GENERAL

ARTICLE 1 - RECOGNITION

- A. The Board of the Marquette-Alger Intermediate School District recognizes the Marquette-Alger Intermediate School District Secretarial Association, an affiliate of Michigan Educational Support Personnel Association (MESPA/MEA/NEA) as the exclusive bargaining agent for the secretarial, clerical and technical personnel of the Intermediate School District, excluding, however, the assistant to the superintendent serving the Superintendent and administrative assistant(s).
- B. The Board agrees not to negotiate with any other organization representing secretarial, clerical and technical personnel for the duration of this contract.

ARTICLE 2 - DEFINITION OF EMPLOYEE

- A. The term "employee," as hereinafter used in this Agreement, shall include all secretarial, clerical and technical personnel who are paid on the secretarial salary schedule, as incorporated in this Agreement, with the exception of those excluded under Section B. Thereafter in this Agreement the term "employee" shall refer to only those covered by this Agreement as defined in Section B.
- B. Full-time employees are those who are regularly scheduled to work 40 or more hours per week. Full-time employees are entitled to all benefits in this Agreement.

Regular part-time employees (20 hours but less than 40 hours per week) are entitled to benefits as specified under this Agreement.

Ten-month employees are entitled to benefits as specified in this Agreement.

Substitute and/or temporary employees are not covered by this Agreement.

Part-time employees regularly scheduled to work less than 20 hours per week are not covered by this Agreement.

ARTICLE 3 - AGENCY SHOP

- A. An employee covered by this Agreement shall, as a condition of employment, join the Association or, in lieu thereof, pay a service fee to the Association pursuant to the Association's "Policy Regarding Objections to Political-Ideological Expenditures" and the Administrative Procedures adopted pursuant to that policy, immediately upon completing the required probationary period and becoming a permanent employee. Dues shall be paid through payroll deduction as provided in Article 4, Section J.

The employer shall notify the local President or designee, in writing, of newly hired employees, their address and phone number, if available. New employees shall be furnished a copy of this Agreement by the employer.

- B. In the event an employee shall not pay the required dues or fee, the Association shall implement the following procedure:
 - 1. The Association shall notify the employee of non-compliance therewith by certified mail, return receipt requested. Said notice shall detail the non-compliance and shall provide ten (10) calendar days for compliance and shall further advise such employee that a request for discharge may be filed with the Board in the event that compliance is not effected.
 - 2. If the employee fails to comply, the Association may file charges, in writing, with the Board and may request termination of his/her employment. A copy of the notice of non-compliance and proof of service shall be attached to said charges.

ARTICLE 3 - AGENCY SHOP (Continued)

3. The Board, upon receipt of said charge and request for termination, shall conduct a due process hearing thereon within forty-five (45) calendar days. In the event of compliance at any time prior to discharge, charges may be withdrawn.
 4. An employee whose employment may be terminated due to his/her non-conformity to this Section (Association Security) shall be continued in normal function until the time when there is a final decision by an agency or court of competent jurisdiction (which has not been appealed by the employee) upholding such termination of employment.
 5. Nothing herein shall be construed to prohibit the Board from making any additional inquiry or holding any additional hearings which it may deem necessary provided, however, such inquiry and/or hearings shall take place within forty-five (45) calendar days of receipt of request for termination.
- C. In the event of any action against the Board brought in a court or administrative agency because of its compliance with this Article (Agency Shop Provision), the Association agrees to defend such action, at its own expense and through its own counsel, provided:
1. The Board gives timely notice of such action to the Association; and
 2. The Board gives full and complete cooperation to the Association and its counsel in securing and giving evidence, obtaining witnesses, and making relevant information available at both trial and appellate levels.

The Association agrees that, in any action so defended, it will indemnify and hold harmless the Board from any liability for damages and costs imposed by a final judgment of a court or administrative agency, but this does not include any liability for unemployment compensation.

ARTICLE 4 - ASSOCIATION AND EMPLOYEE RIGHTS

- A. Pursuant to the Michigan Public Employment Relations Act, the Board hereby agrees that employees of the Board shall have the right freely to organize, join and support the Association for the purpose of engaging in collective bargaining or negotiations and other concerted activities for mutual aid and protection. As a duly elected body exercising governmental power under the laws of the State of Michigan, the Board undertakes and agrees that it will not directly or indirectly discourage or deprive or coerce any employee in the enjoyment of any rights conferred by the Act or other laws of Michigan or the Constitution of Michigan and the United States, such as rates of pay, wages, hours of employment or other conditions of employment, by reason of his/her membership in the Association, his/her participation in any activities of the Association or collective negotiations with the Board, or his/her institution of any grievance, complaint or proceeding under this Agreement or otherwise, with respect to any terms or conditions of employment.
- B. Nothing contained herein shall be construed to deny or restrict to any employee rights he may have under the Michigan General School Laws or other applicable laws and regulations. (The rights granted to employees hereunder shall be deemed to be in addition to those provided elsewhere.)
- C. The Association and its representatives shall have the right to use the Intermediate Office Conference Room when available during non-working hours for meetings, provided that when special custodial service is required, the Board may make a reasonable charge therefore. No charge shall be made for use of the room before the commencement of the office day or until 6:00 P.M.
- D. Duly authorized representatives of the Association shall be permitted to transact official Association business in the Intermediate Office at reasonable times, provided that this shall not interfere with or interrupt normal office operation, and provided any such transacting of business be mutually agreed upon in advance by the Superintendent and President of the Association.

