B. CHECKOFF

- 36           1. - 46 2. Within ten (10) calendar days of receipt of such notice, the Director of Staff and Union Relations shall communicate the Association's request for termination to the employee and advise such employee that he must pay all back dues or service fees owed the Association within ten (10) calendar days of receipt of such communication from the University (unless otherwise extended by the Association and the University) or he shall be terminated.

- 55 D. Nothing herein shall preclude the University from seeking legal or other redress of any individual who has caused damage or loss to the University or its property or from taking disciplinary action, including discharge, against any employee. Further, any disciplinary action taken by the University shall not be reviewable through the Grievance Procedure, except for the question of fact as to whether the employee took part in any such action or interference, in which case a grievance may be filed at Step III of the Grievance Procedure within three (3) working days of the employee's discipline or discharge.

If a Demand for Arbitration is not filed with the University's Director of Staff and Union Relations and the American Arbitration Association within the time limits set forth above, and any mutually agreed extension of such time, the grievance is barred.

- 89           2. Except as might otherwise be agreed in writing between the parties, the grievance will be arbitrated under the Voluntary Labor Arbitration Rules then obtaining of the American Arbitration Association.
- 90           3. - 91           4. In the event of Arbitration, the fees and approved expenses of the Arbitrator will be shared by the parties equally. Each party shall be responsible for compensating its own representatives and witnesses. The Arbitrator's decision, when made in accordance with his jurisdiction and authority established by this Agreement, shall be final and binding upon the University, the Association and the employee or employees involved.

### ARTICLE XIII           DISCIPLINE AND DISCHARGE

#### A. GENERAL PROVISIONS

- 92           The University and the Association recognize that it may be necessary to discipline employees for violation of reasonable standards of conduct, University and departmental rules and regulations, general orders, or the terms of this Agreement.

#### B. INFRACTIONS

- 93           A minor infraction by an employee shall normally be cause for a written reprimand as an initial discipline step. A major infraction by an employee shall be cause for suspension or discharge as an initial discipline step, depending on the nature of the offense. Subsequent minor and/or major infractions are subject to discipline up to and including discharge, depending on the nature of the offense.

#### C. NOTICE OF DISCIPLINE

- 94           The University agrees upon the discipline of an employee to promptly serve written notice thereof upon the employee and the Association Representative. A copy of the notice of disciplinary action shall be placed in the employee's official personnel file.

#### D. REPRESENTATION RIGHTS

- 95           A suspended or discharged employee will be allowed to discuss his suspension or discharge with the Association Representative. Upon request, a representative of the University will arrange to meet with the suspended or discharged employee and the Association Representative prior to the employee leaving the premises.

E. APPEAL OF DISCIPLINE

96 Should an employee who receives a written reprimand consider the discipline to be improper he may initiate a grievance at Step I of the Grievance Procedure within three (3) workdays of receipt of notice of the reprimand.

97 Should an employee who receives a suspension or discharge consider the discipline to be improper he may present a grievance, in writing, through the Association Representative to the Director of Staff and Union Relations at Step III of the Grievance Procedure within three (3) workdays of receipt of notice of the suspension or discharge.

98 For the purpose of computing workdays pursuant to this Article, Saturdays, Sundays, and holidays shall be excluded.

F. USE OF PAST RECORD

99 In imposing any discipline on a current charge, the University agrees not to take into account any discipline imposed against the employee for minor infractions that occurred more than one (1) year previously, or major infractions that occurred more than three (3) years previously (except those which constitute a felony under State or Federal law), provided no such discipline has been taken against the employee during the immediate preceding one (1) or three (3) year period, respectively.

G. PERSONNEL RECORD

100 Within a reasonable period after request of an employee, the Director of Staff and Union Relations shall meet with the employee and/or the Association Representative, and the Director, Campus Police, to review the disciplinary actions that are a matter of record in such employee's personnel file and to discuss the continued usefulness of such documentation to the University. If, upon their review, it is agreed that any such documents are no longer useful to the University, the Director of Staff and Union Relations shall permanently remove such documents from the employee's personnel file.

ARTICLE XIV JOB CLASSIFICATIONS

A. GENERAL PROVISIONS

101 The University and the Association agree upon and

accept the job classification specifications in effect at the time of ratification of this Agreement as the basis for payment of wages as provided herein.

B. REVISED JOBS AND NEW JOBS

102 In the event the University changes a classification specification or creates a new job in the bargaining unit which is not covered by an existing classification, the University shall notify the Association of the pay rate of the new or revised job and provide the Association with a copy of the official classification specification for the position. If requested within ten (10) workdays after receipt of such notification by the Association, the University shall meet with the Association to negotiate the pay rate for the new or revised classification specification. Pending the outcome of the negotiation between the University and the Association as hereinabove provided, any person hired or assigned to work in a new or revised job shall be paid at the rate determined by the University. Retroactive application of pay rates subsequently negotiated and agreed upon between the Association and the University shall not be automatic, but shall be an appropriate subject for negotiation between the parties.

ARTICLE XV WORK BY NON-BARGAINING UNIT EMPLOYEES

103 It is recognized by the Association and the University that supervisors, temporary employees, student employees, and other non-bargaining unit employees also perform work of the same type and nature as that performed by bargaining unit members and that this Agreement does not restrict any such work by a non-bargaining unit employee. However, the University does agree that it will not increase the size of its non-bargaining unit work force for the purpose of replacing bargaining unit employees who are laid off.

ARTICLE XVI PERSONNEL FILES

A. MAINTENANCE

104 An official personnel file shall be maintained on each employee by the University's Personnel Services Office.

B. CONTENTS

- 114 9. other records as determined by the University.

C. ACCESS

- 115 Upon the written request of an employee, the Director, Personnel Services, will make the employee's official personnel file available for examination, the only exclusion being pre-employment credentials and other confidential documents excluded pursuant to Federal or State statutes. Examination of the official personnel file shall be made in the presence of the Director, Personnel Services.
- 116 In accordance with the provisions as herein provided, an employee may authorize a representative of the Association, or other representative, to examine his official personnel file. Such representative may also accompany the employee in his review if the employee so desires.

D. REPRODUCTIONS

- 117 The University agrees to provide employees with a copy of any non-confidential material in their official personnel file.
- 118 Any employee desiring a copy of documents in his file shall submit a written request to the Director, Personnel Services, and pay such duplication fees as

may, from time to time, be established by the University.

ARTICLE XVII SUPPLEMENTAL EMPLOYMENT AND CONFLICT OF INTEREST

- 119 A. An employee's first employment obligation is to the University. No member of the bargaining unit shall be permitted to engage in supplemental employment which, in any way, would interfere, or has the potential of interfering, with the employee's rendering full and faithful service to the University.
- 120 B. All employees engaging in, or in contemplation of entering into, a supplemental employment obligation shall report to the Director, Campus Police, the nature, extent, and expected duration of such work, including the approximate number of hours and time during which the supplemental employment is to occur.
- 121 Reports to the Director, Campus Police, shall be made in writing and shall be updated each July 1 and whenever a change in outside employment occurs.
- 122 C. Supplemental employment which does not interfere with an employee's full and faithful service to the University may be undertaken after approval of the Director, Campus Police. Should the Director, Campus Police, determine that the employee's supplemental employment is not in keeping with the limitations and requirements provided above, the employee may be requested to end or modify such supplemental employment.
- 123 D. An employee's failure to report supplemental employment as herein provided, or refusal or failure to modify or terminate supplemental employment as requested by the Director, Campus Police, shall constitute just cause for his dismissal of employment with the University.
- 124 E. Should an employee feel he has been unreasonably denied an opportunity to engage in supplemental employment, such matter shall, at the request of the Association, be made the subject of a Special Conference. In such cases, the University and the Association shall expedite the scheduling of the Special Conference.

