## COLLECTIVE BARGAINING AGREEMENT

THIS AGREEMENT made as of the date hereinafter set forth by and between DELTON KELLOGG SCHOOLS, Counties of Barry and Allegan, acting by and through its Board of Education (hereafter the "School" or "Board") and the SOUTH CENTRAL UNIFIED BARGAINING ASSOCIATION, MEA/NEA (hereafter the "Association");

### PREAMBLE

WHEREAS, the Board has a statutory obligation, pursuant to Act 336, 1947 Michigan Public Acts, as amended ("Act") to bargain with the Association as representative of its teaching personnel in respect to rates of pay, wages, hours of employment or other conditions of employment.

NOW, THEREFORE, in consideration of the foregoing, and the mutual covenants and agreements herein contained, it is agreed as follows:

#### WITNESSETH:

### I. RECOGNITION

- A. The Board hereby recognizes the Association as the exclusive bargaining representative, as defined in Section 11 of the Act, for all certificated personnel under contract, excluding supervisory personnel.
- B. The Board agrees not to negotiate with any teachers' organizations other than the Association for the duration of this Agreement.
- C. The Association hereby designates the DELTON KELLOGG EDUCATION ASSOCIATION (hereafter "DKEA") as its local agent for purposes of contract administration.

### II. TEACHERS' RIGHTS

#### A. Teachers' Hours

1. The teachers' normal teaching hours in the Elementary, Middle and High Schools shall be as follows:

K	-	8:10 a.m.	-	3:15 p.m.
1-8	-	8:10 a.m.	-	3:15 p.m.
9-12	-	8:05 a.m.	-	3:15 p.m.

2. Teachers' meetings will be held on Friday mornings, commencing one (1) hour prior to the regular teaching day. The meeting will be called at the discretion of the building principal. When necessary, a special meeting in place of the regular meeting may be called by the Superintendent with the approval of the Association President.
3. Dismissal time during inclement weather will be after bus departure.

B. Teaching Loads and Assignments

1. Since pupils are entitled to be taught by teachers who are working within their area of competence, teachers shall not normally be assigned outside the scope of their teaching certificates or their major or minor field of study.
2. Each middle and high school teacher's schedule shall include one class period daily for conference and/or preparation and planning, the duration of which period shall be the same as in the 1986-87 school year, except that 5th thru 8th grade teachers who are involved in the Advisor/Advisee Program shall have their planning time reduced to 44 minutes and shall be allowed to report for work at 8:19 a.m.
3. Each teacher shall be notified in writing of his intended assignment for the ensuing school year no later than the preceding first day of June, provided that such teacher has notified the Board in writing of his intention to return for the next school year prior to May 15. In the event that changes in such teaching assignment are necessary after that date - those teachers affected will be notified in writing at least one week in advance of such reassignment, including the reasons therefore, and will be given the opportunity to order the necessary teaching supplies.
4. Class Size. It is recognized by the School that the pupil-teacher ratio is an important aspect of an effective educational program. Accordingly, the Board and the DKEA agree to the following class size maximums beginning with the second semester of the 1987-88 school year:

a. Elementary

Developmental K/1	18
K - 3	25
4 - 6	26
Split Classes	Three less than the guidelines
Special Education	State Maximums
Phys.Ed and Music	32
Art and Computers	26

b. Secondary

General	30
Typing	32
Industrial Arts	25
Drafting/Home Ec	27
Art	28
Phys.Ed	40

If the enrollment in an individual class exceeds the above stated maximums by more than two (2) students on or after the fourth Friday, the affected teacher(s) shall consult with their respective building principals and mutually agree to one of the following options, namely:

1. Waiver of the applicable guideline in writing,
2. Appointment of additional staff,

3. Payment of a premium for each student above the stated maximums in the amount of \$175 per semester at the elementary level (K-6) and \$75 per semester at the secondary level prorated per day, or
  4. Some other mutually acceptable resolution.
5. All teachers will be required to participate in and attend parent-teacher conferences/in-service and there will be no extra pay. However, in no instance shall the schedule for the two days exceed the normal total hours for two days of regular instruction.

C. Teaching Conditions

1. The School recognizes that appropriate supplies and equipment are tools of the teaching profession which the School agrees to supply within the means of the budget. Teachers, either individually or committees, will be given the opportunity to make recommendations through administratively established procedures. The Association recognizes the right of the School to make all final decisions upon such recommendations.
2. The following legal holidays shall be observed and school will be closed: New Year's Day, Memorial Day, Labor Day, Thanksgiving Day, and Christmas Day.
3. Days when road/or weather conditions are such that buses do not operate, teachers will not be required to report to school.
4. All teachers shall be entitled to a duty-free uninterrupted lunch period of thirty minutes. This duty-free lunch period is subject to emergencies or problems connected with inclement weather.
5. A teacher regularly assigned as an elementary teacher shall have on the average for each full school week during each marking period two hundred fifty (250) minutes of planning-conference time. Except as the professional responsibilities of a teacher may temporarily otherwise require, a teacher shall receive not less than a twenty-five (25) minute block of such planning-conference time each school day.
6. Parking facilities will be provided for the teachers during school hours.
7. Calendar Year - The school calendar with legal holidays and vacation periods will be as listed in the appendix. No deviations from this agreed schedule shall be made unless accepted by the DKEA and the Board. The Board, after consultation with the DKEA, may modify or extend the School Calendar in order to comply with membership day or other requirements imposed by State law or regulations.
8. The Board will not discriminate against any teacher with regard to wages, hours, and other terms and conditions of employment, by reason of such teacher's membership in any recognized political party, or by reason of any teacher's choice not to become a member of any recognized political party. Additionally, the School will not discriminate against any teacher with regard to wages, hours and other terms and conditions of employment by reason of the teacher's membership in any religious organization, or by reason of the teacher's lack of membership in any religious organization.