ARTICLE 4 - ASSOCIATION AND EMPLOYEE RIGHTS (Continued)

- E. The Association shall have the right to use the office facilities and equipment, including typewriters, computers, printers, copiers, and all types of audio-visual equipment which are not otherwise in use. The Association shall pay for the cost of all materials and supplies incidental to such use.
- F. The Association shall have the right to post notices of Association concern on the official bulletin board in the Intermediate School Office. The Association may use the direct mail service for communications to employees. No employee shall be prevented from wearing insignia pins or other identification of membership in the Association either on or off office premises.
- G. The Board agrees to furnish to the Association, in response to reasonable written requests from time-to-time, all available information concerning the financial resources of the District, including employee salary schedule, but not limited to: annual financial reports and audits, constructive programs on behalf of the employees, together with non-confidential information which may be necessary for the Association to process any grievances or complaints.
- H. Employees shall be entitled to full rights of citizenship and no religious or political activities of any employee or the lack thereof shall be grounds for any discipline or discrimination with respect to the employment of such employees.
- I. The Board of Education shall comply with all Federal laws and regulations prohibiting discrimination and with all requirements and regulations of the U.S. Department of Education. It is the policy of the Board that no staff member or candidate for such a position in this District shall, on the basis of race, color, religion, national origin, creed or ancestry, age, gender, marital status, or disability, be discriminated against, excluded from participation in, denied the benefits of, or otherwise be subjected to, discrimination in any program or activity for which the Board is responsible or for which it receives financial assistance from the U.S. Department of Education.
- J. Employee members of the Association may sign and deliver to the Superintendent or designee of the Marquette-Alger Intermediate School District, payroll deduction authorization forms for the local association and the Michigan Educational Support Personnel Association MEA/NEA. Such authorizations shall continue in force from year-to-year during a member's active employment unless the employee specifically revokes such authorization, in writing, between August 1 and August 31 of any year.

Deductions will be made from each regular paychecks of each month, beginning in September and ending in June (twenty pay periods) for Association dues. The Association treasurer will notify the Business Office of the amount of such deductions prior to September 1 of each year. The Board agrees to remit to the Association treasurer all monies so deducted, accompanied by a list of employees from whom deductions have been made.

The Association will indemnify and save harmless the Board for all sums improperly deducted and remitted to the Association, plus any costs, including attorney fees incurred by the Board in connection therewith.

- K. The Board agrees to comply with state law regarding maintenance and review of personnel files.

ARTICLE 5 - BOARD'S RIGHTS CLAUSE

The Board, on its own behalf and on behalf of the electors of the District, hereby retains and reserves unto itself without limitations all powers, rights, authority, duties and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Michigan and of the United States, including but without limiting the generality of the foregoing, the right:

- A. To the executive management and administrative control of the school district and its properties and facilities, and the duties, responsibilities and assignment of employees during the working day;

ARTICLE 5 - BOARD'S RIGHTS CLAUSE (Continued)

- B. To hire all employees and, subject to the provisions of law, to determine their qualifications and the conditions for their continued employment, or their dismissal or demotion, and to promote and transfer all such employees;

The Board of Education shall comply with all Federal laws and regulations prohibiting discrimination and with all requirements and regulations of the U.S. Department of Education. It is the policy of the Board that no staff member or candidate for such a position in this District shall, on the basis of race, color, religion, national origin, creed or ancestry, age, gender, marital status, or disability, be discriminated against, excluded from participation in, denied the benefits of, or otherwise be subjected to, discrimination in any program or activity for which the Board is responsible or for which it receives financial assistance from the U.S. Department of Education.

- C. To establish, alter or terminate programs and educational services;
- D. To be responsible for the means and methods of instruction; selection of textbooks and other teaching materials;
- E. To adopt reasonable rules and regulations;
- F. To determine the size of the management organization, its functions, authority, amount of supervision and table of organization, provided that the employer shall not abridge any rights from employees as specifically provided for in this Agreement;
- G. To determine the policy affecting the selection, testing or training of employees providing such selection shall be based upon lawful criteria.