ARTICLE XVIII HOURS OF WORK

A. WORK SCHEDULE

- 125 1. The regular work schedule for full-time employees shall consist of eighty (80) hours, bi-weekly. The regular workday and work shift for full-time employees shall be scheduled in periods of eight (8) consecutive hours. The time and duration of lunch periods shall be determined by the University.
- 126 2. The regular work schedule and work hours for part-time employees shall be at the discretion of the University.
- 127 3. This provision shall in no way be construed as a guarantee of work or pay.
- 128 4. The University agrees to post a work schedule in a central location within the Campus Police Department. If revisions occur in the work schedule subsequent to its original posting the affected employee(s) shall be notified of the revision, except in emergency situations, at least five (5) days in advance of the change becoming effective. In cases of emergency no advance notice must be given.

B. WORK SHIFTS AND SHIFT PREMIUMS

- 129 1. The normal day (first) shift shall be any shift that regularly starts between the hours of 5:00 a.m. and 1:59 p.m.
- 130 2. The normal afternoon (second) shift shall be any shift that regularly starts between the hours of 2:00 p.m. and 8:59 p.m. An employee working on the afternoon shift shall receive a premium of fifteen (\$0.15) cents per hour.
- 131 3. The normal evening (third) shift shall be any shift that regularly starts between the hours of 9:00 p.m. and 4:59 a.m. An employee working on the evening shift shall receive a premium of twenty-five (\$0.25) cents per hour.
- 132 4. An employee who may work a split shift shall receive the appropriate shift premium for the portion of the shift starting during the afternoon or evening shift.
- 133 5. Shift premiums are to be added to total wages, they do not increase the hourly, weekly, or bi-weekly salary rates.

C. SHIFT PREFERENCE

- 134 1. Employees may exercise shift preference on the basis of seniority, subject to the right of the Director, Campus Police, to deny general or specific shift changes for the purpose of retaining experienced seniority employees on specific shifts or for otherwise maintaining effective operations as he deems necessary and in the best interest of the Department.
- 135 2. When approved by the Director, Campus Police, shift changes shall normally be made at the beginning of the Fall, Winter, and Spring Terms. If an employee feels he has been unreasonably denied the right to exercise his shift preference such matter may be made the subject of a Special Conference.

D. CALL-IN PAY

- 136 1. If an employee is called in by the University for emergency duty not scheduled in advance and which is outside of and not continuous with his regular work period he shall be guaranteed at least three (3) hours pay at the rate of one and one-half (1 1/2) times his regular hourly rate of pay, plus shift premium if applicable or, at the discretion of the University, receive four and one-half (4 1/2) hours compensatory time off.
- 137 2. If an employee is called in by the University for consultation with prosecuting attorneys, appearances in court, or to sign complaints, outside of and not continuous with his regular work period he shall be paid a minimum of three (3) hours pay at the rate of one and one-half (1 1/2) times his regular hourly rate of pay or, at the discretion of the University, receive four and one-half (4 1/2) hours compensatory time off.

E. OVERTIME

- 138 1. Overtime shall be assigned at the discretion of the University.
- 139 2. Employees required and scheduled to work more than eight (8) hours per day or forty (40) hours per week shall be paid at the rate of one and one-half (1 1/2) times their regular hourly rate of pay for each hour worked in excess of eight (8) hours per day or forty (40) hours per week or, at the

discretion of the University, receive compensatory time off at the rate of one and one-half (1 1/2) hours for each hour worked in excess of eight (8) hours per day or forty (40) hours per week. The University agrees to consider the desires of the employee when scheduling compensatory time off pursuant to this provision.

- 140           3. For the purpose of computing overtime pay for over forty (40) hours in an employee's work week a paid holiday, paid sick day, paid vacation day, or other authorized paid leave day will be counted as time worked.

F. SCHEDULING OF OVERTIME

- 141           1. Overtime hours shall be offered bargaining unit members on a rotating basis, beginning with the most senior Officer, through the least senior Officer. In the event that a senior bargaining unit member opts to forego offered overtime, the Employer will then offer such overtime to the next most senior Officer, and so on, until such time as an adequate number of Officers are available to staff overtime hours.

- 142           2. In those instances where no regular Officers opt to work available overtime, the University shall assign the overtime to those least senior Officers in the bargaining unit, subject to the limitation that should such scheduling result in staffing an overtime assignment exclusively with Probationary Officers, the Employer may, at its sole discretion, drop the most senior Probationary Officer from its overtime roster and assign the overtime to the least senior Regular Officer, who shall have no right of refusal to work the overtime.

143           Appendix E provides an example of the method of rotational offering of overtime.

- 144           3. Whenever scheduled overtime is required, the employee with the least number of overtime hours in that classification will be called first and so on down the list in an attempt to equalize the overtime hours. Employees in other classifications may be called if there is a shortage of employees in the classification needed. In such cases, employees are to be called on the basis of least number of overtime hours in their classification, provided they are capable of doing the work. It is

understood that the University need not call in an employee for overtime under this provision rather than continue the shift of an employee already at work. However, such hours worked shall be included in overtime accrual for purposes of overtime equalization.

- 145 4. For purposes of this equalization provision, overtime does not include hours worked in accordance with paragraphs D(1) and D(2) above.
- 146 5. If an employee is offered overtime in accordance with this provision and he chooses not to work it, he will be charged the average number of overtime hours of the employee(s) working that overtime.
- 147 6. If an employee is not called for overtime work in accordance with this provision, he shall be given the next scheduled overtime available.

#### G. COMPENSATORY TIME BANK

- 148 1. Bargaining Unit members shall be permitted to bank a maximum of 120 hours of earned overtime to be used for the purpose of taking compensatory time off, subject to the following limitations:
- 149 a. Earned and banked overtime shall be expended prior to June 30 of each year. Officers whose banked compensatory time is not expended prior to June 30 shall be compensated for such time at the rate set forth in XVIII.E.2. above.
- 150 b. The scheduling of time off taken for utilizing overtime hours banked as compensatory time shall be at the sole discretion of the University.

#### H. TRADING TIME

- 151 In those situations where the University will not incur an overtime obligation and the Director, Campus Police, at his discretion, shall so approve, employees may trade individual workdays or work shifts.

