PROBLEM SET 1

1. A particle of mass m moves in a potential $V(x) = \frac{1}{2}kx^2$. Find the energy levels E_n and the corresponding wave functions $\psi_n(x)$ for $n = 0, 1, 2, 3$.

2. A particle of mass m moves in a potential $V(x) = \frac{1}{2}kx^2 + \frac{1}{4}\alpha x^4$. Find the energy levels E_n and the corresponding wave functions $\psi_n(x)$ for $n = 0, 1, 2, 3$.

3. A particle of mass m moves in a potential $V(x) = \frac{1}{2}kx^2 + \frac{1}{4}\alpha x^4 + \frac{1}{6}\beta x^6$. Find the energy levels E_n and the corresponding wave functions $\psi_n(x)$ for $n = 0, 1, 2, 3$.

4. A particle of mass m moves in a potential $V(x) = \frac{1}{2}kx^2 + \frac{1}{4}\alpha x^4 + \frac{1}{6}\beta x^6 + \frac{1}{8}\gamma x^8$. Find the energy levels E_n and the corresponding wave functions $\psi_n(x)$ for $n = 0, 1, 2, 3$.

5. A particle of mass m moves in a potential $V(x) = \frac{1}{2}kx^2 + \frac{1}{4}\alpha x^4 + \frac{1}{6}\beta x^6 + \frac{1}{8}\gamma x^8 + \frac{1}{10}\delta x^{10}$. Find the energy levels E_n and the corresponding wave functions $\psi_n(x)$ for $n = 0, 1, 2, 3$.

AGREEMENT

BETWEEN

HOWELL EDUCATIONAL SUPPORT PERSONNEL ASSOCIATION/MEA-NEA

and

HOWELL PUBLIC SCHOOLS BOARD OF EDUCATION

1996-1999

(Extension to 1994-1997 Agreement)

This Agreement is entered into this 11th day of November, 1996, between the Howell Board of Education hereinafter referred to as the "EMPLOYER" and the Howell Educational Support Personnel Association/MEA-NEA hereinafter referred to as the "ASSOCIATION". The term "employee" shall apply to each member of the bargaining unit unless otherwise specified.

(Note: The headings used in this agreement neither add to nor subtract from the meaning, but are for reference only.)

WITNESSETH

WHEREAS, the EMPLOYER has a statutory obligation, pursuant to Act 379 of the Michigan Public Acts of 1965, to bargain with the ASSOCIATION as the representative for all personnel covered by this Agreement with respect to hours, wages, terms and conditions of employment.

In consideration of the following mutual covenants, it is hereby agreed as follows:

ARTICLE I

RECOGNITION

A. The Employer hereby recognizes the Association as the exclusive bargaining representative as defined in Section II of Act 379, Public Acts of 1965, for all employees engaged in full-time and regularly scheduled part-time work as secretaries, switchboard operators, clerks, print shop technicians, aides/paraprofessionals, including technician mentors, hall monitors, food service personnel, LPNs, job placement coordinators, data processing systems analysts and computer network technicians, but excluding the executive secretary to the superintendent, the executive secretaries to those central office administrators responsible for personnel and curriculum, the communications coordinator and all others.

B. The Employer agrees not to negotiate with any other organization purporting to represent the employees as defined in I.A. above for the duration of this Agreement.

ARTICLE II

PROFESSIONAL DUES, FEES AND PAYROLL DEDUCTIONS

A. Any bargaining unit member who is not a member of the Association/Union or who does not make application for membership within thirty (30) days from the first day of active employment shall, as a condition of employment, join the Association/Union or pay a service fee to the Association pursuant to the Association's "Policy Regarding Objections to Political/Ideological Expenditures" and the administrative procedures adopted pursuant to that policy; provided, however, that the bargaining unit member shall authorize payroll deduction for such fee in the same manner as provided elsewhere in this article. The service fee shall be in a legally permissible amount not to exceed the amount of Association dues collected from Association members and shall be determined in a legally permissible manner. In the event that a bargaining unit member shall not pay such service fee directly to the Association or authorize payment through payroll deduction as herein provided, the Employer shall, at the request of the Association, deduct the service fee from the bargaining unit member's wages and remit same to the Association.

B. Due to certain requirements established in recent court decision, the parties acknowledge that the amount of the fee charged to non-members along with other required information may not be available and transmitted to non-members until mid school year (December, January or February). Consequently, the parties agree that the procedures in this article relating to the payment or non-payment of the representation fee by non-members shall be activated thirty (30) days following the Association's notification to non-members of the fee for that given school year.

C. The deduction authorization shall continue in effect from year to year unless revoked in writing. The Employer shall deduct one-twentieth (1/20) of annual dues or fee on the first and second pay of each month, September through June. All funds deducted shall be transmitted to the Association.

D. The Association agrees to indemnify and save the district, and including each individual school board member, harmless against any and all claims, demands, costs, suits or other forms of liability including back pay and all court administered agency costs which may arise out of or by reason of action by the district for the purpose of complying with this Article.

It is the mutual understanding and intent of the district and of the Association that the above language shall be interpreted so as to protect the board of education of the school district and the school district from incurring any costs or expenses whatsoever with regard to any hearing or other related appellate or collateral proceeding in any court, administrative agency or other forum arising out of any attempt by the board of education to comply with the provisions of the agency shop/dues deduction provisions of the Agreement such as attorney's fees, witness' fees, court reporter's costs, transcript expenses and costs of any unemployment compensation. In the event of such suits or proceedings, the Association agrees to defend the district at its own expenses and through its own counsel, provided, however, that the board shall assume any and all costs and/or expenses whatsoever for any

additional counsel the board may hire for the purpose of complying with this article.

