

## **COLLECTIVE BARGAINING AGREEMENT**

This Agreement is made and entered into this 23rd day of January, 2007, by and between Pittsfield Charter Township (hereinafter referred to as the "Township") and the Pittsfield Township Lieutenants and Sergeants Association (hereinafter referred to as the "Association"). The Agreement expires on December 31, 2009, under conditions further explained in Article 31.

### **ARTICLE 1 - PURPOSE AND INTENT**

The general purpose of this Agreement is to set forth terms and conditions of employment, and to promote orderly and peaceful labor relations for the mutual interest of the Township, the Employees and the Association.

The parties recognize that the interest of the community and the job security of the Employees depend upon the Township's success in establishing proper services to the community.

To these ends, the Township and the Association encourage to the fullest degree friendly and cooperative relations between the respective representatives at all levels and among the Employees.

### **ARTICLE 2 - RECOGNITION, ASSOCIATION SECURITY AND DUES**

The Township recognizes the Association and the Police Officers Labor Council as the sole and exclusive bargaining representative of the Pittsfield Township Police Lieutenants and Sergeants Association.

- (a) Maintenance of Membership: All present and future Employees of the bargaining unit shall be required as a condition of employment to tender dues or an amount equal to the regular monthly dues set by the Association membership for the duration of the Agreement. Employees who shall continue to tender, or for whom there is tendered until the expiration of this Agreement, the dues uniformly required as a condition of retaining membership, shall be deemed to have met the conditions of this subsection.
- (b) All full-time certified Police Officers of the Pittsfield Township Police Department with the rank of Lieutenant or Sergeant shall either become and remain members of the Union by paying monthly Union dues or shall pay to the Union a monthly service fee covering their fair share of the Union's expenses related to negotiating, administering and enforcing this Agreement. New employees shall be required to pay Union dues or a service fee after thirty (30) days of employment.
- (c) All new applicants for membership shall fill out the necessary form required by the contract in effect at the time of their employment.
- (d) The Township agrees to deduct the amount necessary from each pay of each employee, from whom it receives written authorization, to cover the monthly dues or service fees

required by the Union at least thirty (30) days prior to the date on which the dues are to be deducted. The dues and service fee rates shall be provided to the Employer by the Union's business representative. The Employer shall be provided at least thirty (30) days written notice of any change in the amount of monthly dues or service fees. Written authorizations shall include an agreement by the employee to hold the Township harmless against any and all claims, demands, lawsuits or other forms of liability that may arise out of or by reason of action or inaction taken by the Township for the purpose of providing this deduction service. Further, the authorizations shall specify that the employee agrees that in the event a refund is due to the employee for any reason, the employee shall seek such refund from the Union.

- (e) The Union agrees to indemnify, defend and save the Township harmless from any claims, demands, lawsuits or other forms of liability on account or by reason of action taken or not taken by the Township under this article.
- (f) At least once per month after dues/service fees have been deducted from employees' pay, the Township shall pay directly to Police Officers Labor Council the dues/fees which have been deducted. Such payment shall be accompanied by a list which identifies the employees from whom the deductions were made.

Payment shall be mailed or otherwise delivered to:

Police Officers Labor Council  
667 E. Big Beaver, Suite 205  
Troy, MI 48083

- (g) The Township shall not be liable for remittance or payment of any sums other than those consisting of actual deductions made from wages earned by employees. If for any reason the Township fails to make a deduction provided by this article, the Township shall make that deduction from the employee's next pay after the error has been identified to the Township by the Union.

The Township shall have no responsibility for the collection of dues/service fee, special assessments or any other deductions not in accordance with this article.

### **ARTICLE 3 - MANAGEMENT RIGHTS**

**Section 1. Rights and Responsibilities.** It is recognized that the management of the Department, the control of its properties, and the maintenance of order and efficiency, are solely a responsibility belonging exclusively to the Township and hereby recognized, included by way of illustration and not by way of limitation, are: the rights to decide the number and location of Township police personnel and facilities; the work to be performed within the unit; the scheduling of work days and hours and the necessity for overtime; the amount of supervision necessary within the unit; maintenance and repair of vehicles and equipment; methods; schedules of work; the selection, procurement, designing, engineering and control of equipment and materials; the right to enter into mutual aid pacts with other communities and the right to establish, maintain and

enforce Rules and Regulations governing the operation of the Department and the Employees therein, providing that such Rules and Regulations do not specifically conflict with an expressed term of this Agreement.

