PREAMBLE

This Agreement is entered into by and between the Board of Education of the School District of the City of Garden City, Michigan, hereinafter called the "Board" and the Garden City Educational Secretaries' Association, hereinafter called the "Association".

WITNESSETH

WHEREAS, the Board has a statutory obligation, pursuant to Act 379 of the Michigan Public Acts of 1965, to bargain with the Association as the representative of its secretarial personnel with respect to hours, wages, and terms and conditions of employment.

In consideration of the following mutual covenants, it is hereby agreed as follows:

ARTICLE I -- Recognition

- A. The Board hereby recognizes the Association as the exclusive bargaining representative, as defined in Section 11 of Act 379, Public Acts of 1965, for all educational secretaries and all personnel working in a regular capacity and engaged in secretarial and clerical work (including bookkeepers, aides to special programs, teaching assistants, instructional materials center paraprofessionals, head start home visitors, special education job coach and related service functions) but excluding the following executive personnel: (Secretary to Superintendent of Schools; 2 Secretaries to Associate Superintendent of Schools; and 1 Secretary to the office of Personnel and Labor Relations) coming within the bargaining unit as established by recognition of the Association letter at the March 22, 1966 Board meeting, thereby accepting the Garden City Educational Secretaries' Association as the sole bargaining agent for secretarial negotiations. All employees represented by the Association in the above-defined bargaining unit shall, unless otherwise indicated, hereinafter be referred to as "employees", and reference to female personnel shall include male personnel so employed.
- B. The Board agrees not to negotiate with any educational secretaries' organization other than the Association for the duration of this Agreement.
- C. Within forty (40) scheduled work days of the beginning of their employment hereunder, employees may voluntarily sign and deliver to the Board an assignment authorizing deduction of membership dues or assessments of the Association upon such conditions as the Association shall establish. Such sum or sums shall be deducted from the regular salaries of member employees and shall be remitted immediately to the Association. Such dues may be prorated over two (2) consecutive pay periods at the request of the individual member.

The annual dues of active members shall be deducted in two equal payments, i.e. one-half the last pay period of September and the remaining half the first pay period of October, or the first two applicable pay periods of the program for which they are hired. The employee may withdraw her authorization for payroll deduction of dues by submitting a two (2) week advance written notification to the

ARTICLE I - continued

Payroll Department. The Association will indemnify and save harmless the Board of Education for all sums improperly checked off and remitted to the secretaries' organization, plus any costs including attorneys' fees, incurred by the Board in connection therewith.

- D. In the event that any employee does not become a member of the Association, such employee shall, as a condition of continuation of employment by the Board, cause to be paid to the Association a representation fee equal to the dues and assessments of the Association (to the extent permitted by the Public Employees' Relations Act). In the event that any employee has failed to cause such representation fee to be paid by October 1 of each year or thirty days from the adult education program starting date for part-time adult education/school aides or on the completion of the probationary period if a new employee, the Association shall so notify the Board in writing and the Board shall terminate her employment within thirty (30) days from the date such written notice is received. The failure of an employee to become a member of the Association or cause the required representation fee to be paid to the Association within the specified time limits is hereby deemed to be just cause for termination of employment by the Board.

In any case where an employee contests termination of employment under this section, the Association shall indemnify and save harmless the Board from any and all costs (including, but not limited to, attorney fees, judgments and back wages) related to such termination.

ARTICLE II -- Board of Education Rights

The Board, on its own behalf and on behalf of the electors of the District, hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties, and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Michigan, and of the United States.

The exercise of these powers, rights, authority, duties and responsibilities by the Board and the adoption of such rules, regulations policies and practices as it may deem necessary shall be limited only by the terms of this Agreement.

