2. The bargaining unit consists of all regular, full-time employees of the Sheriff's Department of the County of Ionia who occupy any of the classifications set forth in Appendix A attached hereto.

ARTICLE 2 - MANAGEMENT RIGHTS

The Employer reserves and retains, solely and exclusively, all rights to manage and direct its work force and shall have the sole and exclusive right to manage its department and divisions in all of its operations and activities. Among the rights of management, included only by way of illustration and not by way of limitation, is the right to hire; the right to determine all matters pertaining to the services to be furnished and the methods, personnel, procedures, means, equipment, and machines required to provide such service; to determine the nature and number of facilities and departments to be operated and their location; to establish classifications of work and the number of personnel required; to direct and control operations; to discontinue, combine, or reorganize any part or all of its operations; to maintain order and efficiency; to adopt, modify, change or alter its budget; and in all respects to carry out the ordinary and customary functions of management. The Employer shall also have the right to promote, assign, transfer, suspend, discipline, demote, discharge, layoff and recall personnel; suspension, discipline and discharge shall be for just cause for non-probationary employees; to establish, amend, supplement or delete work rules and regulations; to make judgments to ability and skill of employees; to establish and change reasonable work schedules; to provide and assign relief personnel; to schedule overtime, to continue and maintain its operation as in the past, or to modify or eliminate same, provided, however, that these rights shall not be exercised in violation of any specific provision of this Agreement. The Employer retains the sole and exclusive right to establish and administer without limitation, implied or otherwise, all matters not specifically and expressly limited by this Agreement.

ARTICLE 3 - MANAGEMENT SECURITY

The parties mutually recognize that the services performed by the employees covered by this Agreement are services essential to the public health, safety, and welfare. The Union, therefore, agrees that there shall be no interruption of these services, for any cause whatsoever, by the employees it represents nor shall there be any concerted failure by them to report for duty nor shall they absent themselves from their work, stop work or abstain in whole or in part from the full, faithful, and proper performance of the duties of their employment or picket the Employer's premises. The Union further agrees that there shall be no strikes, sit-downs, slow-downs, stay-ins, stoppages of work or any acts that interfere in any manner or to any degree with the services of the County of Ionia as long as this contract is in force.

ARTICLE 4 - UNION BARGAINING COMMITTEE

1. The bargaining committee of the Union will include not more than three (3) representatives, two (2) of whom shall be members of the Union and one (1) shall be a non-member, who shall be designated by the Union.

2. Should a negotiation session be scheduled during the on-duty hours of a Union member, the bargaining member shall be paid his straight time rate for all on-duty hours spent in that negotiating session. He shall also be credited with the number of hours spent in bargaining during his scheduled on-duty hours as time worked during his tour of duty for that day.

ARTICLE 5 - UNION SECURITY AND CHECKOFF

1. The Employer agrees to deduct from the salary of each individual employee in the bargaining unit who voluntarily becomes a member, the Union's dues subject to all of the following:

- a. The Union shall obtain from each of its members a completed checkoff authorization form which shall conform to the respective state and federal laws concerning that subject or any interpretations made thereof.
- b. All checkoff authorization forms shall be filed with the Employer who may return any uncompleted or incorrectly completed form to the Union's Treasurer and no checkoff shall be made until such deficiency is corrected.
- c. All other employees covered under this Agreement who do not voluntarily choose membership in the Union shall have deducted from their wages a percentage of the membership dues which sum shall be less than one hundred (100%) percent of said dues and which sum shall accurately represent the amount for said employee due the

Union as their fair share of costs attributable to negotiating the terms of this Agreement, which sum shall not include, by way of example, but not by way of limitation, state, national, or other dues and assessments or other amounts for other Union activities.

