### **Section 3. Union Bulletin Board and Mail Service.**

The Employer will provide a bulletin board or bulletin board space at the High School, Middle School, and Elementary School. The space may only be used by the Union for posting information and notices pertaining to Union business. The Union may use the school internal mail service and boxes currently available for communication to members.

### **Section 4. Use of School Buildings.**

The Union and its representatives shall have the right to use school buildings at all reasonable hours for meetings, upon prior approval of the Superintendent or his designated representative.

### **Section 5. Exchange of Information.**

The parties agree to make available to each other reasonable information so as to assist each in developing intelligent, accurate, informed and constructive proposals for negotiations, together with information which may be necessary for proper processing of any grievance. The Employer will also send a copy of the agenda, if any, of upcoming Board of Education meetings to the Union President.

### **Section 6. Special Conferences.**

Special conferences for important matters may be arranged between the local Union president and the Employer upon the request of either party; provided, however, that such special conferences shall be limited to one per calendar month unless otherwise mutually agreed. Special conferences shall be held during non-working hours unless the parties mutually agree otherwise. The purpose of special conferences is to provide a means for communication between the Employer and the Union to discuss important matters of mutual concern outside the grievance procedure.

## **ARTICLE V - AGENCY SHOP AND PAYROLL DEDUCTION**

### **Section 1. Agency Shop.**

All employees, as a condition of continued employment shall:

- A. Sign and deliver to the Board an assignment authorizing deduction of membership dues and assessments of the Association and such authorization shall continue in effect from year to year unless revoked in writing in August of a given year as provided for on the membership form to the Concord Education Association. (It is expressly understood that the specific amount of dues may vary from member to member.)

- B. The parties recognize that the Michigan Employment Relations Commission, through its rulings and those of the Michigan courts, has made certain determinations relative to the amount and handling of agency fees, as well as necessary appeals processes relative to same. The parties pledge to recognize those rulings and precedents as controlling in the interpretation of this Article.

C. **Payroll Deduction**

- a. Each bargaining unit member shall, as a condition of employment, (1) on or before thirty (30) days of commencement of duties or the effective date of this agreement, whichever is later, join the Association, or (2) pay a service fee to the Association, pursuant to the Association's "Policy Regarding Objections to Political-Ideological Expenditures" and the administrative procedures adopted pursuant to that policy. The service fee shall not exceed the amount of Association dues collected from Association members. The bargaining unit member may authorize payroll deduction for such fee. In the event that the bargaining unit member shall not pay such fee directly to the Association or authorize payment through payroll deduction, the employer shall, pursuant to MCLA 408.477; MSA 17.277(7) and at the request of the Association, deduct the service fee from the bargaining unit member's wages and remit same to the Association. Payroll deductions made pursuant to this provision shall be made in equal amounts, as nearly as may be, from the pay checks of each bargaining unit member. Monies so deducted shall be remitted to the Association or its designee, no later than twenty (20) days following deduction.
- b. Due to certain requirements established in recent court decisions, the parties acknowledge that the amount of the fee charged to non members along with other required information may not be available and transmitted to non members until mid school year (December, January, February). Consequently, the parties agree that the procedures in this article relating to the payment or non payment of the representation fee by non members shall be activated thirty (30) days following the Association's notification to non members of the fee for that given school year.
- c. In the event of any legal action against the employer brought in a court or administrative agency because of its compliance with this Article, the Association agrees to defend such action, at its own expense and through its own counsel, provided:
- (1) The employer give reasonable notice of such action to the Association and permit the Association intervention as a party if it so desires, and

