INTRODUCTION

This Agreement entered into this 15th day of August, 2000, by and between the Board of Education of the School District of the City of Lincoln Park, Michigan hereinafter called the "Board", an affiliate of the Michigan Association of School Boards and the National Association of School Boards and the Wayne County - MEA/NEA, a voluntary association, hereinafter called the "Union", affiliated with the Michigan Education Association, hereinafter called "MEA, and the National Education Association, hereinafter called the "NEA". The term shall refer to the Lincoln Park Education Association. The signatories shall be the sole parties to this Agreement.

WITNESSETH:

WHEREAS the Board and the Union recognize and declare that providing a quality education for the children of Lincoln Park is their mutual aim and that the character of such education depends to a significant extent upon the quality and morale of the teaching service, and

WHEREAS the Board is charged by law with certain responsibilities it must assume and discharge and which may not be delegated or abrogated, and

WHEREAS the Board has a statutory obligation, pursuant to Act 379 of the Michigan Public Acts of 1965, to bargain with the sole and exclusive bargaining representative of its teaching personnel with respect to rates of pay, wages, hours of employment, or other terms and conditions of employment, and

WHEREAS the parties, following extended and deliberate professional negotiation, have reached certain understanding, and in consideration of the following mutual covenants, it is hereby agreed as follows:

ARTICLE I

RECOGNITION

- A. The Board hereby recognizes the Union as the exclusive and sole bargaining representative for all certificated personnel whether under contract, employed, or to be employed by the Board, including social workers, school nurses, homebound teachers, school psychologists, contractual substitute teachers, teachers who have substituted sixty (60) consecutive days in the same position, librarians, and all other contractual personnel, but excluding Superintendent, Assistant Superintendents, Principals, Assistant Principals, Director of Vocational Education, Athletic Director, Director of Special Education and Substitute Corps. The term "teach", when used hereinafter in this Agreement shall refer to all professional employees represented by the Union in the bargaining or negotiating unit as above defined, including those on leave.
- B. The Board agrees not to negotiate with or recognize any teacher's organization other than the Union for the duration of this Agreement.

ARTICLE II

UNION AND TEACHER RIGHTS

- A. The Board hereby agrees that every employee of the Board covered by this Agreement shall have the right freely to organize, join and support the Union for the purpose of engaging in collective bargaining or negotiations and other concerted activities for mutual aid and protection. As a duly elected body exercising governmental power under the laws of the State of Michigan, The Board undertakes and agrees that it will not directly or indirectly discourage or deprive or coerce any teacher in the enjoyment of any rights conferred by the Act or other laws of Michigan or the Constitutions of Michigan and the United States; that it will not discriminate against any teacher with respect to hours, wages, or any terms or conditions of employment by reason of his/her membership in the Union, his/her participation in any activities of the Union or collective professional negotiations with the Board or his/her institution of any grievance complaint, or proceeding under this Agreement or otherwise with respect to any terms or conditions of employment.
- B. Nothing contained herein shall be construed to deny or restrict to any teacher rights he/she may have under the Michigan General School Laws or other applicable laws and regulations. The rights granted to teachers hereunder shall be deemed to be in addition to those provided elsewhere.
- C. The Union and its representatives shall have the exclusive right among teachers to use school buildings at all reasonable hours for meetings, provided that when special custodial service is required, the Board may make a reasonable charge therefor.
- D. Duly authorized representatives of the Union and their respective affiliates shall be permitted to transact official Union business on school property at all reasonable times, provided that this shall not interfere with or interrupt normal school operations. A total of five (5) academic hours per day or their equivalent will be allocated to teachers - not less than two (2) designated by the Local Association to engage in Union business, without loss of compensation. The parties will cooperate in the scheduling of release time for such teachers. Any teacher so designated will not lose his/her normal preparation period.

- E. The Union shall have the exclusive right among teachers to use school facilities and equipment for non instructional purposes, including typewriters, mimeographing machines, other duplicating equipment, calculating machines, all types of audiovisual equipment and computer equipment at reasonable times, subject to such reasonable regulations as may be established by the Board. The Union shall pay for the reasonable cost of all materials, supplies, wages of specialized personnel, and damage incident to such use.
- F. The Union and/or the Board shall have the exclusive right to post notices on school bulletin boards, at least one (1) of which shall be provided in each school building. Such bulletin boards shall not normally be located in areas accessible to children or the public. Only the above parties may use the district mail service and teacher mail boxes for communication to teachers. The Board shall enforce this section immediately upon notice of any violation.
- G. The Board agrees to furnish to the Union in response to reasonable requests from time to time all available information concerning the financial resources of the district, budgetary requirement and allocations which have passed the Board discussion stage, register of certified personnel, names, addresses and telephone numbers of all teachers, except where the teacher specifies in writing that this information is not to be released, and such other information as will assist the Union in developing informed and constructive programs on behalf of the teachers, together with non privileged information, in response to reasonable requests, which may be necessary for the Union to process any grievance and which is readily available to the Board.
- H. The Board, or its representatives shall consult with the Union on any new or modified tax programs, construction programs, or major revisions of educational policy which are under consideration and the Union shall be given opportunity to advise the Board in closed meeting with respect to said matters prior to their adoption and/or general publication.
- I. Notwithstanding their employment, teachers shall be entitled to full rights of citizenship and no religious or political activities of any teacher or the lack thereof shall be grounds for any discipline or discrimination with respect to the professional employment of such teacher. The private and personal life of any teacher is not within the appropriate concern or attention of the Board except

where teaching performance or professional standards are involved and except where it may be detrimental to the welfare of the students.

- J. The provisions of this Agreement shall be applied without regard to race, creed, color, religion, national origin, age, gender, sexual preference, or marital status.
- K. Consistent with the Code of Ethics of the Education Profession, membership in the Union shall be open to all teachers regardless of race, creed, color, religion, national origin, age, gender, sexual preference, or marital status.
- L. A teacher engaged during the day in negotiating on behalf of the Union with any representative of the Board, or any parties necessary to any professional grievance procedure, including arbitration, where such meetings are scheduled by mutual agreement during the normal teaching day, shall be released from regular duties without loss of salary or other benefits.
- M. A bank of twenty-five (25) days per school year shall be created to be used by Local Association appointed representatives to attend seminars, meetings, conferences, or other Union designated functions. If additional days are needed, the Local Association may purchase up to ten (10) additional days at the substitute teacher rate. Whenever possible the Board shall be notified by the Union forty-eight (48) hours prior to the use of all days covered by this provision.
- N. The Board shall place on the Agenda of each regular Board Meeting for consideration under "New Business" any matters brought to its attention by the Union, so long as those matters are made known to the Superintendent's office by the Wednesday preceding said regular meeting and so long as the Union has pursued the matter through the proper lines of responsibility designated in the organizational chart.

