A G R E E M E N T

THIS AGREEMENT entered into this _____ day of _____, 1995, by and between the EATON COUNTY BOARD OF COMMISSIONERS, hereinafter called the "Employer", and the CAPITOL CITY LODGE #141 OF THE FRATERNAL ORDER OF POLICE, SUPERVISORY UNIT, EATON COUNTY CENTRAL DISPATCH DEPARTMENT, hereinafter called the "Lodge".

W I T N E S S E T H

Pursuant to and in accordance with the applicable provisions of Act 379 of the Public Acts of 1965 and of Act 336, Public Acts of 1947, as amended, the parties hereto have engaged into collective bargaining with respect to the salaries, hours of work, and other conditions of employment for the employees in the job classification of Dispatch Supervisor, and have agreed as follows:

ARTICLE 1

RECOGNITION

Section 1. Collective Bargaining Unit. The Employer agrees that during the life of this Agreement it will not recognize any organization other than the Lodge as the collective bargaining agent for the employees occupying, or who may, during the life of

this Agreement, occupy, any of the job classifications set forth in Appendix "A", attached hereto.

Section 2. Other Agreements. The Employer shall not enter into any agreement with one or more of the employees in the bargaining unit or with any other organization which in any way conflicts with the provisions hereof, however the parties may enter into written letters of understanding if properly authorized by their respective agents.

ARTICLE 2

BARGAINING COMMITTEE

Section 1. Bargaining Committee. The Employer agrees to recognize not more than two (2) individuals designated as the Bargaining Committee. The Bargaining Committee members shall be permanent employees in the bargaining unit and shall not be on probationary status. The Lodge retains the right to have up to two (2) non-employee representatives.

The Lodge shall furnish the Board, in writing, a list of its designated Bargaining Committee.

Section 2. Computed As Hours Worked. Employee members of the bargaining committee will be paid by the Employer for time spent in negotiations with the Employer, but only for the straight time hours they would have otherwise worked on a regular work schedule. For the purpose of computing overtime, time spent in negotiations shall be considered as hours worked to the extent of

the regular work schedule hours which otherwise would have been worked by the bargaining committee member.

ARTICLE 3

LODGE SECURITY AND CHECKOFF

Section 1. Agency Shop. Employees covered by this Agreement at the time it becomes effective and who are members of the Lodge at that time shall be required, as a condition of continued employment, to continue membership in the Lodge or pay a representation fee to the Lodge for the duration of this Agreement.

Section 2. Lodge Membership. Employees covered by this Agreement who are not members of the Lodge, shall be required as a condition of continued employment to become members of the Lodge or to pay a representation fee to the Lodge, and such condition shall be required for the duration of this Agreement.

Section 3. Commencement of Dues. Employees promoted into the bargaining unit shall be required as a condition of continued employment to become members of the Lodge or to pay a representation fee to the Lodge for the duration of this Agreement commencing on the first full pay period following the promotion. New employees shall be required to do the same commencing on the first full pay period following the completion of the probationary period.

Section 4. Compliance. Employees shall be deemed to have complied with the terms of this Section if they are not more than sixty (60) days in arrears for membership dues or representation fees, respectively.

Section 5. Maintenance of Membership. The Lodge shall notify an employee who has not paid his dues or representation fee by certified mail with a copy to the Employer. If said employee does not pay the dues or representation fee within (30) days after said notice is received, the Lodge shall notify the Employer by certified mail of this omission. Fifteen days after receipt of notification by the Lodge, the Employer shall terminate said employee.

Section 6. Checkoff. The Employer agrees to deduct the Lodge's dues from the wages of each individual employee in the bargaining unit who voluntarily becomes a member of the Lodge, subject to the following subsections:

(a) The Lodge shall obtain from each of its members a completed checkoff authorization form which shall conform to the respective State and Federal laws concerning that subject or any interpretations made thereof.

(b) All checkoff authorization forms shall be filed with the Employer's Controller's Office who shall return any incomplete or incorrectly completed forms to the Lodge's Treasurer and no check-off shall be made until such deficiency has been corrected.

(c) All other employees covered under this Agreement shall have deducted from their wages a percentage of the membership dues which sum shall be less than one hundred percent (100%) of said dues and which sum shall accurately represent the amount for said employee due the Lodge as their fair share of costs attributable

to negotiating the terms of this Agreement, which sum shall include by way of example, but not by way of limitation, State, National, Lodge or other dues or assessments. The fair share representation fee shall be that amount which the Treasurer of the Lodge so notifies the Employer.

(d) The Employer shall checkoff only those obligations that come due at the time of checkoff and will make checkoff deductions only if the employee has enough pay due to cover such obligation and will not be responsible for refund to the employee if the employee has duplicated a checkoff deduction by direct payment to the Lodge.

(e) The Employer's remittance will be deemed correct if the Lodge does not give written notice to the Employer's Controller within (4) calendar weeks after the remittance is sent of its belief, with reasons stated therefore, that the remittance is not correct.

(f) The Lodge shall provide at least thirty (30) days written notice to the Controller, of the Employer, the amount of Lodge dues and/or representation fee to be deducted from the wages of employees in accordance with this Section. Any change in the amounts determined will also be provided to the Controller, in writing, at least thirty (30) days prior to its implementation. Checkoff Authorization Forms signed by each affected employee should accompany any notification of initial dues or representation

fees deduction as well as any change in said dues or representation fees deductions.

Section 7. Refunds. In cases where a deduction is made that duplicates a payment that an employee already has made to the Lodge, or where a deduction is not in conformity with the provisions of the Lodge Constitution or By-Laws, refunds to the employees will be the sole responsibility of the Lodge and will be made promptly by the Lodge.

Section 8. Objection. Any employee who has a good faith religious objection to the requirements of this Article due to a tenet of his religion or other reasoned grounds arising out of deep personal convictions shall not be subject to those requirements. The reasonableness of the employee's position shall be subject to the Grievance Procedure.

Section 9. Save Harmless. The Lodge agrees to defend, indemnify, and save the Employer harmless against any and all claims, suits or any form of liability to anyone arising out of any of the provisions of this Article, including deduction from any employee's pay of Lodge dues and/or representation fees, and also including anything done in reliance on any list, notice, certification, or authorization furnished under this Article. The Lodge assumes full responsibility for the disposition of deductions so made once they have been sent to the Lodge.