The exercise of the foregoing powers, rights, authority, duties and responsibilities by the Board, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith, shall be limited only by the express terms of this Agreement, and then only to the extent such specific and express terms thereof are in conformance with the Constitution and Laws of the State of Michigan, and the Constitution and Laws of the United States.

ARTICLE 6 - CONTINUITY OF OPERATIONS

- A. Both parties recognize the desirability of continuous and uninterrupted operations and the avoidance of disputes which threaten to interfere with such operations. Since the parties are establishing a comprehensive grievance procedure under which unresolved disputes may be settled by an impartial third party, the parties have removed the basic cause of work interruptions during the period of this Agreement. The Association accordingly agrees that it will not, during the period of this Agreement, directly or indirectly engage in or assist in any strike, as defined by Section I of the Public Employment Relations Act.
- B. The Board agrees that it will not, during the period of this Agreement, directly or indirectly engage in or assist in any unfair labor practice as defined by Section 10 of the Public Employment Relations Act.

ARTICLE 7 - MISCELLANEOUS PROVISIONS

- A. This Agreement shall constitute the full and complete commitments between both parties and may be altered, changed, added to, deleted from or modified only through the voluntary, mutual consent of the parties in a written and signed amendment to this Agreement.
- B. This Agreement shall supersede any rules, regulations or practices of the Board which shall be contrary to or inconsistent with its terms.
- C. If any provisions of this Agreement or any application of the Agreement to any employee or group of employees shall be found contrary to law, then such provisions or application shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.

ARTICLE 7 - MISCELLANEOUS PROVISIONS Continued)

- D. Copies of this Agreement shall be printed at the expense of the Board and presented to all employees now employed or considered for employment by the Board.
- E. Every employee shall submit to a physical examination at the request of the Board by a licensed physician designated by the Board. If any employee is requested to submit to a physical examination and desires to have his/her personal physician conduct the physical examination, the employee shall pay the difference in fees between the Board-designated physician and the employee's personal physician.
- F. The Board of Education and the Association recognize that a variety of situations not directly related to an employee's job can affect the employee's work performance. Therefore, the Employees Assistance Program Policy is hereby recognized by the parties as a means to work cooperatively together to insure the best interest of the district and each employee are met. To this end, the parties encourage and support the use of the Employees Assistance Program; however, should a disagreement arise, either party may take whatever steps are necessary as outlined in this Master Agreement.

ARTICLE 8 - NEGOTIATION PROCEDURE

- A. It is contemplated that terms and conditions of employment provided in this Agreement shall remain in effect until altered by mutual agreement in writing between the parties. Nevertheless, because of the special nature of the public educational process, it is likewise recognized that matters may, from time-to-time, arise of vital mutual concern of the parties which have not been fully or adequately negotiated between them. The parties undertake to cooperate in arranging meetings, selecting representatives for discussion, furnishing necessary information and otherwise constructively considering and resolving any such matters.
- B. Neither party in any negotiations shall have any control over the selection of the negotiating or bargaining representatives of the other party, and each party may select its representatives from within or outside the school district. While no final agreement shall be executed without ratification by the Association and the Board, the parties mutually pledge that their representatives will be clothed with all necessary power and authority to make proposals, consider proposals, and make concessions in the course of negotiations.

ARTICLE 9 - EMPLOYEE GRIEVANCE PROCEDURE

- A. A claim by an employee or the Association that there has been a violation, misinterpretation or misapplication of any provision of this Agreement or any rule, order or regulation of the Board may be processed as a grievance as hereinafter provided. A grievance shall be presented within fifteen (15) working days after the employee has knowledge of the event, or the grievance shall be invalid and not accepted. In any event, any grievance not submitted within forty-five (45) calendar days of the occurrence of the event on which it is based shall be invalid and not accepted.
- B. The written grievance shall contain the following:
 - 1. It shall be signed by the grievant or grievants.
 - 2. It shall be specific.
 - 3. It shall contain a synopsis of the facts giving rise to the alleged violation.
 - 4. It shall cite the section of subsections of this contract alleged to have been violated.
 - 5. It shall contain the date(s) of the alleged violation.
 - 6. It shall specify the relief requested.

The following matters shall not be the basis of any grievance filed under the procedures outlined in this Article:

"The terminating of services or failure to re-employ any probationary employee."

ARTICLE 9 - EMPLOYEE GRIEVANCE PROCEDURE (Continued)

C. Level One

Any employee alleging a violation of this Agreement shall, within fifteen (15) working days of its alleged occurrence, orally discuss the grievance with the immediate supervisor with an Association representative present if grievant so desires, in an attempt to resolve the same. If no resolution is obtained within five (5) working days of the discussion, the grievant shall reduce the grievance to writing and proceed within five (5) working days of said discussion to Level Two.

