As well, overtime shall be paid for court time required when the employee is scheduled off-duty, providing such court time arises out of departmental business.

SECTION 2

Overtime hours shall be divided as equally as possible among employees in the same classification. The Employer shall have the right to compel overtime among the least senior employees qualified for required work within a classification upon meeting the qualifications established in Section 2 of this Article. Be it provided the Sheriff will make a reasonable effort based upon the circumstances to compel overtime to a maximum of twelve (12) hours in a calendar week excluding the right to compel overtime as described in Section 6 of this Article. It is understood that due to the necessity to schedule employees around the clock, it may be necessary to compel more than twelve (12) hours of overtime in a calendar week.

SECTION 4

The Employer shall determine the need for and schedule all overtime.

SECTION 5

Employees called in to work shall be guaranteed a minimum of three (3) hours pay at time and one-half.

SECTION 6

The Employer shall have the right to holdover or call-in-early employees in emergency situations. Such holdover or call-in-early shall be as nearly evenly divided into the shift as circumstance permit.

ARTICLE 19
LEAVE OF ABSENCE

SECTION 1

Leaves of absence without pay for reasonable periods, not to exceed one (1) year, will be granted without loss of seniority for:

- A. Illness leave (physical or mental); and
- B. Prolonged illness of spouse or child.

Such leave may be continued for like cause by consent of the Employer. Be it provided, however, that the period of such leave or continuation thereof shall be consistent with meeting the operating needs of the department in accordance with applicable law.

SECTION 2

An employee may be entitled to a leave of absence under the Family and Medical Leave Act of 1993. SECTION 6

The Employer may require the employee on leave to submit to an examination by a physician chosen by the Employer, provided the charges of the physician are paid by the Employer.

SECTION 7

The requirements of Sections 5 and 6 may be waived by the Employer, but such waiver shall not form a basis for submitting a grievance when such waiver is not granted, unless it can be shown that such waiver was unreasonably withheld.

SECTION 8

Members who may be elected to attend the International Convention, Council Convention, or educational conferences, shall be granted a leave of absence to attend such conferences or conventions. Under no circumstances shall the total amount of leave time for all members for the Union activity exceed an accumulated fourteen (14) days per year. A maximum of one (1) Union member may attend such convention or conference at any one time. Such leave shall be without pay.

ARTICLE 20

Accumulated sick leave shall not be considered in the computation of leave on account of such duty incurred injuries. In such event, the employee will be required to furnish the Employer with a sworn statement of the earnings, during such period, and such earnings shall act as an offset in such claim for back wages. No claim for back wages shall exceed the amount of wages the employee would otherwise have earned at their regular rate with the Employer.

ARTICLE 24
RETIREMENT

SECTION 1

All full time regular employees shall, upon their date of hire, participate in the St. Clair County Employees Retirement Plan. Specific terms and conditions of retirement not herein defined are subject to the terms and conditions provided by the retirement plan custodians and shall not be subject to nor require separate Union approval.

SECTION 2

The Defined Benefit Pension and the retiree Health Care Plan are completely separate Retirement Plan programs with separately designated methods for funding set forth in this Agreement. The assets of the separate programs may be commingled for investment purposes but shall be and are separate funds for accounting and actuarial purposes.

SECTION 3

The St. Clair County Retirement System provides full time regular employees with a Defined Benefit Pension Plan. A defined benefit plan is a retirement plan that establishes an annual and monthly pension amount based on an employee's years of service and final average compensation. Participation in the Defined Benefit Plan is mandatory upon full time regular employment. Terms and conditions of the Defined Benefit Plan are addressed in the Retirement Plan booklet. Employee and Employer contributions are as follows.

- A. The Employee shall contribute five percent (5%) of his or her eligible gross bi-weekly wage.

B. The Employer shall contribute eleven-point-three percent (11.3%) of the employee's eligible gross bi-weekly wage.

C. Effective January 1, 2007 and every calendar year thereafter the employer shall contribute the actuarially determined amount.

SECTION 4

The St. Clair County Retirement System provides full time regular employees opportunity to prefund retiree health care coverage by contributing to a Retiree Health Care Trust Account. Employee participation in the Retiree Health Care Trust Account is optional. The option is exercised upon date of eligibility to participate in the retirement plan and once exercised is irrevocable. A description of the retiree health care coverage is provided in the Retirement Plan booklet. Eligibility for retiree health care coverage is as follows.

A. An employee subject to the original plan must have eight (8) or more actual years of service contributions in the Retirement Plan to be entitled to health care coverage at no premium cost as a retiree.

B. An employee subject to the modified plan must have twenty (20) or more actual years of service contributions in the Retirement Plan to be entitled to health care coverage at no premium cost to the retiree.

C. An employee that chooses not to participate in the prefunding of retiree health care or that does not meet the actual years of service contributions stipulated in the preceding subsections A and B, shall be entitled to purchase retiree health care coverage based on the following conditions.

[i] The employee shall have eleven (11) or more actual years of service contributions to the Retirement Plan.

[ii] The employee, as a retiree, shall be required to pay the entire premium cost determined by the County on a month-to-month basis as a deduction from his or her monthly pension payment.

