WHEREAS, the Union was certified on January 18, 1972, by the Michigan Employment Relations Commission as the representative for the purpose of collective bargaining for certain employees of the City, (hereinafter called the Bargaining Unit), and

WHEREAS, the City and the Union have again bargained collectively and have reached certain agreements with respect to wages, hours and other terms and conditions of employment with respect to the Bargaining Unit, and

WHEREAS, the City and the Union now desire to execute a written contract, incorporating these agreements,

NOW THEREFORE, the parties agree that the following collective Bargaining Contract shall become effective for the period of three (3) years beginning July 1, 2005 and ending June 30, 2008.

ARTICLE I

SCOPE OF CONTRACT

Section 100. Definition of the Bargaining Unit

Pursuant to and in accordance with all applicable provisions of Act 379 of the Public Acts of 1965, as amended, the Employer hereby recognizes the Union as the sole and exclusive bargaining agent with respect to rates of pay, wages, hours of employment and other conditions of employment for the bargaining unit.

During the term of this Agreement, the Employer agrees that it will not enter into negotiations with any other organization other than the Union herein recognized concerning rates of pay, hours and other conditions of employment for members of the Union.

Section 101. Agreement Inclusive

This Contract includes each and every agreement entered into between the City and the Union with respect to those subjects for which the Union is authorized to act as a representative for the Bargaining Unit. Matters not specifically included within this Contract shall be governed by the provisions of the

Municipal Code and the rules and regulations which are promulgated thereunder, as well as the laws of the State of Michigan.

Section 102. Rules and Regulations

Nothing herein contained shall be held to restrict or impair the right of the City, as Employer, to direct the work of its employees, and to establish reasonable rules and regulations relating to the performance of the work, where such direction, rules and regulations are not inconsistent with the terms of this Agreement.  - D. The employer may have, in addition to the above temporary employees, such employees that are needed at election time. However, if those hired to work on elections work longer than twenty (20) working days per election, this will be considered temporary employment, and counted as such.
 - E. Temporary and/or part-time employees, during their employment under such status, are not eligible for compensation or fringe benefits other than their rate of pay for actual hours worked, and shall not be paid at a rate higher than that paid for a full-time employee doing the same or similar work without the written consent of the Union.

Section 302. Longevity Pay

In addition to the pay provided above, the employee shall receive, on the third pay day prior to Christmas in each year, a sum equal to the percentage of his annual rate of pay, based upon his seniority, as set forth below, for the current calendar year. If the employee's length of service classification has changed during the current calendar year, his applicable percentage shall be determined by interpolation.

SENIORITY	PERCENTAGE OF ANNUAL PAY
Less than 3 years	None
3 years but less than 5 years	0.5%
5 years but less than 7 years	1.0%
7 years but less than 10 years	2.0%
10 years but less than 15 years	4.0%
15 years but less than 20 years	6.0%
20 years and over	8.0%

In the event that the employee retires from the City during the current calendar year, such sum shall be prorated upon his actual retirement.

Section 303. Pay Days

Pay days shall be every other Friday. Where a pay day falls upon a Holiday, payment shall be made on the regular work day preceding such Holiday.

Section 304. Overtime

If an employee is required by his Department to work longer than eight (8) hours on any regular working day, or to work on Saturday, Sunday or a Holiday, he will be compensated at an hourly rate equal to 1 and 1/2 times his average hourly rate determined by dividing his monthly rate by 174, for overtime on any regular working day or for Saturday work, and at an hourly rate equal to 2 times his average hourly rate determined by dividing his monthly rate by 174, for work on Sundays and Holidays.

Section 305. Overtime for Meetings and Court

Should an employee be required to attend Court or a designated meeting at a time other than normal working hours, he/she will be compensated at an hourly rate equal to one and one-half (1 1/2) times his/her hourly rate, and he/she will be entitled to not less than two (2) hours pay (not less than three [3] hours in the case of court time) regardless of the time actually spent in Court or the designated meeting; provided that in the event an employee is held over in Court or in a meeting beyond the normal quitting time or the employee attends Court or a meeting which goes into the employee's normal working hours, the employee will be compensated at the normal overtime rate and this provision shall not apply. A "designated meeting" is a meeting which the employee is required to attend by his/her supervisor.

