PREAMBLE

This contract is entered into between the City of Lansing, Michigan, a municipal corporation (hereinafter referred to as the "CITY" or "EMPLOYER") and the Teamsters State, County and Municipal Workers Local 214, affiliated with the International Brotherhood of Teamsters, (hereinafter referred to as the "UNION").

ARTICLE 1

SECTION 1. Declaration of Policy

The general purpose and intent of this Agreement is to set forth terms and conditions of employment and to promote orderly and peaceful labor relations for the mutual interest of the Employer, the employees and the Union.

The parties recognize that the interest of the community and the job security of the employees depend upon the Employer's success in establishing a proper service to the community. To these ends the Employer and the Union encourage to the fullest degree, friendly and cooperative means of facilitating peaceful adjustment of all grievances which may arise from time to time between the Employer and the employees, and of promoting and improving peaceful municipal and economic relations between the parties.

SECTION 2. Definitions

The term "Employee" and "Employees" when used in this Agreement, shall refer to and include only those regular full-time employees who are employed by the City in the collective bargaining units set forth in Article 3. For purposes of this Agreement, the following definitions are applicable:

A. Regular Full-Time Employees: Employees regularly scheduled to work the normal work week hours of the City.

B. Temporary Employees: The Employer reserves the right to hire temporary employees subject to the conditions outlined in this section. Temporary employees are defined as service agency employees, or individual contract employees. It is understood that a temporary employee shall not be subject to the terms of this Agreement. It is further agreed between the parties that temporary employees shall not be used to displace regular full-time employees in the bargaining units, nor shall their use result in the reduction of hours or layoff of bargaining unit employees.

1. Temporary employees may be utilized whenever there are compensated or unpaid absences of regular full-time employees. Temporary employees may only be utilized until the incumbent returns full-time.

2. Temporary employees may be utilized whenever there is a vacancy in a funded position. Such temporary employees may be utilized only until the position is filled; however, such temporary employees may be extended up to two (2) weeks following the filling of the position for the purposes of providing training or transition to the newly selected employee.

3. Temporary employees may be utilized for special projects or to supplement the regular workforce during heavy workload periods with notice to the Union.

4. Temporary employees may work more than a regular forty (40) hour schedule provided said overtime work is not assigned for the purpose of circumventing the overtime provisions of this agreement for regular full-time bargaining unit employees.

C. Irregular Employee: An employee who is not included within the definitions set forth in subsection A and B. It is understood that an irregular employee shall not be subject to the terms of this Agreement.

ARTICLE 2

MANAGEMENT RIGHTS

The City, on its own behalf and on behalf of its electors, hereby retains and reserves unto itself without limitation all powers, rights, authority, duties, and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Michigan and of the United States, the City Charter, The Lansing Code and any modifications made thereto and any resolution passed by City elected officials. Further, all rights which ordinarily vest in and are exercised by employers except such as are specifically relinquished herein are reserved to and remain vested in the City, including but without limiting the generality of the foregoing the right (a) to manage its affairs efficiently and economically, including the determination of quantity and quality of services to be rendered, the control of materials, tools and equipment to be used, and the discontinuance of any services, material or methods of operation; (b) to introduce new equipment, methods, machinery or processes, change or eliminate existing equipment, and institute technological changes and where practicable to train existing employees on new equipment or machinery; and, to decide on materials, supplies, equipment and tools to be purchased; © to determine the number, location and type of facilities and installations; (d) to determine the size of the work force and increase or decrease its size; (e) to hire, assign

and lay off employees, to reduce the work week or the work day or effect reductions in hours worked by combining lay-offs and reductions in work week or work day; (f) to direct the work force, assign work and determine the number of employees assigned to operations; (g) to establish, change, combine or discontinue job classifications and prescribe and assign job duties, content and classification, and to establish wage rates for any new or changed classifications; subject to the rights of the Union under PERA; (h) to determine lunch, rest periods and cleanup times, the starting and quitting time and the number of hours to be worked; (i) to establish work schedules; (j) to adopt, revise and enforce reasonable work rules and general requirements and to carry out cost and general improvement programs; (k) to transfer, promote and demote employees from one classification or department to another except that demotion shall not be utilized for the purpose of disciplining an employee; (l) to select employees for promotion or transfer to supervisory or other positions, and to determine the qualifications and competency of employees to perform available work subject to the provisions of Article 6.

ARTICLE 3

RECOGNITION OF THE UNION

SECTION 1. Definition of the Bargaining Unit. Pursuant to and in accordance with all applicable provisions of Act 336, Public Acts of Michigan, 1947, as amended, the City does hereby recognize the Union as the exclusive representative, for the purpose of collective bargaining in respect to rates of pay, wages, and conditions of employment, for the duration of the Agreement, of all employees in the supervisory and non-supervisory units certified by MERC in Case No. R93 I-163 as identified in Appendix A.

Excluding all of the following:

All exempt and confidential positions; all elected officials; all members of the City Council staff; all members of the Mayor's staff; all internal auditors and their staff; all Department Directors, Deputy Department Directors, Assistant Department Directors, Department Heads and Division Heads, except as otherwise represented; all employees covered by the executive pay plan; all Police employees of the Police Department who are currently represented by Capitol City Lodge #141, Fraternal Order of Police, in either the Supervisory, Non-Supervisory, or 911 Operators Units; all employees of the Fire Department who are currently represented by Local #421 of the International Association of Fire Fighters; Assistant Plant Superintendent at the Waste Water Treatment Plant; Superintendent of Parking; Parking Coordinator (formerly the Parking Violations Bureau Supervisor); all employees who work in the following departments or areas and are currently represented by the Lansing City Unit of the United Auto Workers, Local 2256 or who are represented by the International Brotherhood of Teamsters, Chauffeurs and Warehousemen, Local 580, supervisory and clerical, technical, professional bargaining

units: Central Garage, Parks and Recreation, Public Service, Personnel, Planning and Neighborhood Development, Police, Human Relations and Community Services, Fire, Finance, City Clerk and all other confidential employees and Guards.

SECTION 2. Condition of Employment. It shall be a continuing condition of employment that all employees who are presently members of the Union shall maintain such membership and pay the Union's uniform dues, fees and assessments. It shall be a continuing condition of employment that all employees, who are not members of the Union and who do not become and remain members of the Union, pay a service fee proportional to the Union's collective bargaining costs including costs of collective bargaining and contract administration, the amount of which fee the Union shall certify to the City. Employees who fail to comply with this requirement within thirty (30) days shall be discharged by the City.

The Union agrees to indemnify and save the City harmless against any and all claims, suits or other forms of liability arising out of its deductions from an employee's pay of Union dues, initiation fees, assessments, or collective bargaining service fees. The Union assumes full responsibility for the disposition of the deductions so made, once they have been sent to the Union.

SECTION 3. Equal Representation. Membership in the Union is separate, apart, and distinct from the assumption by an employee of his/her equal obligations to the extent that he/she received equal benefits. The Union is required under this Agreement to represent all of the employees in the bargaining unit fairly and equally without regard to whether or not an employee is a member of the Union. The terms of this Agreement have been made for all employees in the bargaining unit and not only for members in the Union, and this Agreement has been executed by the City after it has satisfied itself that the Union is the choice of a majority of the employees.

SECTION 4. Payroll Deduction of Dues. During the period of time covered by this Agreement, the City agrees to deduct from the pay of each employee all Union dues, assessments, and/or initiation fees provided, however, that the Union presents to the City authorizations, signed by such employees, allowing such deductions and payments to the Local Union. This may be done through the steward of the Union.

A. Dues, assessments, and initiation fees will be authorized, levied and certified by the secretary-treasurer in accordance with the Constitution and By-laws of the Union. Each employee hereby authorizes the Union and the City, without recourse, to rely upon and to honor certificates by the secretary-treasurer of the local Union, regarding the amounts to be deducted and the legality of deducting such Union dues, assessments and/or initiation fees. The City agrees, during the period of this Agreement, to provide this check-off service without charge to the union.

B. The Union shall notify the City in writing of the proper amount of dues, assessments, initiation and service (agency) fees and any subsequent changes in such amounts.

C. Monthly agency fees and initial agency fees will be deducted by the City and transmitted to the Union as prescribed above for the deduction and transmission of Union dues, assessments, and initiation fees.

SECTION 5. Notice of Hire or Termination. Within two (2) weeks after the City hires or terminates an employee covered under this Agreement, the City shall notify the Union in writing of the name of the employee, job classification, salary level, and starting date or termination date.

Upon request the City will provide the Union with the current address of all bargaining unit members.

SECTION 6. Letter of Introduction. As a way of introducing newly hired employees to the Union, the City will give each new employee a letter of introduction provided by the Union, and will arrange for said new employees to meet with a Union Steward for fifteen (15) minutes as a part of their orientation.

SECTION 7. Consistency in Hiring. No employee hired after the effective date of this contract, shall be hired in any manner inconsistent with this Agreement.

ARTICLE 4

UNION REPRESENTATION

SECTION 1. Stewards. All employees covered by this Agreement shall be represented by a Steward in the following areas of representation.

SUPERVISORY UNIT:

All employees in this unit shall be represented by two (2) Stewards and two (2) Alternate Stewards as follows:

- a. One (1) Steward and one (1) Alternate Steward for:

Planning and Neighborhood Development Department
Personnel Department

- b. One (1) Steward and one (1) Alternate Steward for:

Public Service Department
Parks and Recreation Department
Finance Department
Law Department
Police Department

NON-SUPERVISORY UNIT:

All employees in this unit shall be represented by two (2) Stewards and two (2) Alternate Stewards as follows:

- a. One (1) Steward and one (1) Alternate Steward for:

Law Department

- b. One (1) Steward and one (1) Alternate Steward for:

Police Department
Finance Department
Public Service Department

Should the need arise to change the areas of representation for Stewards, the Union shall notify the City's Labor Relations Office in writing of the names of the Stewards and the areas of representation.

The Union shall keep the City's Labor Relations Office advised at all times in writing of the names of all Stewards and Alternate Stewards.

An Alternate Steward acting in the capacity of a Steward has the same authority as a Steward. An Alternate Steward may exercise the functions of a Steward under this Agreement only if the Steward is absent.

Employees shall have an opportunity to meet with or request the services of their Steward, or Alternate Steward in the event the regular Steward is not available, as is necessary for the investigation and adjustment of grievances provided it does not interfere substantially with the employee's work responsibilities and the Steward's or Alternate Steward's work responsibilities. Employees must obtain the approval of their on-site supervisor before leaving the work place.

SECTION 2. Negotiations. The City will authorize a total of two (2) Stewards from each bargaining unit to attend negotiation sessions that occur during their regular work hours without loss of pay. However, no more than two (2) of the four (4) Stewards authorized to attend negotiation sessions shall be from any one department.

SECTION 3. Steward Seniority. Notwithstanding their position on the seniority list, the Union Stewards specified in Article 4, Section 1, shall, in the event of layoff, continue to work on condition that there is work available for them that they have the ability to perform in the area of representation that they represent when layoffs occur.

