I. AGREEMENT

This Agreement, entered into this 1st day of August 2006, by and between the City of Oak Park, a Michigan municipal corporation, "City" and Local Union #513, Council #25, affiliated with the International Union of American Federation of State, County and Municipal Employees, "Union."

II. PURPOSE AND INTENT

The general purpose of this Agreement is to set forth terms and conditions of employment, and to promote orderly and peaceful labor relations between the City, the Employees and the Union.

The parties mutually recognize that the responsibilities of both the employees and the City to the public requires that any disputes arising between the employees and the City be adjusted and settled in an orderly manner without interruption of said service to the public as provided by law.

The Union further recognizes the essential public service here involved and the general health, welfare and safety of the community is dependent upon proper service to the community and agrees to encourage increased efficiency on the part of its members. To these ends the City and the Union encourage to the fullest degree friendly and cooperative relations between the respective representatives on all levels and among all employees.

Whenever used, masculine or feminine pronouns are meant to be applied to both genders. NOW, THEREFORE, for and in consideration of the premises and the mutual promises and agreements herein contained, it is agreed that:

III. RECOGNITION

(a) Pursuant to and in accordance with all applicable provisions of Act 379 of the Public Acts of 1965, as amended, the City does hereby recognize the Union as the exclusive representative for the purpose of collective bargaining in respect to rates of pay, wages, hours of employment, and other conditions of employment for the term of this Agreement of all employees of the City included in the Bargaining Unit described insofar as the same is permissible under applicable statutes and law.

(b) The Bargaining Unit shall include all of the City's regular, full-time hourly, and salaried office clerical, professional/technical, and regular, part-time employees excluding management, supervisors, public safety officers, administrative, confidential, temporary, seasonal and casual part-time employees.

(c) A supervisor, for purposes of this contract, is defined by Michigan Employment Relations Commission, as a supervisor (i.e., having the power to hire and fire). Crew leaders, working foremen and office managers are specifically not considered as supervisors for purposes of this contract.

IV. DEFINITION OF EMPLOYEES

Section 1

(a) Regular full-time employees:

Employees hired by the City on a full-time regular basis scheduled at least 40 hours per week.

(b) Regular part-time employees:

Employees hired by the City on a regular part-time basis scheduled at least 20 hours per week but not more than 30 hours per week. The City will not reduce full-time positions to part-time positions without a letter of explanation and without offering the Bargaining Unit an opportunity to hold a Special Conference on the matter. Part-time employees are entitled to only the following benefits per those specific sections of the contract: personal time, vacation time, holiday time, longevity pay and retirement.

(c) Casual/Non-Regular employees:

Usually and normally co-op students hired by the City for regular periods but irregular hours depending on the school year as well as the project.

(d) Temporary employees:

A "temporary employee" is an employee who either works irregularly, or is hired for a period of less than 1040 hours in a calendar year. Furthermore, the use of temporary employees will not result in eliminating Bargaining Unit positions but will be used to supplement regular work force in some classifications.

(e) Seasonal employees:

Seasonal employees are defined as those employees who are hired for limited periods of time including employees sponsored by the Jobs Training Partnership Act (JTPA) and the Michigan Youth Corp (MYC) or other Federal and State job programs. Where Union concurrence is required prior to City participation in JTPA and MYC programs, the Union shall not withhold such concurrence and specifically, shall not do so as a result of a dispute with the City over grievances or contract negotiations.

Section 2

Temporary and/or seasonal employees shall not be paid at a higher rate than regular full-time or regular part-time employees performing the same or similar work.

V. MANAGEMENT RIGHTS

Section 1

(a) It is recognized that the government and management of the City, the control and management of its properties and the maintenance of municipal functions and operations are reserved to the City and that all lawful prerogatives of the City shall remain and be solely the City's right and responsibility. Such rights and responsibilities belonging solely to the City are hereby recognized, prominent among which but by no means wholly inclusive are: all rights involving public policy, the rights to decide the number and location of plants, stations, etc., work to be performed within the unit,

maintenance and repair, amount of supervision necessary, machinery and tool equipment, methods, schedules of work, together with the selection, procurement, designing, engineering and the control of equipment and materials, and the right to purchase services of others, contract or otherwise. It is mutually agreed if and when the City contracts for work presently being done by employees of the Union which results in permanent loss of work, the City shall place said employees into available job classifications in accord with the seniority and layoff provisions contained in this Agreement. In addition, it is agreed that the City and the Union will negotiate each situation involving the contracting of work prior to implementation under the provisions of the Special Conference section of this Agreement. The results of these good faith negotiations shall not be subject to the grievance procedure.

(b) It is further recognized that the responsibility of the management of the City for the selection and direction of the working forces, including the right to hire, suspend, or discharge for just cause, assign, promote or transfer, to determine the amount of overtime to be worked, to relieve employees from duty because of lack of work or for other legitimate reasons is vested exclusively in the City, subject only to the seniority rules, grievance procedure, and other express provisions of this Agreement as herein set forth.

(c) It is further recognized that the responsibility and authority to determine the scheduling as to hours and type of work, is vested exclusively in the City. It is further recognized that the City may, in lieu of laying off personnel, reassign employees to a different classification, and that the City reserves the right to eliminate a position created by a vacancy and to not fill vacancies for authorized positions and/or classifications. Prior to eliminating a vacancy or classification, the City shall give written notice to the Union of the City's intent to do so and will hold discussions with the Union and give the Union reasons for eliminating such vacancy or classification. If the Union is not satisfied with the City's position, it may invoke the grievance procedure as stated in the contract.

(d) The Bargaining Unit shall agree to participate from time to time in a reclassification program for the purpose of updating Job Classifications; with the assurance that no member of the Unit will be down graded insofar as his hourly pay scale is concerned as the result of such a survey.

Section 2 - Aid to Other Unions

The City will not aid, promote or finance any labor group or organization which purports to engage in collective bargaining or make any agreement with any such group or organization for the purpose of undermining the Union.

Section 3 - Maintenance of Agreement

It is understood that, in regard to issues covered by this Agreement and of concern to this Bargaining Unit, that the City must notify the Union of any intention to change such conditions and/or policy in conformance with State of Michigan labor laws.

VI. UNION REPRESENTATION

At any grievance hearing no more than two members of the Union and the grievant will be released from work to attend such hearings or special conferences.

(b) Stewards or alternates, during work hours shall be released upon request without loss of seniority, pay or benefits to investigate and process grievances. Stewards will attempt to limit each grievance matter to one-half (1/2) hour period, or less. The Steward(s) shall notify their immediate supervisor should a longer time become necessary.

Section 3.