ARTICLE III -- Employees' Rights

- A. The Association and its members shall have the right to use school building facilities at all reasonable hours for Association meetings, if not inconsistent with school days or prior scheduled activities, provided there is no cost to the Board. No employee shall be prevented from wearing insignia, pins, or other identification of membership in the Association, either on or off school premises.
- B. The Board agrees to furnish the Association, in response to request, all reasonably available information concerning the financial resources of the District, tentative budgetary requirements, allocations, and such other information as may assist the Association in developing intelligent, accurate, informed, and constructive programs on behalf of the Association provided that such information has been approved for release by the Superintendent. The Association recognizes that in many instances the District is dependent on outside sources for information. In such instances, requested information will be provided to the Association as soon as it is available to the District. Upon request, the Board shall inform the Association of any new or modified fiscal, budgetary or tax programs; construction programs, or major revisions of educational policy which are proposed or under consideration so as to give the Association an opportunity to make recommendations concerning such.
- C. Employees shall be entitled to full rights of citizenship; and no religious or political activities of any employee, consistent with common American practice, or the lack thereof, shall be grounds for any discipline or discrimination with respect to the employment of such employee.
- D. The provisions of this Agreement and the wages, hours, terms, and conditions of employment shall be applied without regard to race, creed, religion, color, national origin, age, sex, handicapped, marital status, or membership in or association with the activities of the Association.
- E. Employees may review contents of their personnel file upon request. An employee may have placed in her personnel file a rebuttal of her explanation of a document in her personnel file which she regards as detrimental.

ARTICLE III- continued

F. Except as provided below, employees will not be required to administer medication of any kind to students. These employees shall, however, upon request of their immediate administrator, serve as witness to the administration of medication when properly authorized and administered by a teacher or administrator.

1. Bargaining unit members working as job coaches for Burger students may be required by the District to store student medication while transporting students. However, said members will not be required to administer medications, or in any way assist in administering medications, or to prepare or replace medications, nor will said members have any responsibility as to whether, how, or when students take their medications.

The school district shall post and provide a copy to each job coach a current list of the medications for each student which are required to be stored.

2. Job coaches storing medications for students while being transported to and from job sites as well as at the job site shall be considered to be performing this task as a requirement of their job. This requirement is to insure that individuals who perform the role of Job Coach are, therefore, protected by the District's liability policy to the coverage limit of five million dollars (\$5,000,000).

G. All employees shall not be required to transport students in their private cars.

- L. Employees who voluntarily do banking and school errands as directed by an administrator shall be reimbursed for mileage on their personal cars at the rate of twenty-two cents (22) per mile. Beginning with the 1994-95 school year, the rate of reimbursement for mileage described in this section of the contract shall be the established IRS rate.

ARTICLE V -- Hours of Work

- A. The normal work day shall be eight (8) hours per day. The normal work week shall be forty (40) hours per week, Monday through Friday, and shall begin on Monday. The normal work day for full-time teaching assistants to the Developmental Learning Program shall be seven (7) hours per day. The normal work week for teaching assistants to the Developmental Learning Program shall be thirty-five (35) hours per week, Monday through Friday, and shall begin on Monday. The part-time adult education/school aides hours will vary according to their assigned programs.
- B. The Board recognizes the principle of a standard forty (40) hour work week and will attempt to set work schedules accordingly. The Administration will not regularly require employees to work in excess of such standard work week. It shall be noted that on many occasions there will be a need for a part-time, four (4) hours per day employee to work additional hours to partially cover for an absent full-time employee or for additional work load. Although such an overtime assignment is not mandatory, persons in or seeking part-time employment assignments must realize that their availability to accept such overtime assignments stabilizes the work process. Likewise, it is noted that on occasion there will be a need for full-time employees to work additional hours to expedite an additional work load. Although such an overtime assignment is not mandatory, such overtime assignments stabilize the work process. Any employee who performs such overtime in addition to their normal work day shall be compensated with overtime pay at time and one-half per hour.
- C. All employees shall be entitled to a duty-free lunch period of not less than one-half (1/2) hour nor more than one (1) hour. This lunch period is to be recognized as their own free time. Specific lunch time is to be approved by the immediate administrator.
- D. In the event the Board should decide to close the schools on a day negotiated as a work day, because of weather or public health conditions, it shall be considered a regularly scheduled work day or portion thereof and paid as such. Employees on approved vacation shall be excluded from this section.

