PURPOSE AND INTENT

The Lenawee County Board of Commissioners, the Sheriff of Lenawee County, and the Police Officers Association of Michigan (POAM) recognize their moral and legal responsibilities under Federal, State, and local laws.

The Employers and the Union recognize the moral principles involved in the area of civil rights, fair employment practices, and affirmative action and have reaffirmed in their collective bargaining Agreement their commitment not to discriminate because of race, creed, color, sex, age, or national origin.

AGREEMENT

THIS AGREEMENT is made and entered into this 1st day of January, 2004, by and between the OFFICE OF THE SHERIFF OF LENAWEЕ COUNTY and the LENAWEЕ COUNTY BOARD OF COMMISSIONERS, hereinafter referred to as the "Employer," and the POLICE OFFICERS ASSOCIATION OF MICHIGAN (POAM), hereinafter referred to as the "Union".

RECOGNITION

Section 1.0 Collective Bargaining Unit. The Employer hereby recognizes the Union, for the duration of this Agreement as the exclusive representative for purposes of collective bargaining with respect to the rates of pay, wages, hours of employment, and other conditions of employment of the following described collective bargaining unit:

All full time uniformed Detectives, Road Patrol Corporals, Deputies and Clerk-Dispatchers, Correctional Officers, Dog Law Officers, Intake Officers, Clerk Typists, and Account Clerks of the Office of the Sheriff of Lenawee County, BUT EXCLUDING the Sheriff, the Undersheriff, Lieutenants, Sergeants, Cooks, confidential, part-time, temporary, and seasonal employees, and all other employees of the Employer.

Section 1.1 Extra Contract Agreements. The Employer agrees not to enter into any Agreement with another labor organization during the life of this Agreement with respect to the employees covered by this Agreement or any Agreement or contract with the said employees, individually or collectively, which in any way conflicts with the terms or provisions of this Agreement.

REPRESENTATION

Section 2.0 Collective Bargaining Committee. The Employer agrees to recognize not more than three (3) nonprobationary employees covered by this Agreement as a Collective Bargaining Committee. Members of the Collective Bargaining Committee shall act in a representative capacity for the purpose of collective bargaining negotiations with the Employer. No more than one (1) employee on the Collective Bargaining Committee shall be compensated at his straight time regular rate of pay for time lost from work during such negotiation sessions. The Union shall, in advance, furnish the Employer in writing with the names of its Collective Bargaining Committee members.

Section 2.1 Stewards.

- (a) The Employer agrees to recognize three (3) Stewards and three (3) alternate Stewards, each of whom shall have one (1) years' seniority, to act as grievance representatives within their designated areas of responsibility under this Agreement. There shall be one (1) such

Steward elected or designated by the Union from employees working in each of the following areas: Road Patrol and Detectives, Corrections, Clerical and Dispatch. It shall be the function of such individuals to act in a representative capacity for the purpose of processing and investigating grievances under this Agreement. Stewards shall have no responsibilities outside of their designated areas.

- (b) Further, the Employer recognizes the right of the Union to select or designate one (1) additional nonprobationary employee to serve as Chief Steward. The Chief Steward's function under the Grievance Procedure set forth in this Agreement shall be limited to the presentation of grievances at Step 3 of the Grievance Procedure, unless both the Steward and alternate Steward for an area is absent. There shall also be an alternate for the Chief Steward who will also be a nonprobationary employee.
- (c) The Union agrees that all Stewards and their alternates will continue to fulfill their regularly assigned duties and their responsibilities as a Steward will not be used to avoid those duties. Stewards shall act in a manner that will not disrupt nor interfere with the normal functions of the Employer. If it is necessary for a Steward to temporarily leave his assignment to process a grievance, he shall first obtain permission from his immediate supervisor. If a Steward is on road patrol, he shall schedule his duties so that it will not require him to return to the Employer's facilities for the sole purpose of those representative duties, except in instances of discharge and disciplinary suspensions; provided, however, in no case shall a Steward's return to the Employer's facilities be permitted during an emergency or a critical situation.
- (d) The Employer agrees to compensate Stewards and their alternates at their straight time regular rate of pay for all reasonable time lost from their regularly scheduled working hours while processing a grievance in accordance with the Grievance Procedure. If a Steward or his alternate abuses the privileges extended herein, the Employer will inform the Steward or alternate involved of that fact, and, if the abuse is not corrected, the privileges will be withdrawn.
- (e) The Union shall notify the Employer of the names of the three (3) Stewards, their alternates, and the name of the Chief Steward, as well as the designated area of responsibility of each. Only persons so designated shall be recognized by the Employer as Stewards and alternates, and their rights and duties shall be limited to their designated area of responsibility.

Section 2.2 Visitation. Authorized representatives of the Union shall be permitted to visit the operation of the Employer during working hours to talk with the Steward of the Local Union and/or representatives of the Employer concerning matters covered by this Agreement, provided that such representatives shall have notified the Employer prior to such visits, and provided such visits do not interfere with or disrupt normal operations of the Employer.

UNION SECURITY

Section 3.0 Agency Shop. As a condition of continued employment, all employees included in the collective bargaining unit set forth in Section 1.0, 31 days after the start of their employment with the Employer or the effective date of this Agreement, whichever is later, shall either become members of the Union and pay to the Union the dues and initiation fees uniformly required of all Union members or pay to the Union a service fee equivalent to the periodic dues uniformly required of Union members.

Section 3.1 Union Membership. Membership in the Union is not compulsory and is a matter separate, distinct, and apart from an employee's obligation to share equally the costs of administering and negotiating this Agreement. All employees have the right to join, not join, maintain, or drop their membership in the Union as they see fit. The Union recognizes, however, that it is required under this Agreement to represent all employees included within the bargaining unit without regard to whether or not the employee is a member of the Union.

Section 3.2 Payroll Deduction for Union Dues.

- (a) During the life of this Agreement, the Employer agrees to deduct Union membership dues and initiation fees or a service fee equivalent to the periodic dues uniformly required of Union members and uniformly levied in accordance with the Constitution and the Bylaws of the Union from each employee covered by this Agreement who executes and files with the Employer a proper check off authorization form.
- (b) Individual authorization forms shall be furnished or approved by the Union and, when executed, filed by it with the County Clerk's office.
- (c) Deductions shall be made only in accordance with the provisions of the written checkoff authorization form, together with the provisions of this Section.
- (d) A properly executed copy of the written checkoff authorization form for each employee for whom Union membership dues and initiation fees or the service fee equivalents are to be deducted hereunder shall be delivered to the Employer before any payroll deductions are made. Deductions shall be made thereafter only under the written checkoff authorization forms which have been properly executed and are in effect. Any authorization form which lacks the employee's signature will be returned to the Union by the Employer.
- (e) All authorizations filed with the County Clerk's office prior to the fifteenth of the month shall become effective the following month, provided the employee has sufficient net earnings to cover the dues, initiation fees or service fee equivalent to periodic monthly dues, whichever is applicable. An authorization filed thereafter shall become effective with the first pay check following the filing of the authorization. Deductions for any calendar month shall be remitted to the Secretary-Treasurer of the Union not later than the

fifteenth day of each month.