VII. UNION SECURITY

Section 1

(b) Employees covered by this Agreement who are not members of the Union at the time of this Agreement becomes effective and any new employees or those subsequently rehired, reinstated, or transferred into the Bargaining Unit, after the effective date of this Agreement, who are covered by this Agreement, shall be required as a condition of continued employment to become members of the Union or pay representation fee equal to dues and initiation fees required for membership, said payment to be made within thirty (30) days after the effective date of this Agreement or following the commencement of their employment within the Bargaining Unit, which begins at the end of their probationary period for new hires.

Section 2

Failure to comply with the provisions of Section 1 of this article shall be cause for discharge of the employee, after the following steps have been taken:

(a) The Union has notified both the City and the employee, in writing, that the employee is in violation of the provisions of Section 1.

(b) The City has given the employee written notice to comply no later than the tenth (10th) day following the date which appears on the Union notice.

(c) Upon failure of the employee to comply, the Union will request, in writing, that the City discharge the employee, and the City shall discharge the employee immediately.

VIII. REMITTANCE OF DUES AND FEES AND REPRESENTATION FEE CHECKOFF

(a) Deduction of dues shall be authorized and effective upon the signing of an application by the employee and the first deduction shall be made in the first appropriate pay period of the month and each month thereafter. Multiple deductions are authorized only to correct clerical errors by the City. The

employer agrees to provide a dues/fees check off printout to the Union with each dues remittance check.

(b) Deductions for any calendar month shall be remitted to the address designated by the President and Treasurer of AFSCME Local #513 with the list of names and amount deducted for each member, no later than ten (10) calendar days after the date on which they were deducted.

(c) The employer shall state the amount deducted and notify the Union's financial officer of the names of employees who, because of a change in their employment status, are no longer subject to deduction and shall further advise the Union financial officer of the names of all new employees hired since the date of the previous month's remittance of dues.

(d) The City shall not be liable to the Union by reason of the requirements of this article for any sum other than that properly authorized for deduction of fees and dues from employees.

(e) The Union will defend, indemnify and save harmless the City from any and all claims, demands, suits or other liability which may arise by reason of any action or inaction of the City in connection with the requirements of this article.

(f) The employer agrees to deduct from the wages of an employee all dues and fees as provided in an authorization set forth upon the standard form used by the employer. The executed authorization for dues or fees deduction shall remain in full force and effect during the term of this Agreement and may only be revoked by written notice by an employee during the thirty (30) day period immediately prior to the expiration of this Agreement. The termination notice must be given to the employer who will notify the Union of its receipt.

(g) Each employee in the Union hereby authorizes the employer to rely upon and to honor certifications by the secretary/treasurer of the Union, regarding the amounts to be deducted, and the legality and the enforceability of the Union representation regarding such deductions.

(h) The employer shall provide this service without charge to the Union.

(i) In the event that Local #513, at some future date, charges initiation fees as a requirement for Union membership, any employee who may pay such fees but who is separated before completing their probationary period will be refunded their initiation fee by the Union only if the separated employee requests the refund.

(j) The Employer agrees to deduct from the wages of any employee, whom is a member of the Union, a PEOPLE deduction as provided for in a written authorization executed by the employee. The employee may revoke this deduction at any time by giving written notice to both the Employer and the Union. Any such deductions shall be forwarded to the Union, together with a list of the names for whom such deductions are made and the amounts deducted during the period covered by the remittance.

IX. JOINT RESPONSIBILITIES

Section 1 - No Strike - No Lockout

(a) Under no circumstances will the Union cause or authorize or permit its members to cause nor will any member of the Bargaining Unit take part in any strike, sit-down, stay-in or slow-down, in any plant or property of the City or any curtailment of work or restriction of production or interference with the operations of the City during the term of the Agreement or during any period of time while negotiations are in progress between the Union and the City for the continuance or renewal of this Agreement. In the event of a work stoppage or other curtailment of or interference with production the City shall not negotiate on the merits of the dispute which gave rise to the stoppage or curtailment until same has ceased.

(b) In the event of a work stoppage or other curtailment, the Union shall immediately instruct the involved employees, in writing, that their conduct is in violation of the contract, that they shall be disciplined, and instruct all such persons to immediately cease the offending conduct.

(c) The City shall have the right to discipline any employee who instigates, participates in or gives leadership to any activity herein prohibited.

(d) The City will not lockout employees during the term of this Agreement.

Section 2 - Special Conference

There shall be a special conference between the Union and the City once every three months if there are outstanding issues that can be reduced to writing for a written agenda. Matters discussed at this type of special conference are separate and distinct from special conferences held as part of the grievance procedure. If, during the course of a special conference, circumstances become known that should be grieved by either party, they will be allowed to file a grievance within five (5) working days of the City's response to the special conference discussion. Union representatives attending a special conference shall do so without a loss of pay. It is also understood that there will be no abuse of paid time off by Union representatives. Either party may also request special conferences more frequently for a specific purpose, if submitted in writing. Denials of such other special conference shall not be made without just reason. These conferences shall be held on a mutually agreeable day and time. The special conference shall not be considered as part of the grievance procedure. In the event more Union representatives are required at any special conference, the Union may request permission for the City to release more than three (3) employees from work. If permission for attendance is granted, the additional Union representatives shall attend the special conference at no loss of pay.

It is understood that there will be no abuse of paid time off by those additional Union representatives who receive permission to attend a special meeting. The City's denial of releasing more than three (3) employees for a special conference shall not be subject to the grievance procedure.

Section 3-Job Practices Committee

A Job Practices Committee will be established within the Department of Public Works. This committee will meet bimonthly. Additional meetings may be held with the joint approval of the City and the Union. The committee is intended to provide a forum for the discussion of job practices within the department and to promote communication and the exchange of ideas between management and bargaining unit employees. Issues currently in the grievance process are not subject to review or discussion by this committee. The committee shall include the Director of Public Works and such other management staff as may be appropriate for the issues to be discussed. The Union shall appoint one permanent member to the committee. An additional two Union employees and one AFSCME staff representative may attend each meeting. It is expected that these additional employees will be selected based on their knowledge and experience with the items to be discussed. One task each meeting will be the development of an agenda for the following meeting. Each regular meeting of the Job Practices Committee shall last for no more than two (2) hours at a time of day to be decided by the City. Meetings will be scheduled to fall on a regularly scheduled workday and within normal working hours.