- (2) The employer gives cooperation to the Association and its counsel in securing and giving evidence, obtaining witnesses, and making relevant information available at both trial and appellate levels.
  - d. Association shall have complete authority to compromise and settle all claims which it defends under this section.
  - e. The Association agrees that in any action so defended, it will indemnify and hold harmless the employer from any liability for damages and costs imposed by a final judgment of a court or administrative agency as a direct consequence of the employer's compliance with this Article V.
  - f. Any bargaining unit member who is a member of the Association, or who has applied for membership, may sign and deliver to the employer an assignment authorizing deduction of dues, assessments and contributions, in the Association as established by the Association. Such authorization shall continue in effect from year to year unless revoked according to the procedures outlined in the MEA Constitution, Bylaws and administrative procedures. Pursuant to such authorization, the employer shall deduct one twentieth (1/20) of such dues for the first twenty (20) paychecks beginning in September.
- D. The Association agrees promptly to advise the Board of all members of the bargaining unit who have not fulfilled the provisions of Paragraph A above and to furnish any other information needed by the Board to fulfill the provisions of this Article. The Board agrees promptly to advise the Association of all additions, deletions, or change in status of members of the bargaining unit.
- E. The Board shall also make payroll deduction upon written authorization from employees for deductions or any other plans or programs jointly approved by the Association and the Board. A list of these plans/programs may be secured through the payroll office.
- F. The Board will use its best efforts to make the aforesaid deductions in the manner set forth, but assumes no responsibility for any errors in making such deductions, other than to correct such errors. In the event of overpayment, the Association agrees to promptly refund such money as soon as is practical. In the event of underpayment, the Board agrees to promptly submit such money to the Association as soon as practical.

## **ARTICLE VI - GRIEVANCE PROCEDURE**

### **Section I. Definition.**

- a. A grievance shall be defined as any dispute regarding the meaning, interpretation, application or alleged violation of the terms and provisions of this Agreement.

- b. A grievance may be filed by the affected employee or group of affected employees. The Union may also file a policy grievance if the alleged violation of this Agreement affects an entire department or the entire bargaining unit. A policy grievance shall be filed at Step 3 within five (5) days after the occurrence of the alleged violation.

## **Section 2. Procedure.**

All grievances shall be presented for adjustment and handled in accordance with the following procedure:

### **Step 1.**

Any employee who believes he or she has a grievance must submit the grievance orally to his or her immediate supervisor within forty-eight (48) hours after the employee has knowledge of the grievance, or within forty-eight (48) hours after the employee reasonably should have had knowledge of the grievance. The supervisor shall render his or her verbal decision within twenty-four (24) hours after the grievance is submitted.

### **Step 2.**

If the grievance is not settled in Step 1 it shall be reduced to writing, state the facts upon which it is based and when they occurred, specify the section of the Agreement which is alleged to have been violated, be signed by the grieving employee and a Union representative, and be submitted to the immediate supervisor or his designee within five (5) days after the employee has knowledge of the grievance, or within five (5) days after the employee reasonably should have had knowledge of the grievance. The supervisor shall make a written reply within three (3) days after receipt of the written grievance.

### **Step 3.**

If the grievance is not settled in Step 2, the Union may submit a written request for a meeting with the Superintendent or his designee, which request shall be made within three (3) days after the Union's receipt of the Step 2 decision. The Superintendent or his designee and the Union representative, together with such additional representatives as either party may desire, shall meet and discuss the grievances within five (5) days after the grievance is presented at this step. The Superintendent or his designee shall give a written answer to the Union within five (5) days after the date of such meeting.

### **Step 4.**

If the grievance is not settled in Step 3, the Union may within ten (10) days after the Employer's Step 3 decision, appeal the grievance to the Board of Education. The Board of Education will give its written answer to the Union within thirty (30) days after receipt of the Union's appeal.

### **Step 5.**

If the grievance is not settled in Step 4, either party may, within ten (10) days after the Board's Step 4 decision, submit the grievance to binding arbitration in accordance with the American Arbitration Association's Voluntary Labor Arbitration Rules. The arbitrator's decision shall be final and binding upon the Union, its members, the employee or employees involved, and the Employer. The arbitrator shall make an award based on the express terms of this Agreement, and shall have no authority to add to, or subtract from any of the terms of this Agreement. The expenses and fees of the arbitrator shall be shared equally between the Employer and the Union. The parties agree that in cases where a speedy resolution is desirable, the grievance will be submitted for arbitration under the American Arbitration Association's rules for Expedited Arbitration, if there is mutual agreement to do so.

### **Section 3. Time Periods.**

The time periods of the grievance procedure shall exclude weekends and holidays and may be extended only by mutual agreement between the Employer and the Union. In the event the Union does not appeal a grievance from one step to another within the time limits specified, the grievance shall be considered as being settled on the basis of the Employer's last answer. In the event the Employer fails to reply to a grievance at any step of the grievance procedure within the specified time limits, the grievance shall automatically be referred to the next step in the grievance procedure.