ARTICLE III

PROFESSIONAL DUES OR FEES AND PAYROLL DEDUCTIONS

- A. Any teacher who is a member of the Union, or who has applied for membership, may sign and deliver to the Board an assignment authorizing deduction of membership dues in the Union, including the Local Association, NEA and MEA. Such authorization shall continue in effect from year to year unless revoked in writing between June 1 and September 1 of any year. Pursuant to such authorization, the Board shall deduct one-tenth (1/10) of such dues from the second regular salary check of the teacher each month for ten (10) months, beginning in September and ending in June of each year.
- B. Any teacher who is not a member of the Union in good standing or who does not make application for membership within thirty (30) days from the date of commencement of teaching duties, shall, as a condition of employment, pay as a Representation Benefit Fee to the Union an amount that is not greater than the Professional Dues of the Union, including the dues of the Union, Local Association, MEA and NEA, provided, however, that the teacher may authorize payroll deduction for such fee in the same manner as provided in the preceding section. In the event that a teacher shall not pay such Representation Benefit Fee directly to the Union or authorize payment through payroll deductions, as provided in the preceding section, the Board shall cause the termination of employment of such teacher at the end of the semester. The parties expressly recognize that the failure of any teacher to comply with the provisions of this article is just and reasonable cause for discharge from employment, since the establishment of said Representation Benefit Fee is herewith deemed to be the sum required to insure that non-members pay their proportionate share of the costs of obtaining and administering the benefits to be received hereunder.
- C. The procedure in all cases of discharge for violation of this Article shall be as follows:
1. The Union shall notify the teacher of non-compliance by certified mail, return receipt requested. Said notice shall detail the non-compliance and shall provide the (10) days for compliance, and shall further advise the recipient that a request for discharge may be filed with the Board in the event compliance is not effected.
 2. If the teacher fails to comply, the Union may file charges in writing, with the Board, and shall request termination of the teacher's employment. A

copy of the notice of noncompliance and proof of service shall be attached to said charges.

3. The Board, only upon receipt of said charges and request for termination, shall conduct a hearing on said charges, and to the extent that said teacher is protected by the provisions of the Michigan Tenure of Teachers Act, all proceedings shall be in accordance with said Act. In the event of compliance at any time prior to discharge, charges shall be withdrawn. The Union, in the processing of charges, agrees not to discriminate between various persons who may have refused to pay the Professional Dues and/or Representation Benefits Fee.
- D. If at the end of the semester the teacher, or teachers, receiving the termination notice shall then be engaged in pursuing any legal remedies contesting the discharge under this provision before the Michigan Tenure Commission, a court of competent jurisdiction, or other appropriate jurisdiction, such teacher's services shall not be terminated until such time as such teacher, or teachers, have ceased to pursue the legal remedies available to them by not making a timely appeal of any decision rendered in said matter by the Michigan Tenure Commission, a court of competent jurisdiction, or other appropriate jurisdiction. It is understood that upon exhaustion of appeals without remedy said teacher or teachers shall be discharged.
 - E. The Union agrees that it will pay for all legal fees that have to be expended as the result of a filing of charges and request for termination, including proceedings before the Board, the Michigan Tenure Commission, a court of competent jurisdiction, or other appropriate jurisdiction.
 - F. The Board agrees to remit promptly to the respective Union all monies so deducted, accompanied by a list of teachers from whom the deductions have been made.
 - G. The Board shall also make payroll deductions upon written authorization from teachers for annuities, credit union, savings bonds, insurance or any other present plans or any other programs jointly approved by the Union and the Board.
 - H. Nothing contained in the Article shall preclude a teacher from paying the entire annual Union dues or financial responsibility fee in cash within thirty (30) days following the commencement of the school year.

ARTICLE IV

The teachers' normal teaching hours shall require that teachers report to their classrooms ten (10) minutes prior to the starting time of their respective school day and remain in their classrooms five (5) minutes after the end of their respective school day. Nothing in this section shall be construed to preclude teachers from reporting in earlier or remaining later to carry out professional responsibilities.

ARTICLE V

SPECIAL STUDENT PROGRAM

- A. The parties recognize that children having physical, mental and emotional problems may require specialized classroom experiences and that their presence in regular classrooms may interfere with the normal instructional program and place extraordinary demands upon the teacher. Students with such a history who have been evaluated by the Special Services Department will be evenly distributed as far as possible among the experienced teachers of the affected grade in each building. Newly hired, inexperienced teachers shall not be assigned such students without valid and demonstrable reason. A teacher requesting the transfer of a student whom he/she believes has physical, mental or emotional problems, previously unidentified, will first refer the student to the Special Services Department for evaluation. In the event the request for transfer is denied, the teacher shall have the right to have a conference with the principal, counselor, and/or appropriate Special Services personnel. Special attention will be given to reducing class size where such students are placed in a regular classroom.
- B. Specialized classrooms will be established for the teaching of emotionally disturbed children, and appropriately trained personnel will be sought to teach such classes, within the limitations of available personnel, facilities and funds. The Special Services Department will consult with the Local Association as to the establishment of such a program.
- C. Students from special education classes shall be integrated into regular classrooms whenever this would be educationally beneficial for such students and is in accordance with sound educational practices. The teacher's class load will be considered in placing such students.

ARTICLE VI

TEACHING CONDITIONS

- A. The parties recognize that optimum school facilities for both student and teacher are desirable to insure the high quality of education that is the goal of both Union and the Board. It is also acknowledged that the primary duty and responsibility of the teacher is to teach and that the organization of the school and the school day should be directed toward insuring that the energy of the teacher is primarily utilized to this end.
- B. (1) Because the pupil-teacher ratio is an important aspect of an effective educational program, the parties agree that class size should be reasonable and should not exceed the following maxima, within the limitations of available personnel, facilities and funds:
- (1) for the high school - thirty (30) to thirty-five (35) students per academic class
 - (2) for the middle school and elementary schools - twenty-five (25) to thirty (30) students per academic class
 - (3) for other specialized classes - that recommended by the State of Michigan

Experimental class situations may exceed the above limitations by mutual agreement of the parties. In no event shall the number of students in a class exceed the number of student stations available. Any class loads not herein described shall be regulated in accordance with sound educational practice. Where maximum standards within a particular building and grade level must be exceeded, students will be equally distributed among the teachers assigned to that grade level. Should split classes become necessary and there no volunteers, the split classes will be rotated on a yearly basis by reverse District seniority within the area of specialization. The building administrator and the teacher of the split class shall determine the students assigned to such classes.