Section 306. Overtime for D.P.W. Classifications

- A. Employees will be paid one and one-half (1 1/2) times their regular hourly rate for time worked in excess of eight (8) hours in any workday or, forty (40) hours in any work week.
- B. When an employee is called into work at other than his scheduled working time, he shall be assured a minimum of three (3) hours of work at the appropriate premium rate. Employees called in on Sundays or holidays shall be assured a minimum of three (3) hours of work at the double time rate. The three (3) hour minimum shall not apply to call back occurring within three (3) hours of start of a regular shift. In these cases, employees who work a minimum of two (2) full hours will be guaranteed a minimum of three (3) hours of pay.
- C. Wherever practicable, overtime occurring as a result of the extension of normal working hours shall be performed by the employees regularly assigned to the functions continuing beyond their regular quitting time.
- D. Other overtime shall, wherever practicable, be distributed equitably among the employees working in the classification in which the over time occurs.
- E. If the City requires an employee to work more than ten (10) consecutive hours but not more than twelve and one-half (12 1/2) consecutive hours, the employee shall be given a fifteen (15) minute paid break. In addition, if the work period shall exceed twelve and one-half (12 1/2) consecutive hours, a one-half (1/2) hour paid lunch will be allowed. If the work exceeds fourteen (14) consecutive hours, a fifteen (15) minute break shall be given for each additional two (2) hour period or fraction thereof.
- F. Anytime an employee is scheduled to work beyond twelve and one-half (12 1/2) consecutive hours, he shall be entitled to a meal allowance not to exceed twelve dollars (\$12.00) at a restaurant to be designated by the City.
- G. A list will be maintained of those eligible for overtime and the amount of overtime hours worked. Overtime will be offered to those eligible on a rotating basis. The City will attempt to equalize overtime hours offered within the Divisions, by classification. Whenever possible and when programming allows, a twenty-four (24) hour notice will be posted for scheduled overtime.
- H. An employee has the right to refuse more than sixteen (16) consecutive hours of continuous work. An employee must have eight (8) hours off after working sixteen (16) or more continuous hours. Notwithstanding any other provision of this Agreement, the City reserves the right to schedule employees as necessary in the event of a declaration of a state of emergency.
- I. If during extreme emergency conditions the employee must remain at the D.P.W. facility, cots will be available for sleep.
- J. When emergency conditions warrant, the City reserves the right to require employees to work overtime. This requirement will apply after all employees have been called, pursuant to section G above, and if the City finds itself unable to fill personnel demands as required by the emergency. In the event the employee declines or is not available for work when called, the employee will be charged once for each occasion for the time on the equalization list. Employees who decline work or do not make themselves available to work when called during emergency conditions, pursuant to Section G above, more than fifty (50%) percent of the time

will be subject to departmental review and may be subject to disciplinary action. All call-ins due to weather or public safety are considered emergency overtime. Such emergency overtime will be calculated only during the months of November 1 through March 31.

Section 307. Lead Pay for DPW Operators

The DPW Superintendent may, at his discretion, appoint Equipment Operators II to lead work crews. Crew leaders may be appointed for the concrete, asphalt, ditching crews or other crews as needs arise if another crew leader is not available. The crew leader appointed shall be the most senior worker regularly assigned to a crew. An employee shall be compensated an additional seventy (70) cents per hour for each hour spent working in such lead capacity.

ARTICLE IV

HOURS OF EMPLOYMENT

Section 401. Normal Work Week and Work Day

Except as provided in Section 402, the work week shall consist of five (5) consecutive days, Monday through Friday, inclusive. The regular working day shall consist of eight (8) hours. Except as otherwise provided in Section 402, employees shall be entitled to sixty (60) minutes paid lunch period during the work day. The employee shall not be entitled to coffee breaks as per present practices but may have coffee, provided same is taken at employee's desk or work site. The work day for employees shall be scheduled between the hours of 7:30 a.m. and 5:30 p.m.

An employee who works five (5) hours in a workday shall be entitled to a one-half (1/2) hour paid lunch break. An employee who works seven (7) hours in a workday will be entitled to a one (1) hour paid lunch break. Employees who are required to work through their paid lunch hour due to operational necessity shall receive no additional compensation. In lieu of additional compensation, they shall accrue an hour of compensatory leave time. Such compensatory leave time may be taken subject to the prior approval of the supervisor. It is understood that the use of compensatory leave time shall not result in any other overtime costs. The compensatory leave time must be taken within a two-week period from the date of the accrual, and may not be cashed out. If such compensatory leave time cannot be taken within the two-week period, the supervisor may extend the two-week period by an additional two weeks. If the compensatory leave time has not been taken within the appropriate period of time, it shall be forfeited. This provision for compensatory leave time applies only in situations where an employee is required by their supervisor to work through a full lunch hour.

This Section shall in no way be construed as a guarantee by the City of any amount of work in any period of time or as a limitation on the City's right to schedule work in excess of the normal workday or the normal workweek.

This Agreement is subject to the express understanding that the City may in its sole discretion implement Monday night hours up to 7:30 p.m. to be assigned first on a volunteer basis (senior volunteer first) on a rotating basis and if necessary by requiring the least senior qualified employee to work. No overtime premium payments will be made for Monday night hours. The employee's Monday work hours will be rescheduled, or, at the option of the employee and the approval of the employee's Department Head, the employee may take an equal number of straight-time hours as compensatory time during the same period.

Section 402. Exceptions to Regular Work Week and Work Day

- A. Work assignments for employees employed in City Departments which are required to be open and staffed and employees whose work week is normally done during hours and/or on days other than those set forth in Section 401 shall be scheduled by the Department Head in such a way that the employee shall receive at least one hundred and four (104) leave days per year with a minimum of seven (7) days within a thirty (30) day period which are in addition to any other absences otherwise authorized pursuant to this Agreement.

If a second shift and/or third shift is added in the Record Bureau, the low seniority persons in the classifications affected will be assigned to the shift, if trained and qualified. A person with higher seniority may volunteer for the position(s).

