The Union shall not be liable, however, for the acts or actions, hereinbefore enumerated, not caused or authorized directly or indirectly by the Union. 8. GRIEVANCE PROCEDURE

A. Any grievance or dispute which may arise between the parties as to the application, meaning or interpretation of this Agreement, shall be settled in the following manner:

Step 1. Any Employee desiring to file a grievance shall first try to resolve the problem by discussing it with the immediate Supervisor, or Department or Division Head, as appropriate, within ten (10) working days of the date of occurrence causing the grievance. If the grievance cannot be resolved verbally with the Supervisor, or Department or Division Head, the Employee shall, within three (3) working days of the discussion with the department, write out the grievance in detail and submit it to the Supervisor, or Department or Division Head, who shall answer the written grievance in writing within five (5) working days. When the grievance is reduced to writing, it shall set forth the nature of the grievance, the date and number or numbers of the affected Section or Sections of the Agreement, if any, and the relief or remedy requested, and be signed by the grievant or grievants involved. The department's written answer should also be in detail, and it should include all pertinent information.

Step 2. If the grievance remains unadjusted, it shall be presented by the Employee or Steward, in writing, to the appropriate Department or Division Head within five (5) working days after the response of the Supervisor is to be received. The Department Head shall answer the grievance in writing within five (5) working days. In those cases where the Department Head has already answered the grievance at Step 1, the grievance may proceed to Step 3, except where a Division Head reports to a Department Head, in which case the Department Head shall answer the grievance at Step 2.

Election of Remedies: In those cases involving discipline or discharge, the following shall apply:

The Employee may appeal either to the Civil Service Commission under Step 3 or arbitration under Step 4 of this grievance procedure. The election of either option shall be deemed exclusive. There shall be no appeal from the Civil Service Commission to arbitration or from arbitration to the Civil Service Commission. This election must be made in writing to the Civil Service Commission prior to Step 3 and must be made within the 10-day appeal period to the Civil Service Commission provided

for in Step 3 below, or within the 10-day appeal period to arbitration provided for in Step 4 below.

Step 3. If the grievance still remains unadjusted, it shall be presented by the Employee or Chapter Chairperson, in writing, to the Civil Service Commission within five (5) working days after the response from the Department Head is due, except in cases involving discipline or discharge where the provisions as cited in Chapter V, Section 16j, of the City Charter shall prevail. The City Charter reads as follows:

(CITY CHARTER, CHAPTER V, SECTION 16j)

Any employee or officer in the classified Civil Service may be removed, suspended, or demoted by the Appointing Authority for cause, as shall be established by the Civil Service Commission, by an order in writing stating specifically the reasons therefor. A copy of such order shall be filed with the Commission. Such employee may within ten (10) days after presentation of such order to him appeal from such order to the Civil Service Commission. The Commission shall within two (2) weeks from the filing of such appeal commence the hearing thereon, and shall thereupon fully hear and determine the matter, and either affirm, modify or revoke such order. The appellant shall be entitled to appear personally, produce evidence, have counsel, and a public hearing. The findings and decision of the Commission shall be certified to the official from whose order the appeal is taken, and shall forthwith be enforced and followed by him.

The Civil Service Commission shall meet on the grievance within two (2) weeks of the receipt of the grievance and shall respond in writing as soon as possible, but in any event, within ten (10) working days after the final meeting with respect to same.

Step 4. (a) Except as otherwise provided herein, if the grievance is not satisfactorily resolved by the Civil Service Commission or in appropriate cases the aforementioned election to the Civil Service Commission is not made, either party may, within ten (10) working days after the decision of the Civil Service Commission, or department or division head, as the case may be, notify the other party, in writing, of its intent to seek

8. GRIEVANCE PROCEDURE (Continued)

arbitration; and the other party shall be obliged to proceed with arbitration in the manner hereinafter provided.