D. Level Two

A copy of the written grievance shall be filed with the Superintendent in the format specified above. Within five (5) working days of the receipt of the grievance, the Superintendent shall meet with representatives of the Association in an effort to resolve the grievance. The Superintendent shall indicate his/her disposition of the grievance in writing within three (3) working days of such meetings and shall furnish a copy to the Association.

If the Association is not satisfied with the disposition of the grievance by the Superintendent or his/her designee, or if no disposition has been made within three (3) working days of such meeting (or six (6) working days from the date of filing, whichever shall be later), the Association shall appeal same to Level Three.

E. Level Three

A copy of the written grievance shall be filed with the Secretary or other designee of the Board. The Board, no later than its next regular meeting or two (2) calendar weeks, whichever is earlier, may hold a hearing on the grievance, review such grievances, or give such other consideration as it shall deem appropriate. Disposition of the grievance shall be made no later than seven (7) days thereafter. A copy of the disposition shall be furnished to the Association.

F. Level Four

If the Association is not satisfied with the disposition of the grievance by the Board, or if no disposition has been made within the period above provided, the grievant may, within thirty (30) calendar days, file a demand for arbitration with the American Arbitration Association in accord with its rules, which shall likewise govern the arbitration proceeding. The parties may mutually select an impartial arbitrator satisfactory to each party within ten (10) working days from the date of response by the Board. It is implied that the ten (10) working days are inclusive with the thirty (30) calendar days and will not extend the time limits herein established. The Board and the Association shall not be permitted to assert in such arbitration proceeding any ground or to rely on any evidence not previously disclosed to the other party. The arbitrator shall have no power to alter, add or subtract from the terms of this Agreement. Both parties agree to be bound by the award of the arbitrator and agree that judgment thereon may be entered in any court of competent jurisdiction.

G. The term "working days" as used herein shall mean working days in which the administration offices are open, unless specifically stated otherwise.

H. The fees and expenses of the arbitrator shall be shared equally by the parties.

I. If any employee for whom a grievance is sustained shall be found to have been unjustly discharged, he shall be reinstated with full reimbursement of all professional compensation lost. If he shall have been found to have been improperly deprived of any professional compensation or advantage, the same or its equivalent in money shall be paid to him/her.

J. The time limits provided in this Article shall be strictly observed, but may be extended by written agreement of the parties. In the event a grievance is filed after May 15th of any year and strict adherence to the time limits may result in hardship to any party, the Board shall use its best efforts to process such grievance prior to the end of the fiscal year or as soon thereafter as possible.

K. If an individual employee has a personal complaint which he desires to discuss with the Superintendent, he/she is free to do so without recourse to the grievance procedure.

ARTICLE 10 – PAID LEAVES OF ABSENCE

A. SICK LEAVE

1. Full-time and ten- (10) month employees (40 hours per week) shall earn eight (8) hours paid sick leave per month for each full month worked.
2. Regular part-time and ten- (10) month part-time employees shall earn pro rata share of sick leave based on the number of hours regularly worked per day for each full month worked.
3. Sick leave may be advanced to the end of the current fiscal year. In the event an employee is separated from employment prior to the end of the fiscal year, a deduction from the employee's final check will be made for sick leave used above his/her accumulated amount. If the amount of remaining wages is insufficient to cover the cost of the advanced sick leave time, the employee will remit payment for any deficient amounts within thirty (30) days of the last day worked.
4. The unused portion of the sick leave allowance shall accumulate from year to year without limitation. The Board shall furnish a written statement at the beginning of each fiscal year setting forth the total amount of accumulated sick leave.
5. An additional day of sick leave allowance per active position shall be placed in a sick leave bank to be jointly administered by the Intermediate District and the Association with maximum accumulation to one hundred (100) days. These days shall be added to the Association Sick Leave Bank at the end of each fiscal year.
6. Sick leave may be used for the following:
 - Acute personal illness or incapacity over which employee has no control.
 - Medical and dental appointments to the extent of time required to complete such appointments when it is not possible to arrange such appointments for non-duty hours.
 - Absences required due to the confining illness or injury to members of the immediate family (spouse, children, parents, parents-in-law, brothers, sisters) and any persons for whose financial or physical care the employee is principally responsible. Employees shall not use more than three (3) days accrued sick leave annually for this purpose except when such illness or injury is of a very serious nature, with prior approval of the administration.
7. In the event an employee must utilize sick leave, he/she shall notify his/her supervisor. A sick leave card must be completed upon return to work. Sick leave may be taken in hourly segments with prior approval of the supervisor and, in his/her absence, his/her designee. Written requests for sick leave must be submitted prior to use, if possible; otherwise, the request must be submitted upon return. Official records will be kept by the Business Office.
8. Each bargaining unit member may, at their discretion, use their accumulated sick leave days or freeze those days in order to receive short term disability benefits under any compensable benefit program, to the extent allowed by the carrier.
9. When an employee finds it necessary to use sick leave, he/she shall give his/her supervisor as much advance notice as possible on a day-to-day basis. The Superintendent may, upon his/her discretion, require that the employee document or verify a sickness of four (4) or more consecutive days' duration prior to the payment of sick leave benefits; such documentation shall consist of a physician's statement. The Superintendent shall have the right to require a second medical opinion at ISD expense.

