RIGHTS OF THE TEACHER

A. The Board recognizes its responsibility to continue to give reasonable support and assistance to all teachers with respect to the maintenance of control and discipline on school property.

B. Any case of assault upon a teacher shall be promptly reported to the Board through the teacher's immediate supervisor. In the event of unprovoked assault, or if a teacher is complained against or threatened with court action by reason of disciplinary action taken against a student or any other school related behavior, the Board will provide legal counsel to advise the teacher of his/her rights and obligations with respect to such assault or court action and shall promptly render all reasonable assistance to the teacher in connection with the handling of the incident by law enforcement and judicial authorities to the limits of the school district's liability insurance; provided that:

1. the teacher is not at fault,

3. that the actions were reasonable and prudent as determined by the Board.

The Board's determination shall include a full investigation of the assault and all conditions surrounding it.

C. The Association agrees that all teachers shall observe rules respecting punishment of students as established by the Board or required by law.

D. Teachers shall be required to exercise reasonable care with respect to the safety of pupils and their property.

E. Any official complaint directed toward a teacher shall be called to the teacher's attention except in those instances where investigation time is necessary.

If a complaint is raised against a teacher or teachers at a Board Meeting, that complaint will be received and taken under advisement. The teacher or teachers involved will be notified of such complaint before any action is taken.

F. A pre-determined certified person will assume administrative duties of each building during absence of the building principal.

ARTICLE IV

RIGHTS OF THE ASSOCIATION

A. In addition to the terms of the contract and the policies of the Board of Education, the Association is hereby guaranteed all rights established by State Law governing teacher employment, tenure, fair labor practices and recognition.

B. The bargaining unit and its members shall have the privilege to use school building facilities on the same basis as other community organizations or groups, as governed by Board Policy.

C. Bulletin board space in the faculty lounge of each building shall be provided to the Association for the purpose of communication.

D. The Association shall be duly advised by the Board of fiscal, budgetary and tax programs affecting the district, and the Association shall have the opportunity to discuss this budget with school officials.

E. The Board agrees to furnish to local officers of the Association two (2) copies of the agenda and one (1) copy of the minutes to all regular and special meetings, with the exception of executive sessions, with additional copies for each building.

F. The Board agrees that the Administrative Council will meet regularly at least once per month. The Association representative for each building and President of CEA are regular members. In case of absence of any CEA members, the Association representative-at-large will be allowed to substitute for the missing member. If a district issue is not resolved at the building level, it may be submitted to the Superintendent for consideration to be placed on the Administrative Council agenda.

G. The Board will provide four (4) Board paid association days for the Association. The Association shall have the right, with the Superintendent's approval, to purchase additional days at the Board's cost for the substitute(s).

ARTICLE V

TEACHING HOURS

A. Teachers shall be at their assigned teaching stations not later than 25 minutes before the beginning of the school day for students and at the end of the day shall remain at their teaching stations until the official close of the day for staff, which shall not exceed 7 hours, 20 minutes after the staff starting time unless otherwise assigned or directed. In those cases where schedule demands that a part-time teacher's conference period be assigned between academic teaching assignments, the Board will pay the teacher the full conference period but reserves the right to schedule that teacher to other student supervisory or curricular assignments for the remainder of that conference period.

B. All staff meetings will be announced one (1) week in advance in the weekly staff bulletin except in emergencies. Teachers shall reserve Tuesdays for administratively called faculty meetings. Teachers working in more than one building shall not be required to attend more than one faculty meeting per week to be determined by the administrators involved.

C. Administratively called staff meetings shall not average more than one (1) hour per week. If a staff meeting is scheduled which exceeds one (1) hour, notification must be given to the staff via the Faculty Bulletin at least one week in advance.

D. The school district shall operate under nine (9) week marking periods.

- E. 1. Elementary teachers, grades K-4, shall be provided with a forty (40) minute duty-free lunch period.
2. Duty-free lunch periods of thirty-five (35) minutes duration shall be provided for all staff members assigned to the Middle School and High School.
3. The Administration will schedule all sections of a grade for recess and lunch period at the same time whenever educationally feasible.

F. All teachers in the elementary grades, K-6, will be provided with a minimum of 250 minutes of conference time per week during the school day, when students are in attendance, to be provided in not less than fifteen (15) minute blocks. Each teacher shall be guaranteed at least one fifteen (15) block in any given day. A sincere attempt will be made to arrange the schedule so that conference blocks will be longer when and if possible. If, due to economic conditions, which deem it necessary to shorten a student day to five (5) hours per day or 900 clock hours per year, conference time may be provided when students are not in attendance; however, one (1) fifteen (15) minute break will be provided in the morning. The beginning and ending time shall not be construed as conference time. Middle School teachers, grades 7-8, and High School teachers shall be provided one period per day.

The Board agrees that it will arrange a schedule that will provide the traveling teacher between Elementary and Middle School a minimum of eight (8) minutes and between Middle and High School ten (10) minutes of travel time unless travel is scheduled during conference period or lunch period.

Travel compensation will be \$1.00 per day for teacher(s) traveling between Elementary or Middle School to High School and vice versa during conference or lunch period.

