AGREEMENT

This Agreement is entered into as of this 1st day of July, 2003, between the City of Grand Rapids, hereinafter referred to as "City", and the Grand Rapids Police Officers Labor Council, Crime Scene Technician and Latent Print Examiner Unit and the following addendum for the Police Intern Unit, hereinafter referred to as "Union."

ARTICLE 1. RECOGNITION

Section 1

Pursuant to and in accordance with all applicable provisions of Act 379 of the Public Acts of 1965, Management recognizes the Union as the exclusive collective bargaining representative for those employees in the defined bargaining unit for the purpose of collective bargaining with respect to rate of pay, wages, hours of employment and other conditions of employment.

Section 2

The bargaining unit consists of all employees holding positions in the classifications shown in Appendix A or which may hereafter be added thereto or changes as hereinafter provided, and excludes all supervisors and all other employees not specifically included in Appendix A as it now exists or is changed in accordance with this Agreement.

Section 3

Management shall not enter into any other agreements with employees in this bargaining unit, individually or collectively, or with any other organization which in any way conflicts with the provisions hereof.

ARTICLE 2. UNION SECURITY AND CHECKOFF

Section 1

Management will make available to all employees entering the bargaining unit a copy of this Agreement.

Section 2

It shall be a condition of employment that all present and past Union members in the bargaining unit and all future employees in the bargaining unit shall either become and remain members in good standing of the Union or pay to the Union each month a service charge in the amount of the regular monthly Union dues within thirty (30) days after the execution of this Agreement or the beginning of their employment, whichever is later.

Section 3

Upon receipt of a written assignment from an employee covered by this Agreement, Management will, every payday, deduct from the employee for Union membership owed to the Union by such employee for Union membership dues, special assessments, initiation fees, or service charges. Management will remit all deductions made to the designated Union official within five (5) days of the time the deductions are made.

Section 4

Any changes in the present Union membership dues rate will be certified to the City Manager by an authorized officer of the Union at least forty-five (45) days in advance of the effective date of such change.

Section 5

The Union will indemnify, defend and hold Management harmless against any claims made and against any suit instituted against it on account of the application of this Article.

Section 6

The Union agrees to refund to Management any amounts paid to it in error on account of the checkoff provision upon presentation of proper evidence thereof.

ARTICLE 3. MANAGEMENT SECURITY

The Union and employees agree that during the life of this Agreement they will not cause, encourage, participate in or support any strike or picketing against Management or any slowdown or other interruption of or interference with the normal functions of Management concerning any matter which is subject to the grievance procedure or to the jurisdiction of the Civil Service Board. Violation of this paragraph shall be grounds for disciplinary action up to and including discharge without recourse to the grievance procedure. However, any employee who is accused of violating this provision and denies such alleged violation may appeal. Upon a finding of fact that the employee did violate the provision(s) of this Article, the disciplinary action imposed by the Employer shall not be disturbed.

ARTICLE 4. MANAGEMENT RIGHTS

Section 1

Except as otherwise specifically provided herein, the management of the City and the direction of the work force, including, but not limited to the right to hire, the right to discipline or discharge for just cause, the right to decide job qualifications for hiring, the right to layoff for lack of work or funds, the right to abolish positions, the right to make rules and regulations governing safety, the right to determine schedules of work, the right to subcontract work (when it is not feasible or economical for the City employees to perform such work), together with the right to determine the reasonable methods, processes and manner of performing work, are vested exclusively in Management. Management, in exercising these functions, will not discriminate against any employee because of his or her membership in the Union.

Section 2

Rules of conduct not inconsistent herewith and in effect at the date of this Agreement shall be continued. Management shall have the right to amend, supplement, or add to said rules during the term of this Agreement, provided however, that Management shall first consult with the Union prior to any such amendments. Such rules shall be reasonable and shall relate to the proper performance of duties and shall not be applied in a discriminatory manner.

