 2. Supervisory Employees
 - a) Foremen, Supervisors, and Employees in classifications not covered by this Agreement shall not displace or replace regular Employees except as necessary to fill work assignments necessitated by appropriate notification of Employee absence.

- D. The Employer shall be notified in writing by the Union of any Employee who is more than sixty (60) days in arrears in such payment as elected in (A) above.
- E. The Union shall indemnify and save the University harmless from any and all claims, demands, suits, or any other action arising from this Article or Article (5), or from complying with any request for termination under this Article.

- B. The Union agrees that there shall be no solicitation of Union membership during working hours on the Employer's time or at the Employer's expense.
- C. The Union recognizes the responsibilities imposed upon it as the exclusive Bargaining Agent of the Employees covered by this Agreement and realizes that in order to provide good working conditions and fair and equitable wages, the Employer must operate efficiently. The Union, therefore, agrees that it will cooperate with the Employer to assure a fair day's work on the part of its members.

ARTICLE (4) UNION RIGHTS

- A. In the event of a dispute involving the placement of a new job classification in the unit, the Union shall have the right to negotiate the matter. Failing to reach agreement, the Union shall have recourse to the proper step of the grievance procedure.
- B. The Union will be notified by the Employer at least ten (10) calendar days in advance of any major change in present policies regarding wages, hours, and working conditions. A meeting will be arranged, if requested, to discuss these changes with the appropriate representatives of the Employer. ARTICLE (5) COLLECTION OF UNION DUES OR SERVICE FEE

- A. Payment by Check-off: Members of the Bargaining Unit shall tender their Union Dues or a Service Fee equivalent to the amount of dues uniformly required of members of the Union by signing an authorization for Service Fee check-off form.

- F. The Employer shall not be liable to the Union by reason of the requirements of this section for the remittance or payments of any sum other than that constituting actual deductions made from wages earned by Employees.

ARTICLE (6) UNION REPRESENTATIVES

- A. Employees in the following classifications may be represented by one (1) Steward, or Alternate Steward, on each shift in each major building who shall be a regular Employee working on that shift in one of the group classifications listed below. It is recognized that there may be grievances where Employees are not represented by a Building Steward and which will require that a Steward may represent Employees widely distributed over one of the four University campuses. The authority of a Steward, or Alternate Steward, is limited to his/her own area of jurisdiction only.
1. Tree Trimmer, Groundskeeper, Vehicle Operator, Heavy Equipment Operator, Laborer, and Handyman
 2. Custodian, Classroom Attendant.
 3. Athletic, Intramurals and Recreation Attendant I, Athletic, Intramurals and Recreation Attendant II.

It is expressly understood that in no event shall any Union representative leave work for grievance purposes as provided in the grievance procedure without first notifying and obtaining supervisory approval. The Supervisor must be provided with the purpose, location, and approximate time (if possible) and such time off shall not be beyond reasonable limits. The supervisor will grant permission to leave subject to exceptions for operational difficulties and emergencies, provided grievance time limits will be extended as necessary where such persons are prevented from fulfilling their responsibilities.
- B. No Union member will be denied Union representation unless an operational difficulty or emergency arises. Under these circumstances, the grievance time limits will be extended per the contract.

- C. The Union will provide the University with a current list of Stewards, Alternate Stewards, and members of the Grievance Committee. The Union will not ask the University to recognize any Union representative who is not included on such a list.
- D. An Employee, and the Union representative from the same shift, required to remain after their regularly scheduled working hours to meet with representatives of the University to adjudicate grievances at Step 3 of the grievance procedure will be paid their regular rate for such time.
- E. The Grievance Committee shall consist of five (5) members, two (2) of whom shall be Employees on the midnight shift and shall represent Employees on that shift. The number of Union representatives at grievance meetings shall continue to be limited as provided in Article (7), Grievance Procedure.

ARTICLE (7) GRIEVANCE PROCEDURE

- A. Any grievance or dispute which may arise between the parties involving the application, meaning or interpretation of this Agreement shall be settled in the following manner:
- B. In presenting a grievance, the following successive steps must be followed until the grievance is settled:

Step 1. Any Employee having a grievance, or one designated member of a group having a grievance after first having notified the Foreman/Supervisor of his/her grievance, may at his/her option discuss the matter directly with his/her Foreman/Supervisor or request that his/her Steward be called for the purpose of attempting to adjust the grievance.

Step 2. In the event the grievance is not settled orally by the Foreman/Supervisor, the Steward shall be notified without undue delay and the grievance shall be put in writing on forms supplied by the Employer and submitted to the Director of the Unit involved or his/her designated representative. The grievance shall be signed by the aggrieved Employee or, in the case of a group grievance, by the Steward and by the aggrieved Employee representing the group, and shall set forth the nature of the grievance, adjustment sought and facts necessary to support the grievance. A group grievance shall state the specific group which is aggrieved. The Director or his/her designated representative shall give his/her written disposition on the grievance to the Steward within five (5) working days.