In the event this should occur and the employee is required to work the second shift or third shift the employee shall be entitled to receive the following "shift differential":

1. For each hour worked during the second shift, an additional 15 cents per hour.
2. For each hour worked during the third shift, an additional 20 cents per hour.

This Section shall not apply to an employee who is assigned to the second or third shift at his own request.

- B. Work assignments in the Division of Public Works and in the Parks Division shall be scheduled in accordance with the following provisions:
1. Summer hours will be 7:00 a.m. to 3:30 p.m. to be effective prior to the end of the second full work week in May of each year. Winter hours will be 7:30 a.m. to 4:00 p.m. to be effective no later than the end of the first full work week in October of each year. Rotation between summer and winter hours may be waived by mutual agreement between the City and the Union.
 2. Employees will receive an unpaid one-half hour lunch break at a time designated by the D.P.W. Superintendent, and two paid fifteen (15) minute coffee breaks to be taken not earlier than one and one-half hours after starting time or lunch, as applicable. Such breaks must be taken on the job site when there are four or more employees on the work crew.
 3. There shall be a fifteen (15) minute wash-up time before the end of the shift.
 4. As special consideration for this work schedule, such employees will receive, in addition to their regular compensation, a schedule bonus of \$250.00 per year for each full year in which the employee works at least 90% of the scheduled work days, excluding holidays, vacation days, periods of time while an employee is being paid workers compensation, or periods of medical disability involving hospital confinement of up to sixty calendar days. The schedule bonus shall be payable in the third pay period following the end of each fiscal year.

Section 403. Deduction for Absences

Deductions from an employee's pay shall be made for all absences from work on the days and times stated, except authorized absences as set forth in Article VII.

Section 404. No Concurrent Employment

During working hours, the employee is to concern himself strictly with the business of the City and the duties of his position. At no time during working hours, shall the employee perform any services or make or receive any telephone call on behalf of any other agencies or for any private business or employment, that are not a part of the employee's job responsibilities with the City.

ARTICLE V

The probationary period shall be accumulated within not more than one year. When an employee finishes the probationary period within not more than one (1) year his name shall be entered upon the seniority list in the appropriate classification and shall be given a seniority date six (6), nine (9), or twelve (12) months prior to the date he completed his probationary period as the case may be. There shall be no seniority among probationary employees.

Section 502. Union Representation of Probationary Employees

Section 503. Definition of Seniority

Seniority shall be on the basis of the classification of the employee within his Department in accordance with the employee's last date of hire by the City. The City will prepare a seniority list showing the names and the job titles of all employees entitled to seniority, will keep the seniority list up-to-date at all times and will provide the Local Union President with up-to-date copies of the seniority list whenever changes are made. Seniority cases not falling clearly within these rules shall be settled by agreement between the City and the Union.

Section 504. Loss of Seniority

An employee shall lose his seniority for the following reasons only:

- A. He voluntarily leaves the employment of the City. An employee is deemed to have resigned if he has three (3) consecutive unauthorized absences without notification to the employer unless impossible to notify said employer.

- B. He is discharged and the discharge is not reversed through the Grievance Procedure.
- C. Layoff for a period of two (2) years or length of seniority whichever is the lesser.

- B. Employees holding seniority will then be laid off on a classification basis according to seniority as defined in Article V.
- C. Upon the written request of the Union to the City, the Chief Union Steward during his term in office shall be given preference in case of layoff and an employee of higher seniority may be laid off in his stead.
- D. Other exceptions to this procedure may be made by written agreement between the City and the Union.

Section 603. Notice Prior to Layoff

Employees to be laid off for an indefinite period of time shall receive at least thirty (30) calendar days notice of layoff. The Local Union Secretary shall be notified of the employees being laid off on the same day the notices are issued to the employees.

Section 604. Recall from Layoff

When the working force is increased after a layoff, employees will be recalled according to seniority as defined in Article V. Notice of recall shall be sent to the employee at his last known address by registered or certified mail return receipt requested. If an employee fails to report to work within fourteen (14) calendar days from the date of mailing the notice of recall he shall be considered to have voluntarily left the employment of the City. The City shall grant reasonable extensions of this period of time in those cases where the employee for good cause is unable to report to work, but not to exceed an additional thirty (30) calendar days.

Section 605. Bumping Prohibited

The exercise of seniority to displace junior employees in other Departments in the event of a layoff will not be permitted. No employee may bump into the City Manager's Office without his approval.

ARTICLE VII

LEAVES OF ABSENCE

Section 700. Leaves of Absence without Pay

A. Personal Leave

No employee shall be eligible for leave of absence until they have completed a probationary period. All requests for leave of absence must be presented in writing to the City Manager upon approval of the Department Director and shall include the following pertinent information: Purpose of leave, effective date and duration. Request for such leave shall be answered by the City Manager in writing within five (5) working days.

Such leaves may be granted by the City for periods up to thirty (30) calendar days. Such leaves may be extended upon written approval of the City Manager. All leaves are granted without pay. Seniority shall accumulate for up to thirty (30) calendar days. On leaves of thirty (30) days or less the City will pay all insurance premiums. Employees on leave must report to work not later than the first working day following the expiration of their leave. An employee who seeks and/or obtains employment while on leave of absence will be automatically terminated from the City effective the date the leave of absence started.