E. Provided all required documents be submitted and verified by the payroll office at least seven (7) calendar days prior to the subsequent payroll date, the Employer shall, with the written authorization of the bargaining unit member, deduct from the wages of that member and make appropriate remittance for MEA-sponsored tax-deferred annuity, MESSA programs not fully employer-paid, contributions or any other plans or programs approved by the Employer. Only one such deduction shall be used by an employee for a tax-sheltered annuity.

ARTICLE III

NEGOTIATION PROCEDURE

A. If both parties agree, any subject matter contained in this Agreement may be opened for negotiations during the term of the contract. Failure of either party to so agree shall not be the subject of any grievance, complaint, objection or charge by the other party. Memoranda of understanding which have been executed by the president on behalf of the HESPA and the superintendent or his/her designee on behalf of the district shall not continue to be in force and effect, it being understood that any agreements reflected in such Memoranda of Understanding shall continue to be in force and effect only if they are incorporated in this Agreement.

B. Negotiations for a succeeding contract will commence no later than the first week of February of the year in which this Agreement expires, provided however, the parties may mutually agree on any other date for commencement of bargaining. It is acknowledged by the parties that such provision is for the purpose of the convenience of the parties and does not operate in derogation of any decision or rule of the Michigan Employment Relations Commission.

C. In any negotiations, each party shall be free to select its negotiating or bargaining representatives. It is recognized that no final agreement between the parties may be executed without ratification by a majority of the board of education and a majority of the membership of the Association, but the parties agree that all representatives selected by them shall be clothed with all necessary power and authority to make proposals, consider proposals and to make concessions in the course of negotiations or bargaining, subject only to such final ratification as above noted.

D. Notwithstanding the provisions set forth in this article, the parties agree to appoint representatives to engage in developing a problem solving/decision making model to serve as a vehicle for addressing issues of mutual interest and concern during the term of this contract. The school district shall, at its expense, provide the training necessary to implement such model.

ARTICLE IV

EMPLOYEES' RIGHTS AND RESPONSIBILITIES

A. Pursuant to Act 379 of the Public Acts of 1965, the Employer hereby agrees that every employee, as set forth in Article I, Section A., shall have the right freely to organize, join and support the Association for the purpose of engaging in collective bargaining and/or other activities covered under the Public Employee Relations Act. As a duly elected body exercising governmental power under the law of the State of Michigan, the Employer undertakes and agrees that it will not directly or indirectly discourage or deprive any employee member of this unit with respect to wages, hours or any terms or conditions of employment by reason of his/her membership in the Association, his/her participation in any activities of the Association or collective professional negotiations with the Employer, or his/her institution of any grievance, complaint or proceeding under this Agreement.

B. 1. The local Association and its members shall have the right to use a suitable designated area of a district building for the purpose of conducting local Association meetings, subject to applicable building use policies, provided that the meeting is at reasonable hours after the work day.

2. District mail service and mailboxes shall be made available to the Association and its members, provided all such material is identified as Association material and bears the signature of the sender. Inter-school mailings shall be consistent with professional standards.

C. The Association may use office equipment belonging to the school district when specific consent, in writing, has been obtained from the Employer. All supplies will be furnished by the Association, and all work will be done outside of regular working hours.

D. Whenever an employee identifies a potential hazard in the work place, he/she shall first notify supervision. In the event the situation is not resolved, the employee may contact the appropriate outside agency.

E. 1. The district will publish and maintain a current manual of board policies and administrative procedures.

2. The district will provide the Association with a copy of the manual and all approved changes.

3. Each current and new employee will be given an individual copy of all policies for which he/she is accountable. This need not occur with respect to existing policies which are in the process of being revised. Employees will also be given a copy of all new or revised policies.

ARTICLE V

EMPLOYER RIGHTS

The Employer, on its own behalf and on behalf of the electors of the district, retains and reserves unto itself all rights, powers, authority, duties and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Michigan and/or the United States or any other laws or regulations. Except as specifically stated by this Agreement, all rights, powers and authority the board had prior to this Agreement are retained by the board.

The exercise of these rights, powers, authority, duties and responsibilities by the Employer and the adoption of such rules, regulations and policies as it may deem necessary shall be limited only by the terms of this Agreement. Except as expressly provided otherwise in this Agreement, the determination and administration of school policy, the operation and management of the schools and the direction of employees are vested exclusively in the board.

ARTICLE VI

COMPENSATION

A. The salaries of employees covered by this Agreement are set forth in Schedule I, which is attached to and incorporated in this Agreement, and, except as elsewhere noted, there shall be no deviation from the schedule. It is the responsibility of the Employer to determine the initial step placement on the wage schedule for new employees.

Regularly scheduled, full-time (eight [8] hours per day) ten-month employees may elect either twenty-one (21) or twenty-six (26) pays.

B. Employees shall have days off with pay as follows:

When one of the above-mentioned days occurs on a Saturday or a Sunday, the following Monday will be observed except if school is in session. The employee may opt to be paid for the day in question or may receive a compensatory day at the supervisor's discretion.

Holiday pay shall be based upon the average number of hours for which pay was received during the ten- (10) working-day period prior to the holiday excluding partial and/or no work days.

Except when absent due to family death leave, a personal business leave day which is unrelated to the holiday and is unavoidable and/or illness in a paid sick leave status, an employee must work the day preceding and the day following a holiday during the scheduled work week. The decision relative to working the days preceding or following a holiday shall be upon approval of the immediate supervisor who may allow this to be used as a vacation day without penalty to holiday pay.

