EFFECT OF AGREEMENT AND NEGOTIATION PROCEDURES

A. BARGAINABLE MATTERS

The parties agree that during the negotiations leading up to the execution of this Agreement, they each had the right to negotiate about all properly bargainable matters and that this Agreement sets forth the full and complete understanding and commitment between themselves. During its term, neither shall be

required to bargain about any further matters except as such matters may be mutually agreed upon.

B. NOTICE

Upon written request given by either party to the other, but no earlier than April 30, prior to expiration of this Agreement, negotiations will be undertaken for a successor agreement covering subsequent school years.

C. NEGOTIATION TEAMS

In any negotiations between the parties, neither shall have any control over the selection of the negotiating or bargaining representatives of the other party and each may select its representatives from within or without the school district.

While no final agreement shall be executed without ratification by the Association and the Board, the parties mutually pledge that their representatives will be clothed with all necessary power and authority to make proposals, consider proposals, and make concessions in the course of such negotiations.

D. MUTUAL CONCERN

The parties do, however, acknowledge that matters of vital mutual concern might, from time to time, arise, which should be discussed. Such matters may become the subject of discussion when approached by a representative of either the Board or the Association and, should agreement thereon be reached, may become part of this Agreement upon mutual consent of the parties.

E. CONTRARY TO LAW

If any provision of this Agreement or any application of the Agreement to any employee or group of employees shall be found contrary to law, then such provision or application shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.

Such committee work will be scheduled so that it does not interfere with the regular duties of the employees involved.

ARTICLE III

A. USE OF FACILITIES

The Association and its members, on making reasonable advance

arrangements, shall have the right to use the Board's office facilities at reasonable hours for meetings while this contract is in full force and effect.

B. USE OF EQUIPMENT

The Board's duplicating equipment and small office machines shall be made available for use by the Association at reasonable times, when not otherwise in use, provided that advance arrangements are made through the Superintendent's Office (or other administrative designee(s)) for the use thereof while this contract is in full force and effect. The Association shall pay the cost of all materials and supplies incident to such use.

C. USE OF BULLETIN BOARDS

The Association shall have the right to post notices of its activities on space on the bulletin boards made available for such use and the right to use other media of communication in use by the Board, provided however that any notices or communications so posted or distributed shall be signed by a responsible official of the Association. No employee shall be prevented from wearing insignia, pins, or other identification of membership in the Association either on or off school premises, so long as it does not have a disruptive effect on the educational process.

Disciplinary interviews and reprimands will be handled in private. An affected employee will, however, have the right in all such instances to request the presence of such Association building representatives who may be available at the time of such interview; and when such request is made, the interview will not proceed unless such representative is in attendance. In such instance, the Administrator involved shall have the right to have another member of the administrative staff present.

F. EMPLOYEE RIGHTS

Nothing contained herein shall be construed to deny or restrict any employee with respect to any right s/he may have under the Michigan School Laws or other applicable laws or regulations to the extent that they are consistent with the provisions hereof.

H. ELECTION

It is desirable that the Association be informed of fiscal, budgetary, and tax

ARTICLE IV

ASSOCIATION MEMBERSHIP AND PAYROLL DEDUCTIONS

A. DUES

Employees who are Association members may sign and deliver to the Board an assignment authorizing the deduction of the regular membership dues of the Association (including dues of the National Education Association and the Michigan Education Association) at either the fall or winter enrollment. The Board shall deduct the amount of such dues from the employee's pay in such manner as shall be agreed upon by the parties and remit such amounts promptly to the Association.

B. OTHER DEDUCTIONS

The Board shall also make payroll deductions after being furnished proper written authorization therefore from the employees for insurance, credit union and any other plans or programs approved by the Board. (Approval by the Board of a tax deferred annuity contract shall require that at least five (5) employees shall have selected the same annuity carrier.)

ARTICLE V

BOARD RIGHTS

The Association recognizes that the Board has the responsibility and the authority to manage and direct all of the operation and activities of the District to the full extent authorized by law and that, except as otherwise modified by a specific term of this Agreement, the Board retains all such rights. These rights, except as so modified herein, include the rights to:

1. The executive management and administrative control of the District, its properties and facilities, and the activities of its employees during their working hours.

3. Establish levels and courses of instruction, including special programs, and to provide for the athletic, recreational, and social events for students, all as deemed necessary and advisable by the Board.

4. Decide upon the means and methods of instruction, the selection of textbooks and other teaching materials, and the use of teaching aids of all types.
5. Determine class schedules, hours of instruction, and the duties, responsibilities, and assignments of employees with respect thereto and with respect to administrative and nonteaching activities.
6. The exercise of the powers, duties, and the responsibilities by the Board, the adoption of policies, rules and regulations in furtherance thereof, and the use of judgments and discretion in connection therewith shall be limited only by the specific and express terms of the Agreement.

B. BOARD POLICIES

Except as otherwise provided herein, all rules, regulations, policies, procedures and practices of the Board shall remain in full force and effect and may be changed and updated from time to time; but in no way shall they conflict with any of the provisions set forth in this Agreement.