ARTICLE 5. UNION BARGAINING COMMITTEE

Section 1

The bargaining committee of the Union will include not more than three (3) bargaining unit members and two (2) alternate members employed by the City. It may also include non-employee representatives of the Grand Rapids Police Officers Labor Council, not more than two (2) in number. The Union will give to Management, in writing, the names of the employee representatives on the bargaining committee at least seventy-five (75) days prior to the expiration date of this Agreement.

Section 2

There will be no discrimination against any employee because of his/her duties as a Union official, Union representative or committee member. Management will not discriminate against any employee because of his or her membership in the Union.

Section 3

Employee members of the bargaining committee will be paid by Management for time spent in negotiations with Management, but only for the straight time hours they would otherwise have worked on their regular work schedule. For the purpose of computing overtime, time spent in negotiations shall be considered as hours worked to the extent of the regular work schedule hours which otherwise would have been worked by the committee member.

Section 4

Management will not unreasonably refuse a request by any member of the bargaining committee to be transferred to the day shift for the period of contract negotiations. Any refusal by Management shall be subject to immediate submission to arbitration, Step 2, for the purpose of determining the reasonableness of any refusal.

ARTICLE 6. SPECIAL MEETINGS

Section 1

Management and the Union agree to meet and confer on matters of interest upon the written request of either party. The written request shall state the nature of the matter to be discussed and the reason(s) for requesting the meeting. Discussion shall be limited to matters set forth in the request, but it is understood that these special meetings shall not be used to renegotiate this Agreement. Special meetings shall be held within ten (10) calendar days of the receipt of the written request and shall be held between 8:00 AM and 5:00 PM at a time and place designated by Management. Each party shall be represented by not more than four (4) persons at special meetings.

Section 2

The Union representatives may meet at a place designated by Management, on Management's property, for a period not to exceed one-half (½) hour immediately preceding a meeting for which a written request has been made.

Section 3

Employee representatives of the Union at special meetings will be paid by Management for time spent in special meetings, but only for the straight time hours they would have otherwise worked on their regular work schedule. For the purpose of computing overtime, time spent in special meetings shall be considered as hours worked to the extent of the regular work schedule hours which they otherwise should have worked.

ARTICLE 7. UNION REPRESENTATION

Section 1

Employees within the bargaining unit shall be represented by one (1) Union representative for each work shift. The Union shall furnish Management a list of the Union representatives' names and their assigned areas and shall keep the list current at all times. Alternate Union representatives may be appointed by the local Union President to serve in the absence of the regular Union representative.

Section 2

When requested by an employee, a Union representative may investigate any alleged or actual grievance in his/her assigned work area and assist in its presentation. He/she shall be allowed reasonable time therefore during working hours without loss of time or pay upon notification and approval of his/her immediate supervisor outside the bargaining unit.

Section 3

When an employee presents his/her own grievance without intervention of the Union, the Union representative shall be given an opportunity to be present and shall be allowed the time therefore, paid at his/her regular wage, upon notification and approval of his/her immediate supervisor outside the bargaining unit. Management may adjust the individual employee's grievance if the adjustment is not inconsistent with the terms of this Collective Bargaining Agreement.

Section 4

Union business, other than that cited above, shall be conducted so as not to interfere with the work assignment of Union representatives or any other employees.

Section 5

The Union Grievance Committee shall have the same privileges as Union representatives, in areas to which assigned, when any grievance has been processed to its level (Step 1), in the grievance procedure.

Section 6

The Chief Steward shall be assigned to a position on the day shift.

Section 7

During prior negotiations, the Union proposed that Management provide office space for Union officers at Police Headquarters. Management reported there was not sufficient space available for this; however, it was agreed that Management will designate areas for conferences as needed throughout the life of this Agreement. The Union agreed that it would communicate its request to the Deputy Chief and the Deputy Chief would see that a conference area is available.

ARTICLE 8. GRIEVANCE PROCEDURE

Section 1. Grievances

- A. A grievance is any dispute, controversy, or difference between (a) the parties, or (b) Management and an employee or employees, on any issue with respect to, on account of, or concerning the meaning, interpretation, or application of this Agreement or any term or provisions thereof.
- B. A grievance shall refer to the specific provision or provisions of the Agreement alleged to have been violated and shall set forth completely the known facts pertaining to the alleged violation. Any grievance not conforming to the provisions of this Paragraph shall be denied.

