The Board and Association recognize their mutual obligations pursuant to Act 379 of the Public Acts of 1965 to bargain collectively with respect to hours, wages and conditions of employment. This Agreement entered into this first day of July, 1994, by and between the School District of Breitung, the City of Kingsford, Michigan, hereinafter called the "BOARD" and the Upper Peninsula Education Association and the Michigan Education Association, hereinafter called the "ASSOCIATION".

ARTICLE 1 - Recognition

The Board recognizes the Association as the exclusive bargaining representative for the entire Breitung Township teaching staff, including the positions of:

Classroom teachers - kindergarten through 12th grade without
supervisory or administrative duties
Teachers of music, art, and physical education
Certified librarians
Counselors
Special education teachers

But excluding:

Uncertified social workers, teacher aides, on call employees,
supervisors and all other employees.

ARTICLE 2 - Association and Teacher Rights

A. Pursuant to the Michigan Public Employment Relations Act, the Board hereby agrees that every employee as defined in Article I shall have the right freely to organize, join and support the Association for the purpose of engaging in collective bargaining or negotiation and other concerted activities for mutual aid and protection. As a duly elected body exercising governmental power under the statutes of the State of Michigan, as amended, the Board undertakes and agrees that it will not directly or indirectly discourage or deprive or coerce any teacher in the enjoyment of any rights conferred by the Act or other laws of Michigan or the Constitutions of Michigan and the United States; That it will not discriminate against any teacher with respect to hours, wages, or any terms or conditions of employment by reason of his/her membership in the Association, his/her participation in any activities of the Association or collective professional negotiations with the Board or his/her institution of any grievance, complaint or proceeding under this Agreement or otherwise with respect to any terms or conditions of employment.

B. Nothing contained herein shall be construed to deny or restrict to any teacher rights he/she may have under the Michigan General School Laws or other applicable laws and regulations. The rights granted to teachers hereunder shall be deemed to be in addition to those provided elsewhere.

C. The Association and its representatives shall have the right to use the school for meetings when not conflicting with pre-scheduled activities, except during the teacher's working day as stated in this contract. No charge shall be made for the use of the building except when used during hours in which custodians are not on duty. Charges then shall consist of custodian's salary plus charges normally charged other organizations for the same use. All arrangements for building use shall be made through the principal of the building concerned.

D. The Association shall have the right to use for local Association business school equipment, including typewriters, mimeo-graphing machines, other duplicating equipment, calculating machines, and all types of audio-visual equipment at times when custodians are on duty. The Association shall pay for the actual cost of all materials and supplies incident to such use.

E. The duly authorized president, or vice president if the president is not available, shall be granted time to transact official Association business with officials of the U.P.E.A. and M.E.A. during the preparation period of the local officer. Proper credentials must first be presented to the building principal.

F. The Association shall have the right to post notices of its activities and matters of Association concern on teacher bulletin boards, at least one of which shall be provided in each school building. The Association may use the district mail service and teacher mail boxes for communications to teachers. No teacher shall be prevented from wearing insignia, pins, or other identification of membership in the Association either on or off school premises.

G. The Board agrees to make available to the Association in response to reasonable requests annual financial reports and audits, register of certificated personnel, tentative budgetary requirements and allocations (including county allocation board budgets), agendas and minutes of all board meetings, and census and membership data. Only copies of official records and accounts shall be permitted to leave the office of the Board.

H. The Board shall allow input from employees as defined in Article I on any new or modified fiscal, budgetary or tax programs, construction programs, or major revisions of educational policy, which are proposed or under consideration. The Board shall provide the Association president a copy of the agenda of Board meetings which will be mailed at the same time of the mailing to the Board members.

I. The provisions of the Agreement and the wages, hours, terms, and conditions of employment shall be applied in a manner which is not arbitrary, capricious or discriminatory and without regard to race, creed, religion, color, national origin, age, sex, or marital status.

J. The Association shall be granted a "bank" of four (4) days per year for the purpose of releasing its representatives from regular duties without loss of salary to participate in area, state, or regional meetings of the Michigan Education Association. An additional ten (10) days will be granted for which the Association will pay the salary of a substitute teacher for that purpose. Time must be drawn from the bank in half day or full day blocks of time. Any staff member drawing time from the bank must notify his/her respective building principal at least on one (1) school day in advance.

ARTICLE 3 - Rights of the Board

A. The Board on its own behalf and on behalf of the electors of the District hereby retains and reserves unto itself, without limitation, all

powers, rights, authority, duties and responsibilities conferred upon and vested in it by the laws as amended and the Constitution of the State of Michigan, and of the United States or enjoyed by employers, including, but without limiting the generality of the foregoing, the right:

1. To exclusive management and control of the school system and its properties, facilities, and operations.
2. To hire all employees; to determine, subject to law, their qualifications, dismissal, demotion, suspension, or layoff; to determine the number and scheduling, including business hours and school hours and days, of all employees; to promote or transfer all employees; to determine the size of the working force; and to assign duties to, and to direct, all employees.
3. To establish grades or courses of instruction, including special or innovative programs and to provide for athletic, recreational, and social events for all students, as deemed necessary or advisable.
4. To approve the means and methods of instruction, the selection of textbooks and other teaching materials, and the use of teaching aids of every kind and nature; and to determine services, supplies, and equipment and all financial and public relations practices.
5. The Board and the Association recognize that the Board, under law, has the final responsibility for establishing policies for the district.

B. The exercise of the foregoing powers, rights, authority, duties and responsibilities by the Board, the adoption of policies, rules, regulations, and practices in furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited only by the specific and express terms of this agreement and then only to the extent such specific and express terms hereof are in conformance with the Constitution and laws, as amended, of the State of Michigan, and the Constitution and laws of the United States. Furthermore, the Board recognizes that this agreement sets forth limitations on the above named powers, rights, authorities, duties, and responsibilities and hereby agrees to be bound by such limitations.

ARTICLE 4 - Professional Responsibility

A. Membership in the Association shall be open to all teachers, regardless of race, sex, creed, marital status, or national origin.

B. It is recognized that the proper negotiation and administration of collective bargaining agreements entail expense which is appropriately shared by all teachers who are beneficiaries of such agreements. To this end, the Board agrees either to:

1. Deduct from teachers' salaries dues for the Breitung Township Education Association, or
2. Deduct from teachers' salaries a service fee established in accordance with applicable laws and regulations.

C. The deduction shall be made as the teachers individually and voluntarily authorize the Board to deduct, and the monies shall be promptly transmitted to the Breitung Township Education Association. Teacher authorizations shall be made in the form set forth in Schedule D.