## **ARTICLE VII - EMPLOYEE DISCIPLINE**

### **Section 1. Discipline.**

No employee shall be disciplined (reprimanded - written or verbal, suspended, demoted, or discharged) without just cause. The specific grounds forming the basis for disciplinary action will be made available to the employee and the Union in writing.

An employee who is being disciplined shall be entitled to have a Union representative present if the employee so requests and a Union representative is reasonably available. The Union representative shall notify his/her immediate supervisor before leaving his/her assigned job to attend the meeting.

### **Section 2. Grievances.**

In the event an employee who has completed his or her probationary period is suspended from work for disciplinary reasons or is discharged from his or her employment after the date hereof and such employee believes he or she has been unjustly suspended or discharged, such suspension or discharge shall constitute a case arising under the grievance procedure, provided a written grievance with respect thereto is presented to the Superintendent or his designee at the Step 3

level of the grievance procedure within three (3) days (excluding weekends and holidays) after such discharge or after the start of such suspension.

When an employee files a grievance with respect to his or her suspension or discharge, the act of filing such grievance shall constitute his or her authorization for the Employer to reveal to the participants in the grievance procedure any and all information available to the Employer concerning the alleged offense and such filing shall further constitute a release of the Employer from any and all claimed liability by reason of such disclosure.

### **Section 3. Back Pay.**

In the event it should be decided under the grievance procedure that the employee was unjustly suspended or discharged, the Employer shall reinstate such employee and pay full compensation, partial or no compensation as may be decided under the grievance procedure, which compensation, if any, shall be at the employee's regular rate of pay less any compensation he or she would not normally have earned at other employment during such period. In no event shall an employee be entitled to back pay for any period prior to the date the grievance is filed.

## **ARTICLE VIII - STRIKES AND LOCKOUTS**

### **Section 1. No Strike - No Lockout Pledge.**

The Union agrees that neither the Union, its agents nor its members will authorize, instigate, aid or engage in a work stoppage, slowdown, strike (including a sympathy strike) or any other concerted activity which interferes with the operation of the Employer. The Employer agrees that during the life of this Agreement there will be no lockouts.

### **Section 2. Violations.**

Individual employees or groups of employees who instigate, aid or engage in a work stoppage, slowdown, strike (including a sympathy strike) or any other concerted activity which interferes with the operations of the Employer may be disciplined or discharged as determined by the Employer.

## **ARTICLE IX - EMPLOYEE EVALUATION AND PROTECTION**

### **Section 1. Evaluation.**

Each employee shall be evaluated by his/her immediate supervisor at least annually. Any written evaluation shall be kept in the employee's personnel file and the employee shall receive a copy. An employee may attach a written response to any adverse written evaluation, but no evaluation (written or verbal, adverse or favorable), shall be subject to the grievance procedure. Any discipline which results from an adverse evaluation is subject to the grievance procedure.

## **Section 2. Employee Records.**

An employee shall have the right to review the contents of his/her personnel file, excluding initial references, to the extent permitted by law, including the Michigan Right to Know Law. No material of an adverse nature, including but not limited to student, parental or school personnel complaints, shall be placed in an employee's personnel file unless the employee is given an opportunity to review it and attach a written response. Only authorized personnel shall have access to an employee personnel file.

## **Section 3. Employee Protection.**

Any case of assault upon an employee by a student or parents while working shall be promptly reported to the Employer.

The Employer will provide legal counsel to advise the employee of his/her rights and obligations with respect to such assault. Employees shall be given time off with pay if required to attend any court proceeding related to the prosecution of the student or parent.

# **ARTICLE X - SENIORITY**

## **Section 1. Definitions.**

All employees shall hold dual seniority dates. "Unit seniority" shall be defined as an employee's length of continuous employment with the Employer since his/her last hiring date. "Last hiring date" shall mean the date upon which the employee first reported for work at the instruction of the Employer since which he/she has not quit, retired or been discharged. "Department seniority" shall be defined as an employee's length of continuous employment with the Employer since his/her last departmental appointment date. "Last departmental appointment date" shall mean the date upon which the employee first reported for work in his/her department since which he/she has not quit, retired or been discharged. Employees who change departments shall hold inactive seniority in their previously assigned department. Inactive seniority shall only be used for the purpose of layoff and recall.