Step 3. If the grievance is not resolved at Step 2, it shall be presented by the Union to Department of Labor Relations or its designee within five (5) working days of the receipt of the appeal. Representative of the University not to exceed three (3) in number, shall meet with the Union's representatives, not to exceed three (3) in number. A written disposition of the hearing shall be submitted to the Union within five (5) working days following the meeting. Additional persons may be present by mutual agreement.

Step 4. If the grievance has not been resolved in the foregoing steps and the Union desires to carry it further, the matter may thereupon be referred to a Pre-arbitration Hearing by appealing the grievance within five (5) working days of the answer given at Step 3. The Pre-arbitration Hearing shall be held within ten (10) working days after the appeal or as mutually agreed. The Pre-arbitration Committee shall consist of two (2) representatives selected by the Employer and two (2) representatives selected by the Union. The grievant or one designated member of a group may also be present. In the event the Pre-arbitration Committee is unable to arrive at a mutually acceptable solution and the grievance is not resolved, the grievance may be submitted to arbitration under the Voluntary Labor Arbitration Rules, then obtaining, of the American Arbitration Association pursuant to Section C. below. A written disposition will be given to the Union within five (5) working days following the Pre-arbitration Hearing.

C. Arbitration: Any unresolved grievance which relates to the interpretation, application, or enforcement of a provision of this Agreement or any written supplementary Agreement and which has been fully processed through the last Step of the Grievance Procedure may be submitted to arbitration in strict accordance with the following:

1. If there is no resolution of the grievance, or the Union does not receive a disposition within the five (5) working days period, the Union shall have fifteen (15) days to notify the University, in writing, of its intent to arbitrate the grievance. The parties shall then have fifteen (15) days to select a mutually agreed upon Arbitrator. This may be extended an additional fifteen (15) days by mutual agreement. If the parties fail to select an Arbitrator, either party may submit the unresolved dispute to the American Arbitration Association and shall request of them a panel of five (5) arbitrators. Both the University and the Union shall have the right to strike two (2) names from the panel. The University and the Union shall on alternate grievances strike the first name. On the first grievance submitted to arbitration under this contract the Union will strike the first name and the process will be reversed for subsequent grievances.
2. Should either the University or the Union indicate that a particular grievance or dispute is of such a nature as to require expeditious determination, said party may require that the grievance or dispute be submitted to Expedited Arbitration in the demand for arbitration, or by the University, in its response to the demand.

Under this process, the parties may mutually agree to select an Arbitrator on an Ad-Hoc basis within fifteen (15) working days from the date that the request for

Expedited Arbitration is made. Failure to mutually select an Arbitrator within the above stated time period will require the parties to (within three (3) working days thereafter) alternately strike Arbitrators from a panel of 5 Arbitrators to be mutually agreed upon during contract negotiations.

To facilitate expeditious resolution of the matter, the arbitrator selected must be available to hear the case within 60 days of the selection and the parties will make themselves available within that limit. Should the initially selected arbitrator be unable to meet this 60 day scheduling requirement, then the parties shall select another arbitrator by alternating strikes within 5 working days. With each set of arbitrator selections, the parties shall alternate with the first strike. If none of the arbitrators from the 5 person list can meet the 60 day requirement, the parties shall resolve the delay by utilizing the arbitrator previously selected who came closest to meeting the 60 day period.

Each party may exercise the option of Expedited Arbitration no more than twice per contract year except by mutual agreement.

3. The Arbitrator shall have no power to add to, or subtract from, or modify any of the terms of the Agreement, nor shall he/she substitute his/her discretion for that of the Employer or the Union where such discretion has been retained by the Employer or the Union, nor shall he/she exercise any responsibility or function of the Employer or the Union.
 4. The decision of the Arbitrator shall be final and binding on the parties, and the Arbitrator shall be requested to issue his/her decision within thirty (30) days after the conclusion of testimony and argument.
 5. Expenses for the Arbitrator's services and the proceedings shall be borne equally by the Employer and the Union. However, each party shall be responsible for compensating its own representatives and witnesses. If either party desires a verbatim record of the proceedings, it may cause such a record to be made, providing it pay for the record and make a copy available to the other party and to the Arbitrator.
- D. In the event that the Union has a grievance, it shall begin at Step 3 of the Grievance Procedure. Such a grievance shall be submitted by the Union President, or his/her designated representative, on behalf of the Union.

A Union grievance is defined as a disagreement arising under and during the term of this Agreement between the University and the Union concerning the interpretation and application of the provisions of this Agreement on a question which is not an Employee grievance nor an Employee group grievance.

E. Nothing in this Agreement shall limit the right of the Employer to temporarily fill any position pending the resolution of a grievance or to exercise any other right of Management.

