(NOTE: The headings used in this Agreement and exhibits neither add to nor subtract from the meaning, but are for reference only.)

PURPOSE AND INTENT

The general purpose of this Agreement is to set forth the wages, hours of employment and other conditions of employment agreed upon between the parties as required by Public Act 379 of the Public Acts of 1965, as amended.

ARTICLE I - RECOGNITION OF UNION

Section 1

The Employer hereby recognizes the Union as the sole and exclusive bargaining agent for all employees under the classification of Cook, Baker, Cook Helper and Cafeteria Assistant, in respect to wages, hours, and other terms and conditions of employment and agrees not to bargain in respect to the above with any other group or agency during the life of this Agreement.

Section 2

The provisions of the Agreement and the wages, hours, terms, and conditions of employment shall be applied in a manner which is not arbitrary, capricious or discriminatory and without regard to race, creed, religion, color, national origin, age, sex, or marital status.

ARTICLE II - UNION SECURITY AND DEDUCTIONS FOR DUES

Section 1

All employees covered by this Agreement whose regular work schedule is twelve (12) hours or more per week shall following thirty (30) work days after the effective date of this Agreement or thirty (30) work days after the commencement of employment, whichever comes later, have deducted from their pay monthly either:

- (a) Membership dues of the Union, or
- (b) Representation service fees in an amount directly attributable to costs of collective bargaining representation, contract administration and grievance adjustment but not more than the amount of dues uniformly required of members of the Union.

Section 2

The Union shall certify to the Employer at the beginning of each school year the membership of the Union subject to deduction of membership dues and the amount of the monthly Union dues to be deducted. The union shall also certify to the Employer at the beginning of each school year the amount of the monthly representation service fee to be deducted, which amount shall be directly attributable to the costs of collective bargaining representation, contract administration and grievance adjustment but not more than the amount of dues uniformly required of members of the Union. These amounts so certified and deducted shall be forwarded to the Union, provided that when an employee objects to the legitimacy of such deductions, the deductions shall be discontinued until a determination of the legitimacy of the deduction has been adjudicated to finality in the proper administrative and/or judicial forums.

Section 3

The Union agrees to indemnify and hold the Employer, including each individual school district member, harmless against any and all claims, demands, costs, suits, damages, awards, judgments or other forms of liability including but not limited to back pay damages and all court or administrative agency costs that may arise out of or by reason of any action taken by the Employer for the purpose of complying with this Article. It is specifically and expressly agreed that any payment for these specified reasons shall be made directly from the Union to the demanding party and at no time shall the Board be obligated to pay out any monies for any reason associated with the provisions of this Article, except as provided in Article IV, Section 7, Grievance Procedure.

ARTICLE III - BARGAINING COMMITTEE

Section 1

The Union shall designate a committee of two (2) (with alternates) employees to be known as the Bargaining Committee who shall represent the Union in negotiations with representatives of the Employer, and the Employer shall be informed of the members of this bargaining committee.

Section 2

Any member of the bargaining committee when attending any meeting at the request of the Employer or for the purpose of presenting legitimate grievance will not lose any salary compensation if the meeting is called and agreed to by the Employer representative for a period during the committee members' regular working hours.

ARTICLE IV - GRIEVANCE PROCEDURE

Section 1 - Definition of a Grievance

A grievance is defined as a condition that exists as a result of any unsatisfactory adjustment, or failure to adjust, a claim or dispute by any employee, group of employees, or the Union concerning rates of pay, hours of working conditions set forth herein, or the interpretation or application of this Agreement. The termination of services of, or failure to reemploy any probationary employee, shall not be the basis of any grievance and shall not be subject to the grievance procedure as hereinafter provided.

Section 2 - Time Limits

The time limits specified hereinafter for movement of grievances through the process shall be strictly adhered to and may be relaxed or extended only by mutual consent of the parties in writing. In the event that the Union fails to appeal a grievance or grievance answer within the particular time limit, the involved grievance shall be deemed to be abandoned and settled on the basis of the employer's last answer. In the event that the employer shall fail to supply the Union with its answer at a particular step within the specified time limits, the grievance may be processed on the next level.