- (b) The Parties shall attempt to agree upon an impartial arbitrator. If they cannot so agree within seven (7) working days of the request for arbitration, the party requesting arbitration shall promptly thereafter file a demand for arbitration with the American Arbitration Association in accordance with the then applicable rules and regulations of the Association.
 - (c) In the event of arbitration, the fees and approved expenses of the arbitrator will be paid by the parties equally. Each party shall be responsible for compensating its own representatives and witnesses. However, neither the aggrieved (as appropriate) nor the Chapter Representative shall lose pay for time off the job while attending arbitration proceedings.
 - (d) The arbitrator shall have no power to add to, subtract from, or modify any of the terms of this Agreement, nor shall he/she substitute his discretion for that of the Employer or the Union, nor shall he/she exercise any responsibility or function of the Employer or the Union.
 - (e) There shall be no appeal from the arbitrator's decision. Each such decision shall be final and binding upon the Union and its members, the employee or employees involved, and the Employer.
 - (f) If an election is made to the Civil Service Commission under the aforementioned Election of Remedies provision, it shall be final and binding upon the Union and its members, the employee or employees involved, and the Employer.
- B. The time elements in the four (4) steps above can be shortened or extended by mutual agreement in writing between the parties.
- C. Any grievance not appealed in writing within the time limits established in the grievance procedure shall be considered settled on the basis of the last answer.
- D. The Union may withdraw any grievance without prejudice at any step up to and including the fourth step, when applicable.

8. GRIEVANCE PROCEDURE (Continued)

However, a grievance once withdrawn may not thereafter be reinstated.

- E. Any grievance not answered by the City within the time limits established in the grievance procedure or extended by mutual agreement shall automatically be advanced to the next step by transmitting copies of said grievance to the proper step.
- F. If an Employee walks off his job without following the procedure outlined above, he/she shall be deemed to have no grievance and shall be subject to disciplinary action.
- G. Any grievance settlement shall be made in accordance with the terms and spirit of this Agreement.
- H. Where one or more grievances involve a similar issue, those grievances may be withdrawn without prejudice pending the disposition of the appeal of a representative case.
- I. In the case of a pay shortage of which the Employee would not have been aware before receiving his pay, any adjustment made shall be retroactive to the beginning of the pay period covered by such pay if a grievance is filed within fifteen (15) working days of receipt of such paycheck.
- J. In accordance with Section 11 of Act 336 of the Michigan Public Acts of 1947, as amended, individual employees within the bargaining unit, whether or not they are members of the Union, shall retain the right to present grievances individually to the Employer. A Union representative must be given an opportunity to be present.
- K. All claims for back wages shall be limited to the amount of wages that the Employee otherwise would have earned.

9. DISCIPLINARY PROCEDURE

- A. With regard to oral or written reprimands, an Employee may, if desired, request the application of the grievance procedure for the purpose of reviewing the same. Any record of oral reprimands shall be removed from the Employee's file both in the department and the Civil Service Department after six (6) months from the date of occurrence of the oral reprimand. Written reprimands shall be retained for a period of eighteen (18) months from the date of occurrence and then removed. Should it be necessary to reprimand an Employee, the reprimand shall be given so as not to cause embarrassment to the Employee before other employees or the public.

9. DISCIPLINARY PROCEDURE (Continued)

- B. Suspensions, Demotions, or Discharge. With respect to suspension, demotion, or discharge from City service, for cause, an Employee may appeal such disciplinary action in accordance with the provisions set forth in the Charter of the City of Livonia which, for the information of employees covered under this Agreement, is set forth in Article 8 paragraph A.

10. SENIORITY

- A. "Seniority" shall mean the length of continuous service by an Employee from the original date of employment to a permanent position in the classified service or from the original date of employment on a temporary basis which led to permanent status without a break in service. Seniority as defined herein shall be applicable to layoffs, promotions, recalls and reemployment of Employees. In the event of a transfer to a position in another City department, an Employee shall retain all accumulated seniority.
- B. A new Employee shall be considered as a probationary Employee for the first six (6) months of employment. There shall be no seniority among probationary Employees. Upon satisfactory completion of the probationary period, the employee shall be included on the seniority list of the unit and shall rank for seniority from the date of initial employment.
- C. The Union shall represent probationary Employees for the purpose of collective bargaining with respect to rates of pay, hours of employment and other terms and conditions of employment as set forth in Article 1 of this Agreement. The Union shall not represent probationary employees who have been laid off, disciplined or discharged for other than Union activities.
- D. Seniority shall be on a City-wide basis, by departments or divisions, by occupational groups, or other categories depending upon the situation in which applied, and shall be in accordance with the Employee's last date of hire.
- E. Seniority accumulated with the City of Livonia within any other bargaining unit shall be retained.

11. SENIORITY LISTS

- A. Seniority shall not be affected by the race, sex, religion, marital status or dependents of the Employee.

11. SENIORITY LISTS (Continued)

- B. The seniority list on the date of this Agreement will show the names and classifications of all Employees of the unit entitled to seniority.
- C. The Employer will provide the local union and council office with up-to-date copies of the seniority list within a reasonable time upon request.