F. Time Limits

1. A grievance must be presented in writing for disposition through the Grievance Procedure within fifteen (15) working days of its occurrence, or within fifteen (15) working days of the date it is reasonable to assume that the Employee or the Union became aware of it in order to be considered a grievance under this Agreement.
2. In the event the Union does not appeal the grievance from one step to another within the time limits specified or as extended, the grievance shall be considered withdrawn and not subject to further review.
3. In the event the University fails to reply to a grievance at any step in the Grievance Procedure within the specified time limit or as extended, the grievance shall automatically be advanced to the next step of the Grievance Procedure, except that nothing contained herein shall be construed to automatically advance a grievance to Arbitration.
4. The time limits at any step of the Grievance Procedure may be extended by mutual agreement.
5. Whenever the words "working days" are used in this Article they shall be deemed to mean Monday through Friday excluding officially designated holidays or any such day the University is officially closed.
6. The University shall not be liable on a grievance claiming back wages or other financial reimbursement for the period between the first date the Arbitrator is available for an arbitration hearing and the date of hearing, when the first date is rejected by the Union.

ARTICLE (8) PROBATION

- A. An Employee is a "probationary Employee" for his/her first ninety (90) calendar days of employment. Periods of absence from work shall not be counted towards completion of the probationary period.
- B. There shall be no seniority among probationary Employees. Upon the completion of the probationary period, the Employee will acquire seniority from his/her date of hire.

- C. The Union shall represent probationary Employees for the purposes of collective bargaining in respect to rates of pay, wages, hours of employment, and other conditions of employment, except no matter concerning discipline, layoff, or termination of a probationary Employee shall be subject to the grievance and arbitration procedures. However, a probationary Employee shall have the right to meet with a representative of the Human Resources Division and no more than two (2) representatives of the Union within five (5) working days of his/her notification of suspension or discharge for the purpose of determining cause for such action.

ARTICLE (9) 9/10 MONTH EMPLOYEES

- A. The University may, as an operational need, commence the hiring of 9 and 10 month Employees for any and all operations covered by this Agreement. No existing Employees will be transferred to 9/10 month status unless mutually agreed upon by the Employee, the University and the Union.
- B. 9/10 month Employees will be placed on leave of absence without pay for the months not employed and shall be returned to employment at the end of such leave. Such leave shall in no way cause a break in continuous service for the purpose of establishing fringe benefit eligibility, nor shall it be a basis for the Employer protesting any Employee's rights under Michigan Employment Security Act eligibility requirements.
- C. 9/10 month Employees will be eligible to participate in prorated fringe benefits of retirement, life insurance, and medical insurance, with special deductions for life insurance and medical insurance being made so that Employees will be provided appropriate protection over the summer months.
- D. The total number of 9/10 month Employees in the Bargaining Unit will not exceed 20%.

ARTICLE (10) SENIORITY

- A. Classification Seniority: Length of time a person has served in a specific classification. Classification seniority is used for preference in vacation time and for job assignment bidding, and for other purposes as provided in the Agreement.
- B. Total Seniority: Based on total service served in regular positions of the Employer. Total seniority is used for disability eligibility and vacation accrual as specified in this Agreement. Except where specified above, any reference to total seniority will mean Bargaining Unit seniority; e.g. reduction of work force and recall.

- C. A separation from service shall void all past seniority rights and benefits, with the following exceptions:
1. to serve with the Armed Forces of the United States as defined under paragraph D. below.
 2. illness leave.
 3. any other negotiated leave.
 4. layoff, as defined under paragraph I. below.
- D. In the event a person enters military service, involuntarily or voluntarily, during a national emergency, he/she shall continue to earn seniority rights.
- E. When an individual is granted an illness leave of absence, seniority rights will accrue from the time the leave is granted not to exceed one (1) year and no further accrual will be made until the individual returns to regular employment.
- F. If a person serving in a supervisory capacity in a specific work area reverts to an assignment with the working crew in a work area, he/she shall have seniority rights reinstated on the basis of seniority earned while serving as a member of the regular working force; but shall not accrue Bargaining Unit seniority while working in a supervisory capacity.
- G. The seniority list on the date of this Agreement will show the names and job titles of all Employees of the Unit entitled to seniority.
- H. The Employer will keep the seniority list up to date at all times and will provide the local Union and Council Office with up-to-date copies at least every four (4) months.
- I. In the event a person goes into layoff status, the Employee's seniority shall be frozen at the date of his/her layoff and accrual shall commence again on his/her first day of work following recall.

ARTICLE (11) SENIORITY OF OFFICERS

- A. Officers (President, Vice President, Financial Secretary, Recording Secretary, Executive Board, three Trustees and Stewards of the Union) shall, except for promotions job bidding, and vacation selection, exercise top seniority in their respective classifications and shifts, and in the event of a layoff, be continued at work at all times provided they can perform any of the work available.
- B. For the purpose of determining the position of the seniority list, the Local Union shall submit a list of officers after each election and notify the Employer of any changes in this list.

ARTICLE (12) REDUCTION OF THE WORK FORCE AND RECALL

- A. When there is a reduction in the work force, the following procedure shall be followed:

Temporary and probationary Employees will be laid off (in that order) in the classification affected provided the seniority Employees are able and qualified to perform the available work.

