Section 5.2 - The Employer will make whole an employee grievant and his area committeeman for scheduled time necessarily lost in presenting a grievance to the supervisor and during first step proceedings with the Supervisor. Provided, however, such proceedings shall not occur during scheduled working hours whenever it can be reasonably avoided; and provided that no employee shall leave his assigned work for the purpose of handling any grievance without the express prior consent of the employee's supervisor. The balance of the grievance handling will be excluded from this policy for reimbursement.

Section 5.3 - Step 1: An employee having any specified grievance will, within seven (7) calendar days after the occurrence or non-occurrence of the event allegedly in violation of this Agreement, take the matter up with his immediate supervisor in an attempt to adjust the matter consistent with the terms of this Agreement. The employee may request the presence of the steward or the committeeman for this step.

Section 5.4 - Step 2: Grievances which are not so settled shall be reduced to writing on appropriate forms and signed and dated by the aggrieved. The written grievance must state the date of the occurrence or non-occurrence of the event allegedly in violation of this Agreement, specify the sections(s) of this Agreement allegedly violated, and must be presented to the Department Director within ten (10) calendar days after the occurrence or non-occurrence of the event allegedly in violation of this Agreement and upon which the grievance is based. The committeeman may meet with the Department Director not later than seven (7) calendar days following the receipt of the grievance by the Department Director. The Department Director shall write his disposition on the grievance form and a copy shall be returned to the committeeman within seven (7) calendar days following the meeting (if held) or within seven (7) calendar days following receipt of the grievance by the Department Director (if no meeting is held).

Section 5.5 - Step 3: If a grievance is not adjusted by the above step and if the Union desires to appeal it, the bargaining committee shall appeal the matter to the City Manager, or his designee, by serving written notice of such appeal upon the City Manager within seven (7) calendar days after the Department Director's written Step 2 answer. At the discretion of the City Manager or his designee, as the case may be, a meeting may be scheduled with the Local 586 representative, which meeting shall be attended by the grievant and such other parties deemed appropriate by the City Manager or his designee.

Section 5.6 -The City Manager, or his designee, shall render his written disposition within fourteen (14) calendar days after the meeting (if held) discussed in Section 5.5, or within fourteen (14) calendar days after his receipt of the grievance (if no such meeting is held).

Section 5.7 - Step 4: If the grievance is not adjusted by the above step and if the Union desires to appeal it, the Union shall, within seven (7) calendar days following the Step 3 answer by the City Manager or his designee, notify the City Manager in writing of its intent to refer the grievance to the mediation procedure outlined under Michigan law. Any meeting with a Mediator shall be scheduled at a time agreeable to the Union, the Employer and the Mediator.

Section 5.8 - Step 5: If the grievance is not adjusted by the above step and if the Union desires to appeal it, the Union shall, all within seven (7) calendar days following the Step 4 meeting with the Mediator, file a written request for advisory arbitration with the Michigan Employment Relations Commission and serve a written copy of such request upon the City Manager.

The written request to the Michigan Employment Relations Commission for arbitration of the grievance shall direct the Commission to submit to both the Employer and to the Union a list containing the names of seven (7) arbitrators approved by the Commission. Upon receipt of said list, the parties may each strike the name(s) of any arbitrator they are unwilling to accept, and shall numerically rank order (number "1" being highest in preference) those names remaining on the list. Thereafter, the parties shall each return

their lists, with any names stricken and all other names ranked ordered, to the Michigan Employment Relations Commission. The Commission shall be instructed to appoint the arbitrator with the lowest aggregate score, when combining the rankings of the Employer and the Union, from among the unstricken names. In the event an arbitrator is not able to be selected in this procedure based on the first list, a second list shall be requested.

Any such advisory arbitration proceeding shall be subject to all of the following terms and conditions:

- (a) The recommendation(s) of the arbitrator shall be advisory only and shall not be binding on either the Employer or the Union;
- (b) Not more than one (1) grievance shall be heard by any arbitrator at any one time;
- (c) The arbitrator shall have no authority to add to, subtract from, disregard, alter or modify any provision or provisions of the Agreement;
- (d) The arbitrator shall not base his recommendations(s) on state or federal law, but must make his recommendations(s) solely on the basis of the provisions of this Agreement;
- (e) The arbitrator shall not recommend any alteration in any policies, rules and/or actions of the Employer which are not specifically in violation of this Agreement;
- (f) The arbitrator shall not rule on any provision of the pension or insurance programs;
- (g) The arbitrator shall not recommend any adjustment or settlement of a grievance retroactively more than the date of the occurrence or non-occurrence of the event allegedly in violation of this Agreement or seven (7) calendar days before the date of initiating the grievance, whichever is later, and any claim for or recommendation of back wages shall be offset by any unemployment compensation paid (except to the extent such unemployment compensation is repaid by the employee in question to the State of Michigan), and by any compensation derived from any substitute employment, during the period for which back wages are sought;
- (h) The arbitrator shall not recommend any punitive damages;
- (i) The arbitrator shall have no power to recommend new salary schedules, or to recommend any monetary adjustment where there has been no wage loss;