G. If a teacher shall teach more than the normal teaching load (6 periods in a 7 period day, or the equivalent thereof), he/she shall receive additional compensation at the rate of one-seventh (1/7) of his/her basic teaching salary.

H. The teachers recognize the educational importance of P.T.O. and Parent-Teacher Conferences. When such activities are held after school hours (as set forth in Item A of this Article) and at which attendance is required, compensatory time will be given.

I. The staff agrees to attend Open House activities and/or other after hours assignments in conjunction with their building activities, as directed by the Board, not to exceed two such after hour assignments per contract year. Teachers shall be given the opportunity to select such assignments or to be assigned with two week advance notice.

J. Elementary teachers shall not be expected to do attendance books Form CA-10-Y. These will be handled in the Principal's Office. However, they shall be expected to comply with system-wide attendance procedures as directed by school administration. Lunch tickets shall be handled in the Elementary Principal's Office.

All other fees shall be collected by classroom teachers as directed by school administration with careful attention being paid to deadline dates, after which collection shall become a responsibility of the Building Principal.

ARTICLE VI

SPECIAL STUDENT PROGRAMS

A. The parties recognize that children who are certified special education students, when mainstreamed, will be placed according to the following criteria:

1. When possible, consistent with the individual educational plans for each child.
2. Student academic welfare.
3. Academic level of instruction.
4. Teacher load.
5. Even distribution in like classes if scheduling permits.

B. Administration will attempt to inform teachers of special and peculiar problems and/or of the conditions of students.

ARTICLE VII

TEACHER ASSIGNMENTS

A. The Board will attempt to assign teachers to the area of their greatest professional competence; i.e. majors, minors, in the secondary, early elementary or later elementary. This is to imply that the teacher's major area of preparation shall be considered first, the minor areas second. Teachers shall not be assigned outside the scope of their teaching certificates or their major or minor field of study without prior consultation with the teachers involved.

B. Teachers who will be affected by a change in grade assignment in the elementary school and in subject assignments in the secondary school shall be consulted as early as possible. Every effort shall be made to keep all teachers who are under consideration for reassignment continually informed of tentative administrative plans.

The professional opinion of the teachers relative to assignment and grade placement, either singularly or collectively, shall be openly solicited by the administration. While the final determination of subject and room assignment is vested in the Board, it shall not so assign a teacher without prior discussion with the teacher.

C. Each teacher shall be informed in writing by the Superintendent of his tentative teaching assignment for the next year by June 25. Previous to July 25, the teacher will be notified in writing by the Superintendent of Schools of his permanent assignment for the next school year. Changes in assignment after this date may be made for valid educational and management reasons, provided the teachers concerned are informed as soon as the assignment is determined.

D. Reasonable effort shall be made to balance teaching assignment as to total number of pupils per day, teaching preparations, and other factors which affect total teaching loads. This does not include extra class assignments for which extra pay is provided.

ARTICLE VIII

PROMOTIONS, ASSIGNMENTS, AND TRANSFERS

The Board and the Association recognize that an optimum educational environment includes a teacher who is working within his area of special competence and interest. Therefore, the Board shall provide opportunities for teachers to express their desire for change of assignment as follows:

A. Requests for grade and subject reassignment shall be made in writing to the Superintendent and shall present objective evidence, including professional qualifications to reinforce such request.

B. A vacancy shall exist when a resignation has been accepted or a leave has been approved when the position is going to be continued; or if a new position is created. When a split classroom is established, it shall be considered a new position. When a split class is eliminated and full sections of the parts of the split are established, these shall be considered as being new vacant positions. Notices of all vacancies and newly created positions shall be posted or published in the weekly faculty bulletin during the school year. During the summer months, notices of vacancies shall be transmitted in writing to the President of the CEA and to all teachers who have indicated a desire for a change to the Administration in writing, and additionally, shall be posted at the Board of Education Building. Academic and experience requirements, personal skills, and responsibilities of the position shall be indicated.

C. Any teacher possessing the qualifications to apply for such vacancy may do so in writing to the Superintendent's Office. In filling vacancies, the Board reserves the right to select the candidate who in its judgement has the greatest potential for success. If the qualifications of candidates are equal, the most seniored applicant shall be awarded the position.

D. The Board shall base all teacher transfers on educationally sound reasoning. Transfers shall be made with the full knowledge and with consultation of the teacher. The Board shall attempt to make transfers on a voluntary basis and unrequested transfers shall be kept at a minimum. The Employer shall provide written reasons for the involuntary transfer to the affected staff member.

ARTICLE IX

TEACHING CONDITIONS

A. The parties recognize that the availability of optimum school facilities for both student and teacher is desirable to insure the high quality of education that is the goal of both the teacher and the Board. It is also acknowledged that the primary duty and responsibility of the teacher is to teach and that the organization of the school

and the school day should be directed at insuring that the energy of the teacher is primarily utilized to this end.

B. The Board recognizes that appropriate texts, library facilities, maps and globes, laboratory equipment, audio-visual equipment, and similar educational materials are the tools of the teaching profession. The Administration will confer with the teachers involved for the purpose of selecting educational tools and in an advisory capacity in establishing the instructional budget. It is further agreed that the Board shall make every attempt to keep the schools reasonably equipped and maintained and shall expect full cooperation of each teacher and the local Association as a group in properly maintaining all educational tools, equipment and facilities.