#### ARTICLE XIX PROBATIONARY EMPLOYEES

- 152 A. The Association shall represent probationary employees for the purpose of collective bargaining with respect to rates of pay, hours of work, and other conditions of

employment. However, it is agreed by both parties that for the first ninety (90) calendar days of an employee's probationary period, all matters concerning the discipline, demotion, layoff, or termination of such employee shall be at the discretion of the University and shall be specifically and expressly excluded from the Grievance and Arbitration provisions of the Collective Bargaining Agreement. Commencing with the ninety-first (91st) calendar day of employment as a regular employee through and including the completion of the employee's probationary period, all matters concerning the discipline, demotion, or termination of such employee shall be subject to the Grievance Procedure provisions of the Collective Bargaining Agreement up to and including Step III of the provision, but shall be specifically and expressly excluded from Step IV, Arbitration. The University's Step III disposition of all such grievances shall be final and binding on the Association, the employee, and the University.

- 153 B. Except as otherwise provided in paragraph C below, each employee shall be on probation for the first twelve (12) months of employment as a regular employee in the bargaining unit. An employee shall have no seniority during his probationary period. Upon completion of the probationary period the employee shall be credited with seniority as provided for in Article XX, Seniority, and placed on the Seniority List of the bargaining unit.
- 154 C. An employee who has held a regular position as an Officer, Campus Police, or Detective, Campus Police, or other regular full-time positions generally equivalent thereto, within the Campus Police Department for a minimum period of twelve (12) consecutive months preceding his transfer into the bargaining unit shall not be subject to a probationary period and shall be credited with seniority as provided for in Article XX, Seniority.

## ARTICLE XX SENIORITY

### A. GENERAL ROVISIONS

- 155 1. Each regular employee who completes his probationary period or is not subject to a probationary period pursuant to the provisions of Article XIX (C) shall, irrespective of his bargaining unit status at the time he held such positions, be credited with seniority for all periods of appointment to the positions of Officer, Campus

Police, or Detective, Campus Police, or other regular full-time positions generally equivalent thereto, within the Campus Police Department, computed from his last date of hire as a regular employee with the University since which he has not broken his service or otherwise lost his seniority. "Last date of hire" shall mean the date on which the employee actually begins work, irrespective of when such employee was advised that he had been hired.

- 156           2. A seniority employee who transfers or is transferred to a non-bargaining unit position outside the Campus Police Department or within the Campus Police Department but superior in rank to that of Officer or Detective shall, upon his return to the bargaining unit, be credited with all seniority earned prior to his transfer outside the bargaining unit.
- 157           3. If two (2) or more employees have the same seniority, they shall be ranked by their total length of service as a regular full-time employee within the Campus Police Department. If there continues to be a tie, the tied employees shall be ranked by alphabetical sequence according to name, last name first.
- 158           4. An employee granted a leave of absence pursuant to this Agreement shall retain and continue to accumulate seniority in accordance with those provisions governing such leave of absence.

B. SUPERSENIORITY STATUS OF ASSOCIATION PRESIDENT AND VICE PRESIDENT

- 159           1. Notwithstanding their position on the seniority list, in the event of a layoff the Association President and Vice President shall be continued at work as long as there are jobs in the Campus Police Department in their classification and provided such employees have acquired seniority status. Superseniority status shall not be available to any probationary employee.
- 160           2. For the purposes of this provision, the Association President shall be given preference over the Vice President.
- 161           3. In the event that the Association President or Vice President has superseniority status and is nonethe-

less laid off, he shall be recalled to the first open position to arise in his classification in the Campus Police Department.

- 162 4. The right of the University to transfer or reassign an employee pursuant to the provisions of this Agreement shall not be affected by the fact that the employee is the Association President or Vice President.
- 163 5. This provision shall not apply to any other Bargaining Unit employee.

C. LOSS OF SENIORITY

164 An employee shall lose his seniority and shall be terminated for the following reasons:

- 165 1. He voluntarily terminates his employment with the University.
- 166 2. He is discharged for just cause and such discharge is not reversed through the Grievance Procedure.
- 167 3. He retires.
- 168 4. He is absent from his job for three (3) consecutive workdays without notifying the University, unless unable to do so for reasons beyond his control. After such absence, the University shall send a written notification to the employee, at his last known address, that he has lost his seniority and his employment has been terminated.
- 169 5. He does not return to work within five (5) workdays when recalled from layoff. In proper cases exceptions may be made.
- 170 6. He fails to return to work within the time limits of a leave of absence or an extended leave of absence.
- 171 7. He is laid off for a period exceeding one (1) year.

D. LAYOFF AND RECALL

172 In recognition of the small number of positions within the Campus Police Department and the long-term and short-term benefits to the University and employees which may result from permitting more senior higher ranked employees to have preference for retention in

the event of a reduction in staff, the parties have agreed as follows:

- 173 1. In the event the University determines it is necessary to reduce the number of employees or discontinue a position within the Campus Police Department to which a member of its non-bargaining unit or bargaining unit work force is assigned, the University shall first determine which non-bargaining unit employees, if any, shall be laid off. Should the University deem it necessary to layoff a non-bargaining unit employee and, further, elect to reassign such non-bargaining unit employee to a position covered by the terms of this Agreement in lieu of direct layoff, such person shall be credited with seniority as if he were a regular bargaining unit employee, in accordance with Section A above, and shall be placed on the bargaining unit seniority list. The University shall then determine its desired staffing levels within the bargaining unit. If reductions within the bargaining unit are deemed necessary the following order of work force reduction shall apply:
- 174 a. Any temporary employees in an affected bargaining unit classification will be terminated prior to the layoff of a bargaining unit employee, provided the Bargaining Unit employees can perform the available work and meet the qualifications as specified by the University;
- 175 b. any probationary employees in an affected bargaining unit classification will be terminated prior to the layoff of a seniority employee, provided the seniority employees can perform the available work and meet the qualifications as specified by the University;
- 176 c. the employee(s) with the least seniority on the bargaining unit seniority list, in an affected classification, shall be the first to be laid off and so forth on down the list until the desired staffing level is attained, provided the greater seniority employees are able to perform the available work and meet the qualifications as specified by the University.
- 177 2. When the work force is increased after a layoff employees with the most seniority, in an affected

classification, shall be the first to be recalled, provided the greater seniority employees are able to perform the available work and meet the qualifications as specified by the University. The University shall not be required to recall an employee to a position higher than the position from which he was laid off or displaced or which he has not previously performed.

- 178           3. Any employee who is recalled from a layoff shall be restored his seniority including that which he otherwise would have acquired during the period of his layoff.
- 179           4. Notice of recall shall be sent to the employee at his last known address by certified mail. If an employee fails to report for work within five (5) workdays from the date of delivery of notice of recall he shall be considered a quit. Extensions may be granted by the University in proper cases.
- 180           5. Any employee exercising his seniority under the Layoff and Recall procedures provided above must be qualified to perform the work of the employee he is displacing or the work of a vacant position to which he may be assigned; such employee may be disqualified from performing such work either: a) if such employee's employment record with the University indicates that there is no reasonable expectancy that he would be qualified to perform the job; or, b) if it is determined by the University during the first sixty (60) calendar days the employee has worked in the new job that such employee does not have the ability to perform the job. Any employee disqualified from a job as provided herein may then exercise his seniority rights as hereinabove provided and the employee displaced will be returned to the job.

E. REGULAR JOB VACANCIES

- 181           1. Regular bargaining unit vacancies shall be posted on the departmental bulletin board and will be published in the University publication (FOCUS), and during periods when the FOCUS is not published, by special memorandum by the Personnel Services Office. Such notice shall include the date of posting, classification, rate of pay, and final date of acceptance of application, which shall be no less than the sixth (6th) workday following the posting. The University may temporary fill such a vacancy during the posting and selection process.