Employees who use personal business days the day preceding and/or following the holiday may be required to furnish proof of the unrelatedness and unavoidability of use of the personal business day concurrent to a holiday.

An employee may take the day preceding and/or the day following a holiday without pay if approved by his/her immediate supervisor without penalty to the holiday pay.

During the scheduled student year, on days when students and teaching staff are not required to report to work, a secretary may work or take accrued leave time at his/her option.

C. In the event that the district shall request or agree to schedule negotiations or grievance conferences during regular school hours, such employees whose attendance is appropriate shall be released upon proper request from regular duties for the necessary period of time and shall suffer no loss of salary. When an arbitration or fact-finding session is scheduled during the working day, release time from regular duties without loss of pay will be provided for no more than six (6) bargaining unit members in each instance.

D. The Association president or his/her designee and one representative of each division shall be released without loss of pay, upon request, at least one day each semester for the purpose of participating in MEA meetings provided she/he gives her/his supervisor at least two (2) weeks' advance notice. In the event a substitute is hired, the Association will pay for the substitute.

E. If a substitute is needed to perform the duties of an absent employee, the following procedure shall be utilized. Individuals who wish to be reassigned shall notify the building administrator or his/her designee, in writing, within thirty (30) days of the commencement of the school year in order to be eligible to substitute in another bargaining unit position.

1. Where a food service employee is absent, the duties of the absent employee shall be made available to the most senior employee at the work site. Should the most senior employee decline the position, the next, in seniority order, will be offered the duties of the absent employee, and so on, resulting in a substitute receiving the least number of hours at a work site.

2. Employees who are asked and who agree to substitute in extra work assignments shall be compensated at a rate equal to the initial step (year 1) of their primary job function for any time worked in the extra assignment.

F. Employees who are required in the course of their work to drive personal automobiles shall be reimbursed for actual mileage in accordance with board policy. Mileage shall be turned in monthly and must be approved by the immediate supervisor. This provision shall not apply to meetings, in-services or other such occasional opportunities which may arise.

G. Employees shall not be required to perform the duties of absent certified staff members except as the result of legitimate educational experiences which necessitate the absence of the certified staff member. In the event that an activity requires the presence of a certified staff member during the employee's work day, the employee shall receive compensatory time for the time spent beyond thirty (30) consecutive minutes supervising the students of the absent certified staff member.

ARTICLE VII

EVALUATION OF PERFORMANCE

A. An employee's performance shall be observed and evaluated in a professional manner by his/her immediate supervisor. Any evaluation shall be in writing and a copy given to the employee.

Employees shall be evaluated according to the following schedule:

- 0-5 years (in Howell) at least every two (2) years;
- 6-10 years (in Howell) at least every three (3) years;
- 11 or more years (in Howell) at least every five (5) years.

If no evaluation takes place, the performance of the employee shall be deemed satisfactory.

B. The district shall attempt to bring any deficiency and/or complaint to the attention of the employee promptly. Any serious deficiency and/or complaint not previously brought to the attention of the employee shall not be made part of the employee's evaluation. If a subsequent evaluation does not continue to reflect the deficiency, it shall be deemed that adequate improvement has taken place.

C. If the evaluator believes an employee is doing unsatisfactory work, it is the responsibility of the district to make specific written recommendations for improvement of the employee's performance.

D. A copy of the written evaluation shall be submitted to the employee at the time of the personal interview or within ten (10) days thereafter, and the employee shall have the opportunity to review the evaluation report. The evaluation form used shall be mutually agreed upon by the Association and Employer. The employee will sign the report signifying receipt of same. The employee's signature shall be construed as an acknowledgement of receipt and not necessarily agreement with the contents of the evaluation.

E. In the event an employee is to be reprimanded, warned or disciplined for any infraction or delinquency in performance and such is to be reduced to writing and made part of his/her employee record, the employee shall be furnished a written copy of such document and shall be entitled to have present, upon her/his request, a representative of the Association.

F. The Employer shall make every reasonable effort to avoid having any employee disciplined or reprimanded within sight or sound of a parent, teacher, student or other employee.

G. The Employer agrees to follow a policy of appropriate and progressive discipline, with discharge as a final resort. No employee shall be discharged or demoted without just cause. Any such action may be made subject to the grievance procedure.

H. Each employee shall have the right upon request to review the contents of his/her personnel file, provided, however, that all initial letters of recommendation or reference shall first be removed. A representative of the Association may accompany the employee in any such review if requested by the employee.

I. The district and the Association shall each appoint five (5) representatives to serve on the evaluation review committee. This committee shall review the current evaluation instrument(s) and shall make a recommendation as to any changes in the evaluation form.

ARTICLE VIII

HOURS OF WORK

A. Secretarial/Clerical/Job Placement/Print Shop/Systems Analyst Employees

1. The work day normally shall be eight (8) hours per day exclusive of lunch period; the work week normally shall be forty (40) hours per week, Monday through Friday. Starting time shall be established by the immediate supervisor.

The Employer recognizes the principle of a standard forty (40) hour work week and will make every reasonable effort to set forth work schedules and make work assignments which can reasonably be completed within such standard work week.

2. All employees in this category shall be entitled to an unpaid duty-free lunch period of not less than one-half hour (30 minutes), or more than one hour (60 minutes).

3. During the summer, variations in reporting hours may occur with the supervisor's approval.

B. Food Service/Aide/Paraprofessional and Hall Monitor Employees

If said lunch is scheduled before or after the employee's work day, the employee shall not be required to be present.