- B. (2) There is hereby established a class size committee, which will be composed of two (2) members appointed by the Local Association and two (2) members appointed by the Superintendent. It shall be the function of the committee to review and recommend possible solutions for any class size situation which exceeds the guidelines established by Article VI, B and Article V, A. The committee's recommendations shall be submitted to both the Superintendent and the Union. If

the committee's recommendation is not acceptable to the Superintendent, he/she shall treat the class problem as a grievance and shall within five (5) working school days of the receipt of the recommendation forward the grievance. At the same time, a copy of his/her disposition shall be sent to the Union. Upon receipt of the disposition by the parties, the grievance shall be processed as provided in Article XXVII, Sec. C and may be further processed under the provisions of Article XXVII, Sec. D and E.

- C. The Board recognizes that appropriate texts, library reference facilities, maps and globes, laboratory equipment, audio-visual equipment, art supplies, athletic equipment, current periodicals, standard tests and questionnaires, computer equipment and similar materials are the tools of the teaching profession. The parties agree: (a) that the Board may continue to utilize its administrative means, including the involvement of teachers, to study the tools set forth above; (b) that in the event the Union desires to review the improvement of such tools with the Board, upon mutual consent the parties shall confer upon such materials, and (c) that if the Board decides to conduct an extensive study in connection with such tools it shall request the Union to participate in such study. Nothing herein is intended to preclude the individual teacher from communication or offering suggestions for improvement of such tools to his/her supervisor. The Board will continue to keep the schools reasonably and properly equipped and maintained.
- D. The Board and the Union mutually recognize the importance of continuous use of adequate teaching reference material in maintaining a high level of professional performance. All teachers of music, physical education, and art will be provided with adequate and properly maintained equipment and necessary supplies.

- (10) Machine scoring if available, of standardized tests at all levels.
- G. The Board recognizes that certain benefits are gained in relieving teachers of menial tasks and will take any steps available to relieve teachers of such tasks.
 - H. The Board shall make available in each school, adequate lunchroom, teachers' room and lavatory facilities exclusively for teacher use where space permits.
 - I. Adequate telephone facilities shall be maintained for teachers for their reasonable use.

 - (2) Any special class time scheduled beyond the minimum shall be considered part of a teacher's guaranteed preparation time.
- P. Recess shall be no more than fifteen (15) minutes in the morning and fifteen (15) minutes in the afternoon. On the day that students have physical education, only one (1) recess period shall be allowed during that day. Recess shall be scheduled in the opposite A.M. or P.M. part of the day from physical education class.

- (1) The outdoor recess supervision ratio shall be one (1) teacher for three (3) classes or four (4) classes.
 - (2) Indoor recess procedure shall be determined by mutual agreement between staff and administration in each building. Individual teacher participation in indoor recess shall be voluntary. In the event that no mutually agreeable plan can be devised in a building, the superintendent or designee and union representatives shall devise a plan for the building.
 - (3) Although recess is not to be considered part of the guaranteed preparation time, it will not be permitted to interfere with the scheduling of special classes.
- Q. The Board agrees to make every reasonable effort to maintain an adequate list of substitute teachers, including substitutes with some experience or training in the specialty fields such as music, art, library, etc. Teachers shall be informed of a telephone number that they may call to report unavailability for work. Such unavailability should be reported one and one half ($1 \frac{1}{2}$) hours prior to the beginning of the school day except in case of emergency. Teachers are encouraged to call as early as possible concerning any absence including unavailability in the P.M. A twenty-four (24) hour answering service shall be provided for this purpose. Once a teacher has reported unavailability, it shall be the responsibility of the administration to arrange for a substitute teacher. After a teacher has reported unavailability, leave day(s) will be deducted.
- R. Paydays shall be as specified in Schedule D.
- S. Every school shall be provided with the services of a school nurse to the extent consistent with budgetary limitations and the availability of personnel.
- T. Report card marks of a teacher will not be changed by any other person except in unusual cases where the teacher has not acted in accordance with professional standards.

Secondary level teachers will not be assigned to split sections without prior consultation with the teacher and the Union.
- AA. If possible, the Superintendent shall announce emergency school closings at least one (1) hour before the earliest teacher reporting time. This should be made to at least four (4) mutually agreed upon radio stations.

EXTRA COMPENSATORY POSITIONS

All positions in the school system which carry compensation in addition to the regular teacher contractual salary and providing that such positions are not promotional as defined above shall be considered as extra-compensatory jobs. These positions are listed in Schedule B. Should any of the above occur, the vacancy shall be filled in accordance with paragraphs B,C,D,E,F,G and H of Article VIII, except that the screening committee will consider the number and nature of other extra-compensatory positions held by the applicant in making its recommendation. In the event of a reduction in needed personnel, such reduction shall be by seniority within the affected program.

Beginning with the 1998-99 school year (July 1, 1998) salaries for the 7th and 8th grade coaches will be determined by the average of either the league or WC/MEA NEA affiliates whichever is less except that no position will be reduced in pay.

TRANSFERS

A. DEFINITION OF TRANSFER:

"Transfer" shall mean relocation of teaching personnel to another building and/or a change in assignment, affecting a change in immediate supervision or grade level.

B. ADMINISTRATIVE TRANSFER:

It shall be the responsibility of the Superintendent, where possible, to effect transfers in full cooperation with all parties affected. Reason for the transfer shall be made known to the employee, if requested. No transfer will be made arbitrarily.

C. VOLUNTARY TRANSFERS:

Transfers to all vacancies except class size adjustments will be made at the beginning of the following semester unless management deems appropriate to make said transfer earlier. Transfers involving class size adjustments will take place immediately; provided that if no certified teacher is available for hire to replace the person requesting the transfer, the transfer will take place at the beginning of the following semester.

Teachers desiring transfers to positions, that may become vacant, must comply with the following. Requests will be honored on seniority basis.

