Section 2.

Any Employee who has failed to either maintain membership or pay the requisite agency fee shall not be retained in the bargaining unit covered by this Agreement; provided however, no Employee shall be terminated under this Article unless:

Any Employee, whether on regular or part time status, may request a leave of absence. All requests must be in writing on the form provided by the Employer for that purpose.

The department head must make some recommendation concerning the request for leave of absence of Employees in the space provided on the form "Request for Leave of Absence".

### GRIEVANCE PROCEDURE

#### Section 1. General.

A. Except as otherwise provided in this Agreement, the grievance procedure shall serve as the exclusive means for the settlement of a dispute arising under a specific Article and Section of this Agreement, or (subject to Article 27 Work Rules) a violation of a past practice or department rules provided that on matters involving suspensions of 29 days or longer and discharges, an Employee may elect to either process a grievance in accordance with this Article or submit the matter directly to the Civil Service Commission, provided it is understood that whichever avenue is elected it will bar proceedings or relief under the other avenue. All other disputes or grievances involving questions of contract interpretation of specific provisions of this Agreement shall be processed under this Article as the exclusive remedy and shall not be subject to appeal to

the Civil Service Commission. If any such grievance arises during the term of this Agreement, such grievance may be submitted to the following grievance procedure as outlined in Section 2 of this Article.

The election of remedies between the Grievance Procedure and the Civil Service Commission shall take place upon the filing by the Union of a Civil Service appeal, or upon initiation by the Union of Step 2 of the Grievance Procedure, whichever first occurs.

B. A grievance is an alleged violation of a specific Article or Section of this Agreement involving application or enforcement of that Article or Section, or (subject to Article 27 Work Rules) a violation of a past practice or department rule.

C. Except where calendar days are specifically provided, the word "day(s)" as used within this Article for the purpose of establishing time periods, shall mean: Monday through Friday, excluding observed holidays as set forth in the Article entitled "Holidays".

D. The time limits set forth below are considered to be maximum, but may be extended by mutual agreement, which shall be in writing.

E. No claim for wages shall be valid for more than forty-five (45) calendar days retroactively from the date the grievance is first presented in writing at Step 2.

F. All claims for back wages shall be limited to the amount of wages that the Employee would otherwise have earned at his regular rate of pay, less any unemployment not refunded to the State of Michigan or other compensation that he may have received from any source during the period of back pay.

G. The determination of a grievance which affects other Employees in a like manner, and who have been identified by name as grievants in the initial written grievance, shall be applied to such other Employees in the same manner as the aggrieved Employee.

H. Grievances shall be submitted at Step 1 of the Grievance Procedure within twenty (20) days of the event giving rise to the grievance.

I. Failure of the Union to proceed with the grievance to the next following step in the grievance procedure within the time limits specified, shall be deemed acceptance of the determination made by the City on the grievance. Nothing in this Grievance Procedure shall affect the rights of Veterans to a Veterans preference hearing provided that such a veteran's preference hearing shall not affect the time limits set forth in this Article.

Section 2. Procedure.

Step 1. The aggrieved Employee shall notify his immediate supervisor that he is aggrieved. The immediate supervisor shall call a Union steward and the Battalion Chief or Bureau Supervisor and shall arrange a meeting to orally discuss the grievance among the aggrieved Employee, his Union steward, the immediate supervisor, and Battalion Chief or Bureau Supervisor. Such meeting shall be held as soon as practical but in no event more than three (3) days after the supervisor is notified of the grievance.

A grievance resolution at Step 1 shall be subject to written approval by the department head. On the day of such tentative resolution the parties to the meeting shall reduce to writing the facts giving rise to the grievance, the name of the involved Employee(s), the recommended final resolution of the grievance, the Article(s) of the Agreement relied upon for settlement, and the parties shall sign the written resolution. The written tentative resolution shall then be presented to the department head by the next day. Within three (3) days, the department head and the Director of Labor Relations, or her designee, shall approve or disapprove the tentative grievance resolution in writing directed to those who signed or should have signed the tentative grievance resolution. If the grievance resolution is disapproved, the department head shall state why.

Failure of the department head and/or the Director of Labor Relations to approve or disapprove the grievance resolution within three (3) days shall be deemed disapproval.

A grievance resolution shall be in effect until it is disapproved.

Step 2. If the Step 1 meeting did not satisfactorily resolve the grievance, or if no Step 1 meeting was held within the three (3) days as required, the Employee and/or the Union shall submit the grievance in writing on a form provided by the Union to the department head within ten (10) days of the Step 1 meeting, or, if no Step 1 meeting was held within ten (10) days of when the meeting should have been held, or, if a grievance resolution in Step 1 was disapproved, within ten (10) work days of disapproval. The written grievance shall: state the facts giving rise to the grievance, the names of the Employees involved; identify all of the provisions of this agreement alleged to be violated by appropriate reference; state the contentions of the Employee and of the Union with respect to these provisions; indicate all relief requested; the date and name of the immediate supervisor to whom the grievance was presented by the Employee at Step 1; the date and persons present at the Step 1 meeting; and be dated and signed by the aggrieved Employee(s).

The department head shall answer the grievance in writing within ten (10) days. The department head or the Union may request a meeting to resolve the grievance. If requested, the meeting shall be held within the time limits of the response due date. Should the Union and the Chief resolve the grievance such resolution shall be subject to written approval by the Director of Labor Relations or her designee. On the day of such tentative resolution the parties shall reduce to writing the facts giving rise to the grievance, the name of the involved Employee(s), the recommended final resolution of the grievance, the Article(s) of the Agreement relied upon for settlement, and the parties shall sign the written resolution. The written tentative resolution shall then be presented to the Director of Labor Relations or her designee within two (2)

days. Within three (3) days the Director of Labor Relations or her designee shall approve or disapprove the tentative grievance resolution in writing directed to those who signed or should have signed the tentative grievance resolution. If the grievance resolution is disapproved, the Director of Labor Relations or her designee shall state why.

Failure of the Director of Labor Relations or her designee to approve or disapprove the grievance resolution within three (3) days shall be deemed disapproval

Step 3. If the grievance is not resolved at Step 2, the Union shall present the grievance to the Director of Labor Relations within five (5) days after receipt of the answer from the department head, or, if the department head fails to submit his answer within the prescribed time limits in Step 2, within ten (10) days after the due date of the department head's answer. The grievance to the Director of Labor Relations shall contain a copy of the original grievance, the department head's answer and any tentative resolution disapproved. The Director of Labor Relations shall answer the grievance in writing within five (5) days. The Director of Labor Relations or the Union may request a meeting to resolve the grievance. If requested, the meeting shall be held within the time limits of the response due date.