"Department" shall mean either:

- (a) Custodial/Maintenance;
- (b) Food Service;
- (c) Secretarial/Clerical; or
- (d) Aide/Paraprofessional.

No time shall be deducted from an employee's seniority due to absence occasioned by authorized leaves or vacations. Employees shall not accrue unit or departmental seniority during unpaid leaves after twelve (12) months. Employees on layoff shall continue to accrue seniority as if at work. Regular part time employees shall accrue seniority as full time employees.

## **Section 2. Probationary Period.**

All new employees shall be probationary employees until they have completed sixty (60) consecutive calendar days of service, exclusive of any unpaid leaves or layoffs. The purpose of the probationary period is to provide an opportunity for the Employer to determine whether the employee has the ability and other attributes which qualify him or her for regular employee status. During the probationary period, the employee shall be represented by the Union for all purposes, except the employee shall have no seniority status and may be terminated in the sole discretion of the Employer without regard to his or her relative length of service, and without recourse to the grievance procedure. Upon the successful conclusion of his probationary period, the employee's name shall be added to the seniority list as of his or her last hiring date.

## **Section 3. Seniority List.**

The Employer will maintain an up-to-date seniority list showing the unit and department seniority of each employee. A copy of the seniority list will be posted on the appropriate bulletin boards each six (6) months. The names of all employees who have completed their probationary periods shall be listed on the seniority list, starting with the senior employee's name at the top of the list. If two (2) or more employees have the same last hiring date, or same last appointment date, their position on the seniority list shall be determined by casting lots.

## **Section 4. Loss of Seniority.**

An employee's seniority and employment shall terminate:

- (a) If he or she quits, retires, or is discharged;
- (b) If following a layoff he or she fails or refuses to return to work on the date specified in the recall notice unless he or she presents an excuse acceptable to the Employer;
- (c) If he or she is absent from work for two (2) consecutive working days without notifying the Employer, unless he or she presents an excuse acceptable to the Employer.

## **Section 5. Transfers Outside the Bargaining Unit.**

When a bargaining unit employee is promoted or transfers to a job with the Employer outside the bargaining unit, the employee shall cease to accrue seniority but shall **Article X - Seniority** retain the seniority he/she accumulated up to but not beyond the date he/she left the bargaining unit.

# **ARTICLE XI - LAYOFF AND RECALL**

## **Section 1. Definition of Layoff.**

For purposes of this provision a layoff shall be defined as a necessary reduction in the work force as determined by the Employer.

---

## **Section 2. Notice of Layoff.**

No employee shall be permanently laid off unless the employee shall have been notified of the layoff at least ten (10) work days prior to the effective date of the layoff, and no employee shall be temporarily laid off unless the employee shall have been notified of the layoff at least three (3) work days prior to the effective date of the layoff. A temporary layoff is a layoff of limited duration resulting from a strike, epidemic, act of God, power failure, sudden and temporary cash flow problem, or similar reason.

## **Section 3. Layoff Procedure.**

In the event of a layoff, the Employer shall first layoff probationary employees in the affected classification. In no case shall a new employee be employed by the Employer while there are laid off employees who are qualified and have the ability to perform the work of the vacant or newly created position. In the event further layoffs beyond probationary are necessary, employees with seniority in the affected classifications shall be laid off in the inverse order of their departmental seniority. Any laid off employee with seniority shall have the right to exercise his/her seniority to bump the junior employee in any other classification within his/her department having less departmental seniority provided he/she has the qualifications and ability to perform the work of the employee being bumped. An employee must exercise his/her right to bump by written notice to the Superintendent or his designee within three (3) work days after receipt of a layoff notice.

## **Section 4. Reduction in Work Hours.**

In the event of a permanent reduction in the work hours within a classification, an employee may claim seniority over another employee in the classification for the purpose of maintaining his/her normal work schedule, provided he/she has greater departmental seniority than the other employee. In no case shall a permanent reduction of any employee's work hours take effect until the Employer gives at least five (5) work days written notice to the affected employee. An employee must exercise his/her seniority rights under this section by written notice to the Superintendent or his designee within three (3) work days after receipt of a reduction in hours notice.