- B. Employees in DLAR positions above Aide, Mail Room Leader, Athletic, Intramurals and Recreation Attendant II, Senior Building Attendant, and Handyman positions shall be exempt from bumping from outside their classifications. When it is necessary to reduce the number of these Employees, the Employee with the least job classification seniority in the classification where the reduction is to occur shall displace the Employee with the least job classification seniority in the next lower job classification in that progression sequence where applicable.

Such transfer shall be contingent upon the Employee possessing the present ability to perform the available work. Employees thus removed from the next lower job classification(s) shall exercise the same right where applicable. An Employee transferred under this provision shall be paid the maximum of the new classification provided he/she has previously completed the necessary service requirements of the new classification.

- C. When it is necessary to reduce the number of Employees who are in job classification situations other than provided for in paragraph B. above, the Employee(s) in such job classification affected with the least Bargaining Unit seniority shall be the ones laid off, providing senior Employees in such job classifications are available who have the then present ability to satisfactorily perform the required work of such laid off Employees. In the event there are no Employees in such job classifications with more Bargaining Unit seniority who are available and who have the then present ability to satisfactorily perform the work of those scheduled for layoff, then the Employee or Employees in such classification with the least Bargaining Unit seniority who have such present ability shall be retained and the next least junior Employee(s) in such job classification shall be the ones laid off.

- D. An Employee with seniority who is scheduled to be laid off for an indefinite period shall be transferred within the Bargaining Unit according to Bargaining Unit seniority conditioned upon possessing the general qualifications as well as the special qualifications and training necessary to perform the work required. The following order of priority for transfer shall apply except to those positions (or vacancy) previously exempted in paragraph B. above:

1. To a posted vacancy, if any, in a job classification at the next lower job rate within the Employee's department.

2. To displace the probationary Employee, if any, with the least Bargaining Unit seniority in a job classification at the next lower job rate within the Employee's department.
3. To displace a seniority Employee, if any, with the least Bargaining Unit seniority in a job classification at the next lower job rate within the Employee's department.
4. To a posted vacancy, if any, in a job classification at the next lower job rate outside the Employee's department.
5. To displace the probationary Employee, if any, with the least Bargaining Unit seniority in a job classification at the next lower job rate outside the Employee's department.
6. To displace a seniority Employee, if any, with the least Bargaining Unit seniority in a job classification at the next lower job rate outside the Employee's department.

Within each of the steps above, an affected seniority Employee shall have the procedure set forth applied to every classification (in descending order) at each next lower job rate until he/she is transferred or laid off. For purposes of this Article, job rate shall be defined as the maximum rate for the job classification excluding any shift and/or weekend premium. An Employee transferred under this provision shall be paid the maximum of the new classification provided he/she has previously completed the necessary service requirements of the new classification. Those Employees subject to layoff under the above provisions instead of displacing less seniority persons in similar or lower job classifications, may elect to take a voluntary layoff instead of a transfer, and such layoff will not affect any of the Employee's recall rights as provided for in this Article.

Those Employees who do not elect to take a voluntary layoff, upon failure to accept a transfer as provided for in paragraph D., Article (12), shall nullify all Employee rights provided for in this Article.

- a) Employees who elect to take a Voluntary Layoff, shall have the same rights to promotions in a higher classification during the voluntary layoff up to eighteen (18) months.
- E. In appropriate cases, exceptions may be made by mutual agreement of Management, the Union, and the Employee.
 - F. Employees to be laid off for an indefinite period of time will be given at least thirty (30) calendar days notice of layoff. In emergency situations which prevent such notice, the Employee may charge lost time during the initial thirty (30) calendar day period to (1) his/her vacation bank until

exhausted and (2) then to his/her illness bank. An emergency shall be defined as "a situation or occurrence of a serious nature developing suddenly and unexpectedly and demanding immediate action". The Employer agrees to provide the Union with a list of the Employees being laid off on the same date the notices are issued to the Employees.

- G. When jobs are restored after a layoff or transfer due to layoff, Employees will be recalled by classification according to inverse order of layoff or transfer due to layoff, provided they are able and qualified to perform the available work. An Employee's right to recall will be limited in duration for a period equal to his/her length of Bargaining Unit seniority up to eighteen (18) months. Refusal to accept recall while on transfer shall void all prior recall rights under this Article.
- H. Notice of recall shall be sent to the Employee at his/her last known address by Certified mail. If an Employee fails to report for work within five (5) working days from the date of delivery of notice of recall, he/she shall be considered a quit. Extension may be granted by the Employer in appropriate cases.

Layoffs for a definite period of more than seven (7) but less than thirty (30) days shall be on the basis of seniority in the classification affected providing the remaining Employees have the present ability to perform the work available.

ARTICLE (13) WORK DAY AND WORK WEEK

- A. The regular work week shall consist of five (5) eight hour, or four (4) ten hour consecutive working days on one continuous shift for a total of forty (40) hours in any one week from Monday through Thursday or Friday, inclusive, followed by two (2) or three (3) consecutive days off.

