PURPOSE OF AGREEMENT

THIS AGREEMENT made and entered into this 1st day of July, 1983, by and between Ida Public schools, located at Ida, Michigan, party of the first part and hereinafter termed the Employer and Local Union No. 214 affiliated with the International Brotherhood of Teamsters, Chauffeurs, Warehousement and Helpers of America, located at Detroit, Michigan, party of the second part, hereinafter called the Union.

GENERAL STATEMENT

It shall be the endeavor of this District to secure the best available employees. All selections and promotions shall be based on ability, workmanship, suitability and seniority. There shall be no discrimination towards candidates or employees because of sex, race, color, religion or national origin.

ARTICLE I

RECOGNITION, AGENCY SHOP AND DUES

Section 1. Under the current contract, the Employer recognizes and acknowledges that the Union is the exclusive representative in collective bargaining with the Employer of those covered by this Agreement and listed hereinafter.

Section 2. Membership in the Union is not compulsory. Regular employees have the right to join, not join, maintain, or drop their membership in the Union as they see fit. Neither party shall exert any pressure on or discriminate against an employee as regards such matters.

Section 3. Membership in the Union is separate, apart and distinct from the assumption by one of his equal obligation to the extent that he received equal benefits. The Union is required under this Agreement to represent all of the employees in the bargaining unit fairly and equally without regard to whether or not an employee is a member of the Union. The terms of this Agreement have been made for all employees in the bargaining unit and not only for members in the Union, and this Agreement has been executed by the Employer after it has satisfied itself that the Union is the choice of a majority of the employees in the bargaining unit.

Accordingly, it is fair that each employee in the bargaining unit pay his own way and assume his fair share of the obligation along with the grant of equal benefit contained in this Agreement.

Section 4. In accordance with the policy set forth under paragraph (1) and (2) of this Section, all employees in the bargaining unit shall, as a condition of continued employment, pay to the Union, the employee's exclusive collective bargaining representative, an amount of money equal to that paid by other employees in the bargaining unit who are members of the Union, which shall be limited to an amount of money equal to the Union's regular initiation fees and its regular and usual dues. For present regular employees, such payments shall commence thirty-one (31) days following the effective date or on the date of execution of this Agreement, whichever is the later, and for new employees, the payment shall start thirty-one (31) days following the date of employment.

Section 5. The Employer agrees to deduct from the pay of each employee all dues and initiation fees of the Union and pay such amount deducted to the Union for each and every employee working in the classifications hereinafter set forth; provided however, that the Union presents to the Employer authorizations signed by such employee allowing such deductions and payments to the Union.

Section 6. New employees hired into a new job classification covered under this Agreement shall be considered as probationary employees for the first sixty (60) working days of their employment. When the employee completes the sixty (60) working day probationary period, he shall be entered on the seniority list of the job classification and shall rank for seniority from the original day of hire provided there is continuous employment. Substitute employees will be considered for job openings and their substitute working time could be considered as their probationary period. Also, substitutes are entitled to the full wages, after sixty (60) working days.

ARTICLE II

SEPARABILITY AND SAVINGS CLAUSE

Section 1. If any provision of any Article or Section is invalid under Federal law or the laws of the State of Michigan, such provision shall be modified to comply with the requirements of Federal or State law or shall be renegotiated for the purpose of adequate replacement.

ARTICLE III

SENIORITY

Section 1. Strict seniority shall prevail in the layoff and rehiring of employees. In reducing the work force because of lack of work, insufficient funds or other legitimate cause, the last employee hired shall be the first employee laid off provided the employee retained has the ability to perform the required work satisfactorily, and the last employee laid off shall be the first employee rehired.

In the laying off and the rehiring of employees, the particular work performed by said employee will be considered as an important factor. The Union and the Employer jointly shall decide the extent to which "work performed" shall hold weight in determining the layoffs and rehire of employees.