C. The work week shall normally be five (5) days, Monday through Friday. Employees working in excess of forty (40) hours in a given work week shall be compensated at the rate of one and one-half (1-1/2) times the regular hourly rate for the job for time worked beyond forty (40) hours. Double time shall be paid for all hours worked on Sundays and holidays. In the event that an employee is allowed to accrue compensatory time in lieu of wages, compensatory time shall accrue at time and one-half (1-1/2) for all hours worked.

D. Restroom facilities will be provided which may be shared with other staff, but are not available to students.

E. Relief Time

All employees shall receive one (1) paid fifteen- (15) minute relief period per day for each four (4) hours worked. Full-time [six (6) hours or more] employees shall receive an additional paid fifteen- (15) minute relief period per day.

F. The work hours of employees assigned to instructional sites shall be scheduled consecutively within the K-12 student day, with not more than one (1) hour reporting time prior to the start of the students' day and no more than two (2) hours after the end of the students' day.

ARTICLE IX

WORK LOADS AND ASSIGNMENTS

A. The employer believes that equalization of work assignments within a division within the district is desirable. It is recognized that job assignments are the right of management. In making assignments, the employee's length of service in the district, experience, qualifications, competency and other relevant factors shall be considered.

B. A written general job description for each position shall be on file in the personnel office. Upon interview or reassignment, a written general job description shall be given to each employee, including description of the job duties, requirements and the qualifications necessary for the performance of the job.

C. It is the responsibility of the employer to determine when school building kitchens are to be used for purposes other than regular school meal service to students. In the event that a food service employee is requested to perform such extra work, the selection shall be on a rotating seniority basis by work site. Compensation shall be at the cook rate of pay and at the employee's normal step.

D. The provisions of the Agreement and the wages, hours, terms and conditions of employment shall be applied without regard to race, creed, religion, color, national origin, age, sex, marital status or participation by employees in the activities of the Association.

ARTICLE X

VACANCIES AND PROMOTIONS

A. Whenever any vacancy in an existing, restored or newly created position is to be filled, or any other special opportunity occurs in any bargaining unit position in the district, the Employer shall publicize the same by giving written notice of such vacancy to the Association and by posting a notice of such vacancy in each work location. No vacancy shall be filled until such vacancy shall have been posted for at least five (5) days; however the Employer may temporarily assign the work of the position. The job vacancy notice shall include the job description, current working hours, current rate of pay, current qualifications required, location of the position and the current length of the work week and work year.

B. Any employee may apply for such vacancy. The Employer shall not consider external applicants nor grant external applicants interviews for available positions until all internal applicants have been interviewed.

C. All employees are encouraged to train and prepare for promotional opportunities. Whenever the district's community education department is able to offer a secretarial skills enhancement class, pursuant to that department's guidelines for enrollments to make such class feasible, then bargaining unit members may attend the class free of charge.

D. Temporary Filling of Vacancies

1. Temporary employees hired to fill the vacancy of a bargaining unit position will be allowed to work a maximum of thirty (30) days at an hourly rate commensurate with the position, at which time the position must be filled by a bargaining unit employee.

2. The above provision shall not apply to vacancies that occur during the last sixty (60) calendar days of the school year except for vacancies in twelve (12) month positions. However, the position shall be permanently filled prior to the beginning of the school year following the vacancy.

3. If the position cannot be filled within this time limit, extension of this time limit shall be mutually agreed upon between the Association and the district.

ARTICLE XI

PROBATION, TERMINATION, SENIORITY, LAYOFF, REDUCTION AND RECALL

A. New employees will be in a probationary status for the first six (6) months of employment.

B. Any employee whose services are terminated shall be notified at least two (2) weeks in advance in writing. An employee who plans to terminate his/her services shall notify his/her immediate supervisor at least two (2) weeks in advance in writing.

C. 1. It is hereby recognized that it is within the sole discretion of the Employer to lay off bargaining unit employees when economic conditions dictate. If and when the Employer is required to lay off bargaining unit employees, the necessity for and the effect of such reductions will be discussed with the Association. In the event of a dispute concerning the individuals to be laid off, the Association shall have a right to file a written grievance thereon within seventy-two (72) hours after the termination of the meeting during which such review will have taken place.

2. Seniority shall be defined as the length of continuous service within the district in a bargaining unit position. Accumulation of seniority shall begin on the employee's most recent date of hire. In the event that one individual has the same starting date of work, position on the seniority list shall be determined by casting lots. Continuous service shall begin with the last date of hire and continue until termination of employment. Transfer, promotions, demotions, leaves of absence and/or layoff (unless an employee fails to comply with the recall provisions as stated elsewhere in this Agreement) shall not constitute an interruption in continuous service.

3. Each year the Employer shall prepare a seniority list for each division and transmit copies of same to the Association on or before the first day of November and shall be updated by May 1. If the Association is in disagreement on any part of the seniority list, it will notify the board of any alleged errors in writing within thirty (30) calendar days after receipt of the seniority list. Failure to so advise the board of any alleged inaccuracy in the seniority list shall be conclusively deemed to constitute agreement that the list is accurate. The dates of hire agreed to by the parties on March 19, 1982, shall not be subject to this section.

4. When a layoff takes place, employees shall be laid off by division in inverse order of their seniority from the last date of hire, i.e., the least senior employee on the seniority list being laid off first, provided a more senior employee is qualified to perform the duties of the least senior employee.