C. The Board shall continue, as it presently does, to furnish lounge and restroom facilities for each building. Smoking shall be permitted in the faculty lounge only. Telephone facilities with an outside line limited to local calls shall be made available to teachers for their professional use.

D. The Board agrees to furnish teacher aides as follows:

1. K-4, when class size exceeds 26.
2. Middle School, 5-8, when class size exceeds 28.
3. High School, 9-12, when class size exceeds 34, except for English classes when the maximum shall be an average of 28 and classes with learning stations where the number of students shall be no greater than the number of stations.

Exceptions to the above class sizes would be, as their nature requires larger numbers of students such as: band, choir, study hall, physical education, experimental or special lecture groups.

A teacher aide shall be defined as:

- a. An adult paid teacher aide.
- b. An adult volunteer teacher aide.
- c. A specially trained paid student aide.

Teacher aides in the above D provision shall be supplied at the rate of seventy-five (75) minutes per pupil per week for all students assigned to a class in excess of class sizes listed above, to be scheduled by the Building Principal. In grades 7-12, teacher aide time will be prorated by period based on seven periods per day.

4. The Board shall make concerted effort during scheduled conference and preschool time to provide time and opportunity for conferences, program planning, etc. between classroom teachers and special education staff so that the best interests of students may be served. Class size shall be considered when special students are mainstreamed into the regular classroom.

E. As a condition of continued employment, all teachers will be required to comply with the following conditions:

1. Any teacher who is a member of the Association shall sign and deliver to the Board an assignment authorizing deduction of membership dues as designated by Lenawee County Education Association, CEA-MEA-NEA.
2. Any teacher who is not a member of the Association in good standing or who does not make application for membership within thirty (30) days from the first day of active employment shall pay a Service Fee to the Association in the amount designated by Lenawee County Education Association, CEA-MEA-NEA, provided however, that the teacher may authorize payroll deduction for such fee in the same manner as provided above for members.

In the event that a teacher shall not pay such Service Fee directly to the Association or authorize payment through payroll deduction, the Board shall, at the request of the Association, terminate the employment of such teacher. The parties expressly recognize that the failure of any teacher to comply with the provisions of this article according to this contract shall be cause for discharge from employment.

The Association in all cases of discharge for violation of this article shall notify the teachers of non-compliance, and shall further advise the recipient that a request for discharge may be filed with the Board in the event compliance is not effected.

3. As a condition of the effectiveness of this Article, the Association agrees to indemnify and save the Board, each individual School Board Member, and all administrators, harmless against any and all claims, demands, costs, suits, or other forms of liability and all court or administrative agency costs that may arise out of or by reason of action taken by the Board for the purpose of complying with this Article.
4. The Board will, as a condition of employment, present the Agency Shop Provision to all newly employed teachers and shall include a signed statement of receipt of the same in the teacher's personnel file.

F. Specific departmental budgets will be issued no later than the first week of school at the beginning of each school year, provided a new contract is ratified.

G. The Administration will attempt to arrange the calendar so that the end of the marking period will fall on Wednesday. Teachers will be required to complete the student grade reporting process before the start of the school day on the following Monday.

H. Before a student can be promoted against the advice of a teacher, a meeting will be held with the Superintendent, Building Principals, Counselors, Teacher and Parents. The teacher's input will be of major importance. The final decision rests with the Superintendent of Schools. Minutes of such meeting will be placed in the student's file.

ARTICLE X

ACADEMIC FREEDOM

A. The parties seek to educate young people in the democratic tradition, to foster a recognition of individual freedom and social responsibility, to inspire meaningful awareness of and respect for the Constitution and the Bill of Rights, and to instill appreciation of the values of individual personality.

It is recognized that these democratic values can best be transmitted in an atmosphere which is free from censorship and artificial restraints upon free inquiry and learning, and in which academic freedom for teacher and student is encouraged.

B. Teachers shall have such academic freedom as provided by Board of Education Policy and State Law.

C. A committee of five (5) shall be formulated composed of two (2) members appointed by the Board, and two (2) members appointed by the local Association, and one (1) member elected by these four (4) appointees, to act in an advisory capacity to study all matters of concern that may arise relative to academic freedom.

ARTICLE XI

PROFESSIONAL BEHAVIOR

A. Teachers are expected to comply with reasonable rules, regulations, and directions from time to time adopted by the Board or its representatives which are not inconsistent with the provisions of this Agreement, provided that a teacher may reasonably refuse to carry out an order which threatens physical safety or well-being, or is professionally demeaning.

B. The Association recognizes that abuses of sick leave or other leaves, chronic tardiness or absence, willfull deficiencies in professional performance, or other violations by a teacher reflect adversely upon the teaching profession and create undesirable conditions in the school building. Alleged breaches of discipline shall be reported to the offending teacher and to the Association within three (3) working days. Offenders are subject to administrative disciplinary action.