Ten (10) minutes at the beginning of the shift and the last ten (10) minutes of the shift shall be allotted for changing of clothes and wash-up in the Animal Care Center. For other Employees, ten (10) minutes at the end of the shift shall be allotted to put away tools and wash-up where applicable.

- C. The Employer has long recognized the Employee's need for reasonable rest periods during the course of the normal work day, and the Employee will be provided ten (10) minutes in each half of each work shift in keeping with necessary work schedules. It is understood that this right is not to be abused by either party.

ARTICLE (14) OVERTIME

A. Overtime Premium:

An overtime list of Employees within each classification who wish to work overtime (in order of seniority) shall be maintained. On October 1 of each year the overtime lists shall be updated by Employees indicating whether or not they wish to remain on or be added to the appropriate list. New Employees may choose whether or not to be added to the list at the end of their probationary period, and on each October 1 thereafter. An Employee who is added to the list shall automatically be credited with the greatest number of overtime hours worked by persons on the list. On each occasion when overtime is available, Employees shall be offered the work by a continuous rotation through the appropriate "overtime list."

An Employee on the overtime list who declines to work offered overtime two (2) times in any one year shall be removed from the list until October 1; except that an Employee who declines to work offered overtime two (2) times during the period August 1 - September 30 shall be removed from the list for the following year until October 1. An Employee who can not be contacted within a reasonable period of time to work overtime shall miss that opportunity to work. Refused overtime, or overtime for which an Employee could not be contacted, shall count as time worked for the purposes of equalizing overtime.

If an inadequate number of Employees on the overtime list are available for overtime work on any occasion through this rotation system, the Employer shall offer the overtime to the remaining Employees in the classification beginning with the most senior and continuing down until all available Employees have been offered the work or until an adequate number of Employees have accepted the work. If additional Employees are still needed, the Employer may require Employees to work by reverse seniority, beginning with the lowest seniority person in the classification and continuing up the classification seniority list until an adequate number of persons are scheduled.

The Employer shall have no obligation to equalize overtime for Employees not on the overtime list. Occasional unscheduled overtime of less than four (4) hours which is continuous with the Employee's regular shift may be offered to available Employees in the classification, including Employees not on the overtime list, and such occasional unscheduled overtime shall not be counted for purposes of equalizing overtime as provided in this Article.

- E. Any overtime earned before the payroll closing date shall be paid on the nearest following pay date. The Employer will give the Union a list of payroll cut-off dates every six (6) months. - B. Custodians may bid on and receive work assignments and may be secure in the knowledge they will work on their assignments daily to the extent that work is available. Such assignments are determined by the University. Custodians will be limited to 2 successful bids within a twelve (12) month period.

Custodians assigned to regular work areas shall not routinely be used for absentee replacement or other work outside their assigned area, except in an emergency as determined by Management. "Project and Relief" custodians may fill the assignments of Employees who are absent and perform "project" work in the work areas to which they are assigned, and in other areas if necessary.

If enough "Project and Relief" custodians are not available in their assigned areas to fill the assignments of Employees who are absent or work areas are occupied or unavailable, or when areas are to receive priority, it is understood that the Supervisor may assign the Employees to work on other assignments within their own classification in the same building where the specific job is all contained in one building, or in the same area where the specific job involves more than one building. When such assignment is made, the Supervisor shall inform the affected Employee(s) of the reason for the assignment.

When conditions exist as determined by the Department Director, his/her Assistant/Associate Director, Shift Supervisor, the Custodial Superintendent or the General/Training Supervisor, that make an area critical to receive priority or constitute an emergency, it is understood that the Foreman/Supervisor may assign a custodial Employee to any assignment in any area. When such assignment is made, the affected Employees shall be informed of the reason for such assignment.

It is expressly agreed that no provision of this Agreement shall act to prohibit the University from organizing and reorganizing the work force, and determining and redetermining job assignments and work to be performed. It is understood that modification of job assignments may require the rebidding of the changed positions among the affected Employees.

- C. Employees in classifications, other than custodial, that are assigned to work in buildings or assignments such as grounds workers, animal facility Employees, etc., may be assigned to various buildings or various assignments at the discretion of the Foreman/Supervisor. Such assignments shall not be used for disciplinary purposes.

ARTICLE (26) JURY DUTY

- A. An Employee called for jury duty, or whose appearance as a witness in court is required by subpoena, will be paid the difference between the jury/witness fee paid by the court and his/her regular rate of pay during the period served provided:
 - 1. The Employee presents the court summons to the Personnel Office.
 - 2. He/she signs an affidavit that court fees received will be turned over to the University.
 - 3. Court checks and court time reports are brought to the Personnel Office when the court duty is terminated.
- B. The Employee may, if he/she wishes, charge the court time to vacation and retain the court fee.
- C. An Employee is expected to report for regular University duty when temporarily excused from attendance at court when a period of five (5) hours or more remains in his/her work day.

