyed by wrongful act of any person on the school premises or while the teacher stands in loco parentis to the pupil, provided that the loss, damage or destruction is not wholly or in part due to the teacher's own negligence, or violation of the Board's rules, practices or procedures, and provided, further, that no reimbursement will be made for normal wear and tear.
- E. Any complaint by a student or a parent of a student directed toward a teacher shall be called to the teacher's attention only if (a) considered serious by appropriate administrator; (b) if written into the teacher's personnel file; or (c) if used as a basis for reprimanding teacher.

In handling future complaints, no complaint shall be used except those meeting the above requirements. The teacher shall be supplied with the name of the student or parent making the complaint.

- F. The Board will maintain Worker's Compensation for teachers in accordance with the laws of the State of Michigan.

ARTICLE 13

LAY OFF & RECALL

- A. For the purpose of this article the following definitions shall apply:
 - 1. Personnel reduction or layoff shall mean a reduction in the bargaining unit staff because of program elimination, program reduction, loss of student enrollment or for economic reasons.
 - 2. "Years of service": Shall be defined as continuous and uninterrupted years of service in the Fruitport Community School System. Leaves of absence, with or without pay, and absence due to lay-off are not to be considered a break in service nor shall they count toward longevity.

3. Any period of time spent on lay-off or leave of absence shall count as years of continuous service, only for the purpose of this Article (Layoff & Recall).
 4. Experience at less than the full teaching load shall count as if the experience was at the full teaching load, but only for the purpose of this Article (Layoff and Recall).
 5. Tenure shall mean that status as achieved and defined in Section 1 of Article III of P.A. 1937, Extra Session, No. 4, as amended (CL38.91).
 6. "Probation or probationary teacher" shall mean that status as achieved and defined in Sections 1 and 2 of Article II of P.A. 1937, Extra Session, No. 4, as amended.
 7. "Fully qualified and fully certificated teachers" shall be defined as follows:
 - (a) Teachers who have earned a provisional or continuing teaching certificate in a given subject area, and
 - (b) Who have earned the minimum credit hours required by the North Central Association; provided: that, the Board may waive the requirement for the North Central Association if, in the Board's discretion, the teacher can reasonably be expected to complete the minimum credit hours required by the North Central Association by the start of the following school year.
 8. The assignment of teachers to related areas means areas within their major or minor field and provided they have earned the minimum credit hours required by the North Central Association or other certification requirements.
- B. The Board shall maintain an up-to-date seniority list of all employees in the bargaining unit covered by this Agreement. The seniority list of teachers shall reflect the following information: Last date of hire, degrees held, majors and minors, certificate held, transferred credited years allowed, and tenure status.
- All previous seniority rights up to the 1979 - 1980 school year will remain the same, with the new contractual wording taking effect only since the ratification of the 1979 - 1981 Master Agreement.
- C. A teacher may displace a special education teacher only if he/she is qualified, has greater seniority and possesses equivalent or superior certification than that of the special education teacher.
 - D. In the event of a reduction in personnel, the Board agrees to give notice as soon as possible to the Association of its intent to do so. Individual teachers affected will be notified in writing as soon as is practicable. The Board shall also give such further notice as is required by law.

- E. To effect a reduction in personnel, the following order shall govern:
1. Probationary teachers with the least number of years of service shall be laid off first, provided there are remaining fully qualified and fully certified teachers to replace and perform the needed duties of the laid off teachers. "Needed duties" shall not apply to extra-curricular positions.
 2. If further reduction is to occur, then tenure teachers with the least number of years of service shall be laid off first, provided there are fully qualified and fully certified teachers to replace and perform the needed duties of the laid off teachers. "Needed duties" shall not apply to extra-curricular positions.
 3. The above lay off procedure and the recall procedure below:
 - (a) shall not cause the involuntary assignment or transfer of a teacher into a Special Education position.
 - (b) shall allow the teacher who is reassigned or transferred to take a voluntary lay off.

- F. In the event that two or more teachers have the same years of service, if not all of them are to be laid off, the Board shall retain that teacher or teachers with the earliest date of hire with the district, then on the basis of the number of years of teaching experience and finally, if necessary, a selection procedure agreed to by the Board and the Association shall be applied.

"Earliest date of hire with the district" shall refer to the date on the original (initial) contract. In the event the contract is not specifically dated, the second provision of this paragraph shall be observed, then the third.