1. A written request for transfer must be submitted on forms made available by the Personnel Department. The Transfer Request Form shall contain space to permit the teacher to indicate that the request is to be used only in the event of bumping which affects the teacher completing the request.
2. Request forms must be submitted to the Personnel Office by June 1st of the school year preceding the school year for which the transfer is requested. Elementary teachers will be notified of tentative teaching assignments prior to the deadline for the submission of Transfer Requests.

3. Such request must be made annually.
4. The teacher submitting a Transfer Request Form shall be advised of openings listed on the Transfer Request Form up to six (6) times during the validation period. A teacher may elect not to be informed of identical openings. Such election will not reduce his/her remaining passes.
5. A teacher is limited to one (1) voluntary transfer per school year.
6. Mid year vacancies will not be filled until the following semester except where deemed appropriate by administration. The rights of such a teacher will be as if they had occupied the position at mid year.

D. NON-VOLUNTARY TRANSFERS DUE TO REDUCTION IN PERSONNEL

Bumping shall be allowed only in cases where positions have been eliminated through a reduction in staff in a building or department. The teacher bumped must be the one with the least district seniority in the area, department, or building. Those affected by the original bump may follow the same procedure to secure a new position. It is understood that if a teacher's former position or a substantially equivalent position is available, said teacher must claim that position. Substantially equivalent is defined as:

High School and Middle School grades 7 - 12, the majority of assignments are in the same area or department.

Elementary - One of the following as declared by the teacher upon notification of the displacement:

1. level of specialization* worked in at the time of displacement
2. building
3. both

*Level of Specialization refers to Kindergarten (a full time position in one building has preference over a split assignment), Grades 1-3, Grades 4-6, Grade 7-8. One year of successful teaching at that level.

Elementary teaching areas, such as Art, Music, Remedial Reading, Physical Education, etc., will be subject to district seniority in their respective teaching areas of specialization.

1. High School and Middle School bumping procedure:

When it becomes necessary to reduce a position, the teacher with the lowest district seniority in the area or department will be considered displaced. That teacher must first bump in his/her major; if there is no position available in his/her major, he/she must bump in his/her minor. If there is no position available in his/her minor, he/she may then bump in other areas covered by his/her certificate, the teacher with the least seniority, unless this would cause a more senior teacher to be laid off. If there is still no position available and the teacher bumped has an elementary certificate, that teacher will follow step (2). If the teacher does not have an elementary certificate, he/she shall be laid off.

2. Elementary Bumping Procedure:

When it becomes necessary to decrease a position(s) in an elementary building(s), the teacher with the lowest seniority in his/her current grade level where the reduction is occurring has the following options:

- a. Bump in the area of specialization that he/she possesses, the lowest senior teacher in the building, or
- b. Bump the lowest senior teacher in the building, or
- c. Bump the lowest senior elementary teacher in the district in his/her current area of specialization.
- d. If options a, b and c are not available, the teacher(s) must bump the elementary teacher with the lowest district seniority.
- e. If options a, b, c and d are not available, the teacher(s) must bump the lowest senior teacher in the district covered by their certificate.

- f. If options a, b, c, d and e are not available, the teacher(s) shall be laid off.

E. FILLING OF AVAILABLE POSITIONS

Vacancies that occur in the teaching staff shall be offered to groups of teachers in the following order (not if the effect of the offer is to permit a less senior person on layoff or leave to claim a job over a more senior person on layoff, or cause a currently employed teacher to be without a position):

1st - Displaced teachers with tenure and all displacements on file.

2nd - Currently employed staff who may request a transfer, tenured staff on leave, non-tenure displaced teachers and non-tenure teachers on leave. These groups will be merged according to seniority for job selection purposes.

At this step when a non-tenured teacher has selected a position either by exercising bumping rights if qualified or by choosing an open position, said teacher shall no longer be considered displaced.

3rd - Teachers on layoff.

4th - People from outside the District.

1. DISPLACED TEACHERS: A displaced teacher is a teacher who, does not presently have an assignment substantially equivalent to the one at the time of his/her non-voluntary change of position.

A displaced teacher shall have the option of reclaiming a substantially equivalent job when it becomes available, but shall have no right to take said job until the beginning of the following semester. Management may make said transfer before the next semester if it deems appropriate.

a. For grades K-6, substantially equivalent is defined as one of the following as declared by the teacher upon notification of the displacement:

1. level of specialization worked in at the time of displacement
2. building
3. both

b. For grades 7-8 substantially equivalent is defined as having the majority of assignments in the same department or subject.

c. For grades 9-12 substantially equivalent is defined as having the majority of assignments in the same department.

It is the responsibility of the displaced teacher to file a claim for reinstatement rights with the Personnel Director on a form made available by the Personnel Director within fifteen (15) work days following the displacement.

Should a teacher be displaced more than once, he/she will be allowed the option of reclaiming a substantially equivalent position for each displacement.

If a teacher passes on the option for reinstatement, that teacher shall hold no further claim to a substantially equivalent position for that displacement.

Once a teacher has been reinstated to a substantially equivalent position, he/she shall have no further claim for that displacement or to any other displacement.

2. VOLUNTARY TRANSFERS - Follow procedure as outlined in Section C, above.
3. TEACHER ON LAYOFF - Follow procedure as outlined in Article XX, Section F
4. OUTSIDE THE DISTRICT - In the event that no requests for transfer are on file for a given position, the Personnel Director will post the position in the buildings and the Board of Education Office for a period of seven (7) days. Postings will be mailed to teachers' homes when school is not in session. If no applications are submitted by teachers employed in the District within seven (7) working days, the position may be filled from applicants outside the District. In no instance shall the qualification for a position be reduced or altered for an outside applicant.

Regardless of anything in this Article to the contrary, special education positions, state and federal program positions and coordinator positions shall be open on an equal basis to currently employed teachers and to teachers on leave or layoff status.

ARTICLE XI

If additional days are necessary, each teacher shall contribute up to another day in half-day (1/2) increments and the employer shall provide days beyond the original fifty pro-rated in relation to the contributions of teachers. It is understood that no teacher shall contribute more than two (2) days per school year and that the contribution of the employer shall not exceed one hundred (100) days per school year.

It is further understood that any contributions of a teacher to the sick bank shall not affect the right to bonus days for said teacher.

- (2) Unused days shall be carried over to the next school year. The above method of contribution including the initial one (1) day contribution at the beginning of each year shall continue each year unless the carryover exceeds 350 days. If 350 days are carried over and additional days are needed in said successor year; the teacher shall contribute up to one day in $\frac{1}{2}$ day increments and the employer shall contribute up to 50 days in 25 day increments.

