In the event that an employee shall not pay such service fee directly to the Union or authorize payment through payroll deduction, the Board shall, at the request of the Union, terminate the employment of such employee.  - 4. If two or more employees are found to have equal status in (2), and (3) above, the employee originally employed by the district at the earliest date shall be retained.
 - 5. If two or more employees are found to have equal status in (2), (3) and (4) above, the employee with the highest last four social security digits shall be retained.
- C. The seniority list shall be published and copies furnished to the Union. Periodic revisions shall be derived, published and distributed in the same manner.
- D. All seniority is lost when there is both a severance of employment and a break in service, unless this is due to layoff. In such cases, provisions of the seniority clause shall prevail.

LAYOFF

- A. Reduction in Personnel
 - 1. No employee shall be laid off pursuant to a necessary reduction in personnel unless there is substantial decrease in the students enrolled in the school district, there is substantial decrease in the revenues of the school district or there are other substantial budgetary considerations which shall have detrimental effect on the district. The decision as to the existence of cause for necessary reduction in personnel shall be subject to the grievance procedure.
 - 2. No employee shall be discharged pursuant to a necessary reduction in personnel.

- B. Laid off employees shall be recalled to the first vacancy for which they are qualified in reverse order of layoff. All laid off employees shall be recalled immediately upon the resolution of any crisis which may have precipitated the reduction in staff.
- C. A laid off employee shall be considered laid off until he/she is reinstated in the district, refuses an offer from the Board of a position for which he/she is qualified, fails to respond within fourteen days of its receipt to a written offer of a position made by the Board, or is laid off for a period of time equal to the length of time the employee has worked in the unit. After the layoff period has expired, all seniority rights are forfeited.
- D. Notifications of a recall shall be in writing with a copy to the Union. The notification shall be sent by certified mail to the employee's last known address.
- E. A laid off employee shall be given fourteen (14) days to notify the Board that he/she is interested in a position and an address through which he/she may be contacted. Failure to notify within fourteen (14) days can be considered a resignation. If an employee notifies the Board as required above, said employee shall be placed on the layoff list with all the rights to which he/she was entitled under this Article to any subsequent opening for which he/she is qualified.
- F. Recalled employees shall be entitled to all sickness and leave benefits as provided herein. Utilization of such benefits or an existing necessity for utilization of such benefits shall not be considered proper reason for failure to recall or reinstate.
- G. No new employee shall be employed by the Board while there are employees in the unit who are laid off.

ARTICLE VIII SICK LEAVE

An employee who is unable to work because of personal illness or disability and who has exhausted all sick leave available shall be granted a leave of absence without pay for the duration of such illness or disability until the end of the current school year and the leave of absence will be renewed each year upon request in writing by the employee.

Absence due to injury or illness incurred in the course of the employee's employment shall not be charged against the employee's sick leave days and the Board shall pay to such employee the difference between his/her salary and benefits received under the Michigan Workmen's Compensation Act for the duration of his/her absence.

An employee shall not suffer diminution of compensation and shall not be charged with sick leave if the employee's absence is due to mumps, scarlet fever, measles or chicken pox, head lice or scabies.

ARTICLE IX.
LEAVE OF ABSENCE

- A. Leave of absence with pay, chargeable against the employee's allowance, shall be granted for the following reasons:
1. A maximum of five days per school year for a critical illness in the immediate family; father, mother, wife/husband or children, in-laws, or siblings (where the employee is unavoidably responsible for their care).
 2. One day when emergency illness in the family requires an employee to make arrangements for necessary medical or nursing care.
 3. Attendance at a ceremony awarding a degree to a staff member for such portion of the day as is necessary.
 4. One day, except when travel requires additional time, for attendance at the school graduation of a son, daughter, husband or wife.

Upon return from such leave, an employee shall be given credit for time served up to two years on the salary schedule as he/she would have been had he/she worked in the District during such period.
- D. A leave of absence without pay shall be granted to any employee upon application for the purpose of campaigning for or serving in a public office. Upon return from such leave, an employee shall be placed at the same position on the salary schedule as he/she would have been had he/she worked in the system during such period. If any employee desires to return to work within one year after going on maternity leave, the employee must inform the Assistant Superintendent in writing the date of their return to work. Return from such leave will be with the doctor's approval.
- E. An employee may return from leave provided in this Article whenever there is a position open for which the employee is qualified and interested, and shall be placed on that step of the salary schedule from which the employee went on leave. An employee adopting a child may receive similar leave which shall commence upon entry of an order terminating the rights of the natural parents by the probate court.

- F. A person on unpaid leave may continue group coverage in such fringe benefits as are then current by paying the Board for such coverage at such time as the premiums are due provided such an arrangement is in compliance with the insurance carrier.
- G. All drivers have to sign "quit slips". If a driver decides to come back, he/she would go to the bottom of the seniority list.

ARTICLE X