Step 4. If the grievance is not resolved at Step 3 of the grievance procedure, and if it involves an alleged violation of a specific Article and Section of the Agreement, either party may, at its option, submit the grievance to arbitration by written notice delivered to the Director of Labor Relations or the Union President as the case may be. Such notice shall be presented within ten (10) days after receipt of the Director of Labor Relations' answer in Step 3, or, if the Director of Labor Relations fails to submit his answer within the prescribed time limits in Step 3, within fifteen (15) days after the due date of the Director of Labor Relations' answer.

Such notice shall identify the provisions of the agreement allegedly violated, shall state the issues involved, and the relief requested.

If no such notice is given within the prescribed period, the City's last answer shall be final and binding on the Union, the Employee(s) and the City.

Within five (5) days of receipt of the notice of arbitration, the Union President or his designee and the Director of Labor Relations or his designee shall try to mutually agree to an arbitrator. Should the parties be unable to mutually agree to an arbitrator, the parties shall within five (5) days of receipt of the notice of arbitration meet and select an arbitrator at random from among the following three:

Leon Herman

Jack Stieber

Richard Kanner

After an arbitrator has been selected, the following Arbitration Rules shall apply:

Arbitration Rules

1. Disclosure By Arbitrator Of Disqualification. Prior to accepting his appointment, the prospective neutral Arbitrator shall disclose any circumstances likely to create a presumption of bias or which he believes might disqualify him as an impartial Arbitrator. Upon receipt of such information, the Arbitrator shall immediately disclose it to the parties. If either party declines to waive the presumptive disqualification, the vacancy thus created shall be filled in accordance with the applicable provisions of these Rules.
2. Vacancies. If any Arbitrator should resign, withdraw, refuse or be unable or disqualified to perform the duties of his office, the Arbitrator shall declare the office vacant. Vacancies shall be filled in the same manner as that governing the making of the original appointment, and the matter shall be heard or reheard by the new Arbitrator.
3. Representation by Counsel. Any party may be represented at the hearing by counsel and/or by other authorized representative.

4. Adjournments. The Arbitrator for good cause shown may adjourn the hearing upon the request of a party or upon his own initiative, and shall adjourn when all the parties agree thereto.

5. Order of Proceedings. A hearing shall be opened by the recording of the place, time and date of hearing, the presence of the Arbitrator and parties, and counsel, if any, and the receipt by the Arbitrator of the Demand and Answer, if any, or the Submission.

Exhibits, when offered by either party, may be received in evidence by the Arbitrator. The names and addresses of all witnesses and exhibits in order received shall be made a part of the record.

The Arbitrator may, in his discretion, vary the normal procedure under which the initiating party first presents his claim, but in any case shall afford full and equal opportunity to all parties for presentation of relevant proofs.

6. Arbitration In The Absence Of A Party. Unless the law provides to the contrary, the arbitration may proceed in the absence of any party who, after due notice, fails to be present or fails to obtain an adjournment. An award shall not be made solely on the default of a party. The Arbitrator shall require the other party to submit such evidence as he may require for the making of an award.

7. Inspection. Whenever the Arbitrator deems it necessary, he may make an inspection in connection with the subject matter of the dispute after written notice to the parties who may, if they so desire, be present at such inspection.

8. Waiver Of Rules. Any party who proceeds with the arbitration after knowledge that any provision or requirement of these Rules has not been complied with and who fails to state his objection thereto in writing, shall be deemed to have waived his right to object.

9. Time Of Award. The award shall be rendered promptly by the Arbitrator and, unless otherwise agreed by the parties, or specified by law, not later than thirty (30) days from the date of closing the hearings, or if oral hearings have been waived, then from the date of transmitting the final statements and proofs to the Arbitrator.

10. Form Of Award. The award shall be in writing and shall be signed by the neutral Arbitrator. The parties shall advise the Arbitrator whenever they do not require the Arbitrator to accompany the award with an opinion.

11. Delivery Of Award To Parties. The parties shall accept as legal delivery of the award the placing of the award or a true copy thereof in the mail by the Arbitrator addressed to such party at his last known address or personal service of the award, or the filing of the award in any manner which may be prescribed by law.

12. Stenographic Record. Any party may request a stenographic record by making arrangements for same through the Arbitrator.

13. Closing Of Hearings. The Arbitrator shall inquire of all parties whether they have any further proofs to offer or witnesses to be heard. Upon receiving negative replies, the Arbitrator shall declare the hearings closed and a minute thereof shall be recorded. If briefs or other documents are to be filed, the hearings shall be declared closed as of the final date set by the Arbitrator for filing. The time limit within which the Arbitrator is required to make his award shall commence to run, in the absence of other agreement by the parties, upon the closing of the hearing.

14. Reopening of Hearings. The hearings may be reopened by the Arbitrator on his own motion, or on the motion of either party, for good cause shown, at any time before the award is made, but if the reopening of the hearing would prevent the making of the award within the specific time agreed upon by the parties in the contract out of which the controversy has arisen, the matter may not be reopened, unless both parties agree upon the extension of

such time limit. When no specific date is fixed in the contract, the Arbitrator may reopen the hearings, and the Arbitrator shall have thirty (30) days from the closing of the reopened hearings within which to make an award.

Section 3. Jurisdiction & Power of Arbitrator.

If either party shall claim before the Arbitrator that a particular grievance fails to meet the tests of arbitrability, the Arbitrator shall proceed to decide such issue before proceeding to hear the case upon the merits.

The Arbitrator shall have no power to add to, subtract from, alter, or modify any of the terms of this Agreement.

Section 4. Arbitration Procedure.

At the time of the Arbitration Hearing, both the City and the Union shall have the right to examine and cross-examine witnesses. Upon request of either the City or the Union, or the Arbitrator, a transcript of the hearing shall be made. At the close of the hearing, the Arbitrator shall afford the City and the Union a reasonable opportunity to furnish Briefs.

Section 5. Cost Of Arbitration.

