1.1: WHEREAS, the purpose of this Agreement is to set forth terms and conditions of employment, and to promote ordinary and peaceful labor relations for the mutual interest of the City of Livonia in its capacity as an Employer, and the employees, the Union, and the People of the City of Livonia; and

1.2: WHEREAS, the parties recognize that the interest of the community and the job security of the employees depend upon the Employer's success in establishing a proper service to the community; and

1.3: WHEREAS, to these ends the Employer and the Union encourage to the fullest degree, friendly and cooperative relations between the respective representatives at all levels and among all employees; and

1.4: WHEREAS, it is agreed by the City and the Union that the City is legally and morally obligated to provide equal opportunity, consideration and treatment of all employees of the City, and to establish policies and regulations that will insure such equalities of opportunity, consideration and treatment of all persons employed by the City in all phases of the employment process; and whereas to this end, basic rights and equities of employees are established through the City Charter, Ordinances and Resolutions of the City Council, and Rules and Regulations of the Civil Service Commission; and

1.5: WHEREAS, it is further intended that this Agreement and its supplements shall be an implementation of the Charter and Ordinance Authority of the Mayor, Charter and Ordinance Authority of the City Council, Charter and Ordinance Authority of Department Heads, the Rules and Regulations promulgated by the Civil Service Commission, and the provisions of Act 336 of the Public Acts of Michigan of 1947, as amended.

ARTICLE VIII
GRIEVANCE PROCEDURE

8.1: If an employee considers that he has a grievance during the term of this Agreement as to the interpretation and application of the

provisions of this Agreement, an earnest effort should be made to resolve the same promptly in the following manner:

Step One. The employee shall take up the grievance verbally with the Officer-in-Charge within ten (10) working days of the date of the grievance. If the grievance is not resolved, he/she shall report the same to the President or appointed committee who shall verbally take up the grievance with the Officer-in-Charge. If the employee wishes the Union to handle the grievance from the beginning, this may be done. In any case, the Officer-in-Charge shall verbally respond to the last presentation of the grievance within three (3) working days.

Step Two. If the grievance in Step One is not resolved, it shall be reduced to writing and submitted to the Police Chief within seven (7) working days after the oral answer from the Officer-in-Charge in Step One. The Police Chief or designee shall respond in writing within seven (7) working days. In the event that the grievance is verbally resolved, this resolution shall be confirmed in writing to the Police Officers Association of Michigan/Livonia by the Police Chief or designee within the time period indicated immediately above.

Step Three. A Labor-Management Committee shall review all grievances not satisfactorily resolved at Step Two, before being submitted to the Civil Service Commission, or to arbitration as applicable. The Labor-Management Committee shall be composed of representatives from the Union and management. If the committee mutually decides to settle a grievance, the settlement shall be binding on all parties. If the committee cannot decide to settle a grievance, either party may advance the grievance to the next step of the grievance procedure as provided in the agreement.

Step Four. If the grievance is not resolved at Step Three of the grievance procedure, the grievance shall be submitted, within thirty-five (35) calendar days to the Civil Service Commission which shall meet, conduct a hearing, and respond to said grievance within thirty (30) calendar days of receipt of the grievance.

Step Five.

- A. In the event of failure to resolve the grievance in Steps One through Four of the grievance procedure, either party to the contract may appeal the grievance to an arbitrator who shall be selected by mutual agreement; provided that written notice is served on the other party within twenty (20) calendar days after the Civil Service Commission renders its decision. In the event the parties are unable to agree upon an arbitrator within seven (7) working days of the request for arbitration, the party requesting arbitration shall promptly thereafter file a demand for arbitration with the American Arbitration Association in accordance with the then applicable rules and regulations of the American Arbitration Association.

- B. The expense and salary incident to the service of the arbitrator shall be borne by the losing party. The arbitrator, in making his award shall designate the losing party. By mutual agreement, the costs and expenses of the arbitrator may be apportioned between the parties.
- C. The arbitrator shall have the authority and jurisdiction to interpret and apply the collective bargaining agreement with respect to the grievance in question, but shall not have the power to alter or modify the terms of this Agreement.
- D. The arbitrator shall submit the decision, in writing, within thirty (30) days after the conclusion of the hearings, and the decision of the arbitrator so rendered shall be final and binding upon the employees involved, the Union and its members, and the City.

8.2: Any grievance not appealed in writing from the decision at any of the first four (4) steps under the Grievance Procedure to the next step, within the time prescribed, shall be considered settled on the basis of the last decision.

8.3: Notwithstanding the foregoing, an employee, during hours of employment, shall complete his/her assignments and follow the procedure as outlined above or the employee shall be subject to disciplinary action.

8.4: Any grievance settlement shall be made in accordance with the terms and spirit of this Agreement.

8.5: When one (1) or more grievances involve a similar issue, those grievances may be withdrawn without prejudice pending the disposition of the appeal of a representative case.

8.6: Any individual employee, at any time, may present grievances to the Chief of Police and have the grievance adjusted without intervention of the Union, if the adjustment is not inconsistent with the terms of a collective bargaining contract or agreement then in effect; and provided that the bargaining representative has been given opportunity to be present at such adjustment.

8.7: When a grievance of an employee affects a number of employees and concerns matters which are similar in nature, such a grievance may be submitted in writing directly to the Police Chief, in accordance with Step Two, as a representative grievance, the disposition of which would be applicable to other employees similarly affected.

8.8: Notwithstanding the available steps under the present grievance procedure, in the event of a clear case of emergency, as determined by the Executive Board of the Police Officers Association of Michigan/Livonia, the employee can submit the grievance directly to the Police Chief who will then decide whether or not to waive the preceding

grievance step(s). If the Police Chief waives Step One and/or Step Two of the grievance procedure, he will then submit the grievance in accordance with Step Three of the grievance procedure.