- 182           2. The University shall not be obligated to consider any application submitted by a Bargaining Unit member who has not held his current position for at least twelve (12) consecutive months or which had been submitted after the final date of acceptance.
- 183           3. Job awards shall be made to the best qualified applicant. The University shall make its selection of the best qualified applicant on the basis of its judgement of the qualifications, skill, and ability of those bidding. When an applicant in the Bargaining Unit and a non-bargaining unit applicant are equally qualified, the Bargaining Unit applicant shall be given preference. When two or more Bargaining Unit applicants are equally qualified, seniority shall govern. Attendance, discipline records, and work experience in the Campus Police Department shall be considered as factors in determining the qualifications of an applicant. Performance evaluations which regular employees receive annually and more frequently if desired by the Director, Campus Police, may also be considered in determining the qualifications of an applicant. Probationary employees receive additional evaluations. Applicants may also be required to take written examinations to help determine their qualifications. Each individual candidate is responsible for ensuring that his employment record and/or application accurately reflects those job skills, experience, education, training, and other qualifications he desires the University to consider in evaluating his candidacy.
- 184           4. The University shall notify, in writing, all Bargaining Unit applicants of the disposition of their applications and place a copy of same in their official personnel file.
- 185           5. At any time within ninety (90) calendar days following an employee's promotion within the Bargaining Unit, the employee shall be returned to his former job and former rate of pay if: a) He fails to perform satisfactorily; or, b) he wishes to return to his former job and former rate of pay.
- 186           6. At any time within twelve (12) months following an employee's promotion outside the Bargaining Unit, the University may, at its discretion, return the employee to his former job and former rate of pay within the Bargaining Unit.

- 187 7. An employee who returns to his former position pursuant to this Agreement shall forfeit his right to bid on another Bargaining Unit position for a period of one (1) year.
- 188 8. If pursuant to Section 5 above, a vacancy reoccurs within ninety (90) calendar days of its being filled, the University may fill the vacancy from among the original applicant pool, applications submitted subsequent to the original posting, or it may repost the position to generate new applications.
- 189 9. Job vacancies under this section shall not mean temporary openings such as openings caused by sickness, accident, disciplinary layoff, vacations, or leaves of absence. If the University elects to fill such temporary job vacancies, such vacancies shall first be offered to employees laid off from such classification where the temporary vacancy occurs, in order of their seniority, if available and if fully qualified to perform all aspects of the work without training, prior to employing a temporary employee in such a temporary vacancy. Laid off employees recalled for such temporary work shall:
- 190 a. Not be subject to the Layoff and Recall provision of this Agreement;
- 191 b. not be eligible for fringe benefits for any calendar month of such temporary work or subsequent calendar months, unless they work one-half (1/2) or more of the calendar month.

## ARTICLE XXI LEAVES OF ABSENCE

### A. PERSONAL LEAVE

- 192 1. An unpaid personal leave of absence may be approved or denied at the discretion of the University and, as a general rule, will only be approved for those employees who have acquired seniority status under this Agreement and who show exceptional need. Eligible employees desiring a personal leave of absence shall make written application through the Director, Campus Police, to the Director, Personnel Services.

- 193 2. Upon good cause shown by the applicant the Director, Personnel Services, with the concurrence of the Director, Campus Police, may approve an unpaid personal leave for up to three (3) months. Upon like cause shown, such leave of absence may be extended for successive periods of up to three (3) months, not to exceed one (1) year for the total period of the leave.
- 194 3. Leaves of absence as herein provided will not be granted an employee who is laid off and will not be extended if the employee would have been laid off had he been working during the leave.
- 195 4. Seniority shall accumulate during the period of an employee's personal leave of absence.

B. MEDICAL LEAVE OF ABSENCE

- 196 A seniority employee unable to work because of a non-work related sickness or injury shall, upon written request, be placed on a Medical Leave of Absence without pay for up to three (3) months after exhausting all rights to paid sick leave, provided appropriate requested medical information is provided. Maternity disabilities shall be considered medical disabilities for purposes of this provision.
- 197 The Employer may require such medical information as is appropriate to evaluate a request for Medical Leave of Absence or extension of a Medical Leave of Absence.
- 198 A Medical Leave of Absence may be extended, but such leave and any extension when taken together shall not exceed an employee's seniority at the time such leave begins or two (2) years, whichever is less. Seniority shall accumulate during such a leave.
- 199 An employee who is disabled and receiving compensation pursuant to the Workers' Compensation Act, shall be granted a leave of absence under the Medical Leave provision. Such a leave may be extended for one (1) additional year. However, seniority shall not accumulate beyond the first two (2) years of such a leave.
- 200 The University may also require such medical information as is appropriate to certify an employee's ability to return to work following a leave of absence due to medical disability.

C. RESERVIST DUTY LEAVE

1. Annual Duty Leave

- 201 a. Upon prior written request, a regular employee who is a member of the National Guard or organized Reserves of an United States Military Service shall, when ordered to annual training duty, be granted a military leave of absence for a period not to exceed ten (10) workdays in any calendar year. Seniority shall accumulate during such a leave.
- 202 b. If a seniority employee's military pay is less than his regular University salary, the University agrees to pay the employee the difference between his regular University salary as computed on a daily basis and the employee's daily military salary, for a period not to exceed ten (10) workdays in any calendar year. To establish his entitlement to supplemental wages payable by the University as hereinabove provided, the employee must provide satisfactory proof to the University of his daily military salary.
- 203 c. The employee may use accrued vacation time in lieu of the provisions for supplemental pay set forth in paragraph b above.

2. Emergency Duty Leave

- 204 A regular employee who is a member of the National Guard or organized Reserves of an United States Military Service and who is ordered to emergency duty because of riot, flood, or other disaster shall be granted an unpaid leave of absence for the duration of that emergency duty. Seniority shall accumulate during such a leave.

D. ASSOCIATION EDUCATIONAL AND BUSINESS LEAVE

- 205 1. The University agrees to set aside a maximum total aggregate of four (4) days per contract year to be used by employees elected or appointed to represent the Association at Association Educational Conferences or for official Association business. Time off provided pursuant to this provision shall be without loss of regular straight time pay. Requests for time off pursuant to the terms of this provision must be made in writing and shall be

submitted not less than ten (10) workdays prior to the desired date of absence to the University's Director of Staff and Union Relations who shall approve such request, subject to necessary emergency exceptions.

- 206            2. The Association Representative may also request an unpaid leave of absence for the purpose of conducting official Association business. Requests for leave of absence to conduct Association business must be made in writing and shall be submitted to the University's Director of Staff and Union Relations not less than ten (10) workdays prior to the date the leave is desired to commence. Requests for leaves of absence to conduct Association business shall be at the convenience of the University and may be approved or denied at its discretion.

E. FUNERAL LEAVE

- 207            1. An employee is allowed three (3) workdays off, with pay, to attend the funeral of a member of his immediate family. Such three (3) workdays shall be taken during the four (4) day work period commencing with the date of death. An employee who wishes to attend a funeral for anyone outside of his immediate family may take off one (1) day, with pay, with the permission of the Director, Campus Police. In either case, time taken beyond the specified amount will be charged against the employee's vacation or sick leave.