Section 10. Laws-Court Rulings. The Employer shall be required to make dues and fees deductions only as long as it may legally do so.

ARTICLE 4

RIGHTS OF THE BOARD

Section 1. Management Rights. The management of the business of the Central Dispatch Department is vested exclusively in the County, and the County reserves to itself all management functions including full and exclusive control of the content of work and the direction and supervision of the operation of the Central Dispatch Department business and of the employees of the County.

Section 2. Enumerated Rights. This shall include, among others, the right to hire new employees, to direct the working force, to discipline, suspend, discharge for just cause, to establish classifications, layoff employees because of lack of work, or for other legitimate reasons, to combine or split up departments, to make reasonable rules and regulations not inconsistent with the provisions of this Agreement; to decide on the functions to be performed and what work is to be performed by the County or outside agencies, to subcontract, if necessary, or to establish standards of quality all of which shall be subject to the applicable express provisions of this Agreement.

Section 3. Not Inclusive. The above rights are not all inclusive, but are merely an indication of the type of matters or

rights which belong to and are part of the management of the business of the County and the Central Dispatch Department.

ARTICLE 5

SALARIES

Effective January 1, 1994 up to and including December 31, 1997 the salary schedule set forth in Appendix "A" attached hereto and by this reference made a part hereof shall remain in full force and effect. In no event shall salaries of employees be reduced, unless agreed to by both parties or through collective bargaining.

ARTICLE 6

GRIEVANCE PROCEDURE

Section 1. Definition. For the purpose of this Agreement the term "Grievance" means any dispute regarding the meaning, interpretation, or alleged violation of the terms and provisions of this Agreement, or the Rules and Regulations of the Central Dispatch Department.

Section 2. Grievance Content. All grievances shall be in writing and shall include time, date, alleged contractual violation(s) or written rule(s) or regulation(s) that is the basis of the grievance, the facts that gave rise to the grievance, the remedy desired and the signature of the grievant and/or Lodge representative.

Section 3. Time Limits. The time limits established by the grievance procedure shall be followed by the parties and may only be extended by mutual agreement in writing.

Section 4. Forfeiture. In the event a grievance is not timely filed or advanced from one step of the grievance procedure to the next, the grievance will be considered as permanently denied or settled on the basis of the Employer's last answer. Failure of the Employer to respond to a grievance, at any stage, within the time limits specified, shall be considered a denial of the grievance and the grievance may be processed to the next step, including arbitration, provided the grievance is advanced timely from the last day that the Employer's answer was due.

Section 5. Day Defined. Whenever "day" is used, it shall mean the weekdays of Monday through Friday, inclusive except for scheduled holidays, which shall be excluded. A day shall constitute an entire twenty-four (24) hour period.

Section 6. Signed Resolution. The Grievance Procedure shall stop at any point when the parties involved reach a satisfactory solution to the grievance. This final answer shall be signed by all parties involved or a representative of the parties involved.

Section 7. Steps of the Grievance Procedure:

STEP 1: The aggrieved employee and/or Lodge, shall submit any grievance in writing to the Central Dispatch Director or the Assistant Central Dispatch Director within five (5) days after the grievance might reasonably have become known to exist.

The Central Dispatch Director or the Assistant Central Dispatch Director will acknowledge receipt of the grievance with a signature and by entering the time and date received. If not signed by a Lodge representative, the Central Dispatch Director or Assistant Central Dispatch Director shall provide the representative with a copy.

The Central Dispatch Director or the Assistant Central Dispatch Director shall give a written answer to the aggrieved employee and/or Lodge Steward within three (3) days of his receipt of the complaint.

STEP 2: If the answer of the Central Dispatch Director or the Assistant Central Dispatch Director in Step 1 is unsatisfactory to the grievant and/or Lodge, the grievant and/or Lodge, may within three (3) days of receiving the answer in Step 1, and not thereafter, advance the grievance in writing to the Controller or his designee. The Controller, or his designee, will acknowledge receipt of the grievance with a signature and by entering the time and date received.

The Controller or his designee shall schedule and hold a meeting or give a written answer to the grievant and/or Lodge within five (5) days of his receipt of the complaint. If a meeting is held, the answer is due within five (5) days after the date of the meeting.

STEP 3: If the answer of the Controller and/or his designee in Step 2 is unsatisfactory to the grievant and/or the Lodge, the Lodge may, within three (3) days of receiving the answer in Step 2, and not thereafter, advance the grievance, in writing, to the Grievance Board.

The Grievance Board will be composed of three (3) representatives of the Board of Commissioners. A representative of the Grievance Board will acknowledge receipt of the grievance with a signature and by entering the time and date received.

The Grievance Board shall meet within fourteen (14) days of the receipt of the grievance at Step 3. Both the Employer and Lodge retain the right to be represented by an outside representative at the Grievance Board.

The Grievance Board shall hear the matter and attempt settlement of said grievance. The Grievance Board shall give a written answer to the Lodge within fourteen (14) days of the Grievance Board meeting.

STEP 4.: ARBITRATION. If the answer of the Grievance Board in Step 3 is unsatisfactory and the Lodge wishes to carry the grievance further it must, within thirty (30) days notify the Employer, in writing, that it elects to take the matter to arbitration and simultaneously advance the matter to arbitration under the rules of the American Arbitration Association.

(a) The arbitrator shall be empowered to rule only on a grievance which involves an interpretation or application of this Agreement, or the Rules and Regulations of the Central Dispatch Department.

(b) The arbitrator shall not add to, subtract from, ignore or change any of the provisions of this Agreement.

(c) It shall not be within the jurisdiction of the arbitrator to change an existing wage rate, or to establish a new wage rate, nor to rule on the Employer's rights to manage and direct it's work force unless there is contained in the Agreement a specific and explicit limitation of those rights, or to infer from any provision of this Agreement any limitation of those rights.

(d) Each party shall furnish to the arbitrator and to the other party whatever facts or material the arbitrator may require to properly weigh the merits of the case.

(e) The Arbitration Association's administrative fee and other charges as well as the arbitrator's charges for his services and expenses shall be shared equally between the Employer and the Lodge.

(f) The arbitrator's decision, on the arbitrable matter within his jurisdiction, shall be final and binding upon all parties.

(g) Only one grievance shall be presented to an arbitrator in any one hearing, unless the parties mutually agree to combine grievances for the same arbitrator.