ARTICLE VI

NO INTERRUPTION OF EDUCATION

The Association and its members agree that during the life of this Agreement the Association and its members will not directly or indirectly cause, encourage, or participate in any strike, work stoppage, or any other type of concerted activity which has the effect of disrupting or in any way interfering with the normal educational activities of the district or its employees. In the event of any violation of this article,

the Association agrees to take all reasonable steps to terminate such activity, and any employee who engages in such activity shall be subject to disciplinary action, including discharge without recourse to the grievance procedure.

ARTICLE VII

GRIEVANCE PROCEDURE

A. DEFINITIONS

1. Grievance

A grievance is a claim by an employee(s) that there has been an alleged violation of the expressed terms of this Agreement. Grievances affecting a group of employees may be filed by the Association President or other executive officer at Step Two of the grievance procedure. All other such grievances shall be processed as hereinafter provided.

2. Aggrieved Employee (Grievant)

An "aggrieved employee" is the person or persons who are directly affected and therefore will make the claim. All grievances shall begin as verbal complaints. The aggrieved employee shall begin the grievance procedure by orally discussing the matter with the building principal. All grievances not settled orally shall be reduced to writing, shall be dated and signed by the grievant or grievants and shall state a brief synopsis of the facts, the approximate date of the alleged violation, the section number or numbers of the contract claimed to have been violated and the relief requested. All written grievances shall be presented in writing as Step One of the

grievance procedure within fifteen (15) work days after the occurrence of the event upon which the grievance is based.

B. WRITTEN PROCEDURE AND TIME LINES FOR CONTINUATION OF A GRIEVANCE:

1. Step One - Building Principal

Within seven (7) work days after receiving a written grievance the aggrieved employee and a representative of the Association shall meet to discuss the matter with the building principal or, in his/her absence, the Director of Special Education or designee, and optionally one other MAISD administrator in an effort to resolve the grievance. If the grievance is not resolved at the meeting, a written answer to the grievance, in duplicate, shall be given to the Association within seven (7) work days after the meeting.

2. Step Two - Superintendent

If the answer at Step One is not satisfactory, the grievance and previous answers shall be forwarded to the Superintendent of Schools within seven (7) work days of receipt of the Step One answer. Within seven (7) work days of receipt of the grievance and answers, the Superintendent and/or his/her designee(s) shall meet with the aggrieved employee(s) and the Association representative(s) in an effort to resolve the grievance. If not resolved at such meeting, the Superintendent of Schools or his/her designee shall give a written answer to the grievance, in duplicate, within seven (7) work days after the meeting.

3. Step Three - Board

If the Step Two answer is not satisfactory, the grievance may be presented by the Association to the Board of Education by delivery to the Superintendent of Schools within seven (7) work days of receipt of the Step Two answer. A meeting between at least two (2) representatives of the Board of Education, one of whom shall be a board member, and at least two (2) representatives of the Association shall be scheduled within seven (7) work days after the Superintendent of Schools has received the grievance. The decision of the Board of Education shall be given in duplicate within seven (7) work days following its next regular meeting following the meeting provided for in this Step Three.

4. Step Four - Arbitration

If not settled as a result of such answer, either the Board or the Association shall have the right to appeal the dispute to an impartial arbitrator under and in accordance with the rules of the American Arbitration Association. Such appeal must be taken by written notice given to the other party within seven (7) work days from the date the Board's answer was given.

It shall be the function of the arbitrator, and s/he shall be empowered, except as their powers are limited below, after due investigation, to make the decision in cases of alleged violation of the specific articles and sections of this Agreement.

a. It is expressly agreed that the power and authority of the arbitrator shall be limited in each case to the resolution of the question submitted to him/her and to the interpretation of the application of the express terms of this Agreement. It is further specifically agreed that the arbitrator shall have no power to add to, subtract from, or recommend changes to modify any of the terms of this Agreement; nor shall the arbitrator substitute his/her discretion for that of the Board or the Association. The decision of the arbitrator shall be final and binding on both parties. The following matters shall not be the basis of any grievance filed under the grievance procedure.

- 1) The termination of services or failure to reemploy any probationary teacher.
- 2) The placing of a nontenure teacher on an additional year of probation.
- 3) The termination of services or failure to reemploy any employee to a position other than his/her basic position.
- 4) Any claim or complaint for which there is another remedial procedure or forum established by law or by regulation having the force of law, including any matter subject to the procedures specified in the Teacher's Tenure Act (Act IV Public Acts, Extra Session of 1937 of Michigan, as amended).
- 5) Any matter involving employee evaluation.

- b. The fees and expenses of the arbitrator shall be shared equally by the Board and the Association. All other expenses shall be borne by the parties incurring them, and neither party shall be responsible for the expense of witnesses called by the other.
- c. No decision in any one case shall require a retroactive adjustment in any other case.
- d. The arbitrator shall have no power to establish salary scales.
- e. S/he shall not hear any grievance previously barred from the scope of the grievance procedure.
- f. When no wage loss has been caused by the action of the Board complained of, the arbitrator shall not recommend that the Board be obligated to make monetary adjustments.

