ARTICLE I UNION RECOGNITION, AGENCY SHOP, AND CHECK OFF

A. Union Recognition

1. The Board hereby recognizes the Union as the sole and exclusive collective bargaining agent for all bus drivers and bus aides for the purpose of collective bargaining with respect to rates of pay, hours of employment and other conditions of employment. "Substitutes" shall be defined as a person other than a bargaining unit member scheduled to work in the absence of a regular employee on a leave of absence (paid or unpaid) including sick leave, vacation and during the period of time required to post and fill vacancies.

2. The term "employee" as used herein shall include all regularly scheduled Drivers and Aides in the classifications listed in Schedule A and references to the masculine gender shall include female employees.

B. Agency Shop

1. All employees employed in the bargaining unit, or who become employees in the bargaining unit, who are not already members of the Union shall within thirty (30) calendar days of the effective date of this Agreement, or within thirty (30) calendar days of their hire by the Board, whichever is later, become members, or in the alternative, shall as a condition of employment, pay to the Union each month a service fee in an amount determined by the Union and consistent with the law.
2. An employee who shall tender or authorize the deduction of membership dues or service fees uniformly required as a condition of acquiring or obtaining membership in the Union, shall be deemed to meet the conditions of this Article, so long as the employee is not more than sixty (60) calendar days in arrears of such dues or fees.
3. Whenever Employees fail to comply with the conditions of this Article, the Union within thirty (30) calendar days after shall provide a written notice of such default to the Board and the Board shall commence mandatory payroll deductions of said amount.
4. If any provision of this Article is deemed invalid under Federal or State law, said provision shall be modified to comply with the requirements of said Federal or State law.
5. The Union agrees that it will make membership in the Union available to all employees covered by this Agreement on the same terms and conditions as are generally applicable to other members of the Union.

C. Check Off

1. The Board shall deduct Union dues from each employee's pay and transmit the total deductions to the Treasurer of the Union on or before the fifteenth (15) day of the month following that month which said deductions were made together with a listing of each employee with the amount that is deducted each month, provided, however, that the Union shall have submitted to the Board an authorization card signed by the employee from whose pay said deductions are to be made. The requirement of submission of authorization cards shall be waived in the case where mandatory deductions have been imposed.
2. Such dues as and when deducted shall be kept separate from the Board's general funds, shall be deemed trust funds and shall be forwarded to the Union forthwith.

D. Hold Harmless

The Flat Rock Transportation Association shall relieve the School District of any financial exposure due to enforcement of the agency shop provision. It is agreed that in the event an employee is notified of mandatory payroll deductions and the employee shall contest the same, the union shall bind itself to pay any expenses, costs, fees, obligations, or losses of any kind which may arise in connection with any phase of said contest. Legal counsel in any contest arising under this provision shall be selected by the Association. The above shall be subject to the following conditions:

1. The damages have not resulted from the negligence, misfeasance or malfeasance of the Board or its agents.
2. The union, after consultation with the Board, has the right to decide whether to defend any said action or whether or not to appeal the decision of any court or other tribunal regarding the validity of the section or the defense which may be assessed against the Board by any court or tribunal.

ARTICLE III UNION RIGHTS

A. Upon request of the Union, officers or representatives of the Union shall be admitted into the buildings of the school system during work hours for the purpose of assisting in the adjusting of grievances, or other Union activities.

B. The employees shall be represented by a representative of the Union who shall be designated by the President of the Union. Such designation shall be provided to the Board, in writing, by the Union.

C. Special conferences for important matters other than items which are mandatory subjects of negotiations under the Public Employment Relations Act may be conducted at the request of either party. Requests for a special conference shall be made in writing by either the Union President or the Superintendent. Written requests shall detail the reason for requesting the conferences.

Union representatives attending special conferences scheduled during the work day will be released with pay.

D. At the beginning of each school year, the union shall be credited with two (2) leave days to be used by bargaining unit members who are officers or agents of the union. The union agrees to notify the Board no less than forty-eight (48) hours in advance of such leave. Such leave will be granted when a substitute is available.

E. Union Meetings

The Union will not engage in union meetings in common employee areas during periods when such areas would normally be used by other employees. However, the Union shall have the right to use school facilities without charge at all reasonable hours for meeting provided prior approval is secured from the building principal or administrator.

ARTICLE IV SAFETY PRACTICES

- A. The Board will take reasonable measures in order to prevent and eliminate any present or potential job hazards which the employees may encounter at their places of work.
- B. The employees will notify the Board in writing of any such job hazards as soon as the employee first becomes aware of such unsafe areas, conditions or equipment. The Board upon notification of an alleged unsafe condition shall investigate such condition and shall be expected to make adjustments in such condition, if in the Board's investigation, the alleged unsafe condition is found to be a hazard to the employee.
- C. The employer shall annually publish the school district bus policies, and all other policies pertinent to the transportation department, and shall enforce such policies whenever it is necessary. In addition, employees shall be notified of pertinent new policies as they arise.

ARTICLE V JURISDICTION

- A. The Board shall give employees preference for work they have customarily performed. However, if work is subcontracted, the impact of such subcontracting shall be a subject of negotiations between the parties.

