AGREEMENT

THIS AGREEMENT is entered into this _____ day of _____, 1998, by the COUNTY OF INGHAM, a municipal body corporate of the State of Michigan, the INGHAM COUNTY PROSECUTING ATTORNEY (hereinafter referred to as the "Employer") and the INGHAM COUNTY EMPLOYEES' ASSOCIATION, ASSISTANT PROSECUTING ATTORNEY'S DIVISION (hereinafter referred to as the "Union" or "ICEA" or "Association").

This Agreement shall remain in full force and effect commencing July 1, 1996, through the 30th day of June, 2001.

PREAMBLE

THIS AGREEMENT, entered into by the parties, has as its purpose, the promotion of harmonious relations between the Employer and the Union, the establishment of an equitable and peaceful procedure for the resolution of differences and the establishment of rates of pay, wages, hours of employment and other conditions of employment.

The parties encourage to the fullest degree, friendly and cooperative relations between the respective representatives at all levels.

ANTI-DISCRIMINATION

The Co-Employers and the Association agree to abide by all applicable local, State and Federal laws with respect to age, sex, race, creed, color, handicap, sexual orientation, and national origin, in the hiring, placement, salary determination, or other terms or conditions of employment for Professional APA's employed or to become employed. The Co-Employers and the Association further agree that the Co-Employers shall be permitted to comply with State or Federal Civil Rights' requirements, including compliance with any accommodations' requirements under the Michigan Handicapper's Act or the Americans with Disabilities' Act; and/or any State or Federal judicial or administrative orders directing compliance with an applicable State or Federal civil rights' law or regulation. If such actions necessitate violation of a provision of the Agreement, then the parties agree to bargain with regard to the effect of implementing such action on other bargaining unit employees.

ARTICLE 1

UNION AND EMPLOYEE RIGHTS

Section 1. The Union, as the sole and exclusive bargaining representative of the employees, shall have the rights granted to them by Act 379 of the Michigan Public Acts of 1965, as amended, from time to time.

Section 2. The Employer recognizes that the Union representative and individual employees have all rights provided by law.

Section 3. Bulletin Boards. The Employer will provide bulletin boards at appropriate locations, which may be used by the Union for posting notices of the following types:

- Meetings of the Union
- Union Elections
- Results of Union Elections
- Union Recreational and Social Events

Section 4. Stewards. The Union shall designate a steward and two (2) alternate stewards: Assistant Prosecutor Steward, Assistant Prosecutor First Alternate Steward and Assistant Prosecutor Second Alternate Steward. The Steward(s), during his/her working hours, without loss of time or pay, may investigate and present grievances including attendance at Special Conferences, after notification to his/her Supervisor, provided that time off with pay to investigate grievances shall be limited to a reasonable length of time. The Steward(s) may represent an employee at all steps of the grievance procedure. The Employer shall be advised in writing as to who(m) represents the employees for notification and grievance processing purposes as to each grievance.

Section 5. Notice of Representatives. The Union shall furnish the Employer with a current written roster listing the names of its officers, steward and alternates. Such representatives shall not be recognized under the terms of this Agreement until such written notice is received by the Employer. When changes are made of the Union officers, steward or alternates, the Union shall, within ten (10) days thereof, notify the Employer of said changes in writing.

Section 6. Special Meetings.

A. **Purposes and Procedures.** The Employer and the Union agree to meet and confer on matters of clarification of the terms of this Agreement upon the written request of either party. The written request shall be made in advance and shall include an agenda stating the nature of the matters to be discussed and the reason(s) for requesting the meeting. Discussion shall be limited to matters set forth in the agenda. It is agreed that these special meetings shall not be for the purpose of conducting continuing collective bargaining negotiations, nor to in any way modify, alter, change or detract from the

provisions of this Agreement. Special meetings shall be held within ten (10) calendar days of the written request and shall be held between 8 a.m. and 5 p.m., at a time and place which is mutually agreeable to the parties. Each party shall be represented by not more than four (4) persons at such special meetings. The Union representative may meet at a place designated by the Employer, on the Employer's property, for a period not to exceed one-half (1/2) hour immediately preceding a special meeting.

B. Meeting Place. Meetings of the Union may be held at the Prosecutor's facilities with prior approval of the Prosecuting Attorney, provided the desired space is available. The Union shall not meet during working hours except as specifically provided under the terms of this Agreement.

C. Bargaining Committee. The Employer hereby recognizes a bargaining committee composed of five (5) persons consisting of four (4) Union members who have been regular full-time employees for at least the initial probationary period and one (1) non-employ member. The bargaining committee's sole function shall be to meet with Employer representatives for the purpose of negotiating a new Agreement. Negotiation sessions which are held during working hours shall not result in a loss of pay for the bargaining committee members. It is understood that the Union and the Employer may bring in additional personnel to address certain areas of concern and/or expertise during the collective bargaining process, if it is mutually agreed upon.

ARTICLE 2

EMPLOYER RIGHTS

Section 1. The Union recognizes that the Employer hereby reserves and retains, solely and exclusively, all rights to manage and operate the Employer's affairs. All rights, functions, power and authority which the Employer has not expressly and specifically abridged, amended, delegated, or modified by this Agreement are recognized by the Union as being retained and reserved by the Employer. Neither the constitutional nor the statutory rights, duties and obligations of the Employer shall in any way whatsoever be abridged unless specifically provided for under the terms of this Agreement.

Section 2. Specifically, the Prosecuting Attorney retains all rights provided by law, including, but not limited to:

- A. To manage and operate the office of Prosecuting Attorney and its business.
- B. To maintain order and efficiency in its operation.
- C. To make reasonable rules and regulations pertaining to employees consistent with this Agreement.
- D. To install, modify or change methods of operations and work schedules consistent with this Agreement.
- E. It is hereby agreed and understood by all parties to this contract that all Assistant Prosecuting Attorney positions are by appointment of the elected Prosecutor and that all such persons serve at the sole pleasure and discretion of the elected Prosecutor as provided in MCL 49.35; MSA 5.795, and that any disciplinary matter is not grievable nor subject to arbitration.