B. Military Leave

An employee who enters the Armed Forces of the United States or who is called for reserve duty, National Guard or other branches of the services, covered by the National Selective Service Act will be granted leaves and other rights as afforded by the Act.

C. Leave for Union Steward

The Chief Steward shall be granted time off up to five (5) days without compensation to attend the National Convention, provided thirty days written notice is given to the City Manager specifying the time to be taken. If the five days are not exhausted, up to two of the five days may be taken to attend the State Convention, provided that seven days notice is given to the City Manager.

Section 701. Holidays

A. The following are designated Holidays for which absence from work is authorized:

- | | |

| 1. Columbus Day | *9. Day before Christmas |

| 3. New Year's Day | 11. Veterans Day |

With respect to New Year's Day, Memorial Day, Independence Day and Christmas Day, if the Holiday falls on a Sunday, the following Monday shall be deemed the Holiday and if the Holiday falls on Saturday, the preceding Friday shall be deemed the Holiday. The employee will not be paid for a Holiday, however, if he is absent without leave the scheduled work day preceding the Holiday or the morning of a half Holiday or the scheduled work day following the Holiday.

Employees working on any of the above Holidays shall receive double time for hours worked plus the Holiday pay.

*** When this day falls on a Monday, Tuesday, Wednesday or Thursday.**

- B. Eve days preceding the New Year's and Christmas Day Holidays will be granted on the day preceding such Holiday when the day falls on a Monday, Tuesday, Wednesday or Thursday.

When New Year's and Christmas fall on a Saturday, Sunday or Monday the eve day preceding such Holiday will be considered a floating Holiday to be scheduled and taken in the same manner as a personal day, Section 707(I), and may also be used in conjunction with approved vacations or Holidays.

Columbus Day and Veterans Day shall also be considered floating holidays, regardless of the day of the week on which they occur, and taken in the same manner as a vacation day as outlined in paragraph 2 of Section 703. Floating Holidays are accrued as of the day on which the actual holiday occurs. They cannot be carried forward to the following fiscal year, nor may they be cashed out.

- C. An employee who is scheduled to work on any Holiday set forth above and does not work said day shall receive no holiday pay for such day, unless on an excused absence approved by the Department Director.

Section 702. Annual Vacations

Employees will be entitled to annual vacations in accordance with the following schedule. Eligibility for vacation shall be determined as of July 1 of each year.

Service as of July 1	Days of Vacation for Each Month Worked in the Previous Year	On and After 7/01/80 Maximum Vacation

22-25 years	1.92 days	23 days
Over 25 years	2.08 days	25 days

An employee who does not successfully complete his probationary period shall not accrue any vacation benefits.

Section 703. Period for Taking Vacations

Except as provided below, vacations must be taken during the period beginning July 1, and ending June 30. Vacations will be granted at such times during the year as are suitable considering both the wishes of the employee and the efficient operation of the City. Vacations will be taken in a period of consecutive days. Vacations may be split into one or two weeks providing such scheduling does not drastically interfere with the operations of the employee's department. Vacations may be taken in one (1) day increments upon advance approval of the employee's Department Head. Employees required to take

compulsory military training shall be allowed to take their vacation at the time such training must be taken. In the event that the employee is prevented from taking any or all of the vacation to which he is entitled in any one year because scheduling such vacation would drastically interfere with the operations of the Department or other good reason, the Department Head may allow such unused vacation to be taken during the following fiscal year. If permission to take the unused vacation in a subsequent year is not granted, the employee shall be paid for such unused vacation at straight time.

An employee must provide advance notice of his requested vacation equal to the length of the requested vacation and in no event less than twenty-four (24) hours, provided that twenty-four (24) hours notice of the request will be sufficient for vacations of two (2) days or less. The Department Head may waive the notice requirement in the event the request does not interfere with Department operations and is based on extenuating circumstances.

Section 704. Holiday Vacation

If a Holiday is observed by the City on a day other than Saturday or Sunday during a scheduled vacation, the employee shall be entitled to an additional day of vacation.

Section 705. Effect of Layoff on Vacation

If an employee is laid off or retires he will receive any unused vacation credit including that accrued in the current year. A recalled employee who received credit at the time of layoff for the current year will have such credit deducted from his vacation the following year.