C. TIME LIMITS

The time limits provided in this article shall be strictly observed but may be extended by written agreement of the parties. In the event a grievance is filed after May 15 of any year and strict adherence to the time limits may result in hardship to any party, the Board shall use its best efforts to process such grievance prior to the end of the school term or as soon thereafter as may be possible.

D. DISCHARGE

Any grievance involving the discharge of an employee shall commence at Step Two of the grievance procedure.

E. COMPLAINT

If any employee has a personal complaint, the employee is encouraged to discuss the concern with the Principal and Director of Special Education as initial steps.

The employee could then address the concern with the Associate Superintendent or Superintendent.

ARTICLE VIII

VACANCIES, PROMOTIONS, AND TRANSFERS

A. VACANCY Definition:

A vacancy is any open position that is or remains authorized by the MAISD Board.

1. Whenever a vacancy in any professional position occurs, notice thereof shall be given to the Association by posting. An employee interested shall notify the Superintendent in writing of his/her interest in such position. All such vacancies shall be posted for ten (10) calendar days. A vacancy may be filled on a temporary basis until a permanent appointee is selected. In filling vacancies, the Board shall consider the experience, attainments, competency, qualifications and all other relevant factors of the applicants, including length of service in the district. A second posting may be initiated in unusual circumstances by mutual agreement.
2. Vacancies occurring beyond a period of one year due to an approved leave of absence shall be treated as any other vacancy and shall adhere to such procedures, postings, etc. as specified in this section.

B. OTHER POSITION

Employees who desire to be considered for a position not covered by this Agreement may, within ten (10) days after notice of vacancy is given, notify the Superintendent of such interest and such employees shall be considered before any such vacancy is filled.

C. PROMOTION

Any employee who shall be promoted to a position outside the bargaining unit and who later returns to his/her previous status shall be entitled to retain such rights as s/he may have had under this Agreement prior to such promotion.

D. RESIGNATION

Employees on tenure will be encouraged by the Association to return letters of intent promptly. Employees will also be encouraged to give as much advance notice of resignation as possible, keeping in mind their contractual obligations to the Board.

E. TRANSFER

In the case of a transfer, the employee shall be given at least thirty (30) days notice of transfer when possible. Whenever more than one (1) transfer is necessary, consultation shall occur with the staff member involved.

F. TRANSFERS FOR REASONABLE ACCOMMODATION

From time-to-time an employee who is eligible under the Americans with Disabilities Act or an employee who incurs an injury on the job that prevents him/her from performing the essential functions of the job, may be administratively placed into a less physically demanding position. Such

placement may take the form of an Administrative switch with a fellow employee in the same job description but with less stringent physical requirements. In other cases, the accommodations may involve the redistribution of job functions among coworkers in the same room or work area. Such accommodations will always be considered on a case-by-case basis and in recognition of certification and qualifications for instruction and without regard for precedent.

ARTICLE IX

PROFESSIONAL CONFERENCES

Attendance by employees at professional conferences may be of benefit to the employees and to the district. If employees who are interested in attending any such conference advise the Superintendent or his/her designee, in advance of the date and nature of the conference, such requests to attend conferences will be reviewed in terms of the benefits to be derived to the district and the funds which are available for such purposes with consideration of equitable distribution of such requests. If attendance is approved, the employee or employees will be allowed sufficient time to attend the conference without loss of compensation and will be reimbursed their necessary expenses for meals, lodging, registration fees, and transportation.

ARTICLE X

PAID LEAVES OF ABSENCE

A. SICK LEAVE

1. Number of Days and Conditions

At the beginning of each school year, each employee shall be credited with the appropriate number of sick days according to contract length:

<u>DAYS OF WORK</u>	<u>SICK DAYS EARNED</u>
0 through 186	Prorated up to 10
187 through 205	10
206 through 220	11
221 and above	12

Such days may be used when the employee must be absent because of illness or disability to himself/herself. Notice of such illness or disability must be given to the employee's immediate supervisor at the earliest possible time. A doctor's statement substantiating the employee's illness or disability and the ability to resume his/her duties may be required.

2. Illness in Immediate Family

Absence of a reasonable length of time, not to exceed five (5) days per year for a crisis caused by the illness or disability of a member of the employee's own household or a member of the immediate family, whose care is the direct responsibility of the employee and requiring the personal attention of the employee, may be allowed. Such absence shall be charged to accumulative sick leave.

3. In the event of a serious illness or disability of a member of the employee's immediate family or household whose care is the direct responsibility of the employee and which requires the personal attention of the employee, s/he may request use of the Family Medical Leave Act. The provisions of the FMLA are detailed in the MAISD Board Policy 3430.01 and Administrative Guidelines 3430.01A. These provisions allow the employee to request use of earned paid sick leave as a substitute for the FMLA leave.

4. Unused Sick Leave

An employee may accumulate an unlimited number of sick leave days. The employer shall furnish each employee with a written statement at the beginning of each work year setting forth the employee's total sick leave credit.

