Section 4. Constitutional and Statutory Rights. Neither the constitutional or the statutory rights, duties and obligations of the Employer shall in any way whatsoever be abridged.

ARTICLE 4

ASSOCIATION SECURITY AND CHECKOFF

Section 1. The Employer will not discriminate against any employee because of membership in the Association.

Section 2. Upon completion of thirty (30) days of employment, membership in the Association or compliance with payment of representation fees shall be a condition of continued employment. The Employer agrees to deduct Association dues or Association service fees to become effective the second payday of the month.

Section 3. Agency Shop. The Employer agrees to deduct from the salary of each individual employee in the bargaining unit who becomes a member, the Association's dues, subject to all of the following conditions:

- A. The Association shall obtain from each of its members a completed authorization form which shall conform to the respective state and federal law(s) concerning that subject, or any interpretation(s) thereof.
- B. All checkoff authorization forms shall be filed with the Employer's Human Resources Director, who may return any incomplete or incorrectly completed form to the Association's Treasurer, and no checkoff shall be made until such deficiency is corrected.
- C. All employees covered under this Agreement who do not voluntarily choose membership in the Association shall have deducted from their wages a percentage of the membership dues, which sum may be less than one hundred percent (100%) of said dues, upon receipt by the Employer of a signed, written card, and which sum shall accurately represent the amount for said employee due the Association as their fair share of costs attributable to negotiating the terms of this Agreement and servicing the contract, which sum shall not include, by way of example but not by way of limitation, state, national or other dues and assessments, or other amounts for other Association activities.
- D. The Employer shall only checkoff obligations which come due at the time of checkoff, and will make checkoff deductions only if the employee has enough pay due to cover such obligation. The Employer is not responsible for refund to the employee if he/she has duplicated a checkoff deduction by direct payment to the Association.

Any changes in the amounts determined will also be provided to the Human Resources Director at least thirty (30) days prior to its implementation. New checkoff authorization forms shall be submitted to the Employer in the event that an increase in the Association dues or service fee is made.
- G. The Association agrees to defend, indemnify and save the Employer harmless against any and all claims, suits, or other forms of liability arising out of its deduction from an employee's pay of Association dues, service fees and/or initiation fee, or in reliance upon any list, notice, certification or authorization furnished under this Article, including the termination of employment as provided under the Agency Shop provision. PROFESSIONAL NEGOTIATION PROCEDURE

Section 1. Meetings. The parties will cooperate in arranging meetings, furnishing necessary information and otherwise constructively considering and resolving any matters of common interest.

Section 2. Representatives. In any negotiations described in this Article, neither party shall have any control over the selection of the negotiation representatives of the other party, and each party may select its representatives from within or outside the area. It is recognized that no final agreement between the parties may be executed without ratification by a majority of the membership of the Association with the approval of the Ingham County Employees' Association, and approval by a majority of the Ingham County Board of Commissioners. The parties mutually pledge that representatives selected by each shall have the necessary power and authority to make proposals, consider proposals and make concessions in the course of negotiations, subject only to ratification approval as noted above.

Section 3. Application of Agreement. Any agreements negotiated shall apply to all members of the bargaining unit unless otherwise specified and shall be reduced to writing and signed by the authorized representatives of the department, the Association and the Ingham County Board of Commissioners.

Section 4. Negotiations or Special Conferences. The Employer agrees that Association members, engaged during their work shift in negotiations or Special Conferences on behalf of the Association with the Employer, during the term of this Agreement, shall be entitled to reasonable release time as needed without loss of salary. The number of Association members to be present at said meetings or negotiations are hereafter specified.

ARTICLE 6

REPRESENTATION

Section 1. Grievance Representation. Employees in each of the units shall be represented by a steward and alternate steward, respectively. The steward and alternate steward will be a member of the bargaining unit and their selection will be determined by the bargaining unit members. The Employer will recognize the steward and alternate steward as representatives of the Association in the administration of provisions of this Agreement and the grievance procedure. The Association will keep the Employer informed, in writing, of the name of the steward and alternate steward for the units.