Section 2. Time Limits

- A. If Management does not respond within the time limits or procedure required in each step, the grievance shall be considered settled as requested without precedent.
- B. Any grievance not taken to the next step within the time limits specified herein will be considered settled on the basis of the last answer by Management without precedent.
- C. Extensions of the time limits may only be made by a written, signed agreement by a Union representative and a Labor Relations office representative.

Section 3. Election of Remedies

- A. Appeals involving discharge, demotion, reduction in rank or compensation, or suspension may be filed with the Civil Service Board in accordance with Civil Service Board rules. It is expressly agreed that such appeals shall be an election of remedies and a waiver of any right possessed by both the employee and the Union to contest such matter in the arbitration forum provided herein.
- B. It is further expressly agreed that if any proceedings involving any matter which is or might be alleged as a grievance are instituted in any administrative action before a government board or agency, or in any court, whether by an employee or by the Union, then such administrative or judicial proceedings shall be the sole remedy, and grounds for a grievance under this Agreement shall no longer exist. Injunctions, temporary restraining orders or actions under Veteran's Preference shall not be considered part of the grievance procedure.
- C. Grievances involving classification disputes may only be presented to the Civil Service Board.
- D. No other disputes subject to the grievance procedure may be submitted to the Civil Service Board.

Section 4

Grievances will be processed in the following manner and within the stated time limits:

A. Step 1

- 1. The aggrieved employee or group of employees with the Union representative or a representative of the Union shall present the grievance in writing to the employees' immediate supervisor outside the bargaining unit or, in the case of Union grievance, shall be presented to the Chief's office. The grievance must be so presented within ten (10) calendar days after occurrence of the circumstances giving rise to the grievance or ten (10) calendar days from when the grievant should reasonably have known of the occurrence, not including the day of occurrence.
- 2. Grievance involving discharge, demotion, reduction in rank or compensation or suspension shall be filed at Step 2 within fifteen (15) calendar days after notice thereof is given to the employee.
- 3. Management will answer the grievance in writing within ten (10) calendar days of the date of the presentation of the grievance not including the date of the presentation.

B. Step 2

- 1. The Union may initiate a demand for arbitration by serving written notice to arbitrate a grievance with the City's Labor Relations Office within fifteen (15) calendar days after receipt of Management's answer to Step 1, not including the day of receipt of answer. Upon receipt of the Union's notice of intent to arbitrate, the parties shall meet and attempt to resolve the grievance.
- 2. In cases involving discharge, demotion, reduction in rank or compensation, or suspension, the Union may at its discretion initiate a demand for arbitration within fifteen (15) calendar days after the employee receives written notice of such disciplinary action from the City Manager, not including the day of receipt of such notice, except that in the event of the employee's election to file an appeal of such disciplinary action with the Civil Service Board, the right of the Union to proceed to arbitration shall be and is waived.

3. The parties agree to utilize the following persons as arbitrators:

Mario Chiesa
Ruth Kahn
Paul Glendon

Cases may be assigned by the parties on a rotating basis. Either party may reject any or all of the listed arbitrators on any particular case. In such event, the parties shall select an arbitrator from a list provided by the Federal Mediation and Conciliation Service. The power of the arbitrator shall be limited to the interpretation and application of the express terms of this Agreement, and the arbitrator shall have no power to alter, add to, subtract from, or otherwise modify the terms of this Agreement as written. Decisions on grievances within the jurisdiction of the arbitrator shall be final and binding on the employee or employees, the Union and Management.

4. The fee and expenses of the arbitrator shall be paid by the Union if the grievance is denied or by the Employer if the grievance is granted, or as the arbitrator directs otherwise. Management shall, upon request, make employees, who are on duty, available as witnesses. Each party shall make arrangements and pay for the expenses of witnesses which are called by them. Each party shall fully bear its costs regarding witnesses and any other persons it requires or requests to attend the arbitration.