5. Illness and Disabilities

Illness and disabilities associated with, caused by, or contributed by pregnancy, miscarriage, abortion, childbirth, and recovery therefrom, shall be, for the purpose of this Agreement, treated as any other illness or disability. The beginning date of the disability leave shall be determined jointly by the employee and her physician. The employee shall be eligible to return from disability leave associated with pregnancy upon filing a physician's statement that she is physically fit to return to work. Upon return, the employee shall be assigned her former position. If the position no longer exists, the employee will be assigned an equivalent position,

within the same program. NOTE: Program is defined to mean an assignment within the following program areas: Severely Mentally Impaired, Severely Multiply Impaired, Trainable Mentally Impaired, and Autistic Impaired.

B. EXTENDED SICK LEAVE

1. The Board of Education reserves the right to consider all sick leave requests extending beyond the limits set forth herein on the merits of each individual case. An employee who is unable to work because of personal illness or disability and who has exhausted all sick leave available has the option of requesting leave under the provisions of the Family Medical Leave Act (Board Policy 3430.01) and/or a leave of absence without pay or fringe benefits under the provisions of this section. Such leave of absence may be granted for the duration of such illness or disability up to one (1) year, with the provision the leave may be extended, at the discretion of the Board, upon written request by the employee for one additional year, but in no case to exceed a two-year period, including FMLA leave utilized.
2. An employee who is granted an extended sick leave, pursuant to this section, shall be responsible to notify the Superintendent at least thirty (30) calendar days prior to the expiration of said leave of the employee's ability to return to work or wish to have an extension of the leave. Failure of an individual to provide such timely notice shall be deemed a violation of this provision and may result in the loss of the employee's

right to an immediate assignment to the employee's former program, unless otherwise mutually agreed upon by the Board and the employee.

3. Employees returning from sick leave for a period which did not exceed one (1) year shall be given his/her former position. If the former position no longer exists, the employee will be assigned an equivalent position within the same program. Should the employee's leave of absence exceed one (1) year, s/he will, upon return, be assigned to a position within the same program for which the employee is certified to fill and has the necessary seniority to secure.
4. Failure to return from an extended sick leave on the date specified in said leave or within the extended limitation of said leave shall conclusively be deemed a resignation unless mutually agreed upon by the Board and the employee prior to said date.

C. WORKERS' COMPENSATION

If an employee is absent because of illness or injury which is compensable under the Workers' Compensation Law, s/he may choose to apply earned sick leave against such leave or may choose to receive only workers' compensation when found eligible to do so. Employees needing a leave of absence where such leave qualifies for workers' compensation, must choose to use either earned sick leave or workers' compensation but may not use one to supplement the other for the same work day. The employee shall notify the business office in writing within seven (7) days from the beginning of the compensable illness/injury as to whether they are electing the use of sick leave. If an employee is absent because

of illness or injury which is compensable under the Workers' Compensation Law, s/he has the option of requesting leave under the provisions of the Family Medical Leave Act; choosing to apply earned sick leave against such leave; or may choose to receive only workers' compensation when found eligible to do so.

D. BEREAVEMENT AND FUNERAL LEAVE

It is understood that bereavement and funeral leave is granted to enable the employee to attend to the personal needs of the family and to fulfill responsibilities that occur as a result of the death of a relative. The days are not vacation days nor are they cumulative.

1. Death - Immediate Family

Absence with pay of not more than five (5) work days shall be granted to a full-time employee whenever a death occurs in the immediate family.

Immediate family is the employee's mother, father, sister, brother, spouse, sister-in-law, brother-in-law, son-in-law, daughter-in-law, child, grandchild, step-parent, parent-in-law, step-child, or other long-term resident of the home. Such days shall not be charged against sick leave.

2. Death - Close Family

Absence with pay of not more than three (3) work days shall be granted to a full-time employee whenever a death occurs regarding the following relatives: grandparent, step-brother, or step-sister. Such days shall not be charged against sick leave.

3. Death of Other Relative

Absence with pay from work shall not exceed one (1) work day and shall

be granted for relatives to include: uncle, aunt, niece, nephew, first cousin. This day shall not be charged against sick leave.

4. Exceptions to above for good and valid reasons such as travel time, direct care relationship to relative, etc. will be made only at the discretion of the Superintendent or the Superintendent's designee.

E. PERSONAL LEAVE

The parties agree that there may be personal conditions or circumstances which may require teacher absenteeism for other reasons than heretofore mentioned and an employee, upon request and with approval of the Superintendent, may use up to two (2) days with pay per year. Both parties agree that such personal leave may not be accumulative. Further, such leave may not be deducted from sick leave with the exception that employees contracted for 221 days or more, who are granted a third personal leave day, shall have that day deducted from earned sick leave. Personal leave may be used under the following conditions:

1. An employee desiring to use such leave shall submit a request on the application form (provided by the Board) in advance of the anticipated absence except in cases of emergency; in such case, the employee shall apply as soon as possible. This form must be filed with the immediate supervisor.
2. It is understood that such leave shall not be granted for the first or last day of the school year; nor the first working day preceding or following a vacation period. (Exceptions: graduation exercises for the employee, spouse, son, or daughter; honors convocation honoring the teacher, and/or

military departure of a son or daughter and/or death of a friend or associate.)