Section 2. Selection and Direction of Work Force. It is further recognized that the rights and responsibilities for the selection and direction of the work force, including (but not by way of limitation) the right to hire (and to establish all policies relevant thereto), suspend, discipline, assign, promote, layoff, transfer, discharge or determine the amount of overtime to be worked are vested exclusively in the Township; provided, that such rights shall not be exercised in such a manner as to specifically violate an expressed term of this Agreement.

Section 3. Chain of Command. It is recognized that the responsibility for directing the routine activities of the Employees on behalf of the Township is vested in the Director of Public Safety. The Director of Public Safety may delegate such authority in such manner as he/she may determine and is consistent with applicable Township Rules and ordinances. Until such time as the Township or the Township Supervisor authorizes other persons or entities to direct the activities of such Employees, by appropriate ordinance or otherwise, the Employees shall be obligated to obey the orders or directions of the Director of Public Safety and the established Chain of Command. It is further recognized that the right and responsibility for establishing an appropriate command structure is vested solely in the Township Board.

The Township or the Department may provide Personnel Rules for use, in the Township or in the Department. In any conflict between the Township or Departmental Rules and this Agreement, this Agreement shall take precedence. It is agreed that an Association member shall be a part of a committee to discuss and inspect proposed Department Personnel Rules prior to their implementation.

#### **ARTICLE 4 - SENIORITY**

Section 1. Probationary Period. A Sergeant and Lieutenant shall complete a probationary period for one (1) year. It is recognized that a Probationary Sergeant or Lieutenant is serving the probationary period on a trial basis. Such probationary period shall begin on the date of his/her promotion and shall end after one (1) year.

It is recognized that, during the trial basis probationary period, the Township may discipline and return a Sergeant or Lieutenant to their former position. During the probationary period, just cause is not required, and the Employee is excluded from access to the grievance and arbitration process.

Probationary Employee's union dues shall be paid to the Sergeants and Lieutenants Association starting on the effective date of their trial basis probationary period.

Section 2. Seniority Lists. The seniority list on the date of this Agreement will show the names, job titles and date of hire of all Employees of the Department entitled to seniority. The Township will keep the seniority list up-to-date at all times and will provide the Association with up-to-date copies upon request of the Association.

- (a) Seniority shall be based on the Employee's length of full-time service in the Department, commencing on the Employee's date of hire.
- (b) Seniority shall not be affected by the race, sex, marital status or dependents of the Employee.

Section 3. Loss of Seniority. An Employee shall lose his/her seniority and his/her employment shall be terminated for the following reasons only:

- (a) He/she quits the Township employment.
- (b) He/she is discharged and the discharge is not reversed through the procedure set forth in this Agreement.
- (c) If any Employee is absent without leave for three (3) consecutive days by reason of failure to return from sick leave or leave of absence in excess of one (1) week in duration, the Township may send a five (5) day quit notice to the Employee's last known address. If the Employee fails to return to work within five (5) days from the date of receiving notice by registered mail, he/she shall be deemed to have quit.
- (d) If any Employee is absent without leave, excepting as set forth in paragraph C hereof, the Township shall make contact by written communication or by oral conversation in the presence of a Association officer and require the Employee to return to work; failure to return as instructed shall constitute loss of seniority by discharge.
- (e) If he/she does not return for work when recalled from layoff as set forth in the recall procedure. In proper cases, exceptions shall be made with the consent of the Township.
- (f) He/she retires.

Section 4. Seniority of Officers. Notwithstanding his/her position on the seniority list, the President of the Association shall, in the event of layoff, be continued at all time provided he/she can perform any of the work available. This section shall apply only if the President is a permanent full-time Employee and shall have completed his/her probationary period.

Section 5. Layoff and Recall.

- (a) Employees shall be laid off from a classification according to their date of entry seniority into the classification, starting with the least senior.
- (b) Recall. Employees who are laid off shall be recalled to their former rank in order of their rank seniority when the work force is to be increased.