X. GRIEVANCE AND ARBITRATION PROCEDURE

Section 1

A grievance is defined as a dispute, misunderstanding, misapplication or violation of this Agreement. It is the intent of the parties to this Agreement that the grievance procedure set forth herein shall serve as a means for a peaceful settlement of disputes that may arise between them as to the application and interpretations of this Agreement or other conditions of employment. In order to be a proper matter for the grievance procedure, the grievance must be presented within ten (10) working days of the occurrence or of the employee's knowledge or when he reasonably should have had knowledge. The employer will answer, in writing, any grievance presented to it, in writing, by the Union.

Step 1

Any employee having a grievance shall present it to the employer as follows:

- (a) If an employee feels he has a grievance, he may discuss the grievance with the steward.
- (b) The steward and/or the employee may discuss the grievance with the immediate supervisor.

Step 2

- (a) If the matter is thereby not disposed of, it will be submitted in written form by the steward to the Department Director. Upon receipt of the grievance, the Department Director shall sign and date the steward's copy of the grievance.
- (b) The Department Director shall give his written answer to the steward within seven (7) working days of the grievance. The lack of a written answer within this time period shall be deemed to be a denial of the grievance.

Step 3

If the grievance remains unsettled the Union president or committee person, shall present it in writing, to the Personnel Director within seven (7) working days after the

response of Step 2 is due. The Personnel Director shall sign and date the Union's copy. The Director of Personnel shall arrange a meeting with the Union grievance committee within seven (7) working days (unless mutually extended) of the date of appeal of the grievance. The Director of Personnel shall answer the appealed grievance, in writing, within seven (7) working days of the meeting. The lack of a written answer within this time period shall be deemed to be a denial of the grievance.

Step 4 Mediation and Arbitration

Grievances, which address economic damage or loss for a grievant, a group of grievants or the Bargaining Unit as a whole, whether, at the time of the grievance or the impact of the City's action creating such damage/loss, will be eligible for arbitration.

Grievances, which are not clearly eligible for arbitration, will be processed to mediation. Should the Union and the City disagree as to the eligibility of a grievance for arbitration, such grievances will be processed through the mediation step. The mediator will assist the parties to resolve grievances and will also have the authority to recommend arbitration as a final recourse to settle the grievance dispute. It is also understood that any grievance not subject to arbitration shall be settled at Step 3 or in conjunction with Step 3 and mediation.

Section 2 - Arbitration

(a) If the answer at Step 3 is not satisfactory and the Union wishes to carry it further, the Union president shall refer the matter to Council #25.

(b) If the dispute(s) remain unsettled and the Council or the local wishes to carry the matter(s) to arbitration or mediation, notice, in writing, will be given the City within sixty (60) days of the Director of Personnel's written decision at Step 3 (or lack of a written decision). The parties shall attempt to select an Ad Hoc arbitrator within thirty (30) days of such notice. If the parties are unable to mutually agree to an Ad Hoc arbitrator (simple no on either side), demand for arbitration will be made to and in accordance with the American Arbitration Association Rules and Procedures within 30 days from the date the Union notifies the City of their intent to proceed to arbitration.

(c) The arbitration proceedings shall be conducted in accordance with the American Arbitration Association Rules and Regulations.

(d) There shall be no appeal from any arbitrator's decision. Each such decision shall be final and binding on the Union, its members, the employee or employees involved, and the employer. The arbitrator shall make a judgment based on the express terms of this Agreement, and shall have no authority to add to, or subtract from, any of the terms of this Agreement. Errors of law or fact by the arbitrator shall be the only grounds for appeal of the arbitrator's decision.

(e) The expenses for the arbitrator shall be shared equally between the Employer and the Union.

Section 3

(a) A grievance may be withdrawn without prejudice and if so withdrawn, all financial liabilities shall be canceled. If the grievance is reinstated, the financial

liability shall date only from the date of reinstatement. If the grievance is not reinstated within thirty (30) working days from the date of withdrawal, the grievance shall not be reinstated.

(b) When one or more grievances involve a similar issue, those grievances may be held in abeyance pending the disposition of the appeal of the representation case. There shall be mutual agreement as to which grievances shall be held in abeyance. In such event, the holding in abeyance will not affect financial liabilities.

(c) Any grievance not answered within the time limits by the employer shall be deemed a denial of the grievance and the Union may proceed to the next step of the grievance procedure.

(d) Any grievance not appealed by the Union within the time limits shall be deemed settled on the basis of the employer's last answer.

(e) The time limits may be waived by mutual agreement, in writing, and signed by the Union president or his designee and the appropriate representative of the City. It is understood that workdays for the purposes of the grievance procedure do not include Saturdays, Sundays or Holidays.

(f) The employer shall compensate during regular working hours, the grieved employee or other employees, if on the payroll, steward and grievance committee for time spent in arbitration hearings, provided the aforementioned are witnesses or participants in the case.

XI. DISCIPLINE AND DISCHARGE

Section 1

(a) Disciplinary actions for just cause shall include the following:

Oral reprimand

Written reprimand

Suspension(s) (notice to be given in writing)

Discharge

Disciplinary action may be imposed upon an employee for failing to fulfill his responsibilities as an employee and as stated in the adopted Rules of Conduct and Responsibilities of the City of Oak Park.

The term "disciplinary action" shall further be defined as any action which would result in a loss of wages, fringe benefits, seniority, or a lowering in rank or change in classification. Further, that the definition of "disciplinary action" shall not apply in the case of a promotional type grievance.

The above listing of disciplinary actions shall not preclude the City from appropriately disciplining employees by applying any of the disciplinary steps regardless of the order of the above listing should circumstances warrant.

(b) Disciplinary action involving an oral and/or written reprimand(s) may be processed as a grievance through Step 3 of the regular grievance procedure.

(c) If the employer has reason to reprimand an employee, it shall be done in a manner that will not embarrass the employee before other employees or the public.

(d) The employee, upon being confronted with a written reprimand, is required to acknowledge notice of said reprimand by his signature. The signature of the employee on the written reprimand is not to be construed as his/her agreement with the charges but is to be considered only that he has knowledge that such a reprimand is in existence. In the event the employee refuses to sign said reprimand, the Union President, Union Steward and/or Officer will acknowledge that such a reprimand is in existence with their signature on behalf of the employee.

(e) The City shall not discharge any employee without just cause. If, in any case, the City feels there is just cause for discharge, the employee involved will be suspended for five (5) days. Pending approval from the City, the employee may use accumulated sick and vacation leave to receive pay during the suspension. If approval is not granted, the suspension will be served without pay. The employee and the president of the Bargaining Unit will be notified, in writing, that the employee has been suspended and is subject to discharge. Employees facing discharge shall be granted a pre-termination hearing at which time; the employee will be presented with the charges against him, along with an explanation of the employer's evidence. The employee will then have an opportunity to respond to the allegations and evidence presented.