12. LOSS OF SENIORITY

An Employee shall lose seniority for the following reasons. The employee:

- A. Quits.
- B. Is discharged and the discharge is sustained.
- C. Is absent for three (3) consecutive working days without notifying the Employer. After such absence, the Employer will send written notification to the Employee, at the last known address that he/she has lost his/her seniority, and his/her employment has been terminated. Return from sick leave and leaves of absence will be treated the same.
- D. Does not return to work when recalled from layoff.
- E. Retires.

In the application of the provisions of this Article, due consideration will be given to extenuating circumstances.

13. SHIFT PREFERENCE

If there are two or more employees in the same classification and there is more than one shift and a vacancy or new position occurs, the senior Employee should be given shift preference. However, shift preference may be denied if the Department Head has good reason to believe that a certain employee would work better with one shift than with another. Consideration will be given to seniority in making the assignment. The controlling factor, however, will be qualifications.

14. LAYOFFS

Layoffs shall be made in conformity with the principle of seniority, i.e., the last one hired being the first one laid off, provided that the Employer will be able to retain those employees with the most seniority by reassigning them to other classifications IF they can

14. LAYOFFS (Continued)

demonstrate the capability to perform the duties of the classification by:

- A. Having worked successfully in the classification for at least one full year; or
- B. Being able to pass the Civil Service examination for the classification and being able to pass a six-months' probationary period in the classification.

Seniority will apply only to permanent employees.

15. RECALL PROCEDURE

When the work force is increased after a layoff, employees shall be recalled according to seniority if they can demonstrate the capability to perform the duties of the particular classifications to be filled by:

- A. Having worked successfully in the classification for at least one full year; or
- B. Being able to pass the Civil Service examination for the classification and being able to pass a six-months' probationary period in the classification.

Notice of recall shall be sent to the Employee at the last known address by certified mail. If an employee fails to return to work within ten (10) working days after receiving notice of recall, the employee shall be considered to have resigned, unless he/she requests in writing to have his/her name retained on the layoff list, in which case his/her name shall be placed at the bottom of the list.

16. TRANSFERS

- A. Notification of job vacancies and the filling of same shall be in accordance with the Civil Service Rules and Regulations.
- B. If an Employee is transferred to a position under the Employer, not included in the unit and is thereafter transferred again to a position within the unit, he shall have accumulated seniority while working in the position to which he was transferred. Employees transferred under the above circumstances shall retain all rights accrued for the purposes of any benefits provided for in this Agreement.

17. VETERANS

- A. The length of an Employee's service in the Armed Forces of the United States, after having first been employed by the City, shall be included in the computation of City service to determine status on the seniority list. Any Employee actively serving in the Armed Forces of the United States, or absent because of enforced military training, shall not lose seniority status but upon termination of such service shall be reemployed by the City, provided the Employee serves a tour of duty not to exceed four (4) years unless extended by the government and has been honorably discharged from the service and reports for work within ninety (90) days after his/her discharge. The employee shall be paid at the appropriate step and rate he/she would have had, had he/she continued in the employ of the City.
- B. A probationary Employee who enters the Armed Forces and meets the foregoing requirements, must complete his/her probationary period, and upon completing it will have seniority equal to the time he/she spent in the Armed Forces added to his/her total seniority, provided that he/she has been honorably discharged from the service and reports for work within ninety (90) days after his/her discharge. Upon completion of the probationary period, the employee shall be paid at the appropriate step and rate that would have been attained had City service not been interrupted.
- C. The City agrees to allow reemployed veterans to take any exams missed during their service tour that they may be qualified to take so that they may be placed on any current promotional list. This shall not apply to promotional eligible lists which have expired.
- D. All other re-employment rights of Employees will be governed by applicable Federal laws and State statutes.

18. RESERVE OR NATIONAL GUARD DUTY

Employees who are in some branch of the Armed Forces of the National Guard will be paid the difference between their reserve pay and their regular pay with the City, up to a maximum of two (2) weeks, when they are on full-time active duty in the Reserve or National Guard, during the normal work week, provided proof of service and pay is submitted. The foregoing provisions shall also apply up to a maximum of two (2) weeks should the Reserves or National Guard be called out by the Governor of the State of Michigan.

19. LEAVE FOR UNION BUSINESS

Members of the Union elected to attend conventions or educational conferences shall be allowed reasonable time off without pay, subject to the operating needs of the department or division, and the prior approval of the department or division head, to attend such conference and/or convention.