Section 6. Notice of Layoff. The Director of Public Safety shall give written notice on behalf of the Township to the Employee and the Association on any proposed layoff. Such notice shall

state the reasons therefore, and shall be submitted at least two (2) weeks before the effective date thereof.

#### **ARTICLE 5 - NO STRIKE/NO LOCKOUT**

- (a) It is the intent of the parties to this Agreement that the grievance procedure herein shall serve as a means for the peaceable settlement of all disputes that may arise during the terms of this Agreement. Recognizing this fact, the Association agrees that during the life of this Agreement, neither the Association, its agents nor its members, will authorize, instigate, aid or engage in a work stoppage, slowdown, or a strike against the Township. The Township agrees that during the same period, there will be no lockout.
- (b) The Township reserves the sole right to discipline any Employee or Employees up to and including discharge for violation of this section. Any appeal to the grievance procedure shall be limited to the questions of whether the Employee or Employees did in fact engage in any activity prohibited by this section.

#### **ARTICLE 6 - ASSOCIATION REPRESENTATIVES**

Section 1. Association President. The Township recognizes the rights of the Association to elect an Association President and Vice President. The President or the Vice President shall be permitted a reasonable time to investigate, present, and process grievances on the premises of the Township Department without loss of time or pay during his/her regular working hours. Such time spent in handling grievances during the President's regular working hours shall be considered working hours in computing compensation if within the regular schedule of the President. Further, the Township recognizes the right of the Association to elect an Association Vice President, who in the absence of the President will have the rights afforded the Association President.

Section 2. Information. Information necessary to evaluate grievances or for collective bargaining proposals will be supplied upon request.

Section 3. Compensation for Negotiations. The Township agrees to compensate an Employee for all hours lost from his/her regular schedule while he/she is in attendance at negotiation meetings with Township representatives.

#### **ARTICLE 7 - DISCHARGE OR SUSPENSION**

Section 1. Types of Discipline. Disciplinary actions shall be with just cause to include only the following:

- (a) Written reprimands.
- (b) Suspensions.
- (c) Demotions.
- (d) Discharge.

Section 2. Disciplinary Action Procedure.

- (a) When the possibility of disciplinary action is believed to exist, the Employee shall be entitled to have his/her Association steward present at all stages of the disciplinary process. If no disciplinary action is contemplated or believed to exist, the Employee shall have no right to Association representation.
- (b) Those charges and specifications which give cause to such discipline or discharge shall be reduced in writing by the supervisor recommending the disciplinary action to the Director of Public Safety.
- (c) Such charges and specifications shall cite the specific section(s) of Departmental Rules and Regulations which the Employee is alleged to have violated, and a copy will be given to the Employee in writing.
- (d) Prior to the taking of any disciplinary action, the Director of Public Safety shall conduct a disciplinary hearing. The accused officer shall be afforded an opportunity to present any evidence in his/her defense during this hearing.

Section 3. Criminal Complaints or Charges. Whenever a criminal complaint or charge shall be brought against an Employee of the bargaining unit and such crime is an offense under state or federal law or a traffic violation involving the death or serious injury of a citizen, the following procedure shall be established for obtaining statements in connection with said complaint.

- (a) The Employee shall be given a summary of the charges against him/her.
- (b) Before the Employee is interviewed or required to make any statement, he/she shall be allowed the opportunity to obtain the advise of counsel.
- (c) Any order to make a statement shall be a written order, a violation of which would constitute grounds for disciplinary action by the Department.
- (d) The order in the statement shall be considered a private record and shall not be made available except under judicial subpoena to any other agent or agency without the consent of the Employee.
- (e) Nothing in the foregoing procedure shall limit the right of the Department to use such statement for department disciplinary purposes.

Section 4. Prior Infractions/Minor Offense. Prior to imposing any discipline on a current charge, the Director of Public Safety will not base his decision upon any minor infractions of the Township or Departmental Rules and Regulations which occurred more than two (2) years previous unless directly related to the current charge.

Section 5. Verbal Reprimands. The procedure, as outlined above, shall be applicable in all disciplinary proceedings except for verbal reprimands which are exempt from the provisions of this agreement.