If an Assistant Prosecuting Attorney that has completed more than one (1) year of continuous service is not re-appointed or has his/her appointment withdrawn by the Prosecutor, and his/her termination from employment is for other than death, retirement, lay off or voluntary resignation, the employee shall be eligible for salary and health insurance continuation for a period not to exceed ninety (90) days, and life insurance continuation for a period not to exceed sixty (60) days. The payments will be made on a bi-weekly basis, subject to normal withholding of taxes and pension accrual and contributions will be made thereon. In addition, such salary and fringe benefit continuation is subject to and contingent upon the employee not being employed in a professional position elsewhere nor receiving unemployment compensation during that time.

For full-time employees who have been employed for four (4) or more consecutive years, the Administrative Services/Personnel Committee may grant up to an additional ninety (90) days salary and health insurance continuation under the same terms and conditions noted above. The decision to grant or deny the same is within the discretion of the Administrative Services/Personnel Committee and shall not be grievable. In granting or denying the additional ninety (90) days of salary and health insurance continuation, the Administrative Services/Personnel Committee may consider:

- (1) Whether the Assistant Prosecuting Attorney has obtained other comparable professional employment;
- (2) Whether the Assistant Prosecuting Attorney is immediately eligible for retirement benefits under the MERS plan;
- (3) The recommendations of the Human Resources Director, the Prosecuting Attorney, and the Union;
- (4) The Assistant Prosecuting Attorney's total length of service with the County;
- (5) The Assistant Prosecuting Attorney's disciplinary record;
- (6) Any medical issues involving the Assistant Prosecuting Attorney or his/her family; and
- (7) Any other reasons that justify granting or denial of the request.

The Administrative Services/Personnel Committee shall include in the resolution granting or denying an extension request the reasons for the Committee's decision.

The Assistant Prosecuting Attorney shall not be required to perform any services for the Prosecutor or the County as a precondition to receipt of compensation and benefit continuation.

The additional ninety (90) days salary continuation authorized under this section, if granted, may at the employee's option be converted to MERS generic service credit in an amount equal to the salary value for which the employee would be eligible.

Notwithstanding the foregoing, no salary continuation shall be paid to employees whose separation from employment is related to his/her conviction of a felony, high misdemeanor, or misdemeanor connected with his/her employment, or in any case in which an employee's license to practice law within Michigan is suspended or revoked.

Section 3. The Employer shall have, within its discretion, the right to make, amend, supplement or delete reasonable rules and regulations. However, the Union shall receive a copy of any new or modified rule or regulation ten (10) days prior to its effective date, unless conditions warrant necessary immediate implementation. If there is concern regarding the fairness of the rules or rule change, the Union may request a special conference between the Union, a representative of the Human Resources Department, the Prosecutor, or his/her representative, to discuss the reasonableness of the rule.

In no case will the rule change or new rule become subject to the grievance procedure unless that rule, as applied, violates a provision of the collective bargaining agreement.

If the employees do not receive a copy of the new work rule or modification thereof as required above, the same shall not be binding upon the Union, the Employees and the County.

ARTICLE 3

EMPLOYER SECURITY

Section 1. The parties hereto mutually recognize that the services performed by the employees covered by this Agreement are essential to the public health, safety and welfare.

Section 2. The Union agrees that no employees holding a position in this unit shall strike.

Section 3. "Strike" means the concerted failure to report for duty, the wilful absence from one's position, the stoppage of work, or the abstinence in whole or in part from the full, faithful, and proper performance of the duties of employment, for the purpose of inducing, influencing, or coercing a change in the conditions, compensation, rights, privileges or obligations of employment.

E. **Substitute Employees.** An employee who is hired to replace an employee on a leave of absence or on workers' compensation shall be considered a substitute employee and shall not attain seniority in the Unit and shall be compensated by wages only. These employees may be retained for the duration of the regular employee's absence.

 - (b) A review of the shared positions will be conducted by the Employer and the bargaining unit at the time of the expiration of the current collective bargaining agreement to determine if it is feasible to create alternative shared positions.
4. Shared Work Schedule. The work schedule will be determined by the supervisor for the shared positions in a manner to attempt to accommodate the employees, as well as the needs of the department.
5. Reversibility.
 - (a) The Prosecuting Attorney may convert, at his/her discretion, the previously designated shared position back to a full-time position which would be filled through regular County employment procedures.

ARTICLE 5

RECOGNITION

The Employer, a public employer under the Public Employment Relations Act, being 1947 PA 336, as amended, and herein referred to as PERA, hereby recognizes the Union as the exclusive representative, for the purpose of collective bargaining with respect to rates of pay, wages, hours of employment and other conditions of employment for all Assistant Prosecuting Attorneys with the County of Ingham, including duly appointed Assistant Prosecutors and law school graduates in a full-time Assistant Prosecuting Attorney position who are awaiting admission to the Bar, but excluding the elected prosecuting Attorney and Chief Assistant Prosecuting Attorney and all other employees working in the Prosecutor's Office.

ARTICLE 6

UNION SECURITY AND CHECK OFF

Section 1. The Employer will not discriminate against any employee because of membership in the Union.

Section 2. Union Security. As a condition of continued employment, all employees in the bargaining unit shall either become and remain members in good standing of the Union or pay a representation fee to the Union which shall be less than one hundred percent (100%) of the regular monthly dues paid by Union members and which sum shall accurately represent the amount for said employees due the Union as their fair share of costs attributable to negotiating and administering the terms of the Agreement, which shall not include, by way of example, but not by way of limitation, other dues and assessments or other amounts for Union activities.

The requirements set forth above shall become effective thirty (30) days after an Assistant Prosecuting Attorney's date of hire.