- d. The Employer shall checkoff only obligations which come due at the time of checkoff, and will make checkoff deduction only if the employee has enough pay due to cover such obligation, and will not be responsible for refund to the employee if he has duplicated a checkoff deduction by direct payment to the Union.
- e. The Employer's remittance will be deemed correct if the Union does not give written notice to the Employer within two (2) calendar weeks after a remittance is sent, of its belief, with reasons stated therefore, that the remittance is incorrect.
- f. Any employee covered by the terms of this Agreement may join or terminate membership in the Union by written notice to the Employer and the amount owing the Union shall reflect accordingly with the next payment from the employee due the Union.
- g. The Union shall provide at least thirty (30) days written notice to the Employer of the amount of Union dues and/or representation fee to be deducted from the wages of the County employees as in accordance with this Article. Any change in the amounts determined will also be provided to the Employer at least thirty (30) days prior to its implementation.
- h. The Union agrees to indemnify, defend, and save the Employer harmless against any and all claims, suits, or other forms of liability arising out of its deduction from an employee's pay of Union dues and representation fees or in reliance on any list, notice, certification, or authorization furnished under this Article. The Union assumes full responsibility for the disposition of the deductions so made, once they have been sent to the Union.

ARTICLE 6 - GRIEVANCE PROCEDURE

1. For the purposes of this Agreement, a "grievance" is defined as an alleged violation of the specific terms of this Agreement by an employee or the Union.

2. All grievances shall be in writing and shall include: time, date, the alleged contractual violation or written rule or regulation that is the basis of the grievance, the facts that gave rise to the grievance, the remedy desired, and the signatures of the Grievant and the Union representative.

Step 1. Grievances shall be presented promptly, and in all cases, no later than seventy-two (72) hours after the date the grievance occurred, or seventy-two (72) hours from the time the employee should have reasonably known he had grounds for a grievance.

The grievance shall first be presented to the employee's immediate supervisor (not, however, a bargaining unit employee). The employee's immediate supervisor shall acknowledge receipt of the grievance with his signature and by entering the time and date received. A copy of the acknowledged grievance shall be returned to the Grievant or his representative.

The employee's immediate supervisor shall give his written answer within seventy-two (72) hours after receipt of the grievance.

Step 2. If the answer in Step 1 is unsatisfactory, the Grievant and the Union may, within three (3) days from receipt of the Step 1 answer, appeal the matter to the Sheriff. This appeal must be signed by the Grievant and the Union. The Sheriff shall give his written answer within seventy-two (72) hours after receipt of the appealed grievance.

Step 3. If the answer in Step 2 is unsatisfactory to the Grievant, the Grievant and the Union may within three (3) days from receipt of the Step 2 answer, appeal the matter to the Law Enforcement Committee of the Ionia County Board of Commissioners. This appeal must be signed by the Grievant and his Union representative. Decisions made by the Sheriff or his designee regarding discipline may not be changed by the Law Enforcement Committee.

The Law Enforcement Committee shall as soon as reasonably possible but no later than twelve (12) days after receipt of this appeal by the Chairman of the Law Enforcement Committee in the case of appeals involving suspension or discharge and thirty (30) days in all other cases, schedule a meeting to hear the dispute and render a

written decision. (This period shall not include Saturdays, Sundays, or holidays) . This meeting shall, at the option of the Union, include or not include its non-Union member.

Any decision rendered by the Law Enforcement Committee, that is satisfactory to the Grievant, shall be final and binding upon the Union and upon all concerned and involved County Officials, either elected or appointed, including, but not limited to, the Sheriff, the Undersheriff, and any of their designated representatives excluding disciplinary matters.

Step 4. If the decision of the Law Enforcement Committee, or the Sheriff on disciplinary matters, is unsatisfactory to the Union it may appeal the matter to arbitration.

Within seven (7) days from receipt of the decision of the Law Enforcement Committee, the Union shall file a request in writing for arbitration with the Federal Mediation and Conciliation Service. A copy of such request shall be given to the Sheriff and the Law Enforcement Committee. Upon receipt of the list of arbitrators from the Federal Mediation and Conciliation Service, the parties shall attempt to choose an arbitrator by mutual agreement.