- (f) In cases in which a deduction is made which duplicates a payment already made to the Union or where a deduction is not in conformity with the Union's Constitution and Bylaws, refunds to the employee will be made by the Union.
- (g) The Union shall notify the County Clerk in writing of the proper amount of Union membership dues, initiation fees and the service fee equivalent to periodic dues and any subsequent changes in the amounts. The County agrees to furnish the Secretary-Treasurer of the Union with a monthly record of those employees for whom deductions have been made, together with the amount deducted.
- (h) If a dispute arises as to whether or not an employee has properly executed or properly revoked a written checkoff authorization form, no further deductions will be made until the matter is resolved.
- (i) The Employer shall not be responsible for dues, initiation fees or the service fee equivalent to periodic dues after an employee's employment relationship with the Employer has been terminated.
- (j) The Employer shall not be liable to the Union or its members for any dues, initiation fees, or the service fees equivalent to periodic dues once such sums have been remitted to the Union and, further, shall not be liable if such sums are lost when remitted by United States mail.
- (k) The Employer's sole obligation under this Section is limited to the deduction of dues and, where applicable, service fees. If the Employer fails to deduct such amounts as required by this Section, its failure to do so will not result in any financial obligation whatsoever.

Section 3.3 Hold Harmless. The Union agrees to indemnify and save the Employer harmless against any and all claims, demands, suites, or other forms of liability arising out of the deduction of dues, initiation fees, or the service fee equivalent to periodic dues provided herein or by reason of action taken by the Employer pursuant to Sections 3.0 and 3.2.

MANAGEMENT RESPONSIBILITY

Section 4.0 Employers' Rights. It is hereby agreed that the customary and usual rights, powers, functions, and authority of management are vested in the Office of the Sheriff of Lenawee County and the Lenawee County Board of Commissioners. These rights include, but are not limited to, those provided by statute or law along with the right to adopt, modify, or alter its budget; to direct, hire, promote, layoff, transfer, assign, and retain employees in positions within the Office of the Sheriff of Lenawee County; and also to suspend, investigate, demote, discharge, or take such other disciplinary action for just cause which is necessary to maintain the efficient administration

of the County. It is also agreed that the Sheriff has the right to determine the method, means, and personnel, employees or otherwise, by which the business of the Office of the Sheriff of Lenawee County shall be conducted and to take whatever action is necessary to carry out the duties and obligations of the County to the taxpayers thereof. The Sheriff shall also have the power to make and enforce reasonable rules and regulations relating to personnel policies, procedures, and working conditions which are consistent with the express terms of this Agreement.

GRIEVANCE AND ARBITRATION PROCEDURES

Section 5.0 Purpose of Procedure. The Employer and the Union support and subscribe to an orderly method of adjusting grievances. To this end, the Employer and the Union agree that the procedure set forth herein shall serve as the means for the peaceful settlement of all disputes that may arise between them concerning the interpretation or application of this Agreement, without any interruption or disturbances of any sort whatsoever in the normal operations of the Employer.

Section 5.1 Grievance Procedure.

- (a) Step 1. An employee who believes he has a grievance shall discuss the matter with his immediate supervisor within three (3) working days following the events which caused the grievance or within three working days following the date when he first reasonably should have known of the events giving rise to the grievance. If requested by the employee, his Steward may be present.
- (b) Step 2. If the grievance is not settled at Step 1, the aggrieved employee may appeal the decision of his immediate supervisor by reducing the grievance to writing on the appropriate grievance form and delivering the same to the Undersheriff or his designee, other than the immediate supervisor in Step 1, within five (5) working days after the discussion with his immediate supervisor in Step 1. The Undersheriff or his designee shall give a written answer to the aggrieved employee and the Steward within five (5) working days after receipt of the written grievance.
- (c) Step 3 If the grievance is not satisfactorily settled at Step 2, the employee may appeal the decision of the Undersheriff by delivery to the Sheriff within five (5) working days after receipt of the Undersheriff's answer in Step 2 of a written request for a meeting concerning the grievance. A meeting shall be held within ten (10) working days thereafter. The meeting shall be attended by the Chief Steward and representative of the Union, together with the Employer's representatives. The grievant may be allowed to present evidence at the meeting if requested by either party. Any employee who may come within the provisions of a legislative enactment entitling him to a preference in employment or which establishes a procedure whereby he may challenge the Employer's determinations regarding his employment status must elect, in writing, at this Step either the Grievance Procedure or his statutory remedy as the single means of contesting the Employer's employment determination. If such an employee fails to make an election, his grievance

shall be considered withdrawn by the Union and shall not, thereafter, be the subject of any arbitration proceeding. The Sheriff shall give his written answer to the Chief Steward within seven (7) working days following the meeting.

- (d) Step 4. Arbitration Request. If the grievance is not settled satisfactorily at Step 3, the Union may appeal the Sheriff's decision to arbitration by notifying the Sheriff in writing of its intent to arbitrate within ten (10) working days following receipt of the Sheriff's answer in Step 3. If the Sheriff fails to answer a grievance within the time limits set forth in Step 3, the Union, if it desires to seek arbitration, must notify the Sheriff in writing no later than 30 calendar days following the date the Sheriff's Step 3 answer was due. Within 30 calendar days following receipt by the Sheriff of the Union's notice of intent to arbitrate, the Union must follow the procedure set forth in Section 5.3 of this Agreement or the grievance will be deemed to have been abandoned.

Section 5.2 Time Limitations. The time limits established in the Grievance Procedure shall be followed by the parties. If the time procedure is not followed by an employee or the Union, the grievance shall be considered settled. If the time procedure is not followed by the Employer, the grievance shall remain active and automatically advance to the next Step, provided, however, that arbitration shall not occur unless the Union submits written notice of its desire to arbitrate. The time limits established herein may be extended by mutual agreement in writing. In computing working days under the Grievance and Arbitration Procedures, Saturday, Sunday and recognized holidays shall be excluded.

Section 5.3 Selection of Arbitrator. If a timely request for arbitration is filed by the Union on a grievance, the parties shall promptly select by mutual agreement one (1) arbitrator who shall decide the matter. If no agreement is reached, the arbitrator shall be selected from a panel of seven (7) arbitrators obtained from the Federal Mediation and Conciliation Service. The fees and services of the arbitrator shall be shared equally by the Union and the Employer, but each party shall bear the cost of its own expenses and witnesses.

Section 5.4 Arbitrator's Powers

- (a) The arbitrator's powers shall be limited to the application and interpretation of this Agreement as written. He shall at all times be governed wholly by the terms of this Agreement. The arbitrator shall have no power or authority to amend, alter, or modify this Agreement either directly or indirectly. If the issue of arbitrability is raised, the arbitrator shall only decide the merits of the grievance if arbitrability is affirmatively decided. It is the intent of the parties that arbitration shall only be used during the life of this Agreement to resolve disputes which arise concerning the express provisions of this Agreement. The arbitration award shall not be retroactive earlier than eight (8) days prior to when the grievance was first submitted in writing. Further, no claim for back wages under this Agreement shall exceed the earnings that the employee would have otherwise earned by working for the Employer, less any and all compensation, including unemployment

compensation, the employee received from any interim employment.