ARTICLE 7

DISCIPLINARY ACTION

Section 1. Governing Procedures. In any case where disciplinary action may be taken, the procedures set forth in the section entitled "Disciplinary Proceedings" of the Rules and Regulation Books of the Eaton County Central Dispatch Department, as amended from time to time will be followed, except as modified by this Article.

Section 2. Charges. After the appropriate investigation has been completed, any charges resulting in discipline or discharge shall be reduced to writing and a copy shall be furnished, to the employee against whom the charges are brought, and if the employee wishes, to a Union representative.

Section 3. Specific Section. Such charges and specifications shall cite the specific sections of Rules and Regulations and/or appropriate law or ordinance which the member is alleged to have violated.

Section 4. Statements. No employee shall be required to make any statements concerning the alleged offense prior to consultation with a Lodge representative; provided that a statement may be required within twenty-four (24) hours (one day) of the request for a statement.

Any employee who is to be questioned shall be permitted Lodge representation by a Lodge representative during questioning and may be granted up to twenty-four (24) hours (one day) to arrange for such representation. After such time, the questioning may take place, with or without representation.

Section 5. Representation. At the time the discipline is imposed, the employee, whom the charges have been made against, may be represented by a Lodge representative.

Section 6. Past Infractions. In imposing any discipline on a current charge, the Employer will not base his decision upon any prior offenses which occurred more than eighteen (18) months previously unless directly related to the current charge.

Section 7. Lost Pay or Discharge Grievance. An employee who receives disciplinary action resulting in lost pay or is discharged may file a grievance under the terms of the Grievance Procedure set out in Article 6, beginning at Step 3 of the Grievance Procedure. All other grievances concerning discipline may be filed at Step 2 of the Grievance Procedure.

Section 8. Discipline Absolute. If an employee who is disciplined fails to file a grievance within the time specified in the Grievance Procedure or if, upon the hearing of his grievance, is found to have been properly disciplined then his discipline shall be absolute as of the date of his discipline.

Section 9. Back Wages. If it is found that the employee should not have been disciplined, or that the penalty assessed him

was too severe, then the employee's grievance shall be settled as shall be determined by the Employer and the Lodge, and the employee's payroll and personnel records shall be adjusted accordingly. If the employee is exonerated of the charges causing the suspension, he shall be compensated for all back wages due to the suspension. Such wages shall be based on regular base pay hours and not include overtime.

Section 10. New Hire Probationary Employees. New hire probationary employees, which are employees not previously belonging to the Supervisory or Non-Supervisory Units of the Eaton County Central Dispatch Department, shall not be entitled to the benefits and procedures herein provided in case of disciplinary action, except as provided for in the Department Rules and Regulations. Such employees shall not be entitled to a Lodge representative.

Section 11. Just Cause. All disciplinary action will be for just cause.

Section 12. Personnel Files. The employee shall have the right to review his personnel file at any reasonable time and may place written statements in his personnel file pursuant to Act 337, Public Acts of 1978, and as amended.

Section 13. Suspension. The Employer reserves the right to suspend employees. This suspension may take the form of a suspension from regular duties and temporary assignment to other duties, suspension from all duties with pay, or suspension from

all duties without pay. Prior to the resolution of a disciplinary case at the departmental level, suspension without pay will only be used in cases where the Employer, within his sole discretion, feels the circumstances are of a serious nature.

ARTICLE 8

HOURS OF WORK AND OVERTIME

Section 1. Hours of Work. (a) The Employer shall have the following rights:

(i) To schedule the work of unit employees to meet the needs of the Central Dispatch Department. General shift changes and rotations will be posted a least one (1) month in advance.

(ii) To establish shift starting and quitting times. The Lodge will be notified in advance of general changes in starting and quitting times.

(iii) To change the number of hours which comprise the normal workday of shift, and the number of days or shifts which comprise the normal workweek, including the right to change the number of days off during any particular period of time.

(iv) To require overtime work.

(v) To schedule on a bi-weekly basis, i.e., eighty (80) hours of work in a two week period.

(b) Shift Preference. Non-probationary employees will be given shift preference based on seniority within rank. Prior to any shift preference selections, the Employer may assign a probationary employee or an employee subject to temporary

assignment (under the terms of Article 9, Section 8, of the Central Dispatch Non-Supervisory Unit) to any shift for training.

Shift selections will be conducted in as close to six (6) month intervals as will facilitate an orderly procedure by which the selections may be processed in advance. Shift rotations will be on a quarterly basis.

Section 2. Schedules of Work.

(a) Employees will be given reasonable notice of any individual shift changes.

(b) Employees will not be regularly scheduled with less than ten (10) hours between shifts. If an employee is ordered to work a schedule with less than ten (10) hours between shifts, in violation of the intent of the above sentence, he shall be paid time and one half for such hours between shifts.

Section 3. Pass Days.

(a) Employees receive pass days in lieu of weekends off. In a calendar year there are fifty-two (52) Saturdays and fifty-two (52) Sundays for a total of one hundred four (104) weekend days. Additionally there are twelve (12) holidays recognized in this contract. This is a total of one hundred sixteen (116) days which an employee who works a Monday - Friday schedule would normally be off work each year. The Employer's right in Section 1 to change work schedules is expressly limited to schedules which normally

allow a total of at least one hundred sixteen (116) days off per year. Permissible examples, assuming twelve (12) holidays (this list is not all inclusive):

- (1) Five (5) workdays per week plus the twelve (12) credited holidays as recognized in Article 13, Section 1. The workday shall be eight (8) hours (a one hour unpaid meal period shall be allowed near the middle of the scheduled work shift). A one half hour paid meal period may be granted by the Employer, for any employee working on a continuous assignment. A one half hour paid meal period will be provided for an employee working a modified 5 - 2 schedule (other than Monday through Friday).
- (2) Four (4) ten hour days and three (3) days off with no credited holidays. The workday shall be ten (10) hours including a one half hour paid meal period.
- (3) Six (6) twelve hour days, plus one (1) eight hour day within a fourteen (14) day period with no credited holidays. The work days shall be twelve (12) hours or eight (8) hours including a one half hour paid meal period.

(b) The preceding paragraph (a) is subject to the minimum requirement that each employee shall receive eight (8) pass days (i.e. days off) during each twenty-eight (28) day pay period.

(c) The preceding paragraph (a) is also subject to the requirement that no employee shall be regularly scheduled for more than twelve (12) hours per day.