If the parties do not agree, the arbitrator shall be selected by the parties alternately striking a name from the list until only one (1) name remains, which person shall be selected as arbitrator. The arbitration panel shall include only names of arbitrators within a 100-mile radius of the City of Ionia.

3. Election of Remedies. When remedies are available for any complaint and/or grievance of an employee through any administrative or statutory scheme or procedure, such as, but not limited to, a veteran's preference hearing, civil rights hearing, or Department of Labor hearing, in addition to the grievance procedure provided under this contract, and the employee elects to utilize the statutory or administrative remedy, the Union and the affected employee shall not process the complaint through any grievance procedure provided for in this contract. If an employee elects to use the grievance procedure provided for in this contract and, subsequently, elects to utilize the statutory or administrative remedies, then the grievance shall be deemed to have been withdrawn and the grievance procedure provided for hereunder shall not be applicable and any relief granted shall be forfeited.

4. The arbitrator shall have no power to amend, add to, alter, ignore, change, or modify any provisions of this Agreement or the written rules or regulations of the Department, and his decision shall be limited to the application or interpretation of the above, and to the specific issue presented to him. However, within the limitations of this provision, the arbitrator shall have the power to award the remedies he considers appropriate to the circumstances.

The arbitrator shall render his decision in writing as soon after the hearing as possible, and the fee and expenses of the arbitrator shall be borne equally by the parties hereto.

The decision of the arbitrator shall be final and binding upon the parties, including the Union, its members, the employees involved, the County and its Officials, the Board of Commissioners, the Sheriff, and their designated representatives.

5. Time limits set forth in this grievance procedure shall be strictly adhered to unless such time shall be extended by mutual written agreement of the parties. Saturdays, Sundays, and holidays shall not be counted for the purposes of submitting written grievances or written decisions. If a time limit is not met in the filing of an appeal of a grievance to the next step, the grievance shall be considered settled on the basis of the decision set forth in the last completed step.

ARTICLE 7 - HOURS AND RATES OF PAY

1. Full-time employees covered hereby will be scheduled to work an average of eighty (80) hours per two week pay period. Such hours shall include one (1) lunch break and two (2) coffee breaks, the coffee breaks to be taken in each half of the work shift. Fifteen (15) minutes of the lunch period for corrections officers (including sergeants and lieutenants) will be unpaid. The regular schedule for personnel in all other classifications covered by this Agreement shall be an overall eight (8) hour day which shall include a one-half hour unpaid lunch period of such employee is permitted to leave the building during that time and a one-half hour paid lunch period for those who are not permitted to leave the building during that time. All employees will be in uniform (if uniformed) and ready to begin work at the start of their shift.

The Sheriff, at his discretion, may schedule eight (8) hour, ten (10) hour, or twelve (12) hour workdays in the normal workweek.

2. It is anticipated that the needs of the Department may require an Officer to work overtime. Overtime must be directed and authorized by the Sheriff, or his authorized representative. It does include Sheriff mandated training sessions, consultations with prosecuting officials, and signing of complaints.

Officers who work overtime shall be compensated according to the following: the Sheriff shall have the option of (1) paying the overtime at the rate of time and one-half (1-1/2) the regular hourly rate, or (2) providing compensatory time off at the rate of time and one-half (1-1/2) off for each hour of overtime worked.

Overtime for officers and clerks shall be divided and rotated as equally as possible on an annual basis. For the purpose of this provision, any time not worked because the employee was unavailable, or did not choose to work, will count as hours worked for the purpose of equalization.

If the Sheriff authorizes two week work periods for jail officers, sergeants, and/or lieutenants of a 36 hour work week followed by a 44 hour work week or vice-versa, then eighty (80) hours in each fourteen (14) consecutive day work period shall constitute a regular work period for all jail officers, sergeants, and lieutenants working the 36/44 hour schedule, in accordance with Section 207(K) of the Federal Fair Labor Standards Act [29 USC 207(K)]. Time and one-half shall then be paid or compensatory time off at the rate of time and one-half for all hours worked over eighty (80) hours in any fourteen (14) consecutive days work period for these. For purposes of computing overtime, holidays, vacation days, funeral leave, and sick time designated in this contract shall be considered as time worked, provided that time falls within the regular scheduled work period. Thus, for example, when an employee works thirty-six (36) hours one week and the next week works forty-four (44) hours that employee will not be paid overtime.