Each party shall pay its own costs of processing grievances through the grievance and arbitration procedure. The fee of the Arbitrator, his travel expenses, and the cost of any room or facilities and the expenses of the arbitration shall be borne equally by the parties. The expense of a stenographer and/or a transcript, if any, shall be borne by the party requesting it or equally among the parties requesting it if more than one party requests it. The fees and wages of representatives, counsel, witnesses, or other persons attending the hearing on behalf of a party and all other expenses shall be borne by the party incurring the same. Provided, however, the wages of the aggrieved Employee, and two (2) Union officials who are members of the classified service employed by the City, and two (2) witnesses who are members of the classified service, employed by the City, for time spent in arbitration, if that time is during the

Employee's regularly scheduled work hours shall be paid by the City. In no event will overtime be paid for such appearances.

Section 6. Finality Of Arbitrator's Decision.

The Arbitrator's decision, when made in accordance with his jurisdiction and authority established by this Agreement, shall be final and binding upon the Union, the Employee or Employees involved, and the City.

ARTICLE 39

#### ON THE JOB INJURY

When an Employee of the City of Flint suffers an injury or disease, the result of which entitles him to compensation as provided by the Workmen's Compensation Statute of the State of Michigan, the following procedure shall be followed:

(a) An investigation of the circumstances will be made by the Safety Committee of the City of Flint, which Committee will report to the Director of Labor Relations regarding the circumstances, and said Committee shall be authorized to recommend immediate payment of the difference between compensation benefits and regular wages. If the Director of Labor Relations approves of this recommendation the wage difference shall be paid.

(b) Employees injured or taken ill in the line of duty will be referred to the City Physician or to Hurley Hospital as indicated in the best judgment of the supervisor (and depending on the availability of the City Physician). Care will be provided by the City Physician or by referral to another physician in accordance with the judgment of the City Physician. Should the Employee elect to receive care at another hospital and under another physician's supervision, responsibility for provision of his care will be assumed by the individual unless the emergency is of such severity that it could cause undue suffering and/or loss of life or limb unless immediate provisions are made for care. In such an event, the earliest possible notification (of the City Physician) is required in order that expenses may be assumed by the City.

(c) If an Employee is severely enough injured or ill to require time off from his usual occupation, and it is impossible for the Employee to perform any useful duty, the supervisor will be so informed in writing by the City Physician. This decision is the responsibility of the City Physician, and if made by another physician, it must be concurred in by the City Physician.

(d) If the injury is of a minor nature, and would not preclude the performance of some duty either regular or light in the department, the Employee will be returned to the department with the notation that he can perform regular or light duty and the nature of the light duty will be limited as indicated by the injury.

(e) It will be the determination of the Chief or the supervisor, as to availability of light duty and the Employee assigned as administratively indicated.

Light duty assignments, when made, are made on the basis of an eight hour shift, five day work week (40 hours per week) notwithstanding that said Employee may work a twenty-four hour shift averaging a 50.4 hour work week when performing his normal work assignment.

An Employee regularly scheduled to work a 50.4 hour work week, who is assigned light duty in accordance with Article 44 on a 40 hour work week, shall have time worked on light duty assignment treated as time worked on his regular work shift during the first seven (7) calendar days immediately following the date of the initial injury only. Eligibility for payment of night bonus is limited to the first seven calendar days following the initial injury and to employees physically able to perform light duty and assigned and working same. A light duty assignment continuing beyond seven (7) calendar days shall be paid on the basis of a 50.4 hour work week, but shall not include night bonus.

(f) Employees who have been off duty because of injury, and have recovered sufficiently to be able to return either to full duty or light duty in the department, will be so certified at the time they reach this status physically.

(g) Employees who have been off duty on Workmen's Compensation for 90 days will be certified by the City Physician to the Personnel Office and will have Workmen's Compensation Department Form No. 110 completed.

(h) The Personnel Office will advise each of these Employees to make an appointment for an examination as to fitness for duty with the City Physician, the City Physician will evaluate the Employee and those who need an examination will be examined for possible change in status.

(i) When an Employee has been off duty for six (6) months on Workmen's Compensation, that Employee will be examined with a view toward physical and vocational rehabilitation as well as to his present employment capability.

(j) Upon completion of the evaluation, either by the City Physician, by consultants, and/or by the physical and/or mental rehabilitation services as indicated by the City Physician, the City Physician will inform the Personnel and Finance Office of the proposal for action concerning the Employee's physical and rehabilitation status. This should include his availability and capability of performing other duties not necessarily in the assigned department and in line with class specifications but his capability of performing any duty with the City. If he is found able to perform some duty for the City, then he will be referred to the Personnel Office for possible placement in a position within his physical capabilities.

(k) If it appears unlikely that the Employee will ever be able to return to a gainful occupation in any capacity with the City, the City Physician will certify this individual for possible consideration for physical disability retirement. Normal procedures for disability retirement would then be instituted by the Finance Department.

(l) When an Employee has been permanently disabled, totally or partially, for his usual occupation, he shall be informed that no consideration will be given to supplemental pay after this date. Notification will be handled by the Finance Officer.

(m) Supplemental pay shall terminate at such time as the Employee returns to his position or receives a disability retirement allowance.

If during the term of this Agreement, the City shall grant to any other bargaining unit a dental plan providing benefits superior to those provided in this Agreement, or a dental plan effective on an earlier date, said superior plan or advanced effective date shall be instituted for Employees covered by this Agreement.

If, during the term of this Agreement, the City shall, as the result of collective bargaining with any other unit institute a totally new insurance benefit, said insurance benefit shall be instituted for Employees of this unit. Provided, that this shall not apply to the up-grading of any insurance benefit provided to Employees of this unit, except as specifically otherwise provided herein.

#### PRIOR MILITARY SERVICE CREDIT

#### RETIREMENT PURPOSES

Any person hereafter employed as a full time Employee, may within 60 days of employment, and not thereafter, elect to receive credit, for retirement purposes only, for time served in the armed forces of the United States on active duty for other than training purposes, and for which he received an honorable discharge. The maximum amount of military service for which he may receive credit is 36 months, and such credit shall be given only upon payment to the retirement system of a contribution computed in the following manner. Induction rate for fire fighter in effect at the time of making the election multiplied by the existing contribution rate, multiplied by the number of years of military service, with interest at the rate established by the Director of Finance, computed from the date of hire.