SECTION 4. Paid Union Time. All Stewards and Alternate Stewards when acting in that capacity as specified in Section 1 above shall be permitted reasonable time to investigate, present and process grievances without loss of time or pay provided they receive authorization in advance from their supervisor who shall grant such authorization as soon as practicable under the circumstances.

SECTION 5. Monthly Stewards' Meeting. All Stewards shall be relieved from duties without loss of time or pay for a monthly Steward's meeting, not to exceed two (2) hours, which shall be scheduled during the last two (2) hours of the work day. This section shall not be applicable to Alternate Stewards.

ARTICLE 5

SENIORITY

SECTION 1. Definition. An employee's seniority shall be his/her continuous length of full-time service in the Non-Supervisory or Supervisory bargaining units determined from the date the employee entered such bargaining units, except as otherwise stated in this Agreement. Seniority shall not be cumulative for length of service in other bargaining units. Continuous service can be broken only by a termination notice. The amount of continuous service as heretofore provided shall be applied to an employee's probationary period hereinafter set forth, but seniority shall not accumulate during layoff or any approved unpaid leaves of absence in excess of thirty (30) days (unless otherwise agreed by the City) or other breaks in service. Seniority shall be applied only as specifically set forth in this Agreement.

The City will record the seniority dates for the employees in each department on departmental seniority lists, however, except as otherwise provided, seniority shall be bargaining unit wide.

Every six (6) months after the initial posting, which shall be posted within thirty (30) calendar days after the effective date of this Agreement, the City will post on the bulletin boards and will furnish to the Union these seniority lists revised up to one (1) week prior to the date of their posting. Any objections to such list as posted shall be reported to the Labor Relations Office within thirty (30) calendar days of the date of posting or said list shall stand approved as posted.

Classification seniority for employees shall be defined as the period of employment commencing from the date of employment in his/her classification.

In all cases where seniority is based upon the same hiring date creating a preference problem, the determination will be made by drawing numbers.

SECTION 2. Probationary Employees. An employee in a salary level 26 and below covered by this Agreement shall be considered a probationary employee for the first one-hundred twenty (120) calendar days of full-time employment with the City. Employees in a salary level 27 and above covered by this agreement shall be considered a probationary employee for the first six (6) calendar months of full-time employment with the City.

There shall be no seniority among probationary employees.

The City shall have no obligation to reemploy an employee who is laid off or discharged during his/her probationary period.

The Union reserves the right to represent a probationary employee who, in its opinion, has been disciplined or discharged for Union activity. Other than the foregoing, the Union shall not represent a probationary employee in matters of discharge or discipline.

SECTION 3. Seniority Status. The probationary period required above represents a total cumulative service time, and may be adjusted upward so as to properly allow any authorized leaves of absence or other approved breaks in service. However, should any such leave of absence or break in service be greater than two (2) months the City may require that the entire probationary period be restarted at the time the employee returns to work. In addition to any adjustments which may be required, the probationary period required above may be extended up to three (3) additional months. This represents a maximum period of extension, and the probationary period may be extended for any length of time up to these limits, depending upon the circumstances warranting the extension. The probationary period may only be extended when the City determines that such an extension is necessary to properly evaluate an employee's performance and determine whether or not the employee can completely and satisfactorily perform the job. Extensions shall not be granted due to the employer's failure to timely evaluate said probationary employee, and in such case said employee shall be considered to have passed his/her probationary period. In the event that the probationary period is extended, the employee and the Union shall be notified in writing of the reasons for the extension. If a regular, full-time employee completes his/her probationary period within nine (9) months from his/her first day of work the employee shall have seniority as of that first day of work.

SECTION 4. Loss of Seniority. An employee shall lose his/her seniority if the employee: resigns or quits; is discharged and the discharge is not reversed through the grievance procedure; retires by voluntary, (deferred), compulsory, duty or non-duty disability retirement, except as provided below; is not actively engaged in employment with the City for a period exceeding two (2) calendar years; or for any other reason terminates,

except a layoff in which case the provisions of Article 6 of this contract shall apply. Furthermore, an employee shall lose his/her seniority and shall be considered to have resigned if the employee is absent from work for three (3) consecutive working days without notifying the City including the failure to return to work at the expiration of a vacation, disciplinary layoff or leave of absence.

In the event that exceptional circumstances exist, the City may waive this requirement.

For purposes of clarification the three (3) days shall commence upon the termination of the above mentioned leaves.

SECTION 5. Return from Disability. If it is determined by the Board of Trustees of the City's Retirement System that an employee, who is receiving a duty or non-duty disability allowance, is capable of resuming employment with the City and, in accordance with Section 292.32 of the Code of the City of Lansing, as of October 23, 1995, the employee's disability retirement allowance is terminated, such employee shall have his/her seniority restored.

Such an employee shall return to the position the employee held prior to the disability retirement provided that the employee is still capable and qualified to perform the duties of the position and if the employee returns to work within twelve (12) calendar months from commencing a duty or non-duty disability retirement. Otherwise the employee may be placed in a position commensurate with the employees type of work and rate of pay which the employee is qualified and capable to perform. If the employee is no longer capable or qualified to perform the duties of his/her former position or if the former position no longer exists, the employee may exercise bumping rights in accordance with Article 6, Section 3.

In accordance with Section 292.33 of the Code of the City of Lansing, as of October 23, 1995, such an employee shall receive service credit for the period the employee was receiving a disability retirement allowance if within such period the employee was in receipt of worker's compensation; however, such an employee shall not accumulate seniority for purposes of any other fringe benefit under this Agreement.

ARTICLE 6

APPLICATION OF SENIORITY

SECTION 1. Permanent Transfer. Whenever new positions are created or a vacancy occurs in a position within the supervisory or non-supervisory bargaining units and the City determines, at its sole discretion, to replace the previous incumbent, the City will post the position for six (6) calendar days. The City may concurrently post internally on

bulletin boards and advertise externally at its discretion. The City will make a reasonable effort to fill vacant positions within one-hundred twenty (120) days after payroll clearance.

The posting will specify the class title, salary range, and education, experience, knowledge, skills and ability required of the applicant. An employee, as limited below, who works in the same division and does not have the same class title; or who works in another division, regardless of class title; and who possesses the qualifications, knowledge, skills, ability, and experience required and who would like to be considered for the posted position must sign the job posting within the prescribed time limits. It is incumbent upon the employee who desires to be considered for a vacant position to supply an updated personnel skills inventory form, including proper documentation of his/her education and experience no later than three (3) working days after the close of the posting period. Thereafter, the Personnel Department will only consider information in the employee's official file in the Personnel Department at the time of screening. The personnel skills inventory form may be updated at any time by an employee.

Notwithstanding the above, a bargaining unit member currently holding a position in salary level 26 or below who has not completed his/her initial probationary period shall not be eligible to bid on a vacant position in salary level 26 or below until such initial probationary period is completed.

The following conditions shall apply in awarding positions to qualified employees:

A. SELECTION

The position will be awarded to the most qualified applicant, taking into account his/her education, knowledge, skills, ability, experience, and seniority. The City will not by-pass Teamster Local 214 Supervisory or Non-Supervisory bargaining unit members who bid on positions except to hire a more qualified applicant. If a bargaining unit employee is by-passed, the employee may request to participate in an assessment of the employee's strengths and weaknesses with respect to the qualifications of the position for which he/she was by-passed by contacting and making arrangements with the Personnel Department. The assessment shall be used to identify a program designed to further develop the required knowledge, skills and abilities required of the position for which the employee was by-passed.

Participation in this developmental program is voluntary. Education and/or training recommended and successfully completed shall be eligible for reimbursement under the education and training provisions of this contract.

If more than one bargaining unit member is equally qualified for the position, and a bargaining unit member is selected for the position, the position shall be given to the most senior qualified bargaining unit member.

B. Wage Placement in Promotion. When a non-bargaining unit member is promoted into a Teamsters Local 214 classification, the employee will be placed at a step that is at least two percent (2%) higher pay than the step of the classification permanently held prior to promotion, subject to maximum level and pay for each step.

C. Trial Period. An employee awarded such a position shall be placed initially in the new position on a thirty (30) work day trial basis. During the trial period, the employee shall be paid at the rate applicable to the new position and shall be evaluated on a weekly basis. Evaluations shall include any deficiencies in job performance, and a copy of the evaluations shall be provided to the employee. Upon successful completion of the trial period, the transfer shall become permanent, and the effective date of the permanent placement shall revert back to the first date of the trial period for purposes of classification seniority and merit increases. Prior to the end of the trial period, the transferred employee may elect to return to the position from which he/she transferred at his/her previous rate of pay without loss of classification seniority. If the transferred employee does not successfully complete the trial period as determined by the City, the employee shall be returned to his/her prior position and rate of pay by the City without loss of classification seniority.

SECTION 2. Temporary Transfer to Higher Classification. A temporary transfer is a transfer authorized by a Department Head or authorized designee, to a higher job classification, in which substantially all of the duties and responsibilities of the higher job classification are performed for a period which exceeds thirty (30) consecutive work days. Beginning on the thirty-first (31) day, an employee shall be paid the rate of the job to which he/she is transferred. The employee will be compensated at the base rate of the salary range for the higher classification or at one pay step higher than the employee's pay step within his/her regular classification level whichever is higher. If, however, the employee is at the top of his/her regular pay range and that salary level falls within the salary range of the temporary assignment, the employee is eligible for up to a five percent (5%) temporary increase.

The Department Head or authorized designee shall select an employee for temporary transfer to a higher classification based on consideration of both qualifications and operational need.

In the event the temporary transfer lasts six (6) months or longer, the employee will be eligible for a merit increase after serving six (6) months in the temporary assignment and annually thereafter until the employee reaches the maximum step of the classification in which he/she is assigned or the employee is returned to his/her regular full-time position. Any merit increases for which the employee was eligible in his/her regular full-time position will be suspended until such time as the employee is returned to his/her regular full-time position. At the time the employee is returned to his/her regular full-time position, the employee will be placed at the step in the pay range that he/she would have been at had the employee not taken the temporary transfer assignment.

In the event the employee is selected for the position in which the employee has been temporarily transferred and was solely assigned to the position during the time of the vacancy, the employee shall have his/her date of promotion adjusted back to the first day of the out of class assignment.

SECTION 3. Transfer Out of and Back Into the Bargaining Unit. If a bargaining unit employee voluntarily transfers to a non-bargaining unit position within the City, and thereafter returns to a bargaining unit position covered by the Teamster 214 supervisory or non-supervisory unit within one (1) year, that employee shall retain bargaining unit seniority accrued prior to the transfer outside the bargaining unit. Employees transferred under the above circumstances shall retain all rights accrued for the purposes of any benefits provided for in this Agreement.

If to avoid layoff, an employee transfers to a position with the City but not included in the bargaining unit and is thereafter transferred again to a position within the bargaining unit, the employee shall have accumulated seniority while working in the position to which he/she was transferred. Employees transferred under the above circumstances shall retain all rights accrued for the purposes of any benefits provided for in this Agreement.