- (j) The arbitrator shall have no power to hear any grievance previously barred from the scope of the grievance procedure in a prior proceeding;
- (k) The costs or expenses of the arbitrator shall be shared equally by the Employer and the Union. Any costs or expenses individually incurred by the parties, however, including any transcript of an arbitration proceeding ordered by a party, shall be borne by the party incurring the cost or expense; and
- (l) Any grievance which is not appealed to advisory arbitration with the time limit herein above provided shall be considered adjusted and may not thereafter be so appealed.

Section 5.9 - Grievances which are not filed or appealed in the manner or within the time limits specified in the grievance procedure shall be considered to have been withdrawn or abandoned and shall not be submitted or resubmitted. Each prior step must be completed before a subsequent step is begun. However, if the Employer fails or neglects to answer a grievance within the time limit specified in the various steps of the grievance procedure, the grievance shall automatically be referred to the next higher step in the grievance procedure.

If additional time is deemed necessary to properly investigate matters relative to the grievance at any of the steps outlined above, such additional time may be granted only if mutually agreed upon in writing between the Union and the Employer.

Section 5.10 - All grievance meetings held pursuant to this grievance procedure shall be held at such times as may be mutually agreed upon by the aggrieved employee, employees or the negotiating committee of the Union and the Employer.

Section 5.11 - Notwithstanding the provision of this grievance procedure, any individual employee may present a grievance on his own behalf and have the grievance adjusted, without intervention by the Union, if the adjustment is not inconsistent with the terms of this Agreement, provided the Union has been afforded an opportunity to be present at such adjustment.

Probationary employees may be laid off or dismissed without recourse to the grievance procedure.

- (f) His employment status while on leave of absence (other than military service leave of absence) is changed (other than by layoff, quit or discharge) without the prior written approval of the City Manager, from that stated in his application for such leave. In this regard, it is the intent of the parties that all leaves of absence shall be used in accordance with the reasons stated for such leave in the leave application, and that leaves of absence shall not be used as trial periods for new employment. An employee shall state in his leave application whether or not he intends to perform any work while on leave and the nature and extent of such work, if any;
- (g) He fails to report for work on the first work day following the expiration of an approved leave of absence without first notifying the Employer of a justifiable and unavoidable reason for such absence, unless otherwise excused by the Employer;

Section 7.1 - When the size of the work force is to be reduced for any reason through a layoff of employees in any job classification in any Division, as determined by the Employer, the following procedure will be utilized:

- (a) Temporary or seasonal employees in the classification and Division affected shall be laid off first, provided there are regular probationary or seniority (non-probationary) employees who have the training, experience, capability and qualifications to fill the remaining positions in the Division affected.
- (b) Probationary employees in the classification and Division affected shall be laid off next, provided there are regular seniority (non-probationary) employees who have the training, experience, capability and qualifications to fill the remaining positions in the Division affected.
- (c) If regular seniority (non-probationary) employees are to be laid off in the classification and Division affected, such employees shall be laid off on the basis of their divisional seniority (i.e., least senior first) if all remaining employees have the training, experience, capability and qualifications to fill all remaining positions in the Division affected.
- (d) The Employer shall give as much notice as it deems reasonably possible to the affected employees, in the event of a layoff.

Section 7.2 - Bumping. Following a layoff as provided above, laid off employees may exercise "bumping" privileges, if any, only in accordance with the following terms and conditions:

- (a) Temporary or seasonal or probationary employees shall not be allowed to "bump" any other employee in connection with any layoff.
- (b) It is understood and agreed, with respect to any layoff, that there will be no "bumping" any other employees as between Divisions whatsoever.

- (d) Seniority (non-probationary) employees who are laid off from their regular classification may "bump" downward into a lower paid classification in the

same Division or may "bump" laterally into an equal paid classification in the same Division if: (i) they have all the training, experience, capability and qualifications to fill the position; and (ii) they have greater divisional seniority than the employee to be "bumped"; and (iii) they exercise their rights to "bump" by written notice to the Department Director or his designee within twenty-four (24) hours of receiving notice of the layoff (excluding hours falling on a Saturday, Sunday, or holiday recognized in this Agreement).