3. Employees covered hereby who are called back to work after having completed their tour of duty for the day for reasons other than times spent in court testifying, time spent signing complaints and official documents or writing reports, and attending previously scheduled meetings, shall receive a two (2) hour minimum call back payment.

4. A monthly work schedule showing the normal work days for every member of the bargaining unit shall be posted by the 15th day of the preceding month. Employees shall be scheduled for the same shift per each quarter. The schedule may be changed for scheduling of training, court appearances of two (2) or more days, staffing shortages, or emergencies. Employees may change scheduled days off after the schedule has been posted with permission of the Sheriff.

5. Payments for overtime or call back time shall not be duplicated for the same hours worked as herein provided.

6. An off -duty employee in the bargaining unit, when required to appear in court for official Ionia County business, shall receive a minimum of two (2) hours pay at the employee's regular straight time hourly rate of pay. Any time over the minimum stated time shall be paid at the rate of time and one-half (1-1/2) the employee's regular rate of pay. An off-duty employee in the bargaining unit, for the purposes of this provision, is one who is not scheduled to work during the same hours he is to be in court.

Employees in the bargaining unit required to testify in court shall not be entitled to witness fees, but shall be entitled to mileage if required to use their own car other than driving to work on duty days.

7. Any overtime and/or call back time worked by an employee without prior authorization of the Sheriff or his designee will not be compensated for by the terms of this Agreement, it being specifically noted that the authorization of any overtime is discretionary with the Sheriff or his designee.

ARTICLE 8 - LONGEVITY

Persons hired after June 1, 1986, are not eligible for longevity pay.

An employee hired prior to June 1, 1986, who received longevity pay in December, 1987, under a prior contract provision will continue to receive longevity pay, but the amount of such longevity pay will not be greater than the dollar amount paid to that employee for longevity pay in 1987. Longevity payments will be made on the first payday in December of each year.

ARTICLE 9 - LIFE INSURANCE

The Employer will pay the premiums to provide the full-time employees covered by this Agreement who have not attained the age of 65 with life insurance of \$10,000 and accidental death insurance of \$20,000. (Benefit amounts described above in this paragraph reduce after a participant attains age 65). Details of the life insurance may be obtained from the County Clerk's office.

ARTICLE 10 - RETIREMENT BENEFITS

The Employer may continue the current retirement plan, or a similar plan with a different administrator, or may substitute a defined contribution plan. The Employer will agree to meet with the Union to explain any defined contribution plan it decides to substitute for the current defined benefit plan.

When an employee completes the probationary period, he shall be entered on the seniority list from the most recent date of hire. If two (2) or more employees are hired on the same date, seniority ranking shall be determined by drawing names from a hat. There shall be no seniority among probationary employees. The application of seniority shall be limited to the preferences and benefits specifically recited in this Agreement.

2. The Employer shall maintain a roster of employees, arranged according to seniority showing name, position class, and seniority date, and shall furnish a copy to the Union the first month of each year or as soon as practicable the first year.

A probationary employee may be discharged at any time by the Sheriff in his sole discretion, and such discharge shall not be subject to the grievance procedure. If the Sheriff, in his discretion, determines he needs additional time to evaluate a probationary employee's performance, he may extend the probationary period for up to an additional six (6) months. If the Sheriff determines to extend the probationary period, he will provide the employee a written statement of the reasons for the extension.

ARTICLE 14 - NEW OR CHANGED JOBS

If a new classification is established within the unit, the Employer will notify the Union prior thereto. The rate for such job shall be subject to collective bargaining.

In the event a new position is created or a job opening occurs within the bargaining unit, the employees will be given an opportunity to transfer on the basis of qualifications, ability to perform the work, and seniority.