8.9: Probationary employees, as defined in Rule 18 of the Rules and Regulations of the Civil Service Commission, shall have no right to grieve decisions to terminate their employment.

ARTICLE IX
COMPUTATION OF BACK WAGES

9.1: No claim for back wages shall exceed the amount of wages the employee would otherwise have earned at his/her regular rate.

ARTICLE X
DISCIPLINARY PROCEDURE

10.1: Reprimands. With regard to oral or written reprimand, an employee may, if he/she so desires, request the application of the Grievance Procedure for the purpose of reviewing such reprimand. Oral and written reprimands shall be removed from an employee's records on the second anniversary of their issuance. The foregoing shall not apply to any other form of disciplinary action.

10.2: Suspension, Demotions, or Discharge. In any contemplated action, excluding oral or written reprimands, an employee will be given a letter listing the charges, stating the officer's right to representation and giving the charged officer ten (10) days to request a hearing before the Chief of Police or his designate, to review the charges against the employee and, based upon this review, the Chief or his designee shall make a final decision, within ten (10) days, regarding disciplinary action in the matter.

Upon receipt of the charged officer's request for a hearing, the Chief will hold such hearing within thirty (30) days of the receipt of the request giving the officer a minimum of seventy-two (72) hours notice of the meeting date and time.

The case shall be presented to the Chief or his designee by the Bureau or Platoon commanding officer under whose command the charged officer falls, or the designee of said commanding officer.

If the charged officer does not request a hearing within the ten (10) day period, it shall be considered that the officer does not desire such hearing and the disciplinary decision will be made within ten (10) days of the expiration of the hearing request period.

The penalty, if any, shall be at the discretion of the Chief or his designee.

It is further agreed that when an officer is informed of charges by the Chief's office that the Police Officers Association of Michigan/Livonia shall be notified in writing of the officer's name and that he/she is being charged. The specific charges are not to be

and the Livonia Police Officers Association of Michigan

mentioned in the notification.

The decision of the Chief may be appealed in accordance with the provisions set forth in the Charter of the City of Livonia which, for the information of employees covered under this Agreement, is as follows:

(CITY CHARTER, CHAPTER V, SECTION 16j)

Any employee or officer in the classified Civil Service may be removed, suspended, or demoted by the Appointing Authority for cause, as shall be established by the Civil Service Commission, by an order in writing stating specifically the reasons therefor. A copy of such order shall be filed with the Commission. Such employee may within ten (10) days after presentation of such order to him appeal from such order to the Civil Service Commission. The Commission shall within two (2) weeks from the filing of such appeal commence the hearing thereon, and shall thereupon fully hear and determine the matter, and either affirm, modify or revoke such order. The appellant shall be entitled to appear personally, produce evidence, have counsel, and a public hearing. The findings and decision of the Commission shall be certified to the official from whose order the appeal is taken, and shall forthwith be enforced and followed by him.

The charged officer, at his/her option, may appeal such order as described above, through an arbitration proceeding, in lieu of an appeal to the Civil Service Commission. The procedure shall be as outlined in Article VIII, Section 8.1, Step Five, except that written notice of intent to arbitrate shall be served on the Civil Service Commission office within twenty (20) days of any penalty imposed.

The charged officer may take such other action as he/she may desire provided under the law, should his/her appeal to the Civil Service Commission be denied.

The charged employee shall continue to receive regular pay and benefits until such time as the Chief or his designee acts upon the charge. In the event the employee is discharged, he/she shall reimburse the City all sums paid as salary and benefits from the effective date of discharge which sums may be deducted from any monies due him/her by the City.

In regard to written reprimands, if the reprimanded officer feels that the reprimand is unjustified, the employee may request an appeal before the Chief of Police or his designee within ten (10) days of the receipt of the reprimand. The Chief or his designee will grant such appeal hearing within thirty (30) days of the receipt of the request giving the officer a minimum of seventy-two (72) hours notice and rendering a final decision within ten (10) days of the appeal hearing.

10.3: Complaints of a Criminal Nature. It is recognized that criminal complaints against Police Officers must be investigated in order to preserve the integrity of the profession. This investigation shall be carried out in an expeditious and professional manner. Further, the constitutional rights of those involved shall be preserved.

10.4: Representation. Should an employee request Association representation at an investigatory interview where he/she believes the investigation may result in disciplinary action, his/her request for representation will be complied with by the Employer in order for such an interview to take place, subject, however, to the following:

- A. An employee may waive this right, and if he/she prefers, participate in an interview without Association representation.
- B. When an employee requests such representation, the Employer may determine not to proceed with the interview. In other words the Employer shall have the right to refuse to conduct the interview, and the employee may, as a consequence, not be afforded such benefits as he/she may otherwise receive by reason of the interview being conducted.
- C. At such investigatory interview, the Employer shall have no duty to bargain with the Association representative. The Association representative may assist the employee in an attempt to clarify the facts; however, the Employer may insist that he is only interested in hearing the employee's own account of the matter under investigation.

ARTICLE XI
ORIGINAL APPOINTMENTS AND PROMOTIONS

11.1: All promotions shall be made in accordance with the City Charter and the Rules and Regulations of the Civil Service Commission and the following apply with respect to the same.

11.2: The promotional examinations for Sergeant are open only to employees of the City of Livonia who, the following April 8, are: employed in the Police Division of the Department of Public Safety; have regular status in the classification of Police Officer II; and have had at least five (5) years experience in the classification of Police Officer prior to 7/24/95 and/or five (5) years of combined experience in the classifications of Police Officer and Police Officer II with the city of Livonia. Experience as a Police Cadet and/or Police Officer I will not be considered in meeting the five (5) year experience requirement.