Section 7.3 When the size of the work force is to be increased following a layoff of employees pursuant to Section 7.1 above, the following procedure will be utilized.

- (a) Employees having exercised "bumping" privileges pursuant to this Agreement shall first be reinstated to the positions from which they were laid off, to the extent such positions have been re-established and such employees have the training, experience, capability and qualifications to fill said positions.
- (b) Seniority (non-probationary) employees shall next be recalled, in the inverse order of their layoff, if such employee eligible for recall have the training, experience, capability and qualifications to fill available positions.

Section 7.4 - All recalls shall be made by written notice sent by certified mail to the employee's last known address according to the records of the Employer. The Employer's obligation is satisfied if the last known address given by the employee is used. Such recall notices shall specify the date upon which the employee shall return to work, and such recalled employees shall return to work on the date so specified; provided, however, that if said date is within seven (7) calendar days following the date the recall notice is sent, the employee shall have seven (7) calendar days following the date of mailing and said recall notice within which to return to work.

Section 7.5 - Job vacancies which result from reinstatement of positions eliminated in connection with a layoff, and which occur during a period when there are employees laid off who are eligible to be recalled, may be filled by the Employer through a recall as herein provided, without regard to the job posting provisions of this Agreement.

ARTICLE EIGHT

TRANSFERS AND PROMOTIONS

Section 8.1 - All job openings within the Department of Public Works shall be posted on the bulletin board for a period of seven (7) calendar days. The Employer shall post any job opening which it intends to fill within thirty (30) calendar days of its decision to fill the job opening; however, the thirty (30) calendar day time period may be extended upon written notice from the Employer to the Union. The Employer may fill any vacancy on a temporary

basis during the time necessary to fill the job with a regular employee. The Employer has the right to hire outside the bargaining unit to fill a position whenever there are, in the Employer's opinion, no employees with the necessary or desire training, experience, capability and qualifications available within the bargaining unit. Provided, the reasonableness of the Employer's opinion is subject to the grievance procedure.

Section 8.2 - In the event of a job opening, placement or advancement within the bargaining unit shall be based upon demonstrated ability, aptitude for positions of increased responsibility, dependability, experience, seniority, education, mental and physical qualifications and such other factors as the Employer deems important with respect to the job vacancy or new position to be filled.

Section 8.3 - The Employer need not entertain more than one (1) successful bid from any employee during any four (4) month period.

Section 8.4 - An employee filling a vacancy by transfer or promotion shall be given a fair trial period to prove his ability. The length of the trial period will depend upon the difficulty of the job and the early performance of the employee. In the event the trial period is to be extended beyond thirty (30) days, the Union will be notified of the extension and the reasons for it. Any disputes will be subject to the grievance procedure. Any employee moving into a higher classification shall move to the closest step in the next highest classification.

Section 8.5 - If unable to qualify with the period, the employee shall be returned to his former position at his former pay level.

Section 8.6 - An employee may exercise his prerogative to refuse a promotion or transfer within or between Divisions without loss of seniority.

Section 8.7 - Regular transfer or reassignment: Any employee temporarily assigned for a period of more than one consecutive 8 hour day to perform work that is normally performed by a person in a higher classification and is not normally performed by a person in a lower classification shall be paid that rate of the higher position at the same step the employee is currently in. As used in this section, the term "paid hours of employment" shall include all regularly scheduled straight time hours worked, all paid vacation hours, paid sick leave hours (but excluding any paid sick leave hours which exceed nine hundred sixty (960) consecutive such hours without an employee's return to active work), and paid holiday hours; but the term shall not include any overtime hours, premium pay hours, hours of unpaid leaves of absence, or hours fully or partially compensated pursuant to the Michigan Worker's Disability Compensation Act of 1969, as amended (or some successor statute).

Section 12.2 - An employee shall not be allowed to accumulate any paid vacation time in excess of forty (40) hours over the maximum amount of vacation time that the employee could earn in a current year (which year begins with that employee's anniversary date of his employment with Employer). Employees wishing to carry forward vacation time in excess of the maximum must receive the prior written approval from the City Manager. For purposes of this paragraph, the maximum amount of vacation time which an employee could earn assumes that the employee would have two thousand eight (2,080) paid hours of employment during the measuring year.

Section 12.3 - Subject to all other provisions regarding vacations, each regular full-time and regular part-time employee shall, after completion of the probationary period, receive one (1) bonus vacation day for each one hundred twenty (120) consecutive calendar day time period of perfect attendance, as defined below. Provided, however, the entire one hundred twenty (120) consecutive calendar day time period must take place while this Section 12.3 is in effect.