The Association agrees that its members will not seek to advance any political cause in the classrooms, and that its members will abide by the constitutional requirements with regard to the teaching of the religious beliefs of any particular religious sect in the school classrooms. The Association further agrees that its members will not participate in any activity which would be a violation of the conflict of interest statutes of the State of Michigan.

9. The School agrees that it will not discriminate against any teacher with regard to wages, hours, and other terms and conditions of employment by reason of such teacher's membership in the Association, or lack thereof, or by reason of any teacher's race, creed, religion, or lack thereof, color, national origin, age, sex, or marital status. The Association agrees that it will not discriminate with regard to its representation of the teachers by reason of such teacher's race, creed, religion, or the lack thereof, color, national origin, age, sex or marital status. No teacher shall be disciplined, reprimanded, reduced in rank or compensation or deprived of any professional advantage without just cause. All information forming the basis for disciplinary action will be made available to the teacher.

D. Vacancies and Promotions

1. The School shall give notice of all professional vacancies not less than five (5) days prior to permanently filling any such vacancy during the school year and seven (7) calendar days notice during the summer months. During the school year a notice shall be posted in each building. Between school years a written notice shall be sent to the DKEA President, or his designee. A vacancy is defined as a new bargaining unit position or as an opening created by the resignation, retirement, transfer, or termination of a bargaining unit member.
2. A teacher may apply for any position at any time and shall be given an interview. Such application should be in writing and addressed to the Superintendent of Schools.

An applicant with less seniority in the system shall not be awarded such position unless his/her qualification shall be substantially superior to applicants with greater seniority. The qualifications in such instance shall be as minimally defined in Article VIII.

3. The Board subscribes to the policy of promotion from within the present staff but reserves the right to go outside of the present staff.

E. Transfers

Any teacher who shall be transferred to a supervisory or executive position and shall later return to a teacher status shall be entitled to retain such rights as he may have had under this Agreement prior to such transfer to supervisory or executive status.

F. Association Responsibilities

1. Strikes and Sanctions

a. During the term of this Agreement neither the Association nor any persons acting in its behalf will cause, authorize or support, nor will any of its members take part in, any strike (i.e., the concerted failure to report for duty, or willful absence of a teacher from his position, or stoppage of work, or abstinence in whole or in part, from the full, faithful and proper performance of the teacher duties of employment) or the imposing of sanctions for any purpose whatsoever against this district.

b. Reprisals

- (1) The Association will not support the action of any teacher taken in violation of this Article, nor will it directly or indirectly take reprisals of any kind against a teacher who continues or attempts to continue the full, faithful and proper performance of his contractual duties, or who refuses to participate in any of the activities prohibited by this Article.
- (2) The Association agrees that it will neither take nor threaten to take any reprisals, directly or indirectly, against any supervisory or executive officials because of any decisions, actions or statements made either personally or in the course of their official duty relative to collective bargaining. The Association further agrees that it will neither take nor threaten to take any reprisals against the Board, or any member thereof, by reason of any decisions, actions or statements made by them either personally or in the course of their official duty relative to collective bargaining.
- (3) It is expressly understood that this Section II-F-1-b, will not be construed as in any way restricting the right of the Association to take any lawful action or exert any lawful pressure in connection with negotiations for future professional negotiation agreements.

c. Violation

- (1) Violation of Section II-F-1-a, of this Article by any teacher or group of teachers will constitute just cause for discharge and/or the imposition of discipline or penalties.
- (2) The Board in the event of violation of this Article, will have the right, in addition to the foregoing and any other remedies available at law, to seek injunctive relief and damages against the Association; provided, however, that if the Association promptly disclaims, in writing, to the Board and publicly, responsibility for any activity prohibited hereby, and publicly orders the teachers back to work, it will not be liable in any way therefor.

- d. Nothing contained in this Article will be construed as a waiver of any rights the Association or its members may have under the Act which are otherwise provided by law.