3. Unused portion of personal leave in units of one-half (1/2) day or more shall accumulate to employee's sick leave.

F. JURY DUTY

An employee who is summoned for jury duty or subpoenaed to give testimony in any judicial matter shall be compensated for the difference between his/her regular pay for that period and the pay received for the performance of the obligation, provided that s/he notified the administration immediately upon being so summoned or subpoenaed. Every effort should be made by the employee to report back to the MAISD when not on jury duty. Court reimbursed travel expenses shall not constitute a part of pay for jury duty.

G. INJURY DAYS

1. On July 1 of each school year, each bargaining unit employee shall be credited with four (4) injury days. Such days may be used only when an employee must be absent due to being injured on the job as a result of unintentional or intentional aggressive behavior by a student. Notice of such disability must be given to the Superintendent's Office or such other designated location at the earliest possible time. A doctor's statement substantiating the employee's disability and the ability to resume his/her duties may be required. Unused injury days may accumulate up to seven (7) days. The four (4) injury days will be prorated for employees hired after July 1 of a school year.

2. An employee injured on the job, as the result of unintentional or intentional aggressive behavior of a student, who must be absent shall be compensated for up to seven (7) days per school year, as provided in Article X, Section G.1, above, at his/her regular rate of pay for each such day utilized. However, should the employee be eligible for and receive Workers' Compensation benefits for any such day, the employer shall have the right to reimbursement, by adjustment or withholding of pay, without the signed authorization of the employees, or any sums paid by the Employer pursuant to this paragraph. Upon reimbursement, by adjustment or withholding, the injury day will be reinstated to the employee and the employee's compensation for the reinstatement day shall be limited to payment received from Workers' Compensation.

ARTICLE XI

OTHER LEAVES OF ABSENCE

A. MILITARY LEAVE

Military leave of absence and reemployment rights of veterans will be governed by the Federal and State Laws in effect.

B. PARENTAL LEAVE

1. Parental leave, without pay, is available to all employees for a period not to exceed one (1) year, renewal for one (1) additional year at the discretion of the Board, but in no case to exceed two (2) years.
2. Employees shall be entitled, upon written request, to a parental leave of

absence to commence at the end of the disability due to childbirth or any time during the first year after receiving custody of said child or prior to receiving such custody, if necessary, in order to fulfill the requirements of adoption. A request for leave shall include the beginning and ending dates of the leave and must be submitted to the Superintendent of Schools sixty (60) days prior to the commence of leave; and in cases of child adoption, as early as possible.

3. Employees returning from a parental leave for a period which did not exceed one year shall be given his/her former position. If the former position no longer exists, the employee will be assigned an equivalent position within the same program. Should the employee's parental leave exceed one (1) year, s/he will, upon return, be assigned to a position of a like nature within the same program for which the employee is certified to fill and has the necessary seniority to secure.
4. An employee who is granted a parental leave of absence, pursuant to this section, shall be responsible to notify the Superintendent at least thirty (30) calendar days prior to the expiration date of said leave of the ability to return to work or the wish to have an extension of the leave. Failure of an individual to provide such timely notice shall be deemed a violation of the provision and may result in loss of the employee's right to an immediate assignment as specified in this section.
5. Failure to return from parental leave on the date specified in said leave shall be conclusively deemed a resignation unless mutually agreed upon

by the Board and the employee prior to said date.

C. ASSOCIATION LEAVE

With the written approval of the Association President, the Association shall be eligible to receive an accumulative total of five (5) leave days per year. The purpose for such leave is to conduct Association business. Each of the leave days (total of five (5)) shall be applied for, on the form provided by the Board, at least five (5) working days prior to the date of such leave, or as soon as possible, in cases of unexpected Association business. The leave days shall be granted with pay, and the cost of substitutes, if required at the discretion of the Administration, shall be reimbursed to the Board by the Association.

D. EDUCATION

Such leaves of absence may be granted, but shall not exceed one (1) year. Upon request the leave may be renewed at the discretion of the MAISD Board, but in no case may it exceed two (2) years. Purposes for such leaves include the following:

1. Study related to the employee's certificated field.
2. Study to meet eligibility requirements for a certificate other than that held by the employee.
3. Study in the employee's major field or special assignment in research or teaching that would be of advantage to the school system.

E. OTHER LEAVES

1. Leave for the purpose of serving a public, MEA, or NEA office.
2. Other leave of absence as granted by the Board.

Upon returning from leave, the following conditions shall apply:

1. All teachers who have attained tenure shall retain that status.
2. Accumulated sick leave at the end of the contractual period shall be retained and credited upon return to the staff.
3. Position on the salary schedule shall be retained by the employee on leave. Position shall be determined as that held by employee at the termination of the contract.
4. An employee who is granted a leave, pursuant to this section, shall be responsible to notify the Superintendent at least thirty (30) days prior to the expiration date of said leave of the intent to return to work or the wish to have an extension of the leave. Failure of an individual to provide such timely notice shall be deemed a violation of the provision and may result in the loss of the employee's right to an immediate assignment to the former position or a like position.
5. Employees returning from an education/other leave for a period which did not exceed one (1) year shall be given his/her former position. If the former position no longer exists, the employee will be assigned an equivalent position within the same program. 6. Acceptance of a full-time employment without approval of the Board

terminates the leave.