Regular full-time employees may at a maximum accumulate up to 40 bonus vacation hours at any one time. All employees with bonus vacation hours above 40 hours will be required to reduce the maximum limit within the duration of this contract. Employees who are currently over the 40 hours limit shall continue to accumulate provided they are complying with the provision of reducing to 40 hours by the end of the contract.

Employees have 60 days to expend their excess over 40 hours (i.e. 35 hours to 43 hours).

The Employer will pay each eligible employee vacation pay for each bonus vacation day earned by the eligible employee under the terms and provisions of this Section 12.3. The vacation pay for a bonus day shall be equal to the number of hours the employee is normally scheduled to work but not more than eight (8) hours.

For purposes of this section, "perfect attendance" shall mean that an employee, during the applicable time period, never reported late for work, never left work early, missed no work because of sickness, used no sick leave (except as allowed by Section 13.10 for an injury compensable by Worker's Compensation suffered by the employee), took no unpaid leave of absence (except military leave under Section 15.1), took no bereavement leave of absence (except as allowed by Sections 16.1 or 16.2), was not subject to any disciplinary action, and worked all hours for which he was scheduled to work by the Employer (except hours of work missed because of an injury compensable by Worker's Compensation

suffered by the employee).

This Section 12.3 shall continue in effect for the following twelve (12) - month period if the average number of sick days taken by each employee covered by this Agreement during the immediately preceding twelve (12) - month period ending on a June thirtieth (30th) is not increased from the average number of sick days taken by each employee covered by this Agreement during the twelve (12) - month period ending June 30, 1981. If such is not the case, this Section 12.3 shall become void and of no effect. Thereafter, this Section 12.3 shall again become effective in the twelve (12) - month period beginning on the July first (1st) immediately following the twelve (12) - month period ending on a June thirtieth (30th) during which the average number of sick days taken by each employee covered by this Agreement is again reduced to or below the average for the twelve (12) - month period ending June 30, 1981. The June 30, 1981 Agreement is being amended to increase the average sick days from 3.5 to 4 effective June 30, 2000.

For purposes of computing the average number of sick days taken per year by each employee covered by this Agreement, working days taken as sick days by an employee immediately following, without interruption and without a return to work, five (5) consecutive working days taken as sick days by that same employee, shall not be counted. Provided, that the first five (5) consecutive sick days taken by that employee (which shall count in computing the average number of sick days taken per year by each employee covered by this Agreement) and the immediately following sick days taken by that same employee, without interruption and without a return to work, must be taken as the result of the same injury or same illness suffered by that employee. Notwithstanding the above, no working days taken as sick days by an employee because of an injury compensable by Worker's Compensation suffered by that employee shall be counted in computing the average number of sick days taken per year by each employee covered by this Agreement.

Section 12.4 - Vacation allowances as herein provided will be computed from the employee's last date of hire; provided, however, that in the case of employees hired prior to July 1, 1973, this paragraph shall not be construed to deny or reduce the vacation allowance to which such employees might otherwise be entitled.

Section 12.5 - Vacation leave with pay will not be granted before vacation time has been earned.

Section 12.6 - Vacations will be scheduled at times mutually agreeable to the employee and the Employer, consistent with proper and effective conduct of Department functions. At least 1 full working day notice shall be given before the vacation day requested. Vacation schedules: Employees shall submit their vacation preference in writing to the Department Manager by April 1, of each year. Seniority shall be honored in deciding between employee preference requests for equally available vacation periods. Employer will post vacation schedules by May 1. Schedules shall be for a year long period of time beginning May 1 and concluding April 30. Vacation requests after April 1 shall be on a first

come basis subject to approval by the Department Director.

Section 12.7 -Vacation leave can be granted in increments of half day, full day, or the first 2 hours or last 2 hours of a work day.

Section 12.8 - Except as allowed in Section 12.2, vacations will not be accumulated from year to year. If an employees resigns, he or she will be paid for accumulated vacation at the employees regular rate of pay.

ARTICLE THIRTEEN

SICK LEAVE

Section 13.1 - The privilege of sick pay is granted to all regular full-time and regular part-time employees with a minimum of six (6) months continuous employment with the Employer. An employee shall accumulate sick pay at the rate of .04615 hours of sick pay per hour worked, per month of employment, computed as of the first day of each month for the previous month. An employee's accumulated sick pay for his first six (6) months of continuous employment with the Employer shall be computed after the completion of those continuous six (6) months of employment with the Employer.

As used in this section, the term "paid hours of employment" shall include all regularly scheduled straight time hours worked, all paid vacation hours, paid sick leave hours (but excluding any paid sick leave hours which exceed nine hundred sixty (960) consecutive such hours without an employee's return to active work), and paid holiday hours; but the term shall not include any overtime hours, premium pay hours, hours of unpaid leaves of absence, or hours fully or partially compensated pursuant to the Michigan Worker's Disability Compensation Act of 1969, as amended (or some successor statute).

