ARTICLE 8 - GRIEVANCES

Section 1. Purpose. The purpose of this grievance procedure is to establish an effective mechanism for the fair, expeditious and orderly adjustment of grievances.

Section 2. Informal Resolution. The informal resolution of differences or grievances is urged and encouraged to be resolved at the lowest possible level of supervision.

Each grievance shall set forth facts pertaining to the alleged violation of any pertinent section of this contract which is alleged to have been violated.

Section 5. Grievance Procedure.

Step One. Grievance Procedure. An Employee who has a grievance shall discuss the complaint with his/her immediate supervisor, with or without the presence of his/her President. The parties shall discuss the complaint in a fair manner and shall make every effort to reach a satisfactory agreement at this point. The Employee shall have the right to discuss the complaint with his/her Association President before any discussion takes place with the supervisor. The supervisor shall make arrangements for the Employee to be off his/her job for a reasonable period of time in order to discuss the complaint with the Association President.

Step Two. Grievance Procedure. If the matter is not satisfactorily settled by such a discussion, the aggrieved Employee shall report such grievance to his/her President as soon as possible, but in any case, within seven (7) working days of the event giving rise to the grievance or within seven (7) working days of when he/she should have reasonably known of the event. Step Three. Grievance Procedure. If the grievance is not satisfactorily settled in Step Two after meeting with the immediate supervisor, the Employee or the Association shall have the right to appeal in writing to the Director of Public Safety or other person designated by the Director of Public Safety. The Employee or the representative of the Association shall meet with the Director of Public Safety or designee of the Director of Public Safety within seven (7) working days of presentation of the appeal. An answer, in writing, to the appeal shall be filed within seven (7) working days of the meeting.

Step Four. Grievance Procedure. If the grievance is not satisfactorily settled in Step Three after meeting with the Director of Public Safety, the Association has the right to appeal, in writing, to the Township Supervisor. The Association President and/or a representative from the POLC shall meet with the Township Supervisor and/or his designated representative within seven (7) working days of the presentation of appeal. The Township Supervisor's answer, in writing, shall be filed within seven (7) working days after the meeting.

Step Five. Grievance Procedure. If the answer of the Township Supervisor is unsatisfactory to both the Association and the Employee, the grievance may be submitted to a mutually agreeable arbitrator. If the parties are unable to agree to an arbitrator within thirty (30) days, the services of MERC (Michigan Employment Relations Commission) shall be used in making a selection. The decision of the arbitrator shall be binding on both parties.

Section 6. Cost of the Arbitrator. Each party shall pay its own costs for processing grievances through the grievance and arbitration procedures. The fee of the arbitrator, his/her travel expenses and the cost of any room or facilities, the expenses and the expense of the arbitrator, including the expense of a transcript, if any, shall be borne equally by the parties. The fees and wages of representatives, counsel, witnesses, or other persons attending the hearing on behalf of a party and all other expenses shall be borne by the party incurring same.

Section 7. Power of the Arbitrator. The arbitrator shall have no power to add to or subtract from or modify any of the terms of this Agreement, nor shall he/she substitute his/her discretion for that of the Township or the Association where such discretion has been retained by the Township or the Association, nor shall he/she exercise any responsibility or function of the Township or Association.

Section 8. Time Limitations. All appeals under this section must be made in writing within seven (7) working days after the decision has been made and communicated to the Employee/Township. If no appeal is taken within the time limit, the Employee and/or the Union shall be deemed to have accepted the decision. Conversely, if an answer in writing is not presented to the Association representative, where required, within the prescribed time limit, the matter shall be automatically referred to the next step. Time may be extended by mutual agreement of both parties.

Section 9. Grievance Form. The Union shall furnish grievance forms. This form shall be used in filing a grievance. One copy of the form shall be the property of the Employee filing the grievance. When filing a grievance, the Association and/or the Employee will be required to submit all available information at each step of the grievance procedure.

Section 10. Discharge/Three or More Day Suspension. In the event an employee is given a disciplinary suspension of three (3) days for more, or in the event the employee is terminated, a written grievance (containing the information required in Step Two) shall be filed within three (3) days of the suspension/termination at Step Three of the Grievance Procedure.

Upon recommendation of the Director of Public Safety, the Township may approve initial compensation at a higher rate than the base rate of the salary schedule when the needs of the Township make such action necessary.

Section 3. Starting Rate on Return from Military Service. Any Employee who leaves or has left the Township's service to enter the active service of the armed forces of the United States and is subsequently reinstated into a position previously held by him/her shall be entitled to receive compensation at the step rate at which he/she entered military service, except he/she shall be entitled to receive all compensation increases granted at that step and grade during his/her period of military service.

