ASSOCIATION SECURITY AND DUES DEDUCTION

To the extent that the laws of the State of Michigan permit, it is agreed that:

A. Present employees covered by this Agreement shall, as a condition of employment, either join and maintain membership in the Union, or pay the Union's Service Fee, to the Union, for the duration of this Agreement, on or before the tenth (10th) day after the thirtieth (30th) day following the effective date of this Agreement.

B. Employees hired, rehired, reinstated or transferred into the bargaining unit after the effective date of this Agreement and covered by this Agreement shall, as a condition of employment, join and maintain membership in the Union, or pay the Union's Service Fee, to the Union, for the duration of this Agreement, on or before the tenth (10th) day after the thirtieth (30th) day

following the beginning of their employment in the unit.

C. Proper negotiations and the administration of collective bargaining entail expenses which are appropriately shared by all members of the bargaining unit. In the event an employee shall not join the Union and execute an authorization for full dues deduction, such employee shall, as a condition of continued employment by the City, execute an authorization for the deduction of a sum representing that employee's proportionate share of such negotiation and contract administration and expenses which shall be a proportionate part of and shall not exceed the amount of Union dues which shall be forwarded to the Union Treasurer. This sum shall be called the "Service Fee". The Union Treasurer shall notify the City, in writing, of the amount to be deducted for such expenses.

D. An employee who shall tender the initiation fee (if not already a member) and the periodic dues uniformly required of a member, or the periodic Service Fees uniformly charged, shall be deemed to meet the conditions of this Article. In the event an employee shall not meet the requirements of this Article, the Employee shall be terminated, provided the City and the Union complete the following steps: The Union shall first submit a written request to the City asking for the termination of the employee involved. The City shall notify the employee within seven (7) days that unless the employee meets the requirements of this Article within fourteen (14) days from the date of notice,

the employee's services shall be terminated upon the expiration of such 14-day period. This termination shall not be subject to the grievance procedure set forth herein.

E. The City agrees to deduct from the pay of employees who are members of the Union, who individually authorize such deductions, in writing to the City on a form agreed upon by the parties, an initiation fee and dues uniformly required as a condition of acquiring or retaining membership in the Union. The City further agrees to deduct from the pay of employees who are not members of the Union, but who individually authorize such deductions in writing to the City on a form agreed upon by the parties, a monthly Service Fee. Deductions under this Section shall be made from the second pay check issued in each calendar month, and the amount so deducted shall be forwarded to the Union.

F. The provisions of this Article shall be applicable to the extent permitted by the laws of the State of Michigan or Federal Laws. The Union agrees to save and hold harmless the Employer from any damages resulting from the enforcement of the provisions of this Article. The Union shall be represented in all contract negotiations with the Employer by its Representatives or Alternate Representatives and a designee from the State Labor Council. The Union shall select two Representatives and two Alternate Representatives and inform the City Manager, in writing, of the identity of these Representatives, and Alternate Representatives within a reasonable time after their selection. It is understood that the City will not be obligated to recognize a Supervisory Public Safety Officer as a Representative or Alternate Representative of the Union until the City Manager has been informed of that employee's representative status in accordance with this paragraph.

Section 2. Compensation for Union Activities.

In order not to interfere in any way with the duties and responsibilities of the Employer as a municipal government, it is

understood that Union activities shall not be undertaken on duty time except as hereinafter provided:

1. Any one Representative or Alternate Representative shall, with the prior approval of the Director of Public Safety or his designated representative, which approval will not be unreasonably withheld, be permitted reasonable time to investigate a grievance during duty time without loss of pay or benefits. The privilege of Representatives and Alternate Representatives to leave their work during duty time is extended with the understanding that the time will be devoted to the prompt investigation of grievances and will not be abused.
2. A maximum of two (2) Representatives, Alternate Representatives or combination thereof and a field representative from the Fraternal Order of Police Labor Council will be allowed to participate in contract negotiations, grievance meetings and other meetings with the Employer at mutually agreeable times and places and shall not suffer any loss of pay or benefits if such meetings occur during duty time. #### ARTICLE VII

#### GRIEVANCE PROCEDURE

##### Section 1. Intent.

It is the intent of the parties hereto that this procedure shall serve as a peaceful means for the resolution of any dispute that may arise between them concerning the application and interpretation of this Agreement. To that end, the informal resolution of grievances at the lowest level possible is encouraged.