- D. When a teacher has one (1) or more pupils in class who constitute serious behavioral problems appropriate recognition shall be given by way of reduced class size.
- E. Any case of assault upon a teacher shall be promptly reported to the principal. No attempt will be made to discourage or coerce any teacher from making such a report. The Board will provide legal counsel to advise the teacher of his/her rights and obligations with respect to such assault and shall render all reasonable assistance to the teacher in connection with handling of the incident by law enforcement and judicial authorities, provided, however, that the Board shall not

be obligated to provide legal representation in any litigation resulting from such assault.

- F. If any teacher is complained against or sued by reason of disciplinary action taken by the teacher against a student, the Board will provide legal counsel and render all necessary assistance to the teacher in his/her defense, if the Board determines that such teacher has not acted beyond the scope of his/her authority as an agent of the Board.
- G. Time lost by a teacher in connection with any incident mentioned in this Article shall not be charged against the teacher, unless a judgment is entered against said teacher with respect to such incident.

ARTICLE XX

REDUCTION IN PERSONNEL AND ANNEXATIONS AND CONSOLIDATIONS OF DISTRICTS

- A. To the full extent permitted by law, this Agreement shall be binding upon the Board and its successors' personnel and upon any school district into which or with which this district shall be merged or combined.
- B. In the event that this district shall be combined with one or more districts, the Board will use its best efforts to assure the continued recognition of the Union and the continued employment of its members in such consolidated district.
- C. Should changes in student population or other conditions make necessary a general reduction in the number of teachers employed by the Board, the Board will retain, as nearly as possible, those teachers having the most seniority in the district. The Board will further use their best efforts to assist all teachers so terminated to secure employment in adjacent school districts. Nothing herein shall relieve the Board from fulfilling the terms of any contract with a teacher.
- D. Before the Board makes any necessary reduction in personnel and/or major programs, it will first discuss with the Union the effects of such reduction, and give the Union the opportunity to make recommendations relative to such reduction. This will include, but not be limited to, such problems as the criteria used for the determination as to who will be discarded or laid off (if such criteria are other than those in Section C above) and the re-employment rights of such persons.
- E. No teacher will be laid off unless he/she has been informed of such termination of employment at least sixty (60) days before the end of the school year. Laid off teachers shall inform the Personnel Director and the Union of their desire to return to the District. The Personnel Director will offer available openings to the qualified person with the longest seniority on the list of teachers awaiting reinstatement to active service.

F. A teacher's name will be placed on a list according to seniority. As teaching positions become available for which he/she is qualified, the Personnel Office will use the following procedures to notify the teacher of the available position.:

- (1) Telephone contact. Teachers who have been contacted by phone shall have 48 hours in which to accept or reject the position offered. (If not able to reach, then)
- (2) Registered letter to the last known mailing address, with copies sent to the Union. (If not able to reach within ten (10) working days from the date the letter was sent, then)
- (3) Position is considered refused.

If a position is refused for any reason, the position will be offered to the next qualified teacher on the seniority list.

A teacher who refuses a position for which he/she is qualified, has waived his/her right to all positions for that school year. Teachers will be allowed two (2) refusals. A third (3rd) refusal of any full time position offered for which he/she is qualified, will terminate his/her seniority and employment status with the school district.

- G. A laid off teacher will resume his/her seniority and accumulated leave days acquired prior to lay off upon assignment to a contractual position.
- H. It is the responsibility of the laid off teacher to keep the Personnel Office notified of his/her current address and telephone number.
- I. A laid off teacher, upon written application, will be given preference in the hiring of substitute teachers in the District, based upon his/her previous seniority.
- J. Whenever a vacancy in the bargaining unit is posted, the office of the union shall be notified. An interview will be granted, if requested, to any laid off certified teacher from any district where WC-MEA/NEA is the bargaining agent.

ARTICLE XXI

CONTINUITY OF OPERATIONS

- A. During the term of this Agreement, the Union will not authorize, sanction, condone, or acquiesce in any strike as defined in Michigan Public Act 336 of 1974, as amended by Michigan Public Act 379 of 1965. Such proscribed action shall also be deemed to include slow-downs, stoppages, sit-ins, interference of any kind whatsoever with operation at any of the facilities of the Lincoln Park School District, and picketing or demonstration during normal teaching or working hours. It is further provided that if a Union authorized strike is called because the members of a sister local association have been discharged and/or replaced, the Union guarantee of no strike shall not be effective; the school district shall not be required to pay such striking members and the school district does not waive its rights or obligations granted by State Statute.
- B. As soon as the Union learns of any violation of this Agreement, the Union will post notices immediately at any or all schools affected, advising that such action is unlawful, in violation of this Agreement, and unauthorized by the Union, and the Union shall advise such teachers to return forthwith to their regular duties. The Union shall further take any and all other action reasonably within its power to bring the activity to an end. If the Union takes the foregoing steps and has not acted in violation of its obligations under this Article, it shall not be liable in any way for such activities.
- C. The Board shall have the right to discipline, including discharge, any teacher for taking part in violation of this provision. Prior to taking such action, the Board shall notify the Union of its intentions and may also consult with the Union in connection therewith.
- D. The Board also agrees that it will not knowingly during the period of this Agreement, directly or indirectly, engage in or assist in any unfair labor practice as defined by Section 10 of the Public Employment Relation Act.

ARTICLE XXIII

PROFESSIONAL COMPENSATION

- A. The basic salaries of teachers covered by this Agreement are set forth in Schedule A, which is attached to and incorporated in this Agreement. Such salary schedule shall remain in effect for the duration of this Agreement.
- B. All teachers shall be granted credit on the pay schedule for their years of public school experience in the State of Michigan or any other state in the Union up to five (5) years. The employer may grant additional years of credit for public school experience. It is understood that teachers employed prior to the signing of this agreement shall receive full credit for such experience.
- C. The salary schedule is based upon a normal daily teaching load, as heretofore defined, in accordance with the attached school calendar, during normal teaching hours. Extra curricular work is normally voluntary, but it is recognized that the profession of teaching normally requires additional responsibilities of the teacher beyond the teaching hours which cannot be subject to additional compensation. The Board and the Union encourage such additional voluntary duties and teachers are expected to continue to carry out such professional responsibilities. For extra work of a professional nature which is not voluntary and for certain specified duties, the teacher shall be entitled to appropriate additional professional compensation, at an established professional hourly rate or at the specified rates provided in Schedule B as applicable. The professional hourly rate shall be the teacher's annual salary divided by One Thousand (1000). The teacher shall be paid such established hourly rate or specified rate, as applicable, in addition to his/her base salary, for all time spent before and after the regular school day in such activities as parent-teacher conferences, PTA meetings, supervision of extracurricular activities of students, teacher meetings after established school hours of any day or on Saturdays, Sundays, or holidays, and attendance at any educational or civic functions, but only where participation otherwise prescribed herein, provided, however, that a teacher may be required to attend the following activities without extra compensation: Up to two (2) after-hour functions annually assigned by the Administration, such as open houses, PTA meetings, dances and concerts, faculty meetings not to exceed one