Said contribution shall be made in one (1) installment, payable not later than five (5) years from date of election. No credit shall be granted for any military service for which the applicant is receiving a pension or which has been used in establishing entitlement to a pension from any other source.

Said service shall not be used for the purpose of meeting minimum requirements for deferred or voluntary retirement.

The Employee shall be required to submit a certificate or other document from the military authorities indicating the character of service, and nature of separation.

Effective July 1, 1983, Employees may elect to make said payment after the 5 year period provided above but no later than the 30 days following the employees retirement. Interest shall accrue at a rate of 3/4 of 1% per month, and shall be compounded annually on the amount due.

Prior to November 1, 1983, employees who are eligible but have not yet applied for Prior Military Service Credit, shall be allowed to apply. Provided, however, the contribution amount shall be determined as though the employee had applied the last time this option was available to the employee.

Prior to November 1, 1983, employees who have previously applied for military service credit (including those who have actually made the required payment) less than their actual service and less than the 3 year maximum, shall be allowed to apply for the remaining time up to the lower of the 3 year maximum or years of actual time in the military. The contribution amount shall be determined as though the employee applied for the additional time in his original application.

#### ARTICLE 49

#### RETIREMENT

##### Section 1. General

Employees shall receive retirement benefits as described in Appendix "B" attached hereto, and the additional benefit set forth in Article 48.

##### Section 2. Pop-Up Option

Effective July 1, 1983, Pension Options "B" Joint and Survivor Pension and Option "C" Modified Joint and Survivor Pension as provided in Appendix B shall be "pop-up" options. The "pop-up" option shall provide that when the

named beneficiary dies prior to the retirant, the retirant's pension shall then be increased to a straight life pension. Provided that the actuary can provide the necessary tables, said pop-up shall also become effective in the event the named beneficiary is divorced from the retirant. Provided, however, the actuarial tables used in calculating said Option B and C with pop-up shall be such that there be no increased cost to the City or the retirement system.

### Section 3. Annuity Withdrawal Option

On or before December 29, 1983, permanent Employees, on the date of ratification of this Agreement, or within thirty (30) days following permanent appointment, may elect the option of voluntary withdrawal of his own accumulated contributions. Failure to elect this option within the specified time will preclude withdrawal of his own accumulated contributions upon retirement. A member who elects this option shall immediately thereafter have his contribution to the retirement system increased from 6.5% to 10% of the compensation paid him by the City. A member who has elected this option may at time of application for retirement choose to have 25%, 50%, 75% or 100% of his accumulated contributions returned in a single payment. The member's pension shall then be reduced by the actuarial equivalent of the accumulated contributions withdrawn as determined by the City's actuaries. The accumulated contributions for the member in the Employee's savings fund shall be reduced by the amount of the single payment.

In the event a member elects the aforementioned option, upon refund of the Employee's accumulated contributions, the Employee shall receive "Regular Interest" on his accumulated contributions. "Regular Interest" shall be defined as in the Definition Section of the Retirement Ordinance, i.e., 1 per cent per annum, compounded annually.

Nothing contained in this Section shall be construed to prohibit an Employee who elects this option from electing other applicable options provided in the Retirement Plan.

An Employee who exercises the option of voluntary withdrawal of his own accumulated contributions and pays the 10% contribution rate required during his employment shall, upon change in bargaining unit, have the option of retaining this benefit regardless of whether or not this benefit is provided by his new bargaining unit. To retain this benefit the Employee shall contribute an additional 3.5% of his gross compensation to the retirement system in cases where the employee is in a group that does not have the annuity withdrawal option. If the Employee's new group has the annuity withdrawal option the Employee's contribution shall be that as required by his new group. The Employee may also elect to forego his right to an annuity withdrawal option. In such a case the Employee forfeits the right to withdraw his own accumulated contributions nor shall he be entitled to a refund of any excess contribution made by him for such option during the period of his entitlement thereto. An Employee who contributes to the retirement system who foregoes the right to the annuity withdrawal option shall not have his contribution increased by 3.5% of his gross compensation.

The election to retain or to forego the annuity withdrawal option shall be in writing to the Retirement System not later than six months after the Employee is no longer represented by this Union.

#### Section 4. Administration of the Retirement System

Section 3 of Appendix B shall reopen for negotiations whenever any other Union within the City retirement system negotiates a change in the Retirement Board composition.

LETTER OF UNDERSTANDING

- A. Pursuant to the Contract, the requiring of a proof of illness of an Employee is discretionary by the Department Head or his designee. Such a proof need not be required due only to the number of occasions an Employee has used sick leave. It is implicitly understood that to require one Employee to provide a proof of illness without requiring another Employee who has used sick leave the same number of occasions to provide such proof is not a violation of the contract.
- B. Hence, proof of illnesses will be on a form provided by the City, a copy of which is attached, and shall be an integral part of this agreement.
- C. Hence, any settlement negotiated by the Union must be approved by the President or Vice President or a representative designated by either for it to be a binding settlement. In no event shall the time limits of grievance procedure be tolled while awaiting the President's or Director of Labor Relation's approval unless mutually agreed and reduced to writing. "Settlement" as used above shall include all future agreements between the Union and the City. By the same token for such a settlement to be binding upon the City, it must be approved by the Director of Labor Relations.

(c) The rights and benefits provided under this ordinance for a fireman member who transfers employment to another department of the City prior to the attainment of ten years of credited service as a fireman member, shall be those provided for the position to which he transfers. His said pension shall begin the first day of the calendar month next following the month in which he files his application for same with the Board of Trustees on or after his attainment of his voluntary retirement age or at such time as he would have qualified for a pension had he continued in the employment of the City. Unless otherwise provided in this retirement plan in no case shall he receive credit for the period of his absence from City employment.

Until the date his pension begins his balance in the employees' savings fund shall be accumulated at regular interest.

PENSION FOR 10 YEARS CERTAIN AND LIFE THEREAFTER: Under Option A, a retirant shall receive a reduced pension payable throughout his life with the provision that if he dies before he has received one hundred and twenty monthly pension payments the payments shall be continued for the remainder of the period of one hundred and twenty months to such person or persons as the retirant shall have nominated by written designation duly executed and filed with the board of trustees. If there be no such designated person surviving the said retirant such difference, if any, shall be paid to his legal representative. No benefits shall be paid under this subsection on account of the death of a retirant who elected Option A provided in subsection (a) of this section.