D. The Board shall be under no obligation whatsoever to deduct membership fees or any service fees established in accordance with applicable laws and regulations, unless it has in advance a signed authorization card permitting such deduction. The Association agrees to indemnify the Board for any damages or liability incurred by the Board, including costs of litigation and attorney's fees, for any deduction made by the Board based upon a signed authorization card.

E. In the event of any legal action against the Board brought in a court or administrative agency because of its compliance with this Article, the Association agrees to defend such action, at its own expense and through its own counsel, who shall be reasonably acceptable to the Board, provided:

1. The Board gives timely notice of such action to the Association and permits the Association intervention as a party if it so desires, and
2. The Board gives full and complete cooperation to the Association and its counsel in securing and giving evidence, obtaining witnesses, and making relevant information available at both trial and appellate levels.

The Association agrees that in any action so defended, it will indemnify and hold harmless the Board from any liability for damages and costs imposed by a final judgement of a court or administrative agency as a direct consequence of the Board's compliance with this Article.

F. In the event that a teacher does not authorize deduction of dues or a service fee established in accordance with applicable laws and regulations, and does not pay such sum directly to the Association, for a period of thirty (30) days following the commencement of employment of the teacher, the Board agrees that, upon written request in such regard to the Board by the Association, to effectuate the purposes of the Public Employment Relations Act and this agreement, the services of such teacher shall be discontinued immediately.

G. If the Board discharges a teacher for failure to comply with the provisions of this Article, the Association agrees to indemnify and hold harmless the Board from any and all damages and judgments which may result from such action, including costs of litigation and attorney's fees.

H. The Board agrees to send or present each teacher offered a contract with a copy of this article along with the individual teacher contract.

I. The Breitung Township Education Association shall certify to the Board, in writing, the current rate of membership dues by October 1. Special assessments shall be deducted within 30 days after written notification to the Board.

J. Deduction referred to in Section B above shall be made in twenty (20) equal installments.

K. No later than September 30 of each year, the Board shall provide the Education Association with a list of those employees who have voluntarily authorized the Board to make deductions for membership dues or service fees established in accordance with applicable laws and regulations.

L. If a teacher is hired to replace a teacher during the year, that teacher will receive a contract after teaching thirty days, at which time they will pay dues or a service fee established in accordance with applicable laws and regulations to the Association. This contract will state that his or her

employment will terminate at the end of that year or when the regular teacher returns to his/her duties, whichever occurs first. In the event that the same teacher is rehired at a later date for another contractual assignment, he or she shall not have to serve another thirty (30) day probationary period for substitute pay. That teacher shall pay dues or a service fee established in accordance with applicable laws and regulations to the Association upon employment.

If a teacher is hired at the beginning of the year as a one year replacement, he/she will receive a special contract for that year only and will be placed on the salary schedule at the beginning of the year.

Teachers defined above shall not have rights to recall.

M. The Board must give individual contracts to teachers prior to the end of the first grading period if the Master Agreement has been approved and executed. The contracts shall include proper signatures from the Board and its representatives.

H. The normal weekly teaching load in the elementary schools will include:

1. a minimum of two and one-half (2-1/2) periods of unassigned preparation time, each preparation period to be a minimum of one-half (1/2) hour duration. through the professional grievance procedure hereinafter set forth. Any teaching period that exceeds the normal teaching load must be posted as a regular vacancy, and may be applied for by any teacher having an open corresponding period. This provision will apply to only new extra period assignments which have not already been filled by another individual prior to the 1992-93 school year. Individuals may first apply by building, and if no one within the building applies, then anyone meeting the criteria for the position within the school system may apply.

L. A teacher engaged during the school day in negotiating on behalf of the Association with any representative of the Board or participating in professional grievance negotiation, including arbitration, shall be released from regular duties without loss of salary.

M. The total number of students in the kindergarten classes will be determined on the 9th school day of each year. If the number of students reaches one hundred and forty-eight (148), seven (7) sections will be maintained. For 1994-95 school year and thereafter there shall be a seven (7) period day at the middle school with five periods of teaching, one period of preparation and one period of team preparation/professional time. Special teachers such as physical education and arts related teachers may have students during the team preparation period.

Q. There shall be a seven period day at the senior high school. The District shall have the option of setting the starting time for high school classes at either 8:00 A.M. or 8:05 A.M., depending upon the best judgment of the administration as to how to best coordinate schedules between the high school and the area vocational/technical school. U. Any teacher teaching an extra class shall be entitled to 1/7th of that teacher's salary step, whether that teacher is classified as a high school, middle school or elementary teacher. A teacher shall be classified as a middle or high school teacher respectively where that teacher is originally assigned to teach 3 or more class periods a day (any extra class period accepted by a teacher shall not alter the original designation).

ARTICLE 6 - Special Student Program

A. The parties recognize that children having special physical, mental and emotional problems may require specialized classroom experience and that their presence in regular classrooms may interfere with the normal instructional program and place extraordinary and unfair demands upon the teacher. Special attention will be given to reducing class size where special students are placed in a regular classroom. Any teacher shall have the right to advise the administration that one of that teacher's students should be tested if that student's educational needs are not being met. The initial interview with the counselor and arrangements for approved psychological and/or appropriate testing must be completed within a five (5) day period from the date of referral. The referring teacher shall be informed of all progress of such arrangements.

D. The Board shall assure that the Association is notified and allowed to participate in any planning process involving the ISD in implementing the least restrictive environment concept in the Breitung Township Public Schools. Such participation shall neither expressly nor by implication be deemed to be a waiver of the Association's right to bargain any working condition in accordance with its responsibilities pursuant to the Public Employment Relations Act, as amended.

ARTICLE 7 - Teaching Conditions

A. It is recognized by the Board of Education and the Association that the pupil-teacher ratio is an important aspect of an effective program. Therefore, they agree that every effort will be made to keep class size at an acceptable number as directed by the financial condition of the district, the building facilities available, and the best interest of the district as deemed feasible.

B. The Board agrees to direct all administrators not to schedule combination elementary grade classrooms without prior agreement between the Board and the Association.

C. The Board recognizes that appropriate texts, library reference facilities, maps and globes, laboratory equipment, audio-visual equipment, art supplies, athletic equipment, current periodicals, standard tests and questionnaires and similar materials are the tools of the teaching profession. The parties will confer from time to time for the purpose of improving the selection and use of such educational tools and the Board undertakes promptly to consider all joint decisions thereon made by its representative and the Association. G. The Board shall make available in each school lavatory facilities exclusively for employee use.