C. A teacher may at all times be entitled to have present a representative of the Association when being reprimanded, warned or disciplined for an infraction of rules or delinquency in professional performance. However, if the situation warrants immediate action, the administration is empowered to take such action as in its judgement it deems necessary.

D. No teacher shall be disciplined, reprimanded, reduced in rank, or compensation, or deprived of any professional advantage without just cause, and at the district level, prior hearing and the opportunity for defense against the charges made. Any such discipline, reprimand, or

reduction in rank, compensation or advantage shall be subject to the professional grievance procedure hereinafter set forth. All information forming the basis for disciplinary action will be made available to the teacher, and upon request, to the Association.

ARTICLE XII

REDUCTIONS IN PERSONNEL, SENIORITY, AND RECALL, AND CONSOLIDATIONS OF DISTRICT

A. To the full extent permitted by law, this Agreement shall be binding upon the Board and its successor personnel and upon any school district into which this district shall be merged or combined.

B. In the event this district shall be combined with one or more districts, the Board will use its best efforts to assure the continued recognition of the Association and the continued employment of its members in such consolidated district.

C. 1. It is hereby specifically recognized that it is within the sole discretion of the Board of Education to reduce the educational program and curriculum. In exercising this authority, the Board will seek input from the professional staff through administrative channels.

2. SENIORITY

- a. The term seniority as hereinafter used shall be the length of continuous teaching service with the Board.
- b. An administrator who has been a teacher in the district and who returns to the teacher bargaining unit shall retain seniority for all years of teaching service to the district.
- c. An administrator who has not been a teacher in the district, but who given tenure as a teacher by the district shall, when entering the bargaining unit, be granted two (2) years seniority.
- d. All seniority is lost when employment is severed by resignation, retirement, or termination; however, seniority is retained if severance of employment is due to layoff.

- e. During leaves of absence granted pursuant to this contract, seniority shall not continue to accrue.
- f. Seniority within the system shall be determined by the criteria in the order that follows:
 - 1. Years of continuous service as defined above. The effective date of employment shall be the first date of actual work in the district, excluding extra-duty assignments.
 - 2. Initial date of employment or date of Board action to hire.
 - 3. Persons with equal seniority after application of the above shall be so identified on the seniority list and in the event of layoff affecting any such group, the Board shall determine which ones shall be retained.
 - 4. Part-time teachers teaching a one-half (1/2) day schedule or more than a one-half (1/2) days schedule shall be treated for seniority purposes the same as full-time teachers. Those teaching less than a one-half (1/2) day schedule shall have their service computed to full time equivalency.
- g. The Board shall prepare the seniority list based on criteria as set forth in C 2.f and submit a copy of the same to the Association on or before the 30th day of September of each year.

3. REDUCTION IN PERSONNEL

In order to facilitate an orderly reduction in personnel when the educational program and curriculum is curtailed, the following procedure will be used:

- a. Probationary teachers will be laid off first. Only when there is not a tenured teacher certified and qualified to fill a position will a probationary teacher be retained.

- b. A layoff list will be developed according to the seniority list provided certification and qualifications of those to be retained are appropriate to the positions remaining. Only when there are no more senior teachers so certified and qualified, will a teacher with lesser seniority be retained.
 - c. The Association shall have the right to review the layoff list prior to notification of the individuals to be laid off. In the event of a dispute concerning the order of layoff, the Association shall have the right to file a grievance in writing thereon within not more than seventy-two (72) hours after the termination of the meeting for review of the list.
 - d. Notice of layoff shall be made at least twenty (20) calendar days prior to the effective date of such layoff.
4. During a period of impending layoff, the Board agrees to grant requests for voluntary leaves of absence to teachers who make such requests, provided it is educationally and financially beneficial to the district.
5. A laid off teacher shall upon application be granted priority on the district substitute teacher list.
6. A laid off teacher may continue his/her health, dental, and life insurance benefits by paying monthly the normal per subscriber group rate premium for such benefits to the Board.
7. When a position is eliminated, an employee who would be laid off is entitled to "bump" the employee in the system with the lowest seniority in an area of their certification and qualification.
8. RECALL
- a. Laid off teachers shall be recalled in inverse order of layoff for vacancies for which they are certified and qualified. A teacher who gets certified or qualified in a new area shall not be entitled to "bump" a currently employed

teacher with less seniority but shall only be entitled to recall to a vacancy.

- b. Notification of recall shall be in writing with a copy to the Association. Notification shall be sent by certified mail to the teacher's last known address. It shall be the responsibility of each teacher to notify the Board of any change in address.
 - c. An employee who is notified of recall to a position of the same time equivalency and for which he/she is certified and qualified who fails to respond by certified mail, within ten (10) days within the school year or twenty (20) days if during the summer recess, of the receipt of a written offer made by the Board shall be considered as resigned.
 - d. Past utilization of sickness and leave benefits or an existing necessity for utilization of such benefits shall not be considered proper reason for failure to recall or reinstate.
 - e. The recall list shall be maintained by the Board. Probationary teachers shall retain their right to recall for a period of two years. Tenure teachers shall retain unlimited right to recall in accordance with the Michigan Teachers Tenure Act.
9. For purposes of this Article, the term "Qualifications" shall be defined as follows:
- a. The teacher must hold a Bachelors Degree or Masters Degree from a duly accredited college or university.
 - b. The teacher must satisfy State of Michigan Department of Education certification requirements.
 - c. For a senior high school position (grades 9-12) a teacher shall be considered qualified to teach in his/her major or minor field of study.
 - d. For a middle school position (grades 7-8) a teacher shall be considered qualified to teach:

1. In his/her major or minor field of study;
 2. If he/she possesses successful Clinton teaching experience in the subject matter to be taught;
 3. In the following basic subjects: mathematics, science, English, social studies, literature and reading provided the individual successfully earns a minimum of eight (8) semester hours per year towards the completion of a minor in that subject area. Classwork shall begin the first available semester/term after the final assignment has been made.
- e. For an elementary position (grades K-6) a teacher shall be considered qualified to teach all subjects, except specialized areas.

ARTICLE XIII

NEGOTIATION PROCEDURES

A. Negotiations between the parties shall begin at least sixty (60) days prior to the expiration of this Agreement. If, pursuant to such negotiations, an agreement on the renewal or modification is not reached prior to the expiration date, this Agreement shall expire at such expiration date unless it is extended for a particular period or periods by mutual written agreement of the parties.

ARTICLE XIV

GRIEVANCE PROCEDURE

A. The grievant shall invoke the formal grievance procedure on the appropriate established form, signed by the grievant, which form shall be available from the Association representative in each building.

Written grievances as required herein shall:

1. Be signed by the grievant or grievants;
2. Be specific;

3. Contain a synopsis of the facts giving rise to the alleged violation;
4. Cite the section or subsections of this contract alleged to have been violated;
5. Contain the date of the alleged violation;
6. Specify the relief requested.

Time limitations are clearly specified. In the event that these time limitations are not strictly adhered to by either side, the grievance will not be processed. Extension of the limits may be made with written agreement by both parties.

If a teacher leaves the employ of the Board (except a claim involving a remedy directly benefiting the grievant regardless of his employment) all further proceedings on a previously instituted grievance shall be barred.

The Association shall have the right to initiate a grievance involving the rights of a teacher or group of teachers, provided the teacher or group of teachers expresses approval through the process of signing the grievance.

Any written grievance not substantially in accordance with the above requirements may be rejected as improper. The grievances may be refiled within one (1) calendar week.

No grievance shall be adjusted without prior notification to the Association and opportunity for an Association representative to be present, nor shall any adjustment of a grievance be inconsistent with the terms of this Agreement.

Step 1.

A copy of the grievance form shall be filed with the building principal within ten (10) working days from the time the alleged offense occurred or knowledge of the alleged offense. If the grievance involves more than one (1) school building, it shall be filed with the principals of all buildings involved.

Within five (5) work days of receipt of the grievance, the principal shall meet with the aggrieved in an effort to resolve the grievance. The principal shall indicate his disposition of the grievance in writing to the aggrieved within three (3) work days of such meeting, and shall furnish a copy thereof to the Association.

Step 2.

If the aggrieved is not satisfied with the disposition of the grievance, the grievance shall be transmitted to the C.E.A. grievance committee for approval, after which the grievance may be submitted to the Superintendent within five (5) work days. Within five (5) work days of receipt of the grievance, the Superintendent or his designee shall meet with the aggrieved and a member or members of the grievance committee. Within three (3) work days of such meeting, the Superintendent shall render his decision in writing. If the C.E.A. disapproved of the grievance, the grievant may proceed on his own according to the grievance procedure.

Step 3.

If the aggrieved is not satisfied with the disposition of the grievance by the Superintendent or his designee, the grievance shall be transmitted to the Board of Education not less than five (5) work days prior to the next regularly scheduled board meeting. The Board, not later than its next regular meeting or two (2) calendar weeks, whichever shall come first, shall hold a hearing on the grievance, review such grievance in executive session, or give such other consideration as it shall deem appropriate. Disposition of the grievance in writing by the Board shall be made not later than three (3) work days thereafter. A copy of the written decision of the Board shall be forwarded to the Superintendent for permanent filing, the Building Principal for the building in which the grievance arose, the grievant and the Secretary of the Association.

Step 4.

Individual teachers shall not have the right to process a grievance at this level. If the Association is not satisfied with the disposition of the grievance at the above level, it may, within ten (10) work days after the decision of the Board, refer the matter for arbitration to the American Arbitration Association, in writing, and request the appointment of an arbitrator to hear the grievance. Selection of arbitrator and the hearing shall be conducted in accordance with the rules of the American Arbitration Association.

B. Neither party may raise a new defense or ground at this level, not previously raised or disclosed at other written levels. Each party shall submit to the other party not less than three (3) work days prior to the hearing a prehearing statement alleging the facts, grounds and defenses which will be proven at the hearing and hold a conference at that time in an attempt to settle the grievance.

C. Powers of the arbitrator are subject to the following limitations:

1. He/she shall have no power to add to, subtract from, disregard, alter or modify any of the terms of this Agreement.
2. He/she shall have no power to establish salary scales or to change any salary.