11.3: During the life of this Contract, there shall be no changes in the parts and weights for the promotional examination for Sergeant until the Union has had an opportunity, if it so desires, to negotiate with the Civil Service Department concerning said changes. In the event the Union and the Civil Service Department cannot reach agreement as to the

proposed changes, either party may submit the dispute to arbitration pursuant to Article VIII of this Agreement. In reviewing the changes, the Arbitrator shall apply a standard of reasonableness.

11.4: Only time as a Police Cadet, Police Officer I, or Police Officer II with the City of Livonia will be credited for seniority points in the promotional examinations for Sergeant. Police Officer II's will receive 1/4 seniority points per completed year of service for time in grade as a Police Cadet or a Police Officer I. Time in grade as a Police Officer II will be credited with 1/2 seniority points per completed year of service.

11.5: In those cases in which a Police Officer has left the Police Division and returned, he/she shall not be eligible to take a promotional examination for four (4) years. After four (4) years have elapsed from the date of return, he/she shall be eligible to take a promotional examination and the employee's prior service shall apply in computing seniority points.

11.6: In the promotional examination for Sergeant, the procedure with respect to departmental ratings shall be as follows:

- A. Departmental ratings will be compiled and averaged once a year in December based on the preceding calendar year quarters. Quarterly an Officer will receive a form bearing written recommendation and comments on his or her performance and shall sign and retain a copy. An officer will receive notice of substandard activity at least one (1) month prior to the quarterly rating.
- B. The Officer may ask for review by the Police Chief or his designee.
- C. In the promotional examination for Sergeant, the average of the last three (3) yearly departmental ratings shall be used.

11.7: A probationary police officer shall be assigned according to the Department's current Field Training Officer Policy.

ARTICLE XII LAYOFFS

12.1 Layoffs shall be made in conformity with the principle of seniority (i.e., the last one hired being the first one laid off, and the first one laid off being the last one recalled).

ARTICLE XIII TRANSFERS AND ASSIGNMENTS

13.1: In the event of vacancies in Bureaus in the classification of Police Officer, planned to be filled by the transfer of personnel:

- A. The Union shall be advised in writing of the vacancies

at least fourteen (14) calendar days prior to filling such vacancies.

- B. The employees will be given a minimum of fourteen (14) days from the date the Union was notified to express interest in the vacancies by the posting of a list in the affected bureau.
- C. A communication giving notice of the posting of lists will be issued to all personnel with a copy sent to the Livonia Police Officers Association.
- D. Department policy is to make transfers effective the 1st day of February in each year for training purposes.
- E. However, if vacancies occur at other times, a list will be posted for officers to indicate their interest and selection will be made from the most recent list.
- F. The Police Chief may waive such notice and transfer personnel immediately if operating needs of the Police Division require such action. If assignments so made are to exceed thirty (30) days, the notification procedure shall then be followed and reassignments may then be made at the discretion of the Police Chief, based on the procedure outlined above.

13.2: Because of necessary changes within a bureau, officers may be reassigned to areas under the command of that bureau. For example, school liaison officer may be assigned from within the youth bureau or an officer may be reassigned to a different platoon within the patrol bureau. These assignments will not be posted.

13.3: In making transfer assignments, officers will be selected from the lists with consideration given to fitness for the assigned duties and responsibilities and seniority. An employee shall have the right to discuss with the Police Chief the basis for such assignments or instead, at the option of the employee, the Chief shall put his reasons for not making the requested transfer in writing and give same to the employee; provided, however, their oral or written obligation shall only apply to one requested transfer during a given transfer period. The decision of the Police Chief in the matter of transfer assignments shall be final and not subject to the grievance procedure, except to the extent that the notification and the review procedure outlined here is not followed.

13.4: In the event of training opportunities outside the Police Division, the Department will post these opportunities for training in the Department Roll Call Room.

ARTICLE XIV
SHIFT SELECTION/POLICE OFFICERS

Agreement between the City of Livonia
and the Livonia Police Officers Association of Michigan
December 1, 1997 - November 30, 2006

February, April, June, November

The remaining eight months will have nine (9) leave days per month to fulfill the required amount of 104 leave days per year.

14.2: The following will be the procedure with regards to Permanent Shifts/Patrol:

1. Leave Day Selection - Patrol Division
 - a. Only those officers assigned to regular patrol work are included in this program.
 - b. Platoon Officers shall be assigned in Groups of three, one group to each Scout Car Section. Leave Days will be selected by seniority, by Scout Car Group, with only one Officer from each Scout Car Group on a Leave Day at any one time. Each Officer will be allowed to pick the total number of Leave Days due him each month, however, the Platoon Commander reserves the right to assign up to a total of three of these Leave Days as he sees fit, to meet the operating needs of the Platoon. Any disputes resulting from the way the Officers are assigned to the different Scout Car Groups will be resolved by the Platoon Commander and his decision shall be final in all cases.
 - c. The Officers will select their Leave Days for the next month by the 15th of the current month. The Shift Supervisors will finalize the Leave Day selections by the 25th of the current month.
 - d. Any cancellation of the Leave Days by the Platoon Commander, after the posting of Leave Days on the 26th day of the preceding month, shall result in the payment of time and one half day, or time and one half compensatory time, at the election of the Officer whose Leave Days are cancelled.
2. Shift selection will be made on a bi-annual basis each February 1st and August 1st.
3. Selection shall be by seniority, subject to the following listed restrictions:
 - a. Police Officers with less than two years seniority are to be assigned at the discretion of the Chief of Police.
 - b. At least 1/3 (one-third) of Police Officers assigned to each shift will have at least five years seniority.