H. Existing telephone facilities shall be made available to teachers for their necessary personal use. All unapproved long distance calls shall be paid by the caller. The Association may have a telephone installed in each lounge at Association expense. The Board will provide additional phones in or near each pod for staff to use for their professional responsibilities.

I. Teachers shall not be required to work under unsafe or hazardous conditions or to perform tasks which endanger their health, safety or well being.

J. Pursuant to the requirements of Act 54, Public Acts 1972, the Board will pay for one (1) pair of prescription safety glasses and for the repair and replacement of same for all teachers who are required by said Act to wear eye protective devices. The job description of educational aides shall include a provision that when they are working directly with students in the classroom in a manner customarily performed by a teacher without the supervision of a certified teacher, their salary shall be pro-rated, and they shall be subject to any terms of this Agreement applicable to their situation.

D. Since pupils are entitled to be taught by teachers who are working within their area of competence, teachers shall not be assigned, except temporarily and for good cause, outside the scope of their teaching certificates or their major or minor field of study and the Association shall be so notified in each instance.

E. All teachers shall be given written notice of their schedules for the forthcoming year no later than August 1. In the event that changes in such schedules are proposed, all teachers affected shall be notified promptly. I. All part time teachers shall be assigned extra curricular duties proportional to time taught.

J. Teachers working less than a full assignment shall be paid the appropriate fractional share of that step on the salary schedule, prorated by the amount of time worked and shall advance a full step for each year worked; provided however that all teachers must work the full contractual year to earn one year of credit for advancement to the next increment on the salary schedule. Approved paid or leave days provided for in this master agreement shall count toward meeting this obligation. Adjustments to placement on the salary schedule shall be made at the beginning of the semester following that in which a full year of credit is earned. This procedure shall apply effective July 1, 1992 and no retroactive payment or adjustment shall be made for any past conduct inconsistent with this provision. In filling such vacancy, the Board agrees to give due consideration to the professional background and attainments of both in service and other applicants, including the length of experience of each. For positions in the bargaining unit, other relevant factors will be agreed upon by the Board and the local Association. An applicant with less service shall not be awarded such position unless his/her qualifications therefore shall be superior to applicants with greater service.

D. All job postings of Breitung Township School positions shall state the minimum qualifications established by the Board and applicants who have applied in writing shall be notified in writing if they have not been selected.

ARTICLE 10 - Promotions

A. The Board declares its support of policy of promotion from within its own staff. Should qualified Breitung Township School employees apply for promotions and be denied promotions, the Superintendent will state by letter, if requested by the applicant, the reason for this denial of the advancement.

B. The final authority for promotions rests with the Board.

ARTICLE 17 - TRADITION OF EDUCATION

A. The parties seek to educate young people in the democratic tradition, to foster a recognition of individual freedom and social responsibility, to inspire meaningful awareness of and respect for the Constitution and Bill of Rights, and to instill appreciation of the values of the individual personality. No special limitation shall be placed upon study and investigation of facts and ideas concerning humanity, human society, the physical and biological world or other branches of learning within approved curriculum guidelines put into place under the terms and conditions of this Agreement.

B. Fairness in procedures will be observed in working toward the implementation of Section A. The parties will also exhibit by appropriate examples the basic objectives of a democratic society.

C. Teachers shall be entitled to full rights of citizenship. No religious or lawful political activity of any teacher, or the lack thereof, shall be grounds for any discipline with respect to the teacher under such circumstances.

D. The parties agree to comply with state law regarding grading and grade changes. A teacher has a right to examine the transcripts of that teachers' students. Once issued, a grade may not be changed unless the procedures outlined in State law or school policy regarding grading and grade changes are followed by the parties.

ARTICLE 18 - Tenure Procedures

I. Responsibilities of Principal in Tenure:

A. The building principal shall explain tenure to all new probationers and explain the evaluation system to be used.

B. If requested by a probationary teacher, the building principal shall assign a helping teacher to the probationer within a reasonable period of time after the request. A tenure teacher may accept such appointment at his/her discretion. If there are no tenure teachers who volunteer to be helping teachers, the principal has no further obligation to obtain a helping teacher.

C. The building principal shall schedule at least two probationer-principal conferences per school year and one should be before November 15th.

D. The building principal shall hold a conference with the probationer within a reasonable time following observation.

E. The building principal shall evaluate the work of the probationer and make advisory recommendations regarding tenure status to the Superintendent.

F. The building principal shall be available to assist tenure teachers in maintaining the high standards expected of those on tenure.

II. Responsibilities of Helping Teachers and Probationers:

A. The role of the helping teacher is supportive -- not supervisory. He/she stands in the position of a friendly counselor and helpful personal advisor.

B. The helping teachers shall be tenure teachers, preferably in the same building or department.

C. The helping teacher shall generally offer assistance to help the probationary teacher, upon the probationer's request.

D. The building principal shall attempt to replace the helping teacher if either the probationer or the helping teacher requests a change.

III. Ad Hoc Committee:

Upon the request of either a probationer teacher or a tenure teacher having a problem concerning tenure, an ad hoc committee shall be formed by the Association to meet with said teacher.

The committee shall consist of three tenure members from the same building as the requesting teachers. The committee shall be elected by a majority vote of the tenured teachers in the building. The opinions of the committee shall be strictly advisory. At the request of the teacher, the findings of this group may be reported to the Building Principal and/or the Superintendent of Schools. The ad hoc committee shall be dissolved upon completion of each requesting teacher's consideration.

IV. It is agreed by the Board and the Association that the policy in this Article is not obligatory on either party and that the Michigan Teacher Tenure Act is paramount and shall prevail. A teacher shall be placed on continuing tenure following a successful probationary period.

ARTICLE 19 - Teacher Evaluation

A. The work performance of all teachers shall be evaluated in writing. Probationary teachers shall be evaluated at least two times during the school year. Tenure teachers shall be evaluated at least once in every two years.

B. There shall be no limitation on the number of evaluations which the Board can undertake of probationary teachers.

C. Evaluations shall be conducted by the teacher's immediate supervisor or an administrator working in the same building or otherwise familiar with the teacher's work who shall be designated by the Board.

D. Each observation shall be made in person for a reasonable length of time and the time will be recorded on the evaluation sheet. All monitoring

or observation of the work of a teacher shall be conducted openly and with full knowledge of the teacher. The use of eavesdropping, closed circuit television, public address or audio systems and similar surveillance devices shall be strictly prohibited.