The Chief Steward or his/her designee shall attend all arbitration proceedings without loss of compensation in any manner.

5. It is specifically and expressly understood and agreed that submission of a grievance to arbitration constitutes a waiver of any and all rights by the appealing party and all persons it represents to litigate or otherwise contest the appeal subject matter in any court or other forum, excluding any action properly taken under Title VII of the Civil Rights Act of 1964, as amended.

ARTICLE 9. PAYMENT OF BACK PAY CLAIMS

Section 1

Back wages and/or benefits will be paid to an employee upon a finding that said employee is entitled thereto, in such amounts as may be determined through the grievance procedure. The employer, upon a finding, shall pay the employee within thirty (30) days of receipt of the arbitration decision.

Section 2

No claim for back pay or wages shall exceed the amount of pay or wages the employee would otherwise have earned at his regular wage or pay rate. Any claims for back pay shall be reduced by interim employment earnings and/or unemployment compensation, if directed by the arbitrator or Civil Service Board.

ARTICLE 10. DISCHARGE AND DISCIPLINE

Section 1

In cases of discharge or discipline, a representative of Management shall give prompt notice thereof to the employee and to the Chief Steward. In cases of letters or warning or verbal warning memoranda, such letters shall be given to the employee affected and placed in the employee's personnel file.

Section 2

The affected employee will be allowed to discuss his/her discharge or discipline with his/her steward, or other Union representative, and Management will make available an area where he/she may do so if he/she is required to leave the premises.

Section 3

- A. In imposing any discipline on a current charge, Management will not take into account any prior infractions which occurred more than two (2) years previously nor impose discipline on an employee for falsification of his employment application after a period of two (2) years from his date of hire. In the event an employee completes two (2) years of service without a disciplinary action, letters of warning and/or suspension over two (2) years old shall be permanently removed from his file upon request to the Director of Human Resources.
- B. Every employee shall be entitled to and shall receive a copy of any and all notices, reports, complaints, or other information filed by an employee, supervisor, or any other City Officer or Department or Division Head in the employee's personnel record which relates to, is or may be made the basis for disciplinary action up to and including the discharge of such employee by the City.

Section 4

If Management has the reason to warn or reprimand an employee, it shall be done in a manner that is consistent with good employee relationship principles.

Section 5

Management shall not discipline or discharge any employee except for just cause.

Section 6

Written notice of disciplinary action or discharge shall cite the specific sections of rules and regulations and/or appropriate law(s) or ordinance(s) which the employee is alleged to have violated.

Section 7

An employee against whom charges have been made by Management may be represented by a Union representative or an attorney upon request of the employee.

Section 8. Investigatory Complaints

In the event a complaint is made against an employee which may result in disciplinary action, the following procedure shall apply:

- A. If, in the investigation of a complaint, an employee is requested to appear before a member of Management, he or she shall be fully advised of the nature of the complaint and that the investigation may result in disciplinary action.
- B. Upon the request of the employee for Union representation, such request shall be granted and the Union shall immediately provide such representation. When such representation has been requested, no questioning shall commence until the Union representative is present. An employee shall be allowed reasonable time to confer with his/her steward prior to and during an investigatory interview.
- C. Employees shall be required to answer questions relating to his/her performance as an employee of the Police Department as it relates to the complaint. Refusal to answer such questions may result in disciplinary action, including discharge.

- D. A copy of this section shall be presented to any employee subjected to this procedure prior to the start of questioning. Said copy shall be signed by the employee to indicate receipt and shall also indicate his/her waiver of right to Union representation, if any.

Section 2. Accrual of Seniority

- A. In cases of a tie, seniority shall be determined by the highest total of the digits of the employees' Social Security numbers.
- B. All original appointments of newly-hired employees to positions in the bargaining unit shall be probationary and subject to a probationary period of six (6) months after appointment. At any time during the probationary period, the City Manager may discharge the probationary employee. Any employee so discharged during the probationary period shall have no recourse to the grievance procedure.
- C. All promotional appointments shall be probationary and subject to a probationary period of six (6) months after appointment. Employees shall lose their seniority and their employment shall be terminated for the following reasons:

- A. Discharge, if not reversed.