(d) Additional pass days shall not be granted if an employee works on a pass day or a holiday and is compensated accordingly.

Section 4. Lunch Periods and Rest Breaks. Members of the bargaining unit shall receive two (2) fifteen (15) minute paid rest breaks and a lunch break during each scheduled workday subject to the provisions of (3)(a)(1) and (3)(a)(2). The Employer and the employee both recognize that due to the demands and responsibilities of the assignment, it is not always possible to take the rest breaks and lunch period at a convenient or set time. However, members are encouraged to take their rest breaks and lunch periods when possible.

Employees will take their rest breaks and paid lunch periods in the employee's assigned work area. If another supervisor is scheduled as additional supervisory staff, a supervisor may leave the work area to pick up lunch for other employees. Rest breaks and lunch periods not taken will not accumulate.

Section 5. Overtime. An employee covered by this Agreement who is required by the Department to work time in excess of his regular scheduled hours in any scheduled pay period shall receive additional pay at the rate of time and one half (1 1/2) his hourly rate (salary divided by 2,080 hours) for all such hours.

(a) Nothing herein shall prohibit the employee from electing to accept compensatory time off in lieu of overtime pay which is also earned at the rate of one and one half (1 1/2) times the hours worked.

(b) Such accumulated compensatory time must be taken in at least one half (1/2) hour increments at a time mutually agreeable between the Employer and the employee.

(c) Such compensatory time may be accumulated to a maximum of one hundred and sixty (160) hours. Accumulated compensatory time may be paid to an employee, minimum of twenty (20) hours, upon written request by the employee, up to a maximum of eighty (80) hours once each calendar year (the first pay period in December). Accumulated compensatory time must be used prior to separation to allow for a maximum payout of no more than eighty (80) hours.

Section 6. Pyramiding of Overtime. Overtime shall not be pyramided.

Section 7. Court Time. Any employee of the bargaining unit who is required to attend court or appear before a Commission during off duty time, which results in them working in excess of the regular workday or in excess of eighty (80) hours in a bi-weekly pay period, will be considered on duty and will be paid overtime under the following circumstances. Employees have the option to be paid overtime or take compensatory time, both of which shall be at time and one-half.

(a) In criminal cases arising out of the employee's official performance, where the employee is not a defendant.

(b) In civil cases related to the employee's official performance where the employee is not the plaintiff and has

received a valid subpoena or has been instructed by the Employer to appear. In such cases, and also when attending civil court as a part of a regularly scheduled duty shift, all available fees shall be accepted by the employee and turned over to the Employer. An employee of the bargaining unit who is required to attend court as described above, while on duty, will attend court in a regular duty status.

Section 8. Changes in Workweek/Workday. All changes, pursuant to Section 1 (c) in the workweek or workday or any change involving a combination of the length of workday or workweek will be discussed with the Lodge before the change is implemented.

Section 9. Call Back. If an employee is called back to work (including court time) during scheduled off duty time, he will be compensated for a minimum of two (2) hours in which case he shall be paid for all hours or portion thereof worked. Provisions of this Section are not applicable when call back works into the start of an employee's regular shift. In this case, overtime will be paid.

Section 10. Authorization of Overtime/Call Back. Overtime and call back must be authorized by the Employer or its designated representative before it will be paid.

Section 11. Layoff in Lieu of Reduced Hours. An average of forty (40) hours of work per week shall be maintained if possible. If necessary, junior employees will be laid off so that senior employees may maintain an average of forty (40) hours of

ARTICLE 9

SENIORITY

Section 1. Definitions. (a) County seniority shall be defined as continuous length of service with the Employer from date of last hire. It shall equal the time actually spent on the active payroll, plus approved leaves of absence, unless otherwise provided in this Agreement. A permanent full-time employee will begin to accumulate seniority upon the expiration of his probationary period, at which time his name will be placed on the seniority list as of his last date of hire as a full-time employee of the Department.

(b) Seniority with rank shall be defined as continuous length of service within the current rank. It shall equal the time actually spent in rank on the active payroll, plus approved leaves of absence, unless otherwise provided in this agreement.

Section 2. Seniority List. A seniority list shall be prepared and a copy posted on the bulletin board. It shall be revised and kept current by the Employer

Section 3. Job Probation. Following the granting of a promotion the successful employee shall have a twelve (12) month probationary period, during which he may be returned to his previous rank at the Employer's discretion subject to just cause

for the return or the employee may voluntarily return to his previous rank.

During the probationary period, the employee shall receive the rate of pay of the rank to which he has been promoted.

Section 4. Loss of Seniority. Seniority shall be lost and employment relationship shall end under the following conditions:

- (a) By quit or discharge for cause.
- (b) Failure to return to work upon recall from a layoff.
- (c) Failure to return to work at the expiration of a leave of absence.
- (d) Laid off for more than two (2) years or the length of his seniority, whichever is less.
- (e) Retirement.

The seniority of an employee that has been lost under the above provisions may be restored in full or in part by mutual agreement between the Employer, the employee and the Lodge.

Section 5. Probationary Employees. All new employees, as opposed to promoted employees, shall be on probation for nine (9) months from their date of hire. During this period an employee shall be considered as a temporary employee for the purposes of probation.

Until a new employee has completed the probationary period described herein, he may be laid off, disciplined, or discharged without regard to this Agreement and without recourse to the

Grievance Procedure. The Employer shall have no obligation to re-employ an employee who is laid off or discharged during his probationary period. However, the Lodge will represent such employees for the purpose of collective bargaining in respect to their rates of pay, hours and other conditions of employment.

Section 6. Seniority Employees Promoted Outside the Bargaining Unit. If an employee is promoted outside this bargaining unit and returns, after continuous service in Central Dispatch, the employee shall only retain his seniority previously earned in this bargaining unit.

Section 7. Employees With Same Seniority Within Rank. As between two (2) or more employees who have the same seniority within a rank, the employee with the longer seniority with the County shall be deemed senior within rank. If both date of rank and seniority with the County are the same, then seniority shall be determined by the drawing of names.

Section 8. Temporary and Special Assignments.
(a) Temporary Assignments. If an employee is temporarily assigned to fill a higher position, by being given at least 24 hours advance notice, the employee will be paid at the level of the pay scale that represents at least a five percent (5%) increase over their current pay scale for all assigned hours worked. The Employer shall make assignments to temporary vacancies in higher positions based on all appropriate factors, one of which shall be seniority. When the vacant higher position

is no longer temporary, but permanent, the Employer shall follow the Rules and Regulations currently used by the Central Dispatch Department to fill the permanent vacancy.