Agreement between the City of Livonia

In the event the Chief of Police shall determine to initiate a fourth shift permanently, six (6) months notification shall be given and bids will be made in accordance with the bidding procedure.

6. It is recognized that management requires the utilization of one man scout cars, any ratio of one to two man cars is up to the discretion of the O.I.C., subject to approval of Uniform Division Commander.
7. The Chief of Police, at his discretion, can temporarily reassign an officer for up to thirty (30) days, once during each bid selection year. An employee so transferred shall be notified of the reason.

After four (4) years on a given shift, management may require a Police Officer to select a different shift for reasonable cause as determined by the Chief of Police.

8. A voluntary trade of shifts with another officer may be made to accommodate unexpected personal circumstances of a family nature for 30 days with approval from the Chief of Police.
9. Unexpected transfers - Should a Patrol Officer be transferred out of Patrol Bureau to assume another position, management may move a "select officer", an officer having five (5) years or more seniority, to maintain the 1/3 rule set forth in Section 14.2 (3) (b). That officer may be required to assume the leave days of the prior officer's selection for the duration of the month.

Should a Patrol Officer be removed and another officer come from another bureau exigent the normal selection time, the officer coming into patrol will finish the cycle of the officer leaving.

10. The Chief of Police may reassign a Police Officer temporarily to another shift for emergency purposes or manpower shortages caused by illness, disability, trials or schools, the duration of which lasts at least two (2) weeks.
11. Reserve Police Assignments - The scheduling of reserve details with working Police Officers will not interfere with the use of C.T., P.B., or individual furlough days as long as requests are made two (2) weeks (14 days) prior to the date of the reserve detail.

If an officer misses, it is the officer's responsibility to make up at straight time.

In the event of death of the retiree, this coverage shall continue for the surviving spouse if the surviving spouse is eligible for retirement benefits under Option (a) or (b) of the Defined Benefit Retirement Plan Ordinance or if the retiree was a member of the Defined Contribution Retirement Plan.

27.4: The City, at its option, may offer hospitalization-medical coverage through Health Maintenance Organizations (HMO's) at City cost in lieu of the hospitalization-insurance provided herein. If an employee accepts the option of a provided HMO, it will be deemed that the City has fulfilled its obligation under this section and paragraphs 27.1 and 27.2 herein for hospitalization-medical coverage and the specific benefits therein provided. Once an employee has selected an offered hospitalization-medical coverage option, no change can be made until the next re-opening date.

27.5: Employees who are on the active payroll of the City, covered by a health care plan offered by an employer other than the City, and can establish such coverage, who do not elect to take hospitalization-medical coverage offered by the City, may, each enrollment year, at the time of the enrollment year receive a \$1,000 payment from the City as payment in lieu of the hospitalization-medical coverage. Once an employee opts out for a given year, the employee will not be able to receive the City's coverage until the next enrollment period, unless the employee loses eligibility for the alternate coverage. If the employee returns to the City's coverage under the conditions just stated, the employee shall pay back pro rata the said \$1,000 payment provided herein. The \$1,000 will be paid for each enrollment year that the employee elects to opt out

If the City employs more than one member of a family all of whom could be eligible for coverage under one hospitalization-medical insurance policy or plan as a spouse or dependent under the age of nineteen (19), the spouses and eligible dependents under the age of nineteen (19) of that family shall be covered by only one City provided hospitalization-medical insurance policy or plan carried by one spouse or the other. In such cases, the City shall not be obligated to provide more than one hospitalization-medical policy or plan.

27.7: The City may fulfill its obligation under this article for providing hospitalization medical coverage by adopting a self-insured program which shall provide the same benefits as set forth in this article.

27.8: During the term of this Agreement, upon request of the City, the parties agree to reopen the Agreement for the sole purpose of negotiating a change in the third-party administrator from Blue Cross/Blue Shield, so long as the benefits provided remain the same as set forth in this Article. The City agrees to provide the Union with written notice of a proposed change in the third-party administrator at least 90 days before the proposed effective date of such change and shall provide the Union with any information requested concerning the proposed administrator. If a dispute arises between the parties concerning the change, the dispute shall be resolved through the negotiation/mediation arbitration procedure set forth in the 1969 PA 312, MCLA 423.231, et seq., with implementation of the proposed change awaiting the final outcome of arbitration.

27.9: Psychological. The Employer will provide a psychological services reimbursement program for full-time and permanent employees. Said program shall reimburse employees for the psychiatrist's or licensed clinical psychologist's fees for psychotherapy. Said reimbursements shall not exceed Four Hundred (\$400.00) Dollars per fiscal year for any employee, and shall be made subject to submission of proof of billing and payment for such expenses. The benefits provided herein are only available to each individual employee and are not available to any family member. Moreover, it is expressly understood that said reimbursements shall not be applied toward the employee's major medical deductible.

If an employee covered by this provision seeks confidentiality as to its application, the employee shall consult with the POAM business representative to effectuate such a result.

ophthalmologist be deemed necessary by an optometrist, the bills for the ophthalmological examination may be presented to the Civil Service Department for payment from the optical account; it being understood that such ophthalmological examinations must have resulted from referrals by an optometrist under the group plan.

Should an employee choose not to participate in the foregoing group optical program, he shall make his election known to the City in writing. Said employee shall then be entitled to reimbursement in an amount not to exceed \$21.00 per family per year. In the event the City's contribution for each employee in the above group optical program exceeds \$21.00 and the employee chooses not to participate in said group program, he/she shall be entitled to reimbursement in an amount equal to the City's contribution rate per employee per year.

Police dispatchers who operate a CRT in the performance of their regular duties for an average of four (4) hours per day may request one (1) eye examination per year from the City optical program.