When an employee's regularly scheduled weekly hours are reduced by twenty-five percent (25%) or more, the procedures of this section shall be followed. "Qualified" shall mean that the employee has had previous, regularly assigned experience within the district in the area which constitutes the greater portion of the assignment. For purposes of this paragraph, qualified areas are those listed by Roman numeral under Schedule I of this Agreement.

5. Contractual aide time as identified in the WLEA-Howell Unit contract class size language shall not be applicable to the twenty-five percent (25%) reduction rule. Reductions in contractual aide time shall be effected only at the end of a month in which the class size reduction occurs.

6. Employees laid off through the procedure as stated in this article shall be maintained on a recall list for a period of two (2) years and shall be recalled in reverse order of their layoff provided the individual meets the qualifications and has the necessary skills and experience for the vacancy.

7. Notice of recall shall be sent to the employee at his/her last known address by certified mail. If an employee fails to report to work within ten (10) working days from the date of mailing of recall notice, he/she shall be considered as having voluntarily terminated his/her employment. The Employer will attempt to contact each employee by telephone to provide notice of recall.

An employee shall have the right to refuse recall to a position for the following reasons and shall remain on the recall list:

a. when said position constitutes less than seventy-five (75%) of the employee's most recent assignment prior to layoff as it relates to hours and/or wage rate.

b. when said position is regularly scheduled to commence earlier than 7:00 a.m. and/or to extend beyond 5:00 p.m.

8. Each employee is responsible for keeping the Employer advised in writing of any change of address and will not be excused for failure to report for work on recall if he/she fails to receive recall notice because of his/her own failure to advise the Employer in writing of his/her change of address.

9. A recalled employee will have accumulated vacation, sick leave and personal business days restored.

10. Posting notices of vacancies within the bargaining unit will be mailed to all bargaining unit employees laid off under provisions of this article. Vacancies which occur during the summer school recess will be posted by mail to each bargaining unit employee. The district may, at its option, but shall not be required to, interview and consider employees on layoff until active employees have been considered for the vacant position(s). No laid-off employee shall be required to apply for any position. Failure to apply shall not jeopardize recall rights.

ARTICLE XII

- A. 1. All benefits provided by this Agreement shall be prorated on a school-year basis for new hires, persons on leave of absence and those terminating employment with the district. Employees shall receive the following sick day allotment:

2. The application for such leave shall be received by the Employer no later than sixty (60) calendar days prior to the effective date in the event of a pregnancy, and shall include a statement of the prospective commencement and desired termination date.

3. Leaves for adoption of a child, or for the purpose of providing care for a chronically ill child, shall begin at a mutually agreed upon time between the Employer and the employee.

4. If an employee does not comply with all the above conditions, approval for such leave may be rescinded.

G. Professional Growth

Employees attending conferences, seminars, etc., during regular working hours, at the direction of the employer, are in a pay status. Employees may be granted, at the sole discretion of the employer, unpaid leaves of absence to participate voluntarily in professional growth activities. In-service educational programs should be planned jointly by the Employer and the Association. All employees for whom in-service programs are designed should be released from duty to participate in the program.

H. If any employee is required to serve on a jury, she/he shall be granted leave and paid the difference between her/his pay for such jury service and the money she/he would have earned under this agreement. Such payment during leave shall not extend beyond a twenty (20) day period. If the employee is temporarily excused from jury service for a period of one (1) full day or more, she/he shall report for employment during such periods. In the event an employee is called by the employer to testify in any proceeding, she/he shall be granted leave with pay.

I. With the prior approval of her/his supervisor, an employee having from one (1) through five (5) years of service in the bargaining unit may take up to five (5) days leave without pay in any year. An employee having more than five (5) years of service may be granted up to ten (10) days leave without pay in a given year upon approval by the supervisor.

ARTICLE XIII

INSURANCE PROTECTION

A. Employees who are regularly scheduled to work thirty (30) or more hours per week in their primary job function and who do not receive greater or substantially the same level of health and/or dental insurance coverage through a policy provided by the employer of a family member shall be provided without cost to the employee:

Full family MESSA Super Care I and/or Delta Dental Plan A.

B. Employees who are regularly scheduled to work at least twenty-five (25) but fewer than thirty (30) hours per week in their primary job function and who do not receive greater or substantially the same level of health and/or dental insurance coverage through a policy provided by the employer of a family member shall be provided:

An amount equal to sixty-seven (67%) of the premium cost of MESSA Super Care I.

Employees who make such an election shall authorize payroll deduction for the remaining thirty-three (33%) percent of the premium. In addition, employees shall be provided without cost:

Delta Dental Plan C.

C. Employees who are regularly scheduled to work fewer than twenty-five (25) hours per week in their primary job function may elect MESSA Super Care I coverage upon completion of a payroll deduction authorization form which authorizes the district to deduct one hundred percent (100%) of the premium cost from the employee's salary.

The employee's primary job function is defined as that portion of his/her assignment which carries the greatest number of hours, regularly scheduled per week at a given wage rate. For example, an aide who works twenty-five hours per week as a special needs aide and eight hours per week as a general education aide has as her/his primary job function the position of special needs aide.

D. In addition to the above, all employees shall be provided with a \$5,000 term life insurance policy without cost to the employee.

E. Additional riders of MESSA and MEFSA options shall be available at the employee's expense through payroll deduction.

F. All insurance commences upon and is subject to the approval of the carrier.

G. Members of the bargaining unit with an approved unpaid leave of absence may have their insurance premiums paid according to the following schedule:

Three (3) months to two (2) years seniority--district pays one (1) month.