Sec. 23. RETIREMENT FOR TOTAL AND PERMANENT DISABILITY. If the retirant refuses to submit to such medical examination in any such period his disability pension may be suspended by the board of trustees until his withdrawal of such refusal. Should such refusal continue for one year all his rights in and to a disability pension may be revoked by the board of trustees. If upon such medical examination of a retirant the medical director reports to the board of

trustees that the retirant is physically able and capable of resuming employment with the city, and his report is concurred in by the board of trustees, the retirant shall be returned to the employ of the city and his disability pension shall be discontinued. In returning the retirant to city employment, reasonable latitude shall be allowed the city in placing him in a position commensurate to his type of work and rate of compensation at the time of his retirement.

(b) A disability retirant who has been or shall be restored to city employment, as provided in subsection (a) of this section, shall again become a member of the retirement system and he shall contribute to the system at the rate applicable to his membership classification. At any time prior to his retirement the fireman member may revoke his election of Option B and nomination of beneficiary and he may prior to the date of his retirement again elect Option B and nominate a beneficiary as provided in this subsection. Upon the death of a fireman member who has an Option B election provided in this subsection in force

his beneficiary shall immediately receive a pension computed according to Section 20, in the same manner as if he had retired the day preceding the date of his death, notwithstanding that he might not have attained his voluntary retirement age. If a fireman member has an Option B election in force at the time of his retirement his election of Option B and nomination of beneficiary shall thereafter continue in force, unless within sixty days preceding the date of his retirement he elects to take his pension under Option A or C provided in section 22. No pension shall be paid under this subsection on account of the death of a fireman member if any benefits are paid or payable under section 22 on account of his death.

(b) Any fireman member who continues in the employ of the city after he either (1) has acquired fifteen years of credited service, or (2) has attained age fifty-five years and has ten or more years of credited service, and in either case does not have an Option B election provided in subsection (a) of this section in force, and (1) dies prior to his retirement while in city employment, and (2) leaves a widow, or in the case of a female member leaves a widower whom the board of trustees finds to be disabled to such an extent that he is dependent upon said female member for at least fifty percent of his financial support, the widow or widower shall receive a pension, computed according to Section 20, in the same manner as if the said member had (1) retired the day preceding the date of his death, notwithstanding that he might not have attained voluntary retirement age, (2) elected Option B provided in Section 22, and (3) nominated his widow or widower as beneficiary. No pension shall be paid under this subsection on account of the death of a member if any benefits are paid or payable under Section 27 on account of his death.

Sec. 27. DEATH IN LINE OF DUTY - FIREMAN MEMBER: In the event a fireman member (1) dies as a result of a personal injury or disease arising solely out of and in the course of his employment by the city, or (a) a disability retirant

dies within a period of three years from and after the date of his disability retirement and prior to his voluntary retirement age as the result of the same injury or disease for which he was retired, and in either case (1) or (2) such death, injury or disease resulting in death, be found by the board of trustees to have been the result of his actual performance of duty in the employ of the city, the applicable benefits provided in this section shall be paid; provided, that the pension provided in subsections (b), (c), (d) and (e) of this section shall be subject to the condition that workmen's compensation is paid on account of such member or retirant; and provided further, that such pensions shall be subject to subsection (f) of this section and section 28.

(a) In the case of a deceased fireman member, his accumulated contributions standing to his credit in the employees savings fund shall be paid in accordance with the provisions of section 29.

(b) A pension of forty percent of the deceased person's final compensation shall be paid to his widow and shall terminate upon her remarriage or death.

(c) If, in addition to a widow, the deceased person leaves an unmarried child or children under age eighteen years or age twenty-one years if a full-time student as determined by the board of trustees, each such child shall receive a pension of an equal share of one-fourth of his final compensation. Upon any such child's adoption, marriage, death or attainment of age eighteen years, or age twenty-one years if a full-time student as determined by the board of trustees, whichever occurs first, his pension shall terminate and there shall be a redistribution by the board of trustees to his remaining eligible children under age eighteen years, or twenty-one years, as the case may be if any.

(d) If the deceased person does not leave a widow, or if his widow dies or remarries before his youngest surviving unmarried child shall have attained age eighteen years or age twenty-one years if a full-time student as determined by the board of trustees, his unmarried child or children under age eighteen

years, or twenty-one years, as the case may be, shall each receive a pension of one-fourth of his final compensation; provided, that if there be more than two such surviving children each such child shall receive a pension of an equal share of one-half his final compensation. Upon any such child's adoption, marriage, death or attainment of age eighteen years, or twenty-one years if a full-time student as determined by the board of trustees, whichever occurs first, his pension shall terminate and there shall be a redistribution by the board of trustees to his remaining eligible children under age eighteen years, or twenty-one years, as the case may be, if any. In no case shall any such child's pension exceed one-fourth of the deceased person's final compensation.

(e) If there is neither a widow nor children eligible to receive a pension provided in this section surviving the deceased person there shall be paid to each his dependent mother and dependent father, as the board of trustees after investigation shall find to have been actually dependent upon him for financial support due to physical or mental disability, a pension of one-sixth his final compensation. Upon the remarriage or death of any such parent his pension shall terminate.

(f) The total of the pensions provided in subsections (b), (c), and (d) of this section payable to the survivors of the deceased person shall not exceed twelve thousand dollars a year. As used in this section, the term "widow" means the spouse of the person at the time his employment with the city last terminated.

Sec. 28. OFFSET OF WORKMEN'S COMPENSATION BENEFITS AGAINST PENSIONS. Any workmen's compensation which may be paid or payable to a member, retirant or beneficiary, on account of the death of a member or retirant, shall be offset against any pensions payable by the retirement system on account of such death or disability. Effective July 1, 1975, there shall be no workmen's

compensation offset against pension benefits payable to beneficiaries of a fireman member because of the death of said member as the result of an injury or illness arising out of and in the course of his employment.

Sec. 29. REFUNDS OF ACCUMULATED CONTRIBUTIONS. (a) If a member ceases to be an employee of the city before he has satisfied the age and service requirements for retirement provided in section 18, he shall be paid his accumulated contributions standing to his credit in the employees savings fund upon his demand in writing on a form furnished by the board of trustees.