- 208            2. The phrase "immediate family" for the purposes of this provision shall mean husband, wife, child, father, mother, sister, brother, father-in-law, mother-in-law, sister-in-law, brother-in-law, grandparents, step children of a current spouse, and foster parents who were legal guardians.

F. SICK LEAVE

- 209            1. A regular full-time employee shall accrue sick leave benefits on the basis of four (4) hours for each completed two (2) weeks of continuous service, up to a maximum of 1,600 hours, provided that at no time shall the accumulation for any one (1) calendar year exceed one hundred and four (104) hours, or the total accumulation exceed sixteen hundred (1,600) hours.

210 2. A regular part-time employee shall accrue pro-rated sick leave benefits for every two (2) weeks of continuous service. The number of hours of sick leave time accrued by a part-time employee during each such two (2) week period shall be determined as follows:

Number of hours regularly scheduled to work during a normal two (2) week period	$\frac{\quad}{\quad}$	X 4.0 =	Hours of sick leave accrued during the two (2) week period
80			

211 3. For purposes of this Article, a two (2) week period of continuous service is deemed to be any two (2) week period in which an employee works or is compensated for (e.g. paid vacation days, paid sick days, or paid holidays) more than fifty percent (50%) of his regularly scheduled workdays based on the University payroll system.

212 4. For purposes of this section, workday shall be interpreted to mean any day of the week, provided such day is a scheduled workday for the employee. A workweek shall be interpreted to mean any five (5) days of a regular week.

213 5. When an employee who has been separated from the University returns, his previous unused sick leave allowance shall be placed to his credit.

214 6. All employees may use their sick leave credit in any month of the year in which they are scheduled to be on the payroll, but only for the number of workdays in such month for which they are scheduled to receive remuneration.

215 7. An employee may not use sick leave and concurrently receive benefits from an University authorized disability insurance plan.

216 8. All absences of employees due to illness or injury will be debited against the employee's record regardless of whether or not his department absorbs the work or the University provides a substitute. Absences chargeable to sick leave for any other reasons will be considered on the basis of merit by the Director, Personnel Services.

217 9. If an employee elects to use his sick leave while

off duty because of a compensable accident or injury (one covered by Worker's Compensation) and receive his regular earnings, the monetary value of the accrued sick leave will be computed at the date of injury and the same may be utilized only to the extent of the monetary difference between his regular earnings and his compensation benefits for each pay period.

- 218        10. Each employee, upon returning to work after any absence which is chargeable to sick leave benefits (except for those absences which would be considered personal business days as provided for in Section 15 of this provision), may be required to file with the Director, Personnel Services, either a physician's statement or a sworn affidavit that the claim of absence for any of the reasons stated above is bona fide. Until such statement is filed, if requested, all absences will be considered as lost time and the employee's pay will be reduced accordingly.
- 219        11. The University may require a physician's statement in support of a request for a leave or to certify an employee's ability to return to work following a leave of absence due to illness or injury.
- 220        12. Whenever an employee has used up all of his sick leave credit he will be removed from the payroll until he reports back to duty. An employee unable to work because of sickness or injury will, upon request, be placed on Personal Leave of Absence after exhausting all rights to paid sick leave.
- 221        13. Sick leave utilized by an employee for illness or injury of a member of his immediate family shall be based on the merit of the case and limited by the following provisions:
- 222                a. Such use will be limited to sixteen (16) hours for any particular incident of illness or injury and to a maximum of forty-eight (48) hours in any fiscal year.
- 223                b. "Immediate family" for purposes of this policy shall be interpreted as husband, wife, father, mother, children, sister, brother, mother-in-law, and father-in-law.
- 224        Requests for the above shall be routed through normal administrative channels and be decided by the Director, Personnel Services.

- 225 14. The sick leave record shall be credited with earned sick leave credit bi-weekly and debited periodically as sick leave benefits are used.
- 226 15. Upon approval of the Director, Campus Police, employees may use up to three (3) earned sick leave days each fiscal year for personal business. The use of such days requires twenty-four (24) hours advance approval of the Director, Campus Police, unless the employee could not make the notification for reasons beyond his control. With advance approval the employee may be allowed to use such personal business days contiguous with annual leave or a holiday.

G. RETURN TO ACTIVE EMPLOYMENT

- 227 1. At the conclusion of a leave of absence, an employee eligible to return will be placed in the employee's former position, provided the position is vacant and the University determines a need to fill the position or if a temporary employee is filling such a position.
- 228 2. If the employee is not able to return to his position as provided above, the employee shall exercise his seniority rights under the Seniority Provision of this Agreement.
- 229 3. In cases where a leave is not for a fixed period of time, the employee must notify the University in writing at least thirty (30) calendar days prior to his desired date of return. If such notice is given, the employee's placement must be made within seven (7) calendar days from his desired date of return.
- 230 4. In cases where a leave is for a fixed period of time and an employee desires to return prior to the expiration of such fixed leave of absence, the employee must notify the University in writing at least thirty (30) calendar days prior to his desired date of return. If such notice is given, the employee's placement must be made within seven (7) calendar days from his desired date of return.
- 231 5. Employees who are on a fixed leave of absence must notify the University in writing as to whether or not they intend to be returning to work as

previously scheduled, at least ten (10) workdays in advance of such date of return. Employees who do not return to work from leave of absence or extended leave of absence, within the time limits of such leave or extension, shall be terminated.

ARTICLE XXII VACATION AND HOLIDAYS

A. VACATION

- 232 1. Vacation pay is based on an employee's months of  
continuous service as a regular employee.
- 233 2. A regular full-time employee shall accrue vacation  
in accordance with the following schedule:
- 234 a. For the first twenty-four (24) months of  
employment a regular full-time employee shall  
accrue vacation on the basis of 4.6154 hours  
for every two (2) week period of continuous  
service (15 days per year);
- 235 b. for the twenty-fifth (25th) month of  
employment, and for every month of employment  
thereafter, a regular full-time employee shall

for every two (2) week period of continuous  
service (20 days per year).
- 236 3. A regular part-time employee shall accrue pro-rated  
vacation benefits in accordance with the schedule  
set forth for regular full-time employees in  
paragraph 2 above. The actual number of hours of  
vacation time accrued by a part-time employee  
during each two (2) week period shall be determined  
as follows:

Number of hours regularly scheduled to work during a normal two (2) week period	*4.6154 or X*6.1539 =	Hours of vacation accrued during the two (2) week period
--	-----------------------------	---

80

\* Whichever is applicable.

- 237 4. For purposes of this Article, a two (2) week period  
of continuous service is deemed to be any two (2)  
week period in which an employee works or is  
compensated for (e.g. paid vacation days, paid sick

days, or paid holidays) more than fifty percent (50%) of his regularly scheduled workdays based on the University payroll system.

