Step 3. If the grievance is not resolved in Step 2, it will be submitted to the Village Manager within seven (7) days. The Village Manager will respond in writing within seven (7) days.

Step 4. If the grievance is not resolved in Step 3, a Grievance Committee consisting of the Department Head, Village Manager, and the Union representative shall review the matter within ten (10) days. Both the Employer and the Union will reduce their contentions to writing within seven (7) days.

Step 5. If the grievance is not resolved in Step 4, either party may submit the grievance within fourteen (14) days to mediation with the Michigan Employment Relation Commission.

Step 6. In the event the grievance is not satisfactorily settled at Step 5, the Union shall have ten (10) days in which to submit the grievance to binding arbitration in accordance with the procedures set forth below or to the Teamsters Local 214 Grievance Panel for its review. Notice of the Union's intent to proceed to the Grievance Panel must be submitted to the Employer in writing. The decision of the Grievance Panel shall be made within thirty (30) days of the notice to the Employer of submission to the Grievance Panel. Should the Grievance Panel recommend that the matter be submitted to arbitration, the Union shall have ten (10) days after the Panel's decision to submit the matter to arbitration in accordance with the procedures set forth below. If the grievance is not so submitted within ten (10) days, it will be considered closed on the basis of the last disposition.

Section 3. If the grievance has not been settled in the last step, the parties, or either party, may submit such grievance to arbitration provided such submission is made within fifty (50) days after receipt of the last step answer. All matters submitted to arbitration shall be submitted to the Federal Mediation and Conciliation Service in accordance with its Voluntary Rules and Regulations, then obtaining, within the time specified above and such rules shall govern the arbitration hearing. The arbitrator shall have no power or authority to alter, amend, add to, or subtract from the terms of this Agreement. Both parties agree to be bound by the award of the arbitrator and that the costs of any arbitration proceeding under this provision shall be borne equally between the parties except that each party shall pay the expenses of its own witnesses.

ARTICLE 8
GRIEVANCE COMMITTEE

Section 1. The employees selected by the Union to act as Union representatives shall be known as "stewards". The names of employees selected as stewards and the names of other Union representatives who may represent employees shall be certified in writing to the Employer by the Local Union, and the individuals so certified shall constitute the Union Grievance Committee.

Section 2. The Employer shall meet as required, at a mutually convenient time, with the Union Grievance Committee. All Grievance Committee meetings shall be held at reasonable hours, on the Employer's premises, and without loss of pay.

Section 3. The purpose of Grievance Committee meetings will be to adjust pending grievances and to discuss procedures for avoiding future grievances. In addition, the Committee may discuss with the Employer other issues which would improve the relationship between the parties.

Section 4. The formula for determining the number of Union Stewards is intended to provide minimum Union representation.

ARTICLE 9
SPECIAL OR SAFETY CONFERENCE

Section 1. Either party may request a Special Conference between the parties. The party requesting such conference will prepare an agenda and submit it to the other party five (5) days before said conference. Only those items on the agenda will be discussed. The employees who attend said conference shall not lose time or pay for time spent in such conference if the conference is held during normal working hours.

Section 2. A Safety Committee shall be composed of Union and Employer representatives who will meet for the purpose of discussing safety and promulgating safety regulations. The employees who attend such meetings during normal working hours will not suffer loss of pay.

Section 3. All of the above conferences must have prior approval of the Employer.

ARTICLE 10
PROBATION

Section 1. A new employee shall work under the provisions of this Agreement but shall be employed only on a one hundred eighty (180) working day trial basis, during which period he may be discharged without further recourse provided, however, that the Employer may not discharge or discipline for the purpose of evading this Agreement or discriminating against the Union member. After one hundred eighty (180) working days, the employee shall be placed on the regular seniority list as of date of hire. In case of discipline, the Employer shall notify the Local Union in writing.

Section 2. Article 29, Section 1, shall apply to employees of the Wastewater Treatment Plant, as an additional requirement.

ARTICLE 11
SUBCONTRACTING

Section 1. The Employer will give due consideration to public interest, costs, efficiency, availability of equipment, and qualifications of employees when evaluating the need to contract. The Employer will give advance notification to the unit when subcontracting could have a significant impact on the employees of the unit and will meet to consider the Union's views on minimizing such impact. No final decision on whether or not such work will be subcontracted will be made until the matter is discussed with the Union. The Employer further agrees not to implement a subcontracting agreement which would result in the layoff of any seniority members of the unit.

ARTICLE 12
EXTRA CONTRACT AGREEMENTS

Section 1. The Employer agrees not to enter into any agreement with another labor organization during the life of this Agreement with respect to the employees covered by this Agreement or any agreement or contract with the said employees, individually or collectively, which in any way conflicts with the terms or provisions of this Agreement or which in any way affects wages, hours or working conditions of said employees or any individual employee or which in any way may be considered a proper subject for collective bargaining. Any such agreement shall be null and void.