(1) a week to be held on Tuesdays. Faculty meetings will not exceed twenty (20) per year except in those years when North Central preparation is necessary. Such meetings shall not exceed one (1) hour past pupil dismissal time. Agenda should consist of administrative, supervisory and curricular items. It is not the intention of this provision that such meetings are required to be called each week by the administration and they shall be called only when necessary to carry out school functions. All elementary teachers of vocal music, instrumental music and physical education may be required to present no more than two (2) programs per building per school year. Such teachers shall be exempt from attending building staff meetings and all other after school functions as outlined in the master agreement, except that they will be required to attend at least five (5) system-wide meetings per their subject area as directed by the administration. In no case will a teacher be required to make more than six (6) presentations per school year.

- D. Teachers instructing classes in elementary or secondary before or after the normal student day will be paid according to the Adult Education rate as shown in Schedule B.
- E. Increments become effective September 1 of each year and advancement under the salary schedule shall be automatic as of the beginning of each semester following the completion of required academic or professional courses. (See graduate hour provisions.)
- F. Compensation for extension of normal employment will be prorated on the basis of the current contract to the teacher. The proration will be calculated by dividing the teachers annual salary by the number of teacher work days in the current school year. Such earnings shall be paid at the next regularly scheduled pay period following completion of the work and will not be allocated through the ordinary contracts signed by the teachers.
- G. A teacher who is not employed the full school year will receive a proportion of his/her annual salary. Such proportion will be determined by comparing the days the employee actually worked (including used, earned leave days) to the total working days in the school year.

H. It is understood that employees will accept the responsibilities for instructional time mandated by the State of Michigan so that the School District will receive it's full per Pupil Foundation Grant. The employees will also accept the responsibility for the minimum Professional Development Time mandated by the State of Michigan. The acceptance indicated in this provision is without additional compensation other than that provided in Schedule A. It is further understood that Article IV, Teaching Hours, and Article XXII, School Calendars reflect the parties belief that for the duration of the contract these mandates are met. If this time is inadequate, the parties shall meet and make adjustments which would meet the mandates. Likewise if the time contracted is in excess of these mandates, the parties will meet and reduce the contracted time. This reduction will be in days of instruction whenever possible.

ARTICLE XXIV

INSURANCE PROTECTION

The Board agrees to furnish all teachers the following insurance protection for the duration of this contract.

- A. The Board shall provide group life insurance protection in the amount of \$40,000, that will be paid to the teacher's designated beneficiary. The insurance protection will pay double the specified amount in the event of accidental death.
- B. The Board shall provide Blue Cross/Blue Shield MVF-2 (Master Medical Option IV) health care protection with \$2.00 deductible Prescription Drug Rider, Voluntary Sterilization Rider, and FAE-RC Rider, for each member of the bargaining unit and his/her eligible dependents.
- C. The Board shall provide a dental insurance program MESSA Delta Dental Plan of Michigan, Plan E with Orthodontic Rider 04 or a dental insurance plan equivalent thereto for each member of the bargaining unit and his/her eligible dependents.
- D. The Board shall provide a vision care plan, MESSA Intermediate Plan or vision insurance plan equivalent thereto, for each member of the bargaining unit and his/her eligible dependents.
- E. Teachers who have health insurance protection through their spouse's employer, at the teacher's option, may apply the equivalent of an individual teacher's premium for the coverage provided in sections B hereof toward other MEA insurance and protection plans or said teacher may choose to receive an annuity of one hundred dollars (\$100.00) per month (September through August) provided through any agent which has been approved by the employer as of September 1, 1997. The Board shall adopt and file the appropriate documents to provide this benefit (TSA) under a section 125 plan.
- F. In the event that a tenure teacher, absent because of illness or injury has exhausted his/her accrued leave days, the above mentioned benefits shall continue through August 31 next.

- G. Every teacher shall have the option to participate in other MEA insurance programs, with payroll deduction privileges.
- H. The Board will continue to pay premiums on the insurance provided herein during negotiations for a new Agreement, even though this Agreement may have expired. No premiums are to be paid after Labor Day if teachers are engaged in a work stoppage.
- I. The Board agrees that it will secure liability insurance, if such insurance is available, to protect teachers who by the nature of their jobs are required to deal with students outside their classrooms (i.e., transporting special education students).
- J. The Employer shall provide the aforementioned insurance protection beginning with the first day of employment or immediately upon return from any leave. Termination of the protection shall be subject to the following guidelines.
 - (1) Upon being granted a leave of absence other than medical or sabbatical, employee benefits shall continue for not less than thirty (30) days.
 - (2) Upon the death of an employee, insurance benefits shall continue for the surviving spouse or dependent family for a period of not less than ninety (90) days, providing such coverage is available from the insurance carrier.
 - (3) Upon resignation, termination of insurance benefits shall be effective at the end of the month in which the resignation is tendered unless the resignation comes at the end of the school year, in which case the termination shall be effective September 1, of that year.
- K. Teachers on leaves of absence shall be permitted to pay regular contributions to all plans requiring such contributions. The Employer agrees to recommend to the Public School Employees Retirement that the time spent on leave of absence pursuant to this section be granted as service credit for retirement purposes.

ARTICLE XXV

STUDENT TEACHING ASSIGNMENTS

In order to provide for the best student teaching experience, acceptance of a student teacher shall be voluntary on the part of the supervising teacher and shall be based on the following guidelines:

1. Supervising teachers will have tenure and a permanent or continuing certificate.
2. Availability of student teachers will be announced in advance, to the extent possible. Said information shall be given to the Union.
3. Supervising teachers will be selected on a rotating basis, starting with the most senior within grade level requested by the University and/or student teacher. The Union shall be informed of the placement of all student teachers.

