### RECOGNITION

- 1.01 The Board hereby recognizes the Local 214, affiliated with the International Brotherhood of Teamsters (hereinafter referred to as the "Union," as the exclusive bargaining representative, as defined in Section 11 of Act 379, Public Acts of 1965, for those employees included in the unit for bargaining as set forth in the paragraph below. The term "secretary" when used hereinafter in this Agreement shall refer to all employees within the unit. The term "Board" when used hereinafter shall refer to the Board of Education of the Lansing School District, its administrative agents and supervisory personnel.
- 1.02 The following secretarial personnel comprise, by way of illustration, this bargaining unit: Secretaries, Financial Transactions Clerks, Library Technicians, Data Entry Clerks, Office Service Clerks and all other personnel placed on the secretarial wage schedule, but excluding eight (8) unclassified secretaries, substitute secretaries and supervisory personnel.
- 1.03 The Board agrees not to negotiate regarding the terms and conditions of employment for bargaining unit members with any educational secretaries' organization other than the Union for the duration of this Agreement.

## ARTICLE II

### COMPENSATION

- 2.01 The hourly wages of secretaries covered by this Agreement are set forth in the Appendix A which is attached to and incorporated in this Agreement.
- 2.02 Authorized overtime worked in excess of eight (8) hours in one day or forty (40) regular hours in any one week shall be paid for at time-and-one-half of the regular rate.
- 2.03 When overtime is required, reasonable notice shall be given to the secretary involved, except in extenuating circumstances.
- 2.04 A secretary engaged during the working day in negotiating in behalf of the Union with representatives of the Board or participating in any grievance procedures which are scheduled by the Board or the Administration, shall be released from regular duties without loss of salary.

### ARTICLE III

#### HOURS OF WORK

- 3.01 The normal work day shall be eight (8) hours per day. The normal work week shall be forty (40) hours per week, Monday through Friday.
- 3.02 The lunch period will normally be scheduled for one hour. However, beginning the first week after school closes to the first week before school opens in the fall, the lunch period will be scheduled for one-half hour unless mutually agreed otherwise by the secretary and immediate supervisor.

### ARTICLE IV

#### PROBATIONARY PERIOD

- 4.01 New secretaries hired into the unit shall be regarded as probationary secretaries for the first six (6) months of active employment.

### ARTICLE V

#### FILLING OF VACANCIES

- 5.01 The major responsibilities and qualifications of each occupational index by class listed in Appendix B of the Agreement are identified in the Lansing School District's May, 1979 Classification Plan for the Clerical-Secretarial Service and serve as official class specifications. The Board retains the exclusive right to determine and assign the responsibilities, duties and tasks performed by bargaining unit members. In the event the Board intends to significantly alter the major responsibilities of an existing position or create a new position not previously in existence, the Board shall notify the Union prior to implementation of such change(s) and provide the Union the opportunity to discuss the effect of the change with the Board.
- 5.02 A. Newly created positions and vacancies within the bargaining unit shall be advertised for bargaining unit personnel and others through position vacancy notices posted in each building, copy to Union. An applying employee meeting the minimum posted qualifications will be interviewed by a selection panel appointed by the employer, unless the number of bargaining unit applicants is unreasonably large. Applying employees not meeting the minimum qualifications will be so notified prior to the interviews. In determining the individual to be selected for the position, consideration shall be given in accordance with the secretarial/clerical selection grid in Appendix F. The employer shall provide the Union with a written list of the applicants and the name of the successful candidate within 10 working days of the appointment. Unsuccessful Union candidates shall also be notified in writing of their non-selection and the name of the successful candidate within the same time period.