ARTICLE (27) DISCHARGE OR DISCIPLINE

The supervisory staff will use good judgment in the enforcement of the following regulations including reprimanding or disciplining any Employee:

- A. If the Employer has reason to discipline or reprimand an Employee, it shall be done expeditiously and as timely as possible and in a manner that will not embarrass an Employee before other Employees or the public.

- B. In imposing any discipline on a current charge, the Employer will not take into account any prior infractions of which the Employer has knowledge that occurred more than two (2) years previously.
- C. An Employee may be sent home by the Foreman/Supervisor for just cause. However, a Foreman/Supervisor shall not have the right to suspend or discharge any of the five (5) members of the Grievance Committee (whose names have been previously submitted to the Human Resources Division or its designee) without prior approval of the Director of the Unit, or his/her designated representative.
- D. The Employer agrees, upon the suspension or discharge of an Employee, to notify the Steward or other authorized representative or officer of the Union within 24 hours, whenever possible. The Employee will be allowed, upon request, to discuss his/her discipline with the Steward, if the Steward is readily available, before he/she is required to leave University property. However, the University shall not be required to allow the Employee to discuss his/her discipline with the Steward before being required to leave University property if the Employee is being suspended or discharged for behavior constituting a possible danger to the welfare of any person or to property, or disorderly conduct.
- E. Should an Employee who is suspended or discharged consider the suspension or discharge to be improper, a grievance signed by the Employee must be presented in writing through the Local President, or his/her designated representative, to the Human Resources Division, or its designated representative within seven (7) working days (Monday-Friday) of the University's action.
- F. Any just cause or combination of just causes for which the individual is found guilty can lead to ultimate dismissal.
- G. If it is determined that a suspension or discharge is unwarranted, the Employee shall be reinstated with back pay, all benefits, and without loss of seniority for the period of reinstatement. Further, no record of the action will be kept in the Employee's personnel file pertaining to the reinstated period.

- C. If the matter is not adjusted satisfactorily, the grievance procedure will then be instituted.

ARTICLE (30) NON-DISCRIMINATION

- A. The University and the Union both recognize their responsibilities under Federal, State and Local laws pertaining to fair employment practices as well as the moral principles involved in the area of Civil Rights. Accordingly, both parties reaffirm by this Agreement the commitment not to discriminate against any person or persons because of sex, sexual orientation, race, creed, color, religion, national origin, marital status, age, physical handicap, political beliefs and, further, no Employee shall be subject to sexual harassment.
- B. Employees who believe that they have been discriminated against for the above listed reasons may choose to pursue their claim through the University's internal discrimination complaint procedure, administered by the Department of Equal Opportunity, or through the grievance procedure of this agreement.
- C. The initial choice of one of these two internal procedures binds the Employee and the Union as to the discrimination aspect of any claim and prohibits the processing of that same discrimination claim through any other internal procedure.

ARTICLE (31) LEAVES OF ABSENCE

A. Military Leave

- 1. Long Term: In the event an Employee is called to extended active duty for more than seventeen (17) days as a member of a reserve component, National Guard, by being drafted, or by voluntary enlistment, a leave of absence without pay shall be granted for the extent of the military duty with re-employment rights and seniority effective back to original date of hire, not to exceed one enlistment period.

2. Short Term: Regular Employees who belong to the National Guard, Officers Reserve Corps, or similar military organizations will be allowed the normal seventeen (17) day leave of absence in any one given instance when ordered to active duty or for training. The Employee will receive full pay if such short term military leave is taken and charged to his/her vacation.

 - ii. a position in the Employee's present classification, if other than custodial, will be held vacant, or temporarily filled, until the Employee returns.

Upon an Employee's return from a personal leave that exceeds ninety (90) days, the Employee will return to the same classification.

2. To return to work, the Employee shall:
 - a) Notify the University Personnel Office at least one (1) week prior to the anticipated return date, so that arrangements may be made for a 'return to work' physical examination, if so requested by the University.

- 2. If the illness leave is for 90 days or less, custodians shall have the right to return to their present assignments. Employees in classifications other than custodial shall have the right to return to their present classification.

Upon an Employee's return from an illness leave that exceeds ninety (90) days, the Employee will return to the same classification.

The Employee's right to return is contingent upon the Employee's ability to return in substantially the same state of health and competence as before leaving. In the event the Employee is unable to meet necessary standards of health and competence, the Employee shall be considered for other jobs for which the Employee may be qualified. In appropriate cases, absence of this nature will be extended up to a maximum of one (1) additional year.

 - c) Satisfactorily pass the physical examination at the Health Service, if so directed by the University.
4. Any payroll deductions in effect prior to the leave will be reinstated at the Employee's option.
5. The Employee, upon return to the same classification, will return at the same salary as in effect prior to the Leave plus any general increase granted to the classification.

Late arrivals may be allowed to work an entire shift or longer at the department head's discretion. Those arriving less than two hours late may utilize vacation or any other available time other than illness to cover their lateness.

