ARTICLE II
PURPOSE

A. This Agreement is negotiated pursuant to the Public Employment Relations Act No. 336 of the Public Acts of 1947, as amended, to establish the terms and conditions of employment for the members of the bargaining unit herein defined.

B. The Board and the Association recognize the importance of orderly and peaceful labor relations for the mutual interest and benefit of the Board, Bargaining Unit Members, the Association and most importantly the continuity and the quality of the education provided to the students of the Johannesburg-Lewiston Area Schools. The Board and the Association further recognize the mutual benefits of just and expeditious resolution of disputes which may arise as to the proper interpretation and implementation of this Agreement or of policies or regulations of the Board that are in conflict with this Agreement; and accordingly, have included herein a grievance procedure for the effective processing and resolution of such disputes.

C. The provisions of this Agreement shall constitute a binding obligation of the parties for the duration hereof or until changed by written, mutual consent. The parties agree that their undertakings in this Agreement are mutual. Any previously adopted policy, rule, or regulations of the parties which contradicts an express provision of this Agreement shall be superseded and replaced by this Agreement.

ARTICLE III

RECOGNITION

A. Pursuant to and in accordance with all applicable provisions of said Act 336 of Public Acts of 1947 of Michigan, as amended, the Board of Education of the Johannesburg-Lewiston Area Schools does hereby recognize the Association as the exclusive representative for the purpose of collective bargaining in respect to rates of pay, wages, hours of employment and other conditions of employment for the term of this Agreement of all employees of the Board included in the bargaining unit as described below:

All full-time and regularly scheduled part-time: secretaries, aides, cooks, bus drivers, and custodial maintenance personnel excluding 'supervisors' as defined by the Michigan Employment Relations Commission and excluding specifically as a supervisor the position of "Maintenance Supervisor," "Transportation Supervisor," "Food Services Director", and further excluding 'confidential employees' as defined by the Michigan Employment Relations Commission, and excluding specifically as a confidential employee the position of "Secretary to the Superintendent of Schools" and further excluding all other 'temporary replacement' employees, and excluding all other employees. A temporary replacement shall become a full time employee after one continuous year's employment.

B. Unless otherwise indicated, the term "Employee" when used hereinafter in this Agreement shall refer to all members of the above defined bargaining unit represented by the Johannesburg-Lewiston Educational Support Personnel Association, Michigan Educational Support Personnel Association, Northern Michigan Education Association, National Education Association (JLESPA/MEA/NMEA/NEA) (and only to such persons).

ARTICLE IV

EXTENT OF AGREEMENT

A. This Agreement shall constitute the full and complete commitment between both the Board and the Association and may be altered, changed, added to, deleted from, or modified only through the voluntary, mutual consent of these parties in the form of a written and signed amendment to this Agreement.

B. This Agreement shall supersede any rules, regulations or practices of the Board which shall be directly contradictory to explicit provisions to this Agreement.

ARTICLE V

ASSOCIATION RIGHTS

The Association shall have in addition or in conjunction with other rights herein set forth or provided by statute, the following rights:

A. Special conferences for important matters will be arranged between the Association President and the designated representative of the Board upon the request of either party, to be scheduled according to their mutual convenience. Requests for such meetings shall be in writing and shall state explicitly the proposed topics for discussion at such conference.

B. The Association shall have the rights of access to a bulletin board, or section thereof; in each school building for the purpose of posting JLESPA/MEA/NMEA/NEA materials. The Association shall also have the right of using the existing inter-school district mail system including internet and e-mail to distribute JLESPA/MEA/NMEA/NEA material. Either of these rights may be revoked by the Board only if the Association exercised the rights for purposes unrelated to the Johannesburg-Lewiston Area Schools or to urge illegal conduct by Association members.

C. The Association shall have the right of reasonable use of school equipment, including typewriters, computers (e-mail and internet), and other duplicating equipment during time when classes are not in session and with the express prior permission of the administrator responsible for such equipment. Association members shall use non-duty time when exercising this right of reasonable use of school equipment. The Association shall pay for the cost of all materials and supplies incident to such use and shall be responsible for proper operation of all such equipment and shall be liable for any damages caused to said equipment by improper use by individuals using it for Association business. These rights may be revoked by the Board only if the Association exercised the rights for purposes unrelated to the Johannesburg-Lewiston Area Schools or to urge illegal conduct by Association members.