[iii] The employee with credits accrued in his or her Health Reimbursement Account (HRA) shall pay for the premium cost as a deduction from their HRA. When the HRA is depleted of credits the provisions of the preceding [ii] shall apply.

[iv] The employee with contributions in the Retiree Health Care Trust Account shall be entitled to pay the health care premium costs from his or her contributions. When contributions are depleted the retiree shall be subject to the preceding [ii].

[v] The employee upon making an application for retirement must choose to purchase or not purchase health care coverage. The employee, as a retiree, may not choose to purchase health care at a later time. In other words, the employee, as a retiree, must participate in the purchase health care coverage upon initial retirement or he or she shall be forever ineligible for health care coverage.

[vi] The employee, as a retiree, shall not be entitled to purchase health care coverage intermittently from the Retirement Plan. Failure to pay the monthly premium, whether intentionally or unintentionally disqualifies the retiree for health care coverage. In other words, the retiree shall not be entitled to discontinue and later re-enroll for health care coverage.

SECTION 5

Contributions to the Retiree Health Care Trust Account shall be calculated on an employee's eligible bi-weekly wages as defined in this article. The employee and employer shall contribute to the Retiree Health Care Trust Account as follows.

The Union and the County shall bargain the proposed change[s] to the extent that it may impact a former member[s] that retired during the term of the Collective Bargaining Agreement in which the proposed change is to be implemented. The Union shall have no standing or authority to bargain a proposed change that would affect a former member that retired prior to the duration of the instant Collective Bargaining Agreement.

- A. An employee is not required to withdraw his or her contributions upon termination of employment.
- B. Contributions left in the plan are deferred until such time as the former employee is eligible to receive a pension.
- C. The employee that withdraws his or her contributions shall terminate all right to receive a pension benefit from the plan.
- D. The employee that withdraws his or her contributions shall be entitled to a rate of interest on the contributions determined by the Retirement Board which shall be consistent with the interest rate attributed to all employee accounts regardless of union affiliation.

SECTION 10

An employee shall only be entitled to withdraw his or her contributions to the Retiree Health Care Trust Account upon termination of employment.

- A. An employee is not required to withdraw his or her contributions upon termination of employment.

Disability pension compensation shall be provided at fifty percent (50%) of the normal compensation at the time of disability. Disability pension shall be offset by social security and/or worker's compensation.

SECTION 14

**LETTER OF AGREEMENT
REGARDING
RETIREMENT DROP PLAN**

This Letter of Agreement (LOA) is entered into this the ____ day of _____, by and between: St. Clair County (the County) and the St. Clair County Sheriffs Department Supervisors - COAM (the Association).

Recitals

The Association and the County have completed negotiations for a new collective bargaining agreement (CBA). The tentative agreement included an agreement for a three (3) year Deferred Retirement Option Plan (DROP), which the parties agreed to implement by a letter of understanding. Accordingly, the parties are entering into this LOA.

1. **TERM OF LOA.** The parties to this LOA agree to a three (3) year Deferred Retirement Option Plan, which shall become effective January 1, 2005 and expire December 31, 2007, unless extended by the parties. The conditions of the DROP are as set forth in this LOA.
2. **ELIGIBILITY.** Any member of the Association who is eligible for retirement under the County Retirement Plan shall be eligible for the DROP. Any Association member who wishes to participate (the Participant) in the DROP shall so indicate in writing to the Sheriff with copies to the County Human Resources Director and the County Retirement Board. Any Association member may apply for the DROP between January 1, 2005 and December 31, 2007, and the length of participation shall be limited to 36 months. Participation in the DROP shall commence as soon as reasonably possible after the Participant's written notice has been submitted and it is determined the Participant is eligible for the DROP. Upon commencement of participation in the DROP the Participant's DROP benefit shall be the dollar amount of the Participant's monthly pension benefit computed by using the CBA formula in effect on the Participant's participation date. The Participant's DROP Benefit shall be deferred to an investment account available in the County Pension System as established by the County Board of Commissioners.
3. **PARTICIPATION.** Upon commencement of participation in the DROP, the Participant shall become an independent contractor with the County and will continue to provide services to the County in the Sheriffs Department as assigned by the Sheriff and consistent with the duties previously performed by the Participant. The Participant shall continue to be covered by the salary and benefit provisions of the CBA except that the Participant shall no longer receive longevity, no pension contribution shall be made on behalf of the Participant and the Participant shall not be entitled to receive any payment of sick or vacation days upon ending participation in the DROP. The Participant shall continue to be a member of the Association and shall continue to pay dues pursuant to the CBA. Once participation in the DROP is commenced participation is irrevocable and, as a result, the Participant's employment with the County and the County Sheriffs Department will terminate 36 months from the Participant's commencement of participation in the DROP. Once the Participant begins participation in the DROP, the Participant shall not have the option of returning to regular employment status with the County.