ARTICLE XXVI

PROFESSIONAL STUDY COMMITTEES PROFESSIONAL STAFF DEVELOPMENT

- A. The Administration and Local Association may establish joint professional study committees as needed by mutual consent. Committees will be composed of representatives selected by the Board and Local Association. Individuals holding committee membership prior to the signing of this contract shall remain in their positions if they so desire. Committee membership beginning with the signing of this contract shall be limited to one committee per school year. However, individuals may serve on more than one committee if there is a need and others within the building do not serve. In the event the Local Association declines to participate in a Study Committee, the Administration retains the right to establish such groups.
- B. The purpose of such committees shall be to investigate areas and topics relating to the improvement of education in Lincoln Park, and recommendations made by such committees shall be considered by the Board in making its policy decisions in such matters. The Assistant Superintendent to the Superintendent will meet with representatives of the Local Association, at their request. Such meetings will not exceed one (1) per month without mutual consent and will be held at times mutually agreeable to the parties.
- C. A committee, composed equally of members appointed by the Superintendent and by the Union, will be established to review the programs and resources of the school district for the purpose of making recommendations for reinstatement of programs throughout all levels of the School District. The Union recognizes that the Board of Education has the final authority and will make the final decision regarding implementation of the committee's recommendations. It is understood by both parties that the committee referred to in this section is not on-going but will meet when reinstatement of programs is being considered.
- D. The parties agree that the Board may continue to utilize its administrative means, including the involvement of teachers, to study the areas and topics set forth above.

- E. The clerical expense of such committees shall be borne by the Board.
- F. In recognition of the rapidly expanding fields of knowledge in social and scientific fields, the parties hereby agree to establish an In-Service Education Committee composed of three (3) elementary teachers and three (3) secondary teachers appointed by the Local Association and three (3) persons appointed by the Administration.
- G. The In-Service Education Committee shall be responsible for the planning of the In-Service Education for all professional teaching personnel. In-Service may be planned by the Administration if the Union agrees that the In-Service Education Committee need not be consulted. State mandated or legally binding In-Service can be handled by management.

ARTICLE XXVII

PROFESSIONAL GRIEVANCE PROCEDURE

- A. Any teacher or the Union, believing that there has been a violation, misinterpretation or misapplication of any provision of this Agreement may file a written grievance with the designated representative of the Employer. Any teacher or the Union having such a grievance shall bring the matter to the attention of said designated representative not later than twenty (20) working school days after the existence of the alleged grievance is, or reasonably should have been, known. The Board hereby designates as its representative for such purpose the principal in each school building and the Superintendent of Schools when the particular grievance arises in more than one school building. It is understood that only the Union may forward a grievance to the Superintendent's level or beyond.

- B. Within five (5) working days of receipt of the grievance the designated representative of the Board shall meet with the Union in an effort to resolve the grievance. If the meeting is with the school principal and the parties cannot agree, the grievance shall, within five (5) working school days, be transmitted by the Union to the Superintendent who shall have five (5) working school days thereafter to approve or disapprove it. If the grievance is transmitted directly to the Superintendent, he/she shall have ten (10) working school days from receipt to approve or disapprove it. The Superintendent may require the Assistant Superintendent for Personnel to act for him/her; if such occurs, the time limits of the provision are binding on that individual and his/her decision is the decision of the Superintendent.

- C. If the Union indicates its dissatisfaction with the Superintendent's decision, in writing, within thirty (30) days of said decision, the grievance may be submitted to arbitration before the American Arbitration Association in accord with its rules which shall otherwise govern the arbitration hearing. The arbitrator shall have no power to alter, add to or subtract from the terms of this Agreement. Both parties agree to be bound by the award of the Arbitrator and agree that judgment thereon may be entered in any court of competent jurisdiction.

- D. The cost of any arbitration under this Article shall be shared equally by the Board and the Union.

- E. For administrative convenience, the Board may cause complaints which may be the subject of grievances under this Article first to be presented to a department head, assistant principal, or other school employee, for informal processing, in an effort to reduce the number of formal grievances handled under the professional grievance procedures herein established. The parties shall mutually work out procedures for such informal processing upon request, but exhaustion of such informal procedures shall not be required as a condition precedent to invoking the grievance procedure.

ARTICLE XXVIII

NEGOTIATION PROCEDURE

- A. It is contemplated that the matters not specifically covered by this Agreement but of common concern to the parties shall be subject to professional negotiations between them from time to time during the period of this Agreement upon consent of both parties. The parties undertake to cooperate in arranging meetings, selecting representatives for such discussions, furnishing necessary information and otherwise constructively considering and resolving any such matters. The duties of any teacher or the responsibilities of any position in the bargaining unit will not be altered or increased without prior negotiation with the Union.
- B. The parties acknowledge that during the negotiations which resulted in this Agreement each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Board and the Union for the life of this Agreement each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated, to bargain collectively with respect to any subject or matter referred to or covered in this Agreement, or with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subjects or matters may not have been within the knowledge or contemplation of either or both parties at the time that they negotiated or signed this Agreement.
- C. Representatives of the Board and representatives of the Union will meet within seven (7) days after the request of either party for the purpose of reviewing the administration of the contract, and to resolve problems that may arise. These meetings are not intended to bypass the grievance procedure. All meetings between the parties will be scheduled to take place as promptly as possible at times when the teachers involved are free from assigned instructional responsibilities, unless otherwise mutually agreed. Should such a meeting result in a mutually acceptable amendment of the Agreement then the amendment shall be subject to ratification by the Board and the Union; provided, that the

representatives of the Union shall be empowered to effect temporary accommodations to resolve special problems.

- D. Between March 1st and March 15th of the year of expiration of the Agreement, the parties shall initiate negotiation for the purpose of entering into a successor Agreement.
- E. Neither party in any negotiations shall have any control over the selection of the negotiating or bargaining representatives of the other party. The parties mutually pledge that their representatives will be clothed with all necessary power and authority to make proposals, consider proposals, and make concessions in the course of negotiations. It is recognized that no final agreement between the parties may be executed without ratification by the Board and the representatives shall attach their signatures to the final Agreement as quickly as possible.
- F. There shall be three (3) signed copies for purposes of record, one (1) retained by the Board, one (1) by the Union, and (1) by the Superintendent.
- G. If the parties fail to reach an agreement in any such negotiations, either party may invoke the mediation machinery of the Michigan Employment Relations Commission, or take any other lawful measures it may deem appropriate.