- C. Effective December 1, 1995, the city will provide, for each employee's family only, 50% of the fees for orthodontic services for the prevention and correction of poorly positioned teeth for a lifetime maximum of \$1,000 per family, limited to the employee and spouse and dependents until the end of the year said dependents reach age 19.
- D. Reimbursement shall be made as follows:

2. Reimbursements shall be made by the Employer within thirty (30) days following the request for reimbursement.
 3. In cases where payment to a dentist creates an undue hardship, an employee may apply to the Civil Service Department to have his dental benefit paid directly to his/her dentist. In cases of extreme hardship, employees may apply to the Civil Service Department to utilize up to the maximum accumulation. If an employee receives an advance payment of his/her accumulation and subsequently terminates employment with the City for any reason, prior to the end of the contract year, a pro-rated adjustment to the reimbursement advanced shall be made, and the balance shall be deducted from any monies otherwise due to the employee.
- E. An employee who has been or will be reimbursed for dental expenses by a dental plan other than the City of Livonia Plan or from some other source, will not be eligible to receive reimbursement from the City of Livonia Plan.
- F. Where both husband and wife are working for the City, each person may be reimbursed separately for dental expenses; provided, however, that a spouse who claims a dental reimbursement may not also be claimed as a dependent for this purpose. In addition, dental expenses for dependent children may be claimed by either parent but both may not claim the same child for reimbursement purposes.

36.A.8: Effective November 24, 1998, an employee's annuity factor shall be 2.8% for the first twenty-four (24) years of service, to a maximum ("cap") of seventy-five percent (75%) of final average compensation, provided that after twenty-five (25) years of service the employee will automatically receive the seventy-five percent (75%) maximum cap of final average compensation.

36.A.9: The City, at no cost to itself, agrees to the institution of a pension "pick-up" plan for employees, which will allow employees to realize increased disposable income by deferring payment of withholding taxes on their pension contributions in accordance with the applicable provisions of the Internal Revenue codes; provided that the Internal Revenue Service approves such a "pick-up" and that the retroactivity thereof will be December 1, 1988 conditioned upon IRS approval; and provided further that pick-up is approved by the Internal Revenue Service. The "pick-up" plan as set forth herein shall be instituted as follows:

- a. The City shall pick up the employee contributions required of employees for all compensation earned after the effective date of this provision. The contributions, so picked-up, shall be treated as Employer contributions in determining tax treatment under the United States Revenue Code. Employee contributions picked-up by the City, pursuant to this provision, shall be treated for all other purposes, in the same manner and to the same extent, as employee contributions made prior to the effective date of this provision.
- b. This provision shall begin within a reasonable time

Agreement between the City of Livonia
and the Livonia Police Officers Association of Michigan

period after the City has received notification from the Internal Revenue Service pursuant to applicable provisions of the United States Revenue Code. These employee contributions so picked-up shall not be included in gross income for tax purposes until such time as they are distributed by refund or benefit payment. The City shall provide a revised W-2 form to reflect all of the above changes, as soon as practicable after IRS approval.

- c. With respect to the Plan Amendment and the "pick-up" of employee pension contributions set forth above, it is expressly understood and agreed as follows:
- i. The plan amendment is being adopted only for the purpose of allowing employees to take advantage of IRS Code provisions which permit governmental employees to tax shelter their pension plan contributions.
 - ii. The actual current and future gross salary of the employees will not be affected by the plan amendment.
 - iii. Employee contributions will be withheld from actual gross salary and paid to the plan.
 - iv. Actual gross salary will continue to serve as the basis for determining the amount of salary related fringe benefits, including retirement benefits.
 - v. Taxable gross salary (salary reported on form W-2) for the employees will be equal to actual gross less the employee contribution to the pension plan.
 - vi. The City will maintain information which will permit identification of the amount of employee contribution made before and after the plan amendment. This is necessary in order to determine the extent to which a pension plan distribution is taxable income to the employee at the time the distribution is received.
 - vii. The plan amendment is being accomplished by local agreement rather than a change in State law.

36.A.10: Effective June 1, 1994, all police officers shall contribute 2.55% to the police retirement system.

36.A.11: Effective December 1, 1988, any Workers' Compensation benefits received by an employee for an "on duty injury", as described in Article 29.1, shall (where applicable) be figured in said employee's final average compensation. Effective December 1, 1991, a police officer in receipt of on-duty injury benefits, pursuant to Article 29, shall have

Agreement between the City of Livonia
and the Livonia Police Officers Association of Michigan

the wage component of final average compensation for pension purposes computed for the period that the employee is in receipt of such benefits based upon the gross biweekly salary rate that the employee would have received had the employee not been injured, instead of based upon the workers' compensation and supplemental benefits actually received.

36.A.12: Police officers who retire after December 1, 1991, shall receive a cost of living allowance according to the schedule set forth below:

1 year after retirement, an additional \$20.00 per month.

2 years after retirement, an additional \$20.00 per month, for a total of \$40.00 per month.

3 years after retirement, an additional \$20.00 per month for a total of \$60.00 per month.

4 years after retirement, an additional \$20.00 per month for a total of \$80.00 per month.