- 238           5. If an employee is terminated prior to completing twelve (12) months of continuous service, he shall automatically forfeit all accrued rights to a vacation with pay. Such an employee, however, may be permitted to use his accrued credits prior to completion of twelve (12) months of continuous service. In such cases, he shall sign a form provided by the University stating that if his employment shall be terminated prior to the completion of twelve (12) months of continuous service he shall reimburse the University for vacation pay received and shall authorize the University to deduct that amount of money from his final paycheck. If an employee is terminated after having completed twelve (12) months of continuous service, he shall be entitled to receive all vacation rights accrued to the date of his termination.
- 239           6. The vacation pay of an employee will be based on the number of hours (exclusive of hours for which overtime is paid) he regularly works and will be computed on the basis of the rate of pay he is earning, exclusive of any shift premiums, at the time he takes his vacation.
- 240           7. Vacation pay will be paid to the employee on the regular payday for the period during which the employee takes his vacation.
- 241           8. All vacation shall be taken at the convenience of the University so as to permit the continued operation of all of its facilities and functions without interference. All vacations must be approved by the Director, Campus Police. The vacation period shall commence on July 1st of each year and end on the following June 30th of each year. Any vacation rights accrued as of June 30th of each year must be taken during the immediately following vacation period and any employee who fails to take his vacation within that period shall forfeit all rights to such vacation time with the following exceptions:
- 242           a. If an employee is unable to take his vacation during the appropriate vacation period because the University's work needs prevent it, he

shall be allowed to carry over such accrued vacation into the next vacation period with the written approval of the Director of Staff and Union Relations. Such unused vacation time must be taken during the next vacation period.

- 243            b. If it is to the mutual convenience of the University and the employee, any employee with more than twelve (12) months of continuous service may take part or all of the vacation time he has earned at any time during the year in which it is accruing.

B. HOLIDAYS

- 244            1. All regular full-time employees covered by this Agreement shall receive holiday pay at their regular rate of pay, exclusive of any shift premiums, for each of the following designated holidays not worked, irrespective of the days of the week in which the holiday falls: Good Friday, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, the day after Thanksgiving Day, Christmas Day, the day before or after Christmas Day, New Year's Day, and the day before or after New Year's Day. The University shall have the sole right to determine whether the day before or after Christmas Day and New Year's Day shall be observed as the holiday. Regular part-time employees shall receive holiday pay based on the number of hours they would be regularly scheduled to work on the day on which the holiday is observed.
- 245            2. To be eligible for holiday pay, an employee must work the last scheduled workday before and the next scheduled workday after the day of the observance of the holiday unless he has an excused absence, is on vacation leave, or has an absence previously approved by the Director, Campus Police; provided, that an employee not on the payroll for the week in which the holiday is observed shall not receive compensation for the holiday. For the purpose of this section, an excused absence shall be an absence caused by a condition beyond the control of the employee which caused the employee to be absent.
- 246            3. Employees required to work on a holiday as provided herein shall, in lieu of holiday pay pursuant to paragraph 1. above, be paid at the rate of two and one-half (2 1/2) times their regular hourly rate of

pay, plus shift premium if applicable, for each hour worked on such holiday or, at the discretion of the University, receive compensatory time off at the rate of two and one-half (2 1/2) hours for each hour worked on such holiday.

- 247 4. If a holiday falls on an employee's scheduled day off, his next scheduled workday shall be considered his holiday. Subject to approval of the Director, Campus Police, an employee may request that another of his scheduled workdays falling within the same pay period as the holiday be designated as his holiday in lieu of the next scheduled workday as above provided.

- 264 At age seventy (70), the employee shall receive primary health insurance coverage through Medicare and shall receive a Medicare complementary policy provided by the University. In such cases, where Medicare is primary, the cost of Medicare Complementary Coverage shall be reimbursed quarterly by the University provided the employee makes proper application through the Benefits Office and presents proof of Medicare Complementary Coverage.
- 265 3. Compensation wages, or he/she terminates, whichever is sooner. When on an authorized unpaid non-medical leave of absence the employee will be responsible for his benefit costs for the period that they are no longer on the active payroll.

268 6. Employees laid off or on an authorized unpaid leave of absence may request the continuation of their medical benefits for a period not to exceed one (1) year. Employees electing to continue such benefits shall pay the full cost of such continued benefits. Proper application and arrangements for the payment of such continued benefits must be made in the Staff Benefits Office prior to the commencement of the layoff or leave. If such application and arrangements are not made as herein described, an employee's medical benefits shall automatically terminate upon the effective date of their layoff or unpaid leave of absence as indicated in paragraph 8. below. During such thirty-one (31) day period, the employee may convert his group life insurance, without medical examination, to an individual benefits plan. The employee shall pay the full cost of such benefits plan and may select any type of individual plan then customarily being issued by the insurer, except term insurance or a plan containing disability benefits. The cost of such benefits plan will be the same as the employee would ordinarily pay if he had independently applied for an individual benefits plan at that time.

For the remainder of such closedown or three (3) workdays, whichever is lesser, employees may use sick leave or annual leave to the extent each such employee's accrued leave time shall so permit.

307    Employees who fail to report for scheduled work during periods of unscheduled closedowns shall suffer the appropriate loss of compensation. However, employees who do work as scheduled when the University is closed as above provided shall, in addition to their regular compensation, receive compensatory time off at the rate of one (1) hour for each hour of work actually performed during the period of the closedown, up to a maximum of eight (8) hours.

program applies to tuition only; registration  
and other incidental fees which may be charged  
shall be borne by the employee.
- 316 b. An employee shall be eligible for a tuition  
waiver if he satisfies the following terms and

employee.

NOTE: Failure to submit a completed application within the timelines provided forfeits the employee's eligibility for that term.

- 320 (4) The employee must agree to reimburse the University for the cost of all tuition assistance benefits forfeited under the terms and conditions hereinafter provided. To assure prompt reimbursement of all amounts paid by the University for tuition assistance benefits forfeited by the employee, the employee shall authorize the University to collect such amounts through deductions from his pay in amounts not to exceed twenty-five percent (25%) of the gross amount of each bi-weekly paycheck (unless the employee is terminating, in which case, the entire amount may be deducted) or other appropriate means.
- 321 c. Eligible full-time employees shall be entitled to full tuition assistance benefits as herein described. - 326 (3) A mark of "Incomplete" (I) is received and not converted to a passing grade within six (6) months following completion of the semester in which the course was taken, or

the date the employee's employment terminates, whichever is earlier.

327

(4) The employee withdraws from a course after the date specified in the course Bulletin for one hundred percent (100%) tuition refund. Exceptions may be made by the Staff Benefits Manager upon a showing of appropriate cause by the employee (e.g. prolonged incapacitating illness, unanticipated conflict between the employee's work schedule and the course he is enrolled in, etc.).

328

a. A tuition assistance program providing a waiver of one-half (1/2) the cost of undergraduate tuition fees at Eastern Michigan University shall be available to eligible spouses and dependent children of bargaining unit employees. This program applies to tuition only; registration and other incidental fees which may be charged shall be borne by the spouse or dependent child.

329

334

application within the timelines herein provided forfeits eligibility for that term.

- 335 d. A bargaining unit member's spouse or dependent child shall be subject to all University academic standards, policies and practices and may be refused admission to the University, enrollment in courses, or continued enrollment at Eastern Michigan University the same as any other student of the University.

3. Auditing of Classes

336 Regular full-time employees are permitted to audit classes at the University without credit, without tuition, and without following regular enrollment procedures, subject to the following conditions:

337 a. The employee must submit a completed application to the Staff Benefits Office not less than five (5) working days prior to the first day of classes of each semester in which classes will be audited.