Section 3. Dues Checkoff. The Employer agrees to deduct the monthly Union dues or the representation fee from the pay of employees subject to and contingent upon the following:

- A. The Union shall obtain from the employee a complete checkoff authorization form which shall conform to the respective state and federal laws concerning that subject or any interpretations made thereof. The checkoff authorization form shall be filed with the County Human Resources Director, who may return an incomplete or incorrectly completed form to the Union's Treasurer and no checkoff shall be made until such deficiency is corrected.
- B. The Employer shall only deduct obligations which are due at the time of checkoff and will make checkoff deductions only if the employee has enough pay due to cover such obligations, and will not be responsible to the employee if he has duplicated a checkoff deduction by direct payment to the Union.
- C. The Employer's remittance will be deemed correct if the Union does not give notice, in writing, to the County Human Resources Director within two (2) weeks after a remittance is sent, of its belief, with reasons stated therefore, that the remittance is incorrect.
- D. Any employee may terminate his/her checkoff authorization by written notice to the County Human Resources Director.
- E. The Union shall provide at least thirty (30) days' prior written notice to the County Human Resources Director of the amount of Union dues

or representation fee to be deducted from the wage of employees in accordance with this Article. Any changes in the amounts shall be provided to the County Human Resources Director at least thirty (30) days prior to the effective date.

Section 4. Indemnity Provision. The Union agrees to defend, indemnify and save the Employer harmless against any and all claims, lawsuits or other forms of liability arising out of its deduction from an employee's pay of Union dues or representation fees, or reliance on any list, notice, certification or authorization furnished under this Article. The Union assumes full responsibility for the disposition of the deductions so made once they have been sent to the Union.

The terminology within the dues authorization forms does not bind the Employer to anything other than what is specified in Article 6 and that which is consistent with the law.

ARTICLE 7

SERVICE/SENIORITY

Section 1. Definition.

A. "Service", for economic and fringe benefit purposes, shall mean the status attained by continuous length of service as an employee within Ingham County employment. Continuous service is defined as that time actually spent on the active payroll of the Employer plus approved leaves of absence period, unless otherwise provided in this Agreement.

B. "Seniority" for purposes of layoff and recall shall mean the length of time within the bargaining unit.

C. The application of seniority shall be limited as applied to the terms and conditions contained in this Agreement. Employees who are hired on the same date shall be placed on the seniority list in alphabetical order of surnames.

Section 2. Seniority List. The Employer shall prepare a seniority list and submit it to the Union on a quarterly basis.

Section 3. Loss of Seniority/Employment. An employee shall lose his/her seniority and job for any of the following reasons:

- A. He/she voluntarily resigns;
- B. He/she is discharged and not reinstated;
- C. He/she retires;
- D. He/she is laid off for a period greater than their seniority or thirty (30) months, whichever is less;
- E. He/she is absent from work for three (3) consecutive working days without notification to the Employer and without acceptable excuse for not notifying the Employer;
- F. He/she fails to return to work upon recall from layoff;
- G. He/she fails to return to work after expiration of leave of absence; and
- H. He/she makes an intentionally false statement on his/her employment application or on an application for leave of absence or any other employment record or form.

ARTICLE 8

WORKERS' COMPENSATION

Section 1. To the extent required by Michigan law, the Employer provides, at its sole expense, workers' compensation coverage for each employee covered by this Agreement.

Section 2. Use of Accumulated Sick Leave When on Workers' Compensation. Employees in the bargaining unit are permitted to use accumulated sick leave while on workers' compensation as provided below:

- A. The maximum time an employee may use accumulated sick leave while on workers' compensation is twelve (12) weeks.
- B. Employees shall not accumulate sick leave or vacation time while off work on workers' compensation. All other fringe benefits shall terminate after an employee is not at work and on workers' compensation for ninety (90) days.
- C. Employees who have accumulated one hundred sixty (160) hours of sick leave and up to four hundred (400) hours are permitted to use their accumulated sick leave as a supplement to workers' compensation so that they will receive approximately eighty (80%) of their normal straight time pay.
- D. Employees who have one hundred fifty-nine(159) hours accumulated sick leave or less shall not be entitled to utilize this section.
- E. Employees who have accumulated sick leave of four hundred one (401) hours or more may use their accumulated sick leave so as to receive one hundred per cent (100%) of their actual net pay of their normal straight time pay.
- F. The eighty percent (80%) and one hundred percent (100%) wages noted above shall be gross wages minus normal tax deductions and other deductions.

EXAMPLE: If an employee's gross paycheck is One Hundred Fifty (\$150.00) Dollars and their net paycheck is One Hundred (\$100.00) Dollars, and workers' compensation payments are Sixty (\$60.00) Dollars, the Employer's obligation is to pay Twenty (\$20.00) Dollars, provided the employee meets the above requirements.

Section 3. Seniority shall continue to accumulate while employees are receiving workers' compensation benefits for a maximum of one (1) year.

Section 4. Employees on workers' compensation from the County may continue their hospitalization insurance coverage on the group plan for up to one (1) year from their date of injury, provided they pay the premium.

ARTICLE 9

LAYOFF

Section 1. In the event that a reduction in personnel and/or positions is necessary, as determined by the Ingham County Board of Commissioners, layoffs will be by seniority, as defined in Article 7 (Service/Seniority), beginning with the least senior person. It is recognized that the Employers have the right to determine which functions and position numbers are to be eliminated which may necessitate the layoff.

Section 2. In the event that an employee is originally hired into a grant funded position and thereafter laid off or terminated due to lack of funds or termination of the grant, said person may notify, in writing, the Human Resources Department of his/her desire for regularly funded County employment. The Human Resources Department shall, for up to twelve (12) months, refer that laid off or terminated person to a department head for consideration of employment if said employee informs the Human Resources Department of his/her previous status with the County. This provision shall only apply to the classification to which the employee was previously working within the County.