- G. Teachers on lay off shall be recalled in the order of most seniority, provided the teacher is fully qualified and fully certificated for a bargaining unit position and the recall of the teacher allows the Board to assign all teachers to a position for which they are fully qualified and fully certificated. The Board may rely upon the last known address of the teacher. Notice of recall shall be in writing by certified mail, return receipt requested. The Association grievance chairperson shall also be provided with a copy of each recall notice, either by hand delivery or by certified mail, return receipt requested. If there is no acceptance of the recall within eighteen (18) calendar days of the date of the delivery of the notice or the date of the attempt by the U. S. Post Office to deliver the notice, the right to that specific position shall be forfeited. A laid off teacher refusing recall and/or failing to respond to a recall notice (within the time limit provided above) for the second time shall be considered a voluntary quit with no further recall rights; provided that:
1. The notice procedure was complied with by the school district, and

2. Any recall notice received after June 30 by a teacher under an individual contract at that time with another Michigan public school district shall not be counted as a second refusal of recall, and
3. Recall was to a full time position the teacher was fully certified and fully qualified to fill.

Due to the possible loss of all further recall rights, laid off teachers are hereby advised to keep the administration and Association advised of where they can be reached in the event of a recall opportunity.

A laid-off teacher wishing to move from an elementary to a secondary position or vice-versa, or to a special education position, must notify the Board by August 15 of the year they wish to assume this position, with the proper credentials in hand. If these conditions aren't met, they must wait until the following year to do so. They will then be given the opportunity to apply for a position in the new area.

To clarify the term "proper credentials" for the purpose of presenting evidence of re-certification, the following criteria will be used:

1. A valid certificate issued by the Michigan Department of Education showing the endorsed level or specialized area for teaching in grades K through 12.
 2. A letter from the office of the Registrar of the institution where coursework was taken to qualify for re-certification. The letter must specially state that qualifying course work has been successfully completed, the institution recommends certification, and will file the proper forms to the Michigan Department of Education. The letter also must indicate the level of certification - elementary or secondary and any specialized endorsement for K -12.
 3. Either item 1 or 2 above applies to an individual who presently has a valid teaching certificate but is seeking a specialized endorsement. Evidence of re-certification or additional endorsement must be presented at the office of the Superintendent on or before August 15 if any change in employment status for the ensuing school year is to be made.
- H. No teacher shall receive seniority credit for the layoff time beyond thirty (30) months after his/her layoff.
- I. Reduction of a position by the Board from full to part time shall be considered a partial layoff. Remaining in the reduced position shall not affect the teacher's right of recall to a full time position.
- J. Refusal or acceptance of a position that is not equivalent in time to the position previously held shall not affect a teacher's recall rights.

ARTICLE 14

NEGOTIATION PROCEDURES

- A. Not later than the June 1st prior to the expiration of the contract, both parties agree to commence negotiations on a successor agreement.
- B. In any negotiations described in this Article, neither party shall have any control over the selection of the negotiated or bargaining representatives of the other party and each party may select its representatives from within or outside the school district. It is recognized that no final agreement between the parties may be executed without ratification by a majority of the Board of Education and by a majority of the membership of the Association, but the parties mutually pledge that representatives selected by each shall be clothed with all necessary power and authority to make proposals, consider proposals, and make concessions in the course of negotiations or bargaining, subject only to such ultimate ratification.
- C. If the parties fail to reach an agreement in any such negotiations, either party may invoke the mediation machinery of the State Employees Relations Commission, which may include Fact Finding.

ARTICLE 15

GRIEVANCE AND ARBITRATION PROCEDURES

A. DEFINITIONS

1. Grievance. A "grievance" is a claim based upon an event or condition which affects the hours, wages, terms or conditions of employment of a teacher or group of teachers and/or which draws into question the interpretation, application or meaning of the provisions of this Agreement.
2. Aggrieved Person. The "aggrieved person" is the person or persons making the claim and may be a teacher, a group of teachers, or the Association.
3. Designated Representatives of the Board. The designated representative of the Board shall mean the principal in each school building except that if the grievance arises in more than one school building, the designated representative of the Board shall mean the Assistant Superintendent of the Schools in charge of personnel. The Board may change the designated representative by giving ten (10) days prior written notice to the President and designated representative of the Association. Such change shall not affect any grievance in process.
4. Designated Representative of the Association.
The designated representative of the Association shall mean the grievance chairman of the Association who has been given authority to receive grievances on its behalf. The President of the Association must, in writing, supply the name of this party to the Board before the Board has a duty to deal with him/her. The Association may change or add a designated representative by giving ten (10) days prior written notice to the Board. Such change shall not affect any grievance in process.
5. Designated Alternate. Either party may designate an alternate representative to act in the temporary absence of the regular representative. Such designation shall not affect any grievance in process.
6. Days. The term "days" when used in the section shall, except where otherwise indicated, mean calendar days.