338 b. All classes must be audited during non-working hours.

339 c. The Academic Affairs Division reserves the right to deny any employee permission to audit a class in view of the fact that their first consideration is to regular students.

C. ASSOCIATION MEETINGS

340 The Association shall be permitted to use the University facilities which are generally available to the public for regular and special business meetings of the Association, provided the Association makes application and conforms to all rules and regulations established by the University. It is agreed that any expenses incurred by the University (other than those resulting from providing normal meeting facilities) shall be charged to and paid for by the Association.

D. VEHICLE INSPECTION

341 1. The University agrees that patrol vehicles shall receive a safety inspection at least once every four (4) months.

342 2. At the end of their assigned shift, Officers shall remove from patrol vehicles, any litter, (e.g. paper products, etc.) and shall make reasonable efforts to maintain a clean interior. The Employer shall provide for the cleaning of the interiors of patrol vehicles on a weekly basis.

E. DEPARTMENTAL RULES AND REGULATIONS

343 A copy of rules and regulations promulgated or revised by the Campus Police Department shall be made available to each employee.

F. FIREARMS QUALIFICATION

344 In order to ensure the safety of Campus Police, employees, students, and the general public, each employee must be qualified in the operation of firearms used in the performance of his duties. Therefore, the parties mutually agree as follows:

345 1. Each employee shall qualify at the minimum M.L.E.O.T.C. qualifying score on a course generally comparable to the M.L.E.O.T.C. Combat Police Firearms Course. Such course of fire shall be adjusted to take into account pistol barrels that are other than four (4) inches in length.

346 2. Each employee shall qualify in the operation of firearms between June 1 and August 1 of each year and shall do so with his issued departmental firearm, or his personal firearm if it has been inspected and approved by the Director, Campus Police.

347 3. To assist employees in becoming proficient in the use of firearms the University agrees to furnish each employee with fifty (50) rounds of .38 caliber wadcutter practice ammunition during the first week of each month. The University further agrees to provide a reasonable amount of firearm instruction for employees, without pay, during off-duty hours. An employee desirous of such firearm instruction shall notify the University range officer and make the necessary arrangements. Employees shall be responsible for the return of all shell casings of ammunition provided pursuant to the terms of this provision.

348 4. To afford employees who have not previously qualified a final opportunity to do so, the

University further agrees to conduct an open range day between 9:00 a.m. and 6:00 p.m. on the last weekday preceding August 1 of each year.

- 349           5. Employees unable to qualify by August 1 shall be suspended or, at the discretion of the University, reassigned to a position where the employee's duties do not require him to carry a firearm. Upon qualification the employee shall be immediately returned to regular duty if he qualifies during his regular scheduled shift. If the employee qualifies at a time other than during his regular scheduled shift, he shall be returned to regular duty at the beginning of his next regular scheduled shift.
- 350           6. The purpose of suspension is to afford the employee a concentrated period of time in which to practice and, if he so desires, receive additional instruction. Therefore a suspended employee shall, upon seventy-two (72) hours notice to the University's range officer, be given firearm instruction by one of the firearm instructors and/or an opportunity to qualify. Prior to shooting each course, the employee shall designate whether he is shooting for practice and desires instruction from the firearms instructor, or whether he is shooting for qualification.
- 351           7. If an employee is unable to qualify within thirty (30) calendar days of his suspension, a meeting shall be called between the employee's firearm instructor(s), the Director, Campus Police, and the Director of Staff and Union Relations. All facts shall then be reviewed and the Director, Campus Police, shall decide whether the employee in question shall be allowed to continue on suspension, be reassigned to a position where his duties would not require carrying a firearm, or be terminated.
- 352           8. Transfers, suspensions, or terminations as herein provided shall be deemed to be with "proper" and "just cause", and to the extent action taken pursuant hereto shall be deemed in conflict with other provisions of this Agreement, the terms of this provision shall control.

ARTICLE XXX           SCOPE OF AGREEMENT

- 353           A. The University and the Association hereby acknowledge that during the negotiations which resulted in this

Agreement each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining. The understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. This Agreement constitutes the sole and entire existing Agreement between the parties with respect to rates of pay, hours of work, and other conditions of employment and expresses all obligations of, and restrictions imposed upon, the University.

- 354 B. For the term of this Agreement, the University and the Association each voluntarily and unqualifiedly waive the right, and agree that the other shall not be obligated, to bargain collectively with respect to any subject or matter referred to or covered in this Agreement, or with respect to any subject or matter not specifically referred to or covered in this Agreement even though such subject or matter may not have been within the knowledge or contemplation of either or both of the parties at the time that they negotiated or signed this Agreement. It is anticipated, recognized, and agreed that the University shall deal with all matters not expressly and specifically covered herein through the exercise of its management rights and without prior negotiation with the Association.
- 355 C. If any provision of this Agreement shall be held to be contrary to law by a court of competent jurisdiction, from whose final judgement or decree no appeal has been taken within the time provided for doing so, such conflicting provision shall be deemed void and inoperative. All other provisions shall continue in full force and effect. Not later than sixty (60) days after written request by either party hereto, the University and the Association agree to meet for the purpose of rewriting the voided and any other directly affected provisions and those provisions only.

ARTICLE XXXI DURATION AND AMENDMENT

- 356 This Agreement shall supersede and cancel all prior agreements and shall be in full force and effect from June 25, 1986 until and including February 28, 1989, and shall automatically renew itself from year-to-year thereafter unless either party notifies the other in writing between the one hundred and twentieth (120th) day and the ninetieth (90th) day prior to the expiration date that a modification or termination of the Agreement is desired. Should either party to this Agreement serve such notice upon the other

party, the University and the Association shall meet for the purpose of negotiation and shall commence consideration of proposed changes or modifications in the Agreement not less than sixty (60) days prior to the expiration of the Agreement.

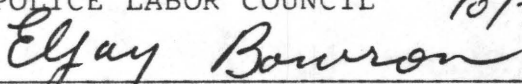

357 If, pursuant to such negotiation, an Agreement on the renewal or modification of this Agreement is not reached prior to the expiration date, this Agreement shall expire at the expiration date unless it is extended for a specified period by mutual agreement of the parties.

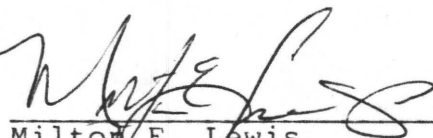

358 In witness whereof, this Agreement has been executed by the parties by their duly authorized representatives having signed and sealed this Agreement on this 30 day of October, 1986.

MEMORANDUM OF UNDERSTANDING

by and between

EASTERN MICHIGAN UNIVERSITY  
and the EASTERN MICHIGAN UNIVERSITY  
POLICE OFFICERS CHAPTER of the  
MICHIGAN FRATERNAL ORDER OF POLICE  
LABOR COUNCIL

Pursuant to and in accordance with the provisions of Article XXII, VACATION AND HOLIDAYS, B, HOLIDAYS of the parties' Collective Bargaining Agreement, dated June, 1986, the 1986-87 Christmas Day and New Year's Day holidays will be observed on Thursday, December 25, 1986, and Thursday, January 1, 1987, respectively. Irrespective of the terms of any other provision of the Agreement to the contrary, for the 1986-87 academic year, the University and Association hereby further designate Wednesday, December 24, 1986, and Wednesday, December 31, 1986, for holiday observance. The terms and conditions governing holiday pay during the above-referenced holidays shall be in accordance with the terms set forth in the parties' Collective Bargaining Agreement, dated June, 1986.