(f) The Union shall have the right to take any suspension and/or discharge it deems to be arbitrary, capricious or unreasonable, to the third step of the grievance procedure and the matter shall be handled through the applicable arbitration procedure where necessary. An employee, at his own discretion, may be represented by a representative of AFSCME, Local 513, or his own legal counsel. If the employee chooses his own counsel, it is understood that he must notify the Union and sign a release form. No hearing shall be held prior to the City receiving a copy of the release form signed by the employee. It is understood, however, that this hearing is not established to litigate the problem or charges but serves only as an opportunity for both parties to present their viewpoints.

(g) Probationary employees are not subject to the provisions of Article XI herein.

(h) In administering progressive discipline, the City shall not take in account any discipline, which occurred more than 24 months previously unless the infraction resulted in a suspension of three days or more.

Section 2 - Criminal Charges

Employee(s), who have criminal charges brought against them by the City or a private citizen, are entitled to secure their own personal legal counsel. The

Union will not represent any employee for criminal charges. The City will meet with the employee and their counsel, upon request, to review and present any charges anticipated towards the employee. Suspended employees who have criminal charges brought against them will not be paid for a period of five (5) work days; thereafter, pending approval of the City, the suspended employee may be allowed to use sick and vacation leave until their accumulation is exhausted. If approval is not granted, the suspension will be served without pay.

Any grievance(s) filed by the Union protesting the discharge and/or suspension will be held in abeyance without jeopardy to time limits at the arbitration step of the grievance procedure until the courts have rendered a decision on criminal charges against an employee.

XII. SENIORITY

Section 1 - Probationary Employees

(a) A new employee shall be a probationary employee without seniority until he has been employed for a period of six (6) months, at the end of which period he shall be either terminated or entered on the department-wide seniority list and the unit-wide seniority lists of the City as of the first day of his employment. In the event an employee is considered marginal, an additional extended probationary period may be granted if mutually agreed to by the Union. An employee laid off during his probationary period and re-hired within ninety (90) calendar days following his last day of work will be considered to be completing the probationary period which he has previously started. An employee who completes his probationary period in this manner shall be credited with six (6) months retroactively from the day he completes his probationary period for the purpose of determining his date of employment and position on the department-wide, unit-wide and classification lists. An employee who has not completed the probationary period and is re-hired after ninety (90) calendar days will be considered a new employee and will begin a new probationary period.

(b) A new employee hired into the classification of Code Assistance/Animal Control Officer shall be a probationary employee for a period of twelve (12) months. Extensions of probation may be requested by the City and implemented with mutual agreement from the Union. At the end of the probationary period the employee shall either be terminated or entered on the applicable seniority lists of the City as of the first day of his employment.

(c) The Union shall represent probationary employees except for discharge and disciplinary action.

(d) After serving six months of the probationary period the employee will be entitled to the commencement of all benefits (excluding retirement until vested) and required to comply with the Union Security provisions defined in this Agreement.

Section 2

(a) There shall be three seniority lists: unit-wide, department, and classification. Where employees have the same number of days in the seniority for each list, placement shall be based on comparison of the last four digits of each employee's social security number. The employee with the lower four-digit number shall be placed highest on the seniority list. (The number zero shall be the lowest number.)

(b) When an employee bids and is awarded a different position, he shall be placed on the appropriate seniority lists for that new position. When he successfully completes the trial period for the new position, he shall be credited with seniority for the time served during the trial period. If an employee remains within the Bargaining Unit, the seniority in his former department shall be frozen and may be applied for the purposes of job bidding in the event he returns to the former department.

(c) Departments for the purpose of seniority shall be:

1. Information Technology
2. City Clerk
3. Finance and Administrative Services
4. Public Safety Department
5. Recreation Department
6. Library Department
7. Community Services Department
8. Public Works Department

Section 3 - Out of Bargaining Unit Seniority

(a) Employees who are promoted or permanently transferred to positions under the employer that are not covered in the Bargaining Unit (Supervisory/Management) shall have their Bargaining Unit seniority frozen as of the permanent date of entry into the non-bargaining unit position. Such employees shall retain their frozen Bargaining Unit seniority but not accumulate further seniority while out of the Bargaining Unit.

(b) If an employee is returned to the Bargaining Unit after permanent entry into a non-bargaining unit position the frozen unit seniority will not apply and he shall only return to a vacant position provided all Bargaining Unit members have exhausted their rights to bid on such vacancy. It is understood that an employee returning to the Unit will then have his frozen seniority reinstated and recognized if he was a member in good standing in the Union and has a withdrawal card.

(c) If an employee in the Bargaining Unit is temporarily transferred to a position not included in the Bargaining Unit and is thereafter transferred back to his position within the Bargaining Unit, seniority shall have continued to accumulate while temporarily working in the position outside the Bargaining Unit limited to three (3) months except where mutual agreement is reached.

Section 4 - Seniority Lists

(a) The employer shall keep accurate classification, departmental and unit-wide seniority lists, which show names, job titles, and date of hire of all employees in the Bargaining Unit. These lists shall be provided to each member of the bargaining committee and stewards. A new update of department and unit-wide seniority lists shall be provided every six (6) months. Copies of the seniority lists may be posted on Union bulletin boards in each building.

(b) Classifications for seniority purposes are as set forth in the appended wage scale.

Section 5 - Seniority of Officers

The Union president, vice-president, six (6) stewards (as outlined in Article VI, Section 2(a), and the three (3) executive board members (elected as members-at-large), excluding the treasurer and secretary, shall head the seniority lists for their respective departments. In the event of lay-off from their department they shall, for purposes of lay off and recall only, head both the unit-wide seniority list and their respective department-wide seniority list, provided they are capable of performing work available with normal instruction and supervision. The officers shall be returned to their regular standing on the applicable seniority lists upon termination of service as such representatives.

Section 6 - Part-time Employees

Part-time employees may exercise their part-time seniority for any part-time vacancy, provided their seniority is greater than other applicants and are qualified for such part-time position. For the purpose of this section seniority shall be determined by the last official date of hire into a regular part-time Bargaining Unit position. After vacancies are offered to qualified full time employees applying for the promotion, the City will consider qualified part time employees along with qualified applicants outside of the bargaining unit. Effective July 1, 1986, part-time employees awarded a full-time position shall have their seniority prorated and entered on the unit-wide seniority list. Proration shall be based on the regularly assigned hours. Full-time employees transferring to a part-time position will suffer no loss in their hourly rate but shall be subject to a proration of seniority in accord with the provisions of this section.