B. PURPOSE AND POLICY

1. The purpose of this procedure is to secure, as soon as possible, equitable solutions to problems involving the welfare or working conditions of a teacher or teachers or to problems which draw into question the interpretation or meaning of the provisions of this Agreement. To better effectuate these policies, both parties agree that all proceedings shall be kept as informal and confidential as may be appropriate at any level of the procedure.

2. It is important that grievances be processed through the steps as rapidly as possible. The number of days indicated at each step should be considered as maximum and every effort should be made to expedite the process. If the Association as the moving party fails to comply with the time limit, the grievance shall be considered settled on the basis of the Board's last written answer to the grievance. If the Board as the responding party fails to comply with any time limit at any step, the grievance shall automatically pass to the next step in the grievance procedure. The parties may however, agree to extend the time limits at any step.
3. Nothing herein contained shall be construed as limiting the right of any individual teacher to present grievances to school officials and/or the Board and to have those grievances adjusted without the intervention of the Association, except that the adjustment shall not be inconsistent with this Agreement and the Association shall be given the opportunity to be represented at such adjustment.

C. All grievances shall be handled in accordance with the following procedure:

1. Step One. The aggrieved person shall reduce the grievance to writing together with a proposed solution thereto and shall deliver a copy of the grievance to the designated representative of the Board and to the designated representative of the Association. Within ten (10) days of the receipt of the grievance the designated representative of the Board shall meet with the Association's designated representative in an effort to resolve the grievance. The aggrieved person, at his/her discretion, may be present at such meeting. Once a teacher has reported unavailability, it shall be the responsibility of the Administration to arrange for a substitute teacher.

- B. The FEA shall be responsible for printing the contract. The Board shall inform the FEA of the number of copies desired by the Board and shall reimburse the FEA for the cost of the copies requested by the Board. The cost shall be based on a prorated per copy cost based on 300 copies.
- C. If any provision of this Agreement or any application of the Agreement to any employee or group of employees shall be found contrary to law, then such provision or application shall be deemed null and void except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.

ARTICLE 17

Summary Plan Description of the FRUITPORT COMMUNITY SCHOOLS SECTION 125 PLAN

To Our Employees

This document is called a "Summary Plan Description." It explains the provisions of the Fruitport Community Schools Section 125 Plan ("Plan"). The Plan allows you the option of waiving health coverage and, instead, receiving additional compensation or other tax-free benefits.

You are urged to read this Summary Plan Description carefully and to keep a copy for future reference. This Summary Plan Description does not replace the provisions of the Plan document. The Plan document governs the operation of the Plan. We have tried to make this Summary Plan Description complete and accurate without making it overly technical. In the event of any difference between the Summary Plan Description and the Plan document, the terms of the Plan document will control.

If you have any questions about your benefits under the Plan, please contact the personnel department.

WHAT IS A SECTION 125 PLAN?

A Section 125 Plan allows you to design a benefits package to suit the individual needs of you and your family.

Under the Plan, you may elect to waive the health coverage provided by the District. You will receive additional compensation if you waive health coverage.

More information regarding the procedure for making your benefit elections is explained in the following sections of this Summary Plan Description.

All records of the Plan and all your elections under the Plan are based on the "plan year," which is a 12-month accounting period of the Plan. The plan year is October 1 through September 30.

PARTICIPATION

This section describes the requirements for participation in the Plan. You may participate in the Plan only if you meet these requirements.

Eligibility to Participate:

Each employee who is eligible to receive a District contribution to a Section 403(b) tax-sheltered annuity in lieu of District-provided health insurance coverage, pursuant to the terms of the employee's collective bargaining agreement, employment contract or terms of employment (whichever applies), is eligible to participate in the Plan. If you are an eligible employee on October 1, 1995, you will become a participant on that date. Otherwise, you will become a participant on the date you become eligible for District-provided health insurance coverage.

Termination of Participation.

If you terminate employment with the District, or otherwise become ineligible for health insurance coverage, you will not receive any additional compensation for waiving health insurance.