Section 13.2 - Unused sick leave allowance will be accumulative to the employee's record, with the possibility of an employee accumulating up to, but not exceeding nine hundred sixty (960) hours.

Section 13.3 - Sick leave allowance will be made, if and to the extent earned and accumulated, for an employee's scheduled work day(s) when the employee is unable to work because of sickness and when the employee calls the Employer to report such absence because of sickness before the start of the employee's scheduled work shift. No employee who fails to call in an absence because of sickness before the start of the employee's scheduled work shift shall receive sick pay. Sick pay shall be for the employee's hours scheduled for that particular day(s) at the straight-time rate. In order to receive sick pay, an employee must submit a signed request for sick pay, which request must specify the reasons for the sick leave absence and must be approved by the City Manager or his designee. Any employee making a false claim for paid sick leave shall be subject to disciplinary action, up to and including discharge.

Section 13.4 - If a sick leave absence exceeds two (2) consecutive scheduled working days, or is on the employee's last scheduled working day before and/or first scheduled working day after the employee's vacation or any "holiday" specified in this Agreement, or exceeds three (3) scheduled working days per calendar year, the Employer may in its discretion require the employee to present the certificate of a medical doctor certifying the nature and duration of the illness or injury which necessitated the absence and certifying the employee's ability to return to work; or, in lieu thereof, if the employee indicates in writing that he was not under the care of a doctor, the Employer may require a written, signed statement from the employee setting forth the reasons for the sick leave absence. A written, signed statement in lieu of a doctor slip may be presented no more than twice in any calendar year. If the written statement is unsatisfactory, Employer may require the employee to obtain a certificate of a medical doctor certifying the nature of the illness or injury. Such requirement shall not be arbitrary or capricious.

Section 13.5 - In the event of the absence of an employee for illness, injury or disability in excess of five (5) consecutive working days, the Employer may require the employee to submit to an independent medical examination by a physician appointed and paid by the Employer.

Section 13.6 - A record of sick of leave allowance will be made on daily time sheets and separate sick leave records will be kept in the office of the City Hall, with employee's signature required for pay received during time off. A duplicate copy of said sick leave record shall be kept by the Division Manager for two (2) calendar years and made available to said employee.

Section 13.7 - Upon death or retirement of an employee, payment of one-half ($\frac{1}{2}$) of the accumulated sick leave or four hundred eighty (480) hours, whichever is less, will be granted.

Section 13.8 - After an employee has accumulated the maximum number of days of sick leave as herein provided, the Employer will pay such employee during the calendar year one-half ($\frac{1}{2}$) of the non-cumulative sick leave earned but not used during that year. Such payment will be made part of the regular paycheck for the first pay period in December.

Section 13.9 - An employee may use his accumulated paid sick leave, up to but not exceeding six (6) days per calendar year, when required in connection with serious illnesses in his immediate family (i.e. spouse, children and parent); provided, however, that when any such use of paid sick leave is made, the employee shall provide the Employer with a doctor's statement certifying the serious nature of the illness and with a statement certifying that the employee's attention to the illness was required.

Section 13.10 - Sick leave may be used up to two (2) hours, for doctor appointments and dentist appointments up to four (4) times per year with the approval of the employee's Division Manager and with submission of a doctor's slip. Such use of sick leave will not

count against the bonus day or be included in the bonus day eligibility calculation. It is understood that this permission may be granted only when an employee prearranges to have the appointments taken toward the end of the workday so as not to interfere with work assignments for the day; even in such event, however, the discretion of the Division Manager is final.

Section 13.11 - All employees will be provided long term disability coverage which provides 60% of an employees wages, up to a maximum cap of \$3,000 per month, whichever is the lessor amount minus policy reductions. Employees are eligible to participate in the Long Term Disability insurance program after completion of probation from 90 days to age 65.

Any other employee receiving an injury compensable by Worker's Compensation may be granted a leave of absence without pay, other than Worker's Compensation, as herein below provided.

Section 14.2 - If an eligible employee elects paid injury leave as herein above provided, such employee's sick leave and/or vacation allowance shall be charged at the full rate during the period of such election, not to exceed one (1) week.

While on injury leave or leave of absence for duty-incurred disability, an employee shall continue to earn sick leave at the regular rate for a period not to exceed ninety (90) days.

Such participation may include eligible dependents (if elected), but shall be subject to the following additional terms and conditions:

The retired employee's failure to do so shall terminate the Employer's obligation to pay its share of the cost and shall terminate the retired employee's further participation in the program.