7. Failure to return from a leave granted in this section on the date specified in said leave shall be conclusively deemed a resignation unless mutually agreed upon by the Board and the employee prior to said date.

ARTICLE XII

SABBATICAL LEAVE

A sabbatical leave may be granted by the Board in accordance with its current policies. Eligibility, compensation, and status while on leave and the employee's rights and responsibilities on return are set out therein.

A. DEFINITION

A sabbatical leave is a leave of absence for a specific purpose with certain reservations prevailing granted a professional employee who has been in regular consecutive employment by the Muskegon Area Intermediate Board of Education for a period of at least seven (7) years or more as defined and authorized in this statement of policy.

B. AUTHORIZATION

Sabbatical leave of absence may be granted to members of the professional staff of the MAISD Board of Education. The granting of such leave is subject to the approval of the Board of Education, upon the recommendation of the Superintendent of Schools, when in their considered judgment, the professional competence of the employee will be enhanced and the educational program of the geographical area will be benefitted.

The rules and regulations of this Sabbatical Leave Program are authorized and shall be interpreted in accordance with Michigan statutory provisions and any amendments thereto. (General School Laws, Revision 1955, State of Michigan - Sec. 575)

C. ELIGIBILITY AND QUALIFICATIONS

A professional employee of the MAISD Board of Education may apply for sabbatical leave subject to the following conditions and requirements:

1. Applicant must hold a valid Life, Permanent, Continuing, or Professional Education Certificate and a Bachelor's and Master's Degree from an accredited institution.
2. Applicant must have seven (7) consecutive years of satisfactory service as a full-time employee of the MAISD system. Absence from service in the district for a period of not more than one (1) year under a leave of absence without pay, granted by the Board of Education for professional improvement or restoration of health, shall not be deemed a break in the continuity of service required by this section and shall be included as a year of service in computing the seven (7) consecutive years.
3. Subsequent sabbatical leaves may be authorized after eligibility has been reestablished by service or an additional seven (7) consecutive years of satisfactory service as a full-time employee.
4. No more than one professional employee may be granted sabbatical leave in any three-year period. Insofar as possible, a proportionate division of leaves shall be granted to the various groups of the professional staff over

a period of years.

5. A sabbatical leave may be granted for a period of not less than six (6) months nor more than twelve (12) months.

D. PURPOSE OF SABBATICAL LEAVE

1. For formal study. A program of work should be outlined which will qualify the applicant for a higher credential in his/her profession or a program of recognized courses relating to the present or prospective service of the applicant in his/her profession.
2. For research and/or writing. The proposed project shall be outlined and approved in relation to the present or prospective service of the applicant in his/her profession.

E. APPLICATION REQUIREMENTS AND PROCEDURES

Application for sabbatical leave must be filed with the Superintendent of Schools by March 15, for leaves during the first six (6) calendar months of the school year, and September 15, for leaves beginning the second six (6) calendar months of a school year.

1. Approval of a sabbatical leave by the Board of Education will be contingent upon securing an employee qualified to assume the applicant's duties and/or the redistribution of the responsibilities among other staff members. If the above cannot be accomplished, it shall be resolved by a conference between the employee and the Superintendent.
2. A sabbatical leave once granted may not be terminated before the date of expiration, except as otherwise provided herein or as otherwise agreed

upon by the Superintendent and the Board of Education.

3. The Board of Education reserves the right to reject any or all requests for sabbatical leaves of absence, based on policies establishing such leaves.

F. REQUIREMENTS AND STATUS WHILE ON SABBATICAL LEAVE

1. Financial Policies

- a. The compensation for the employee on sabbatical leave shall be one-half (1/2) of the salary s/he would receive were s/he on active staff status for the period in which the leave is effective, provided, however, that the sabbatical leave salary may be adjusted when the recipient receives additional large cash awards or grants; provided that in no case shall the combination of the grant salary exceed the earned compensation that would normally be paid by the Board for the year of employment; provided further that when an employee completes the planned program of the leave and does not return to service with the MAISD, s/he shall within two (2) years repay to the Board of Education the amount received from said Board during the sabbatical leave.
- b. Payment of salary to an employee on sabbatical leave shall be made in accordance with the provisions of the Board for payment of salary to other members of the professional staff. The employee on leave shall be responsible for keeping the office notified as to his/her address.
- c. A term of sabbatical leave shall entitle an employee to an

automatic salary schedule increment at the beginning of the next full year of school following their return to service on the staff.

- d. The regular sick leave policy shall apply to an employee on sabbatical leave in terms of cumulative sick leave days, illness, or accident. Notice must be sent to the Superintendent within ten (10) days after an accident or the beginning of an illness.
- e. Any employee granted a leave of absence pursuant to these rules and regulations may be required to perform such services and to engage in such activities during the leave as the Superintendent, with the approval of the Board of Education, and the employee may agree upon in writing.