Further, if you terminate employment with the District, or otherwise become ineligible for health insurance coverage, your continued participation and coverage under the District's group health plan will be determined under the terms and conditions of the group health plan.

BENEFIT CHOICES

The District maintains one or more group health plans which provide health coverage to eligible employees and their dependents. You may either elect to receive all or part of the coverage or to waive all or part of the coverage.

You will receive additional compensation if you elect to waive coverage under the District's group health plan(s). The District will determine the additional compensation for each plan year and communicate it to you during the annual enrollment period. (The amount of the additional compensation will vary depending on which coverage(s) you waive.) You will receive the additional compensation in your pay checks during the plan year. These amounts will be subject to all applicable tax withholdings.

Federal law does not permit Fruitport Community Schools to offer a Section 403(b) tax-sheltered annuity contribution as a benefit under the Section 125 Plan. However, if you receive additional compensation for waiving health coverage, you may make a special election, outside of the Plan, to contribute all or a portion of the additional compensation to a Section 403(b) tax-sheltered annuity. The contribution will be considered your own salary reduction contribution for purposes of the \$9,500 dollar limit. The contribution will be deducted from your compensation in equal installments on a before-tax basis (except for FICA and FUTA) as part of the Fruitport Community Schools' regular payroll system.

You can elect to waive coverage and receive additional compensation and/or contribute the additional compensation to a Section 403(b) tax-sheltered annuity in the spaces provided in your election form (see the "Choosing Your Benefits" section below).

CHOOSING YOUR BENEFITS

This section describes the procedure for choosing benefits under the Plan. You may make a separate election for each plan year (October 1 through September 30). However, you may not change your benefits during the plan year unless you have a change in family status.

Initial Benefit Selection.

You must complete an election form before the date you become a participant in the Plan. The election must be in writing on a form provided by the District. The election will remain in effect for the remainder of the plan year unless you have a change in family status, as described below.

If you do not make an election, the following rules apply:

(a) If you were receiving contributions to a tax-sheltered annuity in lieu of health insurance as of September 30, 1995, you will receive additional compensation in lieu of health insurance coverage. This change will be effective as of October 1, 1995.

(b) If you were receiving health insurance coverage as of September 30, 1995, you will continue to receive health insurance coverage.

Annual Benefit Selection.

Once you become a participant, your original election form on file with the District will continue in effect for all subsequent plan years unless you complete a new election form and turn it in to the District during the annual enrollment period.

If you complete a new election form, the new election form will become effective as of the first day of the next plan year and will remain in effect through the last day of the plan year unless you have a change in family status, as described below. Further, your new election form will continue in effect for all subsequent plan years unless you complete another new election form and turn it in to the District during a subsequent annual enrollment period.

Change in Family Status.

A change in family status is the only exception to the rule prohibiting any change in your benefit election during a plan year. A change in family status is limited to situations where your family status has changed during the plan year and this change affects the benefit election you made earlier.

The following are examples of changes in family status:

- (a) You have married or divorced;
- (b) Your spouse or child has died;
- (c) You have a new child by birth or adoption;
- (d) Your spouse begins or terminates employment;
- (e) Your or your spouse's employment status is changed from full-time to part-time, or vice-versa;
- (f) You or your spouse take an unpaid leave of absence; or
- (g) You or your spouse have a significant change in your health coverage as a result of your spouse's employment.

If you have a change in family status during a plan year, you must submit a change in family status form to the District no later than 30 days after the change in family status. The change in family status form will be effective as soon as administratively feasible after the change is approved by the District.

Most importantly, your new election must be on account of and consistent with the change in family status. Further, any new election involving an independent third-party health insurer or HMO will only be approved to the extent permitted by the independent third-party health insurer or HMO.

If you do not submit the change in family status form to the District within 30 days after the change in family status, you will be required to wait until the next annual enrollment period to change your election.

CLAIMS

Benefits under the group health plan will be paid according to that plan's claims procedure. If your claim for benefits under the plan is denied, in whole or in part, you may appeal according to that plan's appeal procedure.

ADMINISTRATION

The District is the plan administrator. The plan administrator is charged with the administration of the Plan. The plan administrator has the discretionary authority to decide all questions of eligibility for participation and eligibility for benefit payments and to determine the amount and manner of payment of benefits. The plan administrator will exercise its discretionary authority in a uniform and consistent manner, based upon the objective criteria set forth in the Plan. Further, the plan administrator has the discretionary authority to construe and interpret the terms of the Plan.