D. The Association shall have the right of using school facilities for meeting at times when such facilities are not otherwise in use and upon the express prior permission of the administrator responsible for such facilities. The Association shall be responsible for proper use of all facilities, including leaving them in the same condition as they were prior to the Association's meeting, and the Association shall be liable for any damages caused to the facilities by their use. This right may be revoked by the Board if the Association exercises this right for purposes unrelated to the Johannesburg-Lewiston Area Schools or to constitute the urging of illegal conduct by Association members.

E. Duly authorized representatives of the State and National levels of the Association shall be permitted to transact official Association business on school property in a manner such that this shall not interfere with nor interrupt normal school operations. Such representative shall notify the administrator responsible for the building or facility which they intend to enter of their presence and the general nature of their intended business (i.e. name of person to be seen and appropriate length of time) prior to actually

conducting any such business, and shall obtain the express permission of such administrator (or his/her designee) prior to actually conducting any such business.

F. Employees shall be represented by an Association Steward, or in the absence of the regular Steward, by an Alternate Steward. The Association shall furnish by July 1 of each year, in writing, to the Board, the names of Stewards upon their election or appointment.

1. The appropriate Steward (or JLESPA President) shall be the only Association representative authorized to investigate grievances and to represent grievants in the presentation of grievances to the administration and/or the Board. Provided, however, that this shall not preclude grievance investigation or representation at any stage by a non-bargaining unit member.
2. Investigation of grievances by the Steward (or JLESPA President) shall take place only during times when neither the Steward nor any employee whom the Steward may feel it necessary to interview for purposes of the investigation is on duty (except for authorized lunch or break periods).
 - a. PROVIDED, however, that such investigations may take place during regular duty hours in cases where the Steward's (or JLESPA President's) immediate supervisor has granted express approval therefore, based on a finding that the immediate investigation is necessary to protect the health or safety of employees or students.
 - b. Whenever the Steward (or JLESPA President) is engaged in an investigation pursuant to Paragraph F(2)(a) above, he/she shall first inform his immediate supervisor of the name of the employees he/she intends to interview and shall notify said supervisor immediately upon his/her leaving from and returning to duty.
3. Grievance presentations shall be scheduled by mutual agreement of the administration and the Association except that grievance presentations shall be scheduled by the administration whenever such presentations are scheduled during regular duty hours of the Steward (or JLESPA President) at the express request of the Association. If a presentation is so scheduled during the Steward's (or JLESPA President) regular duty hours, the Steward (or JLESPA President) shall be given time off with pay, PROVIDED that at such presentation the Steward (or JLESPA President) acts as the sole authorized representative of the grievant and the Association. If no mutually agreeable time and date can be scheduled within the time limits established under the Grievance Procedure, either party may request an extension of time pursuant to Paragraph E.1 of the Grievance Procedure.

G. The Employer agrees to furnish to the Association in response to reasonable requests of information concerning the financial resources of the district, including

Annual: financial reports and audits; register of bargaining unit personnel; budgetary requirements and allocations as adopted by the Board (including county allocation board budgets); minutes of all School Board meetings; treasurer's reports; census and membership data (unless confidential); names and addresses of all employees in bargaining unit and wages paid thereto; and such other information as is necessary to permit the Association in developing intelligent, accurate, informed and constructive programs on behalf of the employees, together with information which may be necessary for the Association to process any grievance or complaint. It is expressly understood and agreed that this provision shall not obligate the Board or administration to release information which is either:

- a. Confidential or privileged at law, including attorney-client communications from the Board's attorney to any member of the administration or Board.
- b. The work product of any administrator's investigation of a grievance (except that such information may not be relied on as a basis for denying the grievance unless disclosed to the grievant.)
- c. Tentative or projected fiscal or budgetary computations prepared by any member of the administration or Board prior to official adoption of same by the Board.