In addition to the aforementioned holidays, the parties hereby designate Friday, December 26, 1986; Monday, December 29, 1986; and, Tuesday, December 30, 1986, as Christmas/New Year Seasonal Days.

An employee who is required by the University to work on a Christmas/New Year Seasonal Day as designated in paragraph 2 above will be paid for time worked at the employee's regular hourly straight time rate plus shift premium, if applicable. In addition, for each one (1) hour worked by an employee, the University shall add one (1) hour to the employee's vacation accrual which thereafter shall be subject to the provisions of Article XXII, VACATION AND HOLIDAYS, A, VACATION, of the parties' Collective Bargaining Agreement, dated June, 1986.

For each Christmas/New Year Seasonal Day an employee is not scheduled or otherwise required by the University to work, such employee shall receive his or her regular hourly rate of pay, exclusive of shift premium, for the number of hours the employee would be regularly scheduled to work [not to exceed eight (8)

hours] on the day on which the Christmas/New Year Seasonal Day is observed, provided the employee meets the following eligibility requirements:

- a. The employee must work the last scheduled workday before and the next scheduled workday after the day of the observance of the Christmas/New Year Seasonal Day, unless the employee's absence has been previously approved by the employee's Department Head, or in cases where approval is not sought and obtained in advance from the Department Head, is caused by such employee having been hospitalized due to accident, injury, or other similar and verifiable situations of extreme personal circumstances;
- b. the employee must be on the University's payroll for the week in which the Christmas/New Year Seasonal Day is observed.

Any employee alleging a violation of the terms and conditions of this provision may process a grievance starting at Step III of the Grievance Procedure provided such grievance is presented, in writing, to the University's Staff and Union Relations Office within five (5) workdays of the date the aggrieved employee(s) or the Association became aware, or reasonably should have become aware of the action complained of. If no grievance is presented in that time, the grievance is barred. For the purpose of this paragraph, Christmas/New Year Seasonal Days shall not be considered workdays.

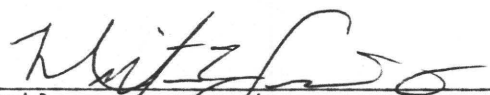

It is further understood and agreed by and between the parties that this Memorandum of Understanding is in effect for the 1986-87 Christmas/New Year holidays, and that the specific Holiday and Seasonal Day observances for the 1987-88 holiday season will be in accordance with the schedule as established by the University for said holiday season.

APPENDIX D

MEMORANDUM OF UNDERSTANDING  
by and between  
EASTERN MICHIGAN UNIVERSITY  
and the EASTERN MICHIGAN UNIVERSITY  
POLICE OFFICER CHAPTER of the  
MICHIGAN FRATERNAL ORDER OF POLICE  
LABOR COUNCIL

RE: MANDATORY SECOND OPINION (MSO) RIDER

It is hereby understood and agreed between Eastern Michigan University and Eastern Michigan University Police Officers Chapter of the Michigan Fraternal Order of Police Labor Council, that the University may, at its discretion, implement a Mandatory Second Opinion (MSO) Program for Eastern Michigan University Police Officers Chapter of the Michigan Fraternal Order of Police Labor Council, Bargaining Unit Members, as described below:

MSO (Mandatory Second Opinion) RIDER

In those instances of non-emergency surgery, it shall be mandatory, prior to surgery, that an employee obtain a second medical opinion, paid for by the University, for surgical procedures including:

1. eyes (primarily cataract surgery)
2. gall bladder
3. hernia repair
4. heart bypass
5. heart valve
6. hysterectomy
7. fallopian tubes and/or ovaries
8. nasal (primarily rhinoplasty)
9. tonsils and/or adenoids
10. prostate

Notwithstanding the results of the Second Medical Opinion, the employee retains the right to elect surgery, without penalty; however, if the Mandatory Second Opinion is not obtained prior to surgery, and surgery is elected, the standard benefit level for the surgery shall be reduced by twenty percent (20%).

In order to obtain the Mandatory Second Opinion, the employee is required to contact the Blue Cross/Blue Shield Office of Michigan Referral Center, which will furnish to the employee the names of three (3) specializing physicians from which the employee may choose one (1) for the second opinion.

At the employee's option, a third surgical opinion for the ten (10) surgeries listed above will be provided when the second opinion did not confirm the first surgeon's recommendation.

In addition, should the University provide the Mandatory Second Opinion (MSO) Rider to Bargaining Unit Members, it shall also provide a voluntary Second Opinion Program whereby the University agrees to pay for a Second Medical Opinion, if so elected by an employee, prior to surgery for procedures not specifically stipulated in the mandatory program.

It is further understood and agreed that the University shall notify Eastern Michigan University Police Officers Chapter of the Michigan Fraternal Order of Police Labor Council, thirty (30) days in advance of the implementation of such a Program.

APPENDIX E

ROTATIONAL SCHEDULING OF OVERTIME

The following is provided as an explanation of the rotational scheduling of overtime provided in Article XVIII.F(1)(2).

	<u>OVERTIME ASSIGNMENT 1</u>	<u>OVERTIME ASSIGNMENT 2</u>	<u>OVERTIME ASSIGNMENT 3</u>
REGULAR OFFICER A (Most Senior)	1 - 0	2 - 0	2 - 0
REGULAR OFFICER B (2nd Most Senior)	2 - 0	3 - 0	3 - 0
REGULAR OFFICER C (3rd Most Senior)	3 - X	4 - 0	4 - X
PROBATIONARY OFFICER D (4th Most Senior)	4 - X	5 - 0	5 - X
PROBATIONARY OFFICER E (5th Most Senior)	5 - X	6 - 0	
PROBATIONARY OFFICER F (6th Most Senior)		1 - 0	1 - 0

- 1 - 6 = Sequence of overtime offered
- 0 = Rejection of offered overtime
- X = Acceptance of offered overtime

OVERTIME ASSIGNMENT 1 (3 Officers Needed):

As Officers A and B opted not to work the available overtime and Officers C, D, and E did; C, D, and E are assigned the overtime.

OVERTIME ASSIGNMENT 2 (2 Officers Needed):

In accordance with rotational offering of overtime, Officer F is next in line to be offered overtime.

All Officers opted to turn down the available overtime; therefore, the assignments may be offered to the two (2) least senior Officers (E and F). However, because both Officers are Probationary, if the Employer deems it appropriate, Officer E (the more senior of the two), may be dropped from the assignment roster and Officer C (the least senior Regular Officer) will be required to work.

OVERTIME ASSIGNMENT 3 (2 Officers Needed):

Applying the rotational offering, Officer F receives the first offer, as the last offer made was to Officer E. The fact that Officer C may have been required to work to balance the assignment between Regular and Probationary Officers is of no consequence and has no effect on the rotational offering system.