- B. Vacancies in level IV and level V positions will not be filled by a non-bargaining unit applicant unless no internal applicant possesses the minimum qualifications, or the selected non-bargaining unit applicant scores more points than all qualified internal applicants as determined by the secretarial/clerical selection grid.
  - C. This section shall apply to vacancies which are newly created positions and vacancies which are not filled by the recall of laid off secretaries pursuant to Section 14.03. However, a vacancy shall be posted in accordance with this section, rather than filled by the recall of a laid off secretary, if the vacancy involves more work weeks than the position held by the laid off secretary at the time he/she was laid off.
- 5.03
- A. Secretaries normally assigned to specific locations may expect to enjoy continuity in such assignments, except in instances where the school administration determines lateral transfers are required or will allow the Board to provide better service to the students and/or community. If a lateral transfer is determined to be required or appropriate by the school administration, the Union and affected employee(s) will be notified thirty (30) days, or more if possible, before the change is implemented. In cases of involuntary transfers, secretaries and the Union, if requested, shall have the opportunity to meet with the chief administrator for personnel matters and/or designee to discuss the transfer.
  - B. Secretaries that have elementary school assignments may expect to enjoy the continuity referenced above. However, if their current administrator has been assigned a lateral transfer from one elementary school to another, the secretary to the administrator may have the option of transferring with the administrator or staying at the current job location. If there is a secretarial employee at the second location that would be displaced and the two secretaries cannot agree which employee will be reassigned, the employee with the greater amount of Union seniority shall be allowed the final choice.
  - C. The Board reserves the right to temporarily reassign or temporarily transfer employees from one division to another division within a department and to train employees so that they are able to work in other divisions. Section 5.03 C does not apply to the reassignment or transfer of a building secretary to another building secretarial position because Section 5.03 A covers that topic.

For purpose of this Section, temporarily shall be defined as ninety (90) work days or less. The Board shall have the right to make a temporary reassignment or transfer in status within classification in accordance with this Section for more than ninety (90) work days only if it conducts a special conference with the affected employee(s) and Chief Steward for the purpose of discussing the reassignment or transfer and the need to exceed ninety (90) work days. An employee who is temporarily reassigned or temporarily transferred for purposes other than training shall be trained to perform the duties of his/her new assignment and the reason(s) for the reassignment or transfer. At the time of a temporary reassignment or temporary transfer, the employee and Chief Steward

shall be advised, if possible, of the estimated duration of the new assignment. In the event of a temporary reassignment or temporary transfer, the Board shall arrange for the performance of the duties of the position from which the employee is temporarily reassigned or temporarily transferred. This section shall not be construed as limiting the Board's rights to make permanent reassignments or transfers in connection with the filling of permanent vacancies which are posted pursuant to Section 5.02 A.

- 5.04 If a secretary is forced from a position due to a transfer and there are no job openings in the secretary's classification or a higher classification, the secretary would be paid the regular classification salary in a lower classified job until the secretary could be offered or assigned to a job in the secretary's classification or a higher classification.
- 5.05 New hires shall not be eligible to compete with other bargaining unit members for promotion or transfer until they have completed one year of service with the district as a member of the bargaining unit. No member of the bargaining unit may compete with other bargaining unit members for promotion or transfer within one year of being promoted or transferred. Exceptions to this provision may be made by mutual agreement between the Board and the Union.
- 5.06 The Board and the Union recognizes the significance and priority of increased racial and ethnic integration to approximate the racial and ethnic composition of the student population served by the Lansing School District. The Board and the Union shall promote an aggressive effort to recruit members of minority groups for employment in the schools.
- 5.07 The Board declares its support of a policy of promotions from within its own secretarial staff.
- 5.08 The Board will make a good faith effort to post and fill all new and vacant positions in a reasonable period of time unless the Board determines that a vacant position should be eliminated or not filled. The Board will not use temporary employees to avoid the creation of a new position except where it can be shown that the work satisfies one of the following definitions: (1) It is of a seasonal nature, temporary in duration, and the placement shall in no event exceed a total of twenty (20) weeks for the intended purpose; (2) It is of a temporary nature, the purpose is not anticipated to be recurring in nature, and the placement shall not exceed twenty (20) weeks without mutual agreement by the parties to extend the temporary placement; or (3) It is of a temporary nature, to assist the regular work force with normal periods of heavy work load off and on during the year, and the use of the temporary employee(s) shall not exceed a total of twenty (20) weeks during any fiscal year. This provision shall not alter the Board's practice of determining whether and when to declare a vacancy in a position from which the incumbent has taken a leave of absence. This provision shall not be interpreted as impacting the use of temporary employees to substitute for bargaining unit members.

ARTICLE VI

By way of example, i.e., an eight (8) hour a day employee earns eight (8) hours of sick leave per month; a six (6) hour a day employee earns six (6) hours of sick leave per month.