H. Upon written authorization from the employee, the Board shall deduct from the wages of the employee and make appropriate remittance for annuities, credit union, savings bonds, ESP dues, Section 125 offerings (retirement credit or other salary reduction agreement options), and MESSA/MEAFS offerings. Employee authorizations for such deductions must be filed with the Superintendent's office not later than the end of the second full week after the start of school each fall. Deductions shall begin as soon as the administration can duly incorporate deduction authorizations into its payroll procedures. No changes in authorizations may be made after initial filing (except cancellations) for the duration of the school year.

I. The Board agrees that supervisors or non-bargaining unit employees of the Board shall not be used to displace employees regularly employed in the bargaining unit, except in emergencies, including when Association employees are not available or have refused to perform the work as assigned on the basis of alleged unsafe conditions. For purposes of this provision, an emergency shall be defined as an unforeseen circumstance or a combination of circumstances which call for immediate action in a situation which is not expected to be of a recurring nature.

J. The Board agrees that it will not subcontract work presently performed by bargaining unit personnel unless (a) the skills and equipment needed to perform the work specified are unavailable in the school system, or (b) the schedule for such work cannot be met with the equipment or skills available for such work, or (c) the Board can obtain such services at a SIGNIFICANT savings in expense from a subcontractor.

K. The Board will permit afternoon shift custodians to be excused from duty to attend scheduled Association meetings to be held during their regular duty hours to a maximum of twenty (20) man-hours per month, provided, however, that all such excused time shall be made up either immediately prior to or immediately after their regularly scheduled shift as required by their supervisor. Provided, further, that the Board retains the right to demand that the minimum number of custodians necessary to cover events or activities scheduled for the evening of any such Association meeting.

L. Agency Shop and Employee Representation. The parties expressly recognize the right of each employee to freely join or refrain from joining the JLESPA/MEA/NMEA/NEA and no employee shall be discriminated against by reason of his joining or refusing to join JLESPA/MEA/NMEA/NEA. The JLESPA/MEA/NMEA/NEA is required by law to represent all employees in the bargaining unit fairly and equally as required by law without regard to an employee's JLESPA/MEA/NMEA/NEA membership. Therefore, it is agreed that a representation fee may be deducted from the pay of each employee as hereinafter provided, upon Board receipt from the JLESPA/MEA/NMEA/NEA of a duly executed current employee authorization for such deduction.

1. Representation Fee Selection. Each employee shall select one of the following representation fee options:
 - a. JLESPA/MEA/NEA Membership Fee. The fee shall be the dues uniformly required of members of the JLESPA/MEA/ NMEA/NEA.
 - b. Agency Service Fee. The fee shall be the amount certified by the JLESPA/MEA/NMEA/NEA as the proportionate member cost directly attributable to the costs of collective bargaining representation, administration of this Agreement, and claim adjustments, which fee shall not be greater than the dues uniformly required of members of the JLESPA/ MEA/NMEA/NEA under Paragraph (a).
2. Payroll Deduction. The JLESPA/MEA/NMEA/NEA shall, on the first day of school of each year, certify in writing to the Board or its designated representative the total amount of annual monies to be deducted from the pay of each employee electing to pay the JLESPA/MEA/NMEA/NEA membership fee or the agency service fee. These fees shall be deducted in ten (10) substantially equal monthly installments from the second payroll in each month, beginning with the second payroll in September. If the membership fee is changed during the year, the JLESPA/MEA/NMEA/ NEA shall give the Board or its designated representative written notice of such change at least twenty (20) days prior to the next scheduled deductions. The Board shall transmit within twenty (20) days (of the deductions) the total aggregate monthly deductions made, together with a list of the individual employees from whom deductions were made and the respective amounts of such deductions, all of which shall be sent to such person as shall be designated by the JLESPA/ MEA/NMEA/NEA in writing, subject to any escrow retention by the Board. The Board assumes no responsibility for any error in making deductions other than to correct such error in any

subsequent deductions. In the event of overpayment, the JLESPA/MEANMEA/NEA agrees to either refund any such overpayment or to notify the Board (or its designated representative) of the amount of the overpayment and the amount of corrective adjustment to be applied to the next scheduled deductions. Either refund or notice of corrective adjustment must be implemented by the JLESPA/MEANMEA/NEA within thirty (30) days of the overpayment notification.