E. Video taping of teachers for purposes of teacher evaluation shall not be mandatory without mutual consent.

F. A copy of the written evaluation shall be submitted to the teacher at the time of such personal interview or within ten (10) days thereafter, and the teacher shall have the opportunity to review the evaluation report. All evaluations shall be based upon valid criteria for evaluating professional growth.

G. No later than March 15th of each probationary year the final written evaluation report will be furnished to the Superintendent covering each probationary teacher. A copy shall be furnished to the teacher and signed. If the report contains any information not previously made known to and discussed with the probationary teacher, the teacher shall have an opportunity to submit additional information to the Superintendent. In the event a probationary teacher is not continued in employment, the Board will advise the teacher.

H. Each teacher shall have the right upon request to review the contents of his/her own personnel file. A representative of the Association may, at the teacher's request, accompany the teacher in this review. The teacher shall have the right to attach a rebuttal letter to his/her file.

I. Unless otherwise required by applicable law, the Board agrees that all employment records, including medical, counseling, psychological records, evaluations and any other records shall not be released to third parties absent the written consent of the teacher or pursuant to a lawfully issued order or subpoena. Unless otherwise required by applicable law, the Board further agrees that at the request of the teacher, all hearings regarding dismissal, suspension, allegations, evaluations or discipline conducted by the Board shall be in closed session and the teacher shall not be identified in any public minutes of the Board.

ARTICLE 20 - Professional Behavior

A. Teachers are expected to comply with reasonable rules, regulations, and directions from time to time adopted by the Board of Education or its representatives which are not inconsistent with the provisions of this Agreement, providing that a teacher may reasonably refuse to carry out an order which threatens physical safety or well-being or is professionally demeaning. Board policy books will be placed in each teacher's lounge and principal's office and will be updated with reasonable frequency.

B. The Board recognizes that the Code of Ethics of the Education Profession is considered by the Association and its membership to define acceptable criteria of professional behavior. The Association shall deal with ethical problems in accordance with the terms of such Code of Ethics of the Education Profession. Any employment, outside the teaching profession, participated in by the teacher shall be of such a nature as to not interfere in any way with the teacher's effectiveness as a teacher and shall not bring the school district or the teaching profession into public disrepute.

C. The Association recognizes that abuses of sick leave or other leaves, chronic tardiness or absence, willful deficiencies in professional performance, or other violations of discipline by a teacher reflect adversely upon the teaching profession and create undesirable conditions in the school building. Alleged breaches of discipline or the Code of Ethics of the

Education Profession shall be promptly reported to the offending teacher and to the Association. The Association will use its best efforts to correct breaches of professional behavior by any teacher and, in appropriate cases, may institute proceedings against the offending teacher.

D. A teacher shall at all times be entitled to have present a representative of the Association when he/she is being reprimanded, warned or disciplined for any infraction of rules or delinquency in professional performance. When a request for such representation is made, no action shall be taken with respect to the teacher until such representative of the Association is present.

E. No teacher shall be disciplined, reprimanded, reduced in rank or compensation or deprived of any professional advantage without just cause. Any such discipline, reprimand or reduction in rank, compensation or advantage, including adverse evaluation of teacher performance asserted by the Board or representative thereof shall be subject to the professional grievance procedure hereinafter set forth. All information forming the basis for disciplinary action will be made available to the teacher and the Association.

ARTICLE 21 - Maintenance of Standards

A. All conditions of employment, as defined by Act 379, PA 1965, as agreed to herein, shall not be changed except by mutual agreement of the parties hereto.

B. The duties of any teacher or the responsibilities of any position in the bargaining unit will not be substantially altered or increased without prior negotiation with the Association.

ARTICLE 22 - Reductions in Personnel and Annexations and Consolidations of Districts

A. To the full extent permitted by law, this Agreement shall be binding upon the Board and its successor personnel and upon any school district into which or with which this district shall be merged or combined.

B. In the event this district shall be combined with one or more districts, the Board will use its best efforts to assure the continued recognition of the Association and the continued employment of its members in such consolidated district.

C. Should substantial and unforeseen changes in student population or other conditions make necessary a general reduction in the number of teachers employed by the Board, the Board will retain, as nearly as possible, those teachers certified for the position by the State of Michigan with continuing or permanent teaching certificates having the most seniority in the district. Seniority shall be defined as total years of service to the Breitung Township School District in positions that require teacher certification. Every employee who completes one complete year as a full time employee shall be granted a total of six (6) points for the year. An employee who works less than full time shall be granted a pro rata number of points based on the number of hours worked, i.e., a one-half time teacher shall be granted three (3) points for the year. Seniority points will be determined by the number of full time equivalent days taught divided by 180, multiplied by 6, and rounded to the nearest tenth. An employee on an involuntary leave of absence, such as a disability, maternity, military, etc., shall continue to accrue seniority while on leave of absence. An employee on an approved voluntary leave of absence shall not accrue seniority while on leave but shall retain the seniority earned prior to such leave. The Association and the Board will

further use their best efforts to assist all teachers terminated for lack of work to secure employment in adjacent school districts upon terms and conditions as nearly comparable as possible. Nothing herein shall relieve the Board from fulfilling the terms of any contract with a teacher.

D. A seniority list shall be posted by October 1 of each school year and contain the number of seniority points and degree plus hours held. The list shall be posted for a 30 day period. If any errors are found in the list they shall be corrected within the 30 day period. After the 30 day posting period, the seniority list shall be final and not subject to any change or protest. Supervisors who previously paid dues to the MEA-BTEA will have accumulated seniority points for those years and be included on the seniority list.

E. Qualified teachers shall be recalled in the opposite order of the layoff. Those teachers qualified for the position available having the most seniority in the Breitung Township School District will be the first to be recalled.

F. The Board shall give written notice to recall from layoff by sending a registered or certified letter to said teacher at his/her last known address. It shall be the responsibility of the teacher to notify the Board of any change of address. The teacher's address as it appears in the Board's records shall be conclusive when used in connection with layoffs, recalls, or any other notice to the teacher.

G. If the teacher fails to acknowledge his/her availability for reemployment within five (5) calendar days after date of receipt of the letter of recall or fifteen (15) days after mailing of recall notice, unless an extension is granted in writing by the Board, or refuses such offer of re-employment, said teacher shall be considered a voluntary quit, shall lose all seniority, and shall completely terminate his/her individual employment contract and any other relationship with the Board. Provided, however, that a teacher under contract with another school district may refuse a recall during the school year.