Section 706. Absence for Sickness or Other Good Cause

- A. Employees shall be entitled to absence without loss of pay for sickness upon application by the employee. Subject to Sections B and C, an employee may be granted up to ten (10) hours under this provision in any one month.
- B.1. Unused "Sick Leave Days" not taken in any one fiscal year may be accumulated for use in the future, but such accumulation shall not exceed one hundred twenty (120) days, or the number of sick leave days accumulated by the employee as of June 30, 1987, whichever is higher. An employee who retires from City service under its retirement plan or voluntarily resigns in good standing shall receive fifty percent (50%) of all unused accumulated leave under this Section at his then current rate of pay. Upon death of an employee, all unused sick leave will be paid at the rate of fifty percent (50%) to the employee's beneficiary as listed on his life insurance policy.
- B.2. In addition to the sick leave accumulation set forth in section B.1. above, employees may accumulate reserve sick leave as days are earned in excess of the applicable maximum under Section B.1. up to a combined total of one hundred ninety (190) days. Reserve sick leave may be used on the same basis as other sick leave, provided that in no event shall the City make payment for any unused accumulated reserve sick leave; it being understood payments will only be made for the days accumulated under Section B.1. above.
- C. Permanent full-time seniority employees will earn and be credited with ten (10) hours of sick leave credit for each complete calendar month of service. In order to earn ten (10) hours sick leave, an employee must be paid for eighty (80%) percent of the scheduled working days within the calendar month. Time spent away from work while on military reserve duty up to thirty (30) days per calendar year will, for purposes of this Article, be treated as days worked.

- D. For purposes of computing sick leave pay, a workday shall be eight (8) hours paid at the employee's straight-time pay. To be eligible for sick leave pay the employee must be at his residence or physician's office during his normal working hours. Such presence must be verifiable by telephone, and answering devices are unacceptable for this purpose. This provision is inapplicable to those cases involving medical disability verified to the satisfaction of the City.
- E. The City may require that employees provide specific and detailed medical data from the employee's doctor stating the cause of the absence upon request of the Department Head or whenever sick leave exceeding three (3) consecutive work days is taken pursuant to this Article. Failure to provide or falsification of such evidence will be cause for discipline. Abuse of sick leave will be cause for disciplinary action. In determining abuse the City may consider frequency or pattern of usage or the underlying circumstances. The City may, at its discretion, require that employees submit to physical and mental tests and examinations by a City-appointed doctor whenever sick leave is taken pursuant to this Article, provided, however, that the City will pay the cost of such tests and examinations.
- F. The City reserves the right to require an employee to take an involuntary sick or health leave of absence if the employee suffers from a disability, mental or physical, as shown by medical evidence. If there is a dispute between the parties with respect to the employee's ability to perform his job duties a mutually agreed upon professional opinion shall be sought to determine whether the employee is able to perform his duties. The cost shall be shared equally between the City and employee.
- G. Employees who have exhausted their sick leave credit and are still unable to return to work may be allowed to utilize any unused vacation credits upon written request.
- H. Employees who are laid off shall have available any unused sick leave previously earned, effective at the time they are recalled.
- I. An employee shall be entitled to three (3) personal days per calendar year, (non-cumulative) taken from the accumulated sick leave bank. The days may be taken at the employee's discretion, and unused days shall remain in the sick leave bank provided that their personal days cannot be used in conjunction with vacations or holidays. The employees must submit a written request at least five (5) working days in advance except for emergencies and receive approval from the Department Head prior to taking the personal leave day; provided that an exception to these requirements may be granted by the Department Head.
- J. Maternity leave shall be granted in accordance with the provisions set forth in this Article on medical leaves of absence. A written request for maternity leave must be submitted to the City when pregnancy is established, with supporting statement from the attending physician certifying that, based on his understanding of the specific job, the employee is able to perform all of the duties of her job. The employee must return to work at the end of the granted leave of absence.
- K. The City will grant medical leaves of absence for personal illness or injury to employees with seniority upon presentation of medical proof of illness or injury. In the case of personal illness or injury exceeding five (5) working days, a written request for a medical leave must be submitted to the City with a supporting statement from the doctor.

The City reserves the right to require that an employee who is on such leave take a physical examination(s) by a City-appointed doctor at City expense periodically. An employee returning from sick

leave will be returned to a position in line with his seniority providing he is able to perform the available work and he has been released to go to work by the City doctor. Restrictions for "light work", etc. will not be accepted except as set forth below. In case of illness or injury compensable under Workers' Compensation, said leave shall be granted for the duration of the illness or injury subject to the provisions above. In case of all other medical leaves, said leave shall not exceed the length of the employee's seniority at the time of leave or eighteen (18) months, whichever is less.

The City in its sole discretion may determine the nature and availability of any "light work" assignments, if any.