3. Prior to the deduction of any monies from the Board's salary obligation to any employee, the JLESPA/MEANMEA/NEA shall procure and present to the Board or its designated agent, a duly executed deduction authorizing statement of the form described below. Such forms shall be effective as of the next payroll check issuance date which is at least twenty (20) work days after the date of Board receipt of the authorization (to allow time for the appropriate bookkeeping and other necessary adjustments to be made.) Such authorizations shall be effective for the duration of the term of employee's employment at Johannesburg-Lewiston Area Schools and may be "amended" to be defined as a change in representation fee selection) by an employee at any time by submitting a signed statement to that effect. Amendments shall be effective as of the next payroll check issuance date which is at least twenty (20) work days after the date of Board receipt of the amendment.
4. Employee deduction authorization forms shall be printed as follows and copied to the JLESPA/MEANMEA/NEA:

I, _____, do hereby certify that I desire that the Board of Education of the Johannesburg-Lewiston School District deduct from my second salary check for each month from September through June the amount certified by the Johannesburg-Lewiston Education Support Personnel Association/MEANMEA/NEA as my (check one):

_____ JLESPA/MEANMEA/NEA Membership Fee

_____ Agency Service Fee

I understand that this authorization is effective for the duration of my employment at Johannesburg-Lewiston Area Schools, unless I should amend this authorization by submitting a signed and dated amending authorization to the Board of Education.

5. Service Fee Objections. At the time the JLESPA/MEANMEA/NEA certifies the amount of annual dues or other fees to the Board, it shall also notify each employee (other than JLESPA/MEANMEA/NEA members) of the

provisions of this Article by sending a copy of this Article to each such employee. If an employee electing to pay an agency service fee shall notify the JLESPA/MEA/NMEA/NEA within twenty (20) days from receipt of the JLESPA/MEA/NMEA/NEA notice that he objects to the legitimacy of such fee, any deductions hereinabove authorized shall be held in escrow by the Board until a determination of the legitimacy of the amount of the fee has been made in a court of competent jurisdiction.

6. Indemnification. The JLESPA/MEA/NMEA/NEA assumes full responsibility for the validity and legality of the provisions herein set forth. If any action is brought against the Board in a court of competent jurisdiction or in an administrative agency or any other legal forum because of its application of this Article, the JLESPA/MEA/NMEA/NEA expressly agrees to indemnify and save the Board of Education, including each individual Board member, harmless against any and all claims, demands, costs, suits or other forms of liability or expense including back pay, all court or administrative agency costs, reasonable attorneys fees, witness fees, court reporters costs and/or transcript expenses which may arise out of or by reason of action by the Board for the purpose of complying with this Article. The Board shall also reserve to itself the right to stipulate the legal counsel of its choice to represent the Board in any such proceedings or suits but the right to settle or not settle such case shall be MEA's.

M. The employer shall provide to the Association ten (10) days per school year of released time for the handling of Association business as deemed appropriate by the Association president. When such days are taken, the Association shall reimburse the daily substitute rate to the school district if a substitute is called in to work for the absent employee. The Association will pay the cost of the whole substitution--Example: The regular substitute cost, plus the difference for anyone else receiving more money in the replacing of the Association member using the day for the JLESPA. If there is no school in session, a substitute will not be needed.

ARTICLE VI

GRIEVANCE PROCEDURE

A claim by an employee or the Association that there has been a violation of the express terms of this Agreement may be processed as a grievance as hereinafter provided.

A. Discussion Level 1. In the event that an employee actually affected by any action or decision of either administration or the Board believes the action or decision constitutes the basis for a grievance, he may first discuss the alleged grievance with his immediate supervisor, either personally or accompanied by his Association representative. The employee should request such a discussion within five (5) days of the time the alleged violation first occurred or within five (5) days of the time the employee or Association should reasonably have known of the ostensible violation.