Section 7 - Loss of Seniority

Seniority shall terminate if an employee:

- (1) Quits or retires.
- (2) Is discharged for just cause.
- (3) If he is absent for five (5) consecutive work days without permission of the City, unless as a result of physical impossibility.
- (4) If he is absent for five (5) consecutive workdays without justifiable reason.
- (5) Gives a false reason to obtain a leave.
- (6) If he fails to return to work upon termination of any leave of absence without a bona fide excuse acceptable to the City.

In proper cases, the employer shall make exceptions.

XIII. PROMOTIONS AND JOB VACANCIES

Section 1

- (a) All job vacancies or newly created positions within the Bargaining Unit shall be filled on the basis of qualifications and seniority. The term “qualifications” for the purpose of this article, shall mean, on the job experience, educational and vocational experience and meeting the testing requirements conducted for the purpose of filling the position including but not limited to oral interviews and/or written tests. All qualifications being equal, the position shall be awarded based on seniority.
- (b) All job vacancies shall be posted for a period of five (5) working days on all City and Union bulletin boards and shall set forth the minimum requirements for the position. Employees interested shall apply in writing within the posting period on a job bid form provided by the City.
- (c) The City shall furnish the Union president with a copy of each posting at the time of the posting. When the job is awarded, the Union President will be provided with the names of all applicants and the person awarded the position.
- (d) If there are no qualified full-time applicants within the union, the City may fill the position from qualified applicants outside of the bargaining unit.
- (e) The City determines the type of job related testing procedure to use for promotional purposes.
- (f) Any employee who desires a transfer within their classification may notify the Director of Human Resources at the time of a position vacancy posting.
- (g) In accordance with Section 6, part-time bargaining unit members shall be considered for promotions and job vacancies, after full time bargaining unit members, on an equal basis with other qualified non-union applicants.

Section 2 - Trial Period

- (a) The employee(s) awarded the promotion shall be granted a ninety calendar day trial period to determine:
 - (1) Their desire to remain in the position
 - (2) Their ability to perform the job

(b) During this ninety-day trial period, the employee shall have the right to revert back to their former classification without loss of seniority or benefits.

(c) If the employee is unsatisfactory in the new position, notice and reasons shall be submitted to the employee, in writing, by the City with a copy to the Union. The denial of any promotion or job bid if considered unjust, shall be a subject for the third step of the grievance procedure.

(d) During the trial period, employees will receive the appropriate pay rate of the job they are performing and will continue to accrue benefits and unit-wide seniority. The appropriate pay rate shall be as follows:

(1) Promotions- The employee will move to the step in the new wage range that provides a minimum of a 5% increase in pay. This only applies when a promotion occurs to a classification in a higher pay grade.

(2) Demotions- Move to the same pay step as their current classification.

(e) The employee will be added to the appropriate seniority list as of the date of transfer into the new position.

(f) Probationary employees may accrue time on probation, concurrently with their trial period.

Section 3-New Classifications

(a) The employer reserves the right to establish the job descriptions and minimum qualifications for all positions. If there are significant changes made in the methods of operation or duties of a classification, or a new classification is established that becomes part of the bargaining unit, the City and Union shall bargain on the rate of pay for the new or revised classification. Such rates shall become effective the date that those changes were effective or the new position is awarded, or filled.

(b) Any new classification or significantly changed job will be filled according to the procedures of this article.

XIV. TRANSFERS

Section 1

The City reserves the right to assign employees within their classification to any department or division in the City. Position vacancies will be posted with the likely department of assignment.

Section 2

(a) The employee's rate of pay and classification shall remain constant in the event of a transfer within a department or among departments.

(b) If an employee temporarily transfers to a lower rated job at the direction of the City, he shall retain his current higher classification rate.

(c) Any employee when working one (1) day or more in a higher classification, shall be paid according to the highest step in that classification. The pay shall be effective the first hour worked in the higher classification. This applies only to those classifications within the bargaining unit.

XV. LAYOFF AND RECALL

Section 1 - Layoff

The word "layoff" means a reduction in the working force due to a decrease of work or a lack of funds, including reduction of revenues.

(a) When there is a reduction of the working force, the following shall govern in layoffs. (Nothing herein contained shall prevent the Union and the City from negotiating reduced work schedules or alternatives to curtail layoffs.)

1. Seasonal, temporary, and casual/non-regular employees in the class series (generic classification regardless of level) affected, within the department affected, shall be laid off first, except in specialized recreational programs, i.e., dancing and skating instructors, and summer seasonal employees hired to perform lawn mowing, leaf collecting, and concrete removal providing that the use of such seasonal employees shall not result in the elimination of Bargaining Unit positions.

2. Probationary employees in the affected classification, department shall next be laid off.

3. Regular part-time employees, in inverse order of seniority shall then be laid off in the class series affected from the affected department.

(b) If additional layoffs are necessary, regular employees in a generic class series shall be laid off in inverse order of their seniority in the department affected by the layoff. Any employee who may be laid off or is notified of a layoff may exercise departmental seniority to bump the next lower seniority employee within the same department. Any employee who exercises seniority rights to retain employment must meet the minimum requirements of the position and be able to perform the work with normal instructions and supervision.

(c) If not able to bump a lesser seniority employee within the same department, the employee may exercise unit-wide seniority to bump the next lowest seniority employee (unit-wide) provided he meets the minimum requirements and is able to perform the work with normal instruction and supervision.

(d) In the event that an employee bumps into another position, the employee must return to his/her former position when it becomes vacant.

(e) When bumping, the employee must meet the minimum requirements of the position and will be allowed the standard trial period for that particular position.

(f) An employee has a choice at the time of their notification of layoff to decide not to bump into any other bargaining unit position. This decision alone shall not make them ineligible to receive unemployment benefits.

(g) All employees facing layoffs shall be notified in writing at least fourteen (14) calendar days prior to the actual layoff, and the Union president shall be furnished a list of those laid off at least fourteen (14) days prior to the actual layoff.

(h) In the event of a shortage of materials, machines, or equipment breakdown, or in the event of an emergency beyond the control of the City, including but not by way of limitation, acts of God such as flood, fire, storm or power failure where the resulting situation warrants, the City shall have the right, without providing the 14-day notice set forth above, to make temporary adjustments in the work force not to exceed five (5) working days without regard to seniority.

If the layoff exceeds five (5) working days, the work force shall be adjusted according to the layoff procedure as described.

Section 2 - Recalls from Layoff

(a) When the working force is increased after a layoff, employees shall be recalled in inverse order of layoff. Notice of recall shall be sent to the employee's last known address by certified mail, return receipt requested. Recall from a layoff is limited to the employee's length of service or 2 years, whichever is longer.