Section 3. When employees in a regular County funded position transfer to a grant funded position, seniority for the purposes of layoff, as provided in Section 1, shall be computed from the date of hire in the regular County funded position. Seniority time shall be continued while the employee is funded by the grant.

An employee in a grant funded position, originally hired in a regular funded County position, shall, in the event of termination or exhaustion of the grant, be retained at his or her current classification level, provided however, in the event of a reduction of personnel due to termination or exhaustion of a grant, layoffs shall occur as provided in Section 1 of this Article.

Section 4. The Human Resources Director shall notify the Union as soon as possible of any pending layoff. An employee shall be given written notice from the Employer at least thirty (30) days prior to his/her scheduled layoff date. Said written notice will be given to the employee personally or by certified mail deliverable only to him/her as addressee, with return receipt requested. In the event certified mail is used to accomplish notice, the time of this notice shall commence to run from the date of the affected employee's signature on the certified mail receipt.

Any employee who will be absent from work for a period of time to exceed one (1) week shall inform the Prosecuting Attorney of his/her whereabouts. In the event the employee fails to do so, then notice may be sent to the last known address in the employee's personnel file by certified mail and will not require the Employer to obtain the employee's signature on the receipt for said certified mail.

The Prosecuting Attorney shall send written notice to the Human Resources Director and all employees who may be affected by the termination of a grant forty-five (45) days before the same is to expire.

Section 5. When positions become available in a classification level from which employees have been laid off, or in a lower classification level, those laid off employees shall be notified of said openings and recalled.

Notice shall be by certified mail to their last known address contained in their personnel file in order of their seniority within their classification level. An employee receiving such notice must, within seven (7) working days thereafter, state in writing his/her availability to return to employment within fourteen (14) days unless extended by the Prosecuting Attorney, or shall forfeit any recall rights.

Section 6. Notwithstanding anything in this Agreement to the contrary, an employee originally hired into a position which is funded in total or in part by either a State or Federal grant may retain employment for the duration of the grant. However, if a grant funded position is eliminated due to termination or lack of funds in said grant, the following shall occur:

- A. In the case of employees originally hired into the grant position, the employee's employment will terminate, unless the Ingham County Board of Commissioners, within its sole discretion, decides to continue funding said position.
- B. In the case of employees that were originally hired into a regularly funded position and transferred to the grant position; the employee's grant funded position shall be eliminated and the employee shall exercise any applicable layoff seniority or bumping rights under Section 1 herein; unless the Ingham County Board of Commissioners, within its sole discretion, decides to continue funding the former grant position.

ARTICLE 10

HOURS OF WORK

Section 1. Work Breaks. Each employee shall be allowed to have two (2) work breaks during the work day. Said work breaks will not be taken at the beginning or ending of the work day. No more than one (1) work break may be taken before lunch. No more than one (1) work break may be taken after lunch on any one day. The duration of said break shall not exceed fifteen (15) minutes in length. Each employee shall be allowed one (1) hour lunch break between the hours of 11:30 a.m. and 1:30 p.m., unless another arrangement is agreed upon by the employee and the department head, or the immediate supervisor if the department head is not available. Work breaks do not accumulate if not taken.

Section 2. Special Exemptions. On each and every nationwide or statewide election day, excluding primaries and school elections, all employees over eighteen (18) years of age, shall be allowed one (1) hour off from their normal duties for the purpose of casting their vote in said election. The decision as to which hour an employee shall be entitled to take off for the above stated exemption shall be made by the department head or the immediate supervisor if the department head is not available. Necessary travel time may be included in the approved time off for voting if the employee is prevented by his/her supervisor from voting either at the start or end of the shift on that particular day.

Section 3. When an off duty Assistant Prosecuting Attorney is required to spend time in court, he/she shall receive the witness fee, if one is payable, plus the difference between such witness fee and pay at time and one-half for the time actually spent on the assignment, with a minimum of two (2) hours of premium pay. If no witness fee is payable, he/she shall receive pay at time and one-half for the time spent on the assignment, with a minimum of two (2) hours of premium pay. Mileage that may be paid by the court will be considered separate payment and will not be included in the above premium pay. Said payment shall be made only when an employee is required to attend court as a witness arising out of a work related incident. Said employee shall not be paid mileage by the Employer if paid by the court. Such time spent in court shall include time excused for lunch if the employee is required to return to court.

Section 4. Overtime.

A. Positions of employment covered by this Agreement are Professional and are recognized as exempt from overtime.

B. The normal business day is 8:00 a.m. to 5:00 p.m., Monday through Friday. The normal working schedule of forty (40) hours weekly can be arranged to best accommodate individual job responsibilities, provided the employee is at work the majority of the hours designated as the normal business day, and that the appropriate staff is aware of the schedule.

C. Occasional work in excess of the normal forty (40) hour work schedule is an expected part of a employee's job and already reflected in compensation; additional compensation either in the form of money or time off is not to be expected. For example, the employee who stays after 5:00 p.m. to prepare for the next day's work should not expect that extra time is to be considered as compensable or used to reduce other day's work.

D. Some cases are by necessity outside an employee's normal working schedule, and the employee is required to attend. This may include court sessions held after 5:00 p.m., being held over for jury verdicts and other meetings which must be attended as part of the job function. It is reasonable for employees required to attend such hearings to take a corresponding amount of time off in the future, provided that the employee's workload will allow it. Time off under this subsection may be accumulated up to a maximum of forty (40) hours and time in excess of that amount shall not be taken off or paid for. The use of such time must be clearly documented by referencing the time off to the specific hearings generating the accumulation on a form provided by the Employer and the documentation shall be forwarded to the Chief Assistant Prosecuting Attorney. When taking time off during the normal working schedule under this article, the employee shall notify the Chief Assistant Prosecuting Attorney in advance. Commencing with the date of execution of this agreement, there is no eligibility for monetary compensation for such accumulations.