36.B.1 a. Employees hired before November 24, 1998 and eligible to participate in the defined contribution plan, at the employee's sole option, may make a one-time irrevocable election to participate in a defined contribution plan rather than a defined benefit pension plan, with the City contributing an amount equal to 13% of the employee's wages to said plan and the employee contributing an amount equal to 5% of the employee's wages. The employee is permitted to contribute additional amounts up to the maximum allowed by law. The employee shall be eligible to make this one-time irrevocable election to participate in the defined contribution plan on the following dates:

- b. Participants in the defined contribution plan shall also participate in a disability plan equivalent to the defined benefit disability plan as set forth in the City Retirement Ordinance. The City's liability for the disability benefit shall be offset (1) by any amount which may be payable pursuant to the Workers' Disability Compensation Act, if applicable, and (2) by the lifetime annuity value of the employee's 401(a) defined contribution retirement account, determined as of the effective date of the employee's disability-related separation from service. The lifetime annuity value shall be determined by soliciting three quotations for straight life lifetime annuities from insurance companies rated A+ or better by A.M. Best Company, Inc. The quotation providing the largest annuity value will be selected for purposes of this calculation. Defined contributions shall include all contributions and income accumulated in the plan account whether derived by the contributions made by the employee or employer, including any amounts transferred into the plan, but excluding voluntary employee contributions. The defined contribution will also include any amounts withdrawn from the 401(a) Plan or leveraged or levied by the employee for any reason, regardless of whether it was by court order or voluntary decision. The value of any withdrawn amounts shall be calculated as though they remained in the plan and accrued income or value at the applicable rate of the remainder of the employee's assets in the plan.
 - c. Health care provisions for employees hired prior to November 24, 1998 who retire and have elected to participate in the defined contribution plan shall be the same as the health care retirement benefits provided for in the defined benefit plan.
 - d. Retirees who are members of the defined contribution plan are not eligible for hospitalization-medical coverage until normal retirement.
2. a. For employees hired on November 24, 1998 or later, the pension provided following the first six (6) months of their employment will be a defined contribution pension plan with the City contributing an amount equal to 9% of the employee's wages and the employee contributing an amount equal to 5% of the employee's wages, with vesting after four (4) years of employment. The employee is permitted to contribute additional amounts up to the maximum allowed by law.
- b. The health care benefit paid for employees hired by the City on November 24, 1998 or later, upon retirement, shall be as follows:

For employees retiring with ten years of service and who are at least 52 years of age, the City will pay 50%

Agreement between the City of Livonia
and the Livonia Police Officers Association of Michigan

toward the premium of the health care insurance.

For employees retiring after 15 years of service and who are at least 52 years of age, the City will pay 60% of the payments toward premiums.

For employees retiring after 20 years of service and who are at least 52 years of age, the City will pay 75% of the payments toward premiums.

For employees retiring after 25 years of service, the City will pay 100% of the payments toward premiums.

3. Employees hired prior to November 24, 1998, electing to participate in the defined contribution plan shall have the actuarially-determined present value of accrued benefits for the defined benefit plan transferred over into the defined contribution plan, and shall be immediately vested.
4. The term "wages" as used in Article 36.B.1 and 2 above shall mean wages plus other compensation as defined in Section 2.96.050 of the City's Retirement Ordinance.
5. If an employee becomes ill or disabled and is unable to perform the work of his classification, the Employer will make its best effort to find work for said employee which the employee is capable of performing, taking into consideration the employee's medical condition and the advice of the City Physician and the employee's physician, provided, however, that this provision is not in conflict with the City's Retirement Ordinance.
6. The City, at no cost to itself, agrees to the institution of a pension "pick-up" plan for employees, which will allow employees to realize increased disposable income by deferring payment of withholding taxes on their pension contributions in accordance with the applicable provisions of the Internal Revenue Code. The "pick-up" plan as set forth herein shall be instituted as follows:
 - a. The City shall pick up the employee contributions required of employees for all compensation earned after the effective date of this provision. The contributions, so picked-up, shall be treated as Employer contributions in determining tax treatment under the United States Revenue Code. Employee contributions picked-up by the City, pursuant to this provision, shall be treated, for all other purposes, in the same manner and to the same extent as Employee contributions made prior to the effective date of this provision.
 - b. These employee contributions so picked-up shall not be included in gross income for tax purposes until such time as they are distributed by refund or benefit payment.
 - c. With respect to the Plan Amendment and the "pick-up" of employee pension contributions set forth above, it is

expressly understood and agreed as follows:

- i. The plan amendment is being adopted only for the purpose of allowing employees to take advantage of IRS code provisions which permit governmental employees to tax shelter their pension plan contributions.
 - ii. The actual current and future gross salary of the employees will not be affected by the plan amendment.
 - iii. Employee contributions will be withheld from actual gross salary and paid to the plan.
 - iv. Actual gross salary will continue to serve as the basis for determining the amount of salary related fringe benefits, including retirement benefits.
 - v. Taxable gross salary (salary reported on form W-2) for the employees will be equal to actual gross less the employee contribution to the pension plan.
 - vi. The City will maintain information which will permit identification of the amount of employee contributions made before and after the plan amendment. This is necessary in order to determine the extent to which a pension plan distribution is taxable income to the employee at the time the distribution is received.
 - vii. The plan amendment is being accomplished by local agreement rather than a change in State law.
7. The parties agree that pension will not be the subject of bargaining through November 30, 2006.

Internal Revenue codes. The "pick-up" plan as set forth herein shall be instituted as follows:

- i. The City shall pick up the employee contributions required of employees for all compensation earned after the effective date of this provision. The contributions, so picked-up, shall be treated as Employer contributions in determining tax treatment under the United States Revenue Code. f. Military Buy-Back

- i. Employees shall be afforded the opportunity to increase membership service in the Retirement System up to a maximum of three (3) years service based upon active military service prior to employment with the City. In order to be eligible for such purchase of service time, the military service must be as defined in the Michigan Compiled Laws Annotated, 35.61, as amended. Payment must be equal to the product of the employee's current contribution rate multiplied by the employee's current annual compensation, multiplied by the number of years and months of active military service to be purchased. It is understood that this service time shall not apply toward vesting in the Retirement System. Also, such payment shall purchase membership service time, but shall not count in the computation of average final compensation.
- ii. The language has been improved to conform with the Federal definition of "veteran". Unremarried widows and widowers of veterans are included in the buy-back opportunity.

