Section 2.

The effective date for termination of employment of any employee who fails to comply with this Article shall be thirty (30) calendar days after receipt of written notice to the Board as provided in Section 3B of this Article.

Section 2.

A grievance may be filed and presented by a member of the bargaining unit, or by the Union acting through its representatives. Any individual employee may present his/her grievance and have the grievance adjusted without intervention of the Union if the adjustment of the grievance is not inconsistent with the terms of this Agreement, is non-precedent setting and the Union has been given an opportunity to have a Union representative present at such adjustment.

Section 3.

The grievance procedure provided in this Agreement shall be the sole and exclusive means of presenting and resolving complaints involving the application or interpretation of this Agreement.

Section 4.

All grievances shall be presented in accordance with the following procedure:

Step One: An employee claiming a grievance shall discuss the matter with his/her immediate supervisor within ten (10) working days of the event upon which the grievance is based. Within three (3) working days after presentation of the grievance, the supervisor shall give an answer orally to the employee.

Step Two: If the grievance is not disposed of at Step One, it may be submitted within three (3) working days, after the supervisor's answer is communicated, to the Director of Personnel on a written "Statement of Grievance" signed by the aggrieved employee. A copy shall be given to the supervisor involved at the same time. The "Statement of the Grievance" shall name the employee involved, shall identify all the provisions of this Agreement alleged to be violated by appropriate reference, shall state the contention of the employee with respect to these provisions, and shall indicate the relief requested.

The Director of Personnel shall render a decision, in writing, within three (3) working days after meeting with the aggrieved employee, the Union steward, and the Union president or his/her designee. A copy of the decision shall be furnished to the aggrieved employee and the Union president.

Step Three: If the grievance is not disposed of at Step Two, the decision of the Director of Personnel may be appealed in writing, to the Board within three (3) working days after the date such decision was rendered.

A Committee of the Board shall meet with the aggrieved employee and the Union within fifteen (15) working days after the date the written appeal is filed with the Board. Arrangements for the meeting shall be made between the employer and the Council staff representative. The Board shall render its decision within five (5) working days after the meeting. Step Four: If the grievance remains unresolved at the conclusion of Step Three, it may be submitted to arbitration provided written notice of the intent to arbitrate is delivered to the Board within ten (10) working days after the receipt of the decision under Step Three.

Following the written notice of the intent to arbitrate the Council and a representative of the Board shall attempt to select an arbitrator within thirty (30) days. If mutual agreement on the selection of an arbitrator cannot be reached within thirty (30) calendar days after the date of receipt of the intent to arbitrate, the party seeking arbitration shall file a request with the American Arbitration Association to submit a list of qualified arbitrators. The arbitrator shall then be selected according to the Rules of the American Arbitration Association.

Section 5.

The number of days provided for the presentation and processing of grievances in each step of the grievance procedure establish the maximum time limits and any grievance not presented within the time limits provided at each respective step of the grievance procedure shall be deemed withdrawn; provided however the time limits set forth herein may be extended by mutual agreement between the Board, or its representative, and the employee or the union.

Section 6.

The filing of the grievance shall in no way interfere with the right of the Board to proceed in carrying out its management responsibilities, subject to the final decision of the grievance.

Section 7.

In the event the alleged grievance involves an order, requirement, etc., the grievant shall fulfill or carry out such order or requirement, etc., pending the final decision of the grievance.

Section 8.

It shall be the function of the Arbitrator, and he/she shall be empowered, except as his/her powers are limited by this Agreement, after due investigation, to make a decision in cases of alleged violation or interpretation of the specific articles and sections of this Agreement.

- A. He/she shall have no power to add to, subtract from, disregard, alter or modify any of the terms of this Agreement.
- B. He/she shall have no power to establish salary structures or change any salary.
- C. In rendering decisions, the Arbitrator shall give due regard to the responsibility of management as conditioned by this Agreement.
- D. If the Board disputes the arbitrability of any grievance under the terms of this Agreement, the Arbitrator shall have to decide

if the grievance is arbitrable. In the event that a case is appealed to an Arbitrator on which he/she has no power to rule, it shall be referred back to the parties without decision or recommendation on its merits.

- E. There shall be no appeal from an arbitrator's decision if within the scope of authority as set forth above. It shall be final and binding on the Union, its members, the employee or employees involved, and the Board. The Union shall discourage any attempt of its members, and shall not encourage or cooperate with any of its members, in any appeal to any court or labor board from a decision of an arbitrator nor shall the Union or its members by any other means attempt to bring about the settlement of any grievance.
- F. The fees and expenses of the arbitrator shall be shared equally by the Board and the Union. All other expenses shall be borne by the party incurring them, and neither party shall be responsible for the expense of witnesses called by the other.
- G. The Board shall not be required to pay back wages more than ten (10) days prior to the date a written grievance is filed.
  - (1) All claims for back wages shall be limited to the amount of wages that the employee would otherwise have earned.
  - (2) No decision in any case shall require a retroactive wage adjustment in any other case, unless, by mutual agreement, the other case was held pending the outcome of the representative case.