Neither party to this Agreement shall expect, pressure, nor discriminate against any employee with regard to such matters. The Union is required to represent all employees in the bargaining unit fairly and equally without regard to whether or not the employee is a member of the Union.
- 24.02 All present employees who are members of the bargaining unit on the effective date of this Agreement shall, as a condition of employment, become obligated to either join the Union or pay a service fee in an amount equal to that portion of the Union membership dues which is related to the negotiation and administration of this Agreement. For present employees, this obligation shall commence on the date of execution of this Agreement; for future employees who become members of the bargaining unit, the obligation shall commence on the ninety-first (91) day following their date of entry into the bargaining unit.
- 24.03 The District agrees to deduct the Union membership initiation, assessment, and service fees, and, once a month, Union dues from the pay of those covered by this Agreement, in accordance with the Constitution of Teamsters Local 214. - Check-off deductions under all properly executed Authorization for Check-Off forms shall become effective at the time the application is signed by the employee and shall be deducted from the first pay of the month and each month thereafter.
- 24.05 A secretarial employee shall cease to be subject to check-off dues/fees for this unit beginning with the month immediately following the month in which the

secretary is no longer a member of the bargaining unit. The Union will be notified by the Board of the names of such employees following the end of each month in which the termination took place.

The Board shall arrange for a substitute secretary, as needed, as determined by the Board.
- 25.04 All secretaries in the Lansing School District must comply with the Board policy which requires that an employee furnish evidence of freedom from communicable tuberculosis. Failure to provide such statement to the Personnel Department shall result in automatic disqualification and suspension without pay, for a reasonable period to obtain the test. Failure to comply within a reasonable time may result in disciplinary action.
- 25.05 No secretary will engage in Union activities during employee working hours.

ARTICLE XXVI

DISCIPLINE OF SECRETARIES

- 26.01 No secretary shall be disciplined without just cause. Any such discipline shall be subject to the grievance procedure set forth herein and shall begin at step three. It is understood that the Board's decision to discharge or discipline a probationary employee for other than Union activity is not subject to the grievance procedure. It is further understood that reduction in work week days or hours, or layoffs or reclassification is not within the meaning of discipline.
- 26.02 Disciplinary action shall be defined as the administration of any written reprimand, suspension or discharge.
- 26.03 A secretary shall be entitled to have present a representative of the Union for any disciplinary action.
- 26.04 Whenever disciplinary action is reduced to writing by the supervisor, the findings and decisions of the supervisor shall be filed, in writing, in the secretary's personnel file, and a copy thereof given to the secretary.

- 26.06 Whenever feasible, the employer shall establish an improvement plan in lieu of discipline where the employee's work performance is at issue.

ARTICLE XXVII

CONTINUITY OF OPERATIONS

- 27.01 The Union agrees that neither it nor its members nor any persons acting on its behalf will cause, authorize, support or take part in any strike (i.e., the concerted failure to report for duty, or willful absence of a secretary from the secretarial position, or stoppage of work or abstinence, in whole or in part, from the full, faithful and proper performance of the secretary's duties of employment) to occur during the life of this Agreement for any purpose whatsoever.
- 27.02 In the event of any action in violation of the foregoing, the Union agrees to post notices immediately at any or all schools affected or otherwise communicate with persons violating this provision by all means at its disposal, that said activity is contrary to law, unauthorized by the Union and in violation of this Agreement and shall advise such persons to discontinue immediately said activity, and the Union, further, will use every other means at its disposal to assist in the immediate termination of such activity.

27.03 The Union will not directly or indirectly take reprisals against a secretary who continues, or attempts to continue, his/her secretarial duties, or who refuses to participate in any of the activities prohibited by this Article.

27.04 The Board will have the right to all remedies available at law for violation of this Article, including injunctive relief and/or damages against any person, group or organization violating this Article.

## ARTICLE XXVIII

### UNION AND SECRETARY RIGHTS

28.01 Pursuant to Act 379 of the Public Acts of 1965, the Board hereby agrees that every secretarial employee of the Board shall have the right freely to join and support the Union for the purpose of engaging in collective bargaining or negotiations. As a duly elected body exercising governmental power covered by the laws of the State of Michigan, the Board undertakes and agrees that it will not directly or indirectly discourage or deprive or coerce any secretary in the enjoyment of any rights conferred by said Act 379 or other laws of Michigan or the Constitutions of Michigan and the United States.

28.02 The Union and its members shall have the right to use school facilities for Union meetings during times when the building is serviced by the custodial staff upon approval of the Building Administrator. Reasonable use of existing bulletin boards may be made by the Union.

28.03 Duplication equipment shall be made available to the Union provided that:

- b. Request is made and use is arranged for in advance.
- c. The use is strictly to service the official business of the Union, such as records, notices, correspondence, etc.
- d. The purpose is for internal business use of the Union and is not for public distribution.