A steward shall act in a representative capacity for the purpose of processing grievances for the employees in his/her unit. In the absence of the employee's steward or alternate steward, a steward or alternate steward from the other unit may be utilized for representation purposes, and if neither of these are available, then other ICEA stewards may be utilized.

Section 2. Negotiating Committee.

- A. PHN Unit. The bargaining committee of the Association's PHN unit will include not more than three (3) bargaining unit members and two (2) alternate bargaining unit members employed by the Employer. It may also include the President of the Ingham County Employees' Association, provided the President is not a member of this unit, and non-employee representative(s) of the Ingham County Employees' Association.
- B. Clinic Nurse Unit. The bargaining committee of the Association's Clinic Nurse Unit will include not more than three (3) bargaining unit members and two (2) alternate members employed by the Employer. It may also include the President of the Ingham County Employees' Association, provided the President is not a member of this unit, and non-employee representative(s) of the Ingham County Employees' Association.

Section 3. Professional Negotiations. Contract negotiation meetings between the parties may be held at times during the scheduled working hours of the Association's negotiating members. Up to two (2) employee members of the bargaining committee for each unit will be paid by the Employer for time spent in negotiation with the Employer, but only for the straight time hours they would otherwise have worked on the regular work schedule. For the purpose of computing overtime, time spent in negotiations shall be considered as hours worked to the extent of the regularly scheduled hours which otherwise would have been worked by the negotiating committee members.

Section 4. Time Off with Pay. Reasonable arrangements will be made to allow stewards time off with pay, with prior permission of their supervisor, during their regular working hours for the purpose of investigating grievances and to attend grievance meetings. Stewards shall have access to office premises for the purpose of investigation and adjusting any complaints and grievances by arranging with the respective division heads to visit such premises during regular working hours, but in no event shall the steward

interfere with the maintenance or discipline of the regular work being carried on in the department. The office premises may be used for grievance interviews. Stewards shall investigate and present the grievances to the Health Officer through the grievance procedure. In the event the steward is absent, an alternate steward may perform his/her functions, provided they have conformed with the above requirements in notifying the Health Officer, giving him/her reasonable time to adjust for their absences during such periods which they are investigating or processing grievance procedures.

Section 5. Facility Access. Representatives of the Association, after first notifying the Health Officer or his/her designated representative, may visit the areas of the Facility where the registered professional nurses they represent are located for the purpose of representing such nurses in accordance with this Agreement, provided that such visits occur at reasonable intervals during working hours and they do not interfere with the normal operations of the Facility.

Section 6. Correspondence. A copy of all correspondence from the ICEA Attorney or from his/her office, addressed to any elected official, the Health Officer, or Health Department Managers, shall be sent to the County Attorney. A copy of all correspondence from the County Attorney or his/her office addressed to any ICEA Executive Board Members, Officers, or PHN or CHN unit stewards shall be sent to the ICEA Attorney.

Section 7. County Information. The County Human Resources Director shall forward copies of the Administrative Services/Personnel Committee Agendas and those portions of the Agenda Packets that relate to the PHN or CHN Units to the ICEA. The Health Officer agrees to provide the ICEA with a copy of the Department's annual budget request, as submitted to the County Controller.

ARTICLE 7

GRIEVANCE PROCEDURE

Section 1. Statement of Purpose. The parties intend that the grievance procedure shall serve as a means for the peaceful settlement of disputes as they arise.

The parties seek to secure, at the earliest level possible, equitable solutions to complaints or grievances of nurses or groups of nurses. Both parties agree that proceedings under this Article shall be kept as informal and confidential as may be appropriate.

Section 2. Definitions. "Grievance" shall mean a complaint by a nurse or a group of nurses based upon an event, condition or circumstance under which a nurse works, allegedly caused by a violation, misinterpretation or discriminatory application of any provision of this Agreement. Any grievance filed shall refer to the specific contract provision or provisions alleged to have been violated, and it shall adequately set forth the facts pertaining to the alleged violation. It is the intent of this section that the nurse or nurses filing a grievance would apprise the Employer of the facts of the grievance.