4. He/she shall have no power to decide any question which, under this Agreement, is within the responsibility of the management to decide. In rendering decisions, an arbitrator shall give due regard to the responsibility of management and shall so construe the Agreement that there will be no interference with such responsibilities, except as they may be specifically conditioned by this Agreement.
5. He/she shall have no power to interpret State or Federal Law.
6. He/she shall not hear any grievance previously barred from the scope of the grievance procedure.

After a case on which the arbitrator is powered to rule hereunder has been referred to him it may not be withdrawn by either party except by mutual consent.

More than one grievance may not be considered by the arbitrator at the same time except upon expressed written mutual consent and then only if they are of similar nature.

The cost of arbitration shall be borne equally by the parties except each party shall assume its own cost of representation, including any expenses of witnesses.

The decision of the abribtrator shall be final and conclusive and binding upon employees, the Board and the Association; subject to the right of the Board or the Association to judicial review, any lawful decisions of the arbitrator shall be forthwith placed into effect.

LEAVES OF ABSENCE

A. Sick Leave - Personal Business Leave

All regularly employed certified personnel shall be allowed sick leave for illness, injury or disability, excluding worker's compensation claims, at the rate of eleven (11) days per year, accumulative to one hundred five (105) days with full pay. These days shall be credited to the teacher at the beginning of the school year, but the days are earned on a prorated basis or one day per month on the last day of each month from August through May, and in June on the last day of school. To earn days, a teacher must be working on or be on a paid leave. In the event a teacher exhausts his/her accumulated sick leave, he/she shall be placed on an unpaid leave of absence. However, at the end of each school year (and when a teacher leaves the employ of the district or when a teacher is placed on an unpaid leave of absence), any teacher having exhausted all sick leave and having used more sick leave days than have been totally earned, shall be liable to the district for those unearned days and have the value of such used but unearned days deducted from any amounts of compensation, etc. to which the teacher may otherwise be entitled under the contract.

Two (2) of these eleven (11) days may be used for personal business. Personal business days shall not be utilized for social activity, other employment, travel for recreation or vacation, recreation or vacation, but only for attending to personal affairs which cannot be reasonably handled outside of the work day and which require the presence of the teacher. The Administration reserves the right to control the number of absences that may be granted on any given day. The teacher requesting a personal business

day leave must make application to the Administration as early as possible, but in no case less than twenty-four (24) hours prior to the date of absence, except in cases of emergency.

After a teacher has reached the maximum accumulation of sick leave--personal business leave, the Board will annually at the close of the school year, reimburse the teacher at the rate of \$30.00 per day for all accumulated sick leave--personal business leave that exceeds one hundred five (105).

B. Maternity Leave

The Board shall grant to any teacher a leave of absence, not to exceed one year, for the purpose of childbirth. Such leave shall commence when the teacher is no longer able to adequately perform the duties to which she is regularly assigned and shall last, after the termination of the pregnancy, until such time as, in the opinion of her physician, she is able to adequately assume the duties to which she is regularly assigned.

In case of any dispute as to whether a teacher, under this provision, is able to adequately perform the duties to which she is regularly assigned, the physician who has treated the teacher through her pregnancy shall make the final and binding decision.

Request for pregnancy leave shall be submitted to the Superintendent in writing and shall include beginning and ending dates.

Leave options are as follows:

1. Semester in which birth occurs plus one additional semester.
2. If birth occurs in the summer, the following two (2) semesters.
3. Maximum leave shall be two semesters; minimum leaves shall be the number of days before and after birth, which the attending physician deems medically safe and advisable.
4. The above options shall be at the discretion of the teacher.
5. A teacher on maternity leave may continue membership in group health insurance programs provided she reimburse the Board for the total premium.

6. A teacher who cannot return from maternity leave on the designated date must request an extension not later than two (2) weeks before the specified end of the leave, and may be approved by the Board as long as the total leave does not exceed the provisions as set forth in points 1 through 3 above.
7. Reinstatement upon return from maternity leave shall be to the teacher's former position, provided the position still exists. Placement upon return from leave is subject to the conditions regarding layoff and recall, set forth in Article XII of this Agreement.
8. Sick leave will be paid during the period of temporary disability, as verified by the teacher's physician, to the limit of the teacher's sick leave accumulation.
9. If a teacher exhausts sick leave accumulation and is still temporarily disabled, then such teacher will be placed on an unpaid temporary disability leave, not to exceed one (1) year from the date of initial disability.
10. After the period of temporary disability, a teacher has the option to continue on an unpaid child care leave of absence to the inclusive limit of the time period stated above.

C. Emergency Leave

A teacher shall be granted up to five (5) days leave in case of death in the immediate family.

Absence to attend a funeral of any other near relative or friend, or additional time for travel or other emergency factors may be granted with the approval of the Superintendent.

Upon return, the teacher takes up at the increment next after the last step which he was on during his last contract. A teacher on leave of absence may continue membership in group health insurance programs, provided the reimbursement is made to the Board for the total premium.
5. The Board of Education reserves the right to approve or disapprove all leaves of absence. All requests will be in writing.
6. Reinstatement shall be to the teacher's former position.
7. Seniority shall apply in the approval of leaves of absence, the only exception being the receipt of scholarships, which are available only during specified periods, in which case said scholarships are to be given precedence over seniority.