Over two (2) years seniority--district pays two (2) months.

Over three (3) years seniority--district pays three (3) months.

H. In the event an employee is terminated, resigns, is on a non-medical unpaid leave or is laid off during the school year, the insurance shall be continued until the employee has received the pro-rata portion of the twelve (12) month insurance year earned at the time of the termination or layoff. An employee hired after the first required work day of the school year shall be entitled to the above-mentioned benefits subject to the insurance company's underwriting guidelines.

I. Employees receiving fringe benefits fully or partially paid by the district as of the date of ratification of this contract shall be grandparented. For purposes of this article, a grandparented employee shall continue to be entitled to the same partial or full fringe benefit so long as she/he continues to work in an assignment having the same or greater number of hours in the primary job function.

ARTICLE XIV

VACATIONS

A. All twelve- (12) month secretaries are eligible for vacation with pay after six (6) months employment with the Employer, according to Schedule II. Scheduled part-time secretaries will receive prorated vacation time. Vacation with pay may be taken (after the initial six (6) months) after it has been earned and with the approval of the immediate supervisor. Vacation days and/or fractions of days are earned on a month-worked basis in accordance with Schedule II. Example: Twelve- (12) month secretary - one (1) year through five (5) years - ten (10) days per year earned at the rate of ten-twelfths (10/12) day per month.

B. If the press of work does not permit complete vacation fulfillment within the current year, an employee shall receive his/her vacation pay in full for the vacation days not used.

C. Holidays occurring during the vacation period shall not be charged against the vacation allowance.

D. Upon resignation, termination of service, or transfer to a position requiring fewer working hours or weeks of employment, employees shall receive any unused vacation allowance at the rate of pay received by them at the time the allowance is earned.

ARTICLE XV

GRIEVANCE PROCEDURE

A. The purpose of the following grievance procedure is to provide a method for equitable settlement at the lowest possible administrative level of those issues which may arise from time to time concerning the wages, hours and working conditions of employees under this Agreement.

B. Definitions

1. A "grievance" is a complaint regarding any alleged violation, misinterpretation or misapplication of any provision of this Agreement or any existing rule, order or regulation of the Employer relating to wages, hours or conditions of employment.

2. A "grievant" is any employee, group of employees or the Association who shall present a grievance under this procedure.

3. The term "days" when used in this Article shall mean employee work days. During summer recess such term shall mean week days.

C. Procedure--Any employee, group of employees or the Association, in its representative capacity, believing that the basis for a grievance exists as to any particular matter, shall follow the procedure as listed below:

Step 1. The grievant shall attempt to resolve any grievance by informal conference or discussion with the appropriate supervisor or administrator.

All grievances must be filed within seven (7) days of the occurrence complained of, or within seven (7) days of the date when said occurrence should reasonably have been known. Failure to file such a grievance within the time limit specified shall constitute waiver of such grievance. An appropriate form for filing and processing grievances shall be as agreed upon between the parties hereto and such forms shall be deposited with the Association.

Step 2. In the event the grievance is not resolved at Step 1, or if no decision has been rendered in five (5) days after presentation of the grievance, the grievant shall reduce the grievance to writing on the approved grievance form, submitting the grievance to the particular supervisor or administrator involved.

Step 3. The supervisor or administrator shall either resolve the matter or answer the grievant and Association in writing within five (5) days. The grievant shall either accept or reject the position stated by the supervisor or administrator within five (5) days and shall communicate such information in writing to the superintendent or his/her designee.

The processing of any grievance pertaining to general district-wide policies, rules, regulations or administrative directives may be subject to the following procedure in lieu of that specified above at Step 3.

Within five (5) days after such a grievance has been processed through Step 2, the Association may, upon written notice to the superintendent or his/her designee, cause the grievance to be processed directly at Step 4.

During the period of time involved in this step of the grievance procedure, the grievant and the supervisor or administrator are encouraged to continue informal discussion to seek solutions.

Step 4. In the event the grievance is not resolved at Step 3, or at the option of the Association, as described above, it may be referred to the superintendent or his/her designee. Individual grievances not meeting the description above may be referred to the superintendent or his/her designee within five (5) days after rejection at Step 3, or if no Step 3 answer is received within the time limits. At this step the grievant and the superintendent or his/her designee shall meet to seek settlement and resolution of the grievance. This step shall not continue for longer than eleven (11) days.

Within five (5) days after the grievance is submitted to the superintendent or his/her designee, the Association shall contact the superintendent or his/her designee and establish a time that is mutually acceptable to both parties. If the parties do not agree upon an acceptable time, the Association will process the grievance at Step 5. Failure to do so within fifteen (15) days terminates the grievance.

Step 5. Arbitration Proceedings

If the Association is not satisfied with the disposition of the grievance at Step 4, or if no disposition has been made within the period above provided, the Association may then submit the grievance to arbitration within fifteen (15) days. If the parties cannot agree as to the arbitrator within five (5) days from the notification date that arbitration will be pursued, the arbitrator shall be selected by the American Arbitration Association in accord with its rules which shall likewise govern the arbitration proceeding. The fees and expenses of the arbitrator shall be shared equally by the parties.

D. Miscellaneous

1. In addition to the above methods of settlement of grievances, any other alternative methods may be used which are mutually agreed upon between the parties.

2. Failure at any step of this procedure to communicate the decision of the grievance within the specific time limit shall permit the grievant to proceed to the next step. Failure at any step of this procedure to appeal the grievance to the next step within the specific time limit shall be deemed to be in acceptance of the decision rendered at that previous step.