G. Protection of Teachers

1. Any case of alleged assault upon a teacher which had its inception in a school-centered problem will be promptly reported to the Board or its designated representative. If the alleged assault was by a pupil, it will be promptly investigated by the principal or his designated representative. This person and the Superintendent shall determine a suitable punishment for the assaulting pupil(s). This decision will be communicated to the teacher concerned.
2. If the assault is by an adult person, who is not a pupil, the School will promptly report the incident to the proper law enforcement authorities providing there is a signed complaint by the person(s) assaulted.
3. The Board shall furnish legal counsel to a teacher if such teacher is assaulted in the discharge of his professional duties, provided that the teacher shall have promptly reported any such assault to the administration, and provided further, that the teacher has first exhausted any insurance which provides for same.
4. During the term of the Agreement the School will include all teachers as named insureds under its liability insurance policy. The Association shall have the right to review the terms of the policy in order to ascertain that the provisions of this Section have been implemented. The face amount of the policy shall not be less than that set forth in the 1985-87 Agreement.
5. Whenever a teacher is absent from school as a result of personal injury caused by an assault arising out of and in the course of his employment he will be paid his full salary (less the amount of any workers' compensation made for temporary disability due to said injury) for the period of such absence not to exceed ten (10) school months, and no part of such absences will be charged to his annual or accumulated sick leave. The Board agrees that these differential payments are not to be utilized as an offset pursuant to section 354 of the Workers' Compensation Act against any workers' compensation benefits due a teacher. The Board may, at its option, request a confirming statement from a medical doctor relative to the duration of such absence from the teaching assignment. As soon as such teacher is physically able to return to work, he shall be restored to his previous position providing such position is still in existence. By mutual agreement, the teacher shall be returned to a like or similar position. The provisions of this Article may not apply if the teacher(s) is adjudged guilty; by a court of competent jurisdiction.
6. If as a result of an assault arising out of and in the course of his employment a teacher suffers damage or destruction of clothing and glasses, the School or its workers' compensation carrier will reimburse the teacher for such loss. Such reimbursement by the School will cover all such costs except those covered by insurance.

7. Classroom control is the basic responsibility of the classroom teacher. The Board will continue to accept its responsibility to give aid and support to the teachers through the appropriate administrators.
8. Any pupil who is determined by the administration after consultation with appropriate qualified professional people to be incapable of adjusting to the regular classroom will be removed from such regular classroom.

H. Released Time

One school period a month of released time may be devoted to professional study, curriculum meetings, and/or professional in-service training as proposed by the Department Head Committee, with the approval of the Superintendent.

III. ASSOCIATION RIGHTS

- A. The DKEA and its representatives shall be able to use school building facilities and equipment at all reasonable hours for meetings provided that such meetings shall not interfere with the regular educational programs of the schools. This use of the facilities shall be without charge in accordance with the school policy for the use of school facilities as it shall exist from time to time. Damage to any equipment used will be paid for by the Association. The DKEA may purchase materials from the school at cost. Internal school mail service shall be granted to the DKEA, provided that communication through the mail service shall clearly identify the person or persons responsible for same.
- B. The Association shall have the exclusive right to post notices of activities and matters of Association concern on teacher bulletin boards, at least one of which shall be provided in each school building.
- C. Duly authorized representatives of the DKEA including the Uniserv Director shall be permitted to transact official Association business on school property at all reasonable times, provided that this shall not interfere with or interrupt normal school operations.
- D. At the beginning of each school year, the DKEA shall be credited with ten (10) days to be used by teachers who are officers or agents of the DKEA - such use to be at the discretion of the DKEA. The DKEA agrees to notify the Board no less than forty-eight (48) hours in advance.

IV. SCHOOL MANAGEMENT'S RIGHTS

- A. The determination and administration of educational policy, the operation of the schools, and the direction of the professional staff are vested exclusively in the Board or in the Superintendent when so delegated by the Board, except as expressly provided otherwise by the terms of this agreement.
- B. 1. It will be the intent and practice of the School to encourage the staff to actively participate in and cooperate with the Department Head Committee concerning instructional and curricular matters. The Committee will refer and recommend their decisions to the Board for its consideration.

2. The Association recognizes certain rights and responsibilities as belonging ultimately to the School, and its Board of Education and administration. Those rights include the right to hire; to direct the teaching force; to determine the number of teachers who shall be employed by the School; to determine the qualifications necessary for promotion or demotion or transfer or reassignment of teachers; to discipline, suspend, demote and discharge teachers for cause in accord with this contract and Michigan laws; to require teachers to observe the School rules and regulations; to determine the number and location of school buildings, the type of such buildings, and the cost of such buildings; to establish the grade system to be used within the School; the qualifications necessary for the students to advance from grade to grade and to graduate; to determine the curriculum to be taught in the school together with text books or other materials which may be used in the educational processes; to determine the scheduling of classes, the hours of instruction, all other rules and regulations with regard to the conduct of pupils whether on or off school premises insofar as the School deems it necessary and appropriate; administration and supervision of the educational program and the conduct of the program of public relations will be vested with the School; and any and all powers and authorities granted to the School by the legislature of this State, the Constitution of this State, or by the Congress of the United States, or the Constitution of the United States.
- C. The School may adopt reasonable rules and regulations not in conflict with the terms of this Agreement.
  - D. The disciplining of teachers shall be subject to the grievance procedure herein set forth; provided, however, that the decision of the Board to grant additional probation or to terminate the contract of a probationary teacher shall not be subject to the grievance procedure.
  - E. In the event of a school merger, annexation, or other change in constituents of the School; any right or privilege afforded any teacher by this Agreement, not to exceed the remainder of the current school year, shall not be abrogated by such change in the school composition.
  - F. Individual teachers shall implement, as required, performance goals and objectives in connection with their teaching assignments and the educational needs of their students as determined by the School and by the State of Michigan.

- A. The work performance of all teachers shall be evaluated in writing. The criteria to be used in teacher evaluation shall be provided by the administration at the beginning of each year. However, evaluations shall not be based on an instructional model that is not designed to be used for teacher evaluation.
- B. Evaluations will be conducted by the Administration.
- C. Each formal classroom observation shall be made for a minimum of thirty (30) minutes.