- (b) Absent fraud, undue influence, corruption, conflict of interest, or the exercise of jurisdiction in excess of the jurisdiction conferred upon the arbitrator by this Agreement, the arbitrator's decision shall be final and binding upon the Employer, the Union, and employees in the bargaining unit. Any legal action by the Union to compel arbitration of a grievance or to set aside or confirm an arbitration award must be commenced in a court of competent jurisdiction no later than six (6) months following the date of the Employer's refusal to engage in arbitration of the grievance or no later than six (6) months following the date when the arbitration award was issued, whichever is applicable. Any legal action brought by the Employer to enjoin arbitration or to set aside or confirm an arbitration award must be commenced in a court of competent jurisdiction no later than six (6) months following the date of Union's written notice to the Employer under Section 5.1 (d) that it intends to seek arbitration of a grievance or no later than six (6) months following the date that the arbitration award was issued, whichever is applicable.

DISCIPLINE

Section 6.0 Just Cause. The Employer will not discharge or discipline a nonprobationary employee without just cause. When disciplinary action, suspension, or termination becomes necessary, the principles of corrective discipline and progressive punishment shall be followed. In the event a nonprobationary employee is discharged or receives a disciplinary layoff or written warning notice, he may, within five (5) working days after the notice of the disciplinary action has been given him, cause to be filed a written grievance signed by him complaining of the discipline and the grievance shall commence at Step 3 of the Grievance Procedure; otherwise, the discipline shall not be the subject of a grievance. A warning notice shall not remain in effect for disciplinary purposes for a period of more than 12 months from the date of said warning notice.

NO STRIKE - NO LOCKOUT

Section 7.0 No Strike Pledge. The parties to this Agreement mutually recognize that the services performed by the employees covered by this Agreement are essential to the public health, safety, and welfare. Therefore, the Union agrees that during the term of this Agreement neither it nor its officers, representatives, members, or the employees it represents, shall, for any reason whatsoever, call sanction, counsel, encourage, or engage in any strike, walkout, sympathy strike, picketing of the Employer's buildings, offices, or premises, slowdown, sit-in, or stay-away; nor shall there be any concerted failure by them to report for duty; nor shall they absent themselves from work, abstain in whole or in part, from the full, faithful, and proper performance of their duties, or any other acts that interfere in any manner or to any degree with the services of the Employer. No employee covered by this Agreement shall refuse to cross any picket line, whether established at the Employer's buildings or premises or elsewhere.

Section 7.1 No Lockout. The Employer will not lockout any employees covered by this

Agreement during the life of this Agreement.

Section 7.2 Penalty. The Union acknowledges that discharge may be an appropriate penalty for an employee who violates Section 7.0. Any appeal to the Grievance and Arbitration Procedures shall be limited to the question of whether the employee or employees did, in fact, engage in any activity prohibited by Section 7.0.

SENIORITY

Section 8.0 Seniority Definition. Seniority is defined as continuous length of service with the Office of the Sheriff of Lenawee County within the bargaining unit covered by this Agreement commencing after an employee has completed his probationary period and dating from his last date of hire. Seniority shall be used as a preference only as specified in this Agreement. Employees covered by this Agreement shall be notified, in writing, by the Employer when they have completed their probationary period.

Section 8.1 Probationary Period. All employees shall be on probation until they have accumulated 12 consecutive months of service with the Office of the Sheriff of Lenawee County. If more than seven (7) days is lost from work, other than for training purposes, an employee's probationary period shall be extended by the number of days that the employee is absent from work during his probationary period. During such probationary period, the employee may be transferred, laid off, disciplined, discharged or terminated without regard to the provisions of this Agreement, and there shall be no recourse to the Grievance or Arbitration Procedure.

Section 8.2 Seniority List. An up-to-date seniority list shall be furnished to the Union Steward every six (6) months. Employees hired on the same date shall be listed on the seniority list in alphabetical order of surnames.

Section 8.3 Super-Seniority. During the period he holds such office, the Chief Steward shall be granted super-seniority for purposes of layoff and recall only, providing he has the ability and qualifications to perform the remaining required work.

Section 8.4 Nonbargaining Unit Seniority. An employee in a classification covered by this Agreement, who had been in the past or will in the future be promoted outside the bargaining unit, and is thereafter transferred or demoted to a classification covered by this Agreement shall not accumulate seniority while working in a supervisory position beyond six (6) months from the date of promotion. The employee who is so transferred or demoted shall commence work in a job generally similar to the one he held at the time of his promotion, and he shall maintain the seniority rank he had at the time of his promotion, plus up to six (6) additional months' seniority as set forth above.

Section 8.5 Loss of Seniority. An employee shall lose his seniority and the employment relationship shall end for any of the following reasons:

- (a) If he quits;
- (b) If he retires or is retired;
- (c) If he is discharged and not reinstated;
- (d) If he fails to report for work at the start of his shift on the third consecutive day of absence, unless otherwise excused by the Employer;
- (e) If he fails to return to work within six (6) working days after receipt of a certified mail notice of recall from a layoff, unless otherwise excused by the Employer;
- (f) If he fails to return to work at the expiration of a leave of absence, unless otherwise excused by the Employer;
- (g) It is the intention of subsections (d), (e), and (f) that should some unforeseen circumstances beyond the employee's control or a disaster occurs which would prevent notification or return to work, this may be considered an excuse;
- (h) If he knowingly makes a false statement on his application for employment or on an application for leave of absence or on any other official document, provided, however, that after two (2) years from the date of said application for employment this provision shall be void as to said application for employment only;
- (i) If he has been on a layoff or sick leave of absence status for a period of time equal to his seniority at the time his layoff or sick leave commenced or 24 months, whichever is less;
- (j) If he fails to return to work at the specified time upon expiration of a vacation, recall from layoff, or disciplinary suspension, unless otherwise excused by the Employer;
- (k) If he is convicted of a felony.

Section 8.6 Temporary Transfers. The Employer may temporarily assign an employee to perform other than his regular duties. Whenever an employee is temporarily transferred, he shall receive his straight time regular hourly rate of pay. If the classification to which the employee is transferred has a straight time hourly rate of pay at any Step which is greater than the employee's current straight time hourly rate, he shall be placed at the earliest Step for that classification which will result in a pay increase, provided the employee performs such other work for at least two (2) full uninterrupted and continuous hours. The temporary assignments to a higher pay classification shall be made on the basis of the needs of the Office of the Sheriff of Lenawee County, the employee's seniority, and his qualifications.

Section 8.7 Seniority and Benefit Accumulation. An employee shall retain and continue to

accumulate seniority while on all approved leaves of absence unless otherwise specifically provided in one of the Leave of Absence Sections of this Agreement. Benefits such as insurance, vacation, and paid leave shall not accrue, continue, or be paid during any leave of absence in excess of 30 calendar days unless otherwise specifically provided for in this Agreement or required by law.

