VACANCIES, PROMOTIONS, AND TRANSFERS

A. Postings and Hiring's

1. Before any vacancy is filled, notice shall be posted for at least five (5) working days during which time interested employees may apply for the position. An employee interested in being considered for assignment to an open position in the bargaining unit must file a written notice of their interest with the Central Office administration. All bids must be made by the last day of posting. Before any vacancy is filled, the qualifications of each employee who has filed a notice of interest shall be reviewed.
2. Vacancies shall be filled by the Board with the best qualified person available as determined by the Board. Qualifications to be considered shall include skill, abilities, training, experience, past evaluations, and personality.
3. The Board declares its intention to give full and equal consideration to present staff members when filling vacancies. In cases where the qualifications of applicants are determined to be equal, the employee with the greatest total length of service will be selected. All applicants will be notified of who was selected for the posted position immediately after the selection has been made.
4. A vacancy shall be defined as an unfilled position within the bargaining unit. Such vacancy may be caused by the retirement, termination, transfer or resignation of a person currently in an existing position or by the creation of a new position.

B. Bus Routes

1. Vacancies in regular bus routes will be filled at the bus drivers' meeting held in August. Regular run selections shall be made according to seniority.
2. There will be no driver changes in routes during the school year. If a route opens after the school year begins, the Transportation Director will offer the route to the most senior part-time driver. The route will be opened as a vacancy the following August. This driver shall be eligible for benefits, if they meet eligibility requirements set forth in this contract.
3. A driver vacating or not accepting a route assignment shall be placed at the bottom of the relevant eligibility list for subsequent assignments through the end of the school year.

If such an assignment carries a higher hourly rate of pay, the higher rate will be paid for the temporary length of service if said assignment exceeds five (5) consecutive working days.
3. If a driver is off for at least 60 calendar days on a Workers' Compensation leave or a medical leave and if it is determined that the driver will be off for a minimum of 30 more calendar days, their route will be offered to the most senior part-time driver through the remainder of the school year or until the driver on leave returns (whichever occurs first).
 - a. If the part-time driver agrees to the temporary route, then the vacancy created by this temporary assignment will be offered as a vacancy to a sub driver. The transferred part-time driver will be entitled to all benefits under Article 17 while assigned to the temporary route.
 - b. The vacated part-time run will be offered to a sub driver as determined by the director.
 - c. If the sub driver drives the route vacated by the transferred part-time driver at least thirty days, these days, and any additional days thereafter, will be counted toward required probation days. If, after the 30 day period and prior to the completion of the full probationary period, the driver returns to "sub" status, the probation days earned will be retained toward probationary requirements.
 - d. When a sub driver completes their probationary period, the driver will be placed on the seniority list and will be eligible for benefits as appropriate to their run assignment (per Article 17).

 2. Part-time employees whose positions have been eliminated, shall be transferred to the same classification position held by the least senior person working equal hours in the bargaining unit for whom they are qualified to displace. If there are no less senior bargaining unit members with equal hours, then the employee shall be transferred to a position held by the least senior person working less hours for which they are qualified.

3. If a full-time driver position is eliminated during the school year and the driver has been transferred to another full-time route, they shall not lose more than one-half (1/2) the difference between the compensation rates for the affected bus routes for the remainder of the school year.
 4. No employee shall be laid off pursuant to a reduction in the work force unless said employee shall have been notified of said layoff at least ten (10) working days prior to the effective date of the layoff.
 5. A laid-off employee, if interested, shall be granted priority status on the substitute list. These substitutes will be used on a rotation basis.

- C. The Board shall recall a laid off employee to a vacant position in their classification, in reverse order of layoff.
1. No new employee shall be hired until an attempt has been made to recall qualified bargaining unit members on lay off status who have seniority in the classification in which the vacancy occurs. There shall be no obligation to post a vacant bargaining unit position in these circumstances.
 2. An employee shall retain such recall rights for a period of two (2) years after layoff, provided that such period may be extended for an additional period of one (1) year upon written request. An employee shall return to work within ten (10) working days after notice of recall is given or lose such recall rights. An employee who is laid off from a full-time job shall have the right to refuse recall to a part-time job.

In addition, the Board recognizes that good order and discipline is necessary to maintain the safety of the provision of transportation services to its students. Therefore, the Board will, through its administration, support its bus drivers in taking reasonable action to maintain the necessary order. Cases of student misconduct should be reported to the Director of Transportation. Drivers will be informed of all students who are suspended from riding their bus or suspended from school and the date they are to be allowed to ride again. If drivers disagree with the action taken, they should consult with the Director of Transportation.

The Board may require subrogation, assignment and full cooperation by the mechanic in seeking recovery from any party responsible for such theft.

- J. If required by law prior to beginning employment and every three (3) years thereafter, each employee shall furnish satisfactory evidence of freedom from tuberculosis. The Board will make available to employees an opportunity for a skin test. Employees who do not or cannot avail themselves thereof shall obtain an x-ray examination.