- D. A copy of the written evaluation shall be submitted to the teacher at a personal conference which shall take place within ten (10) school days following the formal classroom observation. The personal conference shall not be a part of the formal classroom observation. Any teacher may submit a statement explaining his/her position if there is a disagreement with the evaluation, and the statement must be included whenever the evaluation is divulged to a third party.
- E. No later than April 1 of each school year, a written report will be furnished to the Superintendent on each probationary teacher. A copy will be furnished to the teacher. The teacher will have the opportunity to submit, thereafter, in writing and signed, within ten (10) school days, additional information to the Superintendent. In the event a probationary teacher is not to be continued in employment, the Board will advise the teacher of the reasons therefor in writing. Within ten (10) school days thereafter the teacher may request, in writing, a hearing before the Board.
- F. 1. Each teacher shall have the right upon request to review the contents of his own personnel files maintained at the individual's school or at the Administration Building. A representative of the DKEA may, at the teacher's request, accompany the teacher in this review. The review must be made in the presence of the Administrator responsible for the safe-keeping of these files. Privileged information as defined by law is specifically exempted from review. The Administrator shall, in the presence of the teacher's authorized representative, remove these credentials and confidential reports from the file prior to a review of the file by the teacher.
2. All written reports, commendations, complaints, evaluations and reprimands placed in the teacher's personnel file shall be brought to the attention of the teacher and shall bear the name or names of the individuals making such report.
3. The Board will assume responsibility for the review of information in personnel files before releasing any material and will not transmit to a third party any disciplinary reports, letters of reprimand or other records of disciplinary action which are more than four years old, except when ordered to do so in a legal action or arbitration.
- G. All observations of the work performance of a teacher shall be conducted openly.

## VI. GRIEVANCE PROCEDURE

### A. Purpose

1. The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to grievances which may from time to time arise. Except that it shall not cover discharge, demotion or suspension of a teacher by the School if such teacher had, at the time thereof, a method of testing the validity of such discharge, demotion or suspension pursuant to the provisions of the act commonly known as the "Teacher Tenure Act" or any amendment or successor thereto. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

2. Nothing contained herein will be construed as limiting the right of any teacher having a grievance to discuss the matter informally with any appropriate member of the administration and having the grievance adjusted without intervention of the Association, provided the adjustment is not inconsistent with the terms of this Agreement and that the Association has been given opportunity to be present at such adjustment if requested by the aggrieved or the School. The Association shall be notified of the disposition of the grievance in writing at and after Level Two of the grievance procedure.

B. Procedure

Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered a maximum, and every effort should be made to expedite the process. The number of days indicated shall exclude Saturdays, Sundays, and holidays. If appropriate action is not taken within the time limit specified, the grievance will be deemed settled on the basis of the disposition at the preceding level. The time limits specified may, however, be extended by mutual agreement.

1. Level One

Any aggrieved person with a complaint shall confer with his immediate supervisor or principal, individually, together with or through his Association representative. This informal conference shall take place within a maximum of five (5) school days following the occurrence of the complaint. A decision of the supervisor or principal shall be given within five (5) days following the conference. Either party may request the decision in writing. Should the aggrieved person not be satisfied with the results of the informal conference, he/she shall within five (5) days file a written grievance with the immediate supervisor or building principal. A written decision of the supervisor or principal shall be given within five (5) days.

2. Level Two

If the aggrieved is not satisfied with the disposition of his complaint at Level One, he may file within five (5) days the complaint in writing with the Superintendent (or his representative). The Superintendent or his representative shall meet within five (5) days thereafter with the aggrieved and the Association's representative. Within five (5) days of that meeting the Superintendent or his representative shall reduce his decision to writing and deliver the same to the individual and to the Association.

3. Level Three

If the aggrieved is not satisfied with the disposition of his grievance at Level Two, or if no decision has been rendered within five (5) days after he has first met with the Superintendent, he may file the grievance in writing with the President of the Association within ten (10) days after he first met with the Superintendent. Within five (5) days after receiving the written grievance, the President of the Association will refer it in writing to the School Board. Within ten (10) days after

receiving the written grievance, a committee of the Board will meet with the aggrieved person for the purpose of resolving the grievance. The ultimate decision on the grievance at level three will, however, be rendered by the Board at a special or regular board meeting.

4. Level Four

- a. If the aggrieved is not satisfied with the disposition of his grievance at previous levels, or if no decision has been rendered within ten (10) days after he has first met with the Board Committee, he may, within five (5) days after a decision by the Board or fifteen (15) days after he has first met with the Board Committee, whichever is sooner, request in writing to the President of the Association to submit the grievance to arbitration. If the Association determines that the grievance is meritorious and that it arises from the language of this agreement or an alleged breach thereof and that submitting it to arbitration is in the best interests of the Delton Kellogg School System, it may by written notice to the School submit the grievance to arbitration within fifteen (15) days after receipt of a request by the aggrieved person. If not so delivered within fifteen (15) days, the grievance shall be deemed abandoned. Grievances which do not arise from the language of this Agreement may be processed through Level Three but will not be arbitrable.
- b. Within ten (10) days after such written notice of submission to arbitration, the Board Committee and the Association will agree upon a mutually acceptable arbitrator and will obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the specified period, a request for a list of arbitrators will be made to the American Arbitration Association by either party. The parties will be bound by the rules and procedures of the American Arbitration Association in the selection of an arbitrator.
- c. The arbitrator's decision will be in writing and will set forth his findings of fact, reasoning and conclusions of the issues submitted. The arbitrator shall have no power to alter, modify, add to, or subtract from the provisions of this agreement. His authority shall be limited to deciding whether a specific article and section of the Agreement has been violated. The arbitrator shall not usurp the functions of the Board of Education or the proper exercise of its judgment and discretion under law and this Agreement. The decision of the arbitrator, if within the scope of his authority as above set forth, shall be final and binding.
- d. The costs for the services of the arbitrator including per diem expenses, if any, and actual and necessary travel and subsistence expenses, will be borne equally by the School and the Association.