ARTICLE XXIX

RIGHTS OF THE BOARD

Subject to the provisions of this Agreement and except as expressly provided otherwise by the terms of this Agreement, the Board and the Superintendent of Schools reserve and retain full rights, authority and discretion, in the proper discharge of their duties and responsibilities, to control, supervise and manage the Lincoln Park School District and its professional staff, to determine and administer educational policy, to operate the schools and to direct the professional staff, and otherwise retain all rights, authority and discretion which are exclusively vested in the Board or in the Superintendent under governing law, ordinances, rules and regulations as set forth in the Constitution and laws of the State of Michigan and of the United States.

ARTICLE XXX

COUNSELORS

- A. Requirements for counselors shall not be made retroactive to initial employment as a counselor. After a counselor is contracted for, the requirements shall not be increased, unless specifically required for North Central accreditation. Further, a counselor shall be given a reasonable period of time to meet such requirements. Counselors who are hired shall meet North Central requirements and have at least one (1) year of successful work with adolescents.
- B. Any time spent in counseling before regular school starts in the Fall and after school is out in the Spring shall be considered a part of the counseling program and not as an extra-compensatory position.
- C. There shall be at least one (1) full-time clerk for the High School Counseling Department, within the limitation of available funds.
- D. Counselors shall be free from;
- (1) Serving as a substitute teacher.
 - (2) Administering discipline.
 - (3) Clerical duties, to the fullest extent possible.
- E. A joint study will be made by the Board and the Association regarding the feasibility of relieving counselors of attendance record-keeping.
- F. Counselors will be provided relief and preparation time equal to other teachers at their level.

ARTICLE XXXI

SENIORITY

Seniority provisions - The seniority date and ranking for those teachers hired before November 30, 2000 will be established through a list effective that date. That list shall be based on the methods used to establish seniority previously. Such list is subject to adjustment as provided for elsewhere in this contract. This provision is not intended to prohibit a teacher from challenging the accuracy of his/her seniority date or ranking.

- A. Seniority is defined as the contractual service in Lincoln Park, starting with the actual first date of employment or re-employment.
- B. Adjustments (reductions) to seniority are made for unpaid leaves exceeding ten working days, time on layoff, job sharing, or part time employment.
- C. Tie Breakers (after seniority has been adjusted):
 - 1. First tie breaker - In the event that two or more teachers still have the same seniority date, then the teacher with the earliest application date and time shall be determined to have the highest ranking.
 - 2. Second tie breaker - In the event that two or more teachers are still tied, ranking shall be determined by a joint union/management conducted lottery.
- D. The Personnel Office will regularly (at least yearly or more often if needed) revise the seniority list including those on layoff or leave. Sufficient copies of said list shall be made available to the union in such numbers so as to provide for posting in all buildings. The employer shall notify by mail those on layoff or leave of the availability of the new list.

ARTICLE XXXII

JOB SHARING

A. Teachers may volunteer to participate in Job Sharing.

Job sharing is two (2) teachers dividing a full time teaching position into various combinations of the work day or week.

Teachers participating in fifty (50) percent Job Sharing shall receive half (1/2) their contract rate had they been teaching full-time. In addition to the contracted salary, these teachers shall be permitted to apply half (1/2) the cost of their full-time equated benefits toward the purchase of fringe benefits offered to all teachers. The half (1/2) ration applies to participants of the program who are teaching fifty (50) percent of the time. Staff teaching less than fifty (50) percent shall receive salary and benefits equivalent to the same ratio as their teaching assignment is to a full-time position, i.e. a two hour assignment at the high school is equivalent to 2/5 salary and benefit costs.

Job sharing teachers shall be awarded half (1/2) the number of leave days afforded full-time teachers. Whenever a job sharing teacher is absent, a half (1/2) shall be deducted from the accumulated days of the teacher. A bonus equivalent of half (1/2) the number of days given to full-time teachers who use six (6) or less shall be given to the job sharing teachers.

Job sharing teachers shall accumulate seniority at half (1/2) the rate had they taught full-time during the time they are in the program.

B. Job Sharing Teachers must commit to one year involvement in the Program. They may return to a full-time position after one year in accordance with their district seniority. Participating teachers sharing the same full-time position must mutually agree to the assignment.

C. A committee composed of an equal number of union and administration representatives shall monitor the program and make recommendations.

ARTICLE XXXIII

DURATION AND EFFECT OF AGREEMENT

- A. Any individual contract between the Board and an individual teacher, heretofore executed, shall be subject to and consistent with the terms and conditions of this Agreement. If an individual contract contains any language inconsistent with this Agreement, this Agreement during its duration shall be controlling.
- B. This Agreement shall supersede any rules, regulations, or practices of the Board which shall be contrary to or inconsistent with its terms. The provisions of this Agreement shall be incorporated into and be considered part of the established policies of the Board.
- C. If any provision of this Agreement or any application of this Agreement to any employee or group of employees shall be found contrary to law, then such provision or application shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or application shall continue in full force and effect.
- D. Copies of this Agreement titled, "Professional Agreement Between the Board of Education of the School District of City of Lincoln Park and the Wayne County - MEA/NEA, M.E.A. - N.E.A.," shall be printed at the expense of the Board within thirty (30) days after the Agreement is signed and presented to all teachers now employed or hereafter employed by the Board.

This Agreement shall be effective as of August 15, 2000 and shall continue in effect until the 14th day of August, 2004. This Agreement shall not be extended orally and it is expressly understood that it shall expire on the date indicated.

IN WITNESS WHEREOF, the parties have executed this document by their duly authorized representatives the day and year first above written.

SCHEDULE A

GRADUATE HOUR PROVISIONS

- A. All semester hours earned (graduate and undergraduate) after provisional certification may be counted for the BA+15 column.
- B. All semester hours beyond the BA+15 compensation column must be graduate hours towards an advanced degree taken at a degree granting university. The recipient must be working on an advanced degree and be so recognized by the university. Upon filing for compensation under one of the advanced pay columns, the teacher will supply both an official transcript and, if necessary, a letter from the university stating that he/she is a graduate student in good standing on an advanced degree program.

Such notification must be made by filling out the necessary form on or before the 4th Friday of each semester to make advancement effective for that semester.

Hours toward a second MA shall qualify for reimbursement under the MA+15 Schedule. A second MA shall qualify an individual for reimbursement on the MA+30 schedule effective with the 1989-90 school year. However, it is expressly understood that there is no pay for a third MA or hours toward same.

- C. Any hours both earned and reported before September 1, 1960 (i.e. hours presently being paid for) shall be counted in the appropriate column even though they do not meet the specifications outlined in B above.