Section 3. Steps in the Grievance Procedure.

Step 1. An employee with a grievance shall first discuss it with his/her immediate supervisor within eight (8) days of the date of occurrence or the date the employee should have known of the occurrence or the alleged violation. The discussion may also include the Association departmental representative. The immediate supervisor shall furnish an oral answer within five (5) days of the receipt of the grievance.

Step 2. If the answer of the Supervisor received in Step 1 is not satisfactory to the employee, he/she shall, within five (5) days of receipt of the answer in Step 1, submit the grievance in writing to the Health Officer. The written grievance shall be dated and signed by the grieving employee or employees. However, in the case of a group grievance, the grievance may be signed by the Union Steward and at least one (1) affected employee. The employee may furnish a copy of the grievance to the Union. A copy of the answer shall be furnished to the union departmental representative. The Health Officer shall give a written answer within five (5) days of receipt of the grievance.

Step 3. If the answer of the Health Officer received in Step 2 is not satisfactory to the employee, the Union departmental representative, within five (5) days thereafter, shall submit notice of appeal to the Human Resources Director.

Step 3A. The Human Resources Director, Health Officer, affected employee and Union representative shall meet within seven (7) work days after the submission of the grievance under Step 3. The Human Resources Director shall give a written answer within five (5) workdays following the meeting. If this answer is not satisfactory to the employee or the Health Officer, it shall be submitted within five (5) workdays after receipt of the answer to Step 4.

Step 4. The Administrative Services/Personnel Committee shall meet to discuss the grievance at the next regularly scheduled committee meeting, provided that said grievance is received by the Human Resources Director in writing at least five (5) workdays prior to the next meeting. The County Human Resources Director shall notify the Union and the aggrieved employee in writing at least four (4) days prior to the meeting. At this meeting, the Administrative Services/Personnel Committee will review the facts as they relate to the interpretation and application of this Agreement. The Administrative Services/Personnel Committee shall reply with its decision, in writing, no later than five (5) days following said meeting. If the decision of the Administrative Services/Personnel Committee is unsatisfactory to the Union, said dispute may be submitted within fifteen (15) days for arbitration in accordance with the procedures and rules of the American Arbitration Association.

Step 5. Arbitration.

1. Appeal to the Arbitrator. Any grievance which is not resolved at Step 4 of the grievance procedure may be submitted to arbitration, if the case is the type on which an arbitrator is empowered to rule. Arbitration shall be invoked by written notice to the Employer or the Association provided said written notice is submitted within fifteen (15) days after receipt of the answer in Step 4.

2. Selection of the Arbitrator. If a timely request for arbitration is filed by the Union, the parties to this Agreement shall select, by mutual agreement, one (1) arbitrator

who shall decide the matter. The Employer and the Union agree to use the following arbitrators on a rotating basis with arbitrator "A" being selected first.

- A. David Grissom
- B. Richard Kanner
- C. Barry Brown
- D. Mario Chiesa
- E. Robert Proctor

If the arbitrator up for selection is not available, the next arbitrator will be used. If none of the listed arbitrators are available, the Employer and the Union will attempt to agree on an impartial arbitrator. In the event the Employer and the Union are unable to agree on an impartial arbitrator, the arbitrator will be selected from a list of arbitrators submitted by the American Arbitration Association consistent with such Association's normal procedures. There shall be an open enrollment period prior to the effective implementation date, in order to allow employees to elect an option.

Effective January 1, 1996, the Employer will offer the following health insurance programs for all full-time employees and legal dependents. The lesser cost of Options 1, 3, and/or 4 above shall establish the benchmark for all Employer obligations, including but not limited to, the cash option payable directly to the employee as taxable income as provided in Section 8.

II. Post-1997 Ratification.

- A. Health Insurance Program. As soon as practicable after the ratification of this Agreement by both parties, the Employer

These benchmarks will increase by the same amount as the salary schedule is increased for the following years (1998 +3%, 1999 +3%). Increases in premium costs exceeding the benchmark will be shared 50/50 by the Employer and the employees with the employees' payment made through payroll deduction under the Section 125 Plan.