##### Section 2. Procedure.

Step 1. An employee who has a grievance may discuss his complaint with his immediate supervisor, with or without the presence of a Representative or Alternate Representative. The parties shall make every effort to reach a satisfactory settlement at this point.

Step 2. If the grievance has not been settled, it shall be reduced to writing and submitted to the Public Safety Director or his designated representative within seven (7) calendar days of the date of the incident or situation giving rise to the grievance, or within seven (7) days of the date when the employee becomes aware of the occurrence of the incident or situation. The Public Safety Director or his designated representative shall discuss the grievance with a Representative or Alternate Representative and the aggrieved employee and render a written answer within seven (7) calendar days after receipt of the grievance.

Step 3. If the grievance has not been settled, it shall be presented in writing to the City Manager within seven (7) calendar days after receipt of the written answer of the Public Safety Director or his designated representative. The City Manager shall discuss the grievance with the Representative or Alternate Representative and render a written answer within seven (7) calendar days after receipt of the grievance.

Step 4. If the grievance has not been settled, the Representative or Alternate Representative may present a written request to the City Manager within seven

(7) calendar days after he has furnished his answer at Step 3 requesting that the grievance be appealed to the Mayor and the City Council. Upon receipt of such a request, the City Manager shall arrange a meeting for the purpose of acting upon the grievance. Any such meeting shall be held not later than the next regularly scheduled City Council meeting following receipt of the request, provided that the request is received by the City Manager at least five (5) calendar days before the date of the City Council meeting. Such time may be extended by mutual agreement. The City Council's written answer shall be furnished within fourteen (14) calendar days after the meeting.

Grievance procedure time limits may be mutually extended, in writing. Any grievance which is not appealed to the next step within seven (7) calendar days after an answer is given shall be considered to be settled on the basis of the last answer. Any grievance which is not answered by the City within the required time limits shall advance to the next step.

Section 3. Arbitration.

Any unresolved grievance which relates to the interpretation, application, or enforcement of any specific Article and Section of this Agreement and which has been fully processed through the last step of the grievance procedure, may be submitted to arbitration

in strict accordance with the following:

1. The Union shall notify the City in writing of the request within twenty (20) calendar days of receipt of the City Council's written answer. If the parties are unable to agree upon an arbitrator, they shall refer the matter to the American Arbitration Association for the selection of an impartial arbitrator and determination of the dispute in accordance with all applicable rules of the American Arbitration Association.

2. The arbitrator shall limit his decision strictly to the interpretation, application or enforcement of this Agreement and he shall be without power and authority to make any decision:

- a. Contrary to, or inconsistent with or modifying or varying in any way, the terms of this Agreement or of applicable law.
- b. Involving the exercise of discretion by the City under the provisions of this Agreement, its Charter, or applicable law.
- c. Limiting or interfering in any way with the powers, duties, or responsibilities of the City, under its Charter or applicable law.
- d. Changing, altering, or modifying any practice, policy or rule presently established by the City so long as such practice, policy or rule does not conflict with this Agreement.

e. Implying any restriction or condition binding upon the City which falls within the exercise of rights set forth in Article V of this Agreement entitled "MANAGEMENT RIGHTS AND RESPONSIBILITIES".

3. In the case of a pay shortage of which the employee could not have been aware before receiving his pay, any adjustment shall be retroactive to the beginning of the pay period covered by such pay, if the employee files his grievance within seven (7) calendar days after receipt of such pay.

4. The Employer and the Union recognize that, in the event an employee is suspended, laid off, discharged or otherwise removed from the City payroll, that employee has the obligation to mitigate his damages. Therefore, all claims for back wages shall be limited to the amount of wages that the employee otherwise would have earned less any unemployment compensation, and/or compensation received for employment obtained subsequent to his removal from the City payroll. Compensation received for employment obtained subsequent to an employee's removal from the City payroll will only be set off up to the number of hours the employee was working for the City at the time of his removal from the City payroll.

5. The decision of the arbitrator in a case shall not require a retroactive wage adjustment in another case except by express agreement of the parties.

6. There shall be no appeal from the arbitrator's decision, if made in accordance with his jurisdiction and authority under

this Agreement. The arbitrator's decision shall be final and binding on the City, on the employee or employees, and on the Union.

7. The expenses of the arbitrator shall be shared equally by the parties.

Section 4. Policy Grievance.

A grievance affecting a number of employees may be treated as a policy grievance and entered directly at the second step of the grievance procedure.