Section 5. A bargaining unit employee who is designated by the Prosecutor as being "on-call" for a specific week shall be compensated for such duty as follows:

- A. Effective from June 24, 1995, for up to four (4) hours per day for Saturday, Sunday or holiday Warrant Duty, the designated employee shall receive:
1. \$155.00 per day, effective from June 24, 1995;
 2. \$159.65 per day, effective from June 22, 1996;
 3. \$164.44 per day, effective from June 21, 1997;
 4. \$169.37 per day, effective from June 20, 1998;
 5. \$174.45 per day, effective from June 19, 1999;
 6. \$179.68 per day, effective from July 1, 2000.
- B. In addition to (A) above, compensation shall be at the rate of time and one-half for on-call hours worked in addition to Warrant Duty.
- C. On call payments made after January 24, 1995, shall be paid in the first pay period following the end of each calendar quarter.
- D. The parties agree to re-open the issue of on-call compensation in the event the Prosecutor's Office establishes a new computerized warrant system.

ARTICLE 11

JOB OPENINGS AND TEMPORARY ASSIGNMENT

Section 1. Job Openings.

A. In the event of a newly created Unit position or an opening in a vacated Unit position which the Employer intends to fill, employees in this Unit shall have an opportunity to apply by adhering to the normal Employer's hiring procedures. Applications will be kept on file for a period of six (6) months and will be considered for additional openings within that period at the applicant's request.

B. Unit members who have completed at least one (1) year of service in the unit who apply for an available Principal Attorney position, shall be referred for such opening if it is determined that they possess the ability to perform the work, training, experience, physical and technical qualifications and personality and compatibility necessary to perform the duties and functions of the desired Principal Attorney position.

Such determination shall be made within the discretion of the Employer.

Notwithstanding the above, the Employer reserves the right to determine how many persons will be referred at any one time, which normally will be a maximum of five (5).

C. If less than three (3) qualified employees apply and are eligible for referral, then the most qualified other applicants may also be referred with the qualified employees.

D. The Employer reserves the right to refer applicants for an open position in order to comply with present or future equal employment opportunity requirements.

E. The final decision in filling the position will be at the sole discretion of the Prosecuting Attorney.

Section 2. Temporary Assignment. An employee who is temporarily assigned to perform a majority of his/her duties and responsibilities in the Principal Attorney classification, which is temporarily vacated due to illness, vacation, authorized leave, resignation or termination of employment for more than three (3) consecutive working days, shall be paid at the lower rate in the Principal Attorney classification which is at least five percent (5%) above his/her regular rate. Except in the event that Step One of the new salary grade is ten (10%) percent above the current wage, said Employee shall be placed in Step One of the new salary grade. If there is no step in the new salary grade that is between five and ten (5-10%) percent higher than his/her current rate, said Employee shall receive an increase of seven and one-half (7.5%) percent. An employee so assigned shall advance within that grade. All such assignments must be authorized in writing by the Prosecuting Attorney.

If the employee works in excess of three (3) consecutive working days, the employee shall be paid for the entire period from the date of assignment.

An employee temporarily assigned to and compensated at a higher classified position within the Unit and is subsequently permanently assigned to that higher classified position, shall have his/her anniversary date made retroactive to the date of the temporary assignment provided the employee is continuously employed in that higher classified position from the date of the temporary assignment to the date of the permanent assignment.

An employee may be temporarily assigned to the work of any position in the same or lower salary grade and shall not suffer any loss of pay during the period of the temporary assignment.

Section 3. Designated Unit Chiefs.

A. Eight (8) Assistant Prosecuting Attorneys have been designated as Principal Attorneys, pursuant to Section 1 of this Article. The eight (8) Assistant Prosecuting Attorneys so designated are being compensated as set forth in the attached salary schedule for the time period of June 22, 1996, through the date of ratification. At the time of the ratification of this Agreement by both parties, the Principal Attorneys are being compensated at \$67,282.

B. The parties agree that upon the ratification of this Agreement by both parties, the classification of Principal Attorney may be abolished, and the incumbents of the position of Principal Attorney may be reclassified as Assistant Prosecuting Attorneys, as provided in this Article, and/or designated Unit Chiefs as provided in this Agreement. Unit Chiefs are those Assistant Prosecuting Attorneys who have been selected by the Prosecutor as having additional duties and responsibilities over and above the duties and responsibilities of an Assistant Prosecuting Attorney.

C. The parties agree that upon the abolition of the position or classification of Principal Attorney, the wages provided in this Agreement for Principal Attorneys are converted to the Assistant Prosecuting Attorney/Unit Chiefs, Step 13.

D. The parties agree that upon the ratification of this Agreement by both parties, the Prosecuting Attorney shall have and retain discretion to temporarily designate not more than eight (8) Assistant Prosecuting Attorneys as Unit Chiefs. The said eight (8) Assistant Prosecuting Attorneys may be known or described as Unit Chiefs, but the designation of Unit Chiefs shall not be or become a job classification, except for wages. The wages of Unit Chiefs shall be found at Unit Chiefs Step 13 of the Assistant Prosecuting Attorneys wage scale.

E. Any current Principal Attorneys who are not designated Unit Chiefs by the Prosecuting Attorney and any current Principal Attorneys who are appointed Unit Chiefs but who, in any succeeding month or months, lose the designation of Unit Chiefs after an initial designation, shall be redlined at the wage rate held by the affected Attorney on the date the affected Attorney is redlined. The salary of the affected Attorney shall remain fixed at that rate until such time as the highest salary step or grade of Assistant Prosecuting Attorney, being Step 9, reaches or exceeds the fixed level, at which time the

former Principal Attorney or former Unit Chief shall resume progress on the Assistant Prosecuting Attorney wage scale and shall receive the compensation provided in this Agreement for Assistant Prosecuting Attorneys at the highest salary grade or step.