LAYOFF AND RECALL

Section 9.0 Layoffs. When the work force is reduced, the first employees to be laid off from the bargaining unit covered by this Agreement, within the classifications affected and in the order stated, shall be: temporary; seasonal; part-time; probationary. Thereafter, the first employees to be laid off in the affected classification shall be those employees with the least amount of seniority in such classification, provided, however, the senior employee retained has the present qualifications and ability to efficiently perform the remaining required work. A nonprobationary employee laid off from his classification may exercise his seniority with the Office of the Sheriff of Lenawee County to displace an employee with less seniority with the Office of the Sheriff of Lenawee County in a lower-rated classification, provided the employee exercising this right has the present qualifications and ability to efficiently perform the work required and, provided further, the senior employee exercising this displacement right will be paid the salary of the lower-rated classification at the same progression Step he currently holds.

Section 9.1 Recall. In the event the work force is increased, recall to work shall be in the reverse order of the layoff from the classifications affected.

Section 9.2 Notification of Layoff. The Employer will attempt to give at least two (2) weeks' advance notice of layoffs to affected employees, except in the circumstances where such two (2) weeks' notice is not reasonably possible.

PROMOTIONAL PROCEDURE

Section 10.0 Purpose of Promotional Procedure. The purpose of this Procedure is to establish a promotional system for full time, nonprobationary employees of the Office of the Sheriff of Lenawee County. The Employer shall determine the duties of all positions subject to this Procedure and, in its sole discretion, whether a vacancy does or does not exist. This Procedure shall not apply to temporary vacancies anticipated to last 90 calendar days or less or to vacancies due to an employee being on sick leave of absence, including a Worker's Compensation leave.

Section 10.1 Advancement Opportunities. Promotion means to advance from a given classification to a higher paid classification. Each employee seeking a promotional advancement must be a current member of the Office of the Sheriff of Lenawee County and meet all the eligibility rules of this Promotional Procedure.

Section 10.2 Eligibility. To be eligible for a promotional advancement, the following

requirements must be met:

- (a) Promotion to Road Patrol Sergeant: The employee must have four (4) years of law enforcement experience, be fully empowered to enforce the criminal laws of the State of Michigan, and have been continuously employed by the Office of the Sheriff of Lenawee County for at least four (4) years as a Deputy, Detective, or Road Patrol Corporal.
- (b) Promotion to Jail Sergeant: The employee must have four (4) years of law enforcement experience and have been continuously employed as a Detective, Road Patrol Corporal, Deputy or Correctional Officer within the Office of the Sheriff of Lenawee County for at least four (4) years.
- (c) Promotion to Detective: The employee must have three (3) years of law enforcement experience, be fully empowered to enforce the criminal laws of the State of Michigan, and have been continuously employed as a Deputy or Road Patrol Corporal within the Office of the Sheriff of Lenawee County for at least three (3) years.
- (d) Promotion to Road Corporal: The employee must have three (3) years of law enforcement experience, be fully empowered to enforce the criminal laws of the State of Michigan, and have been continuously employed by the Office of the Sheriff of Lenawee County as a Deputy for a period of at least three (3) years.
- (e) Promotion to the Deputy, Correctional Officer, Dog Law Officer, Clerk/Dispatcher and Intake Officer Classifications: An employee must be in a lower-rated classification from the position sought as a promotional advancement and, further, must have been continuously employed by the Office of the Sheriff of Lenawee County for a period of at least two (2) years. In addition, final appointment to any classification is also contingent upon the successful completion of the training, physical, and schooling requirements established by law.

Section 10.3 Oral Board. The Oral Board shall consist of at least one (1) Sheriff from other than Lenawee County or his designated representative, one (1) member of the Michigan State Police, and one (1) person who is not an employee of the Office of the Sheriff of Lenawee County. The results of the written examination shall not be made available to the Oral Board.

Section 10.4 Program Weight. Scores shall be based upon a written examination, performance evaluations, an Oral Board examination, and seniority within the Office of the Sheriff of Lenawee County. The weights assigned shall be as follows:

- (a) Written Examination: 40 percent (40%)

- (b) Performance Evaluation: 40 percent (40%)
- (c) Oral Board: 20 percent (20%). An applicant must score 60 percent (60%) on the written examination to take the Oral Board. An Oral Board will be held only for the positions of Road Patrol Sergeant, Jail Sergeant, Detective, Road Patrol Corporal and for Correctional Officers seeking advancement to the position of Road Patrol Deputy. All other vacancies will be determined on the basis of a written examination and performance evaluations, with performance evaluations being given a weight of 60 percent (60%).
- (d) Seniority. Individuals who attain a 60 percent (60%) score or above on the written examination will have added to their combined scores for the written examination, performance evaluation, and, when applicable, Oral Board examination a maximum of ten (10) "bonus points" based upon their length of continuous service with the Office of the Sheriff of Lenawee County. Seniority "bonus points" will be computed on the basis of one (1) point per year beginning after an employee's first year with the Office of the Sheriff of Lenawee County and continuing thereafter at the rate of an additional point for each year of continuous service with the Office of the Sheriff of Lenawee County, up to a maximum of ten (10) such "bonus points".
- (e) Road Patrol Deputy Advancement Special Provisions. Subsections (a), (b), and (d) of this Section and Section 10.5 of this Agreement shall not be applicable to promotions from the position of Correctional Officer to the position of Road Patrol Deputy. In addition to the requirements set forth in Section 10.2(e) of this Agreement, employees seeking advancement from the Correctional Officer classification to the classification of Road Patrol Deputy will be given an Oral Board examination and will be evaluated by performance evaluations. Advancement to the Road Patrol Deputy classification from the position of Correctional Officer, however, shall be upon the basis of seniority, unless the Oral Board examination and the employee's performance evaluations shows that he or she is not suited for such advancement.

Section 10.5 Scoring. In determining the total points scored by an eligible employee under this Procedure, the following scoring method shall be followed:

- (a) The number of examination points for the written examination, performance evaluation, and, if applicable, the Oral Board examination will be added together to arrive at the total number of program points available;
- (b) After the total number of available program points has been determined, the program weights set forth in Section 10.4 will each separately be multiplied by the total number of program points available to arrive at the maximum point total applicable to each portion of the Procedure;

- (c) The maximum point total applicable to each portion of the Procedure shall then be multiplied by the employee's actual score, expressed in percentage terms, for that portion of the Procedure. The resulting product will be the number of points earned by the employee for that portion of the Procedure;
- (d) The number of points actually earned by an employee for the written examination, performance evaluation, and, if applicable, the Oral Board examination will be totaled to arrive at the employee's combined score. "Seniority bonus points" shall not be added unless an employee's combined score exceeds 70 percent (70%) of the total number of program points available.