SECTION 4. Layoffs and Recalls. The word "layoff" means a reduction in the working force due to a decrease of work or a lack of funds. If it becomes necessary to have a layoff, the following procedure will be mandatory. Within the classifications affected by the decrease of work, irregular, temporary, part-time and probationary employees will be laid off first in that order, and then seniority employees in inverse order of seniority according to the following:

A. General Provisions.

1. At least thirty (30) days before implementation of a layoff, the Union will be notified.
2. Within five (5) calendar days of written notification to the Union of a pending layoff, the Union may meet with the City to discuss the implementation of the layoff procedure, to identify the positions anticipated to be affected by the layoff, and to discuss special issues, if any, which were not anticipated when the layoff procedure was negotiated.
3. Employees to be laid off for an indefinite period of time will have at least fourteen (14) calendar days notice of the layoff.

4. The Union's business agent shall be notified by the City of the names and positions of employees being laid off on the same date the notices are issued to the affected employees.

5. Irregular, temporary, part-time and probationary employees within the affected positions will be laid off first in that order, followed by seniority employees in inverse order of seniority.

6. The City and the Union agree to bumping, layoff and recall procedures for bargaining unit employees which shall be governed in accordance with the contract. Layoffs shall never occur for punitive or disciplinary purposes.

7. The City and the Union agree that for purposes of layoffs and bumping, seniority shall be determined according to Article 5, Seniority and Article 6, Application of Seniority.

8. The City and the Union agree for purposes of layoffs and bumping, it shall be assumed that an employee is capable and qualified to perform the duties of a position if the classification and level of the position is equal to or lower than the classification and level of the position currently held by the employee being laid off and, either: (1) the employee had previously successfully held the position, or (2) the employee has training, education or prior experience that initially demonstrates that he/she can perform the work of the position within a trial period of no less than eighty (80) work hours. An employee shall not be entitled to bump into a position if he/she is not capable as defined above.

9. An employee shall have the opportunity to review the job specification, his/her personnel file and meet with the Personnel Department prior to bumping into a position in order to determine if the employee is qualified to perform the duties of the new position. If the employee bumps into a position and ultimately is found not capable of performing the duties, the City shall have the right to lay him/her off without bumping rights. If there is a dispute over an employee's qualifications to bump into a position, it shall be discussed by a joint committee comprised of an equal number of Union and City representatives. If the joint committee cannot agree within three (3) days, the matter may be subject to the grievance procedure as provided in Section 15, below.

10. Employees subject to layoff status shall have the right to bid on vacant positions according to Article 6, Section 1.

11. An employee scheduled for layoff who fails or is unable in accordance with this Agreement to exercise the option to bump into the position held by the least senior employee, as provided under Section B, Layoff and Bumping Procedures, for which he/she is qualified, or to accept a temporary transfer if one is offered, shall be laid off.

12. An employee who is bumped out of his/her position by a more senior employee will be considered as having been laid off and will be subject to the provisions set forth in this Agreement.

13. An employee may bump only once after receiving a layoff notice or after being displaced. However, an employee shall have the right to again exercise his/her bumping rights each time he/she is subsequently displaced as a result of another employee exercising his/her bumping rights in a subsequent layoff.

14. The City and the Union agree that there may be an exceptional case when the City may wish to retain or transfer an employee or recall a laid off employee regardless of seniority when and if the position is vital to the City and where the position involves state mandated licensing requirements which cannot be performed except by such a licensed individual. If the City intends to invoke this provision, the City shall notify the Union and the employee to be bumped fourteen (14) calendar days in advance of initiation or implementation of such action.

15. Any grievance regarding the layoff, reassignment, bumping, transfer (temporarily or otherwise), any reducing personnel action, recall, and/or abolition of non-filling of a position shall be presented to the City of Lansing Labor Relations Administrator at Step 3 of the grievance procedure contained in Article 11 of the contract.

16. Prior to the layoff of any seniority employee, each temporary, contract and seasonal position shall be evaluated to determine whether the work can be offered on a temporary transfer basis to a seniority employee subject to layoff.

17. The City and the Union agree that in the event an employee is improperly laid off or not recalled in accordance with his/her seniority rights, said employee is entitled to retroactive recovery.

B. Layoff and Bumping Procedures.

1. Within five (5) working days of receipt of the notification of layoff, the employee scheduled for layoff shall notify the Personnel Director of his/her decision to either accept layoff or bump in accordance with the procedures described herein.

2. An employee who becomes subject to layoff and/or bumping shall be entitled to exercise bumping rights in the order enumerated each time he/she becomes subject to layoff and/or bumping until such employee is placed in a vacant position, bumps into a position occupied by the least senior employee as provided below, exhausts his/her seniority, or accepts a temporary transfer as provided below.

(a) Vacancy: The employee shall exercise his/her seniority and accept placement into a vacant position in his/her current classification and level, for which he/she is qualified, according to Article 6, Section 4.

(b) Bumping:

(1) Should an employee be unable to be placed into a vacant position as provided in (a), he/she may meet with representatives of the Personnel Department to review the classifications and job specifications of positions to which the employee may exercise bumping rights. An employee must exercise bumping rights at the first available step, as enumerated below.

(2) The employee shall exercise his/her seniority and bump the least senior employee in a position for which he/she is qualified, according to the General Provisions of this Section, to perform the work within the same classification and salary level.

(3) Should an employee be unable to bump into a position within his/her same classification and salary level, the employee shall exercise seniority by bumping into a position held by the least senior employee for which he/she is qualified, according to the General Provisions of this Section, to perform the work within any classification at the same salary level.

(4) Should an employee be unable to bump into a position within any classification at his/her same salary level, the employee may accept a demotion to a vacant position for which he/she is qualified at any lower salary level or secondarily may accept a demotion to any occupied position by bumping the least senior employee in the next lower salary level, provided the employee is qualified according to the General Provisions of this Section. If no position is available based on the employee's seniority and qualifications, the employee may continue to exercise his/her bumping rights, as described above, in the next lower salary level (or levels) until the employee can claim a position which he/she is qualified to perform or exhausts his/her seniority.

(c) Temporary Transfer:

(1) Should an employee be unable to exercise bumping rights, prioritized above, the City shall offer a temporary transfer to a position where the incumbent is off work due to an injury or extended illness of thirty (30) days or more, and where the employee being laid off has the qualifications according to the General Provisions of this Section.

(2) If an employee scheduled for layoff is unable to transfer to a vacant position as provided in (a), or bump into another position as provided in (b), and if a temporary transfer is offered to a position at the same or equivalent classification or level, the employee shall accept the temporary transfer. Similarly, if a temporary transfer is offered, but the position is at a lower classification or level than that previously held by the employee, acceptance of the transfer shall be at the option of the employee.

(3) Should the incumbent return to active status, the employee temporarily transferred will be laid off and be eligible to exercise the provisions of this Article, including bumping rights. Should the incumbent be unable to return to work and the position **IS** declared vacant, the employee temporarily transferred will be transferred to the position on a permanent basis if the position is the same as or equal to the classification or level previously held by the employee. Should the position be of a lower classification or level than that previously held by the employee, the employee will be given the option to accept the permanent transfer or be laid off, and be eligible to exercise the provisions of this Article, including bumping rights.

C. Recall. When the working force is increased after a layoff, employees shall be recalled in order of seniority and shall be subject to the same conditions of layoff. An employee on layoff will be recalled to a position within the same classification. An employee may elect to be recalled to the first available position that he/she is qualified to perform rather than waiting to be recalled to his/her original classification. The following general rules shall apply:

1. Notice of recall may be given by telegram, or by registered or certified mail. In case of notice given by telegram or mail, the employee's last address of record with the City shall be used.

2. An employee who fails to report for work when notified to do so by telegram or mail, by the starting time of his/her shift on the sixteenth (16th) calendar day after the date such notice is received, or by the starting time of his/her shift, on any later day on which he/she was instructed to report, shall likewise be deemed to have quit and shall lose seniority. However, if an employee's failure to report for work is on account of illness or injury or other serious reason beyond his/her control, he/she may retain his/her seniority if he/she has notified the City's Personnel Director of such reasons by telegram or by registered or receipted mail, received prior to the deadline for his/her reporting for work. It is recognized that the City may require substantiation of the reason given by an employee. If it is not substantiated promptly upon request of the Personnel Director, the Personnel Director may determine that the employee's loss of seniority shall stand.

3. An employee who is laid off for a period equal to his/her seniority at time of layoff, or for a period of five (5) years, whichever is the shorter period, shall cease to have seniority and his/her name shall be removed from the seniority list.

SECTION 5. Length of service. For purposes of Article 7 and Article 8, seniority shall be defined as the continuous length of service since the employee's last date of hire with the City.

ARTICLE 7

At the time of the death of a spouse, child, step child, parent, step parent and parent of a current or deceased spouse, an employee will be entitled to use a maximum of the next five (5) work days with pay, not to be deducted from the accumulated sick leave, to arrange for and/or attend the funeral.

An employee will be entitled to use a maximum of three (3) work days with pay, not to be deducted from the accumulated sick leave, to make arrangements and attend the funeral for any other immediate family member. A period of time taken off for bereavement under this section which is less than or equal to one-half day, shall only be considered one-half day. A period of time taken off in excess of one half day shall be considered a full day.

The City may require verification of the death and/or of the relationship of the employee to the deceased, at its discretion, following the leave and before making payment for the bereavement time. The City may withhold payment if the employee did not make prompt notification for leave, prior to taking the time off, so that his/her work would be covered in his/her absence.

In the event of the death of a member of the immediate family, including spouse, child, step child, parent, parent of a current or deceased spouse, and step parent, additional time may be taken off, with the approval of the Department Head. This time off may be charged to vacation, personal leave time or compensatory time earned.

SECTION 2. Holidays. The City will pay a full-time employee, as provided below for the following holidays:

- One Full Day Prior to New Year's Day
- New Year's Day

Provided that the employee meets all of the following eligibility rules:

He/she works or is paid pursuant to this Agreement, the full period of his/her last scheduled work day prior to, and his/her next scheduled work day following, the holiday.

When a holiday falls on a Saturday, the preceding Friday shall be observed as the holiday recognized by this Agreement; when it falls on a Sunday, the following Monday shall be so observed as the holiday, excepting that, whenever state or federal statute requires that any of such holidays be observed on a day or date other than as set forth above, the holiday shall be observed on the day or date prescribed by state or federal statute, whichever is controlling.

When two consecutive holidays fall on Sunday and Monday, the holidays shall be observed on Monday and Tuesday. When two consecutive holidays fall on Friday and Saturday, the holidays shall be observed on Thursday and Friday.

An employee who is subject to the FLSA and who works any of the holidays designated above shall receive one and one half (1-1/2) the hourly rate for all hours worked in addition to the holiday pay. At the employee's option the employee may receive an additional eight (8) hour day off instead of the holiday pay. An employee who is exempt from the FLSA and who works any of the holidays designated above shall receive compensatory time in lieu of pay for all hours worked at the rate of one and one-half (1-1/2) times, in addition to holiday pay.

SECTION 3. Hospital, Medical, Surgical Insurance.