Section 6. Relieving of Duty. In the event that an Employee is relieved of duty, he/she may be taken off the payroll and shall turn in his/her Department equipment. Relieved of duty may be used by the Department for awaiting the disciplinary procedure. In the event an Employee is exonerated of the charges caused in the relief of duty, he/she shall be reinstated to his/her prior position and compensated for all back wages and benefits lost during the period of relief from duty.

Section 7. Internal Investigation/Reassignment. The Department may, at its discretion, reassign an officer to another position within the Department instead of taking one of the actions described above until the investigation is complete.

Section 8. Benefits Incurred During Suspension. If an Employee is suspended by disciplinary action, he/she shall receive all other benefits accrued.

Section 9. Prior Infractions/Serious Offense. When imposing discipline on a current charge involving a more serious offense, the Township may base its decision on other prior serious infractions regardless of the period of infractions.

## **ARTICLE 8 - GRIEVANCES**

Section 1. Purpose. The purpose of this grievance procedure is to establish an effective mechanism for the fair, expeditious and orderly adjustment of grievances.

Section 2. Informal Resolution. The informal resolution of differences or grievances is urged and encouraged to be resolved at the lowest possible level of supervision.

Section 3. Timely Action. The Township shall consider promptly all grievances presented and shall take such timely action as is required.

Section 4. Grievances Defined. The term "grievance" shall mean any dispute between the Township and the Association or between the Township and the Employee or Employees covered under this Agreement arising out of the interpretation, application or administration of a specific article or section of this contract. Each grievance shall set forth facts pertaining to the alleged violation of any pertinent section of this contract which is alleged to have been violated.

Section 5. Grievance Procedure.

Step One. Grievance Procedure. An Employee who has a grievance shall discuss the complaint with the Director of Public Safety, or his designated representative, with or without the presence of his/her steward. The parties shall discuss the complaint in a fair manner and shall make every effort to reach a satisfactory agreement at this point. The Employee shall have the right to discuss the complaint with his/her Association steward

before any discussion takes place with the Director of Public Safety or his designated representative. The Director of Public Safety shall make arrangements for the Employee to be off his/her job for a reasonable period of time in order to discuss the complaint with the Association steward.

Step Two. Grievance Procedure. If the matter is not satisfactorily settled by such a discussion, the aggrieved Employee shall report such grievance to his/her steward as soon as possible, but in any case, within seven (7) working days of the event giving rise to the grievance or within seven (7) working days of when he/she should have reasonably known of the event. The written grievance shall be prepared in detail and shall contain the following information:

- (a) Employees involved in the grievance.
- (b) The nature of the grievance complaint.
- (c) Specifications of contract article violated.
- (d) Date of grievance.
- (e) Relief being sought by the Union.

The steward shall then discuss the grievance with the Director of Public Safety or his designated representative in an attempt to resolve the grievance. This discussion shall be had within seven (7) working days of receipt of the grievance by the steward and a decision in writing must be rendered by the Director of Public Safety or his designated representative within seven (7) working days with a copy of said decision going to the Employee and the steward.

Step Three. Grievance Procedure. If the grievance is not satisfactorily settled in Step Two after meeting with the Director of Public Safety, the Association has the right to appeal, in writing, to the Township Supervisor. The representative of the Association shall meet with the Township Supervisor and/or his designated representative within seven (7) working days of presentation of the appeal. The Township Supervisor's answer, in writing, shall be filed within seven (7) working days after the meeting.

Step Four. Grievance Procedure. If the answer of the Township Supervisor is unsatisfactory to both the Union and the employee, the grievance may be submitted to a mutually-agreeable arbitrator within thirty (30) days from the Step 4 answer. If the parties are unable to agree to an arbitrator within ten (10) days thereafter, the arbitrator shall be selected by blind draw from among the panel set forth below. Multiple grievances may not be submitted to the same arbitrator at the same time unless otherwise by mutual agreement.

The arbitrator on the panel shall be:

Mario Chiesa  
Mark Glazer  
Pat McDonald

Section 6. Cost of the Arbitrator. If a grievance is submitted to an arbitrator by the Association, under Step Four, the fees and expenses of such arbitration, including transcripts and stenographic services, shall be shared equally by the parties. Each party shall make arrangements to pay for the expenses of its own witnesses and exhibits.