(b) Training Assignment. Any employee who has been designated by the department as a trainer and is actively training a probationary bargaining unit employee shall receive an additional compensation equivalent to three quarters (3/4) hour pay per shift for each shift assigned to that duty.

Section 9. Resignations. The Employer, the Lodge, and its members, recognize that due to the demands and responsibilities of the Central Dispatch assignments, that employees who desire to terminate their employment with the Employer, should give at least four (4) weeks written notice of termination of employment to the Employer, unless there are circumstances which do not permit such advance notice.

ARTICLE 10

LAYOFF AND RECALL

Section 1. Order of Layoff. When the Employer determines that layoffs are necessary due to reduced finances, reduced workload, or programmatic changes, he shall layoff employees according to which program area of the Department can best afford the reduction in personnel. Any laid off employee shall then have the option of bumping an employee of less seniority within rank (as defined in Article 9, Section 7) or agreeing to the layoff.

Such bumping shall continue in the manner described until the least senior employee in the unit is laid off.

An employee who is bumped is considered laid off for the purpose of this article.

Bumping shall occur according to seniority within rank (as defined in Article 9, Section 7). Any employee utilizing the displacement rights provided by this Article and subsections thereof, must be able to perform the required work. (It is understood by the parties that the individual must meet the minimum qualifications for said position). If a laid off employee does not meet the minimum qualifications at the time of layoff to allow him to exercise his bumping rights, but subsequently takes the necessary steps through training, etc., to meet those minimum qualifications, he may at the conclusion of the necessary training, etc., exercise his bumping rights. An employee who has bumped into a new position shall be removed from that position and re-enter the bumping system if he has not demonstrated an ability to perform the new duties satisfactorily within thirty (30) days.

If an employee is, by exercise of his seniority within rank, unable to displace anyone in the unit, he may utilize previously earned seniority to displace an employee with less previously earned departmental seniority as defined in the Non-Supervisory Central Dispatch Unit pursuant to Article 9, Section 5, of that collective bargaining Agreement.

Section 2. Notice of Layoff. The Employer shall give written notice to the employee and Lodge of any proposed layoff. Such notice shall be submitted at least two (2) calendar weeks before the effective date thereof unless there are circumstances which do not allow such advance notice.

Section 3. Recall Procedure. When the working force is increased after a layoff, employees will be recalled in inverse order of layoff, within rank. Notice of recall shall be sent to the employee at the last known address by registered mail or certified mail. If an employee fails to report for work within one (1) week from date of receipt of notice of recall, he shall be considered to have quit. It shall be the responsibility of the employee to make the Employer aware of their current address.

Section 4. Reinstatement. When applicable positions become available, any employee demoted or laid off from the bargaining unit shall be reinstated to the rank held prior to the demotion or layoff without being required to take a promotional examination. No new promotions shall be made to any applicable rank until all such employees have been reinstated, have refused promotion, or have quit.

Section 5. Voluntary Layoff. (a) In the event of layoffs, the Employer shall post the anticipated duration and number of employees to be subject to layoff for the purpose of determining whether any employees in the bargaining unit desire to participate in a voluntary layoff by signing the posting. In the event the

number of employees indicating a willingness to participate in a voluntary layoff exceeds the number of positions subject to layoff, the Employer shall grant the requests on the basis of seniority within rank; affording to the most senior employee the first option.

(b) Voluntary layoffs shall be subject to the approval of the Central Dispatch Director or his Designee based on the operational needs of the Department. An employee(s) who is approved for voluntary layoff shall not be able to exercise the bumping provisions described in this Article, unless the period of layoff exceeds the periods described in the posting.

(c) The Employer retains the right to call the voluntary layoff employee back to work with two (2) weeks notice at any time prior to the expiration of the voluntary layoff, subject to the operational needs of the Department. Should the employee decline to return to work, his employment shall be terminated.

(d) If an employee should volunteer for such layoff for the time specified by the Employer, and the layoff should extend beyond the time period so specified, the employee(s) in question shall be recalled and, if layoffs are still necessary, they will proceed in the manner outlined above. The voluntary layoff employee subject to recall may notify the Employer at the time that he does not wish to return to work, and will be terminated from employment.

(e) If the Employer does not secure any layoff by voluntary action, or if the number of volunteers for layoff status does not equal the number of positions subject to layoff, the provisions of Section 1, above, will be applicable.

(f) Employees that are placed upon layoff status as volunteers will be subject to the provisions of Article 9, Section 1 and 4 regarding seniority, and Article 16, Section 6, regarding insurance benefits.

ARTICLE 11

UNPAID LEAVES OF ABSENCE AND SICK PAY

Section 1. Good Cause. Leave of absence may be granted by the Employer for good cause, during which the employee shall continue to accumulate seniority.

Section 2. Military Leave of Absence. Application for military service leave of absence shall be made to the Central Dispatch Director in writing as soon as the employee is notified of acceptance in military service and, in any event, not less than two (2) weeks prior to the employee's departure. The Employer and the Lodge agree that the matter of leave of absence for an employee during the period of his military service with the Armed Forces of the United States and of his reinstatement thereafter shall be governed by applicable statutes. An employee in military service shall retain any unused sick leave or vacation time accrued and rights under such provisions shall be governed by applicable Federal and State law.

Section 3. Other Leaves. Leaves for sickness, disability, or injury of an employee other than those governed by Worker's Compensation or covered under the Employer's sickness and accident program may be granted upon receipt of notice by the Employer and will be for a fixed period with the obligation on the employee to report any change of conditions or request a continuation.

Employees requesting such leave, or continuation of same, within reasonable limits may be requested to present a supporting certificate of a physician. An employee returning from such leave may be required to pass a physical examination given by a physician approved by the Employer.

Section 4. Sick Pay.

(a) Employees Hired Prior to January 1, 1991. All full time unit employees shall be eligible to accumulate sick leave hours at the rate of three (3) hours per pay period. Paid sick leave may be accumulated to a maximum of 500 hours with no annual payout.

Upon retirement or separation from employment with the Department, a full time non-probationary employee shall be paid for only seventy five percent (75%) of their accumulated sick leave hours with the amount of pay for each such hour being based upon his most recent rate, or an average of his most recent five (5) year pay rate, whichever is higher.

