ARTICLE 4

UNION SECURITY AND CHECK-OFF

Section 1. The parties recognize that all employees covered by this Agreement should pay their fair share of the cost of negotiating and administering the Agreement.

Section 2. It shall be a continuing condition of employment that all employees covered by this Agreement shall either maintain membership in the Union by paying the Union's uniform dues, fees and assessments, or shall pay a collective bargaining service fee or such fee as is provided for in Section 5 for cost of negotiating and administering this and succeeding Agreements; provided, however, that a monthly service fee once set during the contract term shall not change more than once each contract year.

Section 3. Any employee who has failed to either maintain membership or pay the requisite agency fee or such fee as is provided for in Section 5, shall not be retained in the bargaining unit covered by this Agreement; provided, however, no employee shall be terminated under this Article unless:

(a) The Union has notified the employee by certified letter addressed to that employee's address last known to the Union spelling out that such employee is delinquent in payment of dues or fees, specifying the current amount of delinquency, and warning the employee that unless such amount is tendered within ten (10) calendar days, such employee will be reported to the City for termination from employment as provided for herein, and

The Union must further provide the City with written demand that the employee be discharged in accordance with this Article, and provide to the City, in affidavit form signed by the Union Treasurer, a certification that the amount of delinquency does not exceed the collective bargaining service fee, including but not limited to, the cost of administering and negotiating this and succeeding agreements.

Section 4. (a) The City agrees to deduct from the pay of each employee from whom it receives an authorization to do so, the amount specified upon the authorization. The form shall include an agreement by the employee to hold the City harmless against any and all claims, demands, lawsuits or other forms of liability that may arise out of, or by reason of, action taken or not taken by the City for the purpose of providing the deduction service. Furthermore, the employee shall agree that in the event a refund is due to an employee for any reason, such employee shall seek such refund from the Union.

(b) Such sums deducted from an employee's pay accompanied by a list of employees from whose pay they have been deducted and the amount deducted from each, and by a list of employees who had authorized such deductions and from whom no deductions were made and the reasons therefore, shall be forwarded to the Union Secretary-Treasurer of the Local Union c/o City of Dearborn Heights, 6045 Fenton, Dearborn Heights, Michigan 48127, within 30 days after such collections have been made.

(c) In the event that a refund is due any employee for any sums deducted from wages and paid to the Union, it shall

be the responsibility of such employee to obtain appropriate refund from the Union.

(d) The Union shall indemnify and save the City harmless against any and all claims, demands, lawsuits or other forms of liability that shall arise out of or by reason of action taken or not taken by the City for the purpose of complying with any of the provisions of this Article.

The Steward shall provide the Supervisor in charge with the name and location of the employee the Steward is going to see. The Steward shall proceed directly to and from the location identified to the person in charge and will notify that person upon returning to work. The privilege provided in this Section is extended to Stewards with the understanding that such time will be devoted solely to the prompt handling of grievances and will not be abused or used as a work avoidance device.

Section 4. (a) The City will recognize a Union negotiating committee of up to four (4) bargaining unit employees to be designated by the Union in writing before commencement of negotiations.

(b) The City will grant reasonable straight time hours off to the Union designated negotiating committee for the purpose of attending negotiating sessions with the City and will compensate members of such bargaining committee for straight time hours (up to eight per session) for which such committee was otherwise scheduled to work but did not work due to negotiations.

(c) The City agrees that prior to negotiations commencing for a renewal agreement that the Union committee described in subsection (a) of this section will be granted

reasonable time off to prepare for negotiations, not to exceed 12 total hours to be paid by the City for the entire committee collectively; to be split among committee members by the Union. Straight time rate only.

ARTICLE 6

GRIEVANCES

Section 1. A grievance under this Agreement is a written dispute, claim or complaint arising under and during the term of this Agreement setting forth the following information:

- (a) Article and Section of Agreement alleged violated, and
- (b) Date of occurrence of each alleged violation, and
- (c) Manner of alleged violation including the name, if applicable, of the management representative who allegedly violated the Agreement; and filed by either the Union or any employee in the bargaining unit of the City. Grievances are limited to matters of interpretation or application of express provisions of this Agreement. The parties recognizing that an orderly grievance procedure is necessary agree that each step must be adhered to as set forth herein or the grievance is forfeited.