To qualify for placement on a promotional list, all applicants must achieve a combined score on the written examination, performance evaluations, and Oral Board examination of 70 percent (70%), independent of the addition of any "seniority bonus points." In addition, placement on a promotional list is further conditioned upon the successful completion of any required physical agility tests and examinations uniformly applied to all applicants. Employees subject to this Procedure may participate in whatever number of promotional opportunities their eligibility permits and, accordingly, may be on more than one (1) promotional list if they have achieved the requisite minimum score.

Section 10.6 Roster. For each classified position, a roster of selection will prevail. Initially, this means that the scores will be in consecutive order with the Employer promoting form among the top three (3) scores.

Section 10.7 Written Examination. The content of any written examination will be scaled appropriately to the level of the position being considered. Written tests will be designated at a general knowledge level or standards designated where rank and position warrant specialization. The Employer will determine where general or specialized standard testing is warranted. All written examinations, when necessary, will be designed and drafted by a professional agency. The Employer shall determine the professional agency best qualified for this testing composition. Whenever a promotional opportunity also requires specialized schooling or training, employees must first satisfy all physical and educational conditions necessary for entrance into the training or schooling program. Failure to do so will disqualify the employee from participation in the written examination and consideration for the promotional vacancy involved.

Section 10.8 Performance Evaluations. Performance evaluations will be conducted annually, or more often if necessary, by the Sheriff or his designated representative, with the last evaluation being no more than three (3) months prior to the written examination.

Section 10.9 Posting of Examination Notices. Examination notices, including the subjects to be

covered, for all competitive promotion classifications shall be posted on the bulletin boards throughout the Employer's facility for a minimum of 30 calendar days prior to the written examination date. Employees eligible to compete must submit a written letter of intent to participate to the Employer no later than fourteen (14) calendar days prior to the respective examination date. Alternative examination dates will be arranged by the Employer for employees who have submitted a timely request to participate in the promotional process but who will be on vacation or military reserve training leave at the time the examination will be given or who miss the examination because of illness supported by a physician's certificate and who submit such excuse to the Sheriff in writing no later than five (5) calendar days following the examination. All such alternative examinations will be scheduled within ten (10) calendar days following the employee's return from vacation or presentation of the written excuse to the Sheriff, whichever is appropriate.

Section 10.10 Examination Procedure. Any employee has the right to examine the results of his own performance evaluation and written examination. The documents are confidential, and they cannot be removed from the files. However, the contents of promotional documents will be made known only to the Sheriff and his designated representatives, and the employee himself and his designated representative.

Section 10.11 Probation. All employees promoted within the bargaining unit shall be deemed to be on probation from the date they are awarded the position until six (6) months after they have successfully completed any required training and schooling. During such probationary period, the Employer may demote the employee to his former classification, and all secondary transfers or promotions shall be returned to their classifications. During the period from the date he is awarded a promotion until ninety (90) days after he has successfully completed any required training or schooling, an employee may, on his own volition, request in writing to be relieved of his new classification and to be returned to his former classification. If an employee returns to his former classification at his own request, his name shall be removed from all promotion rosters until the next written examination is given and all secondary transfers and promotions shall be returned to their former classifications.

Section 10.12 Examination Period. Promotional examinations will be given whenever a vacancy exists, unless there is a current promotional roster in effect. A promotion roster shall remain in effect for a period of two (2) years from the date the eligibility roster is established or until the eligibility roster is depleted, whichever is earlier.

Section 10.13 Outside Appointment. The Sheriff may fill a vacancy subject to this Procedure from outside the bargaining unit if no employee has attained a passing score for promotion or the vacancy is unable to be filled because employees subject to this Procedure have failed to utilize the Procedure, or declined advancement. If an employee declines a promotional advancement, his name shall be removed from the promotional roster involved.

Section 10.14 Sharing of Training Costs. Employee repayment of the costs associated with State

mandated training for advancement to a new position under this Agreement shall be treated in the same manner as other educational reimbursements under subsection (c) of Section 19.11.

Section 10.15 Lateral Transfers. Nothing contained in this Promotional Procedure shall be construed as a limitation of any nature upon the Employer's right to reassign, whenever necessary in its sole discretion, by means of a permanent lateral transfer employees classified as either Sergeants or Corporals from Road Patrol to Jail duty or from Jail duty to Road Patrol, provided, however, a permanent lateral transfer shall not be used for purposes of disciplinary action.

Section 10.16 Pay Rate on Promotions. Employees promoted within the bargaining unit pursuant to the provisions of this Agreement shall be initially paid at the first Step in the salary range for the new classification which would entitle them to an increase in pay and shall advance thereafter from Step-to-Step on the pay scale in accordance with their length of service in the new classification.

LEAVES OF ABSENCE

Section 11.0 Procedure for Requesting Leaves. Unless otherwise provided by this Agreement, requests for a leave of absence must be submitted by the employee to his immediate supervisor at least 30 days in advance of the date the leave is to commence. The request for the leave of absence shall state the reason for the leave and the exact dates on which the leave is to begin and end. Authorization or denial of a leave of absence shall be furnished to the employee in writing by the Employer. Unless extended, otherwise provided by this Agreement, or a different period of time is required by law, the maximum length of a leave of absence shall be for 30 calendar days, except for educational leaves of absence which, when granted, shall be for the period of at least two (2) weeks, but no longer than the length of the full-time training programs required for the employee. Educational leaves of absence shall only be granted to allow employees to fulfill state certification requirements in corrections or law enforcement. Any request for an extension of a leave of absence must be submitted in writing to the Employer at least ten (10) days in advance of the expiration date of the original leave, stating the reasons for the extension request and the exact revised date the employee is expected to return to work. Authorization or denial of the extension request shall be furnished in writing to the employee by the Employer.

Section 11.1 Purpose of Leaves. It is understood by the parties that leaves of absence are to be used for the purpose intended, and employees shall make their intent known when applying for such leaves. There shall be no duplication or pyramiding of leave benefits or types of absence. Employees shall not accept employment while on leaves of absence unless agreed to by the Employer. Acceptance of employment or working for another employer without prior approval while on a leave of absence may result in immediate termination of employment with the Employer. Falsely setting forth the reasons for any leave or leave extension may result in disciplinary action, including discharge. All leaves of absence shall be without pay, except for educational leaves of absence, for which the employee will receive eighty (80) hours of pay and full benefits for each pay period. The provisions of other leave sections may also cause the employee to receive pay and benefits. Employees shall be required to substitute use of their

“banked” sick leave days, if any, and accrued paid leave for time off under any unpaid leave of absence mandated by law or granted pursuant to this Agreement. If such paid time off is available, the Employer will provide only enough unpaid leave to total the amount of leave mandated by law or required pursuant to this Agreement.

Section 11.2 Early Returns from Leave. There shall be no obligation on the part of the Employer to provide work prior to the expiration of any leave of absence granted under this Agreement, unless the employee gives a written notice to the Employer of his desire to return to work prior to the expiration of his leave. If such notice is given, the employee will be assigned to his position no later than one (1) week following receipt by the Employer of such notice, seniority permitting.