ARTICLE 23 - Continuity of Operations

A. Both parties recognize the desirability of continuous and uninterrupted operation of the instructional program during the normal school year and the avoidance of disputes which threaten to interfere with such operations. Since the parties have established a comprehensive grievance procedure under which unresolved disputes may be settled, the parties have removed the basic cause of work interruptions during the period of this agreement and they shall not, directly or indirectly, engage in or assist in any strike in the Breitung Township District as defined by Section 1 of the Public Employment Relations Act.

B. No teacher or any other member of the bargaining unit will take part in any strike or work stoppage of any kind or nature for the duration of this agreement. Strike and work stoppages shall be deemed to include, but are not limited to, slow-downs, stoppages of any kind, sit-ins, and "blue-flue". There shall be no picketing or demonstrating during the school day.

C. The Board agrees that it will not, during the period of this Agreement, directly or indirectly, engage in or assist in any unfair labor practice as defined by Section 10 of the Public Employment Relations Act.

D. Nothing in this Article shall require the Board to keep schools open in the event of severe inclement weather or when otherwise prevented by an act of God and nothing shall require teachers to report for work in such

circumstances.

E. In the event that days when school is closed due to unforeseen conditions may not lawfully be counted to arrive at the annual instructional minimum required by law to qualify for maximum State Aid, the teachers shall make up any such days without extra compensation. Such days shall be rescheduled at the end of the school year as determined by the Board, after input from the Association.

ARTICLE 24 - School Calendar

A. For the 1994-1995 school year, the school calendar shall be as set forth in Schedule A. There shall be no deviation from or change in the school calendar except by mutual agreement of the Board and the Association.

B. New teachers shall report for a one day orientation session to be held prior to the beginning of classes at the beginning of the school year.

C. No teacher will be required to remain after completion of the school calendar.

D. For the 1995-1996 school year, the school calendar shall consist of 183 contract days. One Hundred Eight-one (181) days shall be student contact days and 2 days shall be parent/teacher conference days. These parent/teacher contact days shall occur on the evenings of regular school attendance days.

ARTICLE 25 - Professional Compensation

A. The basic salaries of teachers covered by this Agreement are set forth in Schedule B, which is attached to and incorporated in this Agreement. Such salary schedule shall remain in effect during the term of this Agreement.

B. All teachers, whether or not newly employed, shall be given a maximum of eight (8) years credit on the Salary Schedule set forth in Schedule B for outside teaching experience in any school district and other teaching experience for which credit is allowed.

C. A maximum of five (5) years of active service in the armed forces shall be considered equivalent to five (5) years of teaching in the Breitung Township Schools for salary purposes. In no instance shall the combined credit for teaching outside the Breitung Township Schools and service in the armed forces exceed eight (8) years.

D. Academic credit received by the teacher for the purpose of changing classification on the salary schedule must be toward a higher degree or credit in the field in which he is teaching or related areas. Prior approval for courses may be obtained from the Superintendent before enrolling in a class.

1. Evidence of credits shall be given to the principal of the school. The principal and Superintendent shall evaluate the credits and recommend to the Board those approved changes in the schedule.
2. If credits are disapproved, they shall be given to a committee composed of two (2) teachers, one (1) administrator, and two (2) Board members who shall judge credits and recommend to the Superintendent changes of classification for salary purposes. The Superintendent will then recommend to the Board of Education these changes.

3. Credits for change of classification submitted by a grade school teacher shall be judged by a committee of two (2) grade school teachers, one grade school principal or supervisor and two (2) Board members.
4. Credits for a change of classification submitted by a senior high teacher shall be judged by two (2) senior high teachers, one high school principal or supervisor and two (2) Board members.
5. Credits for a change of classification submitted by a middle school teacher shall be judged by two (2) middle school teachers, one middle school principal or supervisor and two (2) Board members.
6. Teachers serving on this committee will be selected by the teachers of each group during the last month of school each school year and continue to serve until a successor is selected.

E. Any teacher who expects to move horizontally on the salary schedule must notify the Superintendent of Schools in writing prior to July 1 of the year in which he/she is to make the horizontal move. Credits must be evaluated and approved prior to payment. If notification is not made prior to July 1, the teacher will not be entitled to make such a horizontal move during the first semester of that school year. If notification is not made prior to November 1, the teacher will not be entitled to make a horizontal move during the second semester of that school year.

F. Any teacher who wants to have his/her credits evaluated for the purpose of advancement on the salary schedule must notify the Superintendent in writing at least fifteen (15) days before the beginning of each semester.

G. Teachers will be paid in a manner to conform to one of three options:

Option I: One twenty-sixth of the annual salary, less deductions. The final payment will be on the pay date following the end of the school year. Included with this last payment will be the total of withheld salary.

Option II: One twentieth of the annual salary, less deductions.

Option III: One twenty-sixth of the annual salary, less deductions. Summer checks will be mailed every two weeks.

Pay dates will be every other Thursday.

Teachers may elect any of the three options. A change may be made from Option I to Option III, or from Option III to Option I, provided that the change is made prior to June 1.

H. The Salary Schedule is based upon the regular school calendar as set forth in Schedule A and the normal teaching load as defined in this Agreement.

I. Teachers involved in extra duty assignments set forth in Schedules B, 1 and 2, which are attached to and incorporated in this Agreement, shall be compensated in accordance with the provisions thereof. All teachers shall be compensated in accordance with the provisions of this Article and the annexed Schedules without deviation.

J. All coaching assignments below the level of Head Coach will be reviewed annually by a committee made up of the High School Principal,

Athletic Director, and the Head Coach of the involved sport. Transfers may be recommended within the coaching ranks of all sports to best utilize the talent of the coaching staff. The Board shall post any coaching positions annually which are filled by non-teaching personnel. However, the Board is not required to hire a teacher for these positions. All other vacancies will be filled by proper posting procedures with the application being subject to the recommendation of the said committee and in compliance with the express terms and conditions of this Agreement. However, in such regard, Article 8, F., of this Agreement shall not be applicable. The recommendation of the Head Coach, Athletic Director, and Principal shall be forwarded to the Board for final approval.

K. Teachers required in the course of their work to drive personal automobiles from one school building to another shall receive a car allowance of twenty-two (22) cents per mile. The same allowance shall be given for use of personal cars for field trips or other business of the district. The Board shall provide property damage and liability insurance protection for teachers when their personal automobiles are used as provided in this section.

L. Any teacher teaching an extra class period shall be compensated at the rate of 1/7th of their salary step for the extra class. The salary shall be divided equally over the pay periods selected by the teacher at the option of the teacher.

M. Certified vocational and learning disability teachers shall be reimbursed \$40.00 per annual class hour when teaching State approved vocational and learning disability courses.