All grievances concerning discipline must be filed in writing within three (3) regularly scheduled City Hall business days, and all other grievances must be filed in writing within thirty (30) calendar days, after occurrence of the circumstances giving rise to the grievance, otherwise the right to file a grievance is forfeited and no grievance shall be deemed to exist.

Section 2. The grievance procedure shall be as follows upon timely filing:

STEP 1: The Union District Steward shall first attempt to resolve subject matter of the grievance with that employee's department supervisor. In the event that no satisfactory answer is received by the Union and employee, the employee shall have the right to file a grievance. If the District Steward responsible for Step 1 is absent, the Chief Steward shall substitute for such absent District Steward.

STEP 2: Within five (5) City Hall business days of receipt of a written grievance, time stamped by the Department Head, the Department Head shall set up a meeting with the grievant and Chief Steward to discuss the grievance. The

Department Head will answer the grievance within five (5) City Hall business days of the meeting with the grievant and Chief Steward of that department. If the grievant and Chief Steward are not satisfied with the answer of the Department Head, the grievant and Chief Steward may appeal to the Mayor or designated representative. The appeal must be received by the Mayor's office within ten (10) City Hall business days of the date of the Department Head's answer, and it shall be time stamped by the Mayor's office.

STEP 3: Within ten (10) City Hall business days of receipt of a time stamped appeal by the Mayor or designated representative, the City shall set up a meeting with the grievant, the Chief Steward, and not more than one (1) Council 25 representative if requested by the Union. Within ten (10) City Hall business days of the meeting, the City shall answer the grievance.

STEP 4: Within ten (10) City Hall business days of issuance of the City answer at STEP 3, which the Union deems to be unsatisfactory, one (1) representative of Council 25 and the Mayor or designated representative shall meet in an attempt to avoid arbitration. Within ten (10)

City Hall business days of the meeting, the City shall again answer this grievance.

The Union, upon its written request shall be entitled to stay of proceedings to a reasonable date certain before filing an arbitration demand following the date of the City Answer at STEP 4 is issued, provided that the City shall not be obligated, required or responsible for any remedy, monetary or otherwise, during such stay of proceedings after the sixtieth (60th) day of such stay.

STEP 5: In the event that the grievant is not satisfied with the City's answer at STEP 4, the Union shall have the right to request arbitration and notice of intention to arbitrate must be filed with the City within ten (10) City Hall business days of receipt of the City's answer, and arbitration invoked under the rules and regulations of the American Arbitration Association within forty-five (45) calendar days of the date of the City's answer.

Section 3. Time limits specified hereinafter for movement of a grievance through the process shall be strictly adhered to and may be relaxed or extended only by mutual consent in writing by the City and Union. No meetings shall

extend beyond the Steward or Alternate's regular hours of work unless mutually agreed upon by both parties. In the event of mutual agreement, there will be no overtime or regular rate of pay for the Steward and/or Alternate.

Section 4. The City must be notified in writing prior to taking the case to arbitration which group of people has requested arbitration. It is also agreed by the City and Union that the purpose of arbitration is to settle grievances without resorting to work stoppages.

Employees who are witnesses for or against the Employer shall be called as needed and shall not lose time or pay for the time spent during their regular working hours in grievance procedure meetings held on City property.

Section 5. The decision of the Arbitrator shall be final and binding on all parties.

The Arbitrator may not add to, or subtract from, change or amend any of the terms of this Agreement and shall only concern her/himself with questions concerning the issue or issues involved.

The expense of such impartial arbitrator shall be shared equally between the parties.

Section 6. (a) The Chief Steward or his/her designee per Article 5, Section 2 shall have the authority to reach a binding settlement on all grievances.

(b) All offers to settle grievances, from the City, if accepted by the Chief Steward or his/her designee per Article

5, Section 2 shall be binding on the City, the Union and the employee.

(c) All settlements shall be in written form and signed by the proper City Representative and Chief Steward or his/her designee per Article 5, Section 2.

ARTICLE 7

DISCIPLINE AND DISCHARGE

Section 1. The City agrees promptly upon the discharge or discipline of an employee to notify in writing the Chief Steward of the discharge or discipline.