The parties will retain the Health Care Cost Containment Committee which will continue to meet on ways to reduce health care costs and to avoid and reduce potential co-pays of both the Employer and the employees. The Employer will provide the Association and the Committee new health care premium rates as soon as they are available.

In the event a health insurance program is agreed to between the Employer and another bargaining unit to be effective during the term of the parties' agreement (being prior to December 31, 1999), which health insurance program has lower employee co-pays or more expansive coverages at no additional cost to that bargaining unit's employees, then the Employer agrees to offer the same health insurance program to this ICEA unit. This agreement shall not be applicable to any health insurance plan received by a collective bargaining unit eligible for binding arbitration under 1969 PA 312, as amended.

Section 4. When Coverage Begins. An employee shall become covered upon completion of the required forms and upon acceptance of him/her by the insurance carrier as a participant. Section 5. Authorized Payroll Deductions. The employee shall be required to authorize payroll deductions for premium cost for any optional coverage involving an additional premium cost selected at any time.

Section 8. Double Coverage. An employee who is eligible for medical/hospitalization insurance via another source and who executes an affidavit to that effect may elect not to be covered by the medical insurance provided under this Article. The decision to waive coverage shall be made once per calendar year. A Waiver Agreement drafted by the Employer shall be executed by the employee. In the event the employee elects to forego medical insurance, the Employer shall pay an amount based upon the coverage for which the employee is otherwise eligible at the time of election (full family, two person, or single subscriber) directly to the employee as taxable compensation. The amounts payable, based on the applicable coverage as soon as practicable after ratification of this Agreement by both parties, for 1997, 1998, and 1999, shall be as follows:

Full Family	\$166.53
2-Person	\$142.74

Section 10. Alternative Plans. The Employer and the Association agree to negotiate on the addition of alternate health plans should the Employer so request of the Association or vice versa. However, such plans cannot be implemented without the mutual agreement of the parties.

In the event health insurance cost containment measures are identified following the date of ratification of this agreement, then the Association and the Employer agree to negotiate those measures so identified in good faith.

Retirees shall receive the same health coverage options as active employees, if available, with a benchmark as set forth in Article 16, including the increase in the benchmark as set forth in Article 16. Increases in premium costs which exceed the benchmark will be shared 50/50 by the Employer and the retiree on a monthly basis. Retirees can pay for their spouse's coverage under the conditions established by the County. If a coverage is no longer available, the retiree must select from what is available and pay the difference in cost, if any.

- C. In the event a retiree wishes to cover his or her spouse he/she may do so by prepaying the County the difference between the applicable two-person rate and the appropriate benchmark amount.

Section 4. Notwithstanding any contrary provision contained in this Article, the obligation of the Employer to pay for and provide retiree health insurance shall cease in the event that comparable health insurance is available to the retiree through another Employer or source, such as his/her spouse's Employer. Further, there shall be a requirement to coordinate with other available health insurances, Medicare, Medicaid, Federal insurance or any other health insurance which may be available in part or in total to the retired employee. All questions of eligibility shall be determined by the regulations and rules established by the carrier providing such coverage.

Retirees losing medical coverage from another source shall notify the County Personnel Department in time so that retiree can be re-enrolled the first of the month following their loss of alternate coverage.

The retiree shall apply for Medicare, Medicaid or similar Federal program benefits as soon as he/she is eligible. ARTICLE 25

LAYOFF AND RESIGNATION

Section 1. Notice. At least two (2) calendar weeks prior written notice of termination of employment shall be given to the Employer by an employee.

Section 2. Grant Positions. Many of the positions of employment covered by this Agreement are funded by either a Federal Grant, reimbursement by the State of Michigan, or a special fund with the Health Department budget. In the event that the funds being currently provided are terminated, all the positions funded by that source would be eliminated and lay offs will occur as provided in Section 4 below. Laid off grant employees may exercise contract bumping rights as provided in this Article. However, employees may not bump into a grant position unless they meet all grant requirements. The ICEA will be notified in writing prior to any termination or layoff.

