This agreement has been made and entered into on the ___ day of _____ 1998, between the CITY OF GROSSE POINTE PARK, a Michigan municipal corporation, hereafter called the "City", and the GROSSE POINTE PARK PUBLIC SAFETY OFFICERS ASSOCIATION, hereafter called the "Association", and the POLICE OFFICERS LABOR COUNCIL, hereafter called the "Union".

ARTICLE I - PURPOSE AND INTENT

The purpose of this Agreement is to provide for the wage scale, working conditions and hours of employment for the employees of the City covered by this Agreement, and to facilitate peaceful adjustment of all grievances which may arise from time to time between the City and the employees and to promote and improve peaceful job and economic relations between the parties.

ARTICLE II - RECOGNITION

The City hereby recognizes the Union as the exclusive representative in collective bargaining for all public safety officers who are members of the Association for the purpose of collective bargaining and with respect to wages, hours and other terms and conditions of employment for the term of this Agreement. The City agrees not to negotiate with any other union or employees' organization other than the Union with respect to the employees in the Association; provided that any individual employee at any time may present grievances to the City and have the grievances adjusted without intervention of the Union if the adjustment is not inconsistent with the terms of this Agreement; provided, that the Union will be given an opportunity to be present at such adjustment.

ARTICLE III - UNION SECURITY

Section 1. Employees shall not be required to join the Union. However, employees covered by this Agreement at the time this Agreement is signed shall either maintain their membership in the Union to the extent of tendering their regular periodic dues uniformly required as a condition of retaining Union membership or tender to the Union a representation fee equivalent to the regular periodic dues.

Section 2. All employees hired after the signing of this Agreement shall within thirty (30) days from the date of hire, either become members of the Union to the extent of tendering regular periodic dues and initiation fees uniformly required as a condition of retaining Union membership or tender a representation fee equivalent to the regular periodic dues.

Section 3. If the representation fee or membership dues provided above is not paid within ten (10) days after it becomes due, and if written notice thereof has been given to the employee and the City by the Union, then the City agrees that it will discharge such employee forthwith.

Section 4. For the life of this agreement, The City agrees to deduct, upon voluntary written authorization from the employee, the regular periodic dues uniformly required by the Union from the employee's regular salary and will transmit the dues thus deducted to the Union on a prompt basis, but not less often than monthly.

Section 5. The Union shall indemnify and save harmless the City from any and all claims, demands or suits by reason of any action taken by the City for the purpose of complying with this Article.

ARTICLE IV - NONDISCRIMINATION

The parties agree that there shall be no discrimination against any employee because of this membership in or activity on behalf of the Union; nor shall there be any discrimination against any employee because of his race, creed, color, national origin, ancestry, political belief or gender.

ARTICLE V - SENIORITY

Section 1. Seniority. Seniority shall be determined by an employee's length of service on the payroll of the city as a Public Safety Officer, Police Officer or Firefighter since the beginning of his last continuous employment.

Section 2. Probationary Period. All employees hired on or after September 1, 1995, shall be on probation for the first twelve (12) months within rank excluding Police Academy or Fire Academy training.

Section 3. Lay-Offs. In reducing the work force because of lack of work or other legitimate cause, employees shall be laid off according to seniority, with the employee with the least seniority being the first employee laid off and the last employee laid off shall be the first to be rehired.

Section 4. Seniority List. The City shall annually provide the Union with a list of employees covered by this Agreement and arranged in order of their seniority.

Section 5. Change In Seniority. Seniority shall be broken for the following reasons:

Should the result of the grievance or arbitration be that the action was without just cause, the employee shall be reinstated. The arbitrator shall have the authority to order full or partial compensation for time lost and to otherwise modify the penalty imposed.

ARTICLE VII - GRIEVANCE PROCEDURE

Section 1. If a difference arises between the City and the Union or any of the employees covered by this Agreement involving any dispute regarding the meaning, interpretation, application or alleged violation of the terms and provisions of this Agreement, it shall be settled in accordance with the procedures set forth below:

STEP 1

Any employee having a grievance shall discuss the matter with the Union and if not resolved there, he or she shall proceed to Step 2 within fourteen (14) calendar days of the occurrence giving rise to the grievance.

STEP 2

The grievance shall be promptly presented in writing to the Director of the Department of Public Safety or his authorized alternate. The Director or his alternate shall give his written decision within fourteen (14) calendar days of his receipt of the grievance.

STEP 3

If a decision in Step 2 does not satisfy the employee, he or she may, within fourteen (14) calendar days of receiving the Director's written decision, request a meeting with the City Manager or his authorized alternate, to review the grievance. Such meeting shall be held within fourteen (14) calendar days of such request. The employee may be represented at such meeting by any person designated by the Union.

STEP 4

If the employee is not satisfied with the results of the meeting with the City Manager or his authorized alternate, the Union may choose to proceed in either (but not both) of the following ways:

- A. Refer the matter to the City Merit Board if the matter comes within the jurisdiction of the Merit Board as defined by the City Charter and City Ordinance, or
- B. Refer the matter to arbitration. The city and the Union shall attempt to agree on an arbitrator. If the City and the Union cannot agree in writing within fourteen (14) calendar days on an arbitrator, the party seeking arbitration shall refer the matter to the American Arbitration Association (AAA) or the Federal Mediation & Conciliation Service (FMCS), which shall furnish a list of arbitrators. The parties shall share equally the expense of the arbitrator. Each party shall otherwise bear the expense of its own witnesses and its representation in the arbitration procedure.

The following provisions shall also be applicable to the grievance procedure:

1. The employee and the City may have present such Union or City its representatives as each desires.
2. Neither The arbitrator nor the Merit Board shall have power to add to or subtract from or modify the terms of this Agreement, nor shall they exercise any responsibility or function of the Union or the City.
3. It is the intention of the parties that the procedures herein shall serve as the exclusive means of peaceable settlement of all disputes that arise between them. During the life of this Agreement, the Union shall not cause any sit down strike, slow down or other interference with City services.
4. Either the Union or the City may initiate a grievance on a matter of interpreting this Agreement or department rules and regulations by presenting the same in writing to the other, and if not satisfactorily resolved within fourteen (14) days, the party presenting the grievance may proceed by either alternative set forth in Step 4 described in (a) above.
5. Because it is important to both parties that grievances be promptly resolved, the Union and the City agree that all grievances shall be pursued within the time deadlines described in this Article VII and if said deadlines are not met through the delay of the grieving party, the grievance shall be canceled and withdrawn. However, both parties may agree in writing to extend any or all time limits under this article.

ARTICLE VIII - MANAGEMENT RIGHTS

The Union recognizes that, except as provided in this Agreement, all matters pertaining to the management, operation, performance and accomplishment of the functions of the Department of Public Safety are vested solely and exclusively with the City and the City retains all rights which it had prior to the execution of this Agreement, except as they may be limited or abridged hereby.