Section 5. Special Conferences.

Special conferences for important matters will be arranged between the Union and the Employer or his designated representative by mutual agreement.

ARTICLE VIII

DISCIPLINARY ACTION

The Employer shall not discharge, suspend, or discipline any seniority employee without just cause. All seniority employees shall have the right to be represented at all disciplinary conferences or procedures if they so request. Notification shall be given to a Union Representative within a reasonable time after any disciplinary action taken against any seniority employee which results in official entries being added to his personnel file. Any action taken pursuant to this section shall be subject to the grievance and arbitration procedures. Any seniority employee may request an investigation as to his discharge or suspension by

filing a grievance through the grievance procedure. A grievance protesting a discharge or suspension shall be taken up at the third step of the grievance procedure and is subject to the time limits set forth therein.

#### ARTICLE IX

##### HEALTH, SAFETY AND OUTSIDE EMPLOYMENT

###### Section 1. Health and Safety.

The City and the Union will cooperate in the continuing objective to eliminate accidents and safety hazards.

###### Section 2. Outside Employment.

Private employment or self-employment during off-duty hours or off days is permitted in cases where its performance does not conflict with the City's interest and does not reduce the employee's ability to perform duties of his employment with the City. Employees who presently are engaged or who in the future may engage in outside employment shall notify the Director of Public Safety in writing setting forth the general nature of the outside employment and of the anticipated hours of work.

#### ARTICLE X

##### SENIORITY

###### Section 1. Seniority Date.

Seniority shall be determined first by the employee's rank, second by the date of rank, and finally, by the employee's length of service in the Grosse Pointe City Public Safety Department and

its predecessors, Grosse Pointe City Police Department and Grosse Pointe City Fire Department. Seniority in rank shall commence upon completion of a probationary period of one (1) year and shall be retroactive to the date of last promotion. Probationary employees who, in the opinion of the City, are not satisfactory, may be returned to their former rank at the discretion of the City subject to the grievance procedure.

Section 2. Loss of Seniority

An employee shall forfeit his seniority rights only for the following reasons:

1. He resigns.
2. He is dismissed and is not reinstated.
3. He is absent without leave for a period of two (2) duty days or more. (Exceptions to this may be made by the City on the grounds of good cause for failure to report.)
4. He retires on regular service retirement or duty disability retirement.
5. He takes a leave of absence for more than one year. There shall be no loss of accumulated seniority for leaves of absence not exceeding one year. An employee will not accumulate any additional seniority for any purpose during a leave of absence.

Section 3. Seniority Lists.

A seniority list shall be furnished to the Union by the

City once each year. The seniority list shall include rank and departmental seniority.

Section 4. Scheduling of Furloughs.

The choice of furloughs shall be by seniority in rank, provided such does not interfere with the orderly and efficient operation of the Department, but the final right to the scheduling of furloughs shall be exclusively reserved to the Employer.

Section 5. Reduction in Force.

In the event there is a reduction in the number of sergeants or lieutenants, the sergeants or lieutenants shall be reduced by seniority in rank and shall be permitted to transfer to the next lower grade status in line with their departmental seniority. Employees who have reached voluntary retirement age will first be advised of said force reduction and given an opportunity to voluntarily retire. In the event of a layoff, the City will notify the employees to be laid off, and a Union Representative, in writing, thirty (30) calendar days prior to the date of the layoff. This notification to the Union Representative shall be for the purpose of allowing the City and the Union an opportunity to discuss alternatives to a layoff and shall in no way be construed to restrict the Employer's power to reduce its force by laying off employees.

Section 6. Trading of Days and Shifts.

Subject to the City's manpower needs, employees may

trade work days, leave days, or shifts with reasonable notice to and the approval of, the Director of Public Safety or his designated representative.

#### ARTICLE XI

Each employee covered by this Agreement must maintain a medically acceptable personal physical fitness commensurate with the duties and requirements of the position he occupies. This shall include demonstrating such condition by a physical examination as may be required by the City, at its expense. Failure to do so shall result in disciplinary action up to and including discharge.

#### ARTICLE XII

##### DISABILITY LEAVE

###### Section 1.

A disability leave may be granted to an employee of the City for a service-connected injury or disability provided such leave is applied for in writing setting forth all of the pertinent facts which are the basis for the application.

Section 3.