Section 707. Partial Use of Sick Leave for Employees Injured in the Line of Duty

- A. An employee who is unable to work as a result of an injury or sickness arising out of and in the course of his employment with the City and notice of which injury shall have been given the City as required, shall receive the pay set forth below:
1. The first one hundred and thirty (130) work days not to be deducted from employee's accumulated sick time on any one injury or sickness. Any re-injury or recurrence will be considered the same injury or sickness for purposes of this section.
 2. The full pay shall be effected by paying such employee an amount which, together with the weekly Workers' Compensation Benefits to which he may be entitled, shall equal 85% of his regular pay on the basis of his average standard work week, exclusive of overtime, at the time of injury.
 3. After exhaustion of the days provided in 1 above, the employee's accumulated sick leave shall be used up at the rate of one hour of sick leave for each two regularly scheduled work hours the employee is absent. Said ratio of one to two shall be applied regardless of the actual ratio of Workers' Compensation Benefits to full pay. The effect of 2 and 3 is to extend sick leave credits and make the same last twice as long for an injury in the line of duty.
- B. After the exhaustion of sick leave credits, payments consist only of benefits under the Workers' Compensation Act.
- C. Offset and Refund of Workers' Compensation Checks. In no case shall an employee receive for any period more, including Workers' Compensation Benefits, than eighty-five (85%) percent of his regular straight-time take-home pay, the same to be determined at the time of injury, on the basis of his average standard work week, exclusive of overtime. Where practicable this shall be effected by deducting the weekly Workers' Compensation Benefits from the amount of sick leave payment otherwise payable. If any Workers' Compensation payments are received by an employee for a period for which the employee has received sick leave payments without deduction for Workers' Compensation, the employee shall refund to the City the Workers' Compensation Benefits for such period.
- D. An employee who sustains an injury or incurs an illness while on or off duty, may be returned to work on limited duty at the discretion of the City. His/her activities and the duration of limited duty are to be prescribed by the City physician. In cases where there is a dispute of medical opinion between the City physician and the employee's physician, a third opinion shall be obtained from a physician mutually agreeable to the parties. The cost of the third opinion shall be equally shared by the City and the employee, and such

third opinion shall be final and binding. The employee, while on limited duty, shall receive his/her current rate of pay with no deductions from sick time, compensatory time or other benefits.

Section 708. Funeral Leave

In case of a death occurring in the employee's immediate family requiring his absence and during a duty period, the employee may be granted a leave of absence with pay for such period, not to exceed four (4) days, as will be necessary in the particular circumstances. The grant of any such leave and the amount thereof shall be approved by the Department Head and the City Manager. "Immediate Family" is defined as (1) the employee's wife, husband, child, brother, sister, parent, grand-parent, or (2) any relative of the employee living in the same household and his mother-in-law and father-in-law.

Section 709. Jury Duty

A full-time employee with one or more years of seniority who is called to and reports for jury duty shall be paid by the City for each day or portion thereof spent in performing jury duty if the employee otherwise would have been scheduled to work for the City and does not work, an amount equal to the difference between (1) the employee's regular straight-time hourly rate, exclusive of any premiums for the number of hours spent on jury duty each day up to eight (8) (provided that he otherwise would have been scheduled to work those hours) and (2) the daily jury fee paid by the Court (not including travel allowances or reimbursement expenses). The City's obligation to pay an employee for performance of jury duty under this Section is limited to a maximum of thirty (30) days in any calendar year.

In order to receive payment under this Article, an employee must give the City prior notice that he has been summoned for jury duty and must furnish satisfactory evidence that the jury duty was performed on the days for which he claims such payment. The provisions of this Section are not applicable to any employee who, without being summoned, volunteers for jury duty.

The City reserves the right to seek to get the employee excused from jury duty in order to work.

Section 710. Family Medical Leave Act

The City shall comply with the Family and Medical Leave Act as applicable. Eligible employees will be granted family and medical leave up to a total of 12 weeks absence during any rolling 12 month period for the birth of a child and to care for that child; the placement of a child for adoption or foster care; to care for a spouse, child, or parent with a serious health condition; or the serious health condition of the employee. An employee is entitled to continuation of City health insurance while on approved family and medical leave.

Effective July 1, 1999, in addition to the eligibility conditions already outlined in this Section, employees who are at least fifty-five (55) years of age may retire with an unreduced pension if the sum of their age and years of service is greater than or equal to eighty (80).

Early retirement shall be at age 57 years, provided that the employee has completed eight (8) or more years of credited service. The benefit shall be in accordance with the pension plan formula, reduced by two-tenths of a percent (.2%) for each complete

Average final compensation will be based upon the three (3) consecutive highest years of the last ten (10). The most current index prior to the member's retirement shall be used. A member who elects the annuity withdrawal option shall have his annual pension reduced accordingly as determined by the Pension Board Actuaries.
3. This option must be selected before the retirement date or be waived. The refund will be made within thirty (30) days after the date of retirement or sixty (60) days after notice of exercise of this option, whichever date is later.

3. the employee died while an active employee of the City.

The benefit shall become payable at the time of death.

ARTICLE IX

PROMOTIONS

Section 900. Promotion Defined

A promotion shall be defined as a change from one position to another position that involves a change in duties and responsibilities and a higher rate of compensation.

Section 901. Eligibility for Promotion

Vacancies will be posted for a period of not less than seven (7) calendar days on all employee bulletin boards. Employees interested shall apply within said time. Promotions within a City Department shall be made by the City on the basis of departmental seniority provided the senior employee has the ability to meet the job requirements of the higher classification. An employee's disciplinary record may be considered with respect to determining the employee's ability to meet job requirements of the higher classification. In the event no employee in the Department is selected, applicants from other Departments shall receive preference on the basis of seniority with the City and ability to meet the job qualifications over persons seeking the position who are not presently employed by the City.

Section 901.A. Promotions to Lead Positions in the Department of Public Works

The competitive elements of the examination will consist of a written examination, oral examination and departmental evaluation. The passing grade on the written examination shall be seventy percent (70%) and the failure of the applicant on the written examination shall disqualify him from further consideration. All employees who pass the written examination shall be given the oral examination and departmental evaluation. The oral examination panel shall consist of a minimum of three panelists, including two panelists from outside the Division of Public Works.