F. Assistant Prosecuting Attorneys who are not former Principal Attorneys who shall be designated Unit Chiefs shall be compensated at Unit Chiefs Step 13 of the wage scale provided in this Agreement but shall nevertheless continue to progress through the steps of the salary schedule provided in this Agreement for Assistant Prosecuting Attorneys during the duration of their designations as Unit Chiefs, even though they are compensated at Unit Chiefs Step 13. When the designation of Unit Chiefs is withdrawn, the affected Attorney no longer will be paid at the rate provided at Unit Chiefs Step 13, and the said Assistant Prosecuting Attorney shall revert to his/her rightful step on the Assistant Prosecuting Attorney wage scale.

ARTICLE 12

The Prosecutor shall submit an answer in writing within five (5) days.
- Step 3.** If the answer of the Prosecutor received in Step 2 is not satisfactory to the grievant, the Union departmental representative, within five (5) days thereafter, shall submit notice of appeal to the Human Resources Director.

Step 3A. The Human Resources Director, Prosecutor, effected grievant, and ICEA representative shall meet within seven (7) working days after the submission of the grievance under Step 3. At this meeting, the Administrative Services/Personnel Committee will review the facts as they relate to the interpretation and application of the Agreement. The Administrative Services/Personnel Committee shall reply with its decision, in writing, no later than five (5) days following said meeting. If the decision of the Administrative Services/Personnel Committee is unsatisfactory to the Association, said dispute may be submitted within fifteen (15) days for arbitration in accordance with the procedures and rules of American Arbitration Association. Section 4.

A. For the purpose of the grievance procedure, a "day" shall mean any working day, Monday through Friday, and shall not include the day in which a grievance is presented or appealed by the Union or Employer or is answered by the Employer.

B. Any time limit in the grievance procedure may be extended by mutual agreement of the parties.

C. A grievance presented at any step shall be dated and signed by the Union representative or employee presenting it; any answer given by the Employer to the Union representative or employee shall be dated and signed by the Employer.

D. Any grievance not answered within the time limits by the Employer shall be deemed settled on the basis of the original request of the grievant.

Section 2. Contracted Benefits. Notwithstanding the provisions hereunder, no benefits shall be afforded to any employee when the Employer's contractual agreement with a third party for said benefits does not permit coverage of said employee. Any additional time request must be submitted with a doctor's statement indicating the specific nature of the disability and the estimated duration of said disability.

2. Without pay, for urgent personal business requiring the employee's attention for an extended period such as settling estates or liquidating a business.
3. Without pay, for purposes other than the above that are deemed beneficial to the Employer.

C. The Administrative Services/Personnel Committee, upon recommendation of the department head, may grant leaves of absence with or without pay in excess of the above limitations, for the purposes of attending extended courses of training at a recognized university or college, and for other purposes that are deemed beneficial to the Employer.

D. The Employer shall abide by the mandatory provisions of Federal and State law regarding re-employment rights of veterans and to granting leaves of absence in accordance therewith.

Section 5. Union Notice. The Union shall receive a copy of all approved leaves of absence.

Section 6. Section 7. In the event of a dispute involving an employee's physical or mental ability to perform his/her job, and the Prosecuting Attorney and/or the county are not satisfied with the determination of the treating physician, after having supplied articulated concerns to the employee without satisfactory response, the Prosecuting Attorney and/or the County may require a report from a medical doctor of their choosing and at their expense relative to the employee's physical or mental ability. The Employer will notify the Union and the Union's Legal Counsel no later than the same time the employee is notified of a request for a County exam. If the dispute still exists, the employee's physician and the Prosecuting Attorney or the County's physician shall consult and agree upon a third physician to submit a report concerning the employee's physical or mental health to the Prosecuting Attorney or the County and the employee. The decision of the third physician shall be binding on both parties. The expense of the report of the third physician shall be borne equally by the County and the employee to the extent not covered by insurance. The employee shall make himself/herself available to the Prosecuting Attorney or County physician for examination at a time set by the physician.

ARTICLE 21

DISABILITY INSURANCE PLAN

Section 1. The Employer will provide a short-term disability plan as follows for regular, non-probationary, full-time employees:

- A. Upon proper medical determination of disability due to a non-work related illness or injury, the Employer will provide fifty percent (50%) of the employee's gross salary to a maximum of \$300.00 per week for a maximum of one hundred four (104) weeks.

Effective January 1, 1993, upon proper medical determination of disability due to a non-work related illness or injury, the Employer will provide fifty percent (50%) of the employee's gross salary to a maximum of \$2,500.00 per month for a maximum of twenty-four (24) months.

- B. The disability payments shall not commence until the completion of a ninety (90) calendar day elimination period after sustaining the non-work related illness or injury.
- C. The regular full-time employee may use sick time accumulations during the ninety (90) calendar day elimination period and also may use vacation and compensatory time accumulations. If the employee's total accumulations exceed ninety (90) calendar days, the short-term disability payments shall commence on the 91st day, at the option of the employee, with the remaining accumulations to stay on record.

Section 2. Seniority shall accrue while an employee is being paid disability payments, but all other benefits such as, but not limited to, health insurance, sick leave, life insurance, holidays, dental insurance, vacation accumulation and longevity, shall cease except as provided in Section 5.

Section 3. Section 5. Employees on disability may pay group rates for hospitalization/medical coverage and dental coverage to the extent required by Federal law.

ARTICLE 22

LONGEVITY PLAN

Section 1. All regular full-time Employees, having completed four (4) years of continuous regular employment prior to December 1, shall be eligible to receive a longevity bonus for service with the Employer. A year is defined as December 1 through the following November 30. Payments to employees who become eligible to receive a longevity bonus prior to December 1 of any year, shall be paid the first regular work day of December. The following will not affect eligibility during the initial four (4) year eligibility period only: ten (10) days or less of authorized unpaid leave and/or thirty (30) days or less of unpaid sick leave, including workers' compensation, each year.