B. PERSONAL LEAVE

1. Personal leave is granted with prior approval of the Superintendent or his/her designee. This leave is not cumulative. Personal leave may be taken in hourly segments.
2. Full-time employees and ten- (10) month employees (40 hours per week) may be granted sixteen (16) hours paid per year for personal business.

B. PERSONAL LEAVE – Continued

3. Regular part-time ten- (10) month employees and part-time employees may be granted a pro rata share based on the number of hours regularly worked per day (based on full-time status per B2 above).
4. Personal leave is not cumulative and is granted with prior approval by the Superintendent or his/her designee. Any unused personal leave days will be placed in the employee's individual sick leave bank.
5. Due to extreme conditions, personal leave may be extended by the Superintendent or his/her designee.

C. FUNERAL LEAVE

An employee shall be allowed three (3) working days with pay as funeral leave days, not to be deducted from sick leave, for a death in the immediate family. "Immediate family" is to be defined as follows: mother, father, step-parents, brother, sister, wife or husband, son or daughter, step-children, mother-in-law, father-in-law, brother-in-law, sister-in-law, grandparents and grandchildren, or a member of the employee's household. The Superintendent or his/her designee may grant additional funeral leave in special cases.

D. JURY DUTY

An employee called for jury duty or subpoenaed on behalf of the District before any judicial or administrative tribunal shall be compensated at the negotiated rate of pay for those hours approved by the District provided the witness/jury fee received for the performance of such obligation shall be endorsed over to the Marquette-Alger Intermediate School District.

E. WORKERS' COMPENSATION DISABILITY

Any employee who is absent because of an injury or disease compensable under the Michigan Workers' Compensation Law shall receive from the Board the difference between the disability benefits provided by the Workers' Compensation Law and the sick leave benefits in Article 10, Section A, provided, to the extent that the Board make payments to the secretarial or clerical employee for that portion of his/her net salary not reimbursed under the Workers' Compensation Law, said partial payment shall be charged pro rata against the employee's accumulated and additional sick leave days.

ARTICLE 11 – UNPAID LEAVES OF ABSENCE

A. FAMILY AND MEDICAL LEAVE ACT (FMLA)

1. For the purpose of the Family and Medical Leave Act (FMLA), an eligible employee who is unable to work because of an FMLA qualifying reason,
 - To care for the employee's child before, during and after birth, or adoption or foster care;
 - To care for the employee's spouse, child, or parent, who has a serious health condition; or
 - For a serious health condition that makes the employee unable to perform the employee's job,

shall be granted an unpaid leave of absence for the duration of the illness or disability for a period of up to twelve (12) weeks. This leave may be extended for a period of up to an aggregate period of one (1) year at the discretion of the Board.

2. If the need for FMLA leave is foreseeable, employees accessing leave under this section shall provide written notice of their intent to take leave at least thirty (30) days prior to the date on which leave is to commence if practicable. If the employee must begin leave sooner, notice shall be given by the employee as promptly as is practicable under the circumstances and facts of the individual case.

A. FAMILY AND MEDICAL LEAVE ACT (FMLA) – Continued

3. The Board has the right to receive medical certification from the employee's health care provider regarding the necessity for medical leaves taken under this section. The employee will facilitate and cooperate in the furnishing of such information which shall include responses to the inquiries contained in the Department of Labor form entitled "Certification of Health Care Provider" (WH-380).
4. The Board has the right to require that a second medical opinion (at the Board expense) be obtained. If that opinion differs from that of the employee's health provider, the employee and the Board (in consultation with the Association, if requested by the employee) shall mutually designate a third health provider whose opinion relative to leave eligibility shall be considered final and binding on the Board, the employee and the Association. The cost of this examination shall be paid by the Board.
5. The Board shall have the right to require medical certification of the employee's fitness to return to duty at the expiration of the leave period.
6. The Board and the employee agree to cooperate in scheduling return from leave at a time which minimizes disruption to the continuity of education programming and service delivery.
7. Upon return from the leave the employee shall be assigned to either the same position from which leave was taken or to a position for which the employee is classified and qualified and provides equal pay and benefits. Compliance with the above standards shall be considered as restoration to an equivalent position. Restoration may be denied in the event of reduction in staff affecting the employee returning from leave.
8. For non-instructional bargaining unit members requesting intermittent or reduced schedule leave, the Board may require a temporary transfer. Intermittent leave, to the extent required by the Family and Medical Leave Act, shall be taken in intervals of not less than two (2) hours. Employees shall attempt to schedule intermittent leave so as not to disrupt the continuity of services.
9. A bargaining unit member may choose to substitute paid sick leave for leave under the Family and Medical Leave Act due to personal illness or disability. If the bargaining unit member does not choose to substitute paid sick leave for this purpose, the Board may require the employee to substitute accrued sick leave for Family and Medical Leave Act leave taken for personal illness or disability exceeding five (5) consecutive work days.
10. When leave is taken for the reasons specified in this section, the Board will continue health care premium payments (Article 20, A-F-G) including deductible reimbursement for a maximum of twelve (12) weeks in a twelve (12) month period as required by the Family Medical Leave Act.