Section 2. The discharged or disciplined employee will be allowed to discuss the discharge or discipline with the Chief Steward and the City will make available an area where such employee may do so before being required to leave the property of the City. Upon request, the City or its designated representative will discuss the discharge or discipline with the employee and the Chief Steward.

Section 3. Should the discharged or disciplined employee or the Chief Steward consider the discharge to be improper, a grievance shall be presented in writing through the Chief Steward to the Mayor or designee at Step 3 within three (3) regularly scheduled working days of the discharge or discipline.

The Mayor or designated representative will review the discharge or discipline and provide an answer within three

(3) regularly scheduled working days after receiving the grievance.

Section 4. Such discharge and discipline shall be initiated within three (3) regularly scheduled working days of the occurrence of the cause of the discharge and discipline, or if the Employer did not have knowledge of said cause at the time of its happening, within three (3) regularly scheduled working days after the Employer becomes aware of the cause for discharge and discipline.

Section 5. In the case of a possible discharge, the City shall have thirty (30) days to investigate the matter before discharging the employee, and the City shall notify the Union that such an investigation is under way. During this period, the City has the option to allow the employee to work. Provided further, the Union may request a special conference with the Mayor or designated representative prior to the employee being discharged. The exception to this paragraph shall be acts of violence or theft.

Section 6. In imposing any discipline on a current charge, the Employer will not take into account any prior infractions which occurred more than two (2) years previously.

Section 7. The parties being mutually desirous of establishing a uniform program dealing with tardiness, hereby agree that late employees will be docked one-tenth of an hour for each six (6) minutes late or part thereof, however

employees are not required to work during any docked period unless paid.

Section 8. Effective September 03, 1992, the Union agrees to the following no-fault attendance program which shall be concerned only with incidents of absence, not with the reason for the absence.

An incidence of absence shall be calculated as follows:

1. 1 or more consecutive days = 1
2. Any part of a single day = 1/2 (including tardies)

Discipline for accumulating incidents shall be imposed as follows:

8 incidents...	verbal warning
10	" ...written warning
12	" ...1 day suspension
15	" ...3 day suspension
17	" ...DISCHARGE

All incidents shall be counted in any 19 consecutive month period.

All absences count in this program whether or not the day is paid; provided that previously scheduled vacation, bereavement leave, Article 16, Section 7 sick day use as part of bereavement leave, or personal days will not count; on the job injury absence will not be counted; disciplinary suspension time will not be counted; written notice and proof of an incidence of hospitalization wherein the person is admitted because of an emergency will not be counted. An

employee who is ordered to appear at a District, Circuit or Federal Court pursuant to a Witness Subpoena, or an Employee who is on jury duty or having outpatient surgery in a hospital or hospital administered freestanding outpatient surgicenter shall not have an incident charged to them if they supply the Employer with documentation of the event at least ten (10) days in advance.

Wherever policy speaks in terms of a rolling period, that period shall be expressed as "consecutive" months.

When a person reaches eleven (11) incidents that person will receive a conference with the City in which conference the City will provide the person an opportunity to explain their attendance and the person will be given the opportunity to establish by credible written medical opinion (not a conclusionary statement) by a medical doctor or doctor of osteopathy a medical explanation for such incident. The purpose of this pre-suspension conference is not to make the policy a "fault" policy but to adjust the policy required penalty if considered appropriate by the City.

For each sixty (60) consecutive days, employees that do not have an incident in such sixty (60) consecutive days from their last incident shall have the oldest incident otherwise eligible for policy consideration eliminated from consideration under the attendance policy.

ARTICLE 8

SENIORITY

Section 1. Seniority shall be determined and operated upon a City wide basis. A new employee shall be regarded as probationary and shall not have seniority until after one hundred and eighty (180) days of continuous employment in the City; if retained thereafter, such employee shall have seniority as of such employee's original date of hire. The City may transfer any probationary employee at any time. A probationary employee may be discharged by the City in its discretion without recourse to this Agreement.

Section 2. The seniority of each employee who is employed in the City shall be determined in accordance with the last date of continuous employment as a full time employee subject to Section 9 upon which such employee was hired upon the Dearborn Heights payroll formerly Dearborn Township.