B. Supervisor Level 2. If, after the informal discussion with the immediate supervisor the employee and the Association are unsatisfied with the disposition of the grievance at Level 1, or if they elect not to request a discussion with the employee's supervisor, either may invoke the formal grievance procedure by filing a formal written grievance on a grievance form signed by either the grievant or authorized representative of the Association, which form shall be available to employees from the Association representative in each building. The grievance form shall be filed with the employee's immediate supervisor not later than five (5) days after the alleged violation first occurred, or not later than five (5) days after the employee or Association should reasonably have known of the ostensible violation. If the grievance involved more than one school building, it may be initially filed with the Superintendent or a representative designated by him.

Within five (5) days of receipt of the grievance, the supervisor shall meet with the Association and the employee in an effort to resolve the grievance. The supervisor shall issue his disposition of the grievance in writing within five (5) days of such meeting, and shall furnish a copy thereof to the Association.

C. Superintendent Level 3. If the Association or the employee is not satisfied with the Level 2 disposition of the grievance and if either the employee or the Association authorizes in writing an appeal of the grievance disposition, or if no disposition has been made within five (5) days of such meeting, the grievance may be filed by either the employee or the Association with the Superintendent. Such filing must occur not later than five (5) days after receipt of the Level 2 disposition.

Within five (5) days of receipt of the duly authorized appeal to Level 3, the Superintendent or his designee shall meet with the Association and/or the employee on the grievance and shall issue his disposition of the grievance in writing within ten (10) days of such meeting and shall furnish a copy thereof to the Association.

D. Board Of Education Level 4. If the Association is not satisfied with the Level 3 disposition of the grievance by the Superintendent or his designee and if the Association authorizes in writing an appeal of the grievance disposition, or if no disposition has been made within ten (10) days of such meeting (or fifteen (15) days from the date of Level 4 filing, whichever shall be first), the grievance may be filed by the employee and the Association with the Board by filing a written copy thereof with the Secretary or other designee of the Board within five (5) days of receipt of the Level 3 disposition (or fifteen (15) days from the date of Level 3 filing, whichever shall come first). The Board, no later than its next regular meeting, or three calendar weeks, whichever shall be later, shall meet with the Association on the grievance. Disposition of the grievance in writing by the Board shall be made no later than ten (10) days thereafter. A copy of such disposition shall be furnished to the Association.

E. Arbitration Level 5. If the Association is not satisfied with the Level 4 disposition of the grievance by the Board of Education, or if no disposition has been made by the Board within the period above provided, and if in either event the Association itself authorizes an appeal of said grievance, such appeal may be submitted by the Association

to binding arbitration in the following manner. Not more than ten (10) work days after receipt of the Level 4 disposition by the Board, the Association must file with the Secretary or other designee of the Board a written demand for arbitration, signed by a duly designated officer or other representative of the Association. The demand for arbitration shall include a copy of the grievance, and shall identify which, if any, of the aspects of the grievance are not intended to be appealed to arbitration. The demand for arbitration shall also include a specific statement as to the Association's rationale for alleging that the Board disposition of each contract violation alleged in the grievance was not correct or proper. Failure to timely file a demand for arbitration in proper form shall constitute a complete and permanent bar to arbitration or other appeal of the Board disposition and shall render the Board's Level 4 disposition final and binding.

1. The arbitration proceedings, including the selection of the Arbitrator, shall be conducted pursuant to the rules of the American Arbitration Association, except to the extent those rules may be contradicted by any provisions of this Agreement, in which case this Agreement shall take precedence.
2. During arbitration proceedings, neither party shall be permitted to assert any ground or to rely on any evidence not previously raised in writing at a prior level of the grievance procedure. Objections to introduction of grounds or evidence at the arbitral hearing based on this provision shall be ruled on by the arbitrator immediately (and not deferred) and upon any finding of non-compliance with the terms of this provision the arbitrator shall refuse to permit any argument, testimony or evidence either during the arbitral hearing or in post-hearing briefs with regard to any such ground or evidence. Inclusion in a post-hearing brief of argument, testimony or evidence with regard to any ground or issue not first properly raised during the arbitral hearing shall automatically obligate the offering party to be responsible for the entire fee and expenses of the arbitrator.
3. No individual shall have the right to appeal a grievance to arbitration without the express written authorization of the Association.
4. The following are excluded from Level 5 (arbitration) and the Level 4 Board disposition shall be final and binding as to any grievance with regard to any of the following:
 - a. The termination of any probationary employee, or failure to re-employ any probationary employee.
 - b. Any matter involving disciplinary action taken against any employee.
 - c. Any matter dealing with negotiations.
 - d. Any matter for which the basis of the grievance is not the express terms of this Agreement, including any and all allegations of employee rights created by or through the federal or state constitutions, federal or state

laws, and/or rules, regulations or other provisions promulgated, administered or enforced by any federal or state administrative agency.