Section 3. Hour Reductions. Within the sole discretion of the County, it may reduce the number of hours to be worked by the employees covered hereunder if the same is necessitated by a reduction of available funds in lieu of laying employees off.

However, if the reduction is in excess of ten (10) days, the affected employees shall have the option of exercising their bumping rights under Article 25.

Section 4. Layoff and Recall.

A. Clinic Nurse Unit. The following subsections apply to layoff and recall in the Clinic Nurse Unit:

- 1) In the event a reduction in personnel and/or positions is necessary, as determined by the Ingham County Board of Commissioners, layoffs will be by classification within a clinic according to the employee's seniority. Employees with identical seniority dates will be laid off in order of numerical value of their social security number, a higher number having the greater seniority. Seniority for purposes of the initial layoff is defined as length of service the employee has in the classification being reduced.
- 2) Bumping.
 - a. An employee laid off under Section 2 or 4 of this Article may, in lieu of layoff, bump an employee within the same or a lower salary grade within the same bargaining unit under the conditions set forth under this Article, provided he/she is qualified for the position being sought, as determined by the Department, and that they notify the Department, in writing, of their intent to exercise such bumping rights within three (3) days of receipt of their layoff notice.
 - b. Laid off employees may bump the least senior employee within their same salary grade within the same bargaining unit with less seniority with: (a) the same or lower status (i.e. full-time, part-time, special part-time); and (b) first within their own clinic and then in other clinics. Laid off employees may also bump the least senior employee with less seniority within the bargaining unit within a lower classification with: (a) the same or lower status (i.e. full-time, part-time, special part-time); and (b) first within their own clinic, and then in other clinics. Employees bumping within their own salary grade shall retain their step level. Employees bumping into a lower classification shall be placed at the same step in the new position as they held in their previous position.
 - c. Notwithstanding any provisions in this section to the contrary, employees of the EPSDT Assessors

and the Venereal Disease Control Assessors may not be bumped from their position by a senior employee.

- d. All employees that bump into a different classification, or to a position within a different Department clinic from which the employee was laid off, shall serve a four (4) week probationary period during which the Employer shall determine, in its sole discretion, the employee's ability to perform in the classification or position that the employee was bumped to. In the event an employee is determined by the Employer to not be satisfactorily performing within such classification or position, the employee shall then be returned to layoff status. The Employer's decision as to performance during this probationary period shall be final and shall not be subject to the grievance procedure.

3) Recall.

- a. When an opening occurs or when a new position is created in a classification from which employees have been laid off, or bumped, such laid off or bumped employees will be recalled to the classification in the order of their seniority, as defined in Section 5.
- b. When an opening occurs in a different classification, or when a new position is created, in the same salary grade, or in a lower salary grade, in the Department, laid off employees within the bargaining unit may be recalled in order of their seniority, as defined in Section 5, provided they are qualified to perform the work, as determined by the employer. Employees so recalled shall serve a probationary period in the new position as provided in Section 4-A(2)(d) above.
- c. Any laid off employee failing to report for work within five (5) working days of the mailing of notice from the Department to her/his last known address, by certified mail, as recorded in the Employer's files, or by such other later date specified in the notice, shall lose her/his seniority and be considered to have voluntarily resigned their employment.
- d. Employees on layoff shall notify the Personnel Department of their current address and/or

whereabouts within seventy-two (72) hours of layoff and immediately subsequent thereto of any changes in address in order to afford the Personnel Department the ability to notify said employee of recall. Failure to do so by the employee shall constitute a waiver by the employee of the employee's right to recall.