2. Reports Required on Sabbatical Leave

An employee on sabbatical leave shall report to the Superintendent:

- a. Upon any changes in the planned program of leave as outlined in the approved application.
- b. Furnish a report to substantiate fulfilling agreements and requirements of the leave.

G. REQUIREMENTS AND STATUS UPON RETURNING FROM SABBATICA LEAVE

- 1. At the expiration of a sabbatical leave, the employee shall be restored to his/her position or to a position of the like nature, seniority status and pay, provided that the employee remains eligible for reinstatement under other rules and regulations of the Board

of Education.

2. If an employee does not remain on the staff of the MAISD for three (3) years immediately following his/her sabbatical leave, s/he shall within two (2) years repay the Board of Education an amount of money which shall bear the same relation to the amount granted as the unexpired period of service bears to three (3) years. This rule shall not apply to cases wherein the person becomes incapacitated to work or in cases wherein the rule is waived by the Board of Education.
3. Each employee returning from sabbatical leave shall file a final written report with the Superintendent not later than thirty (30) days after the day on which the employee again takes up active service. The report shall include the names of institutions attended, courses taken, credit received, or experience gained. An employee shall not be considered as having completed the requirements of sabbatical leave until his/her final report has been approved by the Superintendent.

ARTICLE XIII

REDUCTION IN PERSONNEL

A. LAYOFF

In the event it becomes necessary for any reason(s) to reduce the number of employees within a program, the Board will follow the layoff procedure outlined below:

1. The Board will consider the application of any employee who voluntarily

requests to be placed on layoff status. Voluntary layoff shall be treated the same as involuntary layoff.

2. Instruction. When a reduction in the instructional program occurs (teachers/teacher counselors), teachers with the least seniority in the program affected will be the first to be laid off. The affected teacher may claim the job of the least senior employee among those in positions for which the laid-off teacher has the minimum qualifications to do the job.
3. Support Staff. When a reduction in the support services (speech, O.T., P.T., etc.), becomes necessary the administration shall determine position(s) to be considered for reduction based upon approved state ratios of support staff to number of students and program priorities. Subsequent to these determinations, a support staff person whose job is claimed or whose position is eliminated, may claim a job of a less senior employee, provided s/he has the minimum qualifications to do the job. Full certification for a support staff position will have precedence over seniority.
4. If further reduction is necessary, the procedure outlined in 2 above will be repeated until sufficient reduction is reached.
5. If an individual employee is involuntarily transferred in order to effectuate the procedures outlined in Section A - 1, 2, and/or 3 above, said employee will be offered reinstatement to his or her original position as soon as practicable.
6. On or before thirty (30) days prior to the effective layoff date, the Board

will provide in person or send by certified mail notice to the employee's home address which is on file with the Board, written notification to each employee who is placed on layoff.

B. PRESIDENT

The Association President shall be exempt from being laid off provided he or she is certified and qualified to fill a remaining position.

C. SENIORITY

The seniority list shall determine the seniority of all bargaining unit members. Seniority shall be defined as the length of continuous employment by the Board since the most recent hire or transfer into this bargaining unit. Leaves of absence and layoffs shall not be considered a break in continuous employment and seniority shall be granted during said leaves and layoffs. If two (2) or more employees are hired on the same day, seniority shall be determined by lot.

D. LIST

The Board will provide the Association with a seniority list on or before October 15 of each year, including the employees' certification description.

E. INDIVIDUAL CONTRACT

Except as otherwise provided in this Agreement any layoff pursuant to this Agreement shall automatically terminate the individual's employment contract and all benefits allowed therein including all benefits under this Master Agreement. Upon recall, the individual's employment contract and all other benefits allowed therein, including all benefits under this Master Agreement, shall be reinstated in full.

F. RECALL

Each employee on layoff shall be eligible for recall in the order of most seniority provided the employee being recalled is qualified and certificated to be employed in the existing vacancy to be filled.

G. CERTIFIED

The term "certified" or "certificated" shall be defined as certificated, licensed, and/or Michigan State Department of Education approved.

H. QUALIFIED

The term "qualified" means that the employee possesses all of the following:

1. Requirements listed in the current Michigan Special Education Rules.
2. Any requirements by federal and/or state agencies which apply to the employment discipline in which the employee is or is to be employed.
3. Any reasonable qualifications (special or additional) deemed desirable by the Board which would be specified in the job description and so posted.

I. HOME ADDRESS

Each employee who is on layoff shall keep the Board informed of his/her current home address and telephone number. At least fifteen (15) days prior to the reporting date, the Board will provide, in person or by certified mail sent to the employee's home address which is on file with the Board, return notification to each employee who is being recalled. The notification shall include the reporting date.

J. REPORTING DATE

Each employee who is recalled and does not make himself/herself available for

the assignment within five (5) working days following the reporting date or on a later date mutually agreed upon by the Board and the employee shall lose all rights to recall under this Agreement and shall be considered and processed as a termination of employment from the Board except as provided in Section K below.

K. OTHER EMPLOYMENT

If an employee is notified of recall from layoff between September 1 and June 1 of any school year, and the employee is under contract with another employer, the employee may refuse the instant recall and request to be continued on the recall list for the next recall to a position in which the employee is certified and qualified.