5. Powers of the arbitrator are subject to the following limitations:
 - a. He shall have no power to add to, subtract from, disregard, alter or modify any of the terms of this Agreement.
 - b. He shall have no power to decide any question which, under this Agreement, is within the responsibility of the management to decide except concerning procedural matters.
 - c. He shall not hear any grievance previously barred from the scope of the grievance procedure.
 - d. More than one grievance may not be considered by the arbitrator at the same time except upon expressed written mutual consent of the parties.
 - e. Where no wage loss has been caused by the action of the Board complained of, the Board shall be under no obligation to make monetary adjustments and the arbitrator shall have no power to order one.
 - f. Arbitration awards or grievance settlements will not be made retroactive beyond the date of the occurrence or non-occurrence of the event upon which the grievance is based.
6. The fees and expenses of the arbitrator shall be shared at the rate of 50% for the Association and 50% for the Board (except as otherwise provided herein). All other expenses shall be borne by the party incurring them, and neither party shall be responsible for the expense of witnesses called by the other.

F. General Procedures:

1. The time limits provided in this Article shall be strictly observed but may be extended by written agreement of the parties. In the event a grievance is filed after May 15th of any year and strict adherence to the time limits may result in hardship to any party, the Board shall use its best efforts to process such grievance prior to the end of the school term or as soon thereafter as possible.
2. Notwithstanding the expiration of this Agreement, any claim or grievance arising hereunder with regard to an action or event occurring prior to said expiration may be processed through the grievance procedure until resolution. No actions or events occurring after expiration of this Agreement may be the basis of a grievance under this Article or this Agreement.

3. Written grievances shall comply with the following requirements at all levels of the grievance procedure.
 - a. It shall identify any allegedly aggrieved individual employee(s) and shall be signed by the authorized Association representative.
 - b. It shall be specific.
 - c. It shall contain a synopsis of the facts giving rise to the alleged violation.
 - d. It shall specifically cite all sections or subsections of this contract alleged to have been violated, and shall explicitly state how the grieved action is violative of such provisions.
 - e. It shall contain the date of the alleged violation.
 - f. It shall specify the relief requested.
 - g. Any written grievance not substantially in accordance with the above requirements may be rejected as improper. Such a rejection shall not extend the time limitations for filing appeals set forth herein.
4. All the time limits described in this Article shall be computed in terms of "work days" which shall be defined as days when the school district administrative offices are open and regularly scheduled for business.

G. A bargaining unit member whose testimony is reasonably required in a grievance hearing during the work day shall be excused with pay for that purpose (for the duration of time in which he/she is testifying) if the meeting was mutually scheduled to occur during regular work hours. The unit member shall return to duty when his/her required testimony is completed.

ARTICLE VII

PICKET LINES

A. No employee who fails to enter school premises during a primary labor dispute or strike being conducted by school employees other than members of this bargaining unit shall be disciplined if the failure to report is based on a clear and present threat to the immediate safety of the employee by said other employees. Provided, however, that all employees shall be required upon request to furnish the Board with all available evidence and assistance in identifying and disciplining any persons so threatening the safety of others and shall testify with regard to same in any disciplinary proceedings instituted by the Board against any such persons with regard to such conduct. Provided further, that all employees shall remain under a continuing obligation to enter school premises and

report for duty at such time as the Board or its designated agent shall have determined such threat to safety to have abated.

B. Neither the Association nor any employee in the bargaining unit shall attempt by threats, coercion, promises or inducement, or any other means whatsoever to cause any employee of the school district, whether or not a member of this bargaining unit, to withhold services in whole or part or to refuse to report for duty. Any employee acting in violation of this provision shall be subject to immediate discipline up to and including discharge.