- B. Except as provided below, the layoff of probationary or permanent employees in the Police Department shall be in inverse order of seniority in the position classes affected.

Section 3. Demotion in Lieu of Layoff

Except as provided below, an employee subject to layoff who so requests within twenty-four (24) hours after receipt of notice of layoff, shall in lieu of layoff, be demoted to a lower position in the Police Department if he/she has a greater length of total continuous service in the Police Department than another employee in that lower position class. Demotion shall be through those classes in which the employee previously held permanent status, providing that an employee serving a probationary period shall not displace a permanent employee in a class in which he/she has not previously held permanent status.

Section 4. Notice of Layoff

Employees to be laid off indefinitely shall be given at least seven (7) calendar days prior notice.

Section 5. Preferred Eligible Lists

Employees laid off shall have their names placed on preferred eligible lists in order of seniority for each class from which displaced.
- B. Names shall remain on the lists for six (6) months or the length of total continuous service in the Police Department, whichever is greater, unless removed as provided below. Employees shall be recalled from layoff or shall be restored to positions from which demoted in the Police Department before any other persons are selected for employment or promotion in those classes.

Section 6. Recall from Layoff

- A. Employees to be recalled from layoff shall be given a minimum of seven (7) calendar days to respond after notice has been sent by certified mail to their last known address.

- B. Employees who decline recall or who, in absence of extenuating circumstances, fail to respond as directed within the time allowed, shall be presumed to have resigned and their names shall be removed from seniority and preferred eligible lists.

Section 7. Restoration to Positions from Which Demoted

- B. If an employee in a position outside the bargaining unit is laid off from such position, he/she may be demoted to the position of Crime Scene Technician or Latent Print Examiner, provided the employee has held prior permanent status in such classification, and there is a vacancy which the Police Department intends to fill.

Section 9

In the event a general layoff becomes necessary, it is agreed that the parties will meet and discuss the question of what, if any, changes in the usual layoff procedure can be made in order to maintain minority representation. Unless the parties mutually agree to the contrary, the usual layoff procedure shall be used.

ARTICLE 13. SHIFT PREFERENCE

Section 4. Shift Adjustment

Management retains the right to adjust the shift hours, however, there will be no partial adjustments, and any change in shift hours will affect the entire shift. At least seven (7) calendar days notice will be given in the event shift hours are to be altered, except in the case of circumstances beyond the control and knowledge of Management such as acts of God, riots, flood, civil disorder and similar acts.

ARTICLE 14. OVERTIME

whichever is greater, for such time spent in court, unless such time worked shall be continuous with his/her normal working hours. In the latter case, he/she shall be paid at his/her overtime rate for the actual hours worked.

- C. Employees absent on unpaid leave shall not be considered to have worked during such absence.

Section 4. Compensatory Time Off

At the request of any employee eligible for overtime pay, his/her supervisor may provide that in lieu of cash payment for overtime, he/she may be allowed time off with pay at the rate of one and one-half (1½) hours for each hour of overtime worked. Appearances before the Accident Review Board or Internal Affairs Unit or attendance at in-service training classes shall be at the rate of time and one-half (1½) for each hour of overtime worked. Any such time off shall be taken at a time mutually agreed upon by the employee and his/her supervisor during the calendar year or the three (3) months following the end of the calendar year in which the overtime was worked. Further deferment of such time off shall be allowed only if approved by the City Manager. In the event that such time off is not taken by the employee within the limiting time, he/she shall be given cash payment for the overtime hours worked at the overtime rate based on his/her salary at the time of the payment of overtime. During the calendar year in which the overtime was worked, the employee may request cash payment for a portion or all of the available compensatory time.

No employee may accumulate more than 240 hours of compensatory time.