Probationary employees within the affected classification shall be laid off first, then employees with the least seniority in that classification shall be laid off, provided, however, the senior employee retained is qualified, has the ability to perform the work, and can work the schedule required. An employee who is laid off from his classification (Appendix A) will be permitted to displace an employee in another classification (Appendix A) with less seniority provided he is qualified (in the Employer's judgment) and can work the schedule required.
3. An employee who is laid off will have his name remain on the recall list for a period of time equal to his seniority at the time of his layoff or eighteen (18) months, whichever is lesser. Employees shall be recalled from layoff or shall be restored to positions from which demoted in the Department before other persons are selected for employment or promotion in those ranks.

4. Employees to be recalled from layoff shall be given a minimum of five (5) calendar days to respond after notice has been sent by certified mail to their last known address. Employees who decline recall or who, in absence of extenuating circumstances, fail to respond as directed within the time allowed, shall be presumed to have resigned and their names shall be removed from seniority and preferred eligible lists.

5. Employees to be laid off indefinitely are to be given at least one (1) calendar week prior notice.

2. Unused sick leave credit shall be cumulative to a maximum of seven hundred, twenty (720) hours. After accumulation of seven hundred, twenty (720) hours, an employee will be credited with additional sick leave as provided in Section 1, and any additional sick time so credited to that employee and not used will be paid at one-half (1/2) on the employee's next anniversary date to reduce the accumulation down to seven hundred, twenty (720) hours.

3. An employee eligible for sick leave may use such leave upon approval of the Sheriff for absence due to the employee's illness or injury. An employee taking sick leave shall inform his immediate superior of the fact and the reason thereof as soon as possible,

and failure to do so within a reasonable time may be cause for denial of pay for the period of absence. The Sheriff may require proof of medical treatment when he deems it appropriate.

4. Absence for a fraction or a part of a day that is chargeable to sick leave in accordance with these provisions shall be charged proportionately in an amount not less than two (2) hours.

5. Unused sick leave shall be paid upon the retirement, resignation or dismissal of the employee from service of the Employer at the rate of one-half (1/2) the annual pay, based upon the previous January 1.

The prescription drug program is \$5.00 co-pay. Effective April 1, 1995, employees wishing health insurance coverage will contribute Ten Dollars (\$10.00) per month toward the cost of such coverage. The Employer reserves the right to select or change insurance carriers, provided the level of benefits is substantially equivalent. In the event of any change in carriers, the Employer will advise the Union in advance and meet with the Union representative, upon request, to explain the changes. Such meeting, if requested, will be scheduled before the changes are put into effect.

2. Employees who are eligible for the health insurance benefit and have elected, in writing, not to participate shall be entitled to a taxable insurance option payment in the amount of Five Hundred Dollars (\$500.00) after each twelve consecutive month period of non-participation. 4. Vacations may be taken at any time during the year, however, they are subject to scheduling according to the needs of the Department. Vacation requests must be filed in writing with the Sheriff at least thirty (30) days in advance of the schedule being posted. If more employees request the same vacation time off than can be spared, seniority shall prevail.

5. If requested by the Sheriff, an employee may, at his option, accept pay in lieu of vacation time off. However, every employee must take at least fifty (50%) percent of his earned vacation time actually off.

6. If an employee quits the service of the Employer after completing at least one (1) full year of continuous full-time service, he will receive vacation pay according to the

above plan. However, said employee must leave in good standing and give the Employer at least two (2) weeks notice of his intent to leave. In case of death, the vacation money will be paid to the spouse or family of the deceased employee.

7. Scheduled days off may be taken with vacations.

8. An employee going on vacation who so requests, shall be paid in advance and shall make a pay assignment to the Sheriff in consideration thereof. Pay advances shall be for only that amount of vacation time actually to be taken, less any obligations.

ARTICLE 21 - FUNERAL LEAVE

1. If a death occurs among members of an employee's immediate family, the employee will be excused from work for twenty-four (24) work hours without loss of pay.