ARTICLE VIII

VACANCIES AND TRANSFERS

A. A vacancy shall be defined as a newly created position within a classification represented by the Association or a present position within a classification that is represented by the Association that becomes vacant by reason of the permanent separation (by resignation, death, discharge, et cetera, of the employee formerly in said position). No "vacancy" shall exist for purposes of the Article unless and until the Board shall determine to fill any such position, which determination shall be the sole discretionary authority of the Board. Both parties agree to allow for the holding open of bargaining unit positions for up to thirty (30) working days before filling such position.

B. Vacancies shall be posted no less than six work days in a conspicuous place in each school building prior to filling the vacancy, except in such cases as the Board shall deem it necessary to dispense with this procedure in order to expeditiously fill a vacancy which the Board in its sole discretion determines must be filled on a more immediate basis. The posted notice will set forth any written requirements for the position and will be accompanied by a job description. The notice shall also identify the classification of the position, projected starting date (if a newly created position), and the initial assigned hours of duty. During the summer, Association President shall be notified of vacancy posting.

1. Employees may apply for a position by filing a written application with the Superintendent of Schools or his designee within the applicable posting period. All employees so applying will be given reasonable consideration for the vacant position.

C. The most senior employee applicant within the same classification as the existing vacancy, and being deemed qualified for such vacancy, shall be awarded the vacancy.

D. The Board shall fill vacancies according to the Board's determination of which of the applicants for the position is best "qualified," as that term is defined in this Agreement, to perform the duties and responsibilities of the vacant position.

1. In the event the Board shall determine that two or more applicant employees within the same classification are equally qualified for the vacant position, the Board shall award the position to the applicant employee (if any) with the most seniority.

E. The Board, or its designated representative, shall upon making its decision with regard to filling a vacancy with a particular applicant, notify the President of the Association of the applicant selected.

F. In the event of promotion within classification, the employee shall be given a 30 day work trial in which to show his/her ability to perform on the new job. If the employee is unable to demonstrate the ability to perform the work required during this trial period, the employee shall be returned to his/her previous assignment. The promoted employee's former position will be filled with a substitute until promotion of employee is finalized.

G. An employee involved in a voluntary transfer out of classification, shall be treated as a new employee except for seniority and other provisions which are awarded to members on a unit basis as opposed to classifications.

H. The unilateral right to impose involuntary transfers, either temporarily or permanently is expressly reserved to the Board of Education, or its designated representative. An employee, except for custodians, temporarily transferred shall be paid his or her regular rate in hours or the rate and hours for the job to which he or she is transferred whichever is greater, while performing such work. An employee permanently transferred shall be paid the rate for the job to which he or she is transferred to.

I. A transfer shall be defined as a movement from one classification to another classification. A transfer shall not be deemed a demotion unless it causes the employee to experience a reduction in pay. A change in assignment, location of assignment or hours of work shall not be deemed a transfer.

J. An employee may request a transfer to a different position by submitting a written request to the Superintendent of Schools and filing a copy of said request with the President of the Association. The request shall set forth the position sought, the individual's qualifications for the position sought, and the reason for the request.

ARTICLE IX

QUALIFICATIONS

A. The Board of Education expressly reserves to itself and/or its designated representative, the sole authority and discretion to determine (1) what "qualifications" shall be required for either appointment to or continued employment in any particular job position or classification, (2) which applicants, if any, for any vacancy are "qualified for the position" in question, and (3) if more than one applicant is "qualified," which applicant is best "qualified." Provided, however, that in any specific instance where a particular

individual is determined for purposes of any provision of this Agreement to be "best qualified," the Board or its designated representative shall provide in writing a statement of the specific qualification criteria employed in making its determination.

Provided further, that all such criteria shall be reasonably and appropriately related to the job duties and responsibilities of the particular position to which the "best qualified" individual will be assigned. The only exception is to be found in Section C of the Article on Vacancies and Transfers.

ARTICLE X

SENIORITY

A. Seniority shall be defined as the length of continuous employment within the district as a member of the bargaining unit. Accumulation of seniority shall begin on the employee's first working day.
