Section

1. The teachers in the Elk Rapids School District recognize that the cessation or interruption of professional services by teachers is contrary to law and public policy. Therefore, the Board and the Elk Rapids Education Association, Northern Michigan Education Association, agree that all differences between them shall be resolved by the orderly procedures provided herein without interruption of the school program. Accordingly, teachers in the Elk Rapids School District agree that during the term of this agreement they will not authorize, instigate, participate in, encourage, or support any strike or any form of work cessation or interruption of professional services in the Elk Rapids School District, and pledge themselves to the purpose of insuring continuation of the established educational program of this district.

ASSOCIATION DUES, FEES AND PAYROLL DEDUCTIONS

Section

1. Within five days after the beginning of their employment hereunder, teachers may deliver to the Board a written, voluntary assignment authorizing deduction of membership dues for the Elk Rapids Education Association, Northern Michigan Education Association, Michigan Education Association, National Education Association, such dues to be deducted in twenty equal installments beginning with the first pay period of each school year and to be remitted to the Association, provided the Association submits a list of continuing membership to the Board by August 15 each year.
2. Revocation of such authorization for dues deduction must be delivered to the Board, at least one week prior to its effective date, in writing.
3. The Association agrees to indemnify and save harmless the Board for all sums improperly deducted and remitted to the teacher association.
4. Any bargaining unit member who is not a member of the Association in good standing or who does not make application for membership within thirty (30) days from the first day of active employment shall, as a condition of employment, pay a representation benefit fee to the Association pursuant to the Association "policy regarding objections to political ideology expenditures" and the administrative procedures adopted to that policy. A representative benefit fee shall not exceed the amount of the Association dues collected from the Association members. The bargaining unit member may pay such fee directly to the Association or authorize payment through payroll deduction as herein provided. In the event that the

bargaining unit member shall not pay such representation benefit fee directly to the Association or authorize through payroll deduction the employer shall, upon completion of the procedures contained in paragraph III and pursuant to MCLA 308.477; MSA 17.1277 (7) and at the request of the Association deduct the representation benefit fee from the bargaining unit members' wages and remit same to the Association.

In the event that the Board is prohibited by legal decision to deduct the service fee from a bargaining unit member who does not authorize the deduction of the representation benefit fee, the employer, at the request of the Association, shall terminate the employment of such bargaining unit member. The parties expressly agree that the failure of any bargaining unit member to comply with the provisions of this article is just cause for discharge from employment.

The Association shall hold the Board harmless for any and all claims, demand suits, or other forms of liability by reason of action taken or not taken by the Board or suits designated agents for the purpose of complying with the provisions of the agency shop agreement herein contained. It is understood that the Association should have the right to comprise claims which may arise under this save harmless clause.

The Association has established a "policy regarding objections to political ideology expenditures." The policy (a copy of which shall be provided each non-member bargaining unit member by the Association) and the administrative procedures (including the timetable for payment) pursuant thereto applies only to nonunion bargaining unit members. The remedies set forth in such policies shall be exclusive and unless and until such procedures, including any administrative or judicial review thereof shall have been availed of the exhausted, no dispute, claim or complaint by an objecting bargaining unit member concerning the application and interpretation of the article shall be subject to the grievance procedures set forth in this agreement or any other administrative or judicial procedure.

Due to certain requirements established in recent court decisions, the parties acknowledge that the amount of the fee charged to non-members along with other required information may not be available and transmitted to non members until mid-school year. Consequently, the parties agree that the procedures in the article relating to the payment or nonpayment of the representation fee by non members shall be activated thirty (30) days following the Association's notification to non members of the fee for the given school year. In such event, it is agreed that the employee remains obligated for the entire annual representation fee. The Board agrees to provide the services mentioned in paragraph a above without charge to the Association.

Section

1. The calendars for 1994-95, 1995-96, and 1996-97 are enumerated in Article 41 of this Agreement.

 - c. The Arbitrator shall not have the authority to change the existing salary structure; however, he/she may rule on the proper placement on the salary schedule.

 - d. The Arbitrator shall not have the authority to rule on the Board of Education's, the Superintendent's, or the Principal's right to manage or direct the work of a teacher, except as specifically limited within this Agreement, and may not infer from any provisions of this Agreement any limitation of those rights.

 - e. Each party shall furnish to the Arbitrator and to the other party whatever facts or material the Arbitrator may require to properly weigh the merits of the grievance, provided however, such facts or material must have been discussed during the grievance procedure or the Arbitration.

The Arbitrator's decision shall be in writing and will set forth his/her findings of fact, reasoning, and conclusions on the issues submitted.
7. It shall be the general practice of all parties of interest to process grievances during times which do not interfere with assigned duties, provided, however, in the event it is agreed by the Board to hold the proceedings during regular working hours, a teacher participating in any level of the grievance procedure, with any representative of the Board, shall be released from assigned duties without loss of salary.
8. Any individual employee at any time may present grievances to his/her employer and have the grievances adjusted without intervention of the bargaining representative, if the adjustment is not inconsistent with the terms of the bargaining contract or agreement then in effect if the bargaining representative has been given the opportunity to be present at such adjustment.