(b) If an employee fails to report for work within five (5) working days after being notified, or fails to give a satisfactory explanation for not reporting, the employee shall be considered as having voluntarily quit without good cause attributable to the employer.

(c) An employee shall have the right to decline offered work, which is not of a similar nature, and therefore, may be bypassed for this reason. An employee recalled to a position other than his or her laid-off position, must meet the minimum requirements of that position and shall serve the appropriate trial period for the new position. If the employee does not qualify to become a regular employee in that position, the employee shall be laid off and returned to the recall list.

(d) Employees shall notify the City of their residential address or any change of address, and they shall be responsible for any changes therein.

XVI. WORKING HOURS, SHIFTS, PREMIUM PAY AND ATTENDANCE

Section 1 - Working Hours

(a) The standard work week shall consist of five (5) consecutive eight- (8) hour work days with the remaining two (2) consecutive days designated as the 6th and 7th day of the employee's work week and shall be known as "Off Days". The currently established workweek and shift starting and ending times shall

remain as is established. A workweek shall not be changed for the purpose of avoiding payment of overtime.

Any permanent change of the current workweek and shift shall be negotiated between the City and the Union. Any temporary change shall be limited to current practices provided those practices do not conflict with provisions of this Agreement.

Section 2 - Shifts and Premium Pay

(a) Any employee who regularly begins his work schedule on or after 11:30 a.m. shall be paid a shift premium of twenty-five (25) cents per hour above and beyond the wage rate established in this Agreement.

(b) Any employee who regularly begins his work schedule on or after 8:00 p.m. shall be paid a shift premium of thirty (30) cents per hour above and beyond the wage rate established in this contract.

(c) Library staff may be scheduled to work one evening per week and one Saturday and one Sunday per month as part of their regular workweek. Compensation for working a scheduled 5 hours on Sunday will be at a double time rate, which equates to 10 hours pay at straight time. The employee must use 8 of these hours as part of their 40-hour workweek and the remaining 2 hours will be paid or banked as compensatory time. For those remaining 2 hours, the City will determine the choice of overtime vs. compensatory time, which will apply to all Library employees working Sundays. An employee who calls in sick or uses a personal day on a scheduled Sunday must utilize 8 hours from their time banks to complete their 40-hour workweek. Any Library employee scheduled to work a Sunday, who is requested to work during that week on their scheduled day off, will be paid time and one half for working the first off day, (6th day) and double time for working a second off day (7th day) that week. Shift premium will apply on Sundays for purposes of pay but not compensatory time accumulation. Schedule adjustments will be made for working Saturdays.

Library employees who are regular full time employees are those "hired by the City on a full time basis scheduled at least 40 hours per week" (Art.IV, Sec 1) and since full time library employees who work one Sunday per month are being compensated for a full workweek (plus overtime or compensatory time) nothing in this section on Sunday work shall be construed to change the full time status of library employees.

The parties reserve the right to negotiate and modify the Library schedule regarding work on Sundays, during the life of the current agreement.

(d) Exceptions to the working hours and shift premiums are one Administrative Clerk position in the Recreation Department and employees working in the Department of Information Technology

Section 3 - Wash-up, Breaks and Lunch Periods

(a) There shall be two (2) five- (5) minute wash-up breaks allowed each employee, one prior to lunch and one prior to quitting. The five- (5) minute wash-up period granted each employee may be considered as part of the time the employee is permitted to leave the premises.

(b) All employees are entitled to an unpaid lunch break, as is established by current practice.

(c) All employees shall receive a fifteen- (15) minute paid rest period during the first half and second half of their work shift, based on their current workday. Employees unable to take their break during the work day may be allowed to leave work early or may extend their lunch period but may do so only with the express consent of their supervisor. A refusal to permit an employee to leave early because of a missed break shall not be the subject of a grievance. All employees may, on occasion, if working conditions permit, work through their lunch period or through one or both of their breaks, and leave work early but only may do so with the express consent of their supervisor. These are not meant to be regular practices and are not to be used in combination (break times plus lunch period) in the same day to leave work early.

(d) Employees working in a one-person office shall be allowed lunch and breaks at reasonable times.

Section 4 - Work Week Make-up/Shortage

Employees who fail to complete forty (40) hours work within the five (5) work days of any scheduled work week may utilize their accrued leave time in order to receive pay for not more than forty (40) hours for that week or may work additional hours if they are available with permission of the supervisor. The failure of a supervisor to grant permission is non-grievable.

Section 5- Overtime Rest Period

Where feasible, employees who work beyond their regular shift shall receive a thirty- (30) minute rest period, without pay, before being required to commence work on the next shift. In addition, they shall receive the regular paid rest periods during said overtime.

Section 6 - Shift Time

Employees, except Code Inspectors and Animal Control/Code Assistance Officers whose normal work schedule requires their working swing shifts, shall not be required to report to work on a new shift unless at least eight (8) hours have elapsed since their previous shift ended.

Section 7 - Attendance

(a) Employees are expected to be regular in their attendance and to observe the working hours established by the City.

(b) All employees of the unit shall be permitted one (1) six- (6) minute non-chargeable tardiness per pay period. All employees absent without authorized

leave, or who report late on any given shift (exclusive of the six- (6) minute grace period) shall be charged by way of pay deduction in the following manner:

- 1- 15 minutes late - 1/4 hour
- 16-30 minutes late - 1/2 hour
- 31-45 minutes late - 3/4 hour
- 46-60 minutes late - 1 hour

(c) Arrangements for time-off must be made with the employee's immediate supervisor, in advance, and in accordance with the provisions of the leave restrictions under which the time-off is to be taken.

(d) If, for some legitimate reason, the employee is unable to report for work at the established time set by the City for his/her particular shift to begin, they will make good faith effort to notify the department's supervisor and/or his designee on duty prior to the start of the shift or no later than one half hour after the start time, unless physically impossible. Failure to do so may result in disciplinary action as set forth in the disciplinary article.

(e) A continuing balance of each employee's total leave time will be provided with the employee's pay.

(f) It is recognized that the City has the right to make such investigations as are reasonable and necessary relative to any employee reporting or calling in sick during regular working hours.

XVII. OVERTIME COMPENSATION

Section 1

(a) Employees will be paid at one and one-half their regular hourly rate in the following instances:

1. Time worked in excess of eight (8) consecutive hours in any one (1) day, unless normally scheduled to work additional hours to total forty (40) hours per week.
2. Time worked in excess of forty (40) hours in any one (1)-work week.

(b) Overtime shall not be pyramided or compounded or paid twice for the same hour worked.