If the employee fails to return from leave at its expiration (except in the event of the continuance, onset or recurrence of a serious health condition of the employee or other circumstances beyond the employee's control), the Board shall have the right to recover all premium payments made during the FMLA unpaid leave interval (except those premiums paid while on sick leave). These amounts may permissibly be deducted from any wage or other payments due the employee with any deficiency to be remitted by the employee to the Board within fifteen (15) days of demand.

B. CHILD CARE LEAVE

1. Upon successful completion of their probationary period, a child care leave (up to one (1) year) may be granted (without pay), which period shall be inclusive of any leave for which the employee is eligible under FMLA.
2. Leaves for this purpose shall be granted to an eligible employee to the extent required by the Family and Medical Leave Act. Leave under this section which the Board is required to grant under the Family and Medical Leave Act must be taken within twelve (12) months of the birth, adoption or foster care placement of the child. Leave will also be granted under this section to the

B. CHILD CARE LEAVE – Continued

extent required by the Family and Medical Leave Act where the employee's child has a serious health condition requiring care by the employee. The term of leave may be extended by the Intermediate Board. Need for further leave for medical reasons will be considered by the Board on an individual basis.

3. Unpaid child care leave other than FMLA is unpaid leave with no District-paid benefits. Vacation and other benefits will not be earned during this leave.

C. MEDICAL LEAVE

1. An employee who is unable to work because of serious personal illness or disability and who has exhausted all sick leave shall be granted a leave of absence without pay for the duration of such illness or disability, up to one (1) year, inclusive of any leave for which the employee is eligible under FMLA. A written request for additional leave shall be reviewed and may be renewed by the Board. The employee returning from such leave will be placed on that step of the salary schedule which he/she left when he/she went on leave.
2. The Board will continue premium payments for health care benefits (Article 20, A-F-G) up to six (6) months only for an employee who has been granted an unpaid leave of absence for medical reasons due to a personal illness or disability. This interval shall be inclusive of any period during which the Board is required to maintain premium payments under FMLA. This includes deductible reimbursement.

If the employee fails to return from leave at its expiration (except in the event of the continuance, onset or recurrence of a serious health condition of the employee or other circumstances beyond the employee's control), the Board shall have the right to recover all premium payments made during the unpaid leave interval (except those premiums paid while on sick leave). These amounts may permissibly be deducted from any wage or other payments due the employee with any deficiency to be remitted by the employee to the Board within fifteen (15) days of demand.

Other benefits that an employee may have are not included in this provision.

D. DISCRETIONARY LEAVE

1. A short term, unpaid leave of absence of up to two (2) weeks may be granted by the Superintendent, at the sole discretion of the Superintendent. The employee shall make the request for such leave in writing at least two (2) weeks prior to the requested date of commencement of the leave and shall, at the same time, state the date of return from such leave.
2. A long term, unpaid leave of absence may be granted at the sole discretion of the Board. Such leave shall be available only to employees having at least three (3) years of service with the District. An employee desiring such leave shall make the request, in writing, at least forty-five (45) days prior to the requested date of commencement of the leave and shall, at the same time, state the date of return from such leave.
3. If his/her job classification is dissolved in the employee's absence, he/she will be placed by the Superintendent into a position equivalent to his/her classification. The rule of seniority shall be followed in assigning such employee provided the employee is "qualified" as defined in Article 14, B of this Agreement.

This Article will become null and void for any employee who is employed elsewhere during an unpaid leave of absence.

ARTICLE 12 - TERMINAL LEAVE

The maximum payment to be received under this section shall not exceed Three Thousand Five Hundred and No/100ths Dollars (\$3,500.00); said payment to be made on the last day of employment.

- B. The secretarial staff shall be reimbursed for mileage at the IRS rate for transacting any District business or for transportation to and from workshops and/or training conference programs requested by the Superintendent and/or supervisor requiring the use of his/her car. The supervisor shall make arrangements between employees to form car pools in order to minimize transportation costs.