Candidates will be ranked on the basis of a composite score computed as follows:

1. The percentage (%) attained on the written examination multiplied by thirty percent (30%).
2. The percentage (%) attained on the oral examination multiplied by twenty five percent (25%).
3. The percentage (%) attained on the departmental evaluation multiplied by thirty percent (30%).

4. In addition, seniority points (up to a maximum of fifteen [15] points) will be added to attain the total composite score as follows:

Each employee will be awarded 1 point for each year of seniority in the Department up to a maximum of fifteen (15) years of seniority, pro-rated up to and including the date of the written examination.

Section 902. Written Examination

A written examination may be provided by the City which shall be free to all employees seeking the available promotion other than probationary employees. The examination shall relate to those matters which shall fairly test the relative capacity of those persons examined to discharge the duties of the office to which they seek to be appointed. Such test shall be furnished by an independent body.

Section 903. Supervisory Employees

The foregoing conditions do not apply to the employment of supervisory employees whose positions are not covered by the collective bargaining Contract.

Section 904. Promotion

When an employee is promoted, he shall immediately advance to a pay step in the higher classification which is higher than his next annual increment in the previous classification.

Section 905. Trial Period

The applicant selected for a promotion will serve a trial period of six (6) months. The trial period may be extended for an additional three (3) month period upon written mutual agreement by the City, the Union, and the employee involved. No member of the Bargaining Unit shall be disciplined or discharged except for just cause. A discharged employee will be allowed to discuss the discharge with the Steward before he is required to leave the property of the City unless his presence creates an unsafe situation.

Section 1001. Past Infraction

In imposing any discipline on a current charge, the City will not take into account any prior infractions which occurred more than three (3) years previously, unless such prior infraction resulted in a suspension in excess of two (2) days.

Section 1002. Notification of Discipline and Discharge

The City shall notify the Steward promptly in writing upon the discharge or discipline of an employee, but failure to give such notice shall not affect the validity of such discharge or discipline.

Section 1003. Union Representation

The employee shall be entitled to Union representation during any meeting and/or discussion with the Employer concerning discipline or probable discipline. The role of the Union representative shall be that of an observer. Disciplinary action, if any, may be subject to the grievance procedure.

An alternate Steward shall act in place of a Steward when the Steward is absent or unable to act. The Chief Steward shall be elected at large and the two (2) Stewards shall be from different Divisions or Departments of the City.

The Steward or alternate Steward shall not spend time on Union business during regular working hours except as provided in Article X hereof, unless same involves a grievance or problem arising under this Contract, the nature of the business is such that it cannot be conveniently disposed of outside of regular working hours and it does not interfere with the work of the City Department involved.

ARTICLE XII

GRIEVANCE PROCEDURE

Section 1201. Savings Clause

Nothing in this Article shall prevent any individual employee of the Union from exercising the rights granted under Act 336 of the Public Acts of 1947, as amended.

Section 1202. Definition of Grievance

For the purpose of this Contract, a grievance is defined as an alleged violation of this Contract.

Section 1203. Grievance Procedure

The following shall be followed in presenting a grievance to the City:

Step One.

If an employee feels he has a grievance, he shall, within five (5) working days after the employee had knowledge, or reasonably should have had knowledge, of its occurrence, present the grievance orally to his immediate supervisor or other designated supervisor, or it shall be considered waived. Unless the supervisor determines otherwise, the meeting will occur immediately before the end of the employee's work shift. The employee's Union representative may be in attendance if the employee so requests. The supervisor shall submit his answer within three (3) working days after its presentation. If the grievance is not satisfactorily adjusted, the employee may submit a written request at Step Two.

Step Two.

If the grievance is not resolved in Step One, the employee or the Steward shall present the grievance in writing to the Department Head. A grievance must be presented in writing within five (5) working days after the employee receives the answer in Step One or it shall be considered waived. The written grievance shall name the employee(s) involved, shall state the facts giving rise to the grievance, shall attempt to identify all the provisions of this Agreement alleged to be violated, and shall be signed and dated by the employee.

The grievance shall be answered in writing by or on behalf of the Department Head within ten (10) working days after the grievance is presented. If the grievance is not answered within ten (10) working days, the Union shall be awarded the grievance on the basis of its complaint.

If no further action is taken within five (5) working days after service of the written answer upon the employee or the Steward, the answer will be considered to be accepted, and no further action may be taken upon the grievance.

Step Three.

If within five (5) working days after the service of the answer, the answer is not accepted by the Steward or the employee, the Steward or the employee may request a conference with the City Manager or his representative at a time to be agreed upon. The City Manager or his representative will meet with the Union and give the Union his written answer within twenty (20) working days.

For purposes of this Article only, the term "work day" refers to Monday through Friday excluding observed holidays.

Section 1204. Arbitration

In the event the grievance is not settled in Section 1203 above, the Union shall have the right to appeal the dispute under and in accordance with the rules of the American Arbitration Association. Such appeal must be taken within thirty (30) calendar days from the date of the answer provided for in Step 3 above or the day the answer was due.