- B. For closures declared during the work shift, those employees, who are required to stay, shall be compensated with compensatory time equal to the time worked past the declared closure.
 - C. Department heads shall establish a specific procedure (or number to call) so that employees may confirm, or understand in advance, that they need not come in on an emergency closure day. Re: Article (10) - Seniority

Dear Mr. Studevaut:

It is hereby agreed between the parties that any Employee who had been credited with Bargaining Unit seniority prior to July 1, 1981 despite promotions, transfers, or time spent outside the Bargaining Unit for any other reasons, shall not lose their accumulated Bargaining Unit seniority.

Effective July 1, 1981, Employees will earn seniority in accordance with the terms and conditions of the current Collective Bargaining Agreement.

Very truly yours,
Philip E. Heideman
Assistant Vice President

Re: Four (4) Day Work Week - Article (13)

Dear Mr. Studevart:

This letter serves to address some concerns raised by the Union during the course of negotiations regarding the implementation of a four (4) day work week.

If it is the intent of the University to initiate a four (4) day work week it will be only during the months of May through September. This period may, however, be extended by mutual agreement between the parties.

Should a four (4) day work week result in effecting any undue hardship to an Employee, the affected Employee shall have the opportunity, upon mutual agreement between the University and the Union, to switch with another Employee who would prefer a four (4) day work week. Once such a switch is made it shall be permanent and remain in effect for the duration of the four (4) day work week period. At the completion of the period, the Employees may, at their option and upon mutual agreement, return to the positions occupied prior to the switch.

Very truly yours,
Philip E. Heideman
Assistant Vice President
for Human Resources

Re: Article (25), B. - Job Assignments

Dear Ms. Fields:

During the course of negotiations, the Union expressed some concern regarding shift preference as it pertains to the modification of job assignments.

When a modification of job assignments is made which results in the change of an Employee's shift, the affected Employee may utilize classification seniority to displace the least senior person on the Employee's present shift provided his/her classification seniority is greater. The displaced Employee will then be assigned to the modified position.

Additionally, employees in parking, who are assigned closure duties, may utilize classification seniority to bid off the closure assignment. However, their assignment to other start times shall be at the supervisor's discretion.

Very truly yours,
Bruce J. Gluski

Re: Mail Room Overtime

Dear Mr. Studevart:

There is currently refinement in the contractual overtime system utilized in the Mail Room.

This method offers the opportunity to work overtime when overtime is available. It shall be distributed equally to employees working within the same job assignment. An overtime list of employees within each job assignment who wish to work overtime (in order of seniority) shall be maintained.

All other provisions regarding overtime remain in effect.

It is understood the University has no current intent to alter that method of overtime. Should the method be altered, the University would discuss with the Union the proposal and consider any suggestions to improve the system.

Very truly yours,
Philip E. Heideman
Assistant Vice President
for Human Resources

Re: Student Assistants

Dear Ms. Ward:

It is the present intent of the Physical Plant to employ student assistants and/or technicians for the purpose of assisting in the filling of the work assignments of custodians who are absent for periods of one (1) week or more, but less than six (6) months, because of illness or disability including short-term disability, vacations, and leaves of absence. It is understood that any one technician/student will not perform work in the position of any one absent custodian for a period in excess of 2 1/2 months. The hiring, retention and numbers of such student assistants and/or technicians will depend on operational needs and budgetary limitations as determined by management.

Re: Article (14), C. - Classification Overtime List

Dear Ms. Ward:

It is understood by the parties to this collective bargaining agreement that employees in the following classifications who elect to be placed on their classification overtime list may refuse offered overtime up to five (5) times in a year without being removed from the overtime list:

Groundskeeper
Mail Clerk
Mail Clerk Leader
Mail Driver Leader
Parking Facility Security Attendant

This exception to the provisions of Article (14)C., is made since opportunities to work overtime are presently most frequent in the above classifications. Should this situation change, the matter shall be discussed by the parties.

This Letter of Understanding shall not operate to give any employee the right to refuse required overtime.

Very truly yours,
Dinah Currier

Re: Job Assignments

Dear Ms. Fields:

The Union raised concerns regarding the current configuration of "Project and Relief" assignments within the custodial classification.

While the University retains the right to organize the work force, determine job assignments and make necessary modifications in the best interests of the University, there is presently no intent to significantly increase the number of full and partial "Project and Relief" assignments from the number that currently exists.

LETTER OF AGREEMENT #8

Re: Site Location - Salary Considerations

Considerable discussion was had during these negotiations regarding a letter of agreement dated September 20, 1973, that was included in several subsequent Collective Bargaining Agreements.

That letter dealt with the subject of Employees working out of classification or in different locations at the Matthaehi facility.

The concept of Employee entitlements under these circumstances is an important one, and for that reason this letter will serve to clarify the University's position regarding this issue.

It must be understood that mere physical location at the situs of an absent Employee who happens to hold a higher classification does not carry with it the commensurate hourly rate increase unless, and until, the person so occupying that position is specifically told by supervision to perform the special additional responsibilities of the higher classification.

To further clarify, if a higher classified Employee is absent, the move of a lower classified Employee to the work location of the higher classified Employee does not automatically result in an hourly increase. Such an increase only results with the assignment by supervision of such specialized and specific duties performed by the higher classification.