E. General Leave of Absence

1. The Board may grant one (1) year unpaid leave of absence for general reasons.
2. A leave of absence may be requested if the teacher has been in the system at least five (5) years.
3. All salary increments and fringe benefits shall be frozen while on leave. No benefits are paid by the school while the teacher is on leave. Upon return, the teacher takes up at the increment next after the last step which he was on during

his last contract. A teacher on leave of absence may continue membership in group health insurance programs, provided the reimbursement is made to the Board for the total premium.

4. Provided the teacher has the seniority, the teacher returning from a general leave shall be assigned to a teaching position according to certification and qualification, but not mandatorily to the teacher's former position.
5. The Board reserves the right to approve or disapprove all leaves of absence. All requests will be in writing.

F. Policies Governing Leave

1. After each absence it will be necessary to file a report to the office of the Superintendent before pay for leave can be made.
2. A statement of sick leave and personal leave account shall be presented to each teacher annually by the Superintendent.
3. Absence for Emergency Leave shall be deducted from accumulated sick leave.
4. In the event that the Administration has reasonable belief that the sick leave privilege is being abused, the Superintendent will request a meeting with the C.E.A. President or his designee and the teacher concerned to discuss the problem.

In case of teacher illness or disability, the Board may require a teacher to provide written verification of illness or disability and the Board reserves the right to require a teacher to submit to a physical or mental examination by a physician or psychiatrist selected by the Board to determine the teacher's fitness.

5. A teacher who is on medical leave must keep the Administration informed on his/her medical progress (condition) and inform the Board of an anticipated date to return to work. Medical verification should be available.
6. Teachers shall be informed of a local telephone number they may call before 6:45 a.m. It is imperative that the teacher inform the Board of absence and the reasons for the absence as soon

as possible, but not later than 6:45 a.m. with the exception of an emergency situation. Once a teacher has reported unavailability, it shall be the responsibility of the Administration to arrange for a substitute teacher.

7. Sick leave pay will only be paid for work days missed during the actual effectiveness of the individual teacher contract. Sick days or personal days shall not be deducted in the event of school closing due to inclement weather, with the exception of extended leave.

G. Conferences

Teacher conferences will be approved by the Administration. They will be allocated to teachers impartially and on the basis of teacher need.

H. Jury Duty

CALENDAR

A. Both parties agree that to the extent they are required by law, they shall negotiate the school calendar. The school calendar shall be set forth in Appendix III.

B. The school calendar shall be coordinated with the Lenawee Intermediate calendar.

C. The school calendar shall consist of one hundred eighty (180) scheduled days of student instruction, two (2) full in-service days and two (2) teacher records days.

The total annual salary of each member of this Association is based on a one hundred eighty-four (184) day annual contract.

If the agreed upon school year is required to be extended or there is a modification in the agreed on school calendar because of Act 10, Section 101, Items 2 or 3, of the State School Aide Act (Act of God Days), any Association member required to work on a day or days not specified on the official school calendar in this Agreement shall do so with no additional compensation. Teachers will not be required to report and shall receive their regular pay for scheduled days of student instruction which are not held because of conditions not within the control of school authorities, such as inclement weather, fires, epidemics, or health conditions as defined by county and/or state health authorities.

D. Should a closing because of conditions not within the control of school authorities require the scheduling of additional days of student instruction because previously scheduled days could not be counted to meet the one hundred eighty (180) days requirement in accordance with the state school aide act, the March day will be reserved to make-up day (if one is scheduled) and the remaining days, if any, shall be added to the end of the school year.

E. If, at any time during the life of this Agreement it becomes lawful to count as days of pupil instruction, days when pupil instruction is not provided due to conditions not within the control of school authorities such as due to inclement weather, fires, epidemics or health conditions, it is agreed that the following school closing provision shall become immediately effective:

When an Act of God or an employer directive forces the closing of a school or other facility of the employer, bargaining unit members shall be excused from reporting to duty without loss of pay. Days lost to school closing under the foregoing circumstances shall not be rescheduled.

To the extent that any other provision of the collective bargaining agreement, such as the school closing provision, school calendar or the like shall be inconsistent with the foregoing, such provisions shall be null and void as to the extent of the inconsistency.

ARTICLE XIX

MISCELLANEOUS PROVISIONS

A. This Agreement shall constitute the full and complete commitments between both parties and may be altered, changed, added to, deleted from, or modified only through the voluntary, mutual consent of the parties in a written and signed statement to this Agreement.

B. This Agreement shall supersede any rules, resolutions, regulations, or practices of the Board, which shall be contrary to or inconsistent with this Agreement. The Provision of this Agreement shall be incorporated into and be considered part of the established policies of the Board.

C. If any provision of this Agreement or any application of this Agreement to any employee or group of employees shall be found contrary to law, then such provision or application shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.

D. Copies of this Agreement shall be supplied at the expense of the Board and presented to all teachers under contract with Clinton Community Schools.