If more than one employee is hired on the same day, seniority shall be determined by the person with the highest Civil Service Test score having highest seniority. If scores are tied the person with the lowest last two (2) numbers of that person's social security number shall have the highest seniority.

Section 3. Seniority lists will be brought up to date upon request by the Union not more often than every six (6) months but may be posted more often so that the employees may

be acquainted with the current list if any hiring or lay off or quits have occurred within this time.

Section 4. If a supervisory employee or other City employee has been promoted or transferred to a position excluded from this Agreement from a position covered by this Agreement and such excluded employee is thereafter laid off or demoted such excluded employee shall be eligible for a job in the bargaining unit covered by this in accordance with the following:

(a) If the excluded employee left the bargaining unit prior to July 1, 1976, such employee shall return to bargaining unit with all City seniority accumulated with City from date of last hire through July 1, 1976 notwithstanding whether or not such employee's service was within or without of the bargaining unit.

(b) If the excluded employee left the bargaining unit on or after July 1, 1976, such employee shall return to the bargaining unit with such employee's bargaining unit seniority from date of last hire to the date of leaving the bargaining unit.

(c) It is the intent of the parties that bargaining unit seniority not be earned by employees outside the bargaining unit on and after July 1, 1976; provided, however, nothing in this Section shall affect an employee's seniority for purposes of earning fringe benefits offered on

the basis of total City service such as vacations, longevity, etc.

(d) Employees returning to a bargaining unit shall return to the last department and job classification within the department held and at the wage rate of that job as provided for in the then current agreement.

(e) In the event an employee returning to the bargaining unit pursuant to Section 5(d) of this Article is not more senior than the current incumbent of the job to which such Section 5(d) returnee is entitled, such returnee shall return by bumping in accordance with the returnee's Local 290 seniority.

(f) Employees who have left the bargaining unit and returned to the bargaining unit prior to July 1, 1976, are not affected by this Agreement.

(g) This Section shall not be construed to create a right of return to the bargaining unit where such right does not independently exist, nor shall this Section be construed to preclude a return to the bargaining unit as a new employee.

Section 6. Seniority shall be lost upon the happening of any of the following events:

(a) If the employee quits.

(b) If the employee is discharged and the discharge is not reversed through the grievance procedure.

(c) If the employee fails to report for work within five (5) days after notice to report has been sent to such employee's last known address by certified mail according to the City records.

(d) If a settlement with the employee has been made for total disability.

(e) If the employee is laid off and thereafter continually laid off by the City for a period equal to the length of such employee's seniority under the contract at the time of the lay off, except when an employee has less than one year's seniority, such employee will be retained on the call-back list for one year.

Section 7. No employee who has acquired seniority shall be transferred out of the division without his/her consent, provided that work is approved within his/her classification and/or unless mutually agreed to by the Union and the City. No new employee shall be hired to fill a position within this division, while a regular employee is laid off and qualified for the job.

Section 8. Any employee who has been incapacitated at their regular work, due to injury or compensable disease while employed by the City may be employed in other work in the City which that employee can do, subject to the seniority provisions of this Agreement.

Section 9. The Pension Advisory Committee (PAC) cannot set dates-of-hire for purpose of determining seniority or

any benefit under this Agreement (except pension). The City agrees that for any persons for whom it is using a PAC date of hire for calculating vacations and longevity as of January 13, 1987 will be continued with that date, but no additional persons shall be added. The original date of hire of an employee means date of hire as a full time employee.

Section 10. Each employee shall provide the City with a current address and telephone number upon which the City shall be entitled to rely. Employees shall provide change in either address or telephone number on City forms to be filed with the City Personnel Director.

Section 11. Bargaining Unit Members will provide the social security numbers of spouses and dependents. The City agrees that it will only use social security numbers of spouses and dependents for health care purposes.

Section 12. Section 10 and Section 11 changes will be done during work hours as approved by Management.

ARTICLE 9

LAYOFF & RECALL

Section 1. (a) Notwithstanding the Chief Steward's respective position on the seniority list, the Chief Steward shall have top seniority for the purpose of lay off and rehire so long as there is work available which the Chief Steward is qualified to perform.