3. The Association shall be represented by not more than three (3) employee members in any contact with a supervisor, administrator or the superintendent. The Association may elect to have present at any discussion or grievance conference described in this Article, a representative of MEA or the Association.

4. When the grievance is settled at any time after it has originally been reduced to writing, the parties shall have five (5) days to conclude a written settlement on the grievance form. One (1) copy will be given to the superintendent or his/her designee and two (2) copies will be given to the Association.

5. Any individual employee, acting as a grievant, may be represented at any stage of this grievance procedure by a person of his/her own choosing. When an individual grievant is not represented by the Association, the Association shall be given an opportunity to be present at any adjustment of such grievance. Only the Association may process a grievance to arbitration.

6. In the event that a supervisor or administrator is unavailable for the purpose of processing a grievance, the superintendent or his/her designee, upon written request of the Association, shall, in writing, appoint a substitute to act at appropriate steps on this grievance procedure. Appropriate time limitation shall commence upon notification by the superintendent or his/her designee.

7. Grievances arising under this Article shall be processed during non-work hours unless otherwise mutually agreeable.

8. No grievance shall be initiated by or on behalf of any employee after the effective date of the employee's termination.

9. The arbitrator who sustains any grievance is empowered to fashion an appropriate award.

E. Limitations Upon Arbitrator's Authority

The powers of the arbitrator are subject to the following limitations:

1. The arbitrator shall have no power to add to, subtract from, disregard, alter or modify any of the terms of this Agreement.

2. The arbitrator shall not allow the board or the Association to assert in such arbitration proceeding any ground, or to rely on any ground, or to rely on any evidence not previously disclosed to the other party.

3. The arbitrator shall have no power to interpret state or federal law unless it is necessary to do so in order to determine whether a grievance is arbitrable. An arbitrator does have authority to interpret provisions of this Agreement which reiterate law.

4. The arbitrator shall not have the power to hear a grievance which was not filed or appealed in accordance with the contractual time limits.

5. The arbitrator shall not be allowed to hear a grievance which challenges the demotion or discharge of a probationary employee within the first three (3) months of employment unless the employee had not been formally evaluated during the probationary period; or the demotion or discharge of a probationary employee who has been employed more than three (3) months unless the employee had not been formally evaluated at least thirty (30) days prior to said demotion or discharge.

6. In the event that an arbitration is scheduled during regular working hours, employees called as witnesses to such proceeding shall be released from duty without loss of pay.

ARTICLE XVI

MISCELLANEOUS

A. This Agreement shall supersede any rules, regulations or practice of the Employer which shall be contrary to or inconsistent with its terms.

B. The Employer shall provide medical services for the purpose of administering T.B. tests to all employees who are required by law to obtain them. Any employee failing to be present at such times must obtain such test at his/her own expense and provide the results to the Employer.

C. Each employee, upon request by the Employer, shall submit to a general physical examination by a physician designated by the Employer. The cost of such examination shall be borne by the Employer.

D. The parties recognize the importance of protecting confidential information concerning students.

E. An employee shall not discuss collective bargaining of the Association or grievance matters with students during the course of his/her employment. Any agent of the employer shall not discuss collective bargaining, the MERC election process, the impact of accretion, etc. with the employees in such a manner as to constitute an unfair labor practice.

F. There shall be no change in the policy established in August of 1983 covering entitlement of food service employees to lunch, without prior consultation with the Association.

G. Copies of this Agreement shall be provided at the expense of the Employer and presented to all employees now employed or hereafter employed by the Employer. Twenty (20) additional copies will be provided to the Association.

H. Employees may be expected to supervise students at their work location at times, but shall not be required to discipline them.

I. The private and personal life of any employee is not within the appropriate concern or attention of the district as long as it does not interfere with the satisfactory performance of school duties.

Further, the district agrees to develop an employee assistance plan to address the problems posed by the illnesses of alcohol and drug abuse. The plan shall suggest steps to be taken by employees with such problems. Employee participation in the plan will not in and of itself jeopardize job security.

J. If school is called because of an Act of God day, an employee who has requested a personal business day, vacation day or a sick day will not have that day taken from his/her accumulated days. Employees shall not be required to report on Act of God days and shall not be reduced in compensation. If additional school days are needed, employees shall be required to work and shall receive their normal daily rate of pay.

ARTICLE XIX

LEAST RESTRICTIVE ENVIRONMENT/MEDICALLY FRAGILE

1. Application of this section shall apply to identified special education students in the following categories: SMI, SXI, TMI, POHI, autistic and medically fragile students.
2. If an employee has a reasonable basis to believe that a handicapped student's current Individual Education Plan (IEP) is not meeting the student's unique needs as required by law, the employee will advise his/her principal of that opinion in writing..
3. On a case-by-case basis, the district will determine what training and other support should be provided to an employee who will be providing services to a handicapped student. If an employee disagrees with the district-determined training and support, the employee may appeal to a committee composed of two (2) employees selected by the Association and two (2) administrators selected by the superintendent. The committee shall invite a fifth (5th) person to participate with the committee. The fifth person invited would be the superintendent of the Livingston Education Services Agency (LESA) or that person's designee. The committee, by majority vote, shall determine the appropriate training and/or support services.
4. The district shall determine the need for an employee who will be providing instructional or other services to a handicapped student to participate in the IEPC which may initially place (or continue the placement of) the student in a regular education classroom. The district shall provide release time in the event the district directs or authorizes an employee to attend an IEPC which is scheduled during the time the employee is assigned to work. In the event the district directs or authorizes training outside regular working hours, the employee shall be in a paid status, not to exceed eight (8) hours in any given day. With prior notice the employee's regular hours may be adjusted for this purpose.
5. The parties agree to meet and confer on the operation of this section and upon formal request of either party, the other party agrees to enter into negotiations on specific issues related to implementation of this section.