20. SICK LEAVE

- A. All permanent full-time Employees shall accumulate sick leave at the rate of one (1) working day for each complete month of service. LETTER OF IMPLEMENTATION

Subsequent to ratification of the Collective Bargaining Agreement between the City of Livonia and Local Union 1917, American Federation of State, County and Municipal Employees, effective December 1, 1989 and expiring November 30, 1992, the Local 1917 bargaining team made inquiry of the City of Livonia bargaining team as to the City's implementation of Article 34, Hospitalization-Medical Coverage, Section D, with regard to the payment of the costs of HMOS.

The City explained that hospitalization-medical insurance premium rates are determined as of March 1 of each year; that each year, from June 10 to July 10, employees have the option to enroll in either the City's Blue Cross/Blue Shield Preferred Coverage, or an HMO, in which the enrollment election becomes effective August 10 of each year. The City will interpret Article 34 (D) to mean that the comparable rates between HMOs and the City provided Blue Cross/Blue Shield Coverage refers to the City's provided Blue Cross/Blue Shield Preferred Coverage; that if the City becomes self-insured, pursuant to the provisions of Article 34, then the rates to be compared will be based upon the illustrated premium costs for said self-insurance coverage providing the same benefit level that would have been afforded by Blue Cross/Blue Shield Preferred Coverage as determined by the self-insured administrator.

Those employees who were in an HMO prior to December 1, 1983, and who were in an HMO continuously since the initial HMO selection, as of March 1, 1990, shall, for the life of the 1989-1992 agreement, not be required to pay the cost of any premium difference for participating in an HMO. Said employees must have remained continuously in the initial HMO selection or subsequent HMO selection and not transferred at any time during the life of the 1989-1992 Agreement to the Blue Cross/Blue Shield Preferred Plan. For those employees who selected an HMO after December 1, 1983, and were in an HMO as of March 1, 1990, the following conditions shall apply:

1. For the period of March 1, 1990, to February 28, 1991, even if the employees had selected an HMO with premiums higher than those paid by the City for its Blue Cross/Blue Shield Preferred Coverage, said employees shall not be required to pay any contribution toward premium differences.
2. For the period of March 1, 1991, to February 29, 1992, said employees shall pay fifty percent (50%) of the premium difference when the HMO rate is higher than the Blue Cross/Blue Shield Preferred Coverage or self-insured program.
3. After March 1, 1992, said employees shall pay the full cost of the premium difference when the HMO rate is higher than Blue Cross/Blue Shield Preferred Coverage or self-insured program.

LETTER OF IMPLEMENTATION (Continued)

The above provisions shall be applicable if the employee chooses to switch from one HMO to another.

Employees, who select an HMO, and were not covered by an HMO as of March 1, 1990, and the HMO selected has rates higher than those paid by the City for Blue Cross/Blue Shield Preferred Coverage or under a self-insured program, shall be responsible for paying at all times the full difference between the rates on a monthly basis.

Employees who were in an HMO as of March 1, 1990, and thereafter elects to be covered by the City's Blue Cross/Blue Shield Preferred Coverage or self-insured program, then subsequently elects during an enrollment period to be covered by an HMO, and selects an HMO with rates higher than those paid by the City for Blue Cross/Blue Shield Preferred Coverage or self-insured program, will pay the full difference between the rates on a monthly basis.

Employees who have been continuously enrolled in an HMO since March 1, 1990, who, at the applicable June, 1991 or June, 1992 enrollment periods, elect to be covered by the City's Blue Cross/Blue shield Preferred Coverage or self-insured program, shall be reimbursed for any premium cost differences they incurred from March 1 to August 10 of the year in which they converted to the Blue Cross/Blue Shield Preferred Coverage or self-insured program.

The above provision for recouping premium payments shall not apply to employees who elect to be covered by an HMO after March 1, 1990.

The aforementioned differences in premium due shall be made by payroll deduction.

The Local 1917 bargaining team has been fully advised as to this intent of implementation and on behalf of its membership has accepted to be bound by this implementation.

LETTER OF UNDERSTANDING

During negotiations for the 1999-2002 Collective Bargaining Agreement, it was agreed that references to age 65 throughout the Agreement are intended to reflect the age when an individual becomes Medicare eligible. Thus, to the extent that any modifications to the law which will affect the age at which an individual becomes Medicare eligible have been made, or may be made in the future, the parties agree to corresponding changes in the Collective Bargaining Agreement to reflect these changes.