(b) All layoffs shall be governed first by seniority, second by ability and third by desire. In case of a layoff, the employee to be laid off, will bump the lowest seniority person covered by this contract in any department and shall have a trial period of 60 calendar days to prove his or her ability to handle the job before being laid off at the end of that 60 calendar days. If the employee is unable to handle the job they shall be laid off.

(c) Any employee, clerical or otherwise, shall have the right to bump the lowest seniority person in case the job is eliminated or they are laid off. If at the end of the 60 calendar day trial period the employee feels they are qualified, the grievance procedure may be applied.

Section 2. Persons on the payroll as of June 30, 1984 who elect to bump in accordance with the rights provided in this Agreement shall be paid at the unreduced rate of the job into which bumping as that rate exists at the time the bump is executed.

Section 3. (a) New hires after July 1, 1984 shall receive the new hire rate no matter what classification or method of achieving that classification until the new hire rate is specifically changed in this Agreement.

(b) New hires after July 1, 1984 who elect to bump in accordance with this Agreement shall be paid at the "new hire rate" of the classification into which they bump and at the new hire progression step rate of that classification

which corresponds in time to the new hire progression step of the classification which the bumping unit employee is leaving.

Section 4. Only City trained Water Department computer operators will be permitted to bump the Water Department unit employees whose current regularly assigned duties require computer operation. In the event of layoff, the City will be permitted to retain at least two (2) City trained Water Department computer operators on the basis of highest seniority, the remainder may be bumped in accordance with this Agreement least senior Water Department computer operators first.

ARTICLE 10

TEMPORARY & PART TIME

Section 1. Temporary employees are those employed for a regular work day and/or regular work week, but not for more than a period of one hundred and eighty (180) calendar days per year, per department except Recreation and as otherwise provided in this Agreement.

Section 2. (a) Except Recreation Department part-time employees, part-time employees are those employed for less than eight (8) hours a day or less than forty (40) hours a week, for clerical employees, thirty-seven and one-half (37 1/2) hours a week. Qualified laid off full time employees will be offered temporary or part time positions pursuant to Article 9 at the temporary or part time rate before the City

hires a temporary or part time employee to fill a vacancy [Sentence replaces a sentence as an explanatory comment regarding existing contractual obligations]. If two (2) or more full-time laid off employees are equally qualified pursuant to Article 9, the person with the highest seniority will have first preference for Article 10 positions.

(b) Part-time employees shall not be hired for more than one hundred and eighty (180) days and shall not be rehired for six (6) months thereafter. It is hereby further agreed that Recreation Instructors are excluded from the above limitations.

(c) Part-time and temporary employees shall not rank for overtime work when it will take such overtime work away from the regular full-time employees within that department. For the purpose of this Section, the Water Department, Highway Department and Building & Maintenance Department shall be considered one department; provided further, this Section shall not be used to preclude the use of Building & Maintenance employees for special event overtime service.

Section 3. The City will forward to the Union on a semi-annual basis a report of employees identified in City records as non-bargaining unit Temporary or Part Time employees by name including date of hire and date of termination.

ARTICLE 11

BULLETIN BOARDS

Section 1. A suitable bulletin board, agreed upon by the Management and the Union, for the use of the Union shall be erected in a suitable location where employees check in. The bulletin board may be used by the Union to post the following type of notices:

(a) Notices of recreation and social affairs.

(b) Notices of Union elections, appointments and results for Union elections.

(c) Notices of Union hearings, meetings, provided that additional notices may be posted by mutual consent.

Section 2. Seniority lists will be posted on this bulletin board.

Section 3. Bulletin boards shall not be used by the Union or its members for disseminating or posting, or distributing pamphlets or political matter of any kind whatsoever or for advertising.

Section 4. If the Union so desires and if suitable space is available, the City shall furnish space to the Union for a locked cabinet where its records pertaining to its dealings with the City may be kept; the City takes no responsibility for the safety of the contents thereof.

ARTICLE 12

MISCELLANEOUS

Section 1. (a) If for any reason there is insufficient work in an employee's classification to permit full-time employment, it shall be the policy of the City and the Union to hereby agree that the employees shall work at other classifications as assigned.

(b) In emergency cases due to sickness of employees or other unexpected absences, the City shall have the right to assign by seniority, employees to work outside the classification and pay the higher rate.