B. Public Health Nurse Unit. The following subsections apply to layoff and recall in the PHN Unit:

- 1) In the event that a reduction in personnel and/or position is necessary, as determined by the Ingham County Board of Commissioners, layoffs will be by classification according to employee's seniority. Employees with identical seniority dates will be laid off in order to numerical value of their social security number, a higher number having the greater seniority. Seniority for purposes of the initial layoff is defined as length of service the employee has in the classification being reduced.
- 2) Bumping.
 - a. An employee laid off under Section 2 or 4 of this Article may, in lieu of layoff, bump an employee within a lower salary grade within the same bargaining unit under the conditions set forth under this Article, provided he/she is qualified for the position being sought, as determined by the Department, and that they notify the Department, in writing, of their intent to exercise such bumping rights within three (3) days of receipt of their layoff notice.
 - b. Laid off employees may bump the least senior employee with less seniority within the bargaining unit within a lower classification with the same or lower status (i.e. full-time, part-time, special part-time). Employees bumping into a lower classification shall be placed at the same step in the new position as they held in their previous position.
- 3) Recall.
 - a. When an opening occurs or when a new position is created in a classification from which employees have been laid off, or bumped, such laid off or bumped employees will be recalled to the classification the order of their seniority, as defined in Section 5.

- b. When an opening occurs in a different classification, or when a new position is created, in the same salary grade, or in a lower salary grade, in the Department, laid off employees within the bargaining unit may be recalled in order of their seniority, as defined in Section 5, provided they are qualified to perform the work, as determined by the Employer. All employees that are recalled into a different classification from which the employee was laid off, shall serve a four (4) week probationary period during which the Employer shall determine, in its sole discretion, the employee's ability to perform in the classification or position that the employee recalled to. In the event an employee is determined by the Employer to not be satisfactorily performing within such classification or position, the employee shall then be returned to layoff status. The Employer's decision as to performance during this probationary period shall be final and shall not be subject to the grievance procedure.
- c. Any laid off employee failing to report for work within five (5) working days of the mailing of notice from the Department to her/his last known address, by certified mail, as recorded in the Employer's files, or by such other later date specified in the notice, shall lose her/his seniority and be considered to have voluntarily resigned their employment.
- d. Employees on layoff shall notify the Personnel Department of their current address and/or whereabouts within seventy-two (72) hours of layoff and immediately subsequent thereto of any changes in address in order to afford the Personnel Department the ability to notify said employee of recall. Failure to do so by the employee shall constitute a waiver by the employee of the employee's right to recall.

Section 5. Seniority for Layoff and Bumping.

- A. Clinic Nurse Unit. The following subsection applies to seniority for layoff, recall and bumping in the Clinic Nurse Unit:

Seniority, for the purpose of bumping to a different classification within the Clinic Nurse Unit, or for recall, is defined as an employee's continuous length of service in any classification(s) or Department(s) with Ingham County or any

Ingham County Courts and within any represented or non-represented unit. Seniority for the initial layoff or bumping in the same classification shall be defined as an employee's time in that classification.

- B. Public Health Nurse Unit. The following subsection applies to seniority for layoff, recall and bumping in the Public Health Nurse Unit:

Seniority, for the purpose of bumping to a different classification within the Public Health Nurse Unit, or for recall, is defined as an employee's continuous length of service in any classification(s) or Department(s) with Ingham County or any Ingham County Courts and within any represented or non-represented unit. Seniority for the initial layoff or bumping in the same classification shall be defined as an employee's time in that classification.

- C. Unused sick leave which was earned prior to the layoff will be retained. Unused vacation which was earned prior to the layoff may be either paid to the employee in a lump sum upon layoff, or, at the employee's option, may be used prior to receipt of unemployment. Vacations, sick leave, and other fringe benefits will not accumulate while an employee is on layoff up to a maximum period of either thirty (30) months, or a time period equal to the employee's seniority with the county upon commencement of such layoff, whichever time period is less; and thereafter, seniority shall be lost.

Section 6. Notice of Layoff and Recall.