ARTICLE 13
SENIORITY AND TRANSFERS

Section 1. Newly hired employees may acquire seniority by working one hundred eighty (180) working days. When the employee passes said probationary period, said employee's seniority will date back to the date of hire in the department. When the employee acquires seniority, his name shall be placed on the seniority list by department in the order of his seniority date.

a. If a supervisor in another Village of Holly bargaining unit is transferred into this bargaining unit, such transfer shall not result in the reduction of classification or laying off of any member of this bargaining unit.

Section 2. Seniority shall only be broken by discharge or by voluntary quit or layoff for a period covering his Village seniority but not more than two (2) years.

Section 3. In the event of a layoff, an employee so laid off should be given two (2) weeks notice of layoff and two (2) weeks notice of recall to work, mailed to his last known address by certified mail. In the event the employee fails to make himself available for work in said two (2) weeks, he shall lose all seniority rights of this Agreement.

Section 4. The Employer shall post a list of employees, arranged in order of their seniority and job title, each year. This list shall be posted in a conspicuous position at the place of employment.

Section 5. Strict seniority shall prevail in the layoff and rehiring of all employees, in all departments. However, in reducing the work force because of lack of funds or lack of work in any department, the last employee hired shall be the first employee laid off. The last employee laid off shall be the first employee rehired, and in rehiring, this provision shall not be implemented by any employee of any department towards bumping an employee of the clerical department.

Section 6. In the event there is a permanent job opening or a temporary job opening of at least three (3) months due to illness, emergency, leave, vacations, temporary work increases, weather, etc., the Employer will fill such jobs by offering to the most senior employee within the classification or division of the bargaining unit, if qualified. All such assignments will be paid at the present rate called for in that classification.

ARTICLE 14
DISCHARGE OR SUSPENSION

Section 1. The Employer shall not discharge or suspend any employee without just cause; but in respect to discharge or suspension, the Employer shall give at least three (3) warning notices of the complaint against such employee to the employee in writing and a copy of the same to the Union and Steward, except that no warning notice need to be given to an employee before he is discharged if the cause of such discharge is dishonesty or drunkenness or recklessness resulting in serious accident while on duty. The warning notice as hereby provided shall not remain in effect for a period of more than twenty-four (24) months from the date of said warning notice and will be removed from the employee's file.

ARTICLE 15
ABSENCES

Section 1. Any employee desiring a leave of absence from his employment shall secure written permission from the Employer. The maximum leave of absence shall be for two (2) years and may be extended for like periods, provided the Employer has granted an extension prior to the end of such original leave. The employee may apply for a leave of absence for the purpose of receiving drug and/or alcohol rehabilitation treatment at a recognized treatment or medical center.

Permission for extension must be secured from the Employer. During the period of absence, the employee shall not seek or engage in gainful employment. Failure to comply with this provision shall result in the complete loss of seniority rights and/or discharge for the employee involved. Inability to work because of proven sickness or injury shall not result in the loss of seniority rights.

Section 2. The Employer agrees to grant time off not to exceed three (3) days in any one calendar year, without discrimination or loss of seniority rights and without pay, to Steward and/or Assistant Steward of the Union to attend a labor convention or serve in any capacity on other official Union business, provided forty-eight (48) hours written notice is given to the Employer by the Union specifying length of time off for Union activities. Due consideration shall be given to the number of employees affected in order that there shall be no disruption of the Employer's operations due to lack of available employees or the creation of a condition which would necessitate overtime pay for an employee filling the position created by such time off.

ARTICLE 16
LIMITATION OF AUTHORITY AND LIABILITY

Section 1. The Union and the Employer recognize that strikes and other forms of work stoppages by employees are contrary to law and public policy. The Union and the Employer subscribe to the principle that differences shall be resolved by peaceful and appropriate means without interruption of the Employer's services. The Union, therefore, agrees that its officers, representatives, and members shall not authorize, instigate, cause, aid, encourage, ratify, or condone, nor shall any employee take part in any strike, slowdown, or stoppage of work, boycott, picketing or any other interruption of activities of the Employer. Failure or refusal on the part of any employee to comply with any provision of this Article shall be cause for whatever disciplinary action is deemed necessary by the Employer representatives.

Section 2. Any individual employee or group of employees who willfully violate or disregard the arbitration and grievance procedures set forth in Article 7 of this Agreement may be summarily discharged by the Employer.

ARTICLE 17
PERSONNEL FILE

Section 3. Should the Employer require any employee to give bond, cash bond shall not be compulsory, and any premium involved shall be paid by the Employer.

ARTICLE 18
BULLETIN BOARD

Section 1. The Employer shall provide a bulletin board in the facility where employees hereunder are employed for the posting of seniority and vacation lists and for use of the Union and Employer. Only official notices are to be posted and must have the signature

of the Union Business Representative or the Steward for the Union and the Employer or his representative. It is further agreed that there shall be no political or inflammatory matter of any nature whatsoever posted on the bulletin board.