ARTICLE 30. MAINTENANCE OF STANDARDS

Management agrees that all conditions of employment not otherwise provided for herein relating to wages, hours of work, overtime differentials and general working conditions shall be maintained at the standards in effect at the time of the signing of this Agreement, and the conditions of employment shall be improved wherever specific provisions for improvements are made elsewhere in this Agreement.

ARTICLE 31. AUTHORIZED REPRESENTATIVE

Any action by any Management or Union official named herein may be exercised by his/her duly authorized representative.

ARTICLE 32. SUPPLEMENTAL AGREEMENTS

All supplemental agreements modifying this Agreement shall be in writing and are subject to approval by the duly authorized representatives of the Union and the City.

ARTICLE 33. VALIDITY

Section 1

The provisions of this Agreement shall supersede any existing rules and regulations of the City and/or any of its boards or agencies which may be in conflict therewith.

Section 2

If any Article or Section of this Agreement or any addendum thereto should be held invalid by operation of law or by any tribunal of competent jurisdiction, or if compliance with or enforcement of any Article or Section should be reinstated by such tribunal, the remainder of the Agreement and addendums shall not be affected thereby, and the parties shall enter into immediate collective bargaining negotiations for the purpose of arriving at a mutually satisfactory replacement for such Article or Section.

ARTICLE 34. ENTIRE AGREEMENT

During negotiations each party had the right to make proposals with respect to all bargainable matters. This sets forth the basic and full agreement between the parties. During its life, neither will require the other to engage in further collective bargaining as to any matter whether mentioned herein or not except as such bargaining is provided for herein.

ARTICLE 35. EMERGENCIES

Section 1

In case of circumstances beyond the control of Management, such as an act of God, riot, flood, civil disorder, and other similar acts, the time limits for Management and Union replies on grievances shall be automatically suspended without recourse from the Union.

Section 2

In addition, and notwithstanding other Articles of this Agreement, Management reserves the right, during any such emergency, to assign employees to work without regard of their employment classification. Grievances protesting that a Management action during such emergency was a violation of this Agreement shall be filed within ten (10) working days after the end of the emergency condition.

ARTICLE 36. HUMANITARIAN CLAUSE

Section 1

Should an employee covered by this Agreement become physically or mentally handicapped to the extent he/she cannot perform his/her regular job, Management will make every effort to place the employee in a position that he/she is physically and mentally able to perform.

Section 2

The parties agree to form a joint labor/management committee to establish a comprehensive humanitarian program within six months of signing this agreement that will assist Management's efforts to place the employee (whenever possible) in an alternative position within the City which he/she is physically and mentally able to perform.

Section 3

The City Manager or designee and Union officials may, on a case by case basis, meet and upon mutual agreement permit unit personnel to work on behalf of a disabled employee (excluding duty-incurred disability) for specified periods of time, or donate accumulated compensatory time in specified amounts, when such disabled employee has exhausted all available paid leave time. Any such agreement reached under this Section shall be reduced to written form and signed by the Union President and City Manager.

ARTICLE 37. INCOME MAINTENANCE PLAN

The income maintenance plan provides the employee with an income allowance equal to 75% of his/her regularly assigned salary for a period of one full year in the event that he/she suffers from a catastrophic illness/disability which prevents him/her from being at work and performing his/her normal job.

The income maintenance allowance begins for the employee at such time as he/she has exhausted all of his/her accrued sick leave and vacation benefits. While receiving the income maintenance allowance, employees shall remain on the City payroll and continue to have insurance premiums and retirement plans funded by the City in the manner outlined elsewhere in this agreement. Employees shall not accrue vacation or sick leave credits.

In the event the employee receives monies as a result of workers' compensation law payments or as a result of payments made pursuant to the provisions of the Michigan no-fault automobile insurance law, the income allowance will be reduced by an amount which will result in the employee receiving not more than 100% of his/her regularly assigned salary during the period of illness or disability.

All decisions regarding an employee's eligibility for income maintenance will be made by the City's physician, subject to appellate review by the City Manager. A decision made by the City Manager will be final and not subject to further review.