(b) Upon the death of a member and no pension, except as provided in section 27 becomes or will become payable on account of his death, his accumulated contributions standing to his credit in the employees savings fund at the time of his death shall be paid to such person as he shall have nominated by written designation duly executed and filed with the board of trustees. If there is no such person surviving the member his accumulated contributions shall be paid to his legal representative.

(c) Payment of refunds of accumulated contributions may be made in installments according to such regulations as the board of trustees may from time to time adopt.

Sec. 30. EMPLOYEES SAVINGS FUND. (a) The employees savings fund shall be the fund in which shall be accumulated, at regular interest, the contributions deducted from the compensation of members and from which shall be made refunds and transfers of accumulated contributions as provided in the retirement plan.

(b) From and after December 31, 1969, the member's contribution to the retirement system shall be: for a fireman member, 5 per cent of the compensation paid him by the City up to and including December 23, 1972, and 6.5 per cent of the compensation paid him by the City from and after December 24, 1972.

(c) The officer or officers responsible for making up the payroll shall cause the applicable contributions provided in subsection (b) of this section to be deducted from the compensation of each member on each and every payroll, for each and every payroll period, so long as he continues a member of the retirement system. When deducted the said contributions shall be paid into the employees savings fund and shall be credited to the individual account of the member from whose compensation the said contributions were deducted. Every member shall be deemed to consent and agree to the deductions made and provided for herein. Payment of his compensation less said deductions shall be a full and complete discharge and acquittance of all claims and demands whatsoever for the services rendered by said person during the period covered by such payment, except as to benefits provided by the retirement plan.

(d) In addition to the contributions deducted from the compensation of a member, as hereinbefore provided, a member shall deposit in the employees savings fund, by a single contribution or by an increased rate of contribution as approved by the board of trustees the amount, if any, he previously withdrew from employees savings fund, together with regular interest compounded annually from the date of withdrawal to the date of repayment. In no case shall any member be given credit for service rendered prior to the date he withdrew his accumulated contributions until he repays to the employees savings fund all amounts due the said fund by him.

(e) Upon the retirement of a member his accumulated contributions shall be transferred from the employees savings fund to the retirement reserve fund. At the expiration of a period of 5 years from the date an employee ceases to be a member any balance standing to his credit in the employees savings fund shall be transferred to the pension reserve fund.

(f) Emoluments and Rewards - Firemen. All rewards and proceeds of gifts from any source and all emoluments that may be allowed by the City Council on account of extraordinary service performed by policemen and firemen, who are members, shall be paid into the City Treasury. Said money shall be credited to the individual employees savings fund account of the member to whom emoluments or rewards were given and shall in all other respects be treated as a contribution to the employees savings account of said member.

Sec. 31. RETIREMENT RESERVE FUND. The retirement reserve fund shall be the fund from which shall be paid all pensions provided in the retirement plan. Should a disability retirant be returned to the employ of the city, his pension reserve at the date of his return shall be transferred from the retirement reserve fund to the employees savings fund and the pension reserve fund in the same proportion as his pension reserve was originally transferred from the funds to the retirement reserve fund.

Sec. 32. PENSION RESERVE FUND. The pension reserve fund is hereby created. It shall be the fund in which shall be accumulated reserves for the payment of all pensions payable from funds provided by the city. Upon the basis of such mortality and other experience tables, and regular interest, as the board of trustees shall from time to time adopt, the actuary shall annually compute the pension reserves (1) for pensions being paid retirants and beneficiaries and (2) covering service rendered and to be rendered by members. The pension reserves shall be financed by annual appropriations, to be made by the city council, recreation and park board and board of hospital managers, determined according to subsections (a), (b) and (c) of this section, subject to subsections (e) and (f) of this section.

(a) The appropriation for members' current service shall be a percent of their annual compensations which will produce an amount which is paid annually by the city during their future service and will be sufficient to provide the reserves, at the time of their retirements, for the portions of the pensions to be paid them based upon their future service.

(b) The appropriation for members' accrued service shall be a percent of their annual compensations which will produce an amount which if paid annually by the city over a period of years, to be determined by the board of trustees, will amortize, at regular interest, the unfunded pension reserves for the accrued service portions of the pensions to which they may be entitled.

(c) The appropriation for pensions being paid retirants and beneficiaries shall be a percent of the annual compensations of members which will produce an amount which if paid annually by the city over a period of years, to be determined by the board of trustees, will amortize, at regular interest, the unfunded pension reserves for pensions being paid retirants and beneficiaries.

(d) Upon the retirement of a member, or at the time a pension becomes payable to a beneficiary on account of the death of a member, the reserve for such pension shall be transferred from the pension reserve fund to the retirement reserve fund. The board of trustees may from time to time transfer from the pension reserve fund to the retirement reserve fund such additional amounts as it determines to be necessary for the proper maintenance of the retirement reserve fund.

(e) The board of trustees shall report to the city commission, on or before June 30 of each year, the amount of contributions to be made by the city, recreation and park board and board of hospital managers. The city, recreation and park board and board of hospital managers shall respectively appropriate and pay such amounts of contributions out of available funds to the retirement system during the ensuing fiscal year.

Sec. 33. EXPENSE FUND. Each year, when so requested by the city manager, the secretary of the board of trustees shall prepare a budget showing the estimated amounts necessary for the administration of the retirement system during the ensuing fiscal year. When adopted by the city council, said budget shall be administered and disbursed from the retirement fund of the City of Flint.

Sec. 34. MANAGEMENT OF FUNDS OF SYSTEM. (a) The board of trustees shall be the trustees of the assets of the retirement system. The board of trustees shall have full power to invest and reinvest such assets subject to (1) the terms, conditions, limitations and restrictions imposed by law of the state upon domestic life insurance companies in the making and disposing of their investments, and (2) the state law pertaining to the investments of public employee retirement system assets. The board of trustees shall have full power to hold, purchase, sell, assign, transfer and dispose of any securities and investments in which any of the money of the system has been invested, as well as the proceeds of such investments and any money belonging to the system.

(b) There shall be kept on deposit available cash not exceeding five percent of the total assets of the retirement system. All money and other assets of the retirement system shall be held for the sole purpose of making payment authorized by the provisions of the retirement plan and shall be used for no other purpose.

(c) The description of the various funds of the retirement system shall be interpreted to refer to the accounting records of the system and not to the segregation of assets in the funds of the system.