(b) Employees Hired, Promoted, or Transferred into the Unit After January 1, 1991. All full-time unit employees shall be eligible to accumulate sick leave hours at the rate of three (3)

hours. each pay period. Employees hired from outside the county shall commence earning sick leave hours, at such rate, only after they have completed six (6) months of continuous employment. Employees from the Department promoted to a position in the unit shall be eligible to earn sick leave immediately. Paid sick leave may be accumulated to a maximum of 500 hours with no annual payout.

Any employee who retires and is immediately eligible for retirement benefits as defined by the Municipal Employees' Retirement System shall be paid for only fifty percent (50%) of their accumulated sick leave hours with the amount of pay for each such hour being based upon his most recent rate, or an average of his most recent five (5) years' pay rate, whichever is higher.

(c) Critical Illness in Family. It is understood that accumulated sick leave may be used in cases of critical illness in an employee's immediate family for a period of three (3) days or less. "Immediate Family" is defined as the spouse, child, brother, sister, parents or grandparents of the employee or the employee's spouse. An employee who uses sick leave days for any such critical illness shall notify the Employer in advance of taking such leave and shall upon request furnish reasonable proof of the necessity of such leave.

(d) Sick leave shall not run concurrently with vacation leave and no sick leave shall be taken as vacation leave.

(e) It is clearly understood that sick leave days are meant to compensate employees who are off work because of bona fide

critical illness in the immediate family. The Employer shall not be required to pay sick benefits to employees who violate this understanding and such employees will be disciplined up to and including discharge.

(f) Except as provided otherwise in this Article, an employee excused from work under this Article shall receive sick pay for the number of regularly scheduled hours per day according to the work schedule the employee is assigned to at the time the sick day is used. Sick time shall not be used in less than one half (1/2) hour increments.

(g) An Employer may require verification, including a physician's certificate to verify the necessity of sick leave and/or to verify that an employee is able to return to work.

Section 5. Leave for Lodge Meetings. Employees who want to attend meetings of the Lodge shall be allowed time off without pay to attend such meetings, subject to the following guidelines:

(a) Only one (1) employee may be gone at any one time.

(b) No employee may be gone more than three (3) days in any calendar year, and

(c) The combined total of all leave days for all employees shall not exceed six (6) days per calendar year.

Section 6. Family and Medical Leave. The Family and Medical Leave Act requires those Employers with 50 or more employees to allow employees to take an unpaid leave of absence for up to 12 weeks per calendar year. The leave may be taken for the birth of

a child, placement of a foster care child in the employee's home, adoption of a child or to care for a seriously ill immediate family member. Immediate family members include child, spouse or parents.

The employee must have worked the 12 months prior to the request for unpaid leave and must have worked at least 1250 hours in that 12 month period to qualify for this unpaid leave of absence. The employee is required to give a 30 day notice of their intent to use the leave, whenever foreseeable. The proper forms may be obtained from the Employer. In the event that the leave is being requested for the care of an immediate family member, it will be required to have a physician's statement certifying the necessity for such leave. In the event that the leave is for the birth of a child, any time off under the County's Short Term Disability Plan is included as part of the 12 weeks allowed under the Family and Medical Leave Act.

Although the law indicates that an employee is entitled to a 12 week unpaid leave of absence, the County has the right to, and may require its employees to use their accumulated sick leave (where applicable) or annual leave. However, this does not extend the leave beyond the 12 weeks.

The Employer is also required to continue all health insurances as though an employee is actively working for a maximum of 12 weeks. However, the Employer does have the right to collect

premiums for the health insurances in the event an employee does not return to work at the end of their 12 week leave, unless medically not able to return.

ARTICLE 12

BEREAVEMENT PAY

Section 1. Immediate Family. When death occurs in an employee's immediate family, i.e., spouse, parent, parent of current spouse, child or step-child, brother or sister, the employee on request will be excused for up to three (3) normally scheduled working days immediately following the date of death and through the day of the funeral, provided he attends the funeral.

Step-parents, step-brothers and step-sisters shall also be included above if the step-relationship began before the employee reached his 19th birthday.

Section 2. Grandchild/Grandparent. An employee who is absent from work due to the death of a grandchild or grandparent shall receive one (1) day of paid funeral leave for the date of the funeral.

Section 2. Computation of Vacation Pay. Vacation pay shall be computed on the basis of the employees current straight time rate at the time the vacation is taken.

Section 3. Maximum Accumulation/Separation. Vacation credits may be accumulated to a maximum of one hundred and sixty (160) hours. Upon retirement or separation from employment with the Department, an employee shall be paid for their unused vacation hours, with the amount of pay for each such hour being based on his most recent rate, or an average of his most recent five (5) years pay rate, whichever is higher, up to a maximum payout of no more than one hundred and sixty (160) hours.

Section 4. Eligibility. To be eligible for full vacation pay an employee must have been a full-time employee and have received pay during all available work hours during the year preceding his anniversary date or have received a paid leave during the same period. ARTICLE 16

INSURANCE AND PENSION BENEFITS

Section 1. Health Insurance - Current Employees.

(a) Coverage. The Employer shall continue to provide health insurance for each employee and his family. Coverage for eligible employees shall begin on the first day of the month following thirty (30) days of employment.

All eligible permanent full-time employees shall be covered by the Blue Cross/Blue Shield Insurance Plan Master Medical, Option I, 80/20 Co-Pay. This Blue Cross/Blue Shield Insurance Plan shall include a \$5.00 prescription rider, a Predetermination Program, and a Mandatory Second opinion Program.

Any employee, at their option, may enroll in Blue Care Network of Mid-Michigan instead of Blue Cross. The coverage provided by Blue Care Network of Mid Michigan will be comparable to that provided by Blue Cross. The County will be responsible

for paying the premium cost of the comparable coverage as long as it does not exceed that of the Blue Cross/Blue Shield Insurance Plan. In the event it does, the employee will be responsible for paying the difference through payroll deduction.

The Employer will make Physicians Health Plan (PHP) coverage available to employees in the bargaining unit on the same basis and terms as Blue Care Network of Mid-Michigan referred to above.