Section 7. Power of the Arbitrator. The arbitrator shall have no power to add to or subtract from or modify any of the terms of this Agreement, nor shall he/she substitute his/her discretion for that of the Township or the Association where such discretion has been retained by the Township or the Association, nor shall he/she exercise any responsibility or function of the Township or Association.

Section 8. Time Limitations. All appeals under this section must be made in writing within seven (7) working days after the decision has been made and communicated to the Employee/Township. If no appeal is taken within the time limit, the Employee and/or the Association shall be deemed to have accepted the decision. Conversely, if an answer in writing is not presented to the Association representative, where required, within the prescribed time limit, the matter shall be automatically referred to the next step. Time may be extended by mutual agreement of both parties.

Section 9. Grievance Form. The Association shall furnish grievance forms. This form shall be used in filing a grievance. One copy of the form shall be the property of the Employee filing the grievance. When filing a grievance, the Association and/or the Employee will be required to submit all available information at each step of the grievance procedure. In the case of a class action grievance, the grievance shall designate the members of the class.

**ARTICLE 9 - COMPENSATION**

Section 1. Wages. Effective the beginning of the pay period on or after the following dates, wage rates for the term of this Agreement shall be as follows:

	<u>1/1/07</u>	<u>1/1/08</u>	<u>1/1/09</u>
<u>Sergeant</u>			
Start (i.e., probationary)	\$57,289	\$59,007	\$60,777
After one (1) year	\$60,538	\$62,354	\$64,225
<u>Lieutenant</u>			
Starting (i.e., probationary)	\$61,903	\$63,760	\$65,673
After one (1) year	\$63,444	\$65,347	\$67,307

Section 2. Starting Rate on Return from Military Service. Any Employee who leaves or has left the Township's service to enter the active service of the armed forces of the United States and is subsequently reinstated into a position previously held by him/her shall be entitled to receive compensation at the step rate at which he/she entered military service, except he/she shall be entitled to receive all compensation increases granted at that step and grade during his/her period of military service.

Section 3. Continuous Service. Service requirements for advancement within the compensation schedule and for other purposes as specified, shall include the requirements of continuous service, which means employment in the Township Police Department service without break or interruption. Leaves of absence with pay, and authorized leaves of absence of thirty (30) days or less without pay, shall not interrupt continuous service nor be deducted therefrom. Authorized leaves of absence without pay in excess of thirty (30) days shall be deducted in computing total service, but shall not serve to interrupt continuous service. All absences without leave in excess of two work days shall not count towards service time and shall be deducted from the total service such Employee had prior to such absence without leave.

Section 4. Longevity. For those in bargaining unit prior to January 1, 1997, longevity shall be frozen at the dollar differential in effect on December 31, 2000. For those coming into the bargaining unit after January 1, 1997, longevity shall continue to be \$750 after five (5) years of continuous employment, \$1,500 after ten (10) years of continuous employment, and a fifteen (15) year step at \$1,900 after fifteen (15) years of continuous employment shall be added.

Section 5. Pay Periods. Employees shall be paid bi-weekly. Each Employee shall be provided with an itemized statement of his/her earnings and of all deductions made for any purpose upon the request of such Employee or of an Association representative.

Section 6. Work Schedule. Employees shall be scheduled by the Director of Public Safety. Employees' schedule shall not be done in a capricious or arbitrary manner. The Director of Public Safety will consider an Employee's shift request, based on the Employee's specific need, when preparing shift changes. Personnel shall be permitted to bid for shifts six months in a twelve month period. All final shift assignments shall be left, however, to the discretion of the Director of Public Safety. All shift assignments will be posted fifteen (15) days before the effective date of the schedule.

Section 7. Overtime. Hours worked in excess of eight (8) hours per day shall be considered overtime. Overtime will be compensated at the rate of time and one-half (1-1/2) regular pay.

Section 8. Holiday Compensation. All Employees working scheduled shift shall be paid a sum equal to twelve (12) days straight-time pay on the first pay day in December. Employees shall have holiday pay prorated based on the holiday pay divided by the months of service, when assigned on a scheduled shift. Holidays for non-shift personnel shall be the same as established for general Township Employees.