28.04 The Union agrees to pay at school cost for all materials used for its purposes.

28.05 Telephone facilities shall be made available to secretaries for their reasonable use. Long distance calls shall be made only in emergencies, with the prior approval of the supervisor, and at the secretary's expense, if personal.

28.06 The Board agrees to furnish to the Union, in response to reasonable requests, Board adopted information concerning the financial resources of the district, and

such other information as will assist the Union in developing intelligent, accurate, informed and constructive proposals on behalf of the secretaries.

28.07 Secretaries shall be entitled to full rights of citizenship.

28.08 A. Officers of the Union

The Board shall grant an overall total of ten (10) leave of absence days without pay for the purpose of performing duties of the Union. The chief steward must give written notice for this request as early as possible, but in any event no less than three (3) days, to the Chief Administrator for personnel matters and/or designee and the immediate Supervisor of the affected secretary and no more than two (2) secretaries may be absent under this provision at one time.

28.08 B. The Board shall grant the Chief Steward or Chief Steward's designee, a total of sixteen (16) hours per month, in addition to the time in A., above, without loss of compensation, as release time to perform the Union duties listed below:

- (1) Investigation, resolution and processing of grievances;
- (2) investigation of working conditions;
- (3) conferring with Board Representatives regarding the administration of this agreement; and
- (4) conferring with the Union's attorney.

It is understood that this provision does not affect the practice of granting paid time off to Union Representatives to work on joint Union/Board Committees or to meet with Board Representatives when invited. The times referenced in this section shall not accumulate from month to month.

28.09 Upon appointment with the Human Resources Office, secretaries shall have access to their personnel files up to three times each year to review any document prepared by the secretary, progress evaluation forms prepared by the supervisor, and other miscellaneous documents and information which are not received as privileged or confidential. Such records will be made available at the Human Resources Office and will not be removed from said office.

28.10 The provisions of this Agreement, and the wages, hours, terms and conditions of employment shall be applied without regard to race, creed, religion, color, national origin, age, sex, handicap, or marital or other legally protected status.

The Board and the Union agree to informally seek resolutions to problems associated with allegations of discriminatory treatment due to legally protected status. However, if a satisfactory resolution is not reached using internal procedures other than Arbitration, the affected employee(s) will be responsible to individually pursue such charges through procedures under Federal, State or local law. This provision shall not be construed to create an obligation upon the Union to pursue such individual claims under Federal, State or local law.

## ARTICLE XXIX

## ARTICLE XXX

### NEGOTIATION PROCEDURES

- 30.01 Within ninety (90) days prior to the expiration of this Agreement the parties will meet to discuss any proposed ground rules. At least sixty (60) days prior to the expiration of this Agreement, the parties will begin negotiations for a new Agreement covering wages, hours, terms and conditions of employment of secretaries employed by the Board.
- 30.02 In any negotiations described in this Article, neither Party shall have any control over the selection of the negotiating or bargaining representatives of the other party and each party may select its representatives from within or outside the school district. It is recognized that no final agreement between the parties may be executed without ratification by a majority of the Board and by a majority of

the membership of the Union, but the parties mutually pledge that representatives selected by each shall be clothed with all necessary power and authority in the course of negotiations or bargaining, subject only to such ultimate ratification.

- 30.03 This Agreement incorporates the agreement reached by the parties on all agreed issues which were subjects of negotiations. This Agreement may be altered, changed, added to, deleted from, or modified only through the voluntary, mutual consent of the parties in writing and signed by both parties as an amendment to this Agreement.

## ARTICLE XXXI

### MISCELLANEOUS PROVISIONS

- 31.01 This Agreement shall supersede any rules, policies, regulations, or practices of the Board which shall be contrary to or inconsistent with its terms. The provisions of the Agreement shall be incorporated into and be considered part of the established policies of the Board.
- 31.02 Existing personnel policies pertaining to personnel in this bargaining unit shall be subject to change only after consultation with the Union.
- 31.03 Copies of this Agreement shall be presented to all secretaries now employed or hereafter employed by the Board.
- 31.04 If any provision of this Agreement or any application of the Agreement to any secretary or group of secretaries shall be found contrary to law, then such provision or application shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.
- 31.05 If an error is made in the calculation of a secretary's salary which results in underpayment, the School District shall be liable for the shortage. If an error should be made which results in overpayment to the secretary, the secretary shall be obligated to repay the School District. Such liability on the secretary and the School District shall be limited to each fiscal year.
- 31.06 When a bargaining unit member assigned to a particular occupational index and class and/or the Union believes that significant changes in the responsibilities of that assignment have taken place, consideration of the reclassification of the assignment by the Reclassification Committee may occur. The Reclassification Committee will meet to review the possible reclassification of an assignment upon receipt of an Employee Classification Form and in accordance with Guidelines for Filing a Classification Review Request and Operation of the Reclassification Committee. Any changes in the Guidelines for Filing a Classification Request and Operation of the Reclassification Committee are subject to the mutual consent of the parties.