Section 2. Pay periods shall be bi-weekly for all employees. Pay days will be on Fridays.

Section 3. This Agreement shall be the sole and exclusive method for effectuating, administering and enforcing of any of the rights, duties and obligations contained within this Agreement. It is the intention of the parties, at the request of the Dearborn Heights Chapter of AFSCME Local 290, that this Agreement supersede and replace the system administered by the Municipal Employee's Civil Service Commission in cases other than an individual's entry into the service of the City.

Section 4. Whenever the word he or employee is used in this Agreement, it shall be deemed to include both male and female gender.

Section 5. Whenever the word Steward is used in this Agreement, it shall be deemed to include the Chief Steward.

ARTICLE 13

WORKING HOURS AND OVERTIME

Section 1. The standard work day and work week for salaried employees shall be seven and one-half (7 1/2) hours per day, five (5) days per week, Monday through Friday, for a total of thirty-seven and one-half (37 1/2) hours per week, 8:30 a.m. to 5:00 p.m.

(a) The standard work day and work week for hourly employees shall be eight (8) hours per day, five (5) days per week, Monday through Friday, for a total of forty (40) hours per week. The City may avail itself of an exception by having one mechanic who may be required to work Tuesday through Saturday when notified in advance. Selection shall be first by volunteers by high seniority and if there are no volunteers, the City will require by low seniority.

(b) A mechanic working a Tuesday-Saturday schedule shall not be paid overtime for their regularly scheduled work hours.

(c) A Code Enforcement Officer working a Tuesday-Saturday schedule shall not be paid overtime for that person's regularly scheduled work hours [Applies to persons becoming Code Officers after January 1, 1991].

Section 2. The Employer may schedule overtime work and payment for such overtime work shall be in accordance with the following:

(e) Probationary employees are subject to Article 8, Section 1.

Section 3. (e) Kurseth and Spagnola will be allowed same rights as persons on payroll June 30, 1984 and before.

(f) New Hires will be paid in accordance with "New Hires Salary program" (Article 21, Section 1(b)); provided that their pay will be at the new hire step rate of the classification they are entering which corresponds in time to the new hire step of the classification which such unit employee is leaving.

(g) (1) A lateral transfer is a transfer to a position paying the same base annual salary as the salary the requesting employee is receiving at the time the request is made.

(2) A downward transfer is a transfer to a position paying less in base annual salary than the employee is receiving at the time the request is made.

Section 4. (a) Pending selection in accordance with this Article, the City may fill a promotional vacancy with a temporary appointment not to exceed thirty (30) days.

(b) Bargaining unit employees on an approved leave of absence shall not be considered a vacancy and the City shall be permitted to hold such job open utilizing temporary help for a period not to exceed the length of the approved leave of absence. Such temporary help shall not be subject to the provisions of this Agreement. (The only exception to this provision is a bargaining unit employee seeking other employment while on an approved leave of absence. Said

employee will be given thirty (30) days in which to return to that employee's last held position with the City.)

EMPLOYEE ASSISTANCE PROGRAM

This program is designed as a cooperative effort between labor and management to provide assistance to employees with personal problems. The ultimate decision of whether to seek professional treatment resides with the employee. The function of the program is to aid the employee in making that decision. The program will be implemented in the following manner:

1. The Program is implemented only if the employee's personal problems impact upon job performance.

2. Identification of employees with personal problems should be based on evidence of job performance, objective indication of impairment and self referral. Once identified, the employee may be referred to designated Union or Management representatives.

3. One Union and one Management representative, after assessing the problem and determining that assistance may be appropriate, will consult with the employee about the nature of the employee's problems and the availability of treatment. The Program does not provide treatment. The Committee members profess no diagnostic skill. Employees

are referred to appropriate treatment centers for professional assistance and treatment.

4. Discussions between the employee and the labor-management representative are to be strictly confidential. Any records are to be maintained separate from personnel and other files.

5. The decision to undertake treatment is the responsibility of the employee. The role of the Program is to consult and advise, with the decision to go or not to go to treatment left up to the individual employee.

6. When a leave of absence is determined to be medically necessary for treatment, a medical leave of absence may be sought in accordance with the collective bargaining agreement.