A. Traditional Blue Cross/Blue Shield. The City shall provide as the base plan for all active employees: Blue Cross/Blue Shield Community Blue PPO 1, Option 1, (\$0 co-pay for emergency room, \$500 annual maximum per person for preventative services, 50% co-pay for mental health and substance abuse). Such insurance shall include a prescription program with Blue Cross/Blue Shield \$10.00 Preferred RS Co-pay, MOPD (Mail Order Prescription Drug Service), PDCM (Prescription Drug Contraceptive Medicine). This plan shall be the base health care plan for all bargaining unit members. The City shall pay no more than the amount paid for the BC/BS Community Blue plan provided for in this section for bargaining unit members each health care contract year. Such changes shall become effective the 20th of the month after special open enrollment following ratification of the 2000 agreement by both parties.

Current BC/BS traditional and plan d medical, hospital, and surgical insurance will no longer be available for active employees following ratification of the 2000 agreement.

The City will provide complimentary health care coverage (coordinating with medicare) when an employee or spouse reaches the medicare eligibility date, with no reduction in benefits or coverage.

B. Optional Coverage. As long as they are available, the City will provide as an option, one open panel or group practice health maintenance organization and one closed panel or individual practice health maintenance organization. The City shall request that coverage and co-pays associated with optional health care plans become more cost effective in comparison with the base plan. The union may approach the City to request a reduction in benefit levels under this provision when the costs of optional coverages become excessive.

Any changes will become effective the 20th of the month after special open enrollment following the 2000 contract ratification.

1. As an open panel or group practice health maintenance organization, the City shall provide as an option, coverage through Blue Care Network (BCN5). Such Blue Care Network coverage shall include an optical rider and a Preferred RX \$10.00 prescription co-pay.
2. As a closed panel or individual practice, the City shall provide as an option, coverage through Physicians Health Plan. A description of Physicians Health Plan is available through the City's Personnel Department.

C. Enrollment. An employee shall become covered by insurance or a health maintenance organization effective on the 20th day of the month following the month of the employee's hire date, through his/her completion of the required forms (at time of hire, rehire, or during an annual enrollment period), and his/her acceptance by Blue Cross-Blue Shield Community Blue PPO, other preferred provider organization, or a health maintenance organization as a participant. Such forms, and information as to the Plans, shall be available at the City's Personnel Office.

For a seniority employee or a probationary employee after the completion of one hundred twenty (120) calendar days the City will pay one hundred percent (100%) of the premium for single-person or full family semi-private coverage, provided the employee makes the first four (4) premium payments through payroll deduction or waits to enroll during the annual enrollment period. Such deduction and any other deduction pursuant to this Agreement, will not be made from pay for the same payroll period.

Effective April 10, 2000, the City agrees to pay 100% of the premium for single, double, or full family coverage (up to the appropriate premium under the base plan) for each employee hired into the bargaining unit. Such coverage shall become effective on the 20th day of the month following the month of the employee's hire date. In the event

the employee does not successfully complete his/her one hundred twenty (120) day probationary period (for salary level 26 and below) or his/her six (6) month probationary period (for salary level 27 and above), or terminates employment with the City of Lansing for any reason whatsoever during his/her one hundred twenty (120) day/six (6) month period, said employee shall be required to reimburse the City for all hospital, medical and surgical insurance premium costs paid by the City on his/her behalf. Employees shall be required at the time of hire to fill out a payroll deduction authorization form.

D. Employee contributions for members of the Defined Contribution Money Purchase Plan:

1. Effective October 1, 2000, members of the Defined Contribution Money Purchase Plan shall contribute three and one quarter percent (3.25%) of their gross annual wages through payroll deduction for health care.
2. These non-refundable employee contributions shall be made regardless of whether the employee elects non-participation or to opt out of City provided health care.
3. The City will allow health care deductions to be paid through the Section 125 Plan on a pre-tax basis as allowed by law. An employee must make an annual election to participate in the Section 125 Plan in order to have the contributions referenced in subsection D.1 above withheld on a pre-tax basis.
4. The union recognizes that pre-tax contributions may affect the maximum eligibility for 457 plan deferrals.

E. Premium Computation. The employee shall be responsible for any cost differential between the base plan premium and their chosen plan premium through payroll deduction.

F. Substitute Carrier. The City reserves the right to substitute another carrier if it would be economically advantageous, providing the current level of benefits are maintained or improved.

G. Opt Out.

1. Procedures. The parties will meet and mutually agree to written procedures for implementation of the terms of an opt-out program.
2. Members of the bargaining unit currently enrolled in a City group health care plan, up to a maximum of fifteen percent (15%) of each bargaining unit, will be allowed to opt out of the City's health care plan annually, during the City's

open enrollment period¹ provided the employee provides written proof of coverage from another source other than a City plan, exclusive of coverage provided through a City plan available to a spouse who is a current or retired City employee. Employees shall not be eligible for the opt out provision until they have successfully completed their probationary period.

Re-enrollment in one of the City's medical insurance plans will only be permitted at the time of the City's open enrollment which is at least one (1) year from the initial date of the opt out with the following exception. In the event the bargaining unit member loses his/her alternative coverage and provides written documentation of loss of such coverage, re-enrollment in one of the City's medical insurance plans will be permitted and the effective date of coverage will be as soon as allowable by the applicable insurance vendor.

3. Payment. Any employee who opts out of the City's group health care plan will be eligible to receive a maximum of \$1500 or the applicable prorated amount in any year for the period of time which they receive coverage from a source other than the City. Such payment shall not be eligible to be considered in the calculation of the employee's final average compensation. In addition such payments shall be made at least twice a year, by separate check, following the period of time the employee had alternate coverage from a source other than a City plan except as provided above. Employees who do not choose to opt out shall incur no additional cost other than those costs provided in above sections which the employee may currently be paying.
4. Cancellation. In the event that IRS Code, Section 125 and/or opt out plans are no longer permissible under State or Federal statutes or IRS regulations, the City may cancel this option.

H. Retirement Health Care Coverage. Eligible retirees and eligible members of the City's Defined Contribution Money Purchase Plan (DCMPP) shall be covered by the same insurance as active bargaining unit members and shall be subject to the same premium computation requirements as active employees, i.e., the employee shall be responsible for any cost differential between their applicable computation baseline and their chosen plan through payroll deduction as applicable.

1. Employees hired before October 29, 1990, shall become eligible retirees under this provision when they are eligible to receive age and service retirement benefits (deferred or immediate) or a disability retirement under the terms of the General Employees' Retirement System ordinance

¹Initially a special opt-out period may be implemented outside of the City's open enrollment period.

consistent with the practice then in effect, provided that they work at least eight (8) years for the City.

2. Employees hired on or after October 29, 1990, shall not become eligible retirees under this provision. Instead, the City shall contribute 1% of the employee's gross salary to the Defined Contribution Money Purchase Pension Plan on behalf of the employee during the employee's active service as set forth in the retirement pension provision, Article 8, Section D, of this agreement.

Effective October 1, 2000, the City's one percent (1%) contribution of gross annual wages to the eligible employee's DCMPP, referenced in the above paragraph, shall be combined with the City's five percent (5%) contribution and applied toward each covered employee's retirement account within the DCMPP, as noted in detail in Article 8, Section 4b.

Effective October 1, 2000, for employees hired on or after October 29, 1990, the City agrees to provide and pay one hundred percent (100%) of the premium (including dental insurance) for single, double, or full family coverage (up to the appropriate premium under the current base plan provided to active employees) beginning at the date of termination of employment with the City, or at age fifty-five (55), whichever is later, provided the employee has at least fifteen (15) years of applicable full-time service with the City (including full time service prior to October 1, 2000). This coverage shall be the same insurance coverage provided to active employees.

Employees who terminate employment with the employer prior to October 1, 2000 shall not be eligible for modifications to the retiree health care language that take effect October 1, 2000.

(A) In the event a member dies prior to age fifty-five (55), and has fifteen (15) years of service, the member's spouse and eligible dependents at the time of death will retain vested health care benefits. Eligibility for these health benefits will commence at such time that the deceased member would have obtained age fifty-five (55).

(B) Eligible employees, as defined above, must select post retirement health care prior to age seventy (70).

(C) Retirement Health Care Opt Out.

- (1) Eligible members (minimum 15 years of service and age 55) of the Defined Contribution Money Purchase Plan shall be allowed to opt out of the retirement health care plan annually

during the first open enrollment period following the date they reach the eligibility age of fifty-five (55), continuing through age sixty (60). During the first open enrollment period after reaching age sixty (60), the eligible member must irrevocably select one of the following (any of which, once selected, will be in effect to age seventy (70), with one exception noted in the paragraph below):

- (a) Elect to receive the opt out dollar amount listed above. The total City commitment for Retirement Health Care Opt Out would end at age seventy (70), subject to Article 7, Section 3 b above.

or

- (b) Elect to participate in the health care Plan provided, in which the total city commitment for retirement health care opt out would end.

or

- (c) Elect not to participate in either (1) or (2), in which case the City commitment for Retirement Health Care Opt Out would end.

Subject to the above conditions, re-enrollment in one of the City's retirement health care plans will only be permitted at the time of the City's open enrollment which is at least one year from the initial date of the opt out, with the following exception: In the event the member loses his/her alternative coverage prior to age seventy (70) and provides written documentation of loss of such coverage, re-enrollment in one of the City's medical insurance plans will be permitted and the effective date of coverage will be as soon as allowable under the applicable insurance vendor. After such re-enrollment, retiree health care opt-out will no longer be permitted to that member.

- (2) It is the employee/retiree's responsibility to contact the City regarding their opt out, and to provide the City with their current mailing address.
- (3) Payment. Eligible members of the Defined Contribution Money Purchase Plan who opt out of the retirement health care plan shall be eligible to receive the amount provided for active employees referenced in Article 7, Section 3 g. Such payment

shall be made in equal installments at least a year following the period of time to member had opted out.

3. Complimentary Health Care Coverage. The City will provide 100% paid complimentary health care coverage as the base plan for people qualifying under Article 7, Section 3, Subsection H, Paragraphs 1, 2, or 3 above at the time the individual or spouse reaches the medicare eligibility age. At the time an eligible retiree, eligible member of the City's Defined Contribution Money Purchase Plan, or current spouse reaches the medicare eligibility date, such individual's coverage shall be converted to complimentary coverage. Benefits and coverages under complimentary health care coverage shall not be reduced from that provided in the base plan in effect.

I. Duty to Report Dependent Changes. Employees and retirees participating in any City health care plan are required to report changes in the status of dependents listed with the City as covered by the plan within thirty (30) calendar days of such changes in status. Failure to report such changes within the specified time limit shall result in the employee or retiree being responsible to reimburse the City for any costs incurred by the City to continue coverage of the designated dependents.

SECTION 4. Dental Insurance Coverage.

A. Active Employees. The City shall continue to pay the full premium costs of Delta Dental Plan C coverage for each employee and his/her family. Plan C provides fifty percent (50%) of treatment costs of Class I and Class II benefits with an \$800 maximum per person per contract year. Coverage under this plan is afforded to each employee who is a member of this bargaining unit and his/her dependents. When an employee and spouse are both employed by the City and eligible for coverage, dental benefits shall be coordinated in accordance with the policy of the insurance carrier. Additionally, employees and their dependents will receive orthodontic coverage which provides fifty percent (50%) of treatment costs, with a \$1,000.00 lifetime maximum per person.