ARTICLE XX

SITE-BASED DECISION MAKING/SCHOOL IMPROVEMENT

At least one (1) bargaining unit member from each school building shall be invited to participate on that school's improvement committee. Where release time is not provided, the employee shall participate up to fourteen (14) hours on a volunteer basis. Any additional hours above the fourteen (14) shall be paid at the employee's regular hourly rate.

ARTICLE XXI

NO STRIKE CLAUSE

A. The Association agrees that during the term of this Master Agreement neither it nor the employees shall authorize, sanction, condone, engage in or acquiesce in any strike as defined in the Michigan Public Act 336, as amended by Public Act 379. Strike shall also be defined to include slowdowns, stoppages, sit-ins, picketing, boycotts, work stoppage of any kind, the concerted failure to report for duty, the willful absence from one's position, the stoppage of work, or the abstinence in whole or in part from the full, faithful and proper performance of the duties of employment, for the purpose of inducing, influencing or coercing a change in the conditions, compensation or the rights, privileges or obligations of employment, and any other connected or concerted activities having the effect of interrupting work or interference of any kind whatsoever with the operation of any of the facilities of the Employer.

B. Any employee(s) violating this Article may be subject to disciplinary action with recourse to the grievance procedure.

C. The Association agrees that it will neither take nor threaten to take any reprisals, directly or indirectly, against any supervisory or administrative personnel or board members of the Employer regarding the administration of this contract or any grievance filed thereunder.

D. In the event of any such violation of this Article, the Association shall endeavor to return the employees to work as expeditiously and quickly as possible by:

1. The Association will take prompt, affirmative action to prevent strikes and picketing or any other action as described above by notifying the employees and public that the Association disavows their actions.

2. Deliver immediately to the Employer a notice addressed to all employees repudiating such acts of the employees and ordering them to cease such acts and return to work; and

3. Taking such other action which it deems reasonable and appropriate to bring about compliance with the terms of this Agreement.

E. No lock-out of employees shall be instituted by the Employer during the terms of this Agreement.

ARTICLE XXII

SEVERABILITY

If any provisions of this Agreement or any application of the Agreement to any employee or group of employees shall be found to be contrary to law, then such provision or application shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect. In such event the subject matter shall be negotiated by the parties for the purpose of reaching appropriate legal language.

ARTICLE XXIII

ENTIRE AGREEMENT CLAUSE

This Agreement supersedes and cancels all previous Agreements, verbal or written or based on alleged district practices, between the district and the Association or any employee and constitutes the entire agreement between the parties covering employees within the bargaining unit. Any amendment or agreement supplemental hereto shall not be binding on either party unless executed in writing by the parties hereto.

ARTICLE XXIV

WAIVER CLAUSE

The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining; and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement.

Therefore, the Employer and the Association, for the life of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to or covered in this Agreement, even though such subject or matter may not have been within the knowledge and contemplation of either or both of the parties at the time that they negotiated or signed this Agreement.

ARTICLE XXV

Notwithstanding the wage rates and vacation allowances contained herein under Schedules I and II, the Employer and the Association acknowledge that certain employees are receiving compensation and other considerations that are greater than those received by other employees in the same or similar classifications. The parties agree that it is not the intent of either party to cause these employees to suffer the loss of pay, hours, benefits or other considerations as a result of the negotiations that resulted in this Agreement. However, whenever one of these employees leaves the employ of the Employer or accepts another position with the Employer in a position or classification different from the one he/she presently occupies, the Employer may fill the vacated position with an employee who will receive the rate of pay and vacation allowance and other benefits and considerations only as provided in this Agreement.

MEANS OF CALCULATING SALARY IMPROVEMENT FOR 1997-1998 AND 1998-1999
STUDENT FOUNDATION GRANT ALLOWANCE (SFGA)

SFGA is the basic per pupil foundation allowance as described in Section 20 as 1 and 2 of Public Act 336 (see attached). For the purposes of the calculation of the percent increase to be applied to Schedule A salaries in 1997-98 and 1998-99, this shall be the only factor used in said calculation. Excluded shall be revenues from categorical funds, grants, FTE growth and/or all other sources of revenues to the district.

The anticipated grant for 1996-97 is \$5,338 per pupil.

The calculation for the increase in the salary Schedule A for 1997-98 and 1998-99 shall be as follows:

In 1997-98:

$[\text{SFGA } 1997-98^* - \text{SFGA } 1996-97^{**}] - \text{SFGA } 1996-97^{**} \times .75 =$ percent to
be applied
to the
1996-97
salary
schedule

In 1998-99:

$[\text{SFGA } 1998-99^{***} - \text{SFGA } 1997-98^*] - \text{SFGA } 1997-98^* \times .75 =$ percent to
be applied
to the
1997-98
salary
schedule

The resulting percentage change shall then be applied to Schedule A (base salary schedule) of the previous year.

If the SFGA 1997-98 or SFGA 1998-99 does not increase over the previous year SFGA, there shall be no improvement to the salary schedule. There will be no decrease in the 1997-98 or 1998-99 salary schedules however. There shall be no upward limit to the percent increase if there is an increase in the SFGA in 1997-98 and or 1998-99.

**As adjusted by the state of Michigan and determined no later than June 30, 1997.