C. Rights of Teachers to Representation

1. No reprisal of any kind will be taken by either party against any school representative, any member of the DKEA, or any other participant in the grievance procedure by reason of such participation.

2. Any party in interest may be represented at all stages of the grievance procedure by a person of his own choosing, except he may not be represented by a representative or by an officer of any teacher organization other than the Association and its affiliates.

D. Miscellaneous

1. All documents, communications and records dealing with the processing of a grievance will be filed separately from the personnel files of the participants.
2. The sole remedy available to any teacher for any alleged breach of this Agreement or any alleged violation of his rights hereunder will be pursuant to the grievance procedure, provided, however, that nothing contained herein will deprive any teacher of any legal right which he presently has, provided that if a teacher elects to pursue any legal or statutory remedy, such election will bar any further or subsequent proceedings for relief under the provisions of this Article.
3. In the course of investigation of any grievance, representatives of the Association will report to the principal of the building being visited and state the purpose of the visit immediately upon arrival.
4. It shall be the general practice of all parties in interest to process grievance procedures during times which do not interfere with assigned duties; provided, however, in the event it is agreed by the School to hold proceedings during regular working hours, a teacher participating in any level of the grievance procedure, with any representative of the Board, shall be released from assigned duties without loss of salary.
5. Any grievance to be valid must be filed within the five (5) day period from the time the individual became aware of the event causing the grievance. Any pay adjustment allowed will not be retroactive beyond the current school year in which the grievance is filed.
6. Days shall mean working days when school is in session. During summer vacation the individual shall have ten (10) week days, excluding holidays, to initiate the grievance.

VII. COMPENSATION AND BENEFITS

A. Compensation

1. The basic compensation of each teacher shall be as set forth on Schedule "A."
2. A teacher who is directed by the principal to use a planning conference period to serve as a substitute for another teacher shall be compensated at a rate of one-fifth (1/5) of the B.A. Base daily rate of pay, or compensatory time which can be accumulated to a maximum of two (2) days at the teacher's option.

3. A teacher requested to work in excess of the number of days set forth in the School Calendar shall be entitled to a pro-rata increase in compensation.

B. Previous Teaching Experience

1. Full credit for not more than five (5) years will be allowed for teaching in other schools.
2. Those teachers teaching one full semester but less than a full year will receive credit for 1/2 year.
3. Any teacher required by the State Department of Education to have work related experience as a condition of certification may receive credit for such experience on the salary schedule. Such credit on the salary schedule shall not exceed three (3) years.

C. Advancement on Schedule

Degrees and/or 15 and 30-hour blocks of hours beyond degrees secured prior to August 31 shall become effective at the beginning of the school year in September. If secured after August 31 and prior to January 20, credit shall be given on the salary schedule effective with the beginning of the second semester. Teachers shall be responsible for providing proof of degree before pro rata payment is made.

D. Retirement.

Pursuant to authority set forth in Act 244 of the 1974 Michigan Public Acts, as amended, the Board agrees that it shall pay the employee contribution to the Michigan Public Schools Employee Retirement Fund.

E. Fringe Benefits.

The Board shall provide fringe benefits as set forth in Schedule B.

F. Differentials.

The Board shall provide differentials as set forth in Schedule C.

G. Deductions.

Teachers desiring payroll deductions for credit union, money-saver plan, annuities, community chest, insurance, scholarship, etc., must within thirty (30) days of their employment sign and deliver to the School an assignment authorizing such deductions. Such sums will be deducted from the teacher's remaining pay periods during the then current school year.

## VIII. AUTHORIZED LEAVES

### A. Allowances

#### 1. Sick Leave

There shall be an allowance of ten (10) days per year for sick leave which shall be added, after the first day (but not including the first day) of actual work on this contract. Each teacher shall be entitled to an accumulation for the unused portion of each year's sick leave up to a maximum of one hundred eighty (180) days. Beginning in 1985-86, each teacher who has accumulated 180 days shall be paid \$20 for each unused sick day above the 180 day accumulation at the end of each school year.

The amount of unused sick leave shall be certified to the teacher within thirty (30) days after the beginning of each work year. The number of days as furnished by the Board shall be conclusively deemed to be accurate unless the teacher informs the Board of any error within fifteen (15) calendar days after receipt of such certification.

#### 2. Business Days

There shall be an allowance of four (4) half-days for personal business. Advance notice in writing - at least one full day shall be given the administration in requesting a half-day(s) for personal business. Personal business leave day shall not be granted for the day preceding or the day following holidays or vacations, and the first and last day of the school year. (Personal days used during the week of a holiday or vacation shall not be paid unless the teacher works the day before and the day after said holiday or vacation.) Prior notification, holiday and vacation provisions may be waived in case of emergency. No more than 10% of the total staff shall be absent for personal business on a given day. If leaves are to be cancelled because more than 10% of total staff have given notice, cancellations shall be in reverse order of receipt. Unused business days shall be added to the accumulated sick days annually.