(c) 1. When an employee is called into work to perform an emergency service, other than during his normal shift hours, he shall be paid a rate equal to one and one-half times his regular rate; provided, however, that work performed on Sundays and Holidays shall be paid at a rate equal to two times his regular rate.

(a) The Ball Diamond holiday work will first be offered to permanent employees who previously performed the work.

2. Any employee who normally works throughout the year on Saturdays and/or Sundays as a part of their normal work week shall not be eligible for overtime pay for the normal work hours on those days. The two (2) off days (except for Code Inspectors and Code Assistance/Animal Control Officers) shall be consecutive and shall be considered for overtime purposes, the 6th and 7th of their work week.

3. Any employee who works Saturday or the 6th workday shall be paid at the rate of time and one-half (1 1/2) his regular rate. Any employee working Sunday or the 7th workday shall be paid two (2) times his regular rate.

(d) Employees may elect to take compensatory time off in lieu of payment for overtime hours worked, where permission is granted by the immediate supervisor. Employees may bank a maximum of 240 hours of compensatory time.

(e) Employees who are scheduled to work during regular hours and who report in, but are sent home due to lack of work or inclement weather conditions, will be paid a minimum of four (4) hours at their regular rate. Employees may at their option use any paid leave to complete the workday.

(f) Paid time granted during the work week under consideration for overtime pay shall be included as time worked in the computation of forty (40) hours worked.

(g) Any employee called to work outside of their regularly scheduled shift after the hour of 12:00 midnight and before 4:00 a.m. shall be paid a minimum of two and one-half (2 1/2) hours at the appropriate rate. (Previously, only two (2) hours of time was guaranteed if called in during those hours. The extra one-half (1/2) hour only, applies to jobs started after midnight and ending before 4:00 a.m.)

(h) Any employee contacted by phone for emergency call back is required to appear for duty as soon as physically possible. Failure to appear for emergency work when contacted by telephone shall permit disciplinary action in accordance with the discharge and discipline article, up to and including discharge.

(i) Any employee called for emergency work two (2) hours or more before his regularly scheduled starting time or any employee who is required to work more than three (3) hours beyond his regular scheduled quitting time shall be granted a one-half (1/2) hour break with pay for the purpose of obtaining meals. The immediate supervisor shall determine the time for such meal breaks so as not to interfere with maintenance of work schedules.

Section 2 Equalization of Overtime

(a) Overtime work shall be on a voluntary basis (except as provided for in Section 1(i)), and shall be distributed as equally as possible to qualified employees working within the same department.

(b) Overtime lists for the Department of Public Works and the Department of Technical and Planning Services shall be maintained, showing the number of overtime hours each employee has worked or been charged with, and will be posted at the end of each pay period by the City on Union bulletin boards, unless mutually agreed otherwise.

- (1) Division Overtime lists will be broken down into the following categories:
 - a) Division Employees
 - b) Non-Division Departmental Employees
 - c) Departmental Probationary New Hires
 - d) Non-Departmental Employees

These categories will be utilized for call-in purposes when overtime exists, resulting in a fair and equitable distribution of overtime for both Departmental and Non Departmental employees.

(2) The qualified employee with the least amount of overtime on each Division list will be given the first opportunity to the available overtime and so on up the list in an attempt to equalize the overtime hours. Those jobs, by their nature, requiring a continuity of personnel, or an uninterrupted flow of work from straight time to overtime shall be exempt from this provision.

(3) Any employee refusing to work overtime will be charged with such refused overtime hours on the appropriate Division overtime list, regardless of the cause of refusal.

(4) If the number of employees needed for overtime cannot be filled from the fully qualified and trained personnel within the specific Division, the City may offer overtime to other employees.

(c) All overtime hours will be recorded on a continuing basis by each Department and will be reverted to zero (0) at the beginning of each fiscal year. Probationary new hires, employees transferring into a Division or Department, and Non Departmental Employees, will be charged with the highest number of overtime hours accrued by employees in the same Division or Department.

Section 3

The City acknowledges and agrees that it is bound to follow all applicable provisions of both State and Federal Wage and Hour laws. No employee will be required to work more than sixteen (16) consecutive hours. After any such period of work, any employees requesting fatigue time shall be released from work and not required to return to work for at least eight (8) hours or the beginning of the next scheduled work shift, whichever is later. Employees shall be paid for actual time worked only.

XVIII. PAID LEAVES OF ABSENCE

Section 1 - Jury Leave

(a) Any regular employee shall be granted a leave of absence with regular pay any time they are required to report for jury duty or jury service provided they show evidence of such proposed jury duty or service. Employees shall be paid the difference between any jury duty compensation they receive and their regular wages for each day of jury duty or service. Employees shall retain gas or car allowance paid by the court. Payment will be made in the next regular pay upon presentation of proof of jury duty or service. Jury duty or service will be computed as time worked with regard to leave time and benefits. Jury duty or service will not be computed as time worked with regard to overtime.

Employees subpoenaed for matters not so related will be allowed to use paid leave time, such as vacation, personal leave, bonus or floating holidays. In the case of a death of spouse, child, parent or stepchild, an additional leave of up to two (2) days may be granted with pay. The City may at its discretion require the employee to submit proof of the emergency or death by reasonable means.

(d) Should a death in his immediate family occur while an employee is on a scheduled leave, he shall be eligible to receive these benefits provided that he notifies the City prior to the date of the funeral.

It is recognized that management may require a doctor's certificate of illness before authorizing an excused absence on the day immediately preceding a Holiday and the day immediately following a Holiday. Employees will be paid for Holidays in instances where the immediate supervisor has authorized emergency time-off.

(d) If an employee works on any of the Holidays listed above, he shall be paid the regular Holiday rate in addition to:

If the injured employee or his dependents or personal representative does not commence such action within one (1) year after the occurrence of the personal injury or occupational disease, then the Employer or its Worker's Compensation insurance carrier or other insurance carrier may, within the period of time for the commencement of actions prescribed by statute, enforce the liability of such other person in the name of that person.

This disabled employee shall still be entitled to three (3) months off after her hospitalization for delivery.

(f) When a regular employee who gives birth to a child, adopts a child, or is the father of the child, she/he will be granted a leave of absence using accrued time or without pay not to exceed three (3) months for child care purposes.

(h) The three (3) months of childcare leave for an employee who remains working until declared disabled and then gives birth to a child, begins after her hospitalization for the delivery. Notification of her release from the hospital must be sent to the Director of Personnel. A letter will then be sent to the individual informing her of the date upon which she must return to the City if she wishes to continue employment.