N. In the event of a teacher being called to active military duty other than training during the school year, the district will pay the difference between military pay and professional salary for a maximum of twenty (20) school days.

O. The Board agrees to make deductions each pay period and remit funds for tax deferred annuities each pay period beginning in September. There will be open enrollment until November 1. A teacher may drop the program at any time and/or change the dollar amount once during the school year.

P. If a teacher substitutes during his or her free time or preparation time, at the request of the Principal, he or she will be paid \$12.00 per hour.

ARTICLE 26 - Special Teaching Assignments

A. Assignments for the Driver Education and Summer School Programs will be made by the Board on the basis of preference to teachers possessing permanent teaching certificates regularly employed in the District during the normal school year. No teacher shall be required to work a split shift or to teach less than three (3) hours in any summer school program. The Board or its representatives will discuss payment for summer teaching assignments with the U.P.E.A. prior to the initiation of such programs.

B. Supervision by a teacher of a student teacher shall be voluntary and no teacher shall supervise more than one such student teacher per year except in areas of shortages and agreed to by the Board of Education or its representatives and the U.P.E.A. bargaining unit. A teacher supervising a student teacher shall be paid an amount equal to the amount paid to the Board by the university or college from which the student teacher will receive credit. No teacher shall supervise more than two (2) student teachers per year.

ARTICLE 27 - Retirement Alternatives

A. In recognition of service to the School district, each teacher will be paid upon retirement fifty dollars (\$50.00) per year for each year's service to the Breitung Township School District. A teacher must have at least ten (10) years service in order to qualify. This payment will be made upon showing proof that the retiree is receiving retirement benefits under the Michigan School employees Retirement System.

B. As an alternative to the benefit provided in "A" above, a qualifying teacher may elect an early retirement incentive plan as follows:

1. There shall be no minimum age requirement for this plan.
2. A qualifying teacher must have twenty (20) years service as a teacher applicable to retirement and a minimum of ten (10) years service with Breitung Township Schools.
3. A qualifying teacher must qualify for a retirement benefit from the Michigan Public School Employees Retirement System.
4. A qualifying teacher must make application for this plan by April 1 of the year of retirement.
5. A qualifying teacher must have a retirement date that is effective prior to his/her sixty-first (61st) birthday.
6. Upon retirement, a qualifying teacher will forfeit any and all recall rights and all accumulated seniority.
7. The plan shall be activated by the Board, for a qualifying teacher, only when activation would save enough money to cover all costs to the district.
8. The amount of the early retirement incentive shall be as follows:

First year	\$4,500.00
Second year	4,500.00
Third year	4,500.00
Fourth year	4,500.00
Fifth year	4,500.00

9. The payments shall be made in equal monthly installments for each year, beginning on September 1 of the first school year of retirement. On January 1 of each year during which incentive payments are due, the retiree may elect to receive the entire amount due for that calendar year in a lump sum.
10. In the event of the retiree's death, the remaining benefits will be paid, according to the above schedule, to the retiree's surviving designated beneficiary as listed on the Michigan Public School Employees Retirement form.
11. This early retirement incentive shall be subject to negotiation for the 1996-97 contract.

C. Upon retirement, a teacher may select either the benefit provided in "A" above or in "B" above, but may not select both. The Board is obligated to grant only one of the two benefits. The teacher shall make selection in

writing as to which benefit he or she desires at the time of retirement. The business office shall provide a form on which the teacher will select the appropriate option. The notification of intent to retire from the teacher shall be held in confidence until thirty (30) days prior to the employee's actual effective date of retirement, unless otherwise required by law. These provisions will not prohibit the Board from posting and advertising any vacancy as soon as the intent to retire is accepted by the Board; and will not prevent a party or other such activity to honor those teachers desiring recognition for past services rendered.

ARTICLE 28 - Student Discipline and Teacher Protection

A. Since the teacher's authority and effectiveness in his/her classroom are undermined when students discover that there is insufficient administrative backing and support of the teacher, the Board recognizes its responsibility to give all reasonable support and assistance to teachers with respect to the maintenance of control and discipline in the classroom. The Board further recognizes that the teacher may not fairly be expected to assume the role of warden or custodian for emotionally disturbed students nor to be charged with responsibility for psychotherapy. Whenever it appears that a particular pupil requires the attention of special counselors, social workers, law enforcement personnel, physicians, or other professional persons, the Board will take reasonable steps to relieve the teacher of responsibilities with respect to such pupil. Teachers shall be responsible for creating and maintaining conditions conducive to learning and discipline in their classrooms. The parties, however, acknowledge that not all students will be able to meet desirable curriculum and behavioral goals because of various factors beyond the control of the parties. At the beginning of each school year, the Board shall publish rules of conduct. Changes shall be published, and teachers shall establish classroom rules.

B. Teachers may use such force as is lawful and necessary to protect themselves from attack, or to prevent injury to any other person, or to remove or restrain a student who refuses to cease disruptive conduct after being asked, in order to maintain appropriate control of a classroom or other school setting, in accordance with the State statutes. Teachers may use reasonable physical force set forth above, but shall not be obligated to risk personal safety to perform such function.

C. A teacher may exclude a pupil from class for one session when the grossness of the offense, the persistence of the misbehavior, or the disruptive effect of the violation makes the continued presence of the student in the classroom intolerable. The student shall be sent to the principal's office. In such cases, the teacher will furnish the principal, as promptly as his/her teaching obligations will allow, full particulars of the incident.

D. Suspension of students from school for a longer period of time may be imposed only by a principal or his/her designated representative. School authorities will endeavor to achieve correction of student misbehavior through counseling and interviews with the child and his/her parents when warranted.

E. Any case of alleged assault by a teacher upon a student shall be promptly reported to the Board or its designated representatives. The Board will provide legal counsel to advise the teacher of his/her rights and obligations with respect to such alleged assault and will render all reasonable assistance to the teacher in connection with handling of the incident by law enforcement and judicial authorities.

F. If the Board is convinced after investigation that the teacher was legally justified in his/her actions, the Board will provide legal counsel and render all necessary assistance to the teacher in his/her defense.

G. Time lost by a teacher in connection with any incident mentioned in this Article shall not be charged against the teacher.

H. The Board will reimburse teachers for any loss, damage, or destruction of clothing or personal property of the teacher resulting from disciplining a student while on duty in the school or on the school premises.

I. No action, except investigatory action, shall be taken upon any complaint by a parent of a student directed toward a teacher, nor shall any notice thereof be included in said teacher's personal file unless such matter is promptly reported in writing to the teacher concerned. If any question of breach of professional ethics is involved, the Association shall be notified.