FUTURE OF THE PLAN

The District reserves the right to terminate or amend the Plan at any time.

The nine-month period shall correspond with Employer's school year.

Each Employee who is eligible to receive an Employer contribution to a Section 403(b) tax-sheltered annuity in lieu of Employer-provided group health, dental and/or vision coverage pursuant to the terms of the Employee's collective bargaining agreement, employment contract or terms of employment (whichever applies), shall be eligible to participate in the Plan. An eligible Employee shall become a Participant on the date specified in Section 3.2.

3.2 Participation. Each Employee who is eligible under Section 3.1 on October 1, 1995, shall become a Participant on that date. Each other Employee who subsequently becomes eligible under Section 3.1 shall become a Participant on the date the Employee becomes eligible to participate in a Health Benefits Plan.

3.3 Termination of Participation. The following rules shall apply to a Participant who terminates employment with Employer or otherwise becomes ineligible to participate in a Health Benefits Plan:

(a) The Participant shall be ineligible to have additional Compensation Reductions used to purchase coverage under the Health Benefits Plan. The Participant's continued participation and coverage under the Health Benefits Plan shall be determined under the terms and conditions of each plan.

(b) The Participant shall be ineligible to receive any additional Compensation attributable to an election to waive coverage under the Health Benefits Plan.

ARTICLE IV
BENEFITS

4.1 This Article Generally. This Article describes the benefit choices which are available to a Participant under the Plan and the procedures for the Participant to make his elections.

4.2 Benefit Choices. A Participant may elect to receive or to waive coverage under a Health Benefits Plan for himself and his eligible dependents, subject to the following:

(a) The Participant may be required to pay all or part of the cost of coverage in the Health Benefits Plan. If a Participant is required to pay all or part of the cost of coverage, the Participant shall pay such cost with his Compensation Reductions.

(b) A Participant who waives coverage in the Health Benefits Plan may have his Compensation increased by an amount determined by Employer for each Plan Year. The amount of any additional Compensation may vary depending on the type of coverage waived by the Participant. The additional Compensation shall be paid in equal installments during the Plan Year to which the election relates. However, as provided in Section 3.3(b), a Participant shall not receive any payment on account of this election for any time period after he terminates employment with Employer or otherwise becomes ineligible for participation in a Health Benefits Plan.

4.3 Election of Benefits.

(a) **Initial Election.** Each Employee shall complete and return an Election Form to Employer before the date he becomes a Participant. If an Employee does not deliver a completed Election Form to Employer before the date the Employee becomes a Participant, the Employee shall generally be deemed to have elected to receive Employer-provided group health coverage for the Plan Year. However, if as of September 30, 1995, a Participant is receiving contributions to a tax-sheltered annuity in lieu of health, dental and/or vision coverage, the Participant shall receive additional Compensation in lieu of health, dental and/or vision coverage if the Participant fails to complete an Election Form and return it to Employer.

(b) **Subsequent Election.** Each Participant who has previously completed an Election Form shall have the election made in that Election Form continue for all subsequent Plan Years unless:

(i) The Participant completes a new Election Form and delivers it to Employer during the annual enrollment period determined by Employer; or

(ii) The Participant's election is changed as provided in Section 4.4.

A Participant who is required to pay all or part of the cost of coverage in the Health Benefits Plan shall be considered to have agreed to a Compensation Reduction for the subsequent Plan Year equal to the Participant's share of the cost of coverage for that Plan Year.

4.4 Changes in Election During the Plan Year.

A Participant's election of benefits, including the amount of any Compensation Reductions, shall not be changed during a Plan Year, except as follows:

(a) The Compensation Reductions shall be automatically changed, on a reasonable and consistent basis, to reflect any increase or decrease in the premium charged by an HMO or an independent third-party provider for health coverage.

(b) A Participant's election may be changed on account of, and consistent with, a "change in family status," as provided in Section 4.5.

(c) A Participant's election may be changed to satisfy any nondiscrimination rule in the Code, as described in Section 4.6.

(d) A Participant's election may be changed if coverage under a Health Benefits Plan provided by an independent, third-party provider is significantly curtailed or ceases. The Participant may elect to receive prospective coverage under another Health Benefits Plan which provides similar coverage.

4.5 Change in Family Status.

A Participant may change his election during a Plan Year if the change is on account of, and consistent with, a change in family status.