Section 4. Continuous Service. Service requirements for advancement within the compensation schedule and for other purposes as specified, shall include the requirements of continuous service, which means employment in the Township Public Safety Department service without break or interruption. Leaves of absence with pay, and authorized leaves of absence of thirty (30) days or less without pay, shall not interrupt continuous service nor be deducted therefrom. Authorized leaves of absence without pay in excess of thirty (30) days shall be deducted in computing total service, but shall not serve to interrupt continuous service. All absences without leave in excess of two work days shall not count towards service time and shall be deducted from the total service such Employee had prior to such absence without leave.

Section 5. Longevity. The first longevity step shall be \$600.00 over the four (4) year step, and shall become effective after five (5) continuous years of employment in the bargaining unit. The second longevity step shall be \$1,200.00 over the four (4) year step and shall be paid after ten (10) continuous years of employment.

Holiday pay will be prorated based on the holiday pay divided by the months of service.

An employee who works on the following six holidays (i.e., Christmas Eve Day, Christmas Day, New Year's Eve Day, New Year's Day, Thanksgiving Day and Fourth of July) will receive pay calculated at time and one-half the employee's regular straight-time rate for all hours worked on that day when the majority of the hours to be worked on the scheduled shift fall on the actual calendar holiday (e.g., for a 7:00 p.m. to 3:00 a.m. scheduled shift, the time and one-half premium will not be paid for the shift which starts at 7:00 p.m. on July 3rd, but will be paid for the shift that starts at 7:00 p.m. on July 4th). While there is no compounding or pyramiding of premium pay, an employee who works overtime on a holiday shift will receive two times his/her regular straight-time rate for said overtime hours.

Section 10. Lunch Period. Lunch periods will be arranged so that all offices and/or work stations will remain open during lunch time. The lunch period will be one-half (1/2) hour, and will be included in the work day.

However, in no event will an Employee be allowed to accumulate more than twenty-five (25) vacation days at any one time. To accomplish this, no Employee will be allowed to carry over more than seven (7) unused vacation days from one calendar year to the next.
- (c) Absence on account of sickness, off-the-job injury, or disability in excess of that hereinafter authorized for such purposes may, at the request of the Employee and at the discretion of the Township, be charged against the vacation leave allowance.

Any sick days granted above the maximum of ninety (90) days shall be converted to pay at the rate of one-half (1/2) day for one (1) sick day. The Director of Public Safety shall be responsible for reviewing and approving Employee sick leave. All sick time is earned and allocated on January 1st of each year for time accrued in the previous year. A year-to-date record shall be reflected on each paycheck. Sick days earned above the maximum of ninety (90) days will be paid in the second pay period in February of each year at the rate in effect on December 31st of the prior year.

- (a) Employees are required to give daily notification, or other appropriate notice, to the department of the necessity for taking sick leave. If the suspicion is based on a single absence, the Employer shall notify the employee on their day in question that a doctor's statement is required.
- (c) An Employee will be required to submit a report from a doctor following a prolonged illness or injury of five (5) days or more indicating that he/she is physically able to return to work without limitations or restrictions.

- (f) Accumulated sick leave credits will be paid for each day of sickness at the Employee's regular straight time rate of eight (8) hours.

- (h) Employees are urged to make doctor and dental appointments on weekends and after work hours. When it is necessary to make such appointments during the regular work day, they must be approved in advance by the Employee's supervisor. Time off for an appointment will be reported on the time sheet for the pay period in which it occurred. Sick leave for this purpose will be charged in four (4) hour increments.
- (i) Employees who have exhausted their accumulated sick leave and do not report for work shall be terminated from their employment with the Township as provided in Article 4, Section 3 (c).
- (j) Maternity leave shall be treated in accordance with the applicable sick leave and prolonged illness leave sections of this contract and appropriate state and federal laws.

LETTER OF UNDERSTANDING

(Retyped 1/23/07)

It is understood and agreed that the accumulation and use of compensatory time shall be conditional as follows.

1. A maximum of twenty-four (24) hours of compensatory time may be accumulated.
2. Compensatory time may be used only if adequate personnel is on duty and it will not diminish the Township's ability to provide proper law enforcement services.
3. The use of compensatory time shall not be considered or used if it will cause the payment of overtime to personnel necessary to cover the position.
4. The denial of the use of compensatory time will not cause or result in the lowering of morale of the requesting Employee or department. Compensatory time denial shall not cause or result in a negative effect on personnel, Union-Employer relations or the delivery of Public Safety services to the people of/in Pittsfield Township.
5. Understanding that the responsibility to work on scheduled work days is that of the individual employee, it should be his/her responsibility to make certain that his/her absence from scheduled duty does not result in the payment of overtime. If the scheduled employee is off duty due to compensatory time and the scheduled work force becomes inadequate, it is clear that the use of compensatory time caused the payment of overtime. Further, it is understood that when the use of compensatory time is requested, the requesting employee assumes the responsibility for working the scheduled work day if it requires overtime.
6. Compensatory time shall not be carried beyond December 31 of the year in which it is earned. Accumulated overtime hours at the end of the year will be paid at wage rate earned.