## **Section 5. Recall.**

When the work force is increased after a layoff, employees will be recalled by unit seniority, with the most senior employee being recalled first, provided the employee has the qualifications and ability to perform the work. Employees shall not be required, however, to accept recall to a department other than that from which they were laid off. An employee who accepts recall to a classification other than the classification held when laid off, shall have the right to fill the first vacancy in his/her former classification.

## **Section 6. Notice of Recall.**

Notices of recall of employees on permanent layoff shall be sent by certified or registered mail to the last known address as shown on the Employer's records. The recall notice shall state the time and date on which the employee is to report back to work. It shall be the employee's

---

responsibility to keep the Employer notified as to his/her current mailing address. An employee on permanent layoff shall be given at least five (5) work days from receipt of notice to report to work, and an employee on temporary layoff shall be given at least twenty-four (24) hours from receipt of notice, written or verbal, to report to work. The Employer may fill the position on a temporary basis until the recalled employee can report for work, providing the employee reports within the five (5) day or twenty-four (24) hour period.

**Section 7. Substitute Priority.**

A laid off employee shall upon application, and at his/her option, be granted priority status on the substitute list according to his/her seniority, provided the laid off employee has the qualifications and ability to perform the work. A laid off employee who repeatedly refuses substitute work may be removed from the substitute list. Due to job acclamation in the food service and custodial maintenance departments, the Employer may, however, use established substitutes for immediate short-term work needs of a non- extended duration.

**ARTICLE XII - NEGOTIATION PROCEDURES**

**Section 1. Union Bargaining Committee.**

Employees covered by this Agreement will be represented in negotiations by not more than five negotiating committee members from the bargaining unit and such other Union representatives as the Union shall determine. All bargaining by the parties shall occur during non-working hours unless the parties mutually agree to bargain during the work day. The parties agree to enter into negotiations on a new Agreement on wages, hours, and other conditions of employment at least thirty (30) and not more than ninety (90) days prior to the expiration of this Agreement.

**Section 2. Negotiations.**

The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Employer and the Union, for the life of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated, to bargain collectively with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subject or matters may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement.

## **ARTICLE XIII - VACANCIES AND TRANSFERS**

### **Section 1. Definition of Vacancy.**

A vacancy shall be defined as a newly created position or a present position that is not filled. A position that is totally eliminated shall not be considered a vacancy.

### **Section 2. Posting.**

All vacancies shall be posted in a conspicuous place in each building of the school district for a period of five (5) work days. In case of an emergency need to fill a position, the posting period may be reduced to three (3) work days. Each posting shall contain the following information:

- (a) Type of work;
- (b) Location of work, if known;
- (c) Starting date, if known;
- (d) Rate of pay;
- (e) Hours to be worked, if known;
- (f) Classification;
- (g) Minimum requirements.

Copies of postings will be sent to the local Union President prior to posting. Interested employees may apply in writing to the Superintendent or his designee within the five (5) or three (3) day posting period. The Employer shall notify school year employees of vacancies occurring during the school summer vacation period by sending a copy of the posting to each such employee by first class U.S. mail. Employees shall be responsible for keeping the Employer informed of their current mailing address.

### **Section 3. Filling Vacancies.**

An employee shall be selected to fill a vacancy based on his/her qualifications and ability to perform the work. If the qualifications and abilities of two or more applicants are relatively the same, the vacancy will be awarded to the applicant with the most seniority in the department in which the vacancy occurs. Should there be no applicant for the vacancy within the department in which the vacancy occurs, the vacancy shall then be filled by applicants from other departments using the same criteria of qualifications, ability and seniority. If no bargaining unit employee with the minimum qualifications for the vacancy applies, the vacancy may be filled with a non-bargaining unit employee or a new hire. The Employer shall make known to each applicant its decision as to which applicant has been selected to fill a posted position. An employee may bid on a vacancy within his/her existing classification, but the right to make such a lateral bid shall not in any way affect the Employer's right to transfer employees from one position to another within a classification at any time at its sole discretion. An employee shall be entitled to make only one lateral bid within a twelve (12) month period.