In any reduction of personnel, all employees over 70 years of age will be retired before affecting other employees, starting with the oldest employee and continuing thus until all employees of 70 years of age have been retired. However, no employee within two years of retirement eligibility under the Pension Plan shall be laid off if such employee can perform the required work. Retirement age of custodial and maintenance employees shall be 70 years of age and retirement will become effective at the end of the school term in which the employee becomes 70 years of age except that this shall not apply to any regular employee of the Board of Education as of the date of adoption of this policy. (Language speaking to age 65 was adopted on July 1, 1968. Language speaking to age 70 was adopted on July 1, 1980.) All such current employees may be given consideration by the Board of Education for continued employment beyond age 65 years.

Section 2. The Employer shall post a list of the employees arranged in order of their seniority at the beginning of each six months. This list shall be posted in a conspicuous position (bulletin board) at the place of employment.

Section 3. Seniority shall be broken only by discharge, voluntary quit or layoff of a period of more than two years. Seniority rights for employees shall prevail at all times except as limited herein.

Section 4. In the event of layoff, an employee so laid off shall be given two weeks notice of recall to work mailed to his last known address. In the event the employee fails to make himself available for work at the end of said two weeks, he shall lose all seniority rights under this Agreement.

ARTICLE IV

JOB OPENINGS

Section 1. All vacancies in custodial and maintenance services shall be subject to seniority and ability and shall be posted for bids. Posting shall be at a conspicuous place (bulletin board) for a period of five working days, so that all eligible employees will receive notice of the vacancy or new position open for bid.

Section 2. The qualifications for such new position or vacancy shall be based on seniority and ability to do the required work. The employees fulfilling the requirements shall be given 60 working days to qualify, and if such employee does qualify, his rate of pay for such new position or vacancy shall begin in the first working day. If the employee, in the opinion of his supervisor or the Union, is unable to perform the duties satisfactorily of the new position, he shall revert to his former position and another employee shall be given such 60 days qualifying period.

Section 3. In all cases of vacancy of new position, the employee with seniority must present himself and be available within five working days after notification of the vacancy. If the employee is on vacation, the Employer shall notify such employee of the new position upon his return from vacation.

Section 4. In the case of an opening in a Foreman's position, such position shall be filled from custodial and maintenance employee's ranks whenever possible. If an employee so chosen fails to qualify for such Foreman's position within 30 working days, he shall be returned to his prior status without loss of seniority. During the 30 working day period, the employee will receive the same hourly rate called for under the employee's previous classification. If the employee fulfills the requirements of the Foreman's position and continues in said position, the new hourly rate shall be retroactive to date of initial promotion.

Section 5. An employee may exercise his rights to refuse promotion or transfers of a promotional nature without loss of seniority or bias.

Section 6. Voluntary transfers may be made as the result of a written request from the employee to the supervisor. Such transfer requests should be made with knowledge of the department head or school principal under whom the employee is working at the time the request is made.

Section 7. In the event an employee is transferred from one position to another in the same classification, the hourly pay rate will remain the same as was paid in the position the employee formerly occupied. If an employee is transferred to a lower classification at the employee's request, the employee will receive the hourly rate called for in the classification the employee is assigned.

Section 8. A regular employee temporarily assigned to a position of a higher classification shall receive the higher rate of pay. (As a guide--at least two (2) hours out of classification. Per summer, 1980 negotiations.)

ARTICLE V

DISMISSAL - SUSPENSION & DISCIPLINARY ACTION PROCEDURE

Section 1. Dismissal, suspension, and/or any other disciplinary action shall be only for just and stated causes with the employees having the right to defend themselves against any and all charges. Written notification of dismissal, suspension or other disciplinary action shall be sent to the employee and the Union if the employee is a member of said Union. Among the causes which shall be deemed sufficient for dismissal, suspension, demotion or other disciplinary action are the following:

1. Unauthorized or excessive absence from work
2. Commitment or conviction of any criminal act
3. Conduct unbecoming any employee in the public service
4. Disorderly or immoral conduct
5. Failure to make proper provisions for liquidation of just debts
6. Incapacity due to mental or physical disability
7. Incompetency or inefficiency
8. Insubordination
9. Bringing intoxicants into or consuming intoxicants on any school property or reporting for work under the influence of intoxicating liquor in any degree whatsoever.
10. Neglect of duty
11. Negligence of willful damage to public property, waste or misappropriation of public supplies or equipment.
12. Violation of any lawful regulation or order made by a supervisor
13. Willful violation of any provision of this contract
14. Deliberate falsification of records and reports

All dismissals and suspensions shall be without pay. No suspension shall be effective for a period of more than ten (10) working days without the prior approval of the Board of Education.