- E. Each new employee shall receive a copy of his/her officially approved job description. A yearly review of job descriptions for each position shall be made by the appropriate administrative supervisor during the yearly evaluation. The Board shall take all responsible measures to regularize work assignments, workloads and the relationship of the secretaries to the person who delegates the assignment.
- F. Regularly scheduled meetings shall be held monthly between secretaries and administration for open communication and staff development.
- G. Each new employee will be required to sign an employee orientation checklist which will become a part of their permanent personnel file.
- H. Secretarial staff employed on a ten (10) month schedule shall establish an annual calendar mutually agreed upon by the administration and the employee.

ARTICLE 14 - VACANCIES, PROMOTIONS AND TRANSFERS

- A. If a secretarial or clerical vacancy occurs or is anticipated, the Superintendent shall post for a period of ten (10) calendar days notice of such a vacancy. Vacancies shall be filled on the basis of experience, competency and qualifications and other relevant factors.
- B. The term qualified, for the purpose of this Agreement, is a function of both experience and competency. Experience means previous work experience related to duties of the job. Competency is having sufficient ability to perform a full range of the work responsibilities of the position. Qualifications means having the skills (i.e., computer, organizational, technical, accounting) to be eligible to be considered for the position. Relevant factors is defined as any other facts taken alone or in connection with other facts which may render a more probable candidate selection.

ARTICLE 14 – VACANCIES, PROMOTIONS, TRANSFERS (Continued)

- C. Qualifications and seniority, in that order, will be used when filling vacancies among bargaining unit members within the same classification (i.e., Secretary 2). If the vacancy is not in the bargaining unit members' same classification but in a classification requiring additional skills, then the position will be filled as specified in Section A.
- D. When a long-term (1 year or more) but not permanent vacancy occurs, a permanent employee may apply for and be temporarily transferred to fill such a vacancy. When such a transfer is made, the vacancy thereby created will be filled with a substitute employee. At the conclusion of the temporary transfer, the permanent employee shall be transferred back to her former position or a position equivalent to it. The Superintendent, at his/her discretion, may waive the time restrictions when such an assignment is for a just cause.
- E. The Board recognizes that it is desirable in making assignments to consider the interest and aspirations of its employees first. Requests by an employee for a transfer to a different position or classification shall be in writing to the Superintendent. The application shall set forth the reason for transfer, the position sought, and the applicant's qualifications. Such requests shall be reviewed once a year to assure active consideration by the Board.
- F. During the first four (4) weeks after an employee has been transferred or promoted to a new job assignment, he/she may be transferred back to his/her old assignment whether at his/her request or at the option of the Superintendent. The Employer shall give the promoted or transferred bargaining unit member an opportunity to attend workshops/seminars to enable him/her to perform up to the Employer's standards on the new job.
- G. Bargaining unit members shall not be placed on a lower step of the salary schedule due to involuntary transfers.
- H. The parties agree that involuntary transfers of bargaining unit members are to be minimized and avoided whenever possible.
- I. Any bargaining unit member who temporarily assumes the levels of responsibility of another bargaining unit member at a higher classification will be paid the regular rate for those duties. A bargaining unit member's pay rate shall not be reduced as the result of any temporary change to a lower classification.

ARTICLE 15 - EVALUATION

- A. All bargaining unit members shall be evaluated and reviewed annually by the division administrator prior to March. The administrator shall review the evaluation with the employee and the employee shall sign the evaluation. Such signature shall indicate the employee's knowledge of the evaluation, but shall not be construed to mean agreement.
- B. A bargaining unit member shall have the right to review the contents of his/her personnel file, excluding initial references of the Board pertaining to said individual, originating after initial employment, and to have an Association representative present at such review. Criteria for review and the access to personnel files shall be governed by Public Act 397 of 1978.

ARTICLE 16 - DISCIPLINE, SUSPENSION AND DISCHARGE

- A. The school district, acting through any administrator, may discipline an employee for just and proper cause. Disciplinary action may consist of a private oral reprimand, written reprimand, disciplinary layoff or discharge. In determining appropriate disciplinary action, the seriousness of the offense, the circumstances surrounding it, and the employee's record and work history will be considered. No employee shall be discharged without just cause.
- B. A member of the bargaining unit may be discharged for just and proper cause, including failure or inability to do the job, but no employee shall be terminated unless and until the action has been preceded by:

ARTICLE 16 - DISCIPLINE, SUSPENSION AND DISCHARGE (Continued)

1. A written notice from the administrator to the employee, clearly stating the reasons for the discharge.
 2. A conference between the employee, the administrator and/or Superintendent, and the employee's union representative (if requested by the employee) regarding the employee's work performance and work history.
- C. In the event that an employee is terminated, the discharge shall be effective immediately and all accumulated vacation time shall be paid.
- D. An employee will be entitled to have present a representative of the Association when he/she is being reprimanded or disciplined for any infraction of rules or regulations established by the Board or through this Collective Bargaining Agreement.