Employees must have completed continuous full-time employment equal to that required for original eligibility, as stated above, plus one (1) additional year of continuous service, regular, Employer compensated full-time employment to be eligible for each additional annual payment.

After the four (4) year eligibility period, employees whose employment terminates before December 1 because of service or disability retirement shall be paid a prorated bonus when they retire, based on the number of calendar months of full-time active employment credited to them from the preceding December 1st to the date of cessation of their active employment. All other employees whose employment terminates for other reasons prior to December 1 shall not be eligible to receive a longevity bonus.

After the four (4) year eligibility period, as stated above, employees on an authorized unpaid leave of absence, as permitted under this contract, during the twelve (12) month eligibility period for a longevity bonus other than their initial longevity bonus, shall receive a prorated payment based on the number of complete months he/she received full Employer compensation (excludes workers' compensation), provided that the employee is eligible and receives a longevity payment the following year. Under such circumstances, the employee shall receive a retroactive prorata payment at the rate it was earned. The above limitation shall not be applicable to authorized leaves of absence which do not exceed in total thirty (30) days in a year. For example, if an employee is granted a fifteen (15) day leave one month and a fifteen (15) day authorized leave another month, and is otherwise eligible, he/she shall not lose any longevity payment. Employees on unpaid leave of absence due to illness during the 12-month eligibility period for a longevity bonus, other than their initial longevity bonus, shall receive a prorated payment based on the number of complete months he/she received full Employer compensation.

Section 2. The longevity bonus payment schedule shall be as follows:

Continuous Employment

Annual Bonus

4 or more, but less than 8 years	3% of Annual Wage
8 or more, but less than 12 years	5% of Annual Wage
12 or more, but less than 16 years	7% of Annual Wage
16 or more years	9% of Annual Wage

Section 3. The longevity bonus shall be computed as a percentage of the employee's annual base salary or wage. Base salary or wage shall be that which an employee is being paid on October 1 of the fiscal year in which a longevity bonus is due, and shall not include overtime pay, premium pay, uniform allowance, per diem, or travel allowance, or any other compensation, including workers' compensation. No longevity payment as above scheduled shall be made for that portion of an employee's base salary which is in excess of Eighteen Thousand Dollars (\$18,000.00).

Section 4. By November 1 of each year, each department head shall furnish the Human Resources Department with a list of employees who are eligible to receive a longevity payment. The department head shall indicate the amount of the longevity bonus due such employee. The Human Resources Department shall review each list to assure that dates of continuous employment correspond with the employment records and that the proposed payments are consistent with the collective bargaining agreements; make any revisions necessary; inform the department head; and provide one (1) list of approved longevity payments to the Controller. The Controller shall authorize payment pursuant to County procedure.

Section 5. After the four (4) year eligibility period, those employees who are then placed on either part-time or special part-time status from their regular full-time position by the Employer, are laid off, or commence disability insurance compensation, shall have their longevity computed on a prorata basis.

Section 6. It is expressly understood and agreed that workers' compensation is not considered paid time or "compensation" for the purposes of this Article.

Section 7. If, prior to the completion of the initial four (4) year eligibility period, an employee has a break in service or is reduced to less than full-time due to no fault of their own for twelve (12) months or less during the longevity year, then, under such circumstances, the employee, upon returning to work, may use the completed prior year(s) of continuous, regular, compensated employment to arrive at the required four (4) year eligibility period for longevity. However, the year in which the interruption occurred will not be counted in arriving at the required four (4) years of service.

An eligible employee would not lose all prior years of service for the initial longevity period if he/she were on an approved unpaid leave of ninety (90) days or less. For a leave of ninety-one (91) days or more, he/she would forfeit all prior years and would have to start over again. The employee would lose the year where the leave of absence occurs for the ninety (90) days or less for computing longevity.

ARTICLE 23

The Co-Employers agree to provide the B-4 plan with the F55-15 years waiver and V-6 rider, effective October 1, 1998. Increases in premium costs which exceed the benchmark will be shared 50/50 by the Employer and the retiree on a monthly basis. Retirees can pay for their spouse's coverage under the conditions established by the County. If a coverage is not longer available, the retiree must select from what is available and pay the difference in cost, if any.

C. If the event a retiree wishes to cover his or her spouse, he/she may do so by prepaying the County the difference between the applicable two-person rate and the appropriate benchmark amount.

Section 3. Notwithstanding any contrary provision contained in this Article, the obligation of the Employer to pay for and provide retiree health insurance shall cease in the event that comparable health insurance is available to the retiree through another Employer or source, such as his/her spouse's Employer. Further, there shall be a requirement to coordinate with other available health insurances, Medicare, Medicaid, Federal insurance or any other health insurance which may be available in part or in total to the retired employee. All questions of eligibility shall be determined by the regulations and rules established by the carrier providing such coverage.

Retirees losing medical coverage from another source shall notify the Financial Services Department in time so that retiree can be re-enrolled the first of the month following their loss of alternate coverage.

The retiree shall apply for medicare, medicaid or similar federal program benefits as soon as he/she is eligible. As of said date, all benefits payable by the County shall be reduced by an amount equal to federal benefits pertaining at that time and shall be supplemented to such coverage. In the event the name of any of the Federal coverages/benefits referred to herein shall be changed, this section shall be deemed to apply to any and all similar or replacement programs subsequently designated.

Section 4. Employees who retire during the period of this Agreement, or who have retired since January 1, 1971, and are immediately eligible for retirement benefits as provided in the above plan, shall be provided with \$2,000.00 life insurance coverage, payable to their beneficiary at the time of their death, and the total cost of this coverage shall be borne by the Employer.

Section 5. The employees shall contribute 1.4% of their total compensation to MERS.

Section 6. The Employer reserves the right to substitute another plan provided prior notice is given to the Union and comparable benefits are obtained.

Section 7. To the extent the Employer is determined to be eligible, the Employer will provide as soon as feasible, a MERS "P" Program subject to and contingent upon MERS' authorization. The entire bargaining unit must participate the same percentage contribution. Employees wages shall be reduced accordingly.