An employee who returns to work after being absent on the income maintenance plan for more than 6 months shall be ineligible to request implementation of the plan for the next 6 months following his/her return.

ARTICLE 38. PENSIONS

Section 1

The pension benefit levels shall be continued for the life of this Agreement. To the extent that they are not in conflict with or impact the benefit levels of this bargaining unit, the parties may meet and confer about any amendments to the pension plan subsequently adopted and approved by the City Commission.

The parties agree to implement the pension ordinance amendments concerning Sections 1.221, Section 1.224, and Section 1.225 as follows:

A. Section 1.221 – Employer Contributions

- (1) The financial objective of the System shall be to receive contributions each fiscal year which are sufficient to fund the actuarial cost of benefits likely to be paid on account of service earned by members during the fiscal year (the current service contribution) and amortize the unfunded actuarial cost of benefits likely to be paid on account of service earned by members prior to the fiscal year (if any) over a period of years as established by the City.
- (2) If valuation assets exceed actuarial accrued liabilities, the difference shall be the full funding credit. The contributions determined under Section 1.221(1) shall be reduced by an amount which will amortize the full funding credit (if any) over a period of years as established by the City.
- (3) Notwithstanding the offset to current service contributions under (2) of this Section, the City shall make a contribution in the amount determined in this paragraph. In the event the System has greater valuation assets than actuarial accrued liabilities, the City will pay its current service contribution during its next ensuing fiscal year reduced by 10% (or portion

thereof) that valuation assets exceed the actuarial accrued liabilities, as determined on the prior June 30 valuation date, except as provided below. The unreduced current service contribution will be paid during the next ensuing fiscal year if the market value of assets on the March 31 prior to the next ensuing fiscal year exceeds the actuarial present value of expected future benefit payments determined at the prior June 30. This subsection 93) shall be effective beginning with the June 30, 1997, actuarial valuation for the contribution rate for July 1, 1998 (FY 1999).

- (4) The employer's contributions for special early pensions shall be determined on a one-year term basis. The Board shall annually certify to the City Commission the amount of contribution so ascertained for the employer and the employer shall during its next ensuing fiscal year pay such amount to the System. Such payments shall be made in such manner and form and in such frequency and shall be accompanied by such supporting data as the Board shall from time to time determine. When received, such payments shall be credited to the casualty reserve fund.
- (5) Contribution requirements under Sections 1.221(1), (2), and (3) shall be determined by annual actuarial valuations using a generally recognized level percent of payroll actuarial cost method.
- (6) The Board shall certify to the City Commission the amount of annual contribution needed to meet the financial objective and the City Commission shall appropriate and cause the contribution to be paid to the System.

B. Section 1.224 – Limitation of Use of Assets

- (1) All assets of the System shall be held for the sole purpose of paying benefits and making disbursements in accordance with the provisions of this Article and shall be used for no other purpose whatsoever.
- (2) The Board shall not cause the System to lend any part of its income or corpus to the City without the receipt of adequate security and a reasonable rate of interest; pay any compensation to the City, in excess of a reasonable allowance for salaries or compensation for personal services actually rendered to the City; make any part of its services available on a preferential basis to the City; make any substantial purchase of securities or any other property for more than adequate consideration in money or money's worth from the City; sell any substantial part of its securities or other property to the City for less than adequate consideration in money or money's work; or engage in any other transaction with the City which results in a substantial diversion of its income or corpus to the City. Nothing in this section shall require the Board to loan assets of the System to the City or to engage in any other transaction referred to in this section.

C. Section 1.225 – Distribution of Assets if System is Terminated

- (1) The employer hopes and expects to continue the System indefinitely but necessarily reserves the right to amend, modify, suspend, or terminate the System in a manner compatible with any applicable collective bargaining agreement.

No such action shall operate to recapture for the employer any contributions previously made under the System prior to the satisfaction of all liabilities for System benefits to members, nor, except to the extent necessary to meet the requirements of any other governmental Authority, to affect adversely the benefits of retirants and beneficiaries or the trust fund or insured fund then securing such benefits.