Sec. 35. ALLOWANCE OF REGULAR INTEREST. All interest and other earnings on money and investments of the retirement system shall be credited to the pension reserve fund. The board of trustees shall, at the end of each fiscal year, allow regular interest on the members' individual balances in the employees savings fund at the beginning of the fiscal year; and on the mean assets credited to the retirement reserve fund. The amounts of interest so credited to the employees savings fund and the retirement reserve fund shall be charged to the pension reserve fund.

Sec. 36. ASSIGNMENTS PROHIBITED: (a) The right of a person to a pension, to the return of accumulated contributions, the pension itself, any optional benefit, and any other right accrued or accruing to any member, retirant, or

beneficiary under the provisions of the retirement plan, and any moneys belonging to the retirement system shall not be subject to execution, garnishment, attachment, the operation of bankruptcy or insolvency law, or any law or any other process of law whatsoever, and shall be unassignable except as is specifically provided in the retirement plan; provided, that the City shall have the right to setoff for any claim arising from embezzlement by or fraud of a member.

(b) Any retirant or beneficiary may authorize to have deducted from his pension those sums of money necessary to provide his membership in any fund or plan acceptable to the board of trustees, provided that the authorization to deduct is in writing and that notice of termination of such deduction shall be given to said board in writing.

Sec. 37. CORRECTION OF ERRORS IN RECORDS. Should any change in the records result in any member, retirant or beneficiary receiving from the retirement system more or less than he would have been entitled to receive had the records been correct, the board of trustees shall correct such error and as far as practicable shall adjust the payment in such manner that the actuarial equivalent of the benefit to which the member, retirant or beneficiary was correctly entitled shall be paid.

Sec. 38. SUBPOENA; CONTEMPT. The board of trustees, or its duly authorized representative, shall have the power to administer oaths and subpoena witnesses to appear and testify or to produce books and papers which relate to questions in dispute. Any person who refuses to obey such a subpoena or who refuses to be sworn and testify or who fails to produce books and papers touching upon any material matter, or any witness party or attorney who is guilty of any contempt while in attendance at any hearing held under the retirement plan, may be punished as for contempt in court. For these purposes a court of competent jurisdiction, upon application of the board of trustees or its duly authorized representative shall compel the attendance of witnesses, the

production of books and papers and the giving of testimony before the board of trustees by attachment for contempt or otherwise in the same manner as the production of evidence may be compelled before such court. No person, having taken an oath or made affirmation in such proceedings, shall swear or affirm, willfully, corruptly or falsely. The district court is herewith given jurisdiction to try persons for false swearing.

Sec. 39. HEARINGS: FINDINGS; REVIEW OF BOARD OF TRUSTEES' ACTIONS. (a) All questions arising under the retirement plan shall be determined by the board of trustees. In case there shall be any controversy concerning benefits or other rights of a member, retirant or beneficiary, such controversy shall be submitted to the board of trustees and the board of trustees shall conduct a hearing with relation thereto, at which hearing the city, recreation and park board, hospital board of managers or other division of the city government, and the member, retirant or beneficiary shall be entitled to be heard and at which such proofs and evidence may be presented as the parties shall desire. Parties before the board of trustees shall have the right to be represented by an attorney at law.

(b) The findings of fact and factual determinations made by the board of trustees acting within its powers shall, in the absence of fraud, be conclusive but the circuit court for the county shall have the power to review questions to law involved in any final decision or determination of the board of trustees; provided, that application is made by a party within thirty days after such decision or determination by certiorari, mandamus or by any other method permissible under the rules and statutes of such court or the laws of this state, and to make such further orders in respect thereto as justice may require.

Sec. 40. WAIVE OF PRIVILEGE. Any beneficiary or claimant of benefits shall be required in applying for such benefits to make full and complete

disclosure as to all physicians and others from whom he has received medical treatment, attention or examination with respect to any injury or disease to a member involved in any claim which may have relation to the claim for benefits, and similarly, shall make further disclosure as to all hospitals or institutions at which the member may have received any treatment or examination within a reasonable time, to be determined by the board of trustees, prior to the application. Such beneficiaries or claimants in the application shall likewise execute a full and complete waiver of any privilege with respect to any such records, treatments or examinations that might otherwise accrue to the applicant or member. The member or applicant shall, in addition, expressly consent that any person, professional or otherwise, having knowledge of the condition of the member, or the facts concerning the claim, may testify. In the event that any applicant or member shall refuse to execute such waiver and consent, or shall refuse to permit the production of such testimony or records, or shall conceal the existence of such evidence from the board of trustees, he shall thereupon forfeit any right to any benefit under the retirement system, excepting for a refund of his membership contribution computed as otherwise provided in this article. All applications for benefits shall be executed under the oath of the applicant.

Sec. 41. APPLICABILITY OF OTHER LAWS, ORDINANCES, ETC. No other provisions of this Code, law or other ordinance, except the federal social security law, which provides wholly or partly at the expense of the city for pensions or retirement benefits for employees of the city, their widows, children or other dependents, shall apply to members, retirants or beneficiaries of the retirement system, their widows, children or other dependents.

APPENDIX C

DENTAL BENEFITS

I. Enrollment Classifications

Dental Coverage for an eligible employee shall include coverage for eligible dependents as defined in Article III, Section 1(f).

II. Description of Benefits

Dental Benefits will be payable, subject to the conditions herein, if an employee, while Dental Coverage is in effect with respect to such individual, incurs Covered Dental Expenses.

III. Covered Dental Expenses

Covered Dental Expenses are the usual charges of a dentist which an employee is required to pay for services and supplies which are necessary for treatment of a dental condition, but only to the extent that such charges are reasonable and customary charges, as herein defined, for services and supplies customarily employed for treatment of that condition, and only if rendered in accordance with accepted standards of dental practice. Such expenses shall be only those incurred in connection with the following dental services which are performed, except as otherwise provided in Section VII B., by a licensed dentist and which are received while insurance is in force.

- A. The following Covered Dental Expenses shall be paid at 100 percent of the usual, reasonable, and customary charge:
1. Routine oral examinations and prophylaxis (scaling and cleaning of teeth), but not more than twice each in any period of twelve (12) consecutive months.
  2. Topical application of fluoride for persons under 20 years of age, unless a specific dental condition makes such treatment necessary.