L. NEW EMPLOYEES

Prior to employing a new employee, the Board shall provide recall notification to laid off employee(s) who is/are certificated and qualified to fill current vacancies.

M. RECALL LIST

Within the three (3) year period of recall eligibility granted to tenure teachers under PA 59 of 1993, an employee who has been on continuous lay-off for twelve (12) months must notify the Board in writing by May of each school year of his/her desire to remain on the recall list for the coming school year. Such notice shall include the employee's current address, and at least one viable phone number for contacting the employee. In the event such notification does not occur, the employee shall be considered and processed as a termination of employment from the Board.

ARTICLE XIV

HOURS

It is the intent of the Board, subject to adjustments required by reason of inability to employ sufficient personnel, either through lack of finances, employee shortage or otherwise, to maintain certain hours. In the event that adjustments are made for these reasons, it is understood that such adjustments are "temporary" and positive steps shall be taken by the Board to reestablish desired standards. Every effort will be made to make these "temporary" situations of no longer duration than one (1) year.

A. THE TEACHING HOURS OF THE MAISD SPECIAL EDUCATION PROGRAMS SHALL BE AS FOLLOWS:

1. Teachers shall be in their classrooms or other assigned places of duty no later than 8:00 a.m.
2. Teachers shall be free to leave no earlier than 4:00 p.m., unless permission is granted by the supervisor.

B. The Board recognizes the principle of a minimum forty (40) hour work week (which would include thirty-five (35) hours in classroom plus at least an additional five (5) hours in planning and other education related responsibilities). Supervisors and other members of the administrative staff shall be free to schedule reasonable activities, such as parent-teacher conferences, curriculum meetings, in-service programs, building meetings, etc., following the dismissal of school, even though such meetings may extend beyond the customary leaving time of teachers. Attendance shall thereby become mandatory within the framework of the forty (40) hour week. It is expected that

a two-day notice will normally be given to staff members when activities are scheduled beyond their customary leaving time. The Board will set work schedules and make professional assignments which can reasonably be completed within such standard work week. Such minimum work week shall be subject to those modifications which may from time to time be necessary under special circumstances including, without limitations, situations created by lack of financing, teacher shortage, or other conditions beyond the control of the Board. In the event that adjustments are made for these reasons, it is understood that such adjustments are "temporary" and positive steps shall be taken by the Board to reestablish desired standards.

C. LUNCH PERIOD

All employees shall be entitled to a duty-free uninterrupted lunch period in accordance with the schedule of lunch periods in the particular program assigned. Exceptions to the above may be made whenever the uniqueness of the educational program requires that teachers be present with students during the lunch period. In such cases, equivalent time will be credited at the end of the school day.

D. STUDENT SUPERVISION

While the classroom teacher is responsible for the overall learning of assigned students, ancillary or support personnel shall be expected to assume full responsibility for the students assigned to them. So that continuity in the instructional program is provided, the ancillary or support personnel shall be required to submit a schedule of activities to the building principal.

E. LESSON PLANS

A copy of current lesson plans sufficiently comprehensive for a substitute teacher's use shall be available at all times. The classroom teacher shall have at all times a current recommended time schedule of activities and some means of identifying students such as seating charts, names on desks, etc.

ARTICLE XV

SCHOOL YEAR AND CALENDAR

The severely mentally impaired/severely multiply impaired program shall operate in accordance with current Michigan Special Education Rules and applicable waivers, and include professional development days required by the Board.

D. SPECIAL PROGRAMS

Compensation in connection with special programs (Head Start, Federal Programs, etc.) performed outside the regular school year are not covered by this Agreement.

E. INCLEMENT WEATHER DAYS

If school must be canceled due to inclement weather or loss of heat or electricity, the day may need to be rescheduled. Any day of pupil instruction that needs to be rescheduled by the Board to ensure that the minimum number of days are met in order to qualify for state aid or to meet mandated instructional time requirements imposed by the State Board of Education, shall not be a paid day of instruction.

ARTICLE XVI

Every employee shall be placed on the salary schedule.

F. PAYMENTS

Employees shall be paid twenty-six (26) times per year (27 on certain years). The individual employee, however, may elect to receive his/her pay twenty-one (21) times per year (22 on certain years) providing that s/he notifies the Business Office in writing on or before the first day of work. Further, an employee may elect, on an annual basis, to receive longevity pay distribution from the following options:

1. The equal pay spread method equally divides the longevity payment between all scheduled pays.
2. The two equal payment method is to be paid the first pay of December and the last pay of the fiscal year.
3. The lump sum payment method is to be paid the last pay of the fiscal year.

G. SATISFACTORY PERFORMANCE

The scheduled increases are dependent upon satisfactory performance of work in the Intermediate District. Such satisfactory performance to be approved

through the supervisory report of the administration and the Board of Education.

B. SELECTION

Employees may elect the MESSA Super Med 1 Health Insurance or the Physicians Health Plan (PHP).

C. SIGNED APPLICATION

The Board of Education makes this insurance available to each full-time teacher, but the teacher is not insured until that teacher has turned in a signed insurance application to a staff member of the administration offices.