- (2) If the System is terminated, the amount of the trust fund and/or insured fund then held by the System shall be allocated, subject to provisions for expenses of administration or liquidation, in the following manner for the exclusive benefit of the then retired and non-retired members (and their beneficiaries) having an interest in this System. Such assets shall be allocated to such persons in the following order of precedence:
- (a) To provide for the payment to each non-retired member of an amount equal to his/her accumulated contributions;
 - (b) If any assets remain after complete allocations for the purposes of (a) above, to provide for the continuance of allowances to retirants and beneficiaries, if any;
 - (c) If any assets remain after complete allocations for the purposes of (a) and (b) above, they shall be allocated toward the potential rights of non-retired members on an equitable and nondiscriminatory basis according to accepted actuarial principles; and
 - (d) If any assets remain after satisfaction of all liabilities provided for in (a), (b), and (c) above, any excess shall be delivered over and paid to the employer according to determinations made by the actuary.

The above allocations to System participants shall be distributed by the System in annuities or in such other manner as may be determined by the Board. Payment of all other assets shall be made as determined by the City Commission.

Section 2

The employee contribution to the pension plan shall be 2%. There shall be a 1% credit reduction to employee's contribution when City is not contributing to the plan.

Section 3

Effective July 1, 2002, the pension multiplier factor will increase to 2.7%. There will be a 90% cap for all new hires after January 1, 2002.

Section 3

It is the responsibility of every employee under this Agreement to follow all established department safety regulations. Further, it will be the responsibility of every employee to follow all new safety regulations which may be established through local, state or federal law.

Section 4

ARTICLE 41. EDUCATIONAL REIMBURSEMENT AND BONUS

Section 1. Educational Reimbursement

The existing practice with respect to reimbursement of tuition for employees who successfully complete courses approved by Management for academic credit shall continue for the life of this Agreement. Employees shall be eligible for reimbursement for up to four (4) courses per year, provided funds are available. In the event that the City becomes eligible for reimbursement in part or in full as a result of State or Federal legislation with respect to tuition and fees which are paid as a result of the above-mentioned practice, the Union will aid and assist the City making claims and collection therefore.

The decision of the Civil Service Board shall be considered final and binding on all parties.

4. Uniforms

The City will furnish, at its expense, a uniform to be determined by management.

5. Overtime Work

Work, authorized by management, performed in excess of 40 hours per week shall be compensated at the rate of one and one-half (1½) times the employee's regular straight time rate of pay.

6. Work Hours

- A. **Work Week:** During the school term, an employee may be assigned a schedule of up to 24 hours per week; otherwise the schedule may consist of 40 hours per week.
- B. **Work Day:** During the school term, an employee may be assigned to an irregular schedule of hours; otherwise the work day shall consist of eight (8) hours, excluding lunch periods, as assigned by management. Subject to the needs of the service, management will develop a rotating shift schedule. The intent of this provision is to attempt to provide employees with a stable work schedule.

7. Seniority - Layoff

- A. Definition: Seniority shall mean the status attained by length of continuous service in the classification of Police Intern.
- B. Layoff: In the event of a reduction in the work force, employees shall be laid off in inverse order of their seniority.

8. Holidays

An employee who is scheduled to work on any of the recognized, designated holidays (listed in Article 20, Section 2 of the basic labor agreement including the employee's birthday when worked on the actual date) shall be paid at the rate of time and one-half (1½) for all hours worked on the holiday. An employee who is not scheduled to work on one of the above holidays (excluding the employee's birthday) which would normally fall in his/her 24 hour work schedule shall be paid for eight (8) hours at the straight time rate for that holiday.

The employee's birthday holiday is only intended to apply to Police Interns as provided herein. It is further the intent of the parties that normal work schedules shall not be changed for the purpose of having a Police Intern work on his/her birthday in order to receive overtime pay.

In addition to the above provisions, the following indicated articles of the basic labor agreement shall apply to employees holding the classification of Police Intern. Any article not specifically listed shall have no application to the employees in such classification.