37.A.11: Annuity Withdrawal. Any person retiring for any reason after November 30, 1983, may elect prior to his/her effective date of retirement, but not thereafter, to be paid his/her accumulated contributions standing to his/her credit in the pension savings fund. Upon such election the retiring member's monthly pension shall be reduced by an amount which is the actuarial equivalent.

37.A.13: The parties agree that pension will not be the subject of bargaining through November 30, 2006. Notwithstanding the above, in the event that any modifications are made to the Defined Benefit provisions for members of AFSCME Local 192, during the life of this Agreement, such modifications will be implemented to the Defined Benefit provisions for the Dispatchers as well.

37.B. DEFINED CONTRIBUTION PLAN

The following provisions shall be applicable to employees participating in the defined contribution plan. 37.B.1 a. Employees hired prior to November 24, 1998 and eligible to participate in the defined contribution plan, at the employee's sole option, may make a one-time irrevocable election to participate in a defined contribution plan rather than a defined benefit pension plan, with the City contributing an amount equal to 12% of the employee's wages to said plan and the employee contributing an amount equal to 3.1% of the employee's wages. The lifetime annuity value shall be determined by soliciting three quotations for straight life lifetime annuities from insurance companies rated A+ or better by A.M. Best Company, Inc. The quotation providing the largest annuity value will be selected for purposes of this calculation. Defined contributions shall include all contributions and income accumulated in the plan account whether derived by the contributions made by the employee or employer, including any amounts transferred into the plan, but excluding voluntary employee contributions. The defined contribution will also include any amounts withdrawn from the 401(a) Plan or leveraged or levied by the employee for any reason, regardless of whether it was by court order or voluntary decision. The value of any withdrawn amounts shall be calculated as though they remained in the plan and accrued income or value at the applicable rate of the remainder of the employee's assets in the plan.

4. The term "wages" as used in Article 37.B.1 and 2 above shall mean wages plus other compensation as defined in Section 2.96.050 of the City's Retirement Ordinance.

The City shall not be responsible for reimbursing costs incurred in taking courses in excess of degree requirements.

40.2: Police officers obtaining prepayment or receiving reimbursement for expenses under this article will be required to remain in the employ of the City for at least five (5) years from the conclusion of the course work. Should an individual terminate employment with the City before the five year requirement has been met, that employee will reimburse the City for all costs incurred in taking any courses during that five (5) year period, excluding employees who retire.

40.3: Effective December 1, 1995, with the winter term 1996, the Department agrees to reimburse police officers hired on or after December 1, 1985, for the following costs related and up to their obtaining a Bachelor's Degree: Tuition, Books, and Class Fees/Graduation fees. The degree must be in Criminal Justice and from an accredited college or university.

40.4: Police dispatchers shall be reimbursed for tuition and book costs up to one hundred dollars (\$100.00) per contract year for successfully completing job related course work as approved by the Chief of Police.

ARTICLE XLI

41.1: Police Officers who are the top ten (10) candidates on the Police Sergeant eligible list on November 30, as a result of the examination conducted during the preceding fiscal year, shall be paid five hundred dollars (\$500.00) by December 10th.

41.2: Qualified employees of this bargaining unit will be entitled to additional compensation annually, as follows:

- A. In order to be eligible for this benefit, the employee must complete his/her service requirement by the cut-off date for the Sergeant's Exam, April 8.

After 25 years	1,980.00

- B. In an employee's final year of employment, only, the merit compensation provided for in Section 41.2.A above will be \$4,000.00, except that an employee is not eligible unless their final year of employment is their 25th year or more of service.

Employees who retire between July 1 and December 1 shall be reimbursed the difference between the previous year's merit compensation and \$4,000.00 at the time of retirement. Employees who retire between December 2 and June 30 shall receive the \$4,000.00 merit compensation at the time of retirement.

41.3: Once qualified, an employee will receive compensation until promoted out of the bargaining unit or the employee's employment with the City is terminated.

- A. Employees who are promoted will receive a prorated payment based on the number of month(s) of service from December 1, to and including the month of promotion to the rank of Sergeant. This payment will be computed on the amount the employee is

eligible to receive per schedule based on the employee's length of service and satisfactory completion of examination requirements.

- B. Police Officers whose employment with the City is terminated for any reason shall receive the total amount of merit compensation they are eligible to receive based on seniority and qualifying examination. There shall be no proration of benefits in the last year of employment.

ARTICLE XLII

42.1: Each police officer shall receive a \$900.00 gun allowance each year to be paid by December 10 for his proficiency with a firearm.

42.2: Any police officer whose employment with the City is terminated for any reason prior to completing a contract year shall have the allowance provided herein adjusted on a prorated basis, with the balance to be deducted from any monies otherwise due the employee.

42.3: In order to be eligible for the above gun allowance, an officer must achieve passing scores (70% or better) in a gun use proficiency test, as presently established by the Department, taken at a minimum of twice a year, and must attend all weapon training sessions unless excused by the Chief of Police or the Chief's designee.

ARTICLE XLIII
LEGAL EXPENSE

43.1: The Employer will continue during the term of this Agreement to provide the Professional Liability Insurance coverage currently in force. In the event the City is unable to provide the insurance policy provided for above, and/or the coverage under said policy is not wholly sufficient to fully cover a member of the Association for good faith actions taken by him or her in the official line of duty, the City will provide legal counsel and pay any costs and judgments that arise out of lawsuits filed against a member of the bargaining unit alleging any act committed while said member was in the good faith performance of his or her duties. This would include an off-duty employee who may be required by circumstances to assume police duties and/or powers.