#### **Section 4. Trial Period.**

In the event of a transfer or promotion to a new classification, the trial period shall be up to fifteen (15) working days. The trial period is not a training period, but is for the purpose of giving the employee an opportunity to show his/her ability to perform the new job. During the trial period the Employer shall have the right to retransfer the employee if he/she does not have the ability to perform the job and the employee shall have the right to revert to his/her former classification. The Employer will give the promoted or transferred employee reasonable assistance in performing up to Employer standards on the new job.

#### **Section 5. Temporary Transfers.**

The Employer shall have the right to transfer employees irrespective of their seniority status from one job classification to another to substitute for employees who are absent from work due to illness, accident, vacations, or leaves of absence for the period of such absence and to fill temporary jobs or temporary vacancies or to take care of unusual conditions or situations which may arise. Any employee so transferred and substitutes in place of the absent worker, shall be paid the regular rate for that classification or the employee's regular rate, whichever is greater.

The Employer shall provide adequate rest areas, lounges, and restrooms for employee use. Existing facilities are adequate.

#### **Section 3. Safety.**

Employees shall not be required to work under conditions which pose an imminent threat to their health, safety or well-being. The Employer will provide for each employee such protective devices and equipment as the Employer deems necessary for the safe performance of work.

#### **Section 4. Tool Allowance.**

When an employee is required by the Employer to use his own tools, the Employer will replace any tools that are broken or stolen.

**Section 5. In-School Suspensions.**

Except for supervisory aides, bargaining unit members shall not be responsible for day- to-day supervision of students who are assigned to an In-School Suspension and after school detention. The expectation that a Secretary will attend to a student, who has for some reason been excluded from a classroom, shall be held to the time necessary to call the students' presence to the attention of the administration

**Section 6. Substitute Calling.**

The District may offer the position of substitute calling to employees. The job will be offered to secretarial/clerical employees, in order of seniority, beginning with the most senior employee. The employee shall be paid six hundred and eighty-four dollars (\$684.00) per year.

**Section 7. Least Restrictive Environment.**

In the event that the Employer is to provide services to medically fragile special education students in a least restrictive environment, the parties agree to bargain any issues relating to working conditions.

**Section 8. School Improvement Plans.**

The following applies to the School Improvement Process and Plans generated as a result of P.A. 25 (1990):

- (a) Decisions made by school improvement committees shall not violate the terms of the Master Agreement between the parties.
- (b) The Employer may direct an employee to participate on a school improvement team during the employee's established workday. The employee's work day may be adjusted so as to allow for participation without exceeding the eight (8) hour workday.
- (c) The parties acknowledge that any committee participation beyond the established workday and the established exceptions to such, shall be strictly voluntary.
- (d) An employee's voluntary participation or non-participation as per item c. above, shall not be valid criteria for discipline or discharge.

**ARTICLE XV - HOURS AND COMPENSATION**

**Section 1. Work Week.**

The normal work week shall consist of up to forty (40) hours per week. However, nothing contained herein shall be construed as a guarantee of forty (40) hours of work or pay per week. The normal work week for all employees shall be Monday through Friday.

## **Section 2. Overtime.**

Employees shall receive overtime pay at a rate of one and one-half times the employee's regular rate of pay for all hours worked in a work week in excess of forty (40), for all hours worked in a day in excess of eight (8) hours, and for all hours worked on Sundays and holidays. Compensatory time off may be given instead of overtime pay if mutually agreeable to the Employer and the employee. Such compensatory time shall be at time and one-half.

## **Section 3. Assignment of Overtime.**

Overtime hours shall be divided as equally as is reasonably possible among employees in the same classification in their building. Initially this shall be established on the overtime list by seniority for the purpose of initiating overtime distribution. A list showing the overtime hours worked and/or charged during the preceding six (6) months will be posted on the appropriate bulletin board on each June 30 and December 31 during the term of this Agreement. An employee who refuses to work overtime shall be charged with the overtime hours he or she would have worked for purposes of maintaining equitable distribution to employees.