Section 11.3 Personal Leaves. Any employee desiring a personal leave of absence from his employment shall secure written permission from the Employer. The leave shall be without pay unless specifically stated to the contrary by the Employer. The maximum leave of absence shall be for 30 calendar days and may be extended for like periods, provided such extension is granted prior to the end of the immediately preceding period. Falsely setting forth the reasons for such leave or any extension thereof may result in disciplinary action, up to and including discharge.

Section 11.4 Paid Leave Policy All regular full time employees shall be eligible for paid leave under the following conditions:

<u>Seniority Required</u>	<u>Accrual Rate</u>	<u>Maximum Hours Pay</u>	<u>Maximum Work Days Allowed to Accrue</u>
Less than one (1) year	6% times the number of regularly scheduled hours for each two (2) week work period during which compensation has been paid by the Employer	128	16
One (1) year to five (5) years	8% times the number of regularly scheduled hours for each two (2) week period during which compensation has been paid by the Employer.	168	21
Five (5) years plus one (1) day to ten (10) years	9% times the number of regularly scheduled hours for each two (2) week period during which compensation has been paid by the Employer.	192	24
Ten (10) years plus one (1) day and up	10% times the number of regularly scheduled hours for each two (2) week period during which compensation has been paid by the Employer.	208 Effective October 11, 2002: 216	26 Effective October 11, 2002: 27

Each one (1) hour of paid leave under this Section shall equal one (1) hour of pay at an employee's straight time regular rate of pay, exclusive of all premium pay, at the time he takes such leave. Paid leave will be allowed to accumulate over the maximum accrual rate within a current calendar year. At the end of the calendar year, only the maximum accrual will be carried over to the new year. Upon separation from service, unused accumulated paid leave hours will be paid up to the maximum accrual rate.

Section 11.5 Paid Leave Administration. Paid leave under Section 11.4 may be used for vacation, sickness, personal days, or for other reasons subject to the following rules:

- (a) In order that a sufficient number of officers may be on duty to meet all ordinary

operational requirements, employees shall select and take their vacations in accordance with a plan as established by the Sheriff. In establishing such a plan, the Sheriff shall give preference to employees on the basis of their seniority. The Sheriff will attempt to arrange the vacation schedule in such a manner that each employee may take the amount of vacation which he has earned in periods of at least one (1) workweek. Requests to utilize vacation days on an individual basis must be submitted to the Sheriff or his designated representative at least five (5) days prior to the period requested. Such time off on an individual day-to-day basis will not be granted if another employee is utilizing the period requested by taking vacation time off in a "block" of one (1) workweek or if the day or days requested have previously been scheduled for use by a more senior employee on a day-by-day basis.

- (b) If paid leave is to be used for medical, optical, or dental appointments, the employee shall, whenever possible, give the Employer no less than 24 hours advance notice and receive prior approval of the Employer.
- (c) If the paid leave is to be used for sick days, requests for such a sick day should normally be made before an employee is regularly scheduled to report for duty. The employee shall inform his immediate supervisor of that fact and the reason therefor as soon as possible, and failure to do so within a reasonable period of time may be cause for denial of paid leave for the period of absence.
- (d) If the paid leave is to be sick leave, the Employer has the right to verify the reported sickness of an employee and may require a doctor's certificate for absence due to sickness. The certificate must state the nature of the sickness or injury and whether the employee has been incapacitated for work for said period of absence.
- (e) If paid leave is used as a personal day, the employee, whenever possible, will give the Employer at least one (1) day's notice.
- (f) All employees must take off at least ten (10) working days per year of paid leave. Of this minimum of ten (10) working days, there must be at least one (1) block of five (5) consecutive days off with pay.
- (g) Paid leave may also be utilized by eligible employees to supplement benefits received under the Worker's Compensation law of the State of Michigan or to supplement any Sickness and Accident Insurance benefits received pursuant to Section 15.2. In no instance, however, will an employee be permitted to receive more than an amount sufficient, when added to his statutory or insurance benefit, to bring the total benefit up to 100 percent (100%) of his normal net weekly or biweekly pay. Supplemental payments paid by the Employer pursuant to this Section shall be deducted from an employee's allowable accrued paid leave hours under Section 11.4. In computing the number of hours to be deducted, the amount of money paid by the Employer to the employee shall be

divided by the employee's straight time hourly rate of pay at the time the employee commenced his leave; this calculation shall be carried out to two (2) decimal points without any subsequent "rounding off" of the resulting figure, either upward or downward.

Section 11.6 Bank for Previous Sick Days. Subject to the following terms and conditions, employees covered by this Agreement on the date of its execution shall be permitted to retain and utilize the sick leave days which had been accumulated by them as of July 1, 1979. No further accumulation of sick leave days shall occur or be recognized by the Employer.

- (a) To implement the provisions of this Section, the Employer shall established a "bank" of previously accumulated sick leave hours for each employee covered by this Agreement on the date of its execution. The "bank" shall consist of the total number of accumulated and unused sick leave "days" credited to an employee through July 1, 1979. Each "day" shall then be multiplied by the number of hours applicable to the employee's normal workday schedule as of July 1, 1979 to determine the total number of accumulated and unused sick leave hour credits which may be retained and utilized by the employee involved.
- (b) When an employee covered by this Agreement takes leave because he has sustained an occupational injury or illness compensable under the Workers' Compensation Law of the State of Michigan, he may supplement any statutory benefits received during such leave by deducting from the "bank" created by this Section an amount sufficient, when added to his statutory benefit, to bring his total benefit up to a maximum of 100 percent (100%) of his normal net weekly or biweekly pay. To arrive at the number of hours to be deducted from an employee's "bank" under this subsection, the amount of money paid by the Employer as a supplemental compensation payment shall be divided by the employee's straight time hourly rate of pay at the time his leave commenced; this calculation shall be carried out to two (2) decimal points without any subsequent "rounding off" of the resulting figure, either upward or downward.
- (c) During each separate contract year under this Agreement, employees may cause a deduction to be made from their accumulated and unused sick leave hour "bank" for the purpose of receiving compensation for periods of nonwork related illness or injury not covered by the terms of the Sickness and Accident Insurance program set forth in Section 15.2 and for the purpose of supplementing any Sickness and Accident Insurance benefits received pursuant to Section 15.2. A maximum of 48 hours of such deductions will be permitted in any one (1) calendar year under this subsection. Further, employees who desire to supplement the benefits they receive from the Sickness and Accident Insurance program established by Section 15.2 will be limited to an amount sufficient, when added to their insurance benefit, to bring their total benefit up to 100 percent (100%) of their normal net weekly or biweekly pay. To arrive at the number of hours to be deducted from an employee's "bank" under this subsection, the amount of money paid by the Employer to the employee shall be divided by the employee's straight time hourly rate of pay at the time his sick leave commenced; this calculation shall be carried out to two (2) decimal

points without any subsequent "rounding off" of the resulting figure, either upward or downward.