If the retired employee continues to participate in the Employer's group hospital-medical insurance program and thereafter dies while continuing such participation, the retired employee's surviving spouse shall be entitled

If the spouse's payments are not large enough to cover the spouse's portion of the cost of such insurance, the spouse shall, in a timely manner, deposit with the Employer's Finance Director (or his designee) such monies as are necessary to cover the spouse's portion of the cost of such insurance. Within any such snowplowing function, employees shall be listed in the order of their seniority. Said list shall be posted upon the bulletin board at the Public Service Building on Jackson Street. When the Employer determines to call-out any particular snowplowing function, it shall call the employees appearing on said list, in the order in which their names appear, at the telephone numbers for such employees according to the Employer's records. In the event the Employer fails to call employees in accordance with said list, it shall reimburse any employee for the actual wages lost by him because of such failure; provided, however, that the Employer shall retain sole discretion with respect to whether or not any particular snowplowing function is to be called out within such snowplowing functions; and provided further, that in the event of an employee's absence or failure to promptly report to work after such call-out, the Employer shall have no liability hereunder for any wages lost by such employees.

ARTICLE THIRTY

WAGES

Section 30.1 - Employees shall be paid in accordance with the wage schedule(s) attached hereto and made a part hereof as Exhibit "A".

Section 30.2 - Effective July 1, 1997, the Employer shall provide license payments for regular, full-time employees in accordance with the following requirements:

- (a) An eligible employee who has completed two (2) years of continuous employment at the Water Division since his last hire date, and who holds a valid F-4 or S-4 license from the State of Michigan, shall receive lump sum license pay in the amount of two hundred twenty-five (\$225.00) dollars per year.
- (b) An eligible employee who has completed two (2) years of continuous employment at the Water Division since his last hire date, and who holds a valid F-3 or S-3 license from the State of Michigan, shall receive lump sum license pay in the amount of two hundred fifty (\$250.00) dollars per year.

- (c) An eligible employee who has completed two (2) years of continuous employment at the Water Division since his last hire date, and who holds a valid F-2 or S-2 license from the State of Michigan, shall receive lump sum license pay in the amount of two hundred seventy-five (\$275.00) dollars per year.
- (d) An eligible employee who has completed two (2) years of continuous employment at the Water Division since his last hire date, and who holds a valid F-1 or S-1 license from the State of Michigan, shall receive lump sum license pay in the amount of three hundred (\$300.00) dollars per year.
- (e) In order to be eligible for the license pay prescribed above, an employee must (i) be a regular, full-time employee, (ii) have satisfied the years of continuous employment requirement and the license requirement by August 1st of the year in which payment is to be made, and (iii) be and remain on the active payroll of the Employer through December 1st of the year in which payment is to be made.
- (f) The license payments, for eligible employees, will then be made by December 15th of each year.
- (g) An eligible employee may receive the license payment pertaining only to one (1) license, which shall be the license payment pertaining to his highest license. If he has two licenses of equal rank, an eligible employee may receive only one (1) license payment. For example, an eligible employee with an F-1 license shall receive only the license payment pertaining to that F-1 license; he may not receive the license payment for any lower F or S license, nor may he receive the license payment for an S-1 license.
- (h) An employee eligible to receive a license payment by December 15th who was absent without pay for more than thirty (30) scheduled work days during the immediately preceding fiscal year, July 1, to June 30, shall receive a pro-rated license payment, if otherwise eligible, based on the ratio of his paid time during such immediately preceding fiscal year in relation to the full-time equivalent.
- (i) In the event the standards or requirements for obtaining any of the above-referenced licenses are materially lowered or reduced, and/or if the licensing procedures are changed to the extent that these license pay provisions are no longer appropriate, then and in such event the Employer may discontinue the license payments contemplated herein.

Section 30.3 - Effective July 1, 1992, for commercial driver's licenses obtained after

January 1, 1991, the Employer shall pay twenty-five (\$25.00) dollars toward the fee for obtaining a commercial driver's license, payable as a reimbursement to the employee after evidence of payment and receipt of the license is presented to the Department Director. The Employer's twenty-five (\$25.00) dollar contribution toward the cost of obtaining a commercial driver's license shall only be for employees hired prior to January 22, 1992. No employee may receive more than one (1) twenty-five (\$25.00) dollar payment during the term of this Agreement.

The Employer will pay for all drug test related to obtaining a commercial driver's license.

Persons suspended for a positive test, and who are required as a result of a substance abuse assessment, may be allowed to use sick, vacation or compensatory time, provided they attend and satisfactorily complete a supervised drug or alcohol abuse treatment or counseling program.