An employee who works on the following six holidays (i.e., Christmas Eve Day, Christmas Day, New Year's Eve Day, New Year's Day, Thanksgiving Day and Fourth of July) will receive pay calculated at time and one-half the employee's regular straight-time rate for all hours worked on that day when the majority of the hours to be worked on the scheduled shift fall on the actual calendar holiday (e.g., for a 7:00 p.m. to 3:00 a.m. scheduled shift, the time and one-half premium will not be paid for the shift which starts at 7:00 p.m. on July 3rd, but will be paid for the shift that starts at 7:00 p.m. on July 4th). While there is no compounding or pyramiding of premium pay, an employee who works overtime on a holiday shift will receive two times his/her regular straight-time rate for said overtime hours.

Section 9. Vacation Leave. Each Sergeant and Lieutenant will earn vacation at the rate of one (1) day per month for the first sixty (60) months of employment, and one and one-half (1-1/2) days per month thereafter. One (1) additional day of vacation will be granted after completion of ten (10) years or more of continuous service in the previous calendar year (to a maximum of nineteen (19) days). Two (2) additional days of vacation after the completion of fifteen (15) or more years of continuous service in the previous calendar year (to a maximum of twenty-one (21) days). To earn a vacation day in a month, an Employee must work at least ten (10) days in the month. For purposes of this provision, paid vacation days, paid personal days, and paid funeral leave days, paid sick days, and paid compensatory days shall also be counted as days worked. Vacation leave days to be granted within each calendar year will be credited on January 1 of that year. A year-to-date record shall be reflected on each paycheck.

- (a) Employees are encouraged to use vacation time during the calendar year in which it is earned. However, in no event will an Employee be allowed to accumulate more than twenty-five (25) vacation days at any one time.
- (b) Absence on account of sickness, off-the-job injury, or disability in excess of that hereinafter authorized for such purposes may, at the request of the Employee and at the discretion of the Township, be charged against the vacation leave allowance.
- (c) If an Employee becomes ill or is injured while on vacation leave, upon request of the Employee and at the discretion of the Township (which may require proof of illness or injury), the vacation days may be converted and charged to any sick day accumulation.
- (d) Employees shall not use vacation days in less than five (5) day increments. The only exception to this shall be where employees have less than five (5) remaining vacation days. In this instance, the entire remaining vacation days must be taken, except when authorized by the Director of Public Safety.
- (e) Employees will be given preference according to bargaining unit seniority in selecting one (1) summer and one (1) winter vacation for up to fifteen (15) days for each vacation. All requests for an additional summer/winter vacation/s shall be assigned only after all other department employees have been given preference by department seniority for their first vacation selection.

Section 10. Sick Leave. Employees shall accrue sick leave days at the rate of one (1) day per month. To accrue a sick day in a month, an Employee must work at least ten (10) days in the month. For purposes of this provision, paid vacation days, paid personal days, and paid funeral leave days, paid sick days, and paid compensatory time days shall also be counted as days worked. Any sick days granted above the maximum of ninety (90) days shall be converted to pay at the rate of one half (1/2) day for one (1) sick day. Upon termination, unused earned sick days shall be converted to pay at the rate of one-half (1/2) day for one (1) sick day. The Director of Public Safety shall be responsible for reviewing and approving Employee sick leave. All sick leave time is earned and allocated on January 1st of each year for time accrued in the previous year. A year-to-date record shall be reflected on each paycheck. Pay for sick days earned above

the maximum of ninety (90) days will be paid the second pay period of February of each year based on the employee's rate in effect on December 31st of the previous year.