4. **DROP BENEFIT.** The Participant's DROP Benefit shall be the regular monthly retirement benefit to which the Participant would have been entitled if the Participant had actually retired on the DROP Date. The Participant's DROP Benefit shall be credited monthly to the Participant's individual DROP account. If a member elects to participate in the DROP he/she may prior to or at the time of the cessation of the services for the County Sheriff Department elect to receive his or her benefit in any form permitted under the DROP and nominate a named beneficiary. The Participant may only receive their DROP account by terminating their employment as an independent contractor with the County. Upon termination of their employment with the County the Participant shall be entitled to receive their DROP account and shall begin receiving their normal retirement benefits. The maximum period for participation in the DROP is three (3) years (the Participation Period). There is no minimum time period for participation. The Participant must cease providing services to the County, whether pursuant to the Agreement or otherwise, within the Participation Period. Upon cessation of Participant's services to the County, the Participant shall receive the monthly retirement benefit previously credited to his DROP Account unless an optional form of benefit is elected pursuant to paragraph 8. Interest or appreciation on the DROP Account however will continue to accrue during such a forfeiture period.
 - A. **CHANGE IN DESIGNATION.** A Participant desiring to (1) change their form of benefit at cessation of services or (2) have a new spouse recognized for purposes of the Plan's post-retirement surviving spouse benefit, must make such election prior to cessation of services and will receive the actuarially computed revised benefit commencing on the member's effective date of cessation of services. The term "spouse" for purposes of benefit qualification, shall mean: (1) the person to whom the Participant was legally married to on the Participant's date of death if such death occurs during DROP Participation; or (2) the person to whom the retirant was legally married on both the effective date of termination of employment and the retirant's date of death if such death occurs after termination of Employment. The definition of "spouse" herein may be amended pursuant to an Eligible Domestic Relations Order entered pursuant to Michigan Public Act 46 of 1991, as amended (MCL 38.1701 et seq.).
5. **DROP ACCOUNTS.** An individual DROP Account shall be created for the Participant in which the Participant's DROP Benefits shall be accumulated. The individual DROP Account shall be maintained for the benefit of the Participant and will be managed by the Retirement Board in the same manner as the other funds held in the Retirement System.
6. **CONTRIBUTIONS TO RETIREMENT SYSTEM.** The County's and the Participant's contributions to the Retirement System shall cease as of the Participant's DROP Date.
7. **DISTRIBUTION OF DROP FUNDS.** Upon cessation of services for the County, the DROP Participant must choose one, or a non-inconsistent combination of, the following distribution methods to receive payment(s) from his individual DROP Account:
 - A total lump sum distribution to the recipient.
 - A partial lump sum distribution to the recipient.
 - A lump sum direct rollover to another qualified plan to the extent allowed by federal law and in accordance with the Retirement Board's rollover procedures.

An annuity payable for the life of the recipient.

An option form of annuity as established by Public Act 345 of 1937, as amended.

No distribution, in which case the accumulated balance shall remain in the Plan to the extent allowed by federal law.

8. A former Participant may change their distribution method as may be applicable no more than once per annum. All benefit payments under the Plan shall be made (or commence in the case of an annuity) as soon as practical after entitlement thereto, but in no event later than the April 1 following the later of:
 - A. The calendar year in which the Participating Member attains age 70-1/2, or

If the Accumulated Balance in any former Participant's account becomes less than \$5,000 [or such other amount as provided in Internal Revenue Code Section 411(a)(11)(A)], then the Retirement Board, in its sole discretion, shall have the option of distributing the former Participant's entire account, in the form of a lump sum, to the Former Participant. Any and all distributions from Participant's DROP Account shall not be subject to offset by any workers compensation wage loss payments received by the Participant, including any redemption amounts.

In the event the Participant has failed to name a beneficiary, the account balance shall be payable to the Participant's beneficiary of benefits from the Retirement System. If there is no such beneficiary, the account balance shall be paid in a lump sum to the Participant's estate. Benefits payable from the Retirement System shall be determined as though the Participant had separated from service on the day prior to the Participant's date of death.

11. **SPECIAL PROVISION FOR DUTY DISABILITY AND DUTY DEATH.** If the DROP Participant is found by the Retirement Board, in accordance with Retirement System provisions, to be totally and permanently incapacitated for duty by reason of personal injury or disease occurring as the natural and proximate result of causes arising out of and in the course of the his employment by the County, it may retroactively revoke the Participant's DROP election if the revocation occurs before the payment of a distribution to the member from the Participant's DROP Account or payment of retirement benefits

to the retirant from the Retirement System. If a DROP Participant dies in the line of duty while engaged in service for the County, the DROP Participant's eligible survivors (i.e. survivors qualified under Section 6(2) of Public Act 345 of 1937, as amended, and the CBA) and the Participant's eligible DROP beneficiary(ies) may, by unanimous agreement, retroactively revoke the Participant's DROP election if the revocation occurs before payment of a distribution from the Participant's DROP Account or payment of benefits to the retirant from the Retirement System. In the event of revocation of DROP participation as provided herein, there shall be no requirement for retroactive payment of employee contributions which would otherwise have been paid by the member to the Retirement System and the member shall receive service credit for all service rendered during DROP participation or as otherwise provided in the CBA.