J. When a student demonstrates non-typical personal behavior characteristics that are either disruptive of the educational climate of the classroom or that impede the student's personal learning, the following procedure may be utilized:

1. The teacher notifies the principal's office of the non-typical behavior characteristics.
2. The teacher dismisses the student from the classroom pending referral.
3. The Board accepts the responsibility to provide legal services for the teacher or counselor involved in such referrals.

ARTICLE 29 - Professional Grievance Procedure

A. A claim by a teacher or the Association that there has been a violation or misapplication of any provision of this Agreement may be processed as a grievance as hereinafter provided. The Association may process a grievance on behalf of an employee or group of employees without his/her/their consent beyond Level III. Any rule, order, or regulation of the Board may be processed as a grievance as it affects the members of the bargaining unit as hereinafter provided.

B. Level I - Any teacher who believes he/she has a grievance shall present such grievance on an informal basis to the building principal. If the grievance is not resolved within fifteen (15) school days after the events giving rise to the grievance occurred, or after the grievant reasonably should have been aware of the alleged grievance, the grievance shall be reduced to writing and submitted to the principal within two (2) days.

C. Level II - The grievant may invoke the formal grievance procedure on the form set forth in annexed Schedule C., signed by the Grievant and a representative of the Association, which form shall be available from the Association representative in each building. A copy of the grievance form shall be delivered to the principal. If the grievance involves more than one school building, it may be filed with the Superintendent or a representative designated by him/her.

Within three (3) school days of receipt of the grievance, the principal shall meet with the grievant and the Association in an effort to resolve the grievance. The principal shall indicate his/her disposition of the grievance in writing within three (3) days of such meeting, and shall furnish a copy thereof to the grievant. The administration shall have the option of using supportive personnel in any stage of the grievance procedure.

D. Level III - If the grievant is not satisfied with the disposition of the grievance, or if no disposition has been made within three (3) school

days of such meeting (or six (6) school days from the date of filing at Level II, whichever shall be later) the grievance shall be transmitted to the Superintendent. Any grievance transmitted to the Superintendent shall specifically refer to the section or sections and provisions of the Agreement which have allegedly been violated. Within five (5) school days, the Superintendent or his/her designee shall meet with the grievant on the grievance and shall indicate his/her disposition of the grievance in writing within five (5) school days of such meeting, and shall furnish a copy thereof to the grievant.

E. Level IV - If the grievant is not satisfied with the disposition of the grievance by the Superintendent or his/her designee, or if no disposition has been made within five (5) school days of such meeting (or ten (10) school days from the filing at Level III, whichever shall be later), the grievance shall be transmitted to the Board by filing a written copy thereof with the secretary or other designee of the Board. The Board, no later than its next regular meeting or two calendar weeks, whichever shall be later, may hold a hearing on the grievance, review such grievance in executive session, or give such other consideration as it shall deem appropriate. Disposition of the grievance in writing by the Board shall be made no later than seven (7) days thereafter. A copy of such disposition shall be furnished to the Association.

F. Level V - If the grievant is not satisfied with the disposition of the grievance by the Board of Education, appeal may be taken to an impartial arbitrator provided the grievance involves a question concerning interpretation or application of a term of this Agreement. Such appeal to be effective must be taken within fifteen (15) calendar days of receipt of the answer from Level IV of the grievance procedure, shall be in writing and shall specify the grievance and the disposition from which appeal is taken.

The arbitrator shall be agreed upon by the Board and the Association, or if no agreement is reached within five (5) days of notice of appeal to arbitration, the parties agree to utilize the services of the American Arbitration Association as arbitrators.

The arbitrator in making his/her decision shall not change, alter, or modify, nor shall he/she add to or subtract from any term or provision of this Agreement and shall be limited deciding whether the Board has violated the expressed Articles or sections of this contract. The arbitrator may reinstate and/or make the grievant whole. The parties agree that an arbitrator's decision, if made in accordance herewith, shall be final and binding upon them.

In addition to the other restrictions in this Article, the arbitrator shall have no power to rule on the following:

1. The termination of services of or failure to re-employ any probationary teacher.
2. The placement of a non-tenured teacher on third year probation.
3. The termination of services or failure to re-employ any teacher to a position on the extra curricular schedule.
4. Any claim or complaint subject to the procedures specified in the Tenure Act (Act IV, Public Acts, extra session, of 1937 of Michigan, as amended).

G. The fees and expenses of the arbitrator shall be paid by the party losing the arbitrator's decision.

H. The time limits provided in this Article shall be strictly observed or the grievance shall be deemed to be waived except that limits may be extended by written agreement of the parties. In the event a grievance is filed after May 15 of any year and strict adherence to the time limits may result in hardship to any party, the Board shall process such grievance prior to the end of the school term or as soon thereafter as possible.

I. Miscellaneous:

1. A grievance may be withdrawn at any level without prejudice or record.

ARTICLE 30 - Insurance Protection

A. For all purposes of Article 30 of this agreement relating to insurance protection teachers hired on or before August 31, 1992 shall be considered "existing teachers" and any teacher hired on or after September 1, 1992 shall be considered a "new teacher".

1. The Board shall make available to all teachers the MESSA PAK PLAN A & PLAN B providing family health care coverage plan including basic hospital and major medical insurance protection provided by MESSA. A copy of the coverages is attached hereto as Schedule B-3. The Board shall reimburse any teacher for any deductibles actually paid, up to the \$100.00 deductible per year, upon adequate proof that the teacher has paid such amount towards the deductible and that such amount is not properly covered by the applicable MESSA PAK.
2. Existing teachers currently receiving options under terms of the 1992-1994 Collective Bargaining Agreement shall retain those same options, provided however, that the dollars contributed by the District to such option purchases shall be limited to the actual dollar amount which the District would have had to pay to provide to any particular teacher in the 1992-93 school year the same options and coverage amounts actually utilized by that teacher during the 1991-92 school year. For these purposes, the Business Manager of the District shall provide an option listing setting forth the actual options each teacher took in the 1991-92 school year and their 1992-93 cost and those dollar amounts shall become the amounts available to that particular teacher in the future to purchase option coverage. If at anytime a teacher currently receiving options elects to change that teacher's status from MESSA PAK Plan B to Plan A, the letter of agreement dated October 25, 1994 shall prevail. New teachers shall not be entitled to any option coverage.
3. New teachers shall be entitled to receive only that insurance coverage based upon their actual marital and family status and further shall only be entitled to change such status at the beginning of each semester, that is on September 1st and February 1st of each year. Any teacher desiring to change his/her status earlier than the option dates may do so at his/her own expense and may for that purpose arrange a payroll deduction for the period in question. Subject to Paragraph E, the District shall be responsible to contribute no more than the actual premium incurred for health, dental or vision insurance premium applicable to the appropriate marital/family status of any teacher; provided however existing teachers may purchase options from "excess premium"

subject to the limitations set forth in Paragraph 2.