Section 30.4 - Water Plant Operators will have the option of obtaining or retaining a Commercial Driver's License. Employees without a Commercial Driver's License will not be eligible to be placed on the call out list for water distribution.

ARTICLE THIRTY-ONE

NO STRIKE - NO LOCKOUT

Section 31.1 - It is agreed that the Union, its members, and/or any employee(s) in the bargaining unit represented by the Union, will not call, authorize, participate in, or support any strike, sit-down, slow-down, work stoppage, or other interruption of or interference with the business or activities of the Employer. The Employer shall, in addition to any other remedy, have the right to discipline or discharge any employee participating in any such interruption or interference, and the Union shall not oppose such discipline or discharge. The Employer shall not, during the life of this Agreement, commit a lock-out of the employees.

ARTICLE THIRTY-TWO

TRAINING

This article shall become effective July 1, 1994.

Section 32.1 - Employer Required Training. The Employer may require employee participation in training opportunities. When the Employer requires such participation, it shall pay the employee, at his regular rate of pay, for all time spent actually attending the training session and for all reasonable time spent traveling to and from the training session.

In such cases, the Employer shall also provide necessary transportation or reimburse the employee for mileage expenses when using his own vehicle. No more than eight (8) hours of time spent for training and travel time shall be paid for or reimbursed in a given day.

If an employee attends Employer required training and is assigned to a night shift, the employee shall be given the night off prior to attending the training program.

Section 32.2 - Employee Requested Training. All employee requested training, as distinguished from Employer required training provided for in Section 1 above, shall be subject to and in accordance with the following terms and conditions:

- (a) The Employer will generally approve, without requiring and without compensation (i.e. wages), employee requested participation in training opportunities when and if:
 - (i) The employee is a regular, full-time employee having completed not less than one (1) year of continuous employment for the Department of Public Works; and
 - (ii) The requested training opportunity consists of a class or classes which, in the sole judgement and discretion of the Employer, will provide the requesting employee with skills or knowledge useful for the operation or maintenance of the Department of Public Works; and
 - (iii) The employee's participation in the requested training opportunity will not interfere with or adversely affect the scheduling, operation or needs of the Department of Public Works; will not occur during the employee's scheduled working time; and will not result in any increased costs to the Employer (e.g. payment of overtime, use of substitute help, etc.); and
 - (iv) The request for such training opportunity participation is made by the employee, in writing, to the Department of Public Works not less than fourteen (14) days in advance of the commencement of the training opportunity.

- (b) Upon receipt of an employee's written request for participation in a training opportunity pursuant to Section 32.2(a) above, the Department of Public Works shall review such request to determine its compliance with all of the provisions of said Section 32.2(a). If the Department of Public Works Director determines that the employee's request complies with Section 32.2(a) above, and that it is otherwise acceptable, the Department of Public Works Director shall approve the request in writing. In the event of competing or conflicting employee requests for participation in training opportunities, preference shall be given to the more senior employee unless

the more senior employee has, during the same fiscal year (of the Employer), previously requested and received approval for another training opportunity and the less senior employee has not (in which event preferences shall be given to the less senior employee).

- (c) If an employee's participation in a training opportunity complies with Section 32.2(a) above, and if the employee's written request for participation in said training opportunity is approved by the Director in writing as provided in Section 32.2(b) above, then the employee shall be eligible to receive reimbursement from the Employer for certain costs of such training; provided, however, that all such reimbursement shall be subject to the following limitations:
 - (i) The Employer's reimbursement for the costs of such training opportunities will apply only with respect to sums necessarily expended by the employee for required tuition, fees and/or course materials; and
 - (ii) No employee shall be eligible for reimbursement by the Employer in any amount in excess of three hundred (\$300.00) dollars per fiscal year (of the Employer), and then only during the period following completion of one (1) year of employment; and
 - (iii) The employee must furnish the Employer with proper receipts for the required tuition, fees and/or course materials for which reimbursement is sought; and
 - (iv) The employee must furnish the Employer with satisfactory evidence of the employee's successful completion of the training opportunity while still in the employ of the Employer.
- (d) It is understood and agreed that the Employer shall at all times have the right to determine how many employees may participate in employee requested training opportunities at any particular time; and it is further understood and agreed that the Employer need not adjust or change employee shifts, schedules or assignments in order to accommodate any employee request for participation in training opportunities.
- (e) All employee participation in training opportunities which do not qualify for reimbursement under the provisions of this Section 32.2 (e.g. training opportunities involving employees with less than one (1) year of employment at the Department of Public Services or employees having exhausted their reimbursement allotment, etc.), shall nevertheless comply with the

requirements of Section 32.2(a)(iii) above.