For purposes of this Section, a "change in family status" means the marriage or divorce of a Participant, the death of a Participant's spouse or dependent, birth or adoption of a child, termination or commencement of employment by a Participant's spouse, an unpaid leave of absence by a Participant or his spouse, a significant

change in the health coverage of a Participant or his spouse as a result of his spouse's employment, and any other events that the Plan Administrator determines shall permit a change of an election during a Plan Year under regulations and rulings of the Internal Revenue service.

A Participant who changes his benefit election on account of, and consistent with, a change in family status must submit a new Election Form to the Plan Administrator no later than 30 days after the change in family status occurs. Any new election under this Section shall be effective at the time prescribed by the Plan Administrator. Further, any new election involving an HMO or independent third-party provider shall only be approved to the extent permitted by the HMO or independent third-party provider.

If a Participant waives health coverage under Section 4.2(b) for only part of the Plan Year as a result of a change in family status, rules comparable to those in Section 3.3(b) shall apply in determining the amount of the additional Compensation payable to the Participant.

4.6 Nondiscrimination Rules.

If the Plan Administrator determines at any time that the Plan may not satisfy the nondiscrimination rules in the Code, the Plan Administrator may take whatever action it considers appropriate to assure compliance with the rule. Any action shall be taken uniformly with respect to similarly situated Participants. The action may include the modification of Participants' Compensation Reduction elections, with or without the consent of the Participants.

4.7 Maximum Compensation Reductions.

Subject to Section 4.6, a Participant's maximum Compensation Reductions in a Plan Year shall be the Participant's Compensation Reductions to pay premiums under the Health Benefits Plan.

4.8 Funding of Health Benefits.

Employer shall pay all premiums under the Health Benefits Plan from its general assets. Nothing in the Plan shall be construed to require Employer or the Plan Administrator to maintain any fund or segregate any amount for the benefit of any Participant.

**ARTICLE V
ADMINISTRATION**

5.1 Powers of Plan Administrator

The Plan Administrator shall have the discretionary powers necessary to administer and meet its obligations under the Plan, including, without limitation, the following:

5.3 Standard of Care.

The Plan Administrator shall administer the Plan in accordance with the terms of the Plan solely in the interest of the Participants and for the exclusive purposes of providing benefits to Participants and defraying the reasonable expenses of administration of the Plan. The Plan Administrator shall administer the Plan with the care, skill, prudence and diligence under the circumstances then prevailing that a prudent person, acting in a like capacity and familiar with such matters, would use in the conduct of an enterprise of a like character and with like aims.

The Plan Administrator shall not be liable for any act or omission relating to its duties under the Plan, unless the act or omission violates the standard of care described in this Section. The Plan Administrator shall not be liable for any act or omission by another relating to the Plan.

ARTICLE VI **RIGHTS OF PARTICIPANTS**

6.1 Employment Rights.

The existence of the Plan shall not grant a Participant any legal right to continue as an Employee, or affect the right of Employer to discharge a Participant.

6.2 Participants' Rights.

The Plan shall be maintained for the exclusive benefit of the Participants and their dependents. However, the existence of the Plan, shall not give any Participant or dependent any equity or other interest in the assets, business or affairs of Employer. Similarly, the existence of the Plan does not give any Participant or dependent the right to challenge any action taken by Employer, or any policy adopted or followed by Employer or the right to examine any of the books and records of Employer.

6.3 Spendthrift Provision.

ARTICLE VII **PLAN TERMINATION AND TERMINATION**

7.1 Amendment of Plan.

Employer may amend the Plan at any time, by action of its Board of Education or by the written approval of an officer or committee to whom Employer's Board of Education has delegated the authority to amend the Plan. Any amendment shall be subject to the following:

(a) No amendment shall be effective unless the Plan, as amended, shall be for the exclusive benefit of Participants.

(b) No amendment shall reduce or eliminate a Participant's right to have his premium under the Health Benefits Plan paid in accordance with the provisions of the Plan to the extent a Participant has used Compensation Reductions to pay the premiums.

(c) No amendment shall be inconsistent with any applicable collective bargaining agreement.

Any amendment may be made retroactively effective to the extent permitted by the Code.

7.2 Termination of Plan.

Employer reserves the right to terminate or partially terminate the Plan at any time, by action of its Board of Education. If the Plan is terminated or partially terminated for any reason, the amount of a Participant's prior Compensation Reductions shall continue to be applied for the exclusive benefit of the Participant and his dependents.

ARTICLE VIII **MISCELLANEOUS PROVISIONS**

8.1 Uniformity of Treatment.