31.07 When bargaining unit members dispense medication to students it shall be in accordance with Administrative Regulation No. 5141.3. Bargaining unit members shall not be required to administer medication by injection unless a life-threatening situation such as a bee-sting allergy requires the use of a pre-arranged antidote by injection and no administrator is available to administer the injection. Before being required to administer medication, bargaining unit members will be provided with appropriate training as determined by the administration, that may be needed to dispense medication on case-by-case basis. Although the duty to dispense medication shall not be construed to require a bargaining unit member to make a medical diagnosis regarding whether a treatment or medication should be administered, bargaining unit members shall dispense medication in accordance with the annual written instructions of a physician and it is recognized that such annual written instructions may include identification of objective conditions which shall trigger the dispensation of medication.

The parties will form a committee during the 1999-2000 school year to review the current administrative regulation on distribution of medication, and to recommend any desirable changes to the Superintendent.

31.08 Bargaining unit members shall not be charged with school disciplinary responsibilities on an on-going basis nor shall they be required to administer disciplinary punishment to pupils but shall have adult responsibilities in connection with student behavior.

31.09 New computer programs initiated and implemented by CIS and/or the State of Michigan that become part of the bargaining unit employees' responsibility should be added to their respective job descriptions and the District shall provide appropriate training with regard to the implementation of the program. It is understood that employees provided such training will be expected to use the skills they are taught, if requested to do so within a reasonable period after the training opportunity.

## APPENDIX C

### Operation of the Reclassification Committee

#### Purpose

The purpose of the Reclassification Committee is to approve or deny requests by individuals and/or the Union for the reclassification of assignments in which it is believed that job responsibilities have undergone a significant change.

#### Composition

Annually, the Union and the LSD each shall provide three representatives who are employees of the school district to serve on the Reclassification Committee. A committee member shall serve as chairperson to be selected by other members of the Reclassification Committee.

#### Format

Within a reasonable period of time after the receipt of a completed Employee Classification Form filed by either a bargaining-unit member or the Union, the Reclassification Committee will convene to review the request. Decisions of the Committee are final and are not subject to the grievance procedure.

#### Voting

Based on a careful review of the responsibilities inherent in a particular assignment, each member of the Reclassification Committee shall vote to approve or deny a request for reclassification. Voting on proposed classification matters shall be by secret ballot in accordance with procedures established by the committee. A majority of Reclassification Committee members voting in favor of a reclassification is required for approval. In the event of tie votes where the Union has initiated or joined in the request, approval and denial of reclassification will alternate with the first tie vote resulting in approval of the reclassification and the second tie vote resulting in denial of the reclassification and so forth. All other tie votes shall result in a denial of the request. If more than one reclassification decision is to be considered by the committee at one session the order of consideration shall be on a random basis.

#### Ceiling

Assignments may not be considered by the Reclassification Committee more than once in any single year. No more than five assignment reclassifications may be approved during any single year of this Agreement (July 1 to June 30). Reclassifications occasioned by a reorganization or creation of a new position shall not be counted for this purpose.

the 1990s, the number of people with a diagnosis of schizophrenia has increased in many countries (Murray & Lopez, 1996).

There is a need to understand the nature of the illness and the reasons for the increase in prevalence. The illness is a complex one, with aetiology involving genetic, environmental and social factors. The illness is also a chronic one, with a high rate of relapse and a high rate of disability (Murray & Lopez, 1996).

The purpose of this study was to explore the experiences of people with a diagnosis of schizophrenia, and to identify the factors that influence their recovery.

The study was carried out in a community mental health centre in London, UK. The centre provides a range of services for people with a diagnosis of schizophrenia, including day care, residential care and out-patient services.

The study was carried out over a period of 12 months, from January 1998 to December 1999. The study was carried out in a community mental health centre in London, UK.