B. Upon proper application, the Board shall make payment of insurance premiums for each teacher to assure insurance coverage for the full twelve month period commencing October 1 and ending September 30; when necessary, premiums in behalf of the teacher shall be made retroactively or prospectively to assure uninterrupted participation and coverage. The Board will continue health insurance benefits for three (3) additional months beyond normal coverages for teachers on illness or disability leave whose sick leave and personal business days have been exhausted, for teachers who have taught for eight or more years in the Breitung Township School District.

C. Any insurance benefits provided for herein shall be subject to the terms and conditions specified in the School District's MESSA Group Insurance Policies, and any claim by any employee shall not be the basis of a grievance or subject to arbitration. The Board, by payment of any premium payments required to provide coverage as agreed upon, shall be relieved from all liability with respect to any insurance benefits provided in this agreement. The failure of an insurance company to provide any of the benefits which it has contracted for, for any reason, shall not result in any liability to the Board, nor shall such failure be considered a breach by the Board of any obligations or duties under this agreement.

D. If a bargaining unit member dies during the term of this Agreement, the Board shall continue payments of applicable contributions for MESSA health care coverage, as specified above (but excluding matters such as dental coverage, vision coverage, etc.) for the member's eligible dependents as defined by MESSA for a period of three (3) months, to begin on the first month following the date of death.

E. The District shall contribute the actual premium cost of MESSA PAK Plan A not to exceed \$418.62 per month for the 1994/95 school year and \$437.50 per month thereafter and MESSA PAK Plan B not to exceed \$76.96 for the 1994/95 school year and \$79.25 thereafter. The District and the teachers shall share equally any premium increases above \$437.50 per month for Plan A and \$79.25 for Plan B unless and until otherwise mutually agreed. These numbers shall form the basis of negotiations in the future. Teachers currently receiving options under A(2) hereunder may utilize some or all of the option dollars available to them to pay their portion of premium increases in the future. All other premium increases shall be paid by means of payroll deduction.

ARTICLE 31 - Professional Study Committee

The Upper Peninsula Education Association shall be available to study and review any problem of mutual concern which may arise. Curriculum Study Committees shall be organized in each school. A joint committee made up of representatives of each school shall meet with the Board Curriculum Committee or representatives on a regular basis.

ARTICLE 32 - Negotiation Procedures

A. It is contemplated that terms and conditions of employment provided in this Agreement shall remain in effect until altered by mutual agreement in writing between the parties. Nevertheless, because of the special nature of the public education process, it is likewise recognized that matters may from time to time arise of vital mutual concern of the parties which have not been fully or adequately negotiated between them. It is in the public interest that the opportunity for mutual discussion of such matters be provided. The parties accordingly undertake to cooperate in arranging meetings, selecting representatives for discussion, furnishing necessary

information, and otherwise constructively considering and resolving any such matters.

B. A reasonable time prior to expiration of this Agreement, upon request of either party, negotiations will be undertaken for an agreement covering the next school year.

C. Neither party in any negotiations shall have any control over the selection of the negotiating or bargaining representatives of the other party and each party may select its representatives from within or outside the school district. While no final agreement shall be executed without ratification by the Association and the Board of Education, the parties mutually pledge that their representatives will be clothed with all necessary power and authority to make proposals, consider proposals, and make concessions in the course of negotiations.

D. If the parties fail to reach an agreement in any such negotiations, either party may invoke the mediation machinery of the State Labor Mediation Board or take any other lawful measures it may deem appropriate.

ARTICLE 33 - Miscellaneous Provisions

A. No polygraph or lie detector device shall be used in any investigation of any teacher or pupil.

B. This Agreement shall constitute the full and complete commitments between both parties and may be altered, changed, added to, deleted from, or modified only through the voluntary, mutual consent of the parties in a written and signed amendment to this Agreement.

C. Any individual contract between the Board and an individual teacher heretofore executed shall be subject to and consistent with the terms and conditions of this Agreement and any individual contract hereafter executed shall be expressly made subject to and consistent with the terms of this or subsequent agreements to be executed by the parties. If an individual contract contains any language inconsistent with this Agreement, this Agreement, during its duration, shall be controlling.

D. This Agreement shall supersede any rules, regulations, or practices of the Board which shall be contrary to or inconsistent with its terms. The provisions of this Agreement shall be incorporated into and be considered part of the established policies of the Board.

E. If any provision of this Agreement or any application of the Agreement to any employee or group of employees shall be found contrary to law, then such provision or application shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.

F. Copies of this Agreement shall be duplicated at the expense of the Board and presented to all teachers now employed, hereafter employed, or offered teaching contracts by the Board.

G. Within thirty (30) days of the start of school, teachers shall be given a written statement of sick leave days and personal business days accumulated to and for that year.

H. In the event that the board of Education studies and implements a School Improvement Plan, no part of such a plan will be implemented if it violates, contradicts, or is inconsistent with the terms and provisions of this Agreement.

I. In the event that any School Improvement Plan Committee is established for any building, the BTEA building representative shall be a member of the Building School Improvement Committee. In the event that any committee is established for the Woodland School, there shall be two BTEA building representatives. Whenever teachers are asked to serve on such committees, the Administrator convening the committee shall ask for volunteers. In the event that there are more volunteers than designated teacher positions on such committee, then there shall be a secret ballot to determine which teacher shall serve on such committee. Any such election shall be supervised jointly by the Administrator and the building representative.

J. In the event that a child with an ongoing or chronic communicable disease is allowed, by policy or law, to attend school, all teachers having contact with the student shall be notified in advance of the child's placement and/or return to school, to the extent such notification is permitted under law. The District shall provide in-service training in hygienic practices and management to teachers coming into contact with students having such communicable diseases, if requested by such teachers. Once notified and trained, teachers shall comply with District policies to assure that such afflicted students are not discriminated against by such teachers in their education.

ARTICLE 34 - Duration of Agreement

This Agreement will be a two (2) year agreement, continuing in effect until June 30, 1996. This Agreement shall not be extended orally and it is expressly understood that it shall expire on the date indicated. All activities shall be paid retroactive to July 1, 1994 except Driver's Education.