The sick leave and business day leave allowances for teachers hired after the beginning of the regular school year shall be reduced pro rata.

### B. Leaves of Absence

Two types of leaves of absence may be granted by the Board - namely, leaves with pay and leaves without pay.

#### 1. Leaves of Absence With Pay

a. CHARGEABLE against the teacher's allowance:

##### (1) Sick Leave

(a) Definition - Sick leave shall be construed herein as absence from work due to the illness of the employee and includes teacher emergency dental and doctor appointments.

- (b) No sick leave allowance shall be granted to any employee for any period of time when he is on approved leave of absence for which pay is not granted by the Board.
- (c) Sick leave shall become effective after (but not including) the first full day of actual work on the contract;

Provided, that a returning teacher who is absent due to personal illness at the time the contractual year begins shall receive such sick leave pay up to his prior accumulated sick leave at regular pay periods during his illness, and

Provided further, that newly hired and returning teachers who are absent due to personal illness at the time their contract begins shall receive sick leave pay up to ten (10) days which will be included in their first full pay check after they report for work.

- (d) Sick leave days may be used or charged on a half- (1/2) day basis, however, a portion of a half-day will be charged as an entire half-day of leave.
- (e) Verification, by statements from doctors or dentists, of illness or use of sick day leaves for appointments may be requested by the administration before payment for sick leave is allowed.

(2) Illness or Accident in the Immediate Family

- (a) An employee may take up to five (5) days per year of sick leave without loss of pay for illness or disabling accident in the immediate family of the employee.
- (b) "Immediate family" as used in this provision shall refer to the employee's spouse, children, parents, and grandparents.

b. Leaves of absence with pay NOT CHARGEABLE against the teacher's allowance shall be granted for the following reasons:

- (1) A leave of absence may be granted a teacher called for jury service. The School shall pay an amount equal to the difference between the teacher's daily salary and the daily jury fee paid by the court (not including travel allowances or reimbursement of expenses) for each day on which he otherwise would have been scheduled to work - provided the School is notified promptly of pending jury duty and the School retains the right to request that the teacher be excused from jury duty. The teacher shall return to his duties whenever his attendance in Court is not actually required.
- (2) Court appearance as a witness in any case connected with the teacher's employment or the School or whenever a teacher is subpoenaed to attend any such proceeding.

- (3) Approved visitation at other schools or for attending education conferences or conventions as requested by the School.
- (4) Time necessary to take the selective service physical examination.
- (5) Up to a maximum of three (3) days leave without loss of pay may be allowed on the occasion of a death in the immediate family, four (4) if out of state. Immediate family shall be defined as grandparents, mother, father, spouse, children, step-children, mother and father of spouse, brothers and sisters of employee and spouse.
- (6) A teacher who has completed seven (7) years of teaching in Delton Kellogg Schools may be granted a sabbatical leave of absence for one (1) semester or for one (1) year for the purpose of study to improve the teacher's ability to teach. During said sabbatical leave, the teacher shall be considered to be in the employ of Delton Kellogg Schools, shall have a contract, and shall be paid one-half of his/her full salary and insurance benefits. While on sabbatical leave, seniority shall accrue and upon return from leave, the teacher shall be assigned and placed on the salary schedule as the teacher would have been had he/she taught in the district during the sabbatical period. A teacher who is granted a sabbatical leave further agrees to return to the Delton Kellogg Schools for two years following such leave. A teacher who has taken such leave and does not comply with the above, shall reimburse all costs to the School during such leave.

## 2. Leaves of Absence Without Pay

Any teacher who is working under contract with the Delton Kellogg Schools, upon written application to the Superintendent of Schools, may request a leave of absence without pay. No leave of absence will be granted without the approval of the Board of Education. Leave of absence may be granted for the following reasons:

- a. Ill Health - Requests for leaves of absence for ill health must be accompanied by a statement from the attending physician recommending that the employee be granted such leave of absence. A request for return from leave because of ill health must be accompanied by a physician's statement indicating that the employee has been examined by the physician and that he is able to resume his regular duties with the Board of Education.

The School reserves the right to require the employee to be examined by a doctor of the School's choice. In the event the employee's and the School's respective doctors disagree - they (doctors) will select a third doctor for final determination of the employee's fitness to return to work.

- b. Illness in Immediate Family - Members of the employee's immediate family shall be as defined in Section B, 2(b). No sick leave time may be used during such a leave.