## **Section 4. Lunch Period and Breaks.**

All employees shall be guaranteed a minimum of thirty (30) minute duty-free unpaid lunch period. All employees working six (6) to eight (8) hours per day will be entitled to two fifteen (15) minute relief times. Employees working three (3) hours, but less than six (6) hours per day shall receive one fifteen (15) minute relief time. Employees working overtime will be entitled to an additional fifteen (15) minute relief time for every three (3) hours worked. An individual employee and his or her supervisor may mutually agree to vary lunch and relief times, provided the supervisor may at any time revoke such agreement. Employees in a particular work area shall be allowed to waive the lunch period if scheduled such that one hour of less remains in the scheduled work day and leave the work-place thirty (30) minutes early, provided such waiver does not cause an increase in remaining employees workload.

## **Section 5. Acts of God.**

Nothing in this Agreement shall require the Employer to keep office - school and administration - open in the event of inclement weather, or when otherwise prevented by an Act of God.

When the schools are closed to students due to the above conditions, employees in the Food Service, and Aide/Paraprofessional Departments shall not be required to report to their job assignments. These employees shall not be paid for snow days. Secretarial/Clerical employees shall have the option of reporting to work on Act of God Days and being paid or not reporting to work and not being paid for the day.

Employees in the Custodial/Maintenance Departments shall be required to report to their job assignments when schools are closed as soon as the employees are reasonably able to report.

Compensation for said days shall be at their regular rate of pay.

**Section 6. Mileage.**

Employees shall be reimbursed at the rate per mile, equal to that determined by Internal Revenue Service for the current year, or five dollars (\$5.00) per day, whichever is greater, when requested to use personal vehicles on the job.

**Section 7. Wages.**

The job classifications and wage rates applicable thereto are set forth in Appendix A attached hereto and by this reference made a part hereof. The Employer shall make provisions for all bargaining unit employees to elect to spread their pay over 26 pays on a deduct basis.

**Section 8. Rates for New Jobs.**

If, during the life of this Agreement, a new job classification is created which is covered by this Agreement, the Employer shall establish the job duties and the rate range applicable thereto and shall promptly notify the Union of its decision. If the Union believes the rate range thus set is inadequate, the Union shall have the right, within thirty (30) calendar days after it has been so notified, to initiate negotiations with regard to the rate range assigned to the job classifications. If negotiations have not been initiated during said thirty (30) calendar day period, the rate range so assigned shall be permanent. If a mutually satisfactory solution is not reached within thirty (30) calendar days after the Union has served notice on the Employer of its wish to negotiate regarding the new rate, the issue may be referred to the grievance procedure starting at Step 3 thereof.

**Section 9. Athletic Passes.**

Bargaining unit employees shall be provided athletic passes for themselves and their spouse. (Admit one only or Admits two only (for employees with spouses.))

  - (2) All fringe benefits paid by the Employer will cease at the commencement of the unpaid leave, but the employee may, at his/her option, continue medical and dental insurance during the leave to the extent permitted by the insurer by full payment of the cost thereof in advance to the Employer on a monthly basis.
  - (3) In order to facilitate planning an efficient operation of the school, employees on extended leaves must notify the Employer in writing at least thirty (30) days prior to the scheduled return date of their intent to return to work as scheduled.

- (h) **Exhaustion of Paid Sick Leave.**

## **Section 2. Paid Leave.**

- (a) **Sick Leave.** Every full time and regular part time employee with unit seniority shall be granted ten (10) work days of paid sick leave for each year of this Agreement, which days shall accrue monthly prorate based on the employee's work year. Three (3) days will be advanced after the first day of employment in each year of this Agreement. Such sick leave allowance may be used by an employee for the following reasons:
- (1) When incapacitated to perform his/her duties due to sickness or injury, including disability due to pregnancy.
  - (2) In the event of serious illness in the employee's immediate family. (Immediate family for the purpose of this section shall be defined as an employee's current spouse, children, parents, brother, sister, current parents-in-law, grandparents and grandchildren.)

    3. Employees may accumulate paid sick days up to a maximum of one hundred (100) days.
    4. An employee shall not be eligible for paid sick leave if his or her illness or injury is attributable to causes stemming from his/her employment or work in the service of another employer or while acting in the capacity of a private contractor to another party, if the employee is, as a result, receiving workers compensation.
    5. Sick leave will not be abused and a medical certificate may be required to substantiate an illness when the Employer has cause to believe that this leave is being abused. When returning from sick leave due to a serious