ARTICLE 19
LEGAL ASSISTANCE

Section 1. The Employer will provide to the employee such legal assistance as will be required or needed as a result of the acts occurring when and while said employee is in the performance of his normal duties and responsibilities. The Employer will provide insurance coverage for the employee for claims made as a result of acts occurring in the normal and regular performance of the employee's job. The employer will not provide coverage for the intentional tortious unlawful acts of the employee.

ARTICLE 20
MILEAGE

Section 1. The Village will provide the IRS rate to the Union for posting.

ARTICLE 21
OVERTIME AND WORKING HOURS

Section 1. The regular work week shall be established as Monday through Friday. The regular work day shall be eight (8) working hours in any one work day. The Village may establish a schedule for employees in certain departments, if required by state or federal laws, regulations or court orders, that provides for different work schedule. In no case, however, will any employee be required to work a split shift or to work more than forty (40) hours per week without receiving overtime as provided in other sections of this contract, and each employee will receive two (2) successive days off during each seven (7) day period. This section is not intended to modify or nullify any other section of this Agreement regarding personal days, sick days, vacation days or holidays. The Village and the Union agree that if the Village is mandated to operate on a schedule that would modify the regular work week or regular work day, the modified work schedule shall be renegotiated.

Section 2. Employees called in to work outside regular hours shall receive at least two (2) hours work.

Section 3. The Village will provide the employees of the DPW crew on Standby with pagers which have a range of fifteen (15) miles. Employees on Standby shall receive four (4) hours straight time for which certain non-Village mandated tasks shall be performed, i.e., checking water wells, filtration system, and wastewater treatment plant. Alternate employees on Standby shall receive two (2) hours per day at straight time. If an employee on Standby is called out for an emergency, minimum additional call out pay shall be based on a two (2) hour period at 1 1/2 times the regular rate of pay. This would not include holidays; Article 22 would apply in the case of holidays.

Section 4. Overtime work will be permitted only when authorized by a foreman or supervisor.

Section 5. An employee required to work more than two (2) hours overtime shall be granted a fifteen (15) minute coffee break.

Employees who are offered the opportunity to work overtime and refuse it, except for good reason, shall be charged the amount of overtime actually worked by the employee who does the required work for the purpose of equitable distribution of overtime.

Section 8. The Employer shall provide the employees a monthly choice of being assigned back-up on call status.

Section 9. An employee when assigned to work in a higher classification shall receive the higher rate of pay for those hours so worked in the higher pay classification. When an employee is assigned to work in a lower classification during the work day, he shall not suffer a reduction in pay.

ARTICLE 22 HOLIDAY PAY

Section 1. All regular seniority employees will be eligible to receive holiday pay under the following regulations. Employees will be paid their current base rate based on the normal hours granted for said holidays. (Eight hours = whole day) In order to qualify for the holiday pay for the holiday so designated, an

Section 3. Employees who lose time from their job because of on-the-job disability shall continue during their disability to accumulate vacation days for a period equal to their seniority or

two (2) years whichever is less; however, days accumulated during disability under this provision shall have no cash value.

ARTICLE 24 CREDIT UNION

Section 1. The Employer agrees to deduct from each employee who so authorizes it in writing a specified sum each and every payroll and to pay this sum to the two designated credit unions no less frequently than required. The employee may revoke at any time this authorization and assignment by filing with the Employer and the credit union a statement in writing that he does not wish the Employer to continue making such deductions provided that such revocation shall not be effective for ten (10) days from the date it is received by both the Employer and the credit union.

Sick leave may be utilized when the employee is sick or injured and is physically unable to perform the duties of his or her job. The Department Head may require written medical verification to justify the use of paid sick leave in instances of three (3) or more consecutive working days of absence or when an employee's sick leave usage suggests possible abuse within the fiscal year.

Section 2. The Employer agrees to furnish Sick and Accident Insurance in the amount of $66 \frac{2}{3}\%$ of the gross salary for a maximum of twenty-six (26) weeks. Said coverage to begin on the first calendar day of accident and the eighth calendar day of sickness.

The Employer reserves the right to re-open negotiations to discuss the implementation of a new program or plans.

Section 3. The parties agree that both of the above insurance programs are to be paid for by the Employer for all employees who are actively at work for the Employer with the following conditions:

a. b. In the case of a work-related injury or illness, the Employer agrees to continue the contribution for a period not to exceed a two-year (2) period.

Section 4. Any covered employee may choose to waive medical insurance coverage with the Village if they can show proof of similar or better coverage. Any employee waiving the Village insurance plan shall receive on a quarterly basis a payment equal to one-half of the amount the Village would have paid to the carrier for insurance coverage for the employee and family, if applicable. If during the course of one year the employee's

dependent status changes, the employee's reimbursement will be computed on the basis of the changed status. Any employee waiving coverage must sign a statement that she/he understands that re-entering the group may be done only during the month of August each year; that the carrier may require a medical examination before permitting the employee to re-enter the Village's group insurance plan; that the Village is under obligation to provide insurance in accordance with this Labor Agreement only; and should the employee withdraw from the plan and should the carrier refuse to permit an employee to re-enter the plan, the Village is not obligated to provide any health insurance to the employee.