43.2: A contrary determination by the City is not final and binding as to good faith, but is subject to review by an arbitrator under Article VIII of this Agreement. Such review shall be initiated pursuant to Section 8.1, Step 5. In reviewing the City's action(s) under this Article, the arbitrator may consider, if raised, whether or not an officer's actions were consistent with the police division's policies, rules, and regulations.

ARTICLE XLIV
GENERAL ARTICLE

44.1: Safety Check of Police Cars. One of the responsibilities of the Vehicle Maintenance Officer (VMO) shall be to check mileage on all patrol cars. When any patrol car reaches 50,000 miles and 60,000 miles respectively, the VMO shall cause such vehicle to undergo a complete safety check by a state certified mechanic.

Any defects discovered in such safety check that affect the safe use of the automobile in police type service will be corrected by the City before the vehicle is returned to service.

44.2: Audit of Leave Days. An employee is entitled to 312 leave days during the course of the three (3) year contract. If at the expiration of this Agreement an employee believes he/she has been allowed less than 312 leave days, he/she shall request an audit of all leave days and be compensated in compensatory days so that 312 leave days have been allowed.

44.3: Grooming. The grooming code of the Police Division shall reflect the following:

- A. Hair in rear of head shall not extend below the top of the shirt collar. It shall be graduated up from the collar but not to exceed one and a half (1-1/2) inch length from the top of the ear to bottom of ear. Hair shall not protrude out from Garrison Cap in an unruly manner.

Hair on the sides of the head shall not exceed one half (1/2) inch in length at the top of the ear so as to display a close to head and swept back appearance and not to be worn over the ears.

Side burns shall not exceed one (1) inch in width and shall not come below the bottom of the ear.

In all cases hair texture that causes unique problems shall be thinned to conform, as some will require shorter lengths to conform.

Block cut allowed from bottom of ear to collar.

44.7: Definitions. The terms "contract year" and "fiscal year" as used in this Agreement refer to years covering December 1 through November 30.

44.8: Residence Requirements. Employees shall be required to reside within the City of Livonia. However, an employee because of emergency or documented hardship may, at the discretion of the Civil Service Commission, be granted a waiver of the residency requirement by the Civil Service Commission. Such waiver shall be of such a period and duration as is necessary under the circumstances applicable to each case; provided, however, that such waiver shall not be unreasonably denied. The following criteria, by way of example but not limitation, shall be utilized in determining hardship:

- A. Financial reasons
- B. Health reasons
- C. Anticipated retirement
- D. Condemnation of home

In these cases where an employee is within five (5) years of voluntary retirement age, the employee may apply for a permanent residence waiver in, accordance with the Civil Service Commission's resolution of March 18, 1976.

In addition, reserve officers may be assigned to other police activities at the discretion of the Police Chief in conjunction with regular police officers who, in such cases, will be selected from an advance posted overtime detail. Management may schedule reserve officers with working police officers for details of a non-reimbursed nature, subject to Departmental Memo #361. Reserve officers shall not replace regular police officers in their normal assignments. Nothing shall prevent the City without limitations to utilize reserve officers in the event of natural disasters, riots, civil disasters, or emergencies.

ARTICLE XLVI
MAINTENANCE OF CONDITIONS

46.1: Wages, hours and conditions of employment in effect at the execution of this Agreement shall, except as provided herein, be maintained during the term of this Agreement. No employee shall suffer a reduction in benefits as a consequence of the execution of this Agreement, except as provided herein.

46.2: The Employer will make no unilateral changes in wages, hours, and conditions of employment during the term of this Agreement, contrary to the provisions of this Agreement.

46.3: This Agreement shall supersede any rules, regulations, or policy statements inconsistent herewith. Insofar as any provision of this Agreement shall conflict with any ordinance or resolution of the City, appropriate amendatory or other action shall be taken to render such ordinance or resolution compatible with the terms of this Agreement.

ARTICLE XLVII
SAVINGS CLAUSE

47.1: If any article or section of this Agreement or any appendixes or supplements hereto should be held invalid by operation of law or by any tribunal of competent jurisdiction, or if compliance with or enforcement of any article or section should be restrained by such tribunal, the remainder of this Agreement shall not be affected thereby and the parties shall enter into immediate collective bargaining negotiations for the purpose of arriving at a mutually satisfactory replacement for such article or section.

ARTICLE XLVIII

A notice of desire to modify, alter, renegotiate, change or amend, or any combination thereof, shall have the effect of terminating this Agreement on the expiration date hereunder; the parties agree, however, that the terms, conditions and benefits of this Agreement shall continue until such time as the parties shall execute and ratify a new Agreement.

48.2 Notwithstanding the foregoing, the parties agree that either party may notify the other in writing by September 1, 2000, but no earlier than July 1, 2000, or, if notification is not given between July 1, 2000 and September 1, 2000, either party may notify the other in writing by September 1, 2003, but no earlier than July 1, 2003, of the party's desire to reopen the Agreement for the purpose of negotiating on all items set forth in the Agreement, except the issue of pension which, pursuant to Articles XXXVI and XXXVII, is not an item for bargaining until the expiration of nine (9) years from the effective date of this Agreement; provided, however, this Agreement, unless modified pursuant to said negotiations, contains the terms and conditions of agreement through the 30th day of November, 2006; and provided, further, that in any event, the pension issue is not subject to this provision for reopener; and provided, further, that any statutory provision for impasse as to items subject to the reopener shall not apply to the pension issue as set forth in this Agreement, as the parties have agreed that the current pension provisions shall be binding on the parties through the 30th day of November, 2006.