ARTICLE XX

TEACHER EVALUATION

Both parties recognize the value of evaluation and its significance to the individual teacher--both probationary and tenure--and his standing within the profession. In the event an administrator has a concern with a teacher's performance, he/she will first discuss the concern with the teacher. If the concern continues, then the concern may be placed in writing. To this point the following minimal procedure is established:

A. Teachers will be informed on the first teacher work day of the school year of specific effective teaching criteria upon which they will be evaluated. A written copy of the district's criteria shall be distributed to each teacher.

B. Probationary teachers shall be formally evaluated at least three (3) times during the school year. The evaluation shall coincide with the following schedule or requirements of the Tenure Act:

1. Preliminary evaluation (September or October).
2. Second formal evaluation (November, December, January, but before the end of the first semester).
3. Third evaluation (beginning of second semester including January, February, and the first week in March). At this meeting or within ten (10) days thereafter, the teacher will be apprised of his probationary and/or tenure status within the school system as perceived by the Administration.

C. Board of Education action on Administrative Regulations concerning teacher probationary and/or tenure status shall take place after the third evaluation and prior to sixty (60) days before the end of the school year...i.e. June 30th as provided in the Michigan Teacher Tenure Act.

D. Tenure teachers shall be evaluated at least once each year prior to May 15.

E. The Administration shall carry on the process of evaluation including formal and informal observations, filling out written observation reports and formal evaluation reports as presently established in school policy and administrative directive. This policy and administrative directive is subject to change at the discretion of the Board and the Administration, but will not be less than that stipulated in this Contract. All administrators involved in observation and evaluation shall use the same criteria for these processes.

F. Evaluation shall be conducted by the building principal or other Michigan certified administrators or other mutually agreed upon individuals. Each formal classroom observation shall be made in person for a minimum of twenty (20) consecutive minutes. A formal evaluation shall be preceded by a formal classroom observation. In addition, a formal evaluation may be conducted without a formal classroom observation to deal with areas of the teacher's performance as a teacher outside the classroom. All classroom monitoring or observation of a teacher shall be conducted openly and with the full knowledge of the teacher. Classroom observations shall take place at various times of the school day. Other Administrators shall have opportunity for input into the evaluation process directly to the teacher and through the principal's evaluation.

G. Following the formal observation, the teacher will have a postobservation conference with the evaluator to discuss the observation. If an administrator believes a teacher is doing satisfactory work, a discussion will take place in the conference reinforcing the strengths of the teacher's performance. Following the conference, a written formal evaluation will be given to the teacher. At the teacher's request, a final personal conference may be held upon receipt of the written formal evaluation. If any administrator believes a teacher is doing unsatisfactory work, the reasons and specific ways in which the teacher is to improve and the assistance to be given by the administrator will be discussed with the teacher and reflected on the formal evaluation. In subsequent formal evaluation reports, failure to again note a certain deficiency will be interpreted to mean adequate improvement has taken place.

H. Recommendations as to demotion, retention, transfer, or change of assignment shall be an administrative function.

I. Copies of all written material concerning evaluation shall be furnished to the teacher. This includes the observation report as well as the more formal teacher evaluation report. In the event that a teacher feels

that his/her evaluation was incomplete or unjust, he/she may put his/her objections in writing within five (5) working days after having received the evaluation, and have it attached to the evaluation report, to be placed in his/her personnel file. If material placed in teacher's file is found to be in error or false, the material shall be corrected and/or expunged from the file.

J. The teacher may request that the evaluation be reviewed by the Superintendent. The teacher may have an Association representative present at this meeting. A grievance may be filed on any alleged violations of the procedure of the evaluation, not on the substance of evaluation.

K. Each teacher shall have the right, upon request and in the presence of the Superintendent, to review the content of his own personnel file. A representative of the Association may, at the teacher's request, accompany the teacher in this review.

L. The Administrative Council shall study the evaluation form and submit, through normal administrative channels, an evaluation document for Board of Education acceptance. Before an evaluation form is considered for final approval by Administrative Council, all available teacher input will be sought.

M. Any complaint made against a teacher by any parent, student, or other person shall be brought to the attention of the teacher. Complaints shall not be incorporated into the teacher's evaluation unless the teacher has been informed of the complaint, and after investigation, found to be justified.

ARTICLE XXI

INSURANCE PROTECTION

- a. 66 2/3 percent of monthly contractual salary exclusive of bonuses and overtime will be payable up to a maximum of \$2,250 per month.
- b. Maximum benefit period to age 65 and employees are guaranteed a maximum of twelve (12) months benefits if they become disabled after age 64.

Options exist as follows:

- a. Pre-existing condition waiver
- b. Social Security freeze
- c. Mental/nervous waiver
- d. Alcoholism/drug addition waiver
- e. The normal two-year period of total disability to the employee is extended to a five year provision as stipulated in the group insurance agreement between the Clinton Board of Education and the MESSA plan.

D. The Board shall provide without cost to the teacher MESSA/Delta Dental Care coverage for Class I of 100%/80%, Class II 80% and Class III (Orthodontic) 80% to lifetime maximum of \$800 for all members of the bargaining unit and their eligible dependents.