ARTICLE VI BUS RUN BID PROCEDURE

A. The employer shall establish the bus runs and the bus runs starting times. To the extent that it is operationally feasible and economically prudent, said runs will include transporting the same students to and from school. Regularly scheduled A.M. and P.M. runs will be paid at a two hour minimum which shall include necessary time to pre-trip and clean the bus. Runs other than A.M. and P.M. runs will be posted with a guaranteed minimum time paid for the run. There shall be no overlapping of time paid as a result of the minimum guarantees nor shall the employer be prohibited from eliminating any run on a permanent basis.

B. It is understood by the parties of this Agreement that Special Education runs may involve operating entirely or in part according to school calendars of other districts. In such cases, with the exception of Act of God days declared by the Flat Rock school district, those calendars shall prevail. Drivers and aides selecting such runs shall work and be paid for hours necessary to meet those calendars.

It is further understood that drivers of vocational runs will follow the student calendar of the Flat Rock school district vocational education program.

C. Drivers and aides will bid on runs according to seniority at an annual meeting. Said meeting shall be convened on a date mutually agreed upon, but in no event later than the third Monday of August. Drivers and aides will first bid on A.M./P.M. run combinations and then shall have the option to bid on other non-conflicting runs. A driver must select an A.M./P.M. run in order to be eligible to select a third run. Employees must be present to bid on a run. Those not present will be assigned to available runs following completion of the bid meeting.

D. By Wednesday following the fourth Friday, the employer will have reviewed the runs in terms of number of students bussed and the length of the runs. The parties shall then convene another meeting for the purpose of a second bid. A second bid meeting will be conducted according to the provisions of paragraph C. above. Subsequently, there will be no further bidding during the year except as necessary for filling vacancies.

E. After the Wednesday following the fourth Friday, when regular runs are to be changed on a permanent basis the employer shall discuss said changes with the affected drivers and/or aides prior to implementation of any such change. An employee who suffers a reduction of one-half (1/2) hour or more per day in their assignment may, at that time, invoke their seniority rights in accordance with the layoff procedure. A driver may not take only a portion of an established am/pm and/or noon run.

ARTICLE VI BUS RUN BID PROCEDURE (continued)

F. In cases where regular runs continue through the summer, such runs shall be made available by seniority and job category to all eligible employees. Said run(s) shall be posted five (5) working days prior to the end of the regular school calendar. In the event no one voluntarily applies for summer work, the Board shall have the right to assign the least senior person by job category.

G. In case of an emergency or unusual situation which requires the immediate need for a driver, the most senior immediately available driver shall be assigned and will be paid the regular hourly rate of pay. Further, in the event the regular driver is unavailable to assume a mid-day run, the most senior immediately available driver shall have the right to take said run prior to it being filled by a substitute. In addition, the most senior available aide shall have a similar right to fill in for another aide.

H. Job Related Duties.

1. In the event that a regularly scheduled run is cancelled due to student absence when school is in session, the affected employee(s) will remain on site for that time and may be assigned other transportation department related duties to receive their regular compensation for that period.
2. The Board shall pay the bus driver the regular straight time hourly rate of pay for the actual hours worked for any job related duties which are required of the employee by the Board.

I. FIELD TRIPS: When field trips (extra trips) are required, they will be divided and rotated according to seniority among all of the regular bus drivers who have made application to drive extra runs.

1. Field trips will be posted on Wednesday for the following week, whenever possible.
2. Trips posted on Wednesday shall be assigned on the following Friday.
3. All drivers and aides shall be offered by respective job category access to field trips based on seniority; from highest seniority to lowest seniority. Such offers shall continue to move down the seniority list until a driver (and/or aide if needed) has elected to take such work.
4. Any driver refusing such offer shall be eliminated from consideration for the specific trip and shall be obligated to wait until all other drivers (or aides if needed) have been offered a trip before that employee will have another opportunity for an extra trip.

ARTICLE VI BUS RUN BID PROCEDURE (continued)

5. In the event there are no volunteers or substitutes who elect to drive the extra trip, the employer shall assign the trip, normally to the first driver who was next in line for that trip, except that a qualified aide may volunteer to take the extra trip before a regular driver is involuntarily assigned.
 6. Short notice trips not posted on Wednesday will be assigned following the procedure outlined in paragraphs 3.- 5. above.
 7. In the event a selected field trip (extra run) is cancelled, and the run is rescheduled, the driver originally selecting that trip will have first rights to the rescheduled trip. If the driver is unable to do the rescheduled run, it will be posted and assigned according to rotation.
- J.
1. Extra trips will be paid at the regular rate per hour for all driving hours worked.
 2. Extra trips of four (4) hours or less will be paid at the regular driving rate for all hours, including layover.
 3. Effective July 1, 1991, extra trips of more than four (4) hours will be paid at the regular driving rate for at least four (4) hours. Layover time beyond the four (4) hours will be paid at \$5.50 per hour. (Example: five (5) hour trip including three (3) hours layover would be paid four (4) hours at regular rate and one (1) hour at \$5.50)
- K. There shall be no split trips.
- L. Paid hours on layover shall be considered hours worked for purposes of computing overtime. The bus must remain at the site except for necessary travel for meals or restroom facilities. Prior to leaving the site, the driver must coordinate their absence with the coach or advisor in charge of the trip.
- M. Any and all participation in the Fermi Evacuation Plan, including tests and planning meetings, shall be compensated at the regular hourly rate.