- c. Maternity Leave - A maternity leave of absence shall be granted to a teacher for the purpose of childbearing, child rearing, or child adoption. A teacher who is pregnant shall be entitled upon request to a leave to begin at any time between the commencement of pregnancy, and one (1) year after the child is born. Such leave shall be granted without pay or increment for a period not to exceed one year unless recommended otherwise by the attending physician. The teacher shall notify the Superintendent in writing of the desire to take such a leave and the letter requesting the leave shall also include the date of expected return, and, except in case of emergency, shall give such notice at least thirty (30) days prior to the date on which the leave is to begin. The physician's or adoption agency's statement shall be included with the leave request. A teacher who is pregnant may continue in active employment as late into her pregnancy as she desires provided she is able to properly perform her required functions. All or any portion of a leave taken by a teacher because of a medical disability connected with or resulting from her pregnancy may, at the teacher's option, be charged to her available sick leave.
  - d. Military Leave - All employees shall be granted a leave of absence without pay for the purpose of enlistment, conscription, or recall to active service in the military forces of the United States. Experience credit on the salary schedule shall continue to accrue during the leave for military service on a year-to-year basis, not to exceed two (2) years.
  - e. Advanced or Additional Study - Teachers may be granted a leave of absence without pay for the purpose of study to meet eligibility requirements for an educational certificate other than that held by the teacher.
  - f. ACTION - Leave of absence will be granted up to two (2) years to any teacher who joins ACTION as a full-time participant in such program. Such period so served shall be treated as time taught for purpose of the salary schedule.
  - g. Public Office - Teachers may be granted a leave of absence without pay for the purpose of campaigning for a public office. This leave shall be for a period of not more nor less than one (1) year.
  - h. Association Office - Teachers may be granted a leave of absence without pay for the purpose of serving and performing his elected duties as an elected officer in the local, state, or national association. Such leave to be for the term of office.
  - i. Job Saving - The Board agrees to grant a leave of absence to any teacher who applies providing such leave will prevent another teacher from being laid off.
3. Duration of Leave of Absence
- a. Leaves of absence may be requested and may be granted for a period of time not to exceed one year and such leaves are to be applied for at least thirty (30) days prior to the date on which the leave is to

begin, except in case of emergency. Extension of a leave for one additional school year may be granted in unusual circumstances by the Board of Education upon written request by the employee not later than two (2) months prior to the termination date of the original leave.

- b. Whenever possible, leaves of absence will commence and terminate at the start of the school year or semester.

#### 4. Return From Leave of Absence

- a. An employee wishing to return to the Delton Kellogg Schools from a leave of absence must notify the Superintendent in writing of this intent at least thirty (30) days prior to the termination date of the leave.
- b. After a request to return from leave, the teacher shall be assigned to the same position assigned prior to leave, provided such a position is still in existence. By mutual agreement, the teacher shall be returned to a like or similar position.
- c. Those teachers on an unpaid leave of absence for more than six (6) weeks during a semester will not receive credit for that semester unless specifically granted under the leave provisions of this Agreement.

#### C. Workers' Compensation

Any teacher who is absent because of an injury compensable under the Michigan Workers' Compensation law, excluding any compensable injury resulting from other employment, and while receiving workers' compensation from the School shall receive the difference between the allowance under the workers' compensation law and his regular salary not to exceed the balance of the teacher's contract year. No sick leave deductions will be made for compensable injuries. The School Board agrees that these differential payments are not to be utilized as an offset pursuant to section 354 of the Workers' Compensation Act against any worker's compensation benefits due a teacher.

### IX. LAYOFFS

- A. In the event of a need to lay off due to a decreased student enrollment or shortage of revenue, the Board will not lay off teachers with valid contracts during the school year. Reductions will be effectuated at the start of the following new school year and the order of such reduction will be as follows:
  - 1. Probationary teachers shall be laid off first by using the following criteria:
    - a. Certification
    - b. Qualification
    - c. Seniority
  - 2. Tenured teachers shall be laid off next by using the criteria in (1) above.

3. For purpose of Section A, the following definitions shall apply:
- a. Certification - As approved by the Department of Education of the State of Michigan.
  - b. Qualifications -
    - Grades 9 thru 12: Must meet the standards established by the University of Michigan Accreditation Service and the North Central Association.
    - Grades 7 and 8: Major or Minor in the subject(s), or one year of teaching experience in the subject area.
    - Grades K thru 6, Special Subjects (Art, Music, Phys. Ed.): Major or Minor in the special subject area.
  - c. Seniority - Is the length of service within the bargaining unit from the last date of hire. Teachers working less than full-time for a full school year shall have their seniority pro-rated.
- B. If for any reason the Board determines a reduction of staff for the school year is necessary, it shall consult with the Association to receive recommendations regarding priority areas.
- C. In the event it becomes necessary to reduce the number of teachers through layoff of employment or to reduce the number of teachers in a given subject area, field, or program or eliminate or consolidate positions, the Board shall determine the order of layoff provided, however, such action shall not be contrary to Section A. The Board shall give notice of layoff to the individual involved by July 1.
- D. Changes in certification after the effective date of an employee's lay-off shall only be effective in recall to vacancies for which the teacher is certified and qualified. Since layoffs are not to be effectuated until the fall, all teachers subject to layoff for the following school year shall not lose their fringe benefits or salary over the summer months afforded them under this Agreement and individual or supplemental employment contracts.
- E. Any teacher on layoff shall be recalled in inverse order of layoff provided he/she is certified and qualified for the vacancy. No new teachers shall be employed by the Board while there are teachers of the district who are laid off unless there are no laid off teachers with proper certification and qualification to fill any vacancy which may arise.
- F. The Board shall give written notice of recall from layoff by sending a registered or certified letter to said teacher, at his/her last known address. It shall be the responsibility of each teacher to notify the Board of any change in address. The teacher's address as it appears on the Board's records shall be conclusive when used in connection with layoffs, recall, or other notice to the teacher. If the teacher fails to report to work on the date set forth on the notice of recall, or if the date for resuming work is more than fifteen (15) days from the date of the notice of recall and the teacher within ten (10) days from the giving of the notice shall have failed to confirm in writing the availability of the teacher for employment, the teacher shall be

considered a voluntary quit, unless an extension shall have been granted by the Board in writing, and the obligation of the Board to re-employ the teacher shall terminate.