B. Retiree Dental Insurance Coverage. Eligible retirees shall be covered by the same insurance as active bargaining unit members.

1. Employees hired before October 29, 1990, shall become eligible retirees under this provision when they are eligible to receive age and service retirement benefits (deferred or immediate) or a disability retirement under the terms of the General Employees' Retirement System ordinance consistent with the practice then in effect, provided that they work at least eight (8) years for the City.
2. Employees hired on or after October 29, 1990, shall not become eligible retirees under this provision.

Effective October 1, 2000, employees who retire on or after October 1, 2000 and who were hired on or after October 29, 1990, shall become eligible for retiree dental insurance under this provision beginning at the date of termination of employment with the City, or at age fifty-five (55), whichever is later, provided the employee has at least fifteen (15) years of applicable full-time service with the City (including full-time service prior to October 1, 2000).

SECTION 5. Jury Duty or Witness Pay Supplement. During the period when an employee is performing required jury duty service or is required to serve as a witness in a criminal action as a result of being served with a subpoena, the City will pay the employee, the difference, if any, between any fees for jury service or witness service and the pay he/she would have received had the employee worked his/her scheduled hours during his/her period of jury duty or witness service, provided that the employee gives the Department Head prompt notice of the call for jury service or witness service and, thereafter, provides evidence of his/her performance of jury service or witness service and of the payment he/she received for it.

For witness service which is directly related to the employee's assigned job duties, the employee shall receive his/her appropriate rate, however, any witness fees received shall be submitted to the City.

SECTION 6. Life Insurance. The City agrees to pay the premium on a base \$50,000 of group life and \$50,000 Accidental Death and Dismemberment Insurance for regular full-time employees.

Such employees shall have the option of obtaining at their cost dependent life insurance according to the following schedule:

<u>Classification</u>	<u>Amount of Insurance</u>
Spouse	\$25,000
Unmarried child, age 14 days to 6 months	\$ 500
6 months to 23 years	\$ 2,000

Further, employees who retire and receive a pension, other than a deferred vested pension, may continue \$3,000 of group coverage on a contributory basis.

This coverage is subject to the conditions set forth in the booklet "Group Life Insurance Plan" available in the Personnel Department.

The City reserves the right to substitute another carrier of this coverage, provided the fundamental provisions of the present plan will not be changed.

SECTION 7. Sick Leave. During the period of an employee's absence from work due to his/her illness or injury, including pregnancy, or an illness or injury in his/her immediate family, an employee will be paid from his/her sick leave credit, hereinafter provided for, in accordance with the following conditions:

A. Notification Requirements. An employee who falls ill or is injured and who expects to be off work so as to use sick leave credit, with pay, must notify a supervisor in his/her department or designated location as promptly as is practicable under the circumstances but, in any event, not later than his/her starting time. In exceptional circumstances the City may waive this requirement. Employees who are assigned to continuous operations (24 hours per day) must notify the supervisor on duty not less than one (1) hour prior to the time he/she is scheduled to report for work. In exceptional circumstances the City may waive this requirement. Sick leave shall be used in initial minimum increments of one (1) hour and in one-quarter (1/4) hour increments, thereafter.

B. Usage for Waiting Period Under Workers' Compensation. An employee's sick leave credit may be used to cover his/her "waiting period" under the Workers' Compensation Act and thereafter, to make up the difference between his/her Workers' Compensation payments and his/her regular wage.

C. Physician's Certification. The City may require a physician's certificate to confirm the reason for an absence from work for which an employee makes an illness or injury claim against his/her sick leave credit, if the absence occurs the day before or after a holiday, the day before or after a vacation period, or the day before or after his/her scheduled day(s) off, or if the employee has been absent five (5) or more times during the past six (6) months. If the City requires a physician's certificate at any time, the City shall pay the expense.

Should a pattern of absenteeism become evident, disciplinary action may be taken. Upon evidence of an absence pattern, management may review the employee's absenteeism record for the previous twelve (12) month period. Such review shall be used to determine whether disciplinary action is appropriate. "Patterns" may include, but shall not be limited to, frequent use of sick leave, over-utilization of sick leave credit banks, and sick leave taken adjacent to holidays, weekends, and other scheduled days off work. Progressive disciplinary concepts shall be applied.

SECTION 8. Sick Leave Donation. Whenever an employee shall have exhausted all of his/her sick leave, vacation leave and compensatory time, the Union may make a written request to have its members donate accrued leave time to a non-supervisory or supervisory bargaining unit employee. All such requests shall be approved subject to the following conditions:

1. Total received donations shall be limited to sixty (60) work days restricted to employees who have a nonoccupational illness or injury.

2. If the determination is of permanent disability, the other provisions of this Agreement and the City's ordinance and Charter shall take effect.

SECTION 9. Sick Leave Credit. An employee shall be credited with 3.70 hours of sick leave with pay upon completion of each bi-weekly payroll period of service to a maximum accumulation of one-thousand four-hundred fifty-six (1,456) hours, which the employee may use as set forth in Section 1 and 10 of this Article. Sick leave earned beyond the maximum cap of 1,456 hours shall be forfeited. No sick leave credit shall be accrued by an employee during an unpaid leave of absence.

An employee or his/her beneficiary will be paid for one-half (½) of his/her unused accrued sick leave credit at the date of his/her retirement or death while an active employee, not exceeding six-hundred eighty (680) hours and subject to the procedure as enumerated in the Official Proceedings of the City Council of the City of Lansing, Michigan, March 6, 1967, beginning on page 262 thereof. An employee who otherwise leaves the City's service prior to vesting may not cash in any part of his/her unused sick leave accrual when he/she leaves. Except that an employee who is a member of the Money Purchase Pension Plan (Defined Contribution Plan) and who has vested in the plan shall be eligible to receive payment of the specified sick leave accrual upon termination of employment with the City.

SECTION 10. Sick Leave Reimbursement. The City agrees to pay employees who use eight (8) or less hours of sick leave during the twelve (12) month period between October 1 and September 30 of any year one-hundred fifty dollars (\$150.00); payable not later than December 15 of each year. This proposal is subject to the following conditions:

A) This payment shall not be included in the Final Average Compensation for calculating retirement benefits.

B) Sick leave that is donated shall be considered as sick time used.

SECTION 11. Vacation Leave.

B. Scheduling. Vacations will be scheduled at a time mutually agreeable to the employee and his/her Department Head at such time(s) as will least interfere with the efficient operation of the department and with due regard for the expressed preference of the employee.

Vacation leave is expressed in work hours so that an employee who desires may take vacation leave in increments of one (1) hour. Vacation leave must be taken in minimum increments of one (1) hour.

SECTION 13. Longevity Bonus. All regular full-time employees covered hereby shall be entitled to receive a longevity bonus for length of service with the City according to the following rules and schedule of payment:

(A) Longevity bonus, shall be computed as a percentage of an employee's regular annual base salary or wage. Base salary or wage shall be that salary or wage which an employee is being paid on the first regularly scheduled pay period of the fiscal year in which a longevity bonus is due. Base salary or wage shall not include overtime pay, premium pay or uniform allowance. Longevity bonus shall be based on full time, continuous service.

(B) Following completion of five (5) years of continuous full time service by October 1 of any year and continuing in subsequent years of such service, each employee shall receive annual longevity payments as provided in the schedule.

(C) To be eligible for longevity payment subsequent to the first payment, an employee must have completed continuous full-time service equal to the service required for original eligibility plus a minimum of one additional year of such service for each payment, excepting that employees who retire between October 1st dates shall be eligible for a pro-rated payment as outlined under Subsection F below.

Department Heads shall indicate, in the manner prescribed by the Controller, the amount of longevity bonus due each such employee and the Controller shall then authorize payment as of December 1 of each year.

(F) Longevity Bonus Schedule:

10 or more and less than 15 years	4% of annual wage
15 or more and less than 20 years	6% of annual wage
20 or more years	8% of annual wage

(G) Employees who are eligible for longevity bonus payments and who retire on a service or disability retirement basis shall be paid a pro-rated longevity bonus. Such pro-rated payment shall be based on the number of calendar months of full-time service credited to an employee from the preceding October to the date of retirement. An employee whose service with the City terminates for any reason, including retirement, between October 1 and December 1 of any year, shall be paid the longevity bonus immediately upon termination or retirement. 3. The City will maintain a 414(h) I.R.S. code provision (pre-tax contributions) for employee contributions withheld after January 1, 1997. The union recognizes that pre-tax contribution may affect the maximum eligibility for 457 plan deferrals.

SECTION 3. Option to Return to the Employees Retirement System (ERS). This section is applicable to employees who were hired prior to October 29, 1990 and who previously transferred out of the Employees Retirement System (ERS) into the Defined Contribution Money Purchase Plan.

The City will provide a one-time option to employees who transferred out of the Employees Retirement System to return to the Employees Retirement System from the Defined Contribution Money Purchase Plan.

Employees shall not be required to make any change in retirement plans. Any change would be totally voluntary.

Members may transfer assets of the Defined Contribution Money Purchase Plan or other available assets.

Payment for service credits purchased must be completed by September 1, 2000. This deadline will be extended for individual employees only in the event that the actuary does not complete an individual employee's determination of costs for purchasing years of service by July 1, 2000. The extension of the September 1, 2000 deadline would be by the equivalent number of days that the actuarial determination due July 1, 2000 was delayed.

6. Employees who retire prior to October 1, 2000 shall not be eligible for modifications to the retirement language that take effect October 1, 2000.

SECTION 4. Defined Contribution Money Purchase Plan. The City provides an alternative plan to the current defined benefit retirement plan under the General Employees Retirement System. Another provider may be substituted if it would be economically advantageous, ensuring that the current level of benefits are maintained or improved.

E. Following approval of plan amendments by the IRS, members of the Defined Contribution Money Purchase Plan may make up to eight percent (8%) voluntary contribution to the plan to the extent permitted by law.

F. Effective October 1, 2000, the City agrees to pay all administrative fees associated with the Defined Contribution Money Purchase Plan.

Employees who, subsequent to their date of hire, desire to become active members of an armed forces reserve unit, must notify their Department Head as soon as practicable.

Not more than two (2) employees shall be on such leave at any one time. The leave shall be requested sufficiently in advance to permit the City adequate time to cover the work of the employee(s) for whom leave is required. A request for such leave for union business shall be in writing, shall be submitted by the Union to the City's Labor Relations Administrator and shall state the specific purpose for which leave is requested.

SECTION 5. Sick Leave Without Pay. An employee who is ill or suffers an injury and is incapable of performing his/her customary duties shall be subject to the terms of the Family and Medical Leave Act of 1993 (29 CFR, Title 29, Chapter V, Subchapter C. Part 925).

SECTION 8. Waiver Clause. The parties acknowledge that during the negotiations which resulted in this Agreement each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining and that the agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the City and the Union, for the life of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to or covered by this Agreement and with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subject or matter may not have been within the knowledge and contemplation of either or both of the parties at the time they negotiated or signed this Agreement.