Section 3 - Time Limits - Work Days

All specified time limits herein shall consist only of work days.

Article IV - Grievance Procedure (Continued)

Section 4 - Initiation of Grievance

Each grievance shall be initiated within ten (10) days of the occurrence of the cause for complaint or, if neither the aggrieved nor the Union had knowledge of said occurrence at the time of its happening, then within ten (10) days after the union or the aggrieved should have reasonably become aware of the cause for the complaint. Settlement of grievance initiated more than ten (10) days after the occurrence due to unawareness shall not be retroactive to any date prior to the date of filing.

The aggrieved employee shall be given the right to attend meetings pertaining to her specific grievance. Should an employee attend a grievance meeting during her regularly scheduled working hours, she will not lose pay except in cases of suspension or discharge.

If suspension or discharge is reversed through the grievance procedure and back wages are included the entire settlement will not exceed the wages the employee would have received if she had worked.

Section 5 - Notification by Employee

Step 1

An employee with an alleged grievance shall first discuss the alleged grievance with her immediate supervisor. The aggrieved employee shall have the right to representation by a steward.

In the event that the Union is dissatisfied with the result of the meeting with the appropriate supervisor on the matter, then the Union shall have the right to submit a written grievance on the complaint to the particular appropriate supervisor within four (4) days after the aforementioned meeting. The appropriate supervisor or his representative shall thereupon have four (4) days to respond to the grievance, in writing, setting forth his position on the matter.

Step 2

In the event the grievance is not disposed of through Union acceptance of the appropriate supervisor's answer, the Union shall have the right to appeal the decision to the Superintendent of Schools, or his designated representative, within five (5) days after receipt of the appropriate supervisor's written reply.

A meeting on the subject shall then take place within five (5) days after receipt of the Union's appeal notice. This Step 2 meeting shall take place between the employee, a representative of the Union, and the Superintendent, or his designee. The Superintendent shall render a written decision of the dispute to the Union within ten (10) days after the occurrence of said meeting.

Article IV - Grievance Procedure (Continued)

Step 3

If the dispute still remains unresolved at the completion of the foregoing procedure the Union may submit the grievance to binding arbitration. The Arbitrator will be selected according to the rules of the American Arbitration Association.

Section 6 - Arbitrator's Authority

The Arbitrator shall have no power or authority to add to, detract from, alter, or modify the terms of this Agreement, however, the parties agree that he has a right to grant a monetary award.

Section 7 - Cost of Arbitration

Each party will bear the full costs of its side of arbitration and will pay one-half (1/2) of the cost for the arbitrator.

Section 8 - Discharge

Notwithstanding the foregoing procedures for the processing of grievances, protests against the suspension and/or discharge of an employee may automatically bypass the first step of the procedure and be lodged at Step 2 for consideration, commencing at the superintendent's level, as provided. Step 2 meetings on discharge cases shall take place within three (3) days after receipt by the superintendent of a protest against the discharge. The Union will be notified in writing of the discharge action and upon receipt of said notice the normal time limits will apply.

ARTICLE V - SENIORITY

Section 1

Seniority for the purpose of this Agreement shall mean the length of continuous employment within the bargaining unit from the date of completion of thirty (30) days worked, probationary period.

5. Retirement.
6. Return from sick leave and the leave of absence will be treated the same as (4) above.

ARTICLE VI - LAY OFF

Section 1

In case of a lay off the Union will be notified in writing five (5) days prior to the anticipated date, and the Union will be furnished with a list of employees to be laid off and their respective seniority. Nonoperation of schools due to conditions beyond the control of the Employer, such as but not limited to natural disaster, mechanical failure or strikes, shall not hold the Employer liable for notice of lay off.

Section 2

In the event it becomes necessary to lay off employees because of lack of work, probationary employees will be laid off first, then those employees with the least seniority in the classification affected will be laid off. Notwithstanding the foregoing, employees in the classification of cook, baker, cooks helper may bump employees with less seniority in a lower classification. No employee being laid off may bump an employer in a higher classification.