ARTICLE 17 - SENIORITY

For the purpose of determining seniority, employees shall be listed according to the following criteria:

- A. Years of continuous service in the bargaining unit.
1. Seniority shall begin on the employee's first working day as a regular, permanent employee.
 2. Regular part-time employees shall receive seniority credit in proportion to working time. (Example: ½ time employee receives ½ seniority credit)
 3. When a substitute/temporary employee has worked at least three (3) consecutive months in one specific position and who then becomes a permanent employee in that same position as a regular full-time or the part-time employee, for seniority purposes only, the employee's hire date shall be the first day of hire in that position. This provision does not waive the required probationary period, nor allow any advanced movement on salary schedule.
 4. An employee who resigns, or retires, or is discharged, shall lose all seniority credit, provided that said discharge is not being challenged.
 5. An employee on a Board-approved unpaid leave of absence shall retain all earned seniority, but shall not accrue additional seniority while on such leave.
 6. The Association and the Board will jointly keep the seniority list up-to-date with a copy of said list being published during the month of January of each school year.
 7. A bargaining unit member who transfers to a non-bargaining unit position shall lose his/her seniority rights after one (1) year outside of the bargaining unit effective July 1, 1992. Employees hired under the old contract provisions are grandpersoned after July 1, 1992.
- B. In the event that more than one (1) individual has the same starting date of work, the position on the seniority list will be determined by drawing lots.

ARTICLE 18 - LAYOFF/RECALL

- A. In the event the district shall be combined with one or more districts, the Board shall use its best efforts to assure the continued recognition of the Association and the continued employment of its members in such a consolidated district.
- B. Should substantial and unforeseen changes in conditions make necessary a general reduction in the number of persons employed by the Board, the Board will retain, as nearly as possible, those employees having the longest continuous service in the district, and meeting the qualifications and ability necessary to perform the work available, as defined in Article 14.

ARTICLE 18 - LAYOFF/RECALL (Continued)

- C. In the event of layoff involving the termination of positions, the following procedure shall be followed:
1. The Employer shall identify the specific position(s) to be eliminated and shall notify the employee(s) in those positions.
 2. The employee(s) in the affected position(s) shall have the right to:
 - a) the position of someone who is least senior, holding a position in the same classification as the affected employee, providing the employee is qualified;
 - b) bid on another posted position.
 3. In the event a reduction in work hours occurs in a department, (department is defined as: Office of the Superintendent, Curriculum and Instruction, Career and Technical Education, and Special Education), an employee whose hours have been reduced may claim seniority over other employees within a department for the purpose of maintaining his/her normal work schedule, provided he/she has greater seniority and is qualified within the classification (i.e., Secretary 1, Secretary 2, etc.) to perform the work of the person he/she seeks to replace. An employee has no right to bump another employee from other departments on the basis of seniority when a reduction in work hours occurs. An employee who exercises his/her seniority will receive the rate of pay for the position he/she elects to fill.
 4. An employee being affected by a layoff who finds no position remaining in the classification has the right to displace the least senior employee in another classification, providing the employee is qualified as per Article 14, B and has more seniority than the employee being displaced. An employee shall be deemed qualified if he/she meets current job requirements for the position or if he/she has worked in the classification for four (4) weeks or more.
 5. In no case shall a new employee be employed by the Employer while there are laid-off bargaining unit member(s) who are qualified for a vacant or newly created position.
- D. An employee may be granted a voluntary leave of absence under the provisions of Article 11 so as to reduce the number of layoffs. When employee returns from leave of absence, all seniority rights prevail again.
- E. In no case shall a reduction of any bargaining unit member's work hours take effect until five (5) working days after written notice to the affected bargaining unit member(s) is given by the Employer.
- F. Laid-off bargaining unit members may continue their health, dental and vision insurance benefits as defined by the Consolidated Omnibus Reconciliation Act (COBRA) by paying the regular monthly per-subscriber group rate premium for such benefits as allowed by the insurance carrier.
- G. Employees who are laid-off shall not have their length of service broken and other benefits shall be frozen for their use upon return provided, however, that a layoff of more than one(1) year shall be considered a termination for lack of work.
- H. When there is an increase in bargaining unit positions following a layoff or positions become available through natural attrition, leaves of absence, or creation of temporary positions, the laid-off employee with the most length of service in the district shall be the first to be offered re-employment. Such recalled employee must have the qualifications and ability for the position to which he/she is recalled.
- I. If a laid-off employee fails to accept the regular, permanent position to which he/she is recalled within ten (10) days from the date same is sent to his/her last known address by certified mail, his/her seniority and all other benefits with the District shall terminate.
- J. It shall be the responsibility of each bargaining unit member to notify the Board of any change in address. The address as it appears on the Board's records shall be conclusive when used in connection with layoffs, recall or other notice to the employee who has been laid-off.