(b) Payment in Lieu of Coverage. All eligible permanent full-time employees as of September 1 of any year, excluding anyone whose status as an employee has ended prior to that date, who is eligible for health insurance via another source and who executes an affidavit to that effect may elect not to be covered by the health insurance provided under this Article. The decision to waive coverage shall be made once per calendar year. A waiver agreement drafted by the County shall be executed by the employee. In the event the employee elects to forego health insurance, the County shall pay an amount up to one thousand dollars (\$1,000.00) into a deferred compensation plan as selected by the employee or directly to the employee as taxable compensation. The payment shall be made on an annual basis, on the first payday of September. An employee is eligible for full payment if they have been eligible for County paid health insurance for the prior twelve (12) month period or a pro-rated payment if they have been eligible for less than the full twelve (12) month period.

In the event a husband and wife are both employees of the County, or any of the Courts of Eaton County, the payment provisions in lieu of health insurance coverage as stated in the above paragraph shall apply. As long as there is a savings to the County in premium costs, a married couple can elect to have two County paid single subscriber coverages and still be eligible for the payment in lieu of health insurance (five hundred dollars (\$500.00) each).

An employee losing health insurance coverage from another source shall notify the County Personnel Department in time so that the employee and dependents, where appropriate, can be re-enrolled in a health care plan beginning the first day of the month following alternate coverage. No pre-existing condition requirement has to be met in this situation. The employee shall be paid a pro-rated payment. Said payment shall be based on the number of months of full time service credited to an employee from the preceding September 1.

Employees eligible for payment in lieu of health insurance and who retire on a regular or disability basis shall be paid a pro-rated payment. Said payment shall be based on the number of months of full-time service credited to an employee from the preceding September 1.

An employee who obtains health insurance coverage from another source, and elects not to be covered by the County's health insurance shall be paid a pro-rated payment. Said payment

shall be based on the number of months of full time service credited to an employee from the time they obtained the alternate coverage until September 1.

Section 2. Health Insurance - Retirees.

(a) Eligibility. The Employer agrees to provide the same health insurance coverage referred to in Section 1 of this Article for all eligible employees with the Employer paying the appropriate hospitalization health insurance premiums. Retirees are required to apply for Medicare (Parts A and B) when they are eligible to do so. An eligible employee is one who:

1. Has twenty-five (25) years of service under the Municipal Employees Retirement System (MERS), is at least fifty-five (55) years of age, and has not had any lapse in group health coverage, or
2. Is retired due to duty disability as determined by MERS,
3. Is an employee who retires with twenty-five (25) years of service and has not attained the age of (55) and who maintains health coverage. When said employee reaches age 55, he becomes eligible for the Employer's paid group health coverage as provided herein, provided, the employee can document continuous group health coverage from the date of retirement. It is the expressed intent of the parties that years of service (25 years of service) be rewarded.

(b) Working Elsewhere After Retirement. An eligible retiree, past or present, may be employed elsewhere after retirement. If such eligible retiree's employment is with another Employer providing group health coverage, which is available at no cost and is equal to or better than the coverage provided by the Employer, he must secure coverage from that group. The retiree may then return to the Employer's group health coverage upon his separation from the other Employer or if the group health coverage with the other Employer does not continue to be available at no cost or be equal to or better than the coverage provided by the Employer.

(c) Alternate Coverage. An eligible retiree, past or present whose spouse has group health insurance coverage from another source which is available at no cost and is equal to or better than the coverage provided by the Employer must secure coverage for the spouse from that group. The spouse may be covered by the Employer's group health coverage upon becoming ineligible to be covered by the other source or if the alternate coverage does not continue to be equal to or better than the coverage provided by the Employer.

(d) Spouse Coverage. An eligible employee may include health insurance coverage for his spouse under the following conditions:

(1) From the date of the employee's retirement up until the annual open enrollment period for group health coverage, the

Employer will pay 50% of the premium difference required to include the spouse with the employee paying the remaining 50% of the premium difference.

(2) For the next twelve month period, the Employer will be responsible for paying 60% of the premium difference required to include the spouse with the employee paying the remaining 40% of the premium difference.

(3) For the next twelve month period the Employer will be responsible for paying 70% of the premium difference required to include the spouse with the employee paying the remaining 30% of the premium difference.

(4) For the next twelve month period the Employer will be responsible for paying 80% of the premium difference to include the spouse with the employee paying the remaining 20% of the premium difference.

(5) For the next twelve month period the Employer will pay 90% of the premium difference required to include the spouse with the employee paying 10% of the premium difference.

(6) The Employer will be responsible for the entire premium payments made thereafter. An employee whose spouse is not immediately covered from the date of the employee's retirement because of alternate coverage as specified in (c) above, and who subsequently becomes eligible shall enter the Employer's payment schedule based on the date of the employee's retirement.

In the event of the employee's death, the spouse (at time of retirement) may continue coverage as described in this Section at the Employer's expense.

(7) If an employee acquires a spouse after the effective date of retirement, this spouse may secure County health insurance coverage at the employee's expense. It is the intent of the parties that this option apply only to the first new spouse after retirement.

(e) Continuation of Employer's Group Health Coverage. Any employee who retires and is not eligible for health insurance coverage as described herein and (1) who is immediately eligible for retirement benefits under MERS or (2) is retired due to non-duty disability as determined by MERS may remain on the Employer's health insurance plan by paying the full amount of the premium on a pre-paid quarterly basis. Procedure for such payment will be established by the Employer.

Section 3. Increased Premiums. Insurance premium increases during the life of this Agreement shall be paid by the Employer.

Section 4. Dental Insurance. All employees and their families shall be covered by a Dental Plan. Dental Services will be provided with the employee paying 50% of claims and the Plan paying 50% of the claims up to a maximum of \$600 per covered person per year.

Section 5. Accident and Sickness Benefits. The weekly accident and sickness benefit will be two-thirds (2/3) of salary to a maximum of Three Hundred and Ten (\$310) dollars for twenty-six (26) weeks maximum--first (1st) day accident, eighth (8th) day sickness. Increases (not reductions) of the weekly maximum benefit approved in the County Plan shall be applicable to the members of this Bargaining Unit. Any employee shall have the option of using accumulated leave time to supplement the accident and sickness benefit up to his regular salary. When an employee is off on a short term sickness and accident leave and the leave includes a holiday, the employee shall not be charged with accumulated leave if they have been continuously supplementing the necessary hours to make up full days since the start of their disability.