ARTICLE V - continued

- E. Fifteen (15) minutes of work break time for personal needs, relaxation and refreshment shall be provided for each employee during the morning and during the afternoon tour of duty, fifteen (15) minutes during the day's tour of duty for a part-time (4 hour) employee. This break time shall be approved by the employee's immediate supervisor.

- F. The President of the Garden City Educational Secretaries' Association shall be released from work duties for a maximum of seven (7) days per year for Association business and for being available to the administration for consultation on matters of mutual concern. A substitute, qualified to continue to perform the work duties of the President, shall be provided during such released time.

- G. The Personnel Office will endeavor to provide a substitute for employee absences except for the following positions: purchasing clerk, accounting clerks, payroll/insurance clerks, business office secretary and data processing coordinator/student services.

Full-time elementary secretaries only, who are not able to report for work due to illness or personal business shall contact the part-time secretary assigned to there same building and determine the willingness of the part-time person to work a full day at the regular hourly rate of pay in place of the absent person. The full-time person shall then contact the District absence line and report whether a full or part-time replacement is needed.

When possible, absences of positions requiring typing in the qualification shall be filled with substitutes who have passed the District typing test. When a sufficient number of substitutes who have passed the District typing test cannot be secured to cover all those absences, the Personnel Office will attempt to place substitutes who have not passed the typing test.

ARTICLE V - continued

On those occasions when the Personnel Office is not able to secure a sufficient number of substitutes to cover all of the absent employees, G.C.E.S.A. members who are regularly scheduled in less than full-time positions shall be offered the opportunity to work as a substitute and to continue to receive the hourly rate they regularly receive. Having taken these steps, if there are still absences which cannot be covered, the following priority for substitute placement shall be followed: personnel secretary, teacher aides, transportation secretary, central office switchboard operator, elementary secretaries (including Burger and paraprofessionals), junior high school secretaries, high school secretaries, adult education secretaries, central office secretaries.

ARTICLE VI -- Work Loads and Assignments

- A. The administration shall take measures to make uniform and stabilize work assignments and work loads, and to clarify the relationships between employees and those from whom she receives work assignments by maintaining an updated general job description for each bargaining unit position. It is recognized that general job descriptions are intended to provide an indication of the type of tasks people perform and not a complete itemization of the job. General job descriptions shall be attached to all job postings. The administration shall notify the Association at least ten (10) days in advance of any contemplated major and permanent changes in job descriptions so as to give the Association an opportunity to make recommendations to the administration concerning such changes before such changes are implemented.

- B. All full-time employees shall be given notice of tentative assignment for the following year no later than May 21. However, it is understood that such assignments are subject to change as the personnel needs of the District change.

ARTICLE VII -- Vacancies and Promotions

Recommendations to specific positions or assignments are the responsibility of the administration. Hiring and placement are exclusively the prerogative of the Board.

- A. Whenever a vacancy in any clerical or aide position in the District shall occur, the Personnel Office will publicize the same by providing notice of vacancy to each employee within 5 working days. During the summer period, notices will be posted at the Central Office with a copy to the president of the Association. During the summer, any employee may receive notices of vacancies by providing stamped, self-addressed envelopes. No vacancy shall be filled, except in case of emergency on a temporary basis, until such vacancy shall have been posted for at least seven (7) school days during the school year or twelve (12) business days during the summer period. The position will be filled within (10) ten working days after the posting is up.
- B. Any employee may submit application for transfer to a vacant or promotional position within the process indicated in A above. Part-time adult education/school aides will be given consideration for employment. An employee who has applied for a vacancy and is not awarded the position will be notified in writing within two (2) scheduled work days after the position is filled that she has not been awarded said position. The Board declares its support of a policy of promotions from within its own staff. In filling any vacancy, due weight will be given to background, attainments, skills, and other relevant factors. An applicant with less service in the system or any outside applicant shall not be awarded a position unless her qualifications are superior. An employee who is not awarded a requested transfer may request a conference with the Director of Personnel and Labor Relations at which representatives of the Association may be present. At such conference, the reasons as to why the requested transfer was not awarded will be given. The Board retains the right to employ outside applicants to fill vacancies.
- C. Employees who are part-time (four hours), exclusive of part-time adult education/school aides, shall be eligible to earn credit toward years of service to the District per the following guidelines:

ARTICLE VII - continued

1. A part-time employee who is requested to work a full eight (8) hour day will accumulate four (4) hours of service credit toward experience credit on the salary schedule.
 2. Credit on the salary schedule shall be given when a part-time (four hour) employee's accumulated credit would advance her to the next step on the salary schedule. Accumulated credit shall be figured annually on June 30 and will be applicable to the subsequent school year. Accumulated Credit will be verified at the end of each month and certified to the Personnel Office.
- D. As used in this contract, a new position shall mean the establishment of a totally new position of employment.
- E. An employee filling a temporary vacancy and assuming a higher classification responsibility shall receive the rate of pay commensurate with the higher classification starting with the fifth (5th) consecutive working day in that position and retroactive to the first day.
- F. All vacancies will be subject to the bid process, and all employees are encouraged to train and prepare for promotional opportunities. The parties agree and understand that it is the sole responsibility of the employee to secure and maintain necessary skills to qualify for any position which may become vacant. However, any additional skill training required by the employer once an employee has secured a particular position shall be provided at Board expense.
- G. All full-time ten (10) month employees of the Garden City Educational Secretaries' Association shall be considered before any outside applicants for summer school job openings; each classification (secretary, I.M.C. paraprofessional, aide to special programs and teaching assistants) shall have first chance at a position in their unit. Then the position shall be opened up to the other classifications of employees within the unit who qualify.
- H. Effective July 1, 1994, members of the Association, as defined in Article I of this agreement, shall begin to accrue seniority on the first day of work after formal Board of Education action to employ the individual. Seniority shall be earned according to the following chart:

4. Forms as previously designed shall be given appropriate distribution so as to facilitate the operation of the grievance procedure.
5. Access shall be made available to all parties, places, and records for all information necessary to the determination and processing of the grievance, within the limits specified in **ARTICLE III, Section C.**
6. The failure of an aggrieved person to proceed from one level of the grievance procedure to the next level within the time limits set forth, shall be deemed to be an acceptance of the decision previously rendered and shall constitute a waiver of any future appeal concerning the particular grievance.

For each position which has been eliminated, all positions of equal or lesser level occupied by employees less senior than the employee whose job has been eliminated will be identified and declared vacant. Such employees would be considered unassigned and their positions made available through an open posting and bidding process.
 4. Unassigned employees shall not forfeit benefits during periods of unassignment and shall have the right to bid positions subject to the seniority provisions of this agreement. Unassigned employees are employees who are not assigned to a position for reasons other than layoff.

- E. Any demotion directly or indirectly resulting from implementation of the procedures of this ARTICLE shall provide that the employee remain at the hourly level of pay received for a period not to exceed two (2) years or until hourly rate of position assumed equals or exceeds previous level of hourly pay, whichever comes first.
- F. All fringe benefits accumulated by an employee prior to her layoff shall be held frozen pending her return. Earned vacation will be paid, upon request, to the employee at the time of layoff.
- G. An employee on layoff status may continue group insurance coverage (except for disability income) at her expense, except that the Board will continue to pay premiums for employees on layoff status resulting from strikes by other bargaining groups.
- H. Employees on layoff status shall be given preference for on-call employment in order of greatest seniority and shall be paid at their regular rate for one (1) year when performing on-call assignments.
- I. Employees on layoff status may bid on positions subject to the seniority provision of this agreement.
- J. If application of the above layoff provisions results in assignment of an employee to a different position and such different position is one she does not wish to fill, such employee may, if the Board consents, elect to take a voluntary layoff. Any such voluntary layoff shall be governed by the following:

ARTICLE XIX - continued

1. The employee must request such voluntary layoff, in writing, within twenty-one (21) calendar days after being notified of the change (or prospective change) in her assignment. Such written request must acknowledge that the employee understands and agrees to all of the provisions of this Section I.
2. The voluntary layoff will continue until such time as the employee's original position (i.e., a position substantially the same as the position occupied at the time of election to take voluntary layoff) becomes again available on the basis of the employee's years of service and ability to meet qualifications. In such event, the employee will be given written notice of recall. If she does not report for duty within 15 calendar days after mailing of the recall notice to her address as shown on Board records, she will be conclusively presumed to have resigned and all of her seniority or other rights will terminate. (It shall be the employee's responsibility to keep the Board notified, in writing, of any change in his/her address.)
3. When an employee on voluntary layoff is offered an open position which carries a lower classification than the position he/she held when the voluntary layoff took effect, the employee may decline same.
4. When an employee on voluntary layoff is offered an open position which carries the same classification as the position held when he/she elected voluntary layoff, or carries a higher classification and he/she refuses, it will be considered a voluntary resignation.
5. Voluntary layoffs become effective when there is job elimination.
6. Employees on leaves of absence are not eligible to request a voluntary layoff.

ARTICLE XX -- Protection of Employees

- A. Any case of assault upon an employee, during the course of her employment, shall be promptly reported to the administration. The Board will provide legal counsel to advise the employee of her rights and legal processes with respect to such assault.
- B. If an employee is injured while in the line of duty, medical, surgical or hospital care will be furnished by the Board per its workers' compensation policy.
- C. Any complaints or charges directed toward an employee shall be promptly called to the employee's attention. An employee shall be deemed innocent of any and all charges until proven otherwise.
- D. The Board shall cover employees with employment liability insurance under the District's multi-peril policy.
- E. It shall be the policy of the Garden City School District to reimburse an employee for personal clothing and personal effects (watches, jewelry, glasses) worn on one's person (to a maximum of 1% of teacher B.A. base per item) if these items are damaged or broken because of a violent act by a member of the student body. The reimbursement request shall be presented to the business manager and must be accompanied with a recommendation by the building administrator or program administration with an invoice showing replacement or purchase of the item. Damaged or broken items shall become the property of the school district. This policy will not cover automobile damage, personal equipment damage or items that are stolen or allegedly stolen while on the school premises.

ARTICLE XXI -- Miscellaneous Provisions

- A. This Agreement shall supersede any rules, regulations, or practices of the Board which are contrary to or inconsistent with its terms. The provisions of the Agreement shall be considered part of the established policies of the Board. The absence of language in the Master Agreement is not construed as making any provision of the Master Agreement contrary to or inconsistent with any provision of the policies of the Board of Education.
- B. Copies of the Agreement shall be printed at the expense of the Board and presented to all Association members now employed or hereafter employed by the Board for the duration of this Contract.
- C. If any provision of this Agreement or its application shall be found contrary to law, then such provision or application shall be deemed invalid, but all other provisions or applications shall continue in full force and effect for the duration of this Contract.
- D. Members of the Association and the officers thereof, individually and collectively, share with the Administration and the Board the mutual responsibility of the total enforcement of this Contract.
- E. Current benefits received by employees shall not be jeopardized during negotiation of this Agreement or upon signing thereof, unless specifically altered by provisions contained herein.
- F. The Board shall pay wages, conference fees and expenses for employees attendance at in-service sessions, workshops and conferences for their professional improvement. The request to attend these sessions may be initiated by the membership or the Administration and must have the approval of the Superintendent or his designee. Release time to attend the above will be provided. The Board agrees to provide a minimum of \$3,500 per school year for in-service training for members of the Association.