- G. Teachers shall not accrue additional sick leave days or advance on the salary schedule during layoff - nor will they lose sick days or years of experience on the salary schedule acquired prior to layoff.
- H. A teacher who is laid off under the provisions of this Article who is paid unemployment compensation benefits (associated with his or her regular teaching assignment) during the summer immediately following layoff and who is subsequently recalled to the teaching position at the beginning of the next school year will be paid according to an annual salary rate, such that his/her unemployment compensation plus that annual salary rate will be equal to the rate of salary he/she would have earned for the school year had he/she not been laid off, subject to the following conditions:
  - 1. The teacher is recalled for the full year to a position at least equal to the position he/she was laid off from.
  - 2. The teacher may voluntarily agree to repay the amount of unemployment compensation received, in which case there would be no reduction of salary.

#### X. MISCELLANEOUS PROVISIONS

- A. Each teacher shall be furnished a telephone number to call to report unavailability for work. A teacher shall report such unavailability before 6:45 a.m. unless the reason for such unavailability shall arise after such time or extenuating circumstances shall make it impossible for the teacher to follow such procedure.
- B. The DKEA will be notified and will have the opportunity to consult with the School with respect to contemplated millage increases.

- D. This Agreement shall supersede any rules, regulations or practices of the Board which shall be contrary to or inconsistent with its terms. It shall likewise supersede any contrary or inconsistent terms contained in any individual teacher contract heretofore in effect. All future individual teacher contracts shall be made expressly subject to the terms of this Agreement.
- E. Copies of the Agreement will be printed and the expense shared equally by the Board and the Association and presented to all teachers now employed or hereafter employed by the School while this contract is in effect.
- F. If any provision of this Agreement shall be found contrary to law, then such provision or application shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.

G. Agency Shop

1. Financial Responsibility

Membership in the Association is separate and distinct from the assumption by a teacher of his equal obligation to compensate the Association for the benefits he receives from representation. The terms of this agreement have been equally made for all of the teachers in the bargaining unit and not solely for the benefit of the members of the Association. Accordingly, it is agreed that it is fair that each teacher in the bargaining unit pay equally for benefits received and that each assumes his fair share of the cost of representation.

2. Agency Service Fee

Each teacher as a condition of continued employment shall authorize the deduction of membership dues or assessments of the Association from his salary, or, if he shall not be a member of the Association, shall authorize the deduction of an agency service fee equal to the professional dues of the Association. If during the term of this Agreement it shall be determined by a court of competent jurisdiction that the foregoing amount is unlawful, the amount shall be modified to such amounts as shall be lawful.

4. Check-Off Procedure

Each teacher shall authorize in writing the deduction of Association dues, or the agency service fee, as the case may be, within thirty (30) days following the beginning of the school year. Teacher authorizations for the deduction of Association dues, or for the payment of the agency service fee, shall identify the teacher, the amount of each deduction, the period for which deductions are to be made, and be signed by such teacher. The Board shall deduct the authorized amount due from each teacher's pay and transmit the total deductions to the Treasurer of the Association within fifteen (15) days following such deduction together with a listing of each teacher for whom deductions were made. The Board shall use its best efforts to make the aforesaid deductions in the manner set forth, but assumes no responsibility for any errors in making such deductions other than to correct such errors. In the event of overpayment, the Association agrees to refund monies within twenty (20) days.

4. Non-Discrimination

The Association agrees that it will not discriminate against any teacher in the bargaining unit by reason of sex, race, religion, marital status, age or national origin and that any teacher who has paid an agency service fee shall be entitled to participate in all of the activities of the Association relating to the negotiation and administration of the collective bargaining agreement to the same extent as any other teacher.

5. Employment Termination

If a teacher shall fail to join the Association or to designate the Association as his agent and to pay the sum hereinbefore set forth, such failure shall constitute reasonable and just cause for the discharge of the teacher at the end of such semester that the failure to pay the dues or service fee occurred - provided that the Association shall have given written notice of such fact to the Board not less than sixty (60) days prior to the expiration of such semester.

6. Application and Indemnification

In the interpretation and the application of the provision herein set forth, the Association assumes full responsibility for the validity and legality of the provisions herein set forth. The Association by the execution of this agreement expressly agrees to indemnify and save the Board harmless from any and all claims, demands, suits or other forms of liability that may arise out of or by reason of the demands made by the Association that a teacher be discharged because of the provisions herein set forth, subject however, to the following conditions -

- a. The damages have not resulted from the negligence, misfeasance, or malfeasance of the Board or its agents.
- b. The Association, after consideration with the Board, has the right to decide whether to defend any said action or whether or not to appeal the decision of any court or other tribunal regarding the validity of the section or the defense which may be assessed against the Board by any court or tribunal.
- c. The Association has the right to choose the legal counsel to defend any said suit or action.
- d. The Association shall have the right to compromise or settle any claim made against the Board under this section.

If the Association elects to exercise its rights as set forth in a, b, c, and d, above, the Board shall have the right to require the Association to post a bond in an amount which in its judgment is sufficient to defray the costs of defending any action or appealing a decision of any court or tribunal, including damages imposed on the Board by such court or tribunal as well as reasonable attorney fees.

XI. DURATION OF AGREEMENT

This Agreement shall be effective as of the 25th day of August, 1989, and be in effect until the 25th day of August, 1991.

Upon written notice to the other party, no earlier than April 1, 1991, either party may request the opening of negotiations for a successor agreement.