#### Section 9.

If a grievance affects a group of employees or the bargaining unit as a whole, the Union may submit such grievance in writing to the Director of Personnel directly, and the processing of such grievance shall be commenced at Step Two.

### ARTICLE 8

##### Section 1.

The person so selected will receive a fifteen (15) cents per hour bonus for this work to be paid above the shift premium and regular hourly rate.

When such a partial work crew is required during other break periods occurring in the school calendar, the partial work crew will be supervised by one of the supervisory class employees recognized by this Agreement.

G. All other overtime requested by the administration shall be equalized among all employees in appropriate classifications, except cafeteria workers, as well as possible on a building basis.

For the purposes of equalization, hours refused shall be counted as hours worked.
- (3) Each eligible employee shall be, if possible, offered in turn the available overtime, until January 1. From then on until June 30, employees may be asked out of turn in order to achieve the desired equalization.
- (4) In each building a Union member may confer with the Head Custodian to achieve the highest degree of such overtime equalization.

Section 2.

Overtime in the Maintenance I, II, and III classifications, other than bus trips, will be divided as equally as possible between the employees who have the qualifications and ability to perform the overtime work.

Section 3.

All regular and Special Education bus trip (route) assignments will be made within qualified bus driver and maintenance employee classifications (Article XVI, Section 1 and 4). Fill-in assignments will be made by the Supervisor of Maintenance and Transportation from among all qualified maintenance employees on an as needed basis. Said maintenance employees, as a condition of continued employment, shall maintain their certification to drive all district vehicles. The Board will pay the costs for employees required to recertify for CDL related licenses; Secretary of the State and Third Party testing.

Bus driving overtime will be equalized, insofar as possible, among all regular, Special Education, and maintenance employees who are qualified by the State of Michigan and this contract to drive sixty-six (66) passenger buses.

Section 4.

When schools are closed because of inclement weather or other acts of God, employees are expected to report for work if it is at all possible, with pay at regular rate, and receive an additional compensatory day off. However, if an employee cannot report for work because of an act of God, he/she shall be paid at his/her regular rate. In order to qualify for a full 8 hour day of compensatory time, the employee must have worked a minimum of 6 hours. An employee working less than 6 hours shall receive compensatory time exactly corresponding to the amount of time worked that shift. Substitutes will not be hired to replace employees using these compensatory days.

The compensatory day off will be granted up to and including June 30th of the following year.

Section 5

All employees will be guaranteed a minimum of two (2) hours pay for all emergency call-ins on Saturdays, Sundays and holidays, and between the hours of 9:00 p.m. and 4:00 a.m. on weekdays.

Section 6.

All custodial and maintenance employees shall be granted a fifteen (15) minute rest period during the first half of the shift and an additional fifteen (15) minute rest period during the second half of the shift. Earned breaks will be taken at the scheduled work site.

Section 7.

No permanent schedule changes shall be made in the custodial, maintenance and cafeteria departments without prior discussion with the Union. The parties agree that emergency situations may arise where prior discussion will not be possible.

Section 8. - Annexation/Consolidation

In the event that the Ferndale Public Schools are forcibly or voluntarily annexed, consolidated, transferred, or through action taken by the courts, State of Michigan, State Board of Education, Intermediate School District or electorates to or with another district(s), the Board shall use its best effort to protect current maintenance, custodial, cafeteria, and bus driver employment rights as provided in this Agreement.

## ARTICLE 9

### VACANCIES, TRANSFERS, REDUCTION IN STAFF, RECLASSIFICATION

#### Section 1.

The word layoff shall mean a reduction in the employee work force due to a decrease in work or a lack of funds. Reduction in the work force shall be affected through the following procedure:

- A. An employee(s) affected by the elimination of the position in which they are working shall be able to bump into an equal or next lower job classification provided the bumping employee can satisfactorily meet the following criteria: 1) meet the standards developed for the position, 2) possesses the skills and ability to perform the duties of the job without a trial period, and 3) has the greater district seniority. If the employee cannot bump into the next lower classification, the individual affected shall then be subject to sequentially bump into the next lowest classification within the affected section provided the criteria of the first sentence of this paragraph is again adhered to. If the affected employee cannot bump into a lower classification within the employees' job section, the employee may then bump into the next lower section and assume a position for which he meets the criteria outlined in the first sentence of this paragraph. If the employee cannot meet the criteria of the previous sentence the employee will bump down into the custodial I classification as provided in subsection D of this section. A Custodian I affected by the elimination of position may bump into a lower (section 3) classification provided the employee can meet the standards and possesses the skills and abilities to perform the job without a trial period and possesses greater district seniority (per sentence one above).

Whenever bumping into a lower classification takes place the person bumped shall be the person within that affected classification who has the least seniority.