- A. The laid off employee and the Union President shall be given at least fifteen (15) working days' prior notice of the layoff. Notice will be given to the employee in writing or sent by certified mail to the employee's last known address in the personnel file. The requirements in this Section 6, A, shall not apply to employees being laid off due to being bumped. The Union President shall be given copies of recall notices at the same time that the notice is mailed to the employee.
- B. A bumped employee shall have the same rights as the laid off employee and, seniority permitting, may bump a less senior employee as provided in this Article. Bumped employees must be given at least two and one-half (2 and 1/2) working days' notification that they shall be laid off through the bumping process prior to such layoff.

Section 7. Voluntary Layoffs. When faced with a layoff, the Employer may, prior to the enactment of the above provisions, solicit voluntary layoffs by seniority from members of the bargaining unit. In requesting such volunteers, the Employer shall state, with certainty at the time of solicitation, the length of such layoff. If an employee should

volunteer for such layoff for the time specified by the Employer, and the layoffs should extend beyond the time period so specified, the employee(s) in question shall be recalled and, if necessary, layoff activities will proceed in the manner outlined above in this Article.

Section 8. Bumping Limitations. Full-time employees may bump less senior part-time employees, but part-time employees may not bump full-time employees. Further, employees cannot bump into a position that requires special training or qualifications unless they have the special training or qualifications.

The foregoing bumping procedure shall not be applicable to cases of temporary layoffs that do not exceed ten (10) working days.

ARTICLE 26

EDUCATIONAL REIMBURSEMENT

Section 1. Reimbursement Policy. The purpose of this policy is to establish a written, uniform policy and procedure throughout the County to handle requests for reimbursement for tuition, books, and related supplies. Ingham County has long maintained a tuition refund plan to allow eligible, interested employees financial support in encouraging them to participate in furthering their education outside of work hours. The County will reimburse an employee for tuition costs and other charges, subject to the availability of funds within the Department's budget. In order for an employee to be eligible for reimbursement, he/she must receive prior written approval from the Health Officer; take an eligible course(s) at a recognized school; and follow the application process that is outlined below. Part-time employees shall be eligible for fifty percent (50%) educational reimbursement.

Section 2. Procedure.

- A. The employee must complete the Tuition Reimbursement Request Form and secure approval from the Health Officer and Human Resources Director **PRIOR** to taking a course. It is recommended that the employee confer with the Health Officer regarding his/her educational plan. In order for a course to be eligible, the course must be taken at an approved school. The course must also be related to the employee's present position in the County or is a required course leading to a degree related to the employee's present position.
- B. **AFTER** the employee completes the course, he/she must complete the bottom half of the Tuition Reimbursement Request Form and have the Health Officer and the Human Resources Director approve payment. The reimbursement shall be limited to registration fees, tuition, and laboratory fees and books. Reimbursement requests must be supported by proof of completion with a passing mark and an itemized paid receipt. Under no circumstance will the County reimburse an employee for tuition paid by veterans' benefits, scholarships,

student or other grant programs. The County's maximum reimbursement in those cases will be limited to the difference between the total cost and the amount reimbursed from other sources. The completed Tuition Reimbursement Request Form must be signed by the Health Officer and Human Resources Director and forwarded to the Financial Services Department for payment.

- C. In the event the Human Resources Director does not approve the payment for courses taken or rejects payment for any reason, the employee may appeal his/her decision to the Administrative Services/Personnel Committee.
- D. This policy shall not effect or supersede previously approved policies with respect to the CETA program or other grant programs.

Section 3. Time Worked. Jury duty shall be considered as time worked.

Section 4. Other Judicial Proceedings. ARTICLE 29

Any such recommendations shall be considered by the Department before instituting such training.

Section 2. Training Pay. Nurses may attend the training sessions without pay. Those nurses required by the Employer to attend will be paid for such time as worked. Nurses that receive prior approval for compensation from the Department will be paid for training sessions that would otherwise be scheduled work hours. Section 3. Disciplinary Action. The Employer shall have the right to discipline or discharge any employee participating in any of the above stated interferences, and the Association agrees not to oppose such action. It is understood, however, that the Association shall have recourse through the grievance procedure as to matters of fact in the alleged actions of such employees.

