- b. Membership in the Union is not compulsory. Employees have the right to join or not join, maintain or drop membership in the Union.
- c. All employees shall, upon attainment of seniority or the 91st day following the effective day of this Agreement, whichever occurs later, become Union members or pay the Union a service charge in the same amount and in the same manner as Union members and shall do the above as a condition of employment.
- d. In the event that a bargaining unit member does not join the Union or tender his services charge as stipulated in paragraph c. of this Article, such employee shall be terminated from employment by the Grand Blanc Schools upon written demand by the Union and its officers.

Section 2 - Union Dues Co-Deductions Procedures

- a. Properly executed individual authorization forms furnished by the Union shall be filed with the Business Office. Such authorization may be revoked in writing. The Employer shall furnish the Union the names of all new bargaining unit employees, including the date of hire and also the names of seniority employees terminating employment on the check-off list accompanying dues deductions.
- b. During the life of this Agreement, the Board agrees to deduct Union dues, initiation fees, C.O.P.E. deductions and special assignment uniformly required of all members and associate members from the last pay of each month (C.O.P.E. deduction from each pay) from each employee who executes or has executed an authorization for dues deduction.

Excluded from the above limitations would be:

Section 5 - Emergency Conditions - Temporary reductions in force due to any emergency beyond the control of the Employer may be made by the Employer regardless of seniority, for a period not to exceed three (3) consecutive work days for any individual in a specific emergency reduction. Section 2 - If any employee or employees take part in any activity in violation of the above provision, any such action shall be cause for discharge or other discipline as established by this Employer. An employee who believes that discharge or other discipline by the Employer concerning him was not justified, shall have recourse to the appropriate grievance procedure.

Section 3 - If any employee or employees represented by the Union should violate the intent of this Section, the Union will take positive measures to effect a prompt resumption of work.

It is recognized that no final agreement between the parties may be executed without ratification by a majority of the Board of Education and by a majority of the membership of the Union, but the parties mutually pledge that representatives selected by each shall be clothed with all necessary power and authority to make proposals, consider proposals and make concessions in the course of negotiations or bargaining, subject to ultimate ratification by both parties.

MEMO OF UNDERSTANDING

Weather Days

On days when weather conditions are so severe that all school buildings are closed, all maintenance and custodial personnel are under obligation to make sincere efforts to report to work. If, after making such sincere efforts, it becomes physically impossible for the employee to report to work, the school district will allow such employee to deduct either a personal business day or a vacation day for their absence. It is expected that all employees will report to work on weather days. If necessary, the burden of proof will be on the employee to demonstrate their sincere efforts.

This Memo of Understanding is to remain in effect from September 1, 1993 through August 31, 1995.