ARTICLE VII SENIORITY

A. Seniority shall be defined as the length of service within the district in a job classification as a member of the bargaining unit. Seniority shall be based on hire date in a respective job classification. In the event more than one individual bargaining unit member has the same hire date in a classification, position on the seniority list shall be determined by drawing lots. Substitutes shall not accrue bargaining unit seniority.

B. All newly hired employees shall serve a ninety (90) calendar day probationary period. There shall be no seniority granted to probationary employees, however, upon successful completion of the probationary period, the employee's seniority date shall reflect the employee's initial date of hire as a regular employee.

Probationary employees shall not be entitled to insurance benefits for the first sixty (60) calendar days. In the event a probationary employee is absent, or not working due to summer vacation, the probationary period shall be extended accordingly.

Probationary employees are subject to discipline and dismissal at the discretion of the district and shall have no recourse through the grievance procedure.

C. An employee will lose their seniority for the following reasons:

1. The employee resigns
2. The employee is discharged for cause
3. The employee retires.

D. Updated seniority lists shall be made available to each employee covered by this Agreement on or about November 1 of each year. Such list shall contain each employee's date of employment in the transportation department by job category.

E. An employee who transfers or is promoted to a position outside of the bargaining unit, but within the school district, shall be given a 30 day trial period during which time he/she shall be entitled to return back to his/her former position within the bargaining unit. His/her seniority will continue to accumulate during this time.

In the event the employee remains on the job beyond the trial period, his/her accumulated seniority in the bargaining unit position will be frozen as of the date of completion of the trial period.

In the event the employee desires to return to the bargaining unit after the trial period has been completed, he/she shall be reinstated in the bargaining unit and his/her accumulated seniority within the unit shall entitle him/her to exercise all seniority rights from that day forward.

ARTICLE VIII TRANSFERS AND PROMOTIONS

A. Vacancies and Newly Created Positions

1. Notice of all vacancies and newly created positions shall be posted at the central office in each building. The Union shall receive copies of all postings. Employees shall be given five (5) working days time in which to make application to fill the vacancy or new position.

The senior employee within that job classification making application shall be transferred to fill the vacancy or new position provided the employee has the necessary qualifications to perform the duties of the job involved. In the event no senior employee within the job classification applies for the vacancy, the senior employee in another job category within the bargaining unit making application shall be transferred to fill the vacancy or new position provided the employee has the necessary qualifications to perform the duties of the job involved. Newly created positions or vacancies are to be posted in the following manner: the type of work, the starting date, the rate of pay, qualifications. 1. Employee's desire to remain on the job.
2. Employee's ability to perform the job.

During the thirty (30) day trial period, the employee shall have the right to revert back to their former job.

If the employee proves unsatisfactory during the trial period, notice and reasons shall be submitted in writing to the Union and employee. If the reasons are not satisfactory to the employee or the Union, the matter may be subject to the grievance procedure.

Employees who fail to pass the trial period shall be returned to their former jobs at their former rate of pay.

During the trial period, employees shall receive the rate of the job they are performing.

Any bus aide shall have the opportunity to complete driver certification requirements. The Board shall provide a vehicle for road test. Upon successful completion of the requirements and receipt of certification, the Board shall reimburse the bus aide for tuition and fees incurred in obtaining such certification. The Board shall not be obliged to pay for costs of unsuccessful attempts at certification.

ARTICLE IX DISCIPLINE - DISCHARGE

- A. Dismissal, suspension and/or any other disciplinary action shall be only for just cause, with the employee(s) having the right to defend themselves against any and all charges. Such notice will not apply in the case of a work stoppage by another bargaining unit in the district. In the event of a necessary reduction in work force, the Employer shall identify the specific position(s) to be eliminated and shall notify the bargaining unit member(s) in those positions. Bargaining unit members whose positions have been eliminated due to reduction in work force or who have been affected by a layoff/elimination of position shall have the right to assume a position in their classification(s) for which they are qualified, which is held by a less senior bargaining unit member, with probationary employees being laid off before senior employees with a job category. In no case shall a new employee be employed by the Employer while there are laid off bargaining unit members who are qualified for a vacant or newly-created position.
- C. A laid off bargaining unit member shall, upon application and at his/her option, be granted priority status on the substitute list according to his/her seniority. Laid off bargaining unit members may continue their insurance benefits by paying the regular monthly premium for such benefits, subject to the eligibility requirements set by the insurance carrier. Laid off bargaining unit members shall be recalled in order of seniority, with the most senior being recalled first, to any position for which they are qualified. Any bargaining unit member who has served more than thirty (30) working days in a classification shall be deemed qualified for any position in that classification.