- (a) Employees are required to give daily notification, or other appropriate notice, to the Department of the necessity for taking sick leave. Notification must be given before the hour to report for work. The Township may refuse to allow paid sick leave where there is insufficient evidence, as provided in (b) below, to support the Employee's claim, or where the Employee has not given reasonable notice, as above.
- (b) A doctor's report may be required and must be submitted by the Employee if the Employee is absent three (3) days or more and the Township deems it necessary. In the event the request for a doctor's report is made and the Employee does not furnish said document, sick leave pay will be denied. Action will not be taken arbitrarily or capriciously.
- (c) An Employee will be required to submit a report from a doctor following a prolonged illness or injury of five (5) days or more indicating that he/she is physically able to return to work without limitations or restrictions.
- (d) A non-shift Employee using paid sick leave during a period that includes a designated holiday will be paid for such holiday in lieu of sick pay.
- (e) No Employee may draw sick leave in excess of scheduled work days.
- (f) Accumulated sick leave credits will be paid for each day of sickness at the Employee's regular straight time rate of eight (8) hours.
- (g) An Employee who becomes ill while on vacation will be required to provide proof, by physician's statement, of the illness. If the Employee desires, the vacation leave may be converted to sick leave, after approval from the Township.
- (h) Employees are urged to make doctor and dental appointments on weekends and after work hours. When it is necessary to make such appointments during the regular work day, they must be approved in advance by the Employee's supervisor. Time off for an appointment will be reported on the time sheet for the pay period in which it occurred. Sick leave for this purpose will be charged in four (4) hour increments.
- (I) Employees who have exhausted their accumulated sick leave and do not report for work shall be terminated from their employment with the Township as provided in Article 4, Section 3 (c).
- (j) Maternity leave shall be treated in accordance with the applicable sick leave and prolonged illness leave sections of this contract and appropriate state and federal laws.

Section 11. Duty Disability Leave.

- (a) A duty disability leave shall mean a leave required as a result of the Employee incurring a compensable illness or injury while in the employment of the Township covered by the Michigan Workmen's Compensation Act.
- (b) In order to be eligible for duty disability leave, an Employee shall immediately report any illness or injury, however minor, to his/her immediate supervisor and take such first aid or treatment as may be recommended.
- (c) Employees on duty disability leave shall not accrue vacation/sick leave, or personal days.
- (d) Permanent or probationary Employees who are unable to work as a result of an injury or illness sustained in the course of employment with the Township shall receive duty disability pay as follows.
  - (1) The Township shall, for a period not to exceed one (1) year from the date of injury, supplement without charge to sick leave or vacation, the difference between workmen's compensation and the Employee's regular rate of pay, excluding any overtime or premium pay.
  - (2) After one (1) year of duty disability leave, if the Employee has sufficient accrued leave, he/she will receive a payroll check for the difference between the workmen's compensation check and his/her normal biweekly payroll check to the extent of his/her accrued sick leave, leave bank days and compensatory time.
- (e) An Employee who is being treated for duty disability injury may be treated for such injury during regular working hours and will be compensated at his/her regular rate of pay. He/she shall report promptly to work once the appointment is completed.
- (f) Employees shall not be entitled to more than one (1) one year duty disability leave arising out of the same injury or illness, or any recurrence of an injury or illness for which the Employee has already received benefit under the provisions of this section.
- (g) The Township shall be permitted to employ part-time officers when an Employee is on duty disability after thirty (30) days. Such part-time employment shall terminate upon the Employee returning to full duty.

Section 12. Prolonged Illness Leave. Granted by action of the Township Board, a prolonged illness leave is an UNPAID leave granted to an ill or injured Employee. This leave may be granted to an Employee who has otherwise used all accumulated vacation and sick leave, but who will hopefully return to work upon recovery from the illness or injury involved. The Township Board may grant a prolonged illness leave for up to six (6) months.

- (a) During this period the Employee shall retain the position and job classification attained prior to the leave.

- (b) Should an Employee not return to work in accordance with the approved leave schedule or apply for and be granted a prolonged illness leave extension, he/she will be considered a voluntary quit according to Article 4, Section 3(c).
- (c) If the Employee requests an extension of the prolonged illness leave beyond the initial leave granted, the Township Board may authorize a thirty (30) day extension. This extension will be at the discretion of the Township Board. The Employee must provide a physician's statement indicating the medical need for the additional time where circumstances require a longer than expected convalescence.
- (d) During the first six (6) months of a prolonged illness leave, hospitalization, life, and dental insurance will remain in effect with premiums paid by the employer. Any other benefits (where permitted by the carrier) may be continued at the expense of the Employee. During an extended prolonged illness leave, if granted in (c) above, all benefits may be continued (where permitted by carrier) at the expense of the Employee.