(i) An individual who is on childcare leave may use any of his/her accrued time to continue on payroll or such accrued time may be frozen to be used when the employee returns. Where the City's designated physician disagrees with the employee's physician, the employee shall be examined by physicians at the University of Michigan Hospital, Ann Arbor, at the City's expense, whose diagnosis shall be determinative and binding upon the parties. The denial of the medical leave is subject to the grievance procedure. Employees on medical leave will continue to have their life and medical insurance benefit programs paid by the City until they are eligible for long-term disability.

XX. PENSION

Section 1.

Employee pensions are governed by Section 55-21 through 55-44 of the Ordinance Code of the City of Oak Park. The following is a summarization of the service retirement allowance as agreed to between the City of Oak Park and AFSCME Local 513:

Employees will have their pensions vested at ten (10) instead of fifteen (15) years with the following conditions:

(a) Persons hired prior to January 1, 1977, will have no change in their Final Average Compensation formula.

(b) Persons hired since January 1, 1977, will have a cap of five hundred (500) hours, regardless of source, figured into their Final Average Compensation; sick leave at 50% and vacation at 100%. Payoff of time in excess of five hundred (500) hours would be paid according to formula but not added into Final Average Compensation.

(c) Persons hired after January 1, 1980, including all future new hires, will use five (5) instead of three (3) years of the last ten (10) years of service when computing their Final Average Compensation. These employees will have the same cap on time fold-ins as employees hired since January 1, 1977. In addition, these employees will have a cap on Longevity payments, covered in Longevity Section.

(d) Persons hired on/or after July 1, 2006, shall participate in the defined contribution program provided by the City of Oak Park Employee's Retirement System.

The City will contribute 7.5% of base compensation to the defined contribution program and match up to an additional 3% of base compensation contributed by the employee. Employees are 100% vested after one (1) year of employment.

(e) Employees are eligible for retirement after completion of 25 years of credited service regardless of age.

(f) Medical coverage will be provided to the retiree, spouse, and any eligible dependents at the same level of coverage that was provided at the time of the employee's separation of employment with the City. Spousal coverage is only for that individual that the retiree is married to at the time of the employee's retirement and dependent coverage is only for those eligible dependents at the time of the employee's retirement. When a retiree and/or spouse become eligible for Medicare, they must participate in the Medicare program, and pay for all of its associated costs. The City will provide supplemental coverage to Medicare to the same level that was provided prior to Medicare participation. Any survivor receiving a pension, who receives medical coverage from their employer or through a new spouse, must participate in that medical program as primary coverage and the City medical shall be supplemental as long as they continue to receive a City pension.

Persons hired on/after July 1, 2006 shall have the option to participate in:

1. A retiree Health Savings Plan (HSP) in which the City will make an annual contribution of 3% of an employee's base compensation to the health savings plan. Employees will be vested after one year.

OR

2. 100% of medical insurance coverage vesting after 25 years of service.

Employees must choose one option above prior to or on the first anniversary of employment with the city.

(g) Final Average Compensation is defined as money earned, not money received for years of service after July 1, 1998 (This excludes the payout of time banks allowed to be included).

Section 2.

(a) The multiplier to be applied for computation of the Final Average Compensation shall be 2.5%.

(b) On July 1, 2003, the employee contribution rate to the retirement system shall become 0%.

Section 3 - Part-Time Pension

(a) All regular part-time employees who work at least 1040 hours per year, will contribute the same percentage of wages as the full time employees for a Retirement contribution and therefore will be entitled to pension credits. The 1040 hours would have to be hours worked for Pension Service credit.

Time off will not count as time worked towards pension credit except for Holiday hours, which are credited on a 50% basis. Pension Service Credit months will be computed in the same manner for part-time employees as they are for full-time employees.

Section 4

Employees (defined as those actively employed members of the bargaining unit as of the date of this agreement) with a minimum of 5 years of service with the City of Oak Park are eligible to purchase prior municipal time and prior U.S. Military time under the following conditions:

A. Municipal time:

1. The cost for each year of service will be calculated taking the earning from the municipality you worked for, in the year you are buying back, multiply those earnings by 3.8% and add on compounded interest at the current

net yield of the fund. The years bought will be the most recent prior municipal employment.

2. Municipal time is defined as service with a U.S. City, Township, County, Village, Road Commission, Drain Commission or Court System.
3. The employee may purchase the time by lump sum payment for that time, with a minimum of not less than 1 year in each purchase (with the last purchase being less than 1 year), or they may utilize payroll deduction with an amount to be deducted each pay period for the time to be purchased.
 - a. On a request to purchase prior municipal time, either the prior earnings or current base annual salary, if not military service, will be multiplied by 3.8% and compound interest on retirement system net yield added. If the payroll deduction method is selected, additional interest at the City's current interest yield for each year will be added for the period the employee chooses to spread the purchase. Purchased years will not be added to the employee's credited service until payment for the buy-back time is received in full by the City.
4. There cannot be duplicate pension service credit for any year in both Oak Park and the municipality whose prior municipal time is purchased.
5. There is a maximum buy-back of 5 years of prior municipal service. The buy-back must begin within 3 years of eligibility and the payment be spread over a period no longer than the amount of time purchased.
6. Municipal time bought back shall count towards vesting for retiree health care coverage.

B. Military Time:

1. The maximum buy-back is 5 years and may be accomplished in the same manner as the municipal buy-back, using 3.8%, times the annual salary, times the number of years/months of prior service.
2. Honorable discharge is required with a copy of the employee's DD-214 as verification of service. Receipt or eligibility for a military retirement bars a buy-back of military service.
3. Military time bought back shall count towards vesting for retiree health care coverage.

The pension system actuaries shall determine the cost of the buyback and the employee shall pay 50% of the cost of this calculation, upon receipt of the report from the actuaries.

Employees are limited to purchasing a combined municipal and military buy-back of 5 years.

If income information from municipal time is unavailable, then the current annual salary for the employee times 3.8% shall be used to determine the buy-back cost for 1 year of prior municipal time.

Any buy-back must be for full-time military duty or full-time municipal employment.

The recognized definition of "dependent" shall be that which is accepted by Blue Cross/Blue Shield for all medical coverages.

(c) Employees shall be eligible for such coverage after 30 days employment with the City, or as soon as allowed by Blue Cross/Blue Shield.

(d) The City will also provide a Blue Cross/Blue Shield Prescription Rider in addition to the other coverage. Such rider will provide for fifteen dollars

(e) All Bargaining Unit members and new hires shall disclose additional health insurance coverages so that benefits can be coordinated. Coordination of benefits does not entitle the employer to any disclosure of medical records of an employee. Effective the date of implementation of the medical Preferred Provider Option coverage, the City will improve the optical program to the BC/BS VCA-80 as part of the PPO coverage.