Any grievance not advanced to the next step by the Union within the time limited in that step shall be deemed abandoned.

It shall be the function of the arbitrator, and he shall be empowered, except as his powers are limited below, after proper hearing, to make a decision in cases of alleged violation of the specific articles and sections of this Agreement.

(A) He shall have no power to add to, subtract from, disregard, alter, or modify any of the terms in this Agreement.

(B) He shall have no power to establish salary scales or change any salary.

His powers shall be limited to deciding whether the City has violated the express articles or sections of this Agreement; it being understood that any matter not specifically set forth herein remains within the reserved rights of the City.

He shall have no power to decide any questions which, under this Agreement, are within the responsibility of management to decide, except as they may be specifically conditioned by this Agreement.

If either party disputes the arbitrability of any grievance under the terms of this Agreement, the arbitrator shall first determine the question of arbitrability. In the event that a case is appealed to an arbitrator on which he has no power to rule, it shall be referred back to the parties without decision or recommendation on its merits.

There shall be no appeal from an arbitrator's decision if within the scope of his authority as set forth above. It shall be final and binding on the Union, its members, the employee or employees involved, and the City.

The fees and expenses of the arbitrator shall be shared equally by the City and the Union. All other expenses shall be borne by the party incurring them.

Claims for Back Pay. All grievances must be filed in writing within ten (10) days from the time the alleged violation was to have occurred. The City shall not be required to pay back wages for more than ten (10) work days prior to the date a written grievance is filed.

1. All claims for back wages shall be limited to the amount of wages that the employee would otherwise have earned, less any compensation that he may have received from any source during the period of the back pay.
2. No decision in any one case shall require a retroactive wage adjustment in any other case.

Section 1205. Appeal

Discipline or discharge cases will be handled through the normal steps of the Grievance Procedure, except, that in cases of discharge, the Union may bypass Step 1 and appeal the matter directly to the City Manager's step of the Grievance Procedure.

Section 1206. Time Limits

The time limits set forth in this Article may be extended by mutual agreement, in writing, of the City and the Union.

Section 1207. Arbitration Hearings

Unless otherwise agreed, arbitration hearings will be held in the City of Farmington Hills offices or in the vicinity. In the event employees in the Bargaining Unit are called as witnesses, they shall not lose time for travel to and from the hearing, or for time spent in testifying. However, the Union

recognizes that should it call witnesses who are required to be present through the entire hearing, the City shall not be responsible for such expense.

Section 1208. Sole Remedy

The sole remedy available to any employee for any alleged breach of this Agreement or any alleged violation of his rights hereunder will be pursuant to the Grievance Procedure; provided that if an employee elects to pursue any legal or statutory remedy, such election will bar any further or subsequent proceedings for relief under the provisions of this Article.

ARTICLE XIII

AUTOMOBILE

Section 1301.

If an employee is required to use his automobile in connection with his job, he shall be paid at the higher rate of either twenty-five (25) cents per mile, or the current rate for mileage reimbursement established by the City for other general employees. Employees using their own cars shall, if required by the City, keep and file a record of all mileage driven on City business. The City shall furnish forms for this purpose.

ARTICLE XIV

Such authorization form shall be prepared and furnished to the employees by the Union and shall, as a minimum, recite that the City is authorized to deduct Union dues in effect from time to time from the pay of the particular employee and forward such sum to the Union in accordance with the terms of this Contract. The Union is to notify the City as to the amount of Union dues and of any changes, said notification to be made at least thirty (30) days before said dues are to be deducted.

Section 1402. Exclusion

Section 1403. Authorization for Deductions

A properly executed copy of the authorization for deduction of dues or service fee shall be delivered to the City Director of Finance by the employee before any payroll deductions are made. Section 1404. Transmittal of Funds

Deductions for any calendar month shall be remitted to the designated financial officer of Council 25 as soon as possible after the 10th day of the following month.

Section 1405. Revocation of Authorization

Authorization for deduction of dues or service fee shall be irrevocable by the employee during the term of this Contract or any renewal hereof, unless the employee cancels his authorization within thirty (30) days prior to the expiration of the Contract or any renewal hereof. Deductions of membership dues or service fee shall terminate with respect to any employee who is no longer a member of the Bargaining Unit.

Section 1406.

The City shall not be liable to the Union or to the employees by reason of any error or neglect involving the improper deduction of or failure to deduct Union dues or service fees in accordance with this Contract and the Union agrees to hold the City harmless from all liability to which the City may be put by reason of its voluntary agreement to deduct membership dues or service fees.

ARTICLE XV

Section 1502.

In the event of such prohibited conduct, the Union shall immediately instruct the involved employees in writing, with a copy to the City, that their conduct is in violation of the Contract and that they may be disciplined and/or discharged, and further shall instruct all persons to immediately cease the offending conduct. The Union further agrees that the City shall have the right to discipline (including discharge) any or all employees who violate this Article.

Section 1503.

In the event of a violation of this Article, the City shall have the right, in addition to the foregoing and any other remedies it may have, to obtain injunctive relief.