Section 13. Funeral Leave. An Employee will be granted a maximum of five (5) leave days with pay, between the date of death and the day following the funeral, due to death in the immediate family. Immediate family shall be defined to include parents, parents of current spouse, spouse, children, brothers, sisters, sisters-in-law, brothers-in-law, grandparents or grandchildren, stepchildren of a current spouse or other relatives living in an Employee's home. These days shall not be deductible from accumulated sick time. Section 2. In accordance with the Family and Medical Leave Act (FMLA) of 1993, a FMLA leave will be granted for one or more of the following:

- a. Because of the birth of a son or daughter of the Employee, and in order to care for such son or daughter;

This twelve (12) month period is measured back from the date a requested leave is to begin. Continuation of medical and dental benefits and the right to job restoration under the FMLA ceases when an Employee has used twelve (12) workweeks of FMLA leave in the twelve (12) month period.

If either the Employee or employer designates paid leave as Family and Medical Leave after leave has begun (e.g., when an Employee requests an extension of a paid leave with unpaid Family and Medical Leave), the entire or some portion of the paid leave may be retroactively counted as Family and Medical Leave, to the extent that the leave period qualified as Family and Medical Leave.

This shall serve to confirm our understanding between the Union and the Employer relative to the following two subjects:

1. Compensatory Time - On a trial basis, forty (40) hours compensatory time may be accumulated.

Compensatory time may be used only if adequate personnel is on duty and it will not diminish the Township's ability to provide proper law enforcement services.

The use of compensatory time shall not be considered or used if it will cause the payment of overtime.

The denial of the use of compensatory time will not cause or result in lowering of morale of the requesting employee or department. Compensatory time denial shall not cause or result in a negative effect on personnel, union employer relations, or the delivery of public safety services to the people of/in Pittsfield Township. Example: officer is working and goes to court for 2 or 3 hours, returns to station, a full shift is working, and the officer would like to take the rest of the day off.

Compensatory time shall not be carried beyond December 31 of the year in which it was earned. Accumulated hours not used at the end of the year will be paid at wage rate earned.

2. Detective Bureau - The Township will provide Bargaining Unit members, while assigned to the Detective Bureau, with replacement or repair of shoes and pants.

**Re: Captain John W. Phillips**

The Pittsfield Lieutenants and Sergeants Association and the Charter Township of Pittsfield understands and agrees that Captain John Phillips was a long standing member of the Pittsfield Township Sergeants Association, now known as the Pittsfield Township Lieutenants and Sergeants Association, and that:

John Phillips held the rank of Sergeant, which was the highest ranking position in the bargaining unit. On October 16, 1989, then Sgt. Phillips was promoted to the rank of Police Captain within the Pittsfield Township Police Department, and that:

On February 25, 1997, the rank of Police Lieutenant was established within the Pittsfield Police Department. Now the highest ranking position in the bargaining unit is Lieutenant.

Should Captain Phillips wish to return to the Lieutenants and Sergeants Association Bargaining Unit, or the Township does not wish to retain John Phillips in the Captain position, he shall be returned to the Lieutenants and Sergeants Association Bargaining Unit with the rank of Lieutenant.

Further, should Captain John Phillips return to the Bargaining Unit, it is agreed that, in this instance, and this instance only, another Lieutenant would not be bumped down. Except for John Phillips, all other returns to previously held rank shall be subject to the bumping process pursuant to Article 3 Management Rights of the Collective Bargaining Agreement and the Township right to determine the size of its work force.

**Re: Pittsfield Retiree Health**

The following shall clarify the Township policy regarding retiree health.

An eligible employee who retires prior to age 65 and his/her then current spouse, will be continued in the HMO or Community Blue PPO he/she is enrolled in at the time of retirement under the terms and conditions that apply for active employees at the time of retirement.

When the retiree becomes age 65, the retiree must apply for Medicare Coverage (Parts A and B) and pay the applicable premium. The retiree will then be enrolled in a supplemental plan currently referred to as Blue Traditional Supplemental Coverage (Blue Cross Option 2 and Blue Shield Option 1). The Employer will pay the premium to provide said supplemental coverage for the employee and his/her spouse at the time of retirement.

The prescription drug benefit level for a retiree shall not exceed the prescription drug benefit level for active employees.