ARTICLE 11

DISCIPLINARY ACTION, DISCHARGE, SUSPENSION

SECTION 1. Definition. A representative of the City may discipline an employee for just cause. Such discipline may take the form of a verbal reprimand, a written reprimand, a disciplinary suspension, or discharge, depending on the seriousness of the offense and the facts and circumstances involved in each case. In determining appropriate disciplinary action on a current charge, the City will consider the seriousness of the incident and any prior infractions which did not occur more than two (2) years previously.

SECTION 2. Notice of Investigation. Within fifteen (15) working days, including paid holidays, after becoming aware of the conduct or incident complained of, a representative of the City shall provide the employee with a written and signed statement of the nature, date and time of the offense, unless such notification would interfere with, or jeopardize a pending investigation.

SECTION 3. Notice of Discipline. Within thirty (30) calendar days of the date of the alleged offense or the employer's knowledge of the alleged offense which may subject an employee to disciplinary action, a representative of the City shall give the employee either:

- 1) a written and signed statement of the nature of the employee's offense, of its date and time, of the penalty assessed, and of the date and time the penalty becomes effective; OR
- 2) a written notice of pre-determination hearing, its date, time and location, and the nature of the employee's offense.

In either case, as immediately as is practicable thereafter, the City's representative shall provide the employee's Steward, or in the Steward's absence another Union representative, with a copy of the above notice. If a pre-determination hearing is held, and disciplinary action is deemed appropriate by the City representative, the statement described in (1) above, will be provided to the affected employee and Union representative within five (5) work days after the hearing; provided, this time limit may be extended by the parties for purposes of investigating new information provided at the hearing.

SECTION 4. Discussion with Steward. Upon request, the discharged or suspended employee must be allowed to discuss his/her discharge or suspension with his/her Steward and the City will make available an area where he/she may do so before he/she is required to leave the property of the City. The Department Head or his/her designated representative must discuss the discharge or suspension with the employee or his/her Steward as immediately as is practicable, if requested to do so.

SECTION 5. Expedited Grievance. Should the Union consider the discharge to be improper, an employee or a union representative shall submit within five (5) work days of the effective date of the discharge or suspension a written grievance to the Labor Relations Office, with a copy to the Department Head, in accordance with Step 3 of the Grievance Procedure. Discharge and suspension cases shall be processed in accordance with the rules and procedures of the Grievance Procedure.

SECTION 6. Suspension Pending Determination. Under circumstances where he/she deems it appropriate to do so, a representative of the City may suspend an employee pending investigation to determine whether or not disciplinary action is warranted and, if so, the penalty to be assessed. Such suspension shall be with pay, and in no case shall the suspension exceed thirty (30) days following the date of suspension. However, in the case of a serious offense, including but not limited to serious criminal violations,

suspension with pay shall be limited to ten (10) days and, thereafter, shall be without pay. If no penalty has been assessed within that period the employee shall return to work and shall be paid for time lost during suspension. If disciplinary action is taken within the suspension period, it shall be effective from the time of suspension. The employee's Steward, or, in his/her absence another Union representative, shall be given a copy of the notice of discipline, and the employee's right shall arise to pursue the procedures above provided for the situation where disciplinary action is taken initially, without a period of suspension.

GRIEVANCE PROCEDURE

SECTION 1. Definition of a Grievance. A grievance is defined as a claim as it relates to the interpretation and/or application of this agreement. In order to be a proper matter for the grievance procedure, the grievance must be submitted within ten (10) work days from date the employee concerned became knowledgeable of or should have known of the event giving rise to the alleged grievance. Any grievance filed shall refer to the specific provision or provisions alleged to have been violated and shall adequately set forth the facts pertaining to the alleged violation.

A. For the purpose of the grievance procedure, a day shall mean Monday through Friday, excluding holidays, and shall not include the day on which the grievance is presented or appealed by the Union, or is returned to it by the City. The representatives of the City and the Union shall acknowledge receipt of the grievances by signing and dating the grievance when presented, or received.

B. A grievance not advanced to the next higher level within the time limits provided shall be deemed permanently withdrawn, and as having been settled on the basis of the answer most recently given it. A grievance not answered within the time limits provided shall be automatically advanced to the next higher level.

C. For working time necessarily spent in investigating a grievance already submitted in the grievance procedure, or in discussion of such a grievance with the City's representative(s), one (1) Union representative employed by the City shall be paid, at his/her regular, straight-time rate for those hours during which he/she would otherwise have been at work for the City, from his/her report station including not more than one half (½) hour before and after a meeting with the respective designated management representative, it being agreed that such investigation or discussion shall be performed without undue loss of working time.

D. In no event shall any Union representative leave work for grievance purposes, above, without first notifying and obtaining the approval of his/her immediate supervisor, which must be granted as promptly as is practicable under the circumstances.

E. The City recognizes that the Union reserves the right to grieve, in accordance with the procedure hereinafter provided, when action taken by the City may be claimed to be contrary to a specific limitation set forth in this Agreement of the rights of the City.

F. The parties mutually agree that an employee covered by this Agreement shall immediately proceed to carry out any order or instruction given him/her by the City (unless doing so would obviously jeopardize the health or safety of the employee or others). The employee shall raise any question he/she has as to the City's right to give him/her the order or instruction, and the question must be based on a reasonable and sensible reading of a specific provision, or specific provisions, of this Agreement.

G. The Union acknowledges that counseling memoranda may be utilized by the employer. Counseling memoranda shall not be construed as disciplinary action.

H. The time limits at any step of the grievance procedure may be extended by mutual agreement of the parties' representatives at that step in writing.

SECTION 2. Steps of the Grievance Procedure. Any employee, at any time, may present a grievance to his/her immediate supervisor and have the grievance adjusted without intervention of the employee's Steward, if the adjustment is not inconsistent with the terms of this Agreement, and shall not be considered precedent-setting, provided that the employee's Steward has been given an opportunity to be present at such adjustment. The employee shall suffer no loss of pay for the time spent with his/her first line supervisor to discuss the grievance. If the issue is unresolved, the employee may contact his/her Steward who shall then reduce the grievance to writing on a mutually agreed upon form provided by the Union, and then present it according to the following procedure and to all of the rules for the Grievance Procedure as above defined. Failure to comply with all of the requirements as set forth in the following Grievance Procedure, or to the rules of the Grievance Procedure, may be used by management representatives at any step as a basis of permanent grievance denial.

STEP 1. A Steward or an Alternate Steward and/or the affected employee within the appropriate departmental division or location no later than ten (10) working days from the date the employee concerned became knowledgeable of, or should have known of the event giving rise to the alleged grievance shall first attempt to resolve the issue by discussing the matter with the immediate supervisor, or other representative designated by the Department, with an earnest attempt to settle the matter.

STEP 2. If the supervisor's or other designated department representative's answer in Step 1, denying a grievance, is not satisfactory to the grievant, the Steward may, within five (5) days thereafter, present to the employee's Department Head, or the person

designated by the Department Head to receive and answer grievances. The Department Head or representative shall investigate and answer in writing not more than five (5) days later.

STEP 3. If the answer of the Department Head in Step 2 is not considered satisfactory by the employee, the Steward may, within ten (10) days thereafter, present it to the City's Labor Relations Office. The City's Labor Relations Administrator or his/her designee, shall answer the grievance in writing no later than ten (10) days after it is presented to the Labor Relations Office. Any grievance concerning an employee who was disciplined by suspension or discharge, shall be presented at Step 3 of the Grievance Procedure.

STEP 4. If the answer of the Labor Relations Office in Step 3 is not considered satisfactory by the employee, the Union, within ten (10) days thereafter, shall request an appeal board hearing between the Union Business Representative of Teamsters Local 214, and the Labor Relations Administrator, or his/her designee. The appeal board hearing shall be limited to not more than three (3) Union representatives and three City representatives. Only one (1) Steward or Alternate Steward and the grievant shall attend an appeal board hearing that occurs during their regular working hours without loss of time or pay. Only one (1) employee representative other than the Steward shall attend an appeal board hearing concerning a grievance filed on behalf of more than one (1) employee, without loss of time or pay. Additional City witnesses or employees with special knowledge may attend an appeal board hearing with the prior written approval of the Administrator of Labor Relations. The meeting shall be held on a mutually agreeable date but not more than ten (10) days after the request is received by the City from the Union, unless extended by mutual agreement. At this meeting the Union and the City shall review the facts as they relate to the interpretation and application of the contract. The employer shall provide a written answer within ten (10) days of said appeal board hearing.

STEP 5. Grievance Mediation. If the grievance is not resolved at step 4 of the grievance procedure and the Union wishes to pursue the matter, the Union may, within seven (7) days of the date of the appeal board hearing, by mutual agreement only, file with the City and the Michigan Employment Relations Commission (MERC) concurrently a request for grievance mediation.

STEP 6. Arbitration. If the grievance is not resolved at the step 4 meeting or through grievance mediation, if mutually selected, and the Union wishes to carry it further, the Union shall file with the City a demand for arbitration within forty five (45) calendar days after receiving the step 4 answer or the conclusion of the mediation conference, whichever is applicable.

Within ten (10) work days after the receipt of the demand for arbitration is received by the City from the Union, the parties will select an arbitrator from the following list of permanent arbitrators by agreement if possible, otherwise by the parties alternatively

eliminating names from the list. The remaining one name shall be accepted as arbitrator by the parties.

Maurice Kelman
Mark Kahn
Mark Glazer
John Lyons
Ruth Kahn
George Roumell
Ellen Alexander

The arbitrator's decision shall be final and binding upon the employee(s) involved, the Union, and the City; and there shall be no appeal from any arbitrator's decision. Any fees and expenses of the arbitrator shall be borne equally between the City and the Union. The arbitrator is specifically prohibited from adding to, subtracting from, or modifying this Agreement in whole or in part; and the arbitrator's decision shall be based only upon a clear interpretation and/or application of the Agreement.

SECTION 3. Expedited Grievance. Any grievance concerning an employee who was disciplined by suspension or discharge or which concerns promotions, demotions, or layoffs shall be presented at Step 3 of the grievance procedure.

ARTICLE 13

HOURS OF WORK AND OVERTIME

SECTION 1. Hours of Work. Eight (8) hours shall constitute a normal work day and forty (40) hours a normal work week. This Section is intended to indicate the usual hours of work and shall not be construed as a guarantee of hours of work.

Provided, this section shall not preclude the parties from entering an agreement which redefines normal work day, or incorporating the concepts of core time, compressed time or flexible work schedules in individual departments which are consistent with the terms of this agreement relative to how leave time is accrued and used and eligibility for premium payments is set forth.

SECTION 2. Overtime. Overtime is defined as time worked in excess of forty (40) hours in a work week when authorized by the Department Head or his/her designee. Employees, except for those employees exempt from the Fair Labor Standards Act (FLSA), shall be compensated at the rate of one and one-half (computed at 152%) times the

employee's hourly equivalent of annual salary in effect at the time the overtime is performed (annual salary divided by 2088). For the purpose of computing overtime, holidays as defined in this agreement, paid sick leave days, paid personal leave days and paid vacation leave days shall be considered as days worked.