- (d) Employees who, in any calendar year, have exhausted the maximum deductions permitted by subsection (c) of this Section may continue to draw against their accumulated and unused sick leave "bank" for the same purposes as set forth in subsection (c) and subject to the same limitations. However, in arriving at the number of hours to be deducted from an employee's "bank" in such circumstances, the Employer shall first divide the amount of money paid to the employee by the employee's straight time hourly rate of pay and shall then multiply that figure by two (2); this calculation shall be carried out to two (2) decimal points without any subsequent "rounding off" of the resulting figure, either upward or downward.
- (e) Subject to subsection (f) below, employees whose employment status is severed forfeit all accumulated and unpaid sick leave hours remaining in their "bank" at the time of their separation.
- (f) Upon death or retirement of an employee, any accumulated and unused sick leave hours remaining in an employee's "bank" will be multiplied by the straight time hourly rate the employee was earning as of July 1, 1979 and the monetary sum arrived at by such multiplication will be paid to the employee or his estate, whichever is appropriate.
- (g) An employee may not duplicate or pyramid the benefits provided for by this Section by utilizing at the same time the benefits set forth in Section 11.5(g).

Section 11.7 Extended Sick Leave. Extended sick leave for a fixed period of time shall be granted automatically upon application from the employee for illness or injury, subject to the Employer's right to require proof of disability or injury. Extensions of sick leave may be granted by the Sheriff, provided, however, the obligation is on the employee to report any change of conditions or request a continuation of sick leave.

Section 11.8 Medical Certificates and Examinations. Employees requesting a leave for sickness or injury or a continuation of sick leave may be required to present a certificate of a physician showing the nature of such sickness or injury and the anticipated time off the job. In situations where an employee's physical or mental condition reasonably raises a question as to the employee's capability to perform his job, the Employer may require a medical examination, at its expense, and, if cause is found, require the employee to take or remain on sick leave of absence. The Employer may require as a condition of any sick leave, regardless of duration, a medical certificate setting forth the reasons for the sick leave when there is reason to believe the health or safety of personnel may be affected or that the employee is abusing sick leave. Falsification of the medical certificate or falsely setting forth the reasons for the absence shall constitute just cause for discipline, up to and including dismissal. Employees required to take a sick leave of absence or to remain on sick leave following an examination by the Employer's physician may, at their own

expense, have an examination conducted by a physician of their own choice. If the medical conclusions of the two (2) physicians are dissimilar concerning the ability of the employee to perform his duties, the two (2) physicians shall select a third physician to examine the employee, whose medical conclusions shall be binding. The two (2) immediately preceding sentences shall not apply in situations where a claim for benefits for such illness or disability may be made by the employee affected pursuant to a contract of insurance carried by the Employer.

Section 11.9 Union Leave. The Employer agrees to grant time off not to exceed a total of six (6) days in any one (1) calendar year, without discrimination or loss of seniority rights and without pay, to be used by not more than two (2) employees at any one (1) time designated by the Union to attend a labor convention, or to serve in any capacity on other official Union business, provided seven (7) working days written notice is given to the Employer by the Union, specifying the length of time off for Union activities. Time off pursuant to this Section shall not cause any disruption of the Employer's operations due to lack of available employees, nor shall it create a condition which would necessitate overtime pay for an employee filling the vacant position created by such time off.

Section 11.10 Military Leave. The Employer and the Union agree that employees called into military service shall be given all the benefits accorded them by applicable Federal Law.

Section 11.11 Funeral Leave. When death occurs in a seniority employee's immediate family, the employee, on request, will be excused for the first three (3) normally scheduled working days immediately following the date of death, provided he attends the funeral. "Immediate family" shall be defined as the employee's spouse, parent, stepparent, parent of current spouse, child, brother, sister, grandparents or grandchildren. One (1) day of such leave shall be granted to a seniority employee immediately following the date of death of the employee's brother-in-law, sister-in-law, son-in-law, or daughter-in-law. An employee excused from work under this Section shall, after making written application, receive the amount he would have earned by working during his straight time hours on such scheduled days of work for which he is excused, provided he attends the funeral. Payment shall be made at the employee's rate of pay, not including premiums, as of his last day worked. Time thus paid will not be counted as hours worked for purposes of overtime.

Section 11.12 Jury Duty. Nonprobationary employees summoned by the Court to serve as jurors shall be given a leave of absence for the period of their jury duty. For each day that an employee serves as a juror when he would otherwise have worked, he shall receive the difference between his straight time regular rate of pay, exclusive of all premiums, for eight (8) hours and the amount he receives from the Court, exclusive of those sums allocated by the Court for mileage, for a maximum for 30 workdays in any one (1) calendar year. In order to receive jury duty pay, an employee must: (1), give advance notice to the Sheriff of the time he is to report for jury duty; (2), give satisfactory evidence that he served as a juror at the summons of the Court on the day he claims such pay; and, (3), return to work promptly if, after having been summoned by the Court, he is excused from service.

HOURS OF WORK AND OVERTIME

Section 12.0 Workday - Workweek. An employee's normal workday shall consist of eight (8) consecutive hours. The work schedule for all full time employees covered by this Agreement will normally consist of 160 hours in a period of 28 consecutive days. These definitions shall not constitute a guarantee by the Employer of any number of hours per day or per week or as a limitation on the Employer's right to schedule work in excess of the normal workday or workweek. A workday shall be defined as a 24-hour period commencing from the start of an employee's regularly scheduled shift. For purposes of premium pay, this definition of a workday shall not apply where:

- (a) An employee's shift is changed at his request;
- (b) The employee's regular shift has variable starting times or is scheduled on a rotation basis, provided, however, at least eight (8) hours of off-duty time is scheduled between the end of one shift and the start of another.

Section 12.1 Work Schedule. The work schedule and starting and quitting times for any and all shifts shall be established by the Sheriff and posted 15 days in advance whenever possible.

Section 12.2 Shift Preference.

- (a) Shift Definitions. For purposes of this Section, the following definitions shall be applicable;
 - (1) Day Shift. Any shift with a scheduled starting time of on or after 7:00 a.m. and before 3:00 p.m.;
 - (2) Afternoon Shift. Any shift with a scheduled starting time on or after 3:00 p.m. and before 11:00 p.m.;
 - (3) Night Shift. Any shift with a scheduled starting time on or after 11:00 p.m. or before 7:00 a.m.
- (b) Participating Employees. No employee shall be eligible to apply for a shift preference until he has completed one (1) year of employment with the Employer and in addition must have been working at least ten (10) days prior to the posting of the shift preferences.
- (c) Permitted Changes. Subject to the other provisions of this Section and Section 4.0, shift preferences will be granted by the Employer if there is an employee with less seniority with the Office of the Sheriff of Lenawee County who is working on the requested shift in the same classification.