3. Space maintainers that replace prematurely lost teeth for children under 19 years of age.
  4. Emergency palliative treatment.
- B. The following Covered Dental Expenses shall be paid at 90 percent of the usual, reasonable and customary charge:
1. Dental x-rays, including full mouth x-rays (but not more than once in any period of thirty-six (36) consecutive months), supplementary bitewing x-rays (but not more than twice in any period of twelve (12) consecutive months) and such other dental x-rays as are required in connection with the diagnosis of a specific condition requiring treatment.
  2. Extractions.
  3. Oral Surgery.
  4. Analgam, silicate, acrylic, synthetic porcelain, and composite filling restorations to restore diseased or accidentally injured teeth.
  5. General anesthetics and intravenous sedation when medically necessary and administered in connection with oral or dental surgery.
  6. Treatment of periodontal and other diseases of the gums and tissues of the mouth.
  7. Endodontic treatment, including root canal therapy.
  8. Injection of antibiotic drugs by the attending dentist.
  9. Repair or recementing of crowns, inlays, onlays, bridgework, or dentures; or relining or rebasing of dentures more than (6) months after the installation of an initial or replacement denture, but not more than one relining or rebasing in any period of thirty-six (36) consecutive months.

10. Inlays, onlays, gold fillings, or crown restorations to restore diseased or accidentally injured teeth, but only when the tooth, as a result of extensive caries or fracture, cannot be restored with an amalgam, silicate, acrylic, synthetic porcelain, or composite filling restoration.

C. The following Covered Dental Expenses shall be paid at 50% of the usual, reasonable and customary charge:

1. Initial installation of fixed bridgework (including inlays and crowns as abutments).
2. Initial installation of partial or full removable dentures (including precision attachments and any adjustments during the six (6) month period following installation).
3. Replacement of an existing partial or full removable denture or fixed bridgework by a new denture or by new bridgework, or the addition of teeth to an existing partial removable denture or to bridgework, but only if satisfactory evidence is presented that:
  - a. The replacement or addition of teeth is required to replace one or more teeth extracted after the existing denture or bridgework was installed;
  - b. The existing denture or bridgework cannot be made serviceable and, if it was installed under this Dental Expense Benefits Plan, at least five (5) years have elapsed prior to its replacement; or,
  - c. The existing denture is an immediate temporary denture which cannot be made permanent and replacement by a permanent denture takes place within twelve (12) months from the date of initial installation of the immediate temporary denture.

Normally, dentures will be replaced by dentures but if a professionally adequate result can be achieved only with bridgework, such bridgework will be a Covered Dental Expense.

4. Orthodontic procedures and treatment (including related oral examinations) consisting of surgical therapy, appliance therapy, and functions/myofunctional therapy (when provided by a dentist in conjunction with appliance therapy) for persons under 19 years of age, provided, however, that benefits will be paid after attainment of age 19 for continuous treatment which began prior to such age.

#### IV. Maximum Benefits

The maximum benefit payable for all Covered Dental Expenses incurred during any contract year, beginning July 1, 1982, (except for services described in Section III C 4 above) shall be \$750 for each individual. For Covered Dental Expenses in connection with orthodontics including related oral examinations, described in Section III C 4 above, the maximum benefit payable shall be \$650 for Covered Dental Expenses incurred during the lifetime of each individual.

#### V. Pre-Determination of Benefits

If a course of treatment can reasonably be expected to involve Covered Dental Expenses of \$125.00 or more, a description of the procedures to be performed and an estimate of the dentist's charges must be filed with the carrier prior to the commencement of the course of treatment.

The carrier will notify the employee and the dentist of the benefits certified as payable based upon such course of treatment. In determining the amount of benefits payable, considerations will be given to alternate procedures, services, or courses of treatment that may be performed for the dental condition concerned in order to accomplish the desired result.

The amount included as certified dental expenses will be the appropriate amount as provided in Section III and IV., determined in accordance with the limitations set forth in Section VI.

If a description of the procedures to be performed and an estimate of the dentist's charges are not submitted in advance, the carrier reserves the right to make a determination of benefits payable taking into account alternate procedures, services, or courses of treatment, based on accepted standards of dental practice. To the extent verification of Covered Dental Expenses cannot reasonably be made by the carrier, the benefits for the course of treatment may be for a lesser amount than would otherwise have been payable.

This pre-determination requirement will not apply to courses of treatment under \$125 or to emergency treatment, routine oral examinations, x-rays, prophylaxis, and fluoride treatments.

## VI. Limitations

### A. Restorative

#### 1. Gold, Baked Porcelain Restorations, Crowns and Jackets

If a tooth can be restored with a material such as amalgam, payment of the applicable percentage of the charge for that procedure will be made toward the charge for another type of restoration selected by the patient and the dentist. The balance of the treatment charge remains the responsibility of the patient.

#### 2. Reconstruction

Payment based on the applicable percentage will be made toward the cost of procedures necessary to eliminate oral disease and to replace missing teeth. Appliances or restorations necessary to increase vertical dimension or restore the occlusion are considered optional and their cost remains the responsibility of the patient.

B. Prosthodontics

1. Partial Dentures

If a cast chrome or acrylic partial denture will restore the dental arch satisfactorily, payment of the applicable percentage of the cost of such procedure will be made toward a more elaborate or precision appliance that patient and dentist may choose to use, and the balance of the cost remains the responsibility of the patient.

2. Complete Dentures

If, in the provision of complete denture services, the patient and dentist decide on personalized restorations or specialized techniques as opposed to standard procedures, payment of the applicable percentage of the cost of the standard denture services will be made toward such treatment and the balance of the cost remains the responsibility of the patient.

3. Replacement of Existing Dentures

Replacement of an existing denture will be Covered Dental Expense only if the existing denture is unserviceable and cannot be made serviceable. Payment based on the applicable percentage will be made toward the cost of services which are necessary to render such appliances serviceable. Replacement of prosthodontic appliances will be a Covered Dental Expense only if at least five (5) years have elapsed since the date of the initial installation of that appliance under this Dental Benefits Plan, except as provided in Section III C 3 above.

C. Orthodontics

1. If orthodontic treatment is terminated for any reason before completion, the obligation to pay benefits will cease with

payment to the date of termination. If such services are resumed, benefits for the services, to the extent remaining, shall be resumed.

2. The benefit payment for orthodontic services shall be only for months that coverage is in force.

#### VII. Exclusions