The appropriate Department Head or his/her designee may require personnel covered by this Agreement to work overtime hours. The City recognizes that such overtime assignments can be an inconvenience or a burden to some employees. During the life of this Agreement the City will strive to minimize the inconvenience or burden by attempting to notify the employees who are required to work overtime as far in advance as practicable.

A. No employee will have his/her work schedule altered for the purpose of defeating the payment of overtime.

B. In no case shall any employee be paid for any time not actually worked.

SECTION 3. Compensatory Time.

A. Employees Subject to the Fair Labor Standards Act

In lieu of receiving pay for overtime which is worked, an employee may elect to receive compensatory time off earned at the rate of one and one-half (1 ½) hours compensatory time off for one hour overtime worked. All compensatory time shall be earned and used in minimum increments of one-quarter (1/4) of an hour.

Compensatory time earned hereunder shall be cumulative up to a maximum total of eighty (80) compensatory hours during the fiscal year, provided that additional compensatory hours may be earned so long as they are used during the same pay period. Employees who use compensatory time in excess of their balance, as recorded by the Personnel Department, may be subject to docked pay. Accrued compensatory time will be paid at the employee's authorized regular rate of pay up to a maximum of eighty (80) compensatory hours at the employee's termination of employment. Accrued compensatory time shall not be paid upon an employee's retirement; however, accrued compensatory time, up to a maximum total of eighty (80) compensatory hours may be taken prior to the employee's last scheduled day of work.

B. Employees Exempt from the Fair Labor Standards Act

Compensatory time shall be earned at the rate of one and one half (1 ½) hours compensatory time for one (1) hour overtime worked and shall not be limited in its accrual during the fiscal year, provided that any amount in excess of one-hundred twenty (120) hours shall be forfeited if not used by the end of the fiscal year. Employees who use compensatory time in excess of their balance, as recorded by the Personnel Department, may be subject to docked pay. Upon an employee's compensatory time balance reaching eighty (80) hours, the employee's immediate supervisor and the employee shall jointly

develop a schedule to utilize compensatory time in a manner which minimizes operational impact and compensatory time loss.

Accrued compensatory time will be paid at the employee's authorized regular rate of pay up to a maximum of one-hundred twenty (120) hours at the employee's termination of employment. Accrued compensatory time shall not be paid upon an employee's retirement; however, accrued compensatory time, up to a maximum total of one-hundred twenty (120) compensatory hours may be taken prior to the employee's last scheduled day of work.

C. Compensatory time off will be scheduled at times mutually agreeable to the Department Head and the employee at such times as will least interfere with the efficient operation of the department and with due regard for the expressed preference of the employee. Compensatory time use will not be approved in cases where it will be necessary to pay another employee at overtime rates to cover the employee's time off. It is understood that compensatory time use requests will not be unreasonably denied.

SECTION 4. Work Breaks. An employee shall receive a twenty (20) minute break in the first half and a twenty (20) minute break in the second half of his/her regular shift, at times scheduled by the immediate supervision.

SECTION 5. Overtime on Sunday. All employees subject to the Fair Labor Standards Act who are scheduled by an appropriate Department Head to perform overtime work on a Sunday shall receive two (2) times the hourly equivalent rate, provided that he/she has worked forty (40) hours during his/her regular scheduled work week and has worked a full schedule on Saturday. Eligible employees may opt to receive compensatory time at double rate unless otherwise provided for in this Agreement.

Employees exempt from the Fair Labor Standards Act who perform work under the above provisions shall only be eligible to receive compensatory time at the rate stated herein.

SECTION 6. Overtime Refusal. Overtime shall not be refused to the employee because of the employee's choice of overtime pay over compensatory time, nor for disciplinary reasons.

SECTION 7. Absences Due to Adverse Conditions.

A. Non-emergency. In the event of adverse weather conditions or other conditions beyond the control of the employer which do not constitute an emergency as declared by the mayor requiring the general closure of city facilities:

1. Employees are required to report to work.

2. Employees who are, nevertheless, unable to report to work because of the adverse conditions will be allowed to utilize vacation, personal leave, or accrued compensatory time for the period of time that they are unable to report to work.
3. Employees who elect not to utilize compensatory time, personal leave, or vacation time may be granted an excused absence without pay for the applicable period.

B. Emergency. In the event of adverse weather conditions or other conditions beyond the control of the employer which do constitute an emergency as declared by the mayor requiring the general closure of city facilities:

1. Employees reporting and authorized to work shall be paid for the hours worked and receive an equal number of hours off at a later date.
2. Employees who do not work will be allowed to utilize vacation, personal leave, or accrued compensatory time for the period of time that they did not work.
3. Employees who are required to work on such days which constitutes an emergency requiring the general closure of City facilities shall receive one and one-half (1-1/2) hours of additional vacation leave for each hour worked up to eight (8) hours.
4. Employees, including salaried personnel, who are required to work on Saturday and/or Sunday when an emergency has been declared and remains in effect, shall be compensated with compensatory time off at one and one-half (1-1/2) times the hours worked on Saturday and double the time for each hour worked on Sunday.

SECTION 8. Pyramiding. Premium payments shall not be duplicated for the same hours worked nor shall overtime or premium hours be included in the computation of a forty (40) hour work week.

SECTION 9. Humanitarian Assignments. Nothing in this agreement shall be construed to abrogate the City's responsibilities under the Americans with Disabilities Act (ADA).

ARTICLE 14

WORK ASSIGNMENTS

Except as provided below, non-bargaining unit members shall not routinely perform the work that is normally performed only by bargaining unit members if in so doing it would displace the employment of a bargaining unit employee. It is mutually understood that there is some like work that is performed by both bargaining unit and non-bargaining unit members. The City shall strive to eliminate such over-lapping duties whenever practicable. Furthermore, nothing in this section shall prohibit the City from utilizing part-time employees to perform work in accordance with the limitations contained within this Agreement.

This provision shall not be interpreted as mandating that a bargaining unit member must be scheduled to work in all situations where non-bargaining unit members are working. Bargaining unit members shall be scheduled in the following situations: where non-routine decisions or actions are required, and where a bargaining unit member would normally be assigned to exercise discretion or apply technical knowledge.

ARTICLE 15

CLASSIFICATIONS/REORGANIZATION

SECTION 1. Reorganization. Whenever a position is combined or eliminated through a reorganization the employees whose positions were eliminated shall have the following rights:

A. In the event that the new position is created within the same Department that includes most of the duties of the eliminated position the incumbent employees shall fill the new position if they are qualified to perform all of the duties of the new position upon completion of the trial period of two (2) weeks. The position posting requirements of the Agreement will not be observed unless none of the employees to be displaced are deemed qualified.

B. In the event that a displaced employee does not fill a new position he/she shall have the right to exercise bumping rights in accordance with the bumping procedures within this Agreement.

C. Where more than one employee is displaced and fewer positions are established, the most qualified displaced employee shall fill the position. If displaced employees are equally qualified, the most senior employee shall fill the position.

SECTION 2. New Positions. In the event a new classification is established, the Union shall have the right to negotiate wages, hours and work conditions for new

classifications. If the parties are unable to reach agreement, the rate of pay shall be subject to the grievance arbitration procedure outlined in Step 4 of Grievance Procedure, providing the Union gives written notification of its intent to arbitrate to the City's Labor Relations Administrator within fifteen (15) days following the meeting of the parties on the subject.

SECTION 3. Classification Reviews. The City and the Union agree that the positions covered by this Agreement were evaluated by and the salary range established under the Hay system guide chart profile evaluation method. During the life of this Agreement a full time employee, or Department Head, who believes there has been a significant change in the job content of an existing position may request in writing that the City proceed with a classification review in accordance with the provisions of this Agreement. A contracted classification consultant of the Hay group will be responsible for determining classification levels based upon the Hay methodology.

In the event that the classification review determines that the position shall be reclassified upward, the reclassification will be effective the beginning of the next pay period following the receipt of the decision from the City's classification consultant. The employee will be placed in the new classification at the next step increment which affords the employee a salary increase. The employee shall subsequently be eligible for a merit step increase twelve (12) months from his/her last merit step increase pursuant to the terms of this agreement set forth at Article 21. There shall be no adjustment to the employee's merit eligibility date as a result of a reclassification determination.

If the classification review determines that the position shall be classified downward, the reclassification shall be effective the beginning of the next pay period following the decision of the City's classification consultant or, if the employee files an appeal in accordance with the procedure below, after the expiration of the appeal procedure time limits. Salary adjustments for downgraded positions shall be implemented according to the following method:

1. If the employee's present rate of pay (prior to reclassification) equals or exceeds the maximum step of the downward classification, the employee will continue to receive their present wage rate plus any wage adjustments under this Agreement provided they remain in the same position. The employee shall not receive any additional step increases that are available within the salary range. When the position is vacated, if posted, it will be reclassified at the appropriate level.

2. If the employee's present wage rate is less than the maximum step of the salary rate of the downgraded classification the employee shall be reclassified to the lower classification at the step increment that is equal to the employee's current wage rate (prior to reclassification). The employee shall be eligible for step increases that are available within the salary range of the lowered classification plus any wage adjustments under this Agreement.

One trained bargaining unit representative and the employee may attend all appeal hearings that consider reclassification of bargaining unit members and have a reasonable opportunity to present information and take part in the discussions.

SECTION 4. Procedure for Classification Review of Teamster Local 214 Positions.
Classification Reviews may be requested by any City employee, supervisor or Department Head according to the following procedure.

1. Employee obtains Reclassification Position Questionnaire from the Personnel Department.
2. Incumbent forwards completed Position Questionnaire to supervisor for review and completion of supervisor's section.
3. Supervisor forwards completed Position Questionnaire form to Department Head within fifteen (15) working days of receipt from incumbent.
4. Completed Position Questionnaire is forwarded to the Personnel Department within ten (10) working days from the time the Position Questionnaire is submitted to the Department Head.
5. Personnel Department logs and prioritizes Position Questionnaire by date of receipt.
6. Personnel Department staff representative conducts desk audits by interviewing the incumbent and appropriate supervisor and prepares the desk audit summary within fifteen (15) working days.
7. Personnel Department forwards Position Questionnaire and desk audit summary to the classification consultant who evaluates the position and provides a decision in writing to the Personnel Department within fifteen (15) working days.
8. Once a classification review request has been received from the classification consultant, the decision will be forwarded to the Department Head, incumbent, Labor Relations Office and Budget Office within five (5) working days of the date the decision was received from the consultant.
9. Reclassification decisions to reclassify a position upward shall be effective the beginning of the next pay period following the review by the classification consultant. Where the classification review indicates a downward reclassification of the incumbent's position, the reclassification will not become effective until the appeal procedure time lines, described below, have been exhausted.

If at any step in the process, the scheduled time frame cannot be met for good reason, an extension of not more than one equal time period can be utilized by informing the next level in writing with copy to the requesting individuals.

Each classification study which comes before the classification consultant may result in any of the following decisions: upward change, no change, downward change, change in title.