- (d) Nonpermitted Changes. Employees will not be permitted to displace probationary employees working on the requested shift or employees with less seniority on the requested shift who are undergoing specialized training or are on a special assignment. Further, a shift preference request may be denied due to any requirements imposed by law upon the Employer. A shift preference request may also be denied if it would alter the manpower requirements established by the Employer or would otherwise be detrimental to the operation of the Employer.
- (e) Requests for Shift Preference. Three (3) consecutive 28-day tours of duty shall constitute a single shift preference block under this Section. Employees shall submit their bids for their preferred shifts in writing to the Undersheriff four (4) weeks prior to the commencement of the new shift preference block, indicating by number their preference for no more than two (2) shifts. Failure to submit a shift preference application may result in an employee being displaced from his current shift or assignment by the Employer to a different shift. Thereafter, the Employer will post on the bulletin board the contemplated changes resulting from the submitted requests and such changes will go into effect on the date the new shift preference block commences. In placing shift preference requests into effect, the Employer will attempt to arrange such changes in a manner which will allow employees changing shifts to be off-duty for the end of their old shift to the start of their new shift. The parties recognized, however, that this goal cannot always be accomplished. Accordingly, if implementation of a shift preference would require an employee to work 16 hours consecutively, the employee requesting the shift change will be the individual selected to work the "back-to-back" shift. The Employer shall not be liable for overtime premium pay under Section 12.3(b) of this Agreement as a result of its implementation of shift preference requests.
- (f) It is expressly understood that an employee's work schedule and his shift may be changed on a daily basis whenever operating conditions warrant such a change. Employees may be denied a requested shift preference, forced to remain on a particular shift, or required to change shifts for closer supervision purposes. Schedule and shift changes intended by the Employer to last longer than 15 days shall be a subject of a Special Conference in accordance with Section 18.0.

Section 12.3 Premium Pay

- (a) Time and one-half (1 ½) the employee's regular straight time rate of pay shall be paid for all hours actually worked within a tour of duty in which the aggregate number of hours exceeds 80 hours in a period of 14 consecutive days, or, if a tour of duty of less than 14 days is established by the Sheriff, the aggregate number of hours in such tour of duty which bears the same ratio to the number of consecutive days within the work period as 80 hours bears to 14 days;

- (b) Time and one-half (1 ½) the employee's regular straight time rate of pay shall be paid for all hours worked in excess of eight (8) hours in any one (1) workday;
- (c) To be eligible for premium pay under subsection (b) of this Section, an employee must have worked all of his scheduled hours in the normal workweek unless excused by the Sheriff or his designated representative.
- (d) All paid but non-worked time shall not be counted as hours actually worked in determining an employee's eligibility for premium or overtime pay under any Section of this Agreement.
- (e) **Employees who have completed the necessary training courses to become certified are eligible to receive a "training officers stipend" of \$300 per calendar year, provided the employee has actually conducted training during the year for which the stipend is paid, up to a maximum of eleven (11) bargaining unit members.**

Section 12.4 No Duplication or Pyramiding. The payment of premium pay pursuant to this Agreement for any hour shall exclude that hour from consideration for overtime premium pay on any other basis, thus eliminating any duplication of overtime premium pay.

Section 12.5 Overtime Distribution

- (a) All employees shall be expected to work reasonable amounts of overtime upon request.
- (b) Overtime, other than that of an emergency, extension of shift, or court-time nature, which is scheduled by the Sheriff or his designated representative and is anticipated to last five (5) working days or less shall be distributed among employees in the same classification who work on a rotating shift basis, or are assigned as a part of a rotating shift, in the following manner:
 - (1) In the initial preparation of the overtime rotation list, employees on each shift within the same classification shall be ranked in order of their seniority with the Office of the Sheriff of Lenawee County;
 - (2) When a scheduled overtime opportunity occurs under this subsection, the Sheriff or his designated representative will initially offer the overtime opportunity to the most senior employee listed on the overtime rotation list for the off-going shift. Should the most senior employee reject the overtime opportunity, the Sheriff or his designated representative will continue down the overtime rotation list until an employee accepts the

overtime assignment or until the last employee in the classification affected is reached. If the latter situation occurs, the last employee on the overtime rotation list shall be assigned the overtime work. When an employee either accepts or rejects an overtime opportunity, his name shall then be placed at the bottom of the overtime rotation list for purposes of the next scheduled overtime assignment under this subsection. If the Sheriff or his designated representative determines that the overtime opportunity could be performed efficiently by dividing the work between the off-going and on-coming shifts, the assignment of the overtime opportunity to the incoming shift shall be in accordance with the same procedure utilized for distributing overtime opportunities to the off-going shift.

- (c) When a scheduled overtime opportunity for employees working on or assigned to a rotating shift is anticipated to last longer than five (5) workdays, a schedule shall be prepared by the Sheriff or his designated representative and posted on the facility's bulletin board. The most senior employee in the affected classification who volunteers to perform the overtime work by signing the schedule shall be assigned to do so. If the number of volunteers is insufficient to adequately perform the required work, the Sheriff or his designated representative will make the assignments necessary to have the overtime work performed.
- (d) If an employee has special skills or knowledge which are not shared by other employees in the same classification, such an employee will be considered an exception to the procedures set forth in subsections (b) and (c) of this Section.
- (e) With the prior approval of their immediate supervisor, employees subject to the above overtime distribution plan may carry out their responsibilities under the plan by trading shifts with another employee who also works on or is assigned to a rotating shift in the same classification. The hours worked by the employee who agreed to the shift trade shall not count as "hours worked" for purposes of determining that employee's eligibility for premium pay, unless the trade was caused by an unscheduled overtime opportunity.

Section 12.6 Call-In Pay. An employee covered by this Agreement who is called in to work during his scheduled time off, but not including periods when an employee is on layoff status, including going to court to give testimony, shall receive a minimum of two (2) hours' pay at time and one-half (1 ½) for such time worked.

Section 12.7 Training. The Employer recognizes the advantages of training for employees. Employees who are assigned for schooling or training outside of the Employer's facilities by the Sheriff or required to participate in training at the Employer's facilities shall be compensated for such time in accordance with the provisions of this Agreement. Training conducted by the Office of the Sheriff of Lenawee County, including firearms training, may be scheduled by the Sheriff

within the Employer's facilities or at a nearby facility before, after, or during an employee's regular working hours.

HOLIDAYS

Section 13.0 Holidays. Employees shall be paid at their current straight time rate for the following holidays:

The first day of January	New Year's Day
Third Monday of February	President's Day
	Good Friday (four [4] hours pay)
The last Monday of May	Memorial Day
The fourth of July	Independence Day
The first Monday of September	Labor Day
The first Tuesday after the first Monday in November of every even numbered year	Any general Election Day
The eleventh day of November	Veteran's Day
The fourth Thursday of November	Thanksgiving Day
The fourth Friday of November	Day after Thanksgiving
The twenty-fourth day of December	Day before Christmas
The twenty-fifth day of December	Christmas Day
The thirty-first day of December	New Year's Eve Day

Section 13.1 Holiday Celebration. If a recognized holiday falls on a Sunday, the following Monday will be considered the recognized holiday for eligible employees. When a recognized holiday falls on a Saturday, the preceding Friday will be recognized as the holiday. The preceding two (2) sentences shall apply only to those eligible employees whose normal workweek consists of 40 hours of work performed Monday through Friday; for all other employees, the actual date of the recognized holiday will be observed.