Section 32.3 - State Exam Day. On the one day per year designated as state exam day, employees who desire and are eligible to take the state exam, but who are scheduled to work at times which conflict with the state exam, shall be given time off to take the exam without loss of pay. Employees who desire and are eligible to take the state exam, whose schedule does not conflict with the state exam, shall be paid at their regular rate of pay for all time spent actually taking the exam and for reasonable travel time. In the event that more than one day per year is scheduled for state exams, the provisions of this paragraph shall apply to only one such day.

ARTICLE THIRTY-THREE

VOLUNTARY INOCULATION PROGRAM

Section 33.1 - Voluntary Inoculation Program. The Employer shall establish a voluntary inoculation program for regular full-time and regular part-time employees covered by this Agreement. Pursuant to this voluntary inoculation program, the Employer shall off, at its own expense, the following inoculations according to the following terms and circumstances:

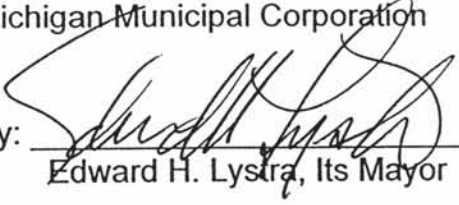

- a. A typhoid inoculation for an eligible employee, if the employee has never had one;
- b. An oral polio inoculation for an eligible employee, if the employee has never had any polio inoculation;
- c. A tetanus inoculation for an eligible employee, if the employee has not had such an inoculation during the preceding ten (10) years;
- d. A tuberculosis inoculation for an eligible employee, if in the course of working for the Employer the employee has been exposed to the bacterium in a documented exposure incident; and
- e. A hepatitis B inoculation for an eligible employee, if the employee has never had any hepatitis B inoculation.

ARTICLE THIRTY-FOUR

TERMS OF AGREEMENT

Section 34.1 - This Agreement, including the Exhibits attached hereto and incorporated herein by reference, shall be effective on the first (1st) day of July 1999, and shall remain in full force and effect without change, addition or amendment through and including the thirtieth (30th) day of June, 2002, and shall be renewed from year to year thereafter. Should either party hereto desire to amend, terminate or modify this Agreement at the termination thereof, such party shall serve written notice on the other party of its desire to amend, terminate or modify, at least sixty (60) days prior to the expiration date of this Agreement.

LETTER OF UNDERSTANDING

Between the

CITY OF GRAND HAVEN
("City")

and

LOCAL 586, SEIU, AFL-CIO
("Union")

This Letter of Understanding is an exhibit to and is hereby incorporated into and made a part of the Collective Bargaining Agreement ("Agreement") between the City and the Union, effective July 1, 1988, covering employees of the Street, Parks, Water and Cemetery Divisions, as well as any applicable successor collective bargaining agreement. This Letter of Understanding shall take immediate effect after its execution by both parties, and shall remain in effect for the duration of the Agreement and any successor collective bargaining agreement between the City and the Union, unless the parties mutually agree to terminate this Letter of Understanding.

The City and the Union hereby agree that certain employees in the Water Division may, in the City's discretion, be assigned to modified work shifts. Specifically, the regular forty (40) hour work week of employees in the Water Division (generally with the exception of the Water Division maintenance personnel) may, in the City's discretion, consist of three (3) twelve (12) hour work shifts and one (1) four (4) hour work shift. The City retains the right to unilaterally alter, amend or revise such modified work shifts at its discretion any time.

To the extent the City decides, pursuant to this Letter of Understanding, to assign certain Water Division employees to work twelve (12) hour shifts, this Letter of Understanding shall supersede the statement in Section 9.1 of this Agreement, which indicates that the regular work day is eight (8) hours. However, nothing in this Letter of Understanding or in the Agreement shall be construed as a guarantee of a minimum number of hours of work for any particular employee.

Notwithstanding the provisions of Article Ten of the Agreement, Water Division employees who are assigned to work one (1) or more twelve (12) hour shifts during a work week shall not be eligible for any daily overtime, but shall instead only receive overtime pay equal to one and one-half (1½) times their regular rate of pay for hours worked in excess of forty (40) during such a work week.

Notwithstanding the provisions of this Letter of Understanding, the references in Section 12.1 of the Agreement to days of vacation shall mean eight (8) hour days, not twelve(12).

For purposes of the bonus vacation days discussed in Section 12.3 of the Agreement, such bonus vacation days shall be eight (8) hour days, not twelve (12).

For purposes of the paid full-day holidays and personal leave days discussed in Article Nineteen of the Agreement, such holidays and personal leave days shall be eight (8) hour days, not twelve (12).