- B. Probationary employees within the affected classification(s) shall be laid off before seniority employees provided a seniority employee(s) remains who can perform the duties according to the criteria established in sentence one of paragraph A of this section.
- C. The least seniority employee who remains unplaced after bumping is completed shall be laid off.
- D. Classifications, under the provisions of paragraph A of this section are listed in the order of reduction and bumping rights, (equal or lower classification) in Article XVI, Section 1, 2, 3, and 4.

#### Section 2.

Employees who are to be laid off for an indefinite period of time will receive seven (7) calendar days notice of such layoff. The local Union's chief steward shall receive a list of the employees to be laid off from the Board on the same date the notice of layoff is issued to the employee.

Section 3.

Employees will be recalled from layoff in the order of their district-wide seniority, if they are able to perform the work available in a school or the district.

Section 4.

Notice to an employee that he is being recalled to work shall be sent to the employee's address the Board has on file. The Board shall be entitled to rely on the address they have on file. If an employee fails to report for work within ten (10) calendar days from the date the notice of recall is mailed, he shall be considered a quit. The Board will consider extension or failure to report upon the submission of information satisfactory to the Board.

Section 5.

A vacancy in a job classification, within the Unit, shall be posted on or before the fourth (4th) scheduled working day after the vacancy occurs for a period of five (5) scheduled working days. Two additional successive five (5) day posting periods may be used to fill job vacancies created by lateral transfers. After these two additional lateral transfer opportunities, a person may be hired for the existing vacancy without posting that position.

Section 6.

The Board shall have the right to fill any vacancy in a job classification temporarily. However, the Board agrees to make every reasonable effort to fill the vacancy within thirty (30) days after posting or notify the Union if the job is to be filled or is to be eliminated.

Temporary vacancies shall be filled by the most qualified applicant.

Section 7.

- A. It is the intent of these provisions that a posted position would be granted to the person who meets the criteria of the posting. Bidding employees who feel they meet the criteria will be considered by the Board on the basis of their meeting the posted qualifications, their competency, personnel file, and experience; all the foregoing factors being equal, then in the order of their seniority. Should the Board determine that no bidding employee meets the criteria of the previous sentence, the Board may then hire from outside. Bidding Bargaining Unit employees shall be considered for all positions within the Unit before outside hiring considerations are undertaken. An employee who bids on an opening and is not selected, may request that he be given the reason in writing.
- B. Employees who have a poor work record (i.e., as indicated by reprimand(s) or poor attendance notice(s) in their personnel file) shall be excluded from consideration for all purposes related to this section and Section 8 of this Article. Employees denied consideration on the basis of this provision shall be notified in writing by the Board of the reasons for such denial.

Section 7 (continued)

- (1) If at the time of such promotion the employee has been receiving the final service-in-grade rate, the employee shall enter the higher classification at step 1.
- (2) If, at the time of such promotion, the employee has been receiving a one year service-in-grade rate, he shall start in at the starting rate for the higher classification.
  - a) Employees at the time of the award shall not earn less than their pre-promotion service-in-grade rate unless the bid is for a lower classification. Any employee bidding downward shall enter the new classification at the same step held in the former job. This provision (a) applies to both (1) and (2) above.
  - b) Employees affected by movement will receive classification step increases at one year intervals thereafter, pursuant to the compensation schedule.
- (3) Employees awarded a bid shall serve a 180 calendar day probationary/trial period. If the employee fails to voluntarily or involuntarily complete the probationary period, the employee will be placed back in the classification from which the employee was promoted without loss of seniority (unless the employee is disciplined for cause). This replacing into the former classification shall reverse any piggyback transfers or promotions.

C. Employees with less than two (2) years seniority shall not be eligible to bid on open vacancies and transfers outside of their classifications.

Section 8.

Employees in the same job classification who have made application during the posting period shall be eligible for lateral transfer. No more than three (3) lateral transfers shall be made to fill any vacancy in a job classification. Any employee who transfers under these provisions shall, on acceptance of a transfer to the new position, be ineligible to request any further lateral transfer for a period of one year from the date of transfer. Employees hired after 12/21/81 shall not be able nor eligible to laterally transfer until accumulating at least two (2) years seniority.

Section 9.

Any individual in a position labeled as (foreman) in the classification system may, at management's discretion, be reassigned if management believes the work of the position can be performed more efficiently. Said reassignment shall not be grievable.

### SENIORITY

#### Section 1.

- A) Seniority shall be on a district-wide basis, in accordance with the employee's last date of hire in the district. At the end of the probationary period, persons hired on the same date shall be ranked on the seniority list by representatives of the Board.
- B) Beginning July 1, 1986, regular part-time employees who promote to a regular full-time 8 hour position, will have their regular part-time service pro-rated in establishing their full-time seniority ranking. The proration will be based on the length of their normal scheduled work day at the time of promotion, over a standard eight (8) hour work day: i.e., 3 1/2 hour part-time day is pro-rated as 3 1/2 divided by 8 equals the proration percentage (44%), to be applied against the years of part-time service.