Very truly yours,

Brenda R. Malone
Contract Administrator

Re: Graduate Tuition Benefits

In 1986 the Internal Revenue Code was modified to require that Graduate Tuition benefits be treated as taxable income to the employee.

As a result of that modification, the University instituted a Tuition Reimbursement Program for graduate courses taken by employees.

A recent modification of the Internal Revenue Code has now resulted in the treatment of Graduate Tuition Benefits as non-taxable once again. Accordingly, the University has re-instituted the Tuition Assistance Program for graduate level course work.

It is understood that, should the status of the Internal Revenue Code change again with respect to Graduate Tuition Benefits and result in the treatment of such benefits as taxable income, the University will reinstate the Reimbursement program or such other program as will result in compliance with the code.

Yours very truly,
Brenda R. Malone

Re: Employee Assistance Program

Considerable discussion was had during these negotiations regarding the deletion of the Letter of Agreement dated November 24, 1981, regarding the Employee Assistance Program.

The outcome of those discussions was the recognition, by both parties, that substance abuse problems, including alcoholism, are illnesses that may be successfully treated and that treatment of those, as well as other personal and emotional problems, are in the best interest of the Employee, Union and the University.

Accordingly, the University will continue to encourage those employees in need to seek effective assistance and treatment of those problems.

Nothing in this Letter of Agreement is to be interpreted as constituting a waiver of the University's right to take disciplinary measures and/or the Union's right to avail itself of the Collective Bargaining Agreement.

Very truly yours,

Brenda R. Malone
Contract Administrator

LETTER OF AGREEMENT #11

April 22, 1987

AFSCME, Local 1497
Detroit, MI

Re: Article (1) Recognition.

The University and the Union agree to delete the classifications of Building Attendant and Senior Building Attendant at McGregor Memorial Conference Center from representation by AFSCME, Local 1497 provided, however, that the affected employees are placed into Custodial positions and suffer no loss of wages, benefits or contractual rights as a result of this agreement. Further, the parties agree that the classification seniority such employees earned as Building Attendants will be considered as their Custodial Classification seniority upon their placement into Custodial positions.

In exchange, the University agrees to voluntarily recognize Michigan Council 25, AFSCME Local 1497, AFL-CIO, as the exclusive representative of employees hired into positions in the buildings known as the Criminal Justice Institute and the Merrill Palmer Institute to perform those custodial duties traditionally performed by the bargaining unit.

Upon the signing of this Collective Bargaining Agreement the University will take the steps necessary to staff custodial positions in these buildings with members of AFSCME, Local 1497.

Very truly yours,

Brenda R. Malone

Re: Classroom Attendant

Dear Linda:

During negotiations the parties agreed to continue the classification of Classroom Attendant.

Further, the University agrees that in the event of layoff or reduction in force, employees classified as Classroom Attendant will be laid off before any employees classified as Custodian. Likewise, in the event of recall, laid off Custodians will be recalled prior to employees who are on layoff and classified Classroom Attendants.

Classroom Attendants will not replace or displace custodial employees. Classroom Attendants shall not exceed 14% of the number of budgeted positions that are classified as Custodians.

Sincerely,
Brenda R. Malone
Asst. Vice President
Labor Relations

LETTER OF AGREEMENT #13

April 22, 1987

AFSCME, Local 1497

Re: Vacation Requests

During the course of negotiations, the Union expressed considerable concern over the possible loss of vacation as a result of reducing the maximum vacation accrual.

The University therefore agrees that any Employee who requests vacation time off at least sixty (60) days prior to reaching the accrual maximum and has such request denied by the University, will be assured that another vacation period will be established within that sixty (60) day period in order to ensure that no vacation time is lost.

Very truly yours,

Re: Overpayments

Dear Linda:

In the event that an Employee is overpaid by the University, such Employee is required to repay the University promptly the amount of the overpayment.

It is understood that, where no dispute exists as to the overpayment or as to the amount owing, the University may recoup the overpayment through payroll deductions. Nothing contained in this letter shall preclude the parties from making alternate arrangements to repay the amount owing.

Brenda R. Malone

Re: Observance of Martin Luther King Day

Dear Linda:

During the course of our recent negotiations, discussions were held regarding the above captioned subject matter.

While Martin Luther King's birthday is not a recognized University holiday under Article 15, the University agrees to honor to the extent possible requests from Employees who may desire to utilize the floating holiday, vacation days, or personal days to observe said holiday.

It is understood that in those areas where service(s) must be provided, a crew (or crews) will be maintained and assigned to work in any area(s) on the basis of inverse classification seniority.

Re: Article (18) Illness Day Plan

Dear Linda:

The parties understand and agree to continue the practice whereby the University exercises discretion with respect to excusing "occasional and unexpected tardiness" from affecting the accrual of illness days. Such "occasional and unexpected tardiness," if excused for purposes of the accrual, must be charged to the vacation bank.