ARTICLE XXI - continued

- G. Employees will be reimbursed for courses taken to improve competency and skills on the job. Courses must have prior approval by the Superintendent or his designee and must be completed with passing or satisfactory grades in order to be reimbursed 60% for tuition. All such courses offered through Continuing Education of Garden City Public Schools would be tuition free. The decision of the Superintendent or his designee as to approval or disapproval of any course shall be determinative and final, except that if (and only if) such decision is claimed to be arbitrary, capricious or discriminatory the Union may file a grievance.

As an aid to such interpretation, the parties have agreed on the following examples of acceptable courses (this list is not all inclusive, and is intended only as a guideline):

- I. Effective September 1, 1966, comparable experience up to the two (2) year level on the salary schedule can be allowed for a specific position after the probationary period, for both ten (10) and twelve (12) month employees has been satisfied. Employees shall be notified by the Personnel Office five (5) days prior to the end of the probationary period.

ARTICLE XXI - continued

- K. Employees who travel between buildings shall be given fifteen (15) minutes travel time within their work day and be paid the current mileage rate.
- L. The District shall provide one (1) mutual fund option under 403(b) and the Association shall form a committee to provide input to that selection.
- M. This Agreement and the established past practices shall constitute the full and complete commitment between the parties. Any Party asserting the existence of a past practice shall have the burden of proof with a preponderance of evidence.
- N. During the 1995-96 school year, the representatives of the District and the G.C.E.S.A. shall conduct a review of skill requirements for each position within the bargaining unit. Any modifications in skill requirements which may occur as a result of mutual agreement between the parties shall become effective July 1, 1996. The failure of the parties to mutually agree to change existing skill requirements (for any and/or all positions) prior to June 30, 1996, shall result in the skill requirements for those positions remaining unchanged.

A member who elects additional compensation in lieu of coverage shall not be allowed to change that election until the next annual enrollment period under the District's plan unless such member has a "change in family circumstances" including but not limited to:

- 1) You are married or divorced
- 2) Your spouse or child dies

GARDEN CITY SCHOOL DISTRICT

SECTION 125 Plan

and

ELECTION FORM

(Full-time Members)

If you are eligible to be covered under the District's health care plan as of October 1, 19__, and if you have health care coverage from another source, you may elect to waive coverage under the District's health care plan for the 19__-19__ plan year (10-1-__ through 9-30__) and, instead, to receive a cash payment equal to \$1,200 (\$100 a month). This cash payment will be taxable and will be in addition to your regular compensation from the District. Participation in this flexible benefits program is subject to the following terms and conditions:

1. Your election to receive health care coverage for the 19__-19__ plan year is irrevocable unless you have a change in family status (see attached page for examples of change in family status). If you have a change in family status and subsequently elect the cash payment, you will begin to receive your monthly payment (\$100) for the month following your new election. Absent a change in family status, your next opportunity to elect the cash payment will be in September, 19__, for the 19__-19__ plan year.
2. Your election to receive the cash payment also is irrevocable for the entire 19__-19__ plan year unless you have a change in family status. If you have a change in family status and subsequently re-enroll in the District's health care plan, your coverage will be effective on the first day of the month following re-enrollment. Absent another change in family status, your next opportunity to elect the cash payment will be in September, 19__, for the 19__-19__ plan year.
3. If you elect the cash payment, you will receive your payments in \$100 monthly installments.
4. You will not be permitted to elect the cash payment in lieu of health care coverage unless you can represent to the District that you have health care coverage from another source and you identify that source.

5. Subject to existing collective bargaining agreements, the District reserves the right to modify or terminate the program prospectively, that is, with respect to future years only. The District shall have the authority to construe and interpret the terms of this program and shall decide all questions of eligibility and shall determine the amount, manner and timing of payments under the program.

EXAMPLES OF CHANGES IN FAMILY STATUS (including but not limited to):

- 1) You are married or divorced
- 2) Your spouse or child dies
- 3) You adopt a child or a child of yours is born
- 4) Your spouse begins or terminates employment, or is laid off, or loses benefits, or benefits are reduced, or co-payment is increased
- 5) You or your spouse's employment status is changed from full-time to part-time, or vice-versa; as long as Treasury Regulations are not violated.