SECTION 5. Reclassification Appeal Procedure. Employees may appeal reclassification decisions made by the City's classification consultant. All such appeals must be processed in accordance with the following steps:

- Step 1. The employee, or either party must file a written appeal on forms furnished by the City, with the Personnel Department within ten (10) working days of written notification of the classification consultant's decision. The appeal form must include the specific reasons for the basis of the appeal.
- Step 2. All documentation provided regarding an appeal will be forwarded by the Personnel Department to the classification consultant. The appeal will be arranged by the Personnel Department at a time mutually agreed to by the consultant, Personnel Department, management, the employee and the Union representative. The employee may attend to present additional information.
- Step 3. The Personnel Department will provide the employee with a written answer from the consultant regarding the appeal within thirty (30) calendar days of the meeting.

ARTICLE 16

VEHICLES

As of the effective date of this contract, all employees who are assigned a motor vehicle shall continue to have one provided by the City as long as the motor vehicle is essential to the employee's job duties and the employee remains in his/her present position. The vehicle may be driven to and from work in accordance with existing City policies. Any employee hired after February 1, 1997, who is assigned a motor vehicle shall only be permitted to drive the vehicle to and from work if the employee maintains a bona fide residence within the City limits.

In all other cases if a motor vehicle is essential to an employee's job duty, at the City's discretion, a vehicle will be provided to the employee for the performance of the job duties, or the employee shall be reimbursed at the rate of the IRS standard mileage rate as determined by the most recent federal tax reports. In no event shall employees use vehicles to drive to and from work or be reimbursed for driving their own vehicles to and from work except as previously provided in this section and except where employees have returned after hours to attend meetings at the City Hall or other locations.

ARTICLE 17

SUBCONTRACTING

It is and has been the policy of the City to make every effort to utilize its employees to perform work when they are qualified to do so, but the City reserves the right to contract out any work it deems necessary or desirable according to dictates of good business practice. If it is anticipated by the City that the work to be subcontracted will continue for a period of more than thirty (30) days and the work is customarily performed by regular employees within the bargaining unit, the City agrees to discuss with the Union alternative approaches to such subcontracting prior to the time a decision to subcontract such work has been made by the City. In the event that any bargaining unit members are deprived of work as a result of outside contracting of work, the City agrees to use its best efforts to place those employees in others jobs subject to the City's legal or contractual obligations to other City employees. In the event that the City does not succeed in placing such an employee in another job and the employee is laid off, the City will provide layoff adjustment pay equal to the difference between the employee's ordinary weekly net take home pay and the employee's weekly unemployment benefit. The City will provide two (2) weeks of such pay for each full year of seniority, up to a maximum of twenty-six (26) weeks of pay. Payments shall continue only as long as the employee remains unemployed. "Net take home pay" means the amount left after taxes and FICA have been deducted.

ARTICLE 18

EQUIPMENT

When it is specifically stated in applicable federal or state law that "the employer shall provide" certain special safety devices, the City shall do so at no cost to the employee. When it is specifically stated in applicable federal and state law that the "employer shall

require" the use of certain protective devices, the employee shall, as a condition of continued employment, provide them at his/her expense. Up to fifty dollars (\$50) annually will be reimbursed for shoes that are in compliance with MIOSHA standards and are required for specified classifications, as determined by the Safety Administrator.

Employees who fail to use either provided or required special safety devices shall be subject to disciplinary action commensurate with the frequency and severity of the violation.

ARTICLE 19

EDUCATION AND TRAINING

The City shall reimburse employees for tuition and lab fees for approved college level course work or other departmentally approved training or education programs which are taken off duty. It is the understanding of the parties that eligible education and training will also encompass course work taken by the employee in order to help the employee take the necessary academic training to qualify for promotional opportunities. Reimbursement is subject to the following provisions:

1) Education and training program costs shall be reimbursed at a rate not to exceed the rate of \$400.00 per bargaining unit member per fiscal year. Non-credit job related and promotional training programs, tuition or registration fees shall be reimbursed at the actual cost, neither to exceed the annual reimbursement limit of \$400.00 per fiscal year.

2) All reimbursement requests must have prior approval and be submitted in accordance with established procedures.

3) Proof of attendance or successful completion of the course and proof of cost are required.

Special License Reimbursement Terms. Full-time employees covered by this agreement may also use the education reimbursement benefit for licenses and appropriate endorsements required for their respective positions. Reimbursement for these costs is subject to the overall limit for all education reimbursements in any fiscal year. This shall not include the cost of a basic operator's or chauffeur's license.

ARTICLE 20

PARKING/TRANSPORTATION SUBSIDY

Employees covered by this agreement shall be eligible for one of the following subsidies:

A. Public Transportation Subsidy: A monthly CATA bus pass at the City's expense or a subsidy equal to the cost of a monthly CATA bus pass to be used for SPECTRAN services.

OR

B. Parking Subsidy: Monthly parking paid by the City at the North Grand expansion ramp, except for employees whose work site is the North Capitol Ramp. Monthly parking shall be paid for by the City on the fourth level of the North Capitol Ramp for employees whose work site is the North Capitol Ramp on a space available basis.

C. Maximum Parking Subsidy: The maximum monthly parking subsidy will be equal to the price of monthly parking in the North Grand expansion ramp, except for employees whose work site is the North Capitol Ramp and who invoke the option to park in the North Capitol Ramp on the fourth level.

D. Location Selection: employees may choose to park in a lower cost facility or a higher cost facility based on space availability, applying the parking subsidy up to the cost for the respective facility or the maximum subsidy whichever is less.

ARTICLE 21

WAGES/DEFERRED COMPENSATION

SECTION 1. Wage Rates. Effective beginning the pay period on or immediately following February 1, 2000, the City agrees to increase by one and one-quarter percent (1.25%), the hourly wage on the existing schedule of salary and merit increment rates. Effective beginning the pay period on or immediately following February 1, 2001, the City agrees to increase by two and three-quarter percent (2.75%), the hourly wage on the existing schedule of salary and merit increment rates. Effective beginning the pay period on or immediately following February 1, 2002, the City agrees to increase by three percent (3%) the hourly wage on the existing schedule of salary and merit increment rates.

Merit increases shall not be granted for reasons of length of service alone. Such determination is to be based upon the evaluation of the employee's performance, skill, and ability demonstrated when carrying out their assigned duties. However, no single item shall negate overall satisfactory performance assessment unless it is of such severe nature that disciplinary action or suspension resulted.

SECTION 2. Wage Placement in Promotion. When a non-bargaining unit member is promoted into a Teamsters Local 214 classification, the employee will be placed at a step that is at least two percent (2%) higher pay than the step of the classification permanently held prior to promotion, subject to maximum level and pay for each step.

SECTION 3. Deferred Compensation. The City agrees to make available an IRS approved deferred compensation plan subject to the following conditions:

A. The City shall have sole discretion and responsibility in selecting a vendor(s) of the deferred compensation plan to be offered.

B. The City shall have sole discretion in changing vendors, changing administration of the plan itself and may change the deferred compensation plan at any time without notification to or negotiation with the Union. The City may in its sole discretion, discontinue the deferred compensation plan after fifteen (15) days notice to the Union.

C. Employees may participate in such a deferred compensation plan on a voluntary basis. Contribution shall be made through payroll deduction.

D. The only costs relative to the deferred compensation plan to be incurred by the City shall be those associated with the modification of the existing City payroll plan. All other costs shall be borne by the employees participating in the deferred compensation plan.

SECTION 4. Retroactive Payment. Retroactive payment will be made by separate check to each bargaining unit member on the active payroll as of the date of ratification of this agreement by both parties and to those bargaining unit members who retired between February 1, 2000 and the date of ratification by both parties.

ARTICLE 22

JOINT LABOR-MANAGEMENT COMMITTEE

The Union agrees to participate in a Joint Labor-Management Committee in order to maintain communications between labor and management and to cooperatively discuss, including but not limited to, residency for City employees and resolve matters of mutual concern. The criteria related to the meetings shall be as follows:

- 1) At least quarterly, or more frequently as mutually agreed, the mayor and/or his/her designees shall meet with the joint council of City unions, of which the bargaining units' business representative or his/her designee and one employee representative from each bargaining unit shall be members.
- 2) No less than five (5) days prior to the scheduled meeting, each party shall prepare and submit an agenda to the other. If neither party submits an agenda, no meeting shall take place.
- 3) Issues submitted for discussion will be mutually agreeable, provide an opportunity to share information and build trust and provide an opportunity to explore innovative alternatives to such matters in a non-confrontational atmosphere. Issues submitted that are not mutually agreeable to all parties will be stricken from the agenda and not discussed at the meeting.
- 4) By so participating in the committee, neither the Union nor the City waives any statutory or contractual right.

ARTICLE 23

CONTRACT TERM

EFFECTIVE AND TERMINATION DATES. This Contract shall become effective February 1, 2000, and shall continue in full force and effect until 11:59 p.m., January 31, 2003, and for successive annual periods thereafter unless, not more than ninety (90), but at least sixty (60) days prior to the end of its original term or of any annual period thereafter, either party shall serve upon the other written notice that it desires termination, revision, modification, alteration, renegotiation, change or amendment, or any combination thereof, and such written notice shall have the effect of terminating this Contract in its entirety on the expiration date in the same manner as a notice of a desire to terminate. In the event of the notice above referred to, the parties shall begin to hold negotiation meetings no later than forty-five (45) days prior to the termination date.

TEAMSTER LOCAL #214

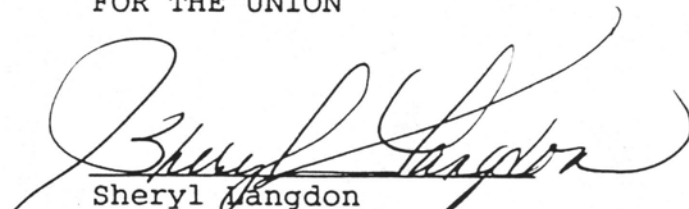

AFFIRMATIVE ACTION COMMITTEE

The Union and the City shall establish a Joint Labor-Management Committee in order to ensure that protected group members covered by the Elliott-Larsen Civil Rights Act (P.A. 453 of 1976 as amended) and the Michigan Handicappers Civil Rights Act (P.A. 220 of 1976 as amended) have equal access to employment opportunities with the City of Lansing. At least one year prior to the expiration of this agreement the committee shall commence meeting and shall:

- 1) review the selection processes to determine what impact, if any, existing practices in position descriptions, position titles, application forms, interview procedures, testing administration and testing validity have on recruiting and hiring protected group members covered by the Elliott-Larsen Civil Rights Act (P.A. 453 Of 1976 as amended) and the Michigan Handicappers Civil Rights Act (P.A. 220 of 1976 as amended);
- 2) recommend changes in any of these practices which create a barrier to recruiting and hiring protected group members;
- 3) by so participating in the committee, neither the Union nor the City waives any statutory or contractual right.

The City of Lansing agrees to indemnify and save harmless the Teamsters Local 214 Union from and against all claims or suits based upon this Memorandum of Understanding and its implementation.