Disabilities caused or contributed to by pregnancy, childbirth, or related medical conditions shall be treated the same as any other disability under this plan. In order to continue to receive disability payments for more than 6 weeks, a doctor's excuse must be provided which indicates the necessity for a longer recovery time.

The Employer shall continue to pay the full cost of life, sickness, dental and health insurance premiums for the length of the disability.

Section 6. Life Insurance and Accidental Death and Dismemberment Coverage. The life insurance policy shall be Ten Thousand Dollars (\$10,000) for each employee eligible for insurance. Employees are also eligible for Fifteen Thousand Dollars (\$15,000) of accidental death and dismemberment coverage. The Employer shall pay the full cost of both of these coverages for all full-time employees who have completed one (1) month of employment.

Section 7. Life, Sickness, Dental and Health Insurance Premiums When on Unpaid Status. An employee on an unpaid sick leave of sixty (60) calendar days or more, or an employee on layoff of thirty (30) calendar days or more, or off work and entitled to Workers' Compensation for twenty-six (26) weeks or more, shall pay full cost of life, sickness, dental and health insurance premiums. An insurance notice will be attached to the sick leave of absence form.

Section 8. Insurance Coverage Changes. If an employee wishes to make any change to their health insurance coverage such as an address change, addition of a dependent, deletion of a dependent, etc. the Employer must be notified, in writing within three (3) weeks of the occurrence. If the notice of the addition of dependents is not made within the three (3) week period, the addition will not be able to be effective until the next open enrollment period, which is September 1 of every year.

Section 9. Specimen Insurance Contracts. Specimen insurance contracts including eligibility requirements and benefit schedules are available for inspection on request.

Section 10. Workers' Compensation Supplement. When an employee is off work and entitled to Workers' Compensation payments the County will provide the difference in pay between an employee's regular pay and the Workers' Compensation benefit for a period not to exceed one (1) year.

Section 11. Pension.

(a) Continuation of the Municipal Employees' Retirement System (MERS). The Employer agrees to continue to apply the Municipal Employees' Retirement System (MERS) to employees in the bargaining unit represented by the Lodge for the duration of this agreement as set forth in the plan, the terms and conditions of which are binding on the parties as though fully set forth herein, with the same benefits as presently in effect.

(b) Employees Contribution. The employees' current contribution rate to their Retirement Plan is 5.8%.

Neither the Lodge nor any employee shall, either directly or indirectly, cause, attempt to cause, or participate in any strike of any sort whatsoever, either directly or indirectly, any complete or partial stoppage of work, walkout, slowdown, or refusal to do reasonably assigned work or interfere in any manner with any of the normal operations of the County or in any conduct which causes or results in such interference.

Should any part hereof or any provision herein contained be rendered or declared illegal by reason of existing or subsequently enacted legislation or by a decree by a Court of competent jurisdiction or an unfair labor practice by final decision, such invalidation of such part or portion of this Agreement shall not invalidate the remaining portions thereof.

Section 2. Negotiations. The parties agree to enter into immediate collective bargaining negotiations for the purpose of arriving at a mutually satisfactory replacement for any part hereof contained which has been declared illegal as referred to in Section 1.

ARTICLE 22

WRITTEN AGREEMENTS

There are no understandings or agreements or past practices which are binding either upon the Employer or the Lodge other than the written agreements enumerated or referred to in this Agreement. No further agreement shall be binding on either the

Employer or the Lodge until it has been reduced to writing and signed by both the Employer and the Lodge.

ARTICLE 23

COMPLETE AGREEMENT

It is hereby agreed that this Agreement is the complete understanding between the parties. Any subject whether discussed during negotiations or not shall not be negotiated during the life of this Agreement, except by mutual agreement by the Employer and the Lodge.

Section 2. Special Conferences. Special conferences for important matters, including safety, will be arranged between the Lodge and the Employer or its designated representative at mutually convenient times and places when there are important matters to discuss. Such meetings shall be between one (1) or more representatives of the Employer and one (1) or more representatives of the Lodge. Arrangements for such special conferences shall be made in advance and an agenda of the matters

to be taken up at the meeting shall be presented at the time the conference is requested. Matters taken up in special conference shall be confined to those included in the agenda, unless both parties agree to include other items. Up to two (2) employee representatives will be compensated for scheduled work hours lost while in attendance at these joint meetings. Conferences shall be held on a weekday.

Section 3. Equality of Treatment. It is agreed by the Employer and the Lodge that the County is obligated, legally and morally, to provide equality of opportunity, consideration and treatment of all members of the Lodge and to establish policies and regulations that will insure such equality of opportunity, consideration and treatment of all members employed by the County in all phases of the employment process.

The Central

Dispatch Director shall grant permission within a reasonable time, after the first hour of the shift, for such Steward to leave his work for these purposes subject to overriding work consideration. The privilege of such Steward leaving his work during hours without loss of time or pay is subject to the understanding that the time will be devoted to the proper processing of grievances and will not be abused. Abuse of such privilege is proper grounds for discipline up to and including discharge. The Steward and alternate, may be required to record time spent. All such Stewards will perform their regular duties in addition to the handling of grievances as provided herein.

Section 3. Notice to the Employer. The Lodge will furnish the Employer with the names of its Stewards and Officers who are employed within the unit and changes as they may occur from time to time in such personnel so that the Employer may at all times be advised as to the authority of the individual representatives of the Lodge with which it may be dealing.

Such hours shall not be counted for computing overtime or other premium pay. To the extent possible, the Employer will attempt to adjust an employee's schedule to accommodate their being selected for jury duty. Section 2. Employer Established Rate. The Employer will, after written notice to the Lodge, establish a rate for the new classification, which shall be considered temporary for a period of thirty (30) days following the date of notification to the Lodge. During this period, the Lodge may request in writing a meeting with the Employer to review the temporary rate. If a rate cannot be agreed upon, the Lodge can appeal the rate to the Grievance Procedure at Step 3. Such appeal shall preclude submission of a new classification wage rate to arbitration under Public Act 312 or any other statutory procedure.

Section 3. Retroactivity. If a new rate is agreed upon, it shall be applied retroactive to the first day the employee began work on the job unless otherwise agreed to. If no written request

It is further agreed by and between the parties hereto that the agreement reflected herein will expire December 31, 1997, and that the parties' agreement reflected herein shall not affect in any way the respective rights of the parties at issue in a current appeal presently pending before the Michigan Court of Appeals related to the Act 312 status of this bargaining unit.