A. Employees Assigned To Twenty-Four (24) Hour Duty Shifts.

The compensation paid by the City to any employee who is assigned to a twenty-four (24) hour duty shift and who is granted a disability leave shall be equivalent to the amount of the employee's wages, including scheduled overtime, which he was receiving at the time of the commencement of such disability leave less the amount the employee shall receive for benefits under the Michigan Worker's Disability Compensation Act, together with the compensation received by the employee from employment for any other employer, from gainful self-employment, or from unemployment compensation insurance.

B. Employees Assigned To Eight (8) Hour Duty Shifts.

The compensation paid by the City to any employee who is assigned to an eight (8) hour duty shift and who is granted a

disability leave shall be equivalent to the amount of the employee's salary or wages which he was receiving at the time of the commencement of such disability leave less the amount the employee shall receive for benefits under the Michigan Worker's Disability Compensation Act, together with the compensation received by the employee from employment for any other employer, from gainful self-employment, or from unemployment compensation insurance.

employment with the City, he should secure his own physical examination and, in the event there is a conflict in the determination of the doctors regarding this matter, the dispute shall be resolved by a third doctor mutually agreed upon by the doctor appointed by the City and the employee's doctor.

6. Sixteen (16) weeks from the date upon which the employee is eligible to receive Worker's Compensation Benefits under the Michigan Worker's Disability Compensation Act. A public safety officer who needs an extended disability leave for longer than the sixteen (16) weeks specified in this Section may request such leave from the City Council.

Section 5.

No provision of the disability leave shall be applicable nor shall disability leave benefits be paid by the City if an employee is injured while employed with another employer or while self-employed.

ARTICLE XIII

SICK LEAVE

Sick leave shall be reserved for regular full-time employees. Beginning July 1, 1979, each such employee may earn and shall be entitled to sick leave with pay at the rate of eleven (11) duty days every two years with accumulation up to a maximum

All sick leave shall be subject to such verification as the City may see fit to require, including a re-examination by a physician designated by the City.

3. When the City designates a physician other than the employee's physician to verify a sickness (under the above-stated provisions or any other services required hereunder) the cost thereof shall be at the expense of the City.

4. Any absence for which a required certificate of illness or other suitable proof of illness if requested, has not been submitted, shall be considered "Absence Without Leave" and shall result in loss of compensation for such period of absence.

5. Sick leave may not be granted in anticipation of further service or for any injury or illness occurring in employment other than for the City of Grosse Pointe. Holidays falling within a period of sick leave shall not be counted as sick leave. Sick leave shall not be charged against an employee's current sick leave in amounts of less than one-half (1/2) day.

6. Any employee who reports for work and leaves because of sickness during his tour of duty shall not be charged any sick time loss if he works more than a twenty (20) hour period. 9. Accumulated sick days shall be paid out upon termination of the employment relationship under only the following condition: An employee who retires under the provisions of Chapter B of the City Charter or pursuant to Appendix G - Duty Disability Retirement, shall receive payment for fifty percent (50%) of his accumulated sick days. Payment shall be based on the average of the retiree's base hourly wage rate over the last five (5) years of his employment, for a number of days not to exceed thirty seven and one-half (37 1/2) duty days. For periods commencing after June 30, 1987, wages paid for scheduled overtime to

employees assigned to twenty-four (24) hour duty shifts shall be included in calculating the average of the retiree's base hourly wage rate.

11. Subject to scheduling requirements any employee shall have the privilege of converting, on an annual basis, one (1) duty day of his annual sick leave into emergency or personal leave and to deduct such emergency or personal leave from his total annual sick leave time. Such personal and emergency leave requests shall be approved by the employee's immediate supervisor or the ranking officer and shall be requested at such time as such emergency becomes apparent, but in all events at least twenty-four (24) hours prior to the date that such leave is to become effective.

LETTER OF UNDERSTANDING

Representatives of the City of Grosse Pointe and the Fraternal Order of Police, Labor Council, applying to Grosse Pointe City Supervisory Public Safety Officers, have been involved in collective bargaining negotiations. As a result of these negotiations, the parties have mutually agreed, in good faith, to the wage rates and other provisions reflected in their 1987-1990 collective bargaining agreement. This was accomplished in order to comply with the Fair Labor Standards Act, while meeting the financial restraints of the City in maintaining 24 hour shift assignments. If there is a change in the law which would exempt the City from the payment of overtime compensation to public safety employees normally assigned to the current 24 hour shift assignments, changes to the collective bargaining agreement discussed by the parties in negotiations will be implemented.