Section 4. No Lockout. The Employer will not lock out any employees during the term of this Agreement.

ARTICLE 31

Seniority, for the purpose of bumping to a different classification, or for recall, is defined as a employee's continuous length of service in any classification(s) Department(s) with Ingham County or any Ingham County Courts and within any represented or non-represented unit.
- C. Seniority for all other purposes shall mean continuous length of service as an employee in any classification(s) or Department(s) with Ingham County or any Ingham County Courts and within any represented or non-represented unit. The application of seniority shall be as applied to the terms and conditions contained in this Agreement. Employees who are hired on the same date shall be placed on the seniority list as determined by adding up all of the numbers of the employee's social security number, the highest having the greater seniority. Each number shall be considered as a single number.
- D. "Anniversary date" is the date used to determine length of employment within a specific classification. An employee is assigned an anniversary date upon a promotion or reclassification. Anniversary date is used if an employee is reclassified or promoted to determine the date for subsequent step increases.
- E. "Date of hire" for purposes of step increases only, shall mean the date an employee commences in a full or part-time position in a classification under this Agreement. The use of "date of hire" is not used for reclassification or promotion purposes regarding step increases.

Section 2. Seniority List. The Employer shall prepare and maintain a seniority list which shall list the name, classification, anniversary date, and seniority date of each employee. The Employer shall submit the seniority list to the Association Treasurer and Association General Counsel on a quarterly basis.

Section 3. Loss of Seniority/Employment. An employee shall lose his/her seniority and job for any of the following reasons:

- A. He/she voluntarily resigns;
- B. He/she is discharged for just cause and not reinstated;
- C. He/she retires;
- D. He/she is laid off for a period greater than their seniority or thirty (30) months, whichever is less;
- E. He/she is absent from work for three (3) consecutive working days without notification to the Employer and without acceptable excuse for not notifying the Employer;
- F. He/she fails to return to work upon recall from layoff;
- G. He/she fails to return to work after expiration of leave of absence; and
- H. He/she makes an intentionally false statement on his/her employment application or on an application for leave of absence or any other employment record or form.

RECLASSIFICATIONS

Section 1. Reclassifications. Reclassifications shall be conducted once a year on a time table allowing presentation to the Administrative Services/Personnel Committee by its first meeting in August. Requests for reclassifications, if any, may then be presented to the Board of Commissioners for final decision. Prior to submission to the Board of

Commissioners, requests for reclassifications, if any, may be reviewed by the Finance Committee.

In the event that certain requests for reclassifications are approved, the same will become effective, if funds are available, within the pay period following the Board of Commissioners meeting or the start of the next budget year. The Finance Committee has sole discretion to determine whether or not funds are available for this purpose.

Any position which has been reclassified through this process shall not be considered for the reclassification procedure for two (2) years.

Section 2. Procedure for Positions Covered by Union Agreement.

- A. Department heads will discuss reclassification requests with the employees at either the request of the supervisor or the employee.
- B. A meeting will be held between the department head, a Union representative and a member of the Personnel Department staff to discuss the reclassification proposal. The employee may attend if he/she desires.
- C. A majority of the above-stated persons (excluding the employee) must vote to have the proposal forwarded to the Administrative Services/Personnel Committee.
- D. The Personnel Committee will hear the forwarded proposals and may make recommendations to the Finance Committee and the Board of Commissioners to reclassify said employee.
- E. In order for the reclassification to be heard on the above-stated time table, reclassification requests must be submitted no later than March 1 of each year to the department head.
- F. The Board of Commissioners, within its sole discretion, shall make the final determination if an employee is to be reclassified.

It is expressly understood and agreed that the decision made by the Board of Commissioners is not subject to any grievance procedure contained in this collective bargaining agreement.

Section 3. Time Table for Reclassifications. Effective after the 1996 reclassifications, the current reclassification Article will be considered void and there will be no further reclassifications through this contractual procedure except through the negotiation process for a successor agreement. The parties agree to negotiate reclassifications and pay grade levels for the contract beginning in the year 2000 and every two years thereafter.