SALARIES

Section 1. All Attorneys hired upon the effective date of this Agreement will maintain their anniversary dates in effect April 1, 1991, unless they are reclassified or promoted. Attorneys hired, reclassified or promoted subsequent to April 1, 1991, will have as their anniversary date their date of hire, reclassification or promotion.

Section 2. Anniversary date is the date used to determine length of service within a specific classification. The anniversary date for all employees shall be their date of hire or promotion or reclassification, except as modified under Section 1 of this Article.

Section 3. The rates of pay for each classification are based on full-time employment for the positions in that classification. For each classification there shall be entrance, intermediate and maximum salary rates. Said rates are set forth in the salary schedule of this Agreement.

Section 4. Original appointment to any position shall be made at the entrance rate of the classification. Upon recommendation of the Prosecuting Attorney, the Human Resources Director may approve initial compensation through step 3 in the salary schedule when the needs of the service make such action necessary; provided that any such exception is based on the outstanding and unusual character of the individual employee's experience and ability over and above the desirable qualification specified for the class. Authorization for initial compensation above Step 3 must be obtained from the Administrative Services/Personnel Committee.

Section 5. Merit Increases. The Prosecuting Attorney may request a merit increase for employees within a classification to the Administrative Services/Personnel Committee. The Administrative Services/Personnel Committee shall, within the procedures established, and within its sole discretion, rule on the same.

Section 6. Promotions and Reclassifications.

- 1) Current annual wage is defined as the salary paid to the Employee on the date immediately prior to the date of reclassification or promotion.
- 2) Employees who are reclassified or promoted with their career field to a new or different pay grade shall receive an increase of a minimum of five (5%) percent to a maximum of ten (10%) percent more than the above-stated current annual wage, except in the event that step one of the new salary grade is ten (10%) percent or more above the current annual wage, said Employee shall be placed in step one of the new salary grade.

- 3) If there is no step in the new salary grade that is between five and ten (5-10%) percent higher than the current annual wage, said employee shall receive an annual salary increase of seven and one-half (7.5%) percent, which shall be effective the first full pay period following promotion or reclassification. On said employee's next anniversary date (which is one [1] year following the effective date of reclassification or promotion), he/she shall be eligible to advance to the next step on the salary scale which is larger than said employee's salary at that time.

Section 7. Date of hire is the date that an employee commences employment in a full or part-time position. The use of "date of hire" is not used for reclassifications or promotion purposes regarding step increases

Section 8. Employees shall not be paid at rates in excess of the maximum for their salary grade and classification.

Section 9. Anniversary step increases will become effective the start of the payroll period following the anniversary date.

Section 10. If an employee is not performing satisfactorily, as determined by the Prosecuting Attorney, the employee and the Human Resources Department shall be informed of this in writing, including the reasons therefore, prior to his/her eligibility for a step increase. Said increase may then be postponed for up to ninety (90) days to provide the employee an opportunity to improve his/her performance. At the end of that time, the employee shall either receive the salary increase if improvement has been made, or shall be terminated.

However, in lieu of termination after said ninety (90) days, the Prosecuting Attorney may extend the postponement of the step increase for additional increments of ninety (90) days, up to a maximum of one (1) year from the original date of postponement. After each such increment the Prosecuting Attorney may grant the step increase or terminate the employee if improvement has not been made.

Section 11. A requirement for advancement within pay ranges and for the purposes of longevity is continuous service, which means regular employment without break or interruption. Leaves of absence with pay and leaves of absence without pay of ten (10) or less days shall not interrupt continuous service. Absences on leave without pay in excess of ten (10) days, shall be deducted in computing total service, but shall not serve to interrupt continuous service.

Section 12. Employees who voluntarily or involuntarily terminate their employment, except laid off employees, will not receive salary or any other benefits retroactive if terminating prior to April 1, 1998.

Section 13. The County shall pay to the Michigan State Bar Association the dues for unit members. This shall include the basic dues only and not section or other additional dues.

Section 14. Overpayments. Any overpayment of compensation that is not disputed by the employee shall be repaid through payroll deduction. The Employer and employee shall attempt to negotiate a repayment schedule. If the parties are unable to agree on a repayment schedule, the Employer may deduct up to five percent (5%) of an employee's gross bi-weekly pay.

Section 15. Retroactivity. Notwithstanding anything else to the contrary within this collective bargaining agreement, those employees eligible for retroactivity shall receive a one time lump sum payment in lieu of any retroactive compensation called for under this collective bargaining agreement. The lump sum payment shall be calculated by determining the total amount of compensation that bargaining unit members who are employed with the County as of April 1, 1998, would be eligible from the commencement of the term of this collective bargaining agreement through the date the attached wage scales are implemented, which total amount will then be divided equally amongst all Assistant Prosecuting Attorneys who are employed by the County as of April 1, 1998. In the case of employees who have been employed for less than the full time period covered by the retroactive calculations, the amount for each such employee will be pro-rated on a weekly basis based on the number of weeks of County employment with the bargaining unit. The shared-time position existing with the bargaining unit shall receive one share of the retroactive lump sum payment compensation to be divided in half between the two job sharing employees. Payment of the referenced lump sum amount shall be lieu of any other retroactive compensation that would otherwise be payable under the terms of this collective bargaining agreement.

ARTICLE 26

LIABILITY INSURANCE

Section 1. The Employer shall continue to provide Professional Liability Insurance comparable to what it currently has (in effect 1/1/88) contingent upon the insurance company not canceling or modifying same. In the event that the liability insurance is canceled, modified or otherwise discontinued for any reasons by the insurance company, then under such circumstances, the parties shall enter into immediate negotiations to attempt to arrive at a mutually agreed upon solution. The Employer will attempt to obtain, under such circumstances, comparable coverage at comparable payment rates.