Section 2. An employee may be dismissed, suspended or disciplined pending investigation and discussion, and if the dismissal, suspension or disciplinary action is found to be without justification, the employee shall be reinstated with full back pay.

Section 3. If the dismissal or suspension is sustained under the procedure outlined in Grievance Procedure, the employee shall be deemed dismissed as of the date of dismissal or suspension.

Section 4. Any suspended employee shall leave the premises and shall remain away until such dismissal or suspension is lifted or cleared.

Section 5. In any case of dismissal, suspension or disciplinary action, the employee, if he so desires, may request an investigation. This request must be written and presented within five (5) working days from the date of dismissal, suspension or disciplinary action. Appeal from discharge or suspension must be heard within five (5) working days and a decision reached within fifteen (15) working days from the date of discharge or suspension. If no decision has been rendered within fifteen (15) working days, the case shall then be taken up as provided for in Article IV.

ARTICLE VI

ARBITRATION & GRIEVANCE PROCEDURE

Section 1. It is mutually agreed that all grievances, disputes or complaints arising under and during the terms of this Agreement shall be settled in accordance with the procedure herein provided and that there shall at no time be any strikes, tie-ups of equipment, slowdown, walk-outs or any other cessation of work through the use of any method of lockout or legal proceedings.

Every effort shall be made to adjust controversies and disagreements in an amicable manner between the Employer and the Union.

Section 2. Should any grievance, disputes or complaints arise over the interpretation or application of the contents of this Agreement, there shall be an earnest effort on the part of the parties to settle such promptly through the following steps:

- STEP 1: By conference between the aggrieved employees, the Steward, or both, and the foreman and/or department head. It shall be the responsibility of the aggrieved to reduce any grievance to writing, on the regular grievance form provided by the Local Union, within five (5) working days of the alleged grievance.
- STEP 2: Before proceeding to Step 3, a hearing between the Union representative and the Board of Education and/or their representatives will be held within ten (10) working days and a decision will be rendered in seven (7) working days after the meeting.
- STEP 3: In the event the last step fails to settle the complaint, it shall be referred to arbitration upon the request of either the Union or the Employer. The President and/or Executive Board of the Local Union shall have the right to determine whether or not the grievance is qualified to be submitted for arbitration by the Union.

Either party may demand arbitration. The party first demanding arbitration shall give two (2) days notice in writing to the other party of its desire to arbitrate. The arbitration board shall consist of three (3) people, one (1) to be selected by the Employer and one (1) to be selected by the Union, and the two (2) so selected, if they themselves cannot settle the dispute, shall agree upon a third (3rd) person who shall act as chairman of this arbitration board. This board shall be selected within ten (10) days after the request of arbitration is made. If the representatives of the parties cannot settle the dispute and cannot agree upon the selection of the third (3rd) person within fifteen

(15) days of their appointment, the third (3rd) person shall be designated by the Employment Relations Commission in accordance with its procedures. The decision of the majority of the Board shall be considered a decision of the Board; provided further, that all cases submitted to arbitration shall be disposed of within ten (10) days from the date the issues are submitted to said board of arbitration; there shall be no strikes, lockouts, cessation of employment or change in the employment status during the progress of arbitration. Failure to submit to arbitration upon request made as provided in this Article, shall result in forfeiture of all rights provided by this Agreement. Arbitration costs shall be shared equally by both parties.

The Arbitration Board shall have no power to add to, subtract from, or modify this Agreement or to declare any provision of this Agreement illegal.

Section 1. Any employee in any work classification covered by this Agreement who has been incapacitated at his regular work or by injury or compensable occupational disease while employed by the Board of Education, may be employed in other work in the various departments of the school system at work he can perform; however, no employee shall collect Workmen's Compensation wages and Board of Education wages for the same period.
