A vacancy need not be available to transfer employees who have transfer requests on file.

An employee who has a timely voluntary transfer request on file is obligated to accept a transfer to a requested position.

Multiple job transfers may be made with or without a vacancy being a part of any transfer.

If a transfer is implemented and a vacancy is utilized during the move(s), the resulting vacancy that occurs because of the transfer(s) shall be posted.

The decision of the Assistant Superintendent for Personnel to fill or not fill the vacancy with either a voluntary or involuntary transfer shall be final.

Any resulting vacancy shall be posted or filled from the Layoff List, whichever is appropriate.

Transferred Employees shall be subject to a trial period of up to sixty (60) days of work to prove ability to do the job provided. In the event the employee is unable to satisfactorily perform the job, Section G shall apply.

Section I. Involuntary Transfers

1. An employee may be involuntarily transferred due to his/her inability to satisfactorily perform the duties required by a position. In such a case, written evidence of inability shall be required as proof.

ARTICLE XIV (Cont'd)

2. Employees being transferred shall be notified in a personal interview with the appropriate administrator. The Association shall be informed.

Section J. Transfer to a new job in the unit shall be to the same pay level as the person presently holds.

ARTICLE XV - CREATION OF NEW POSITION

When a new job is to be placed in existence which cannot be properly placed in the existing classification and rate structure the District shall schedule a meeting with the Association. The parties shall attempt to establish the classification and pay rate for the proposed job.

If the parties are unable to resolve the pay rate then the District shall establish a rate and fill the position. The Association may within ten (10) working days following the meeting file a grievance at Step Three of the grievance procedure.

ARTICLE XVI - WORKING CONDITIONS

A paraprofessional who is performing his/her duties in a responsible way in compliance with the law and in compliance with the policies and regulations of the Board of Education shall receive the support of the Administration in the maintenance and control of students.

ARTICLE XVII - INCLEMENT WEATHER

Nothing in this Article shall require the District to keep schools open in the event of severe inclement weather or other Acts of God. The parties recognize that those inclement weather conditions which are judged severe enough to prohibit the safe operation of buses for the transportation of youngsters shall also be considered severe enough to jeopardize the life, limb, and safety of the District's paraprofessionals. In those instances when it is judged appropriate not to operate the District's buses because of severe inclement weather, the schools shall be closed and paraprofessionals shall not be required to report for duty, unless specifically requested. There shall be no deduction in pay for those employees not required to work. If the state requires the District to reschedule the day, employees are expected to report for work without further compensation. Employees required to work shall receive an additional compensatory day off. The Superintendent or his designee shall make every effort to announce such school closings one (1) hour before the earliest reporting time by notifying the local radio stations and the main switchboard.

ARTICLE XVIII - GRIEVANCE PROCEDURE

Section A. It is mutually agreed that all grievances arising under and during the terms of this Agreement shall be settled in accordance with the procedure herein provided. Every effort shall be made to adjust controversies and disagreements in an amicable manner between the employer and the Association.

Section B. For the purpose of this Agreement, a "grievance" is defined as an alleged violation of a specific Article and Section of this Agreement. Written grievances shall be on a form provided by the District and shall name the employee involved, shall state the facts giving rise to the grievance, shall identify all of the provisions of the Agreement alleged to be violated by appropriate reference, shall state the contention of the employee with respect to these provisions, shall indicate the relief requested, and shall be signed by the employee involved. When a grievance involves more than one (1) employee or a group of employees, the grievance may be signed by only one (1) of the aggrieved employees. (If the grievance encompasses other employees, they shall be so indicated.) The purpose of this is to inform the District the extent of liability involved in the grievance. All written grievances must be filed in writing with the immediate supervisor within thirty (30) days of the occurrence.

STEP ONE (Oral)

Within five (5) days after the employee knows of the occurrence of an alleged violation, the employee shall request a conference between the aggrieved (with or without his/her District representative) and the building administrator (or Supervisor of Transportation, if appropriate). The building administrator (or Supervisor of Transportation) shall render a decision within two (2) work days of the conference.

ARTICLE XVIII (Cont'd)

STEP TWO (Written)

If the grievance is not settled at Step One, the employee shall, within five (5) work days of the discussion at Step One, reduce the grievance to writing. A copy of the grievance shall also be filed with the Association. The building administrator (or Supervisor of Transportation) shall respond in writing within two (2) work days.

If the grievance is not settled at Step Two, the employee shall, within five (5) days of the date the written disposition is received, appeal the grievance to the next step.

STEP THREE

A copy of the written grievance and the decision of the administrator or supervisor shall be presented to the Personnel Office for the appeal review within the period provided. Within five (5) work days of the receipt of the grievance appeal, the Assistant Superintendent for Personnel and/or his/her designee shall meet with the aggrieved employee and/or the Association representatives for a review of the grievance. The Assistant Superintendent for Personnel or his/her designee shall, within five (5) work days of the meeting, render a written decision of the District. A copy will be given to the aggrieved, the Association representative and the Union MEA representative.

Section C. If the grievance is not resolved in Step Three of the Grievance Procedure, and if it involves an alleged violation of a specific Article and Section of the Agreement, either party may submit the grievance to arbitration by notifying the other party within ten (10) days after the answer to Step Three. The

ARTICLE XVIII (Cont'd)

submission shall contain a statement of the issues to be arbitrated, reference to the specific Article and Section allegedly violated, the contention of the party filing for arbitration, and shall be signed by the Local Association President or his/her designee and the employee involved.

Following the written notice of intent to arbitrate, the employee and/or the Association and a representative of the District shall attempt to select an arbitrator. If mutual agreement on the selection of an arbitrator cannot be reached within ten (10) days after receipt of notice of intent to arbitrate, the party desiring arbitration shall, within the next ten (10) days only, file a demand for arbitration with the American Arbitration Association, with a copy to the other party. The arbitrator shall then be selected according to the Rules of the American Arbitration Association.

Failure to comply with any of these provisions shall render the grievance non-arbitrable.

It shall be the function of the arbitrator, and he/she shall be empowered, except as his/her powers are limited by this Agreement, after due investigation, to make a decision in cases of alleged violation of a specific Article(s) and Section(s) of this Agreement. He/she shall have no power to add to, subtract from, disregard, alter or modify any of the terms of this Agreement. He/she shall have no power to establish salary structures or change any salary or wage. He/she shall not substitute his/her judgment for that of the District's as to the qualifications and ability of an employee, if such judgment was not arbitrary or capricious.

In rendering decisions, the arbitrator shall give due regard to the responsibility of management as conditioned by this Agreement.

ARTICLE XVIII (Cont'd)

If the District disputes the arbitrability of any grievance under the terms of this Agreement, the arbitrator shall have to decide if the grievance is arbitrable before hearing the merits of the grievance. In the event that a case is appealed to an arbitrator on which he/she has no power to rule, it shall be referred back to the parties without decision or recommendation on its merits.

There shall be no appeal from an arbitrator's decision if within the scope of his/her authority as set forth above. It shall be final and binding on the Association, its members, the employee(s) involved, and the District.

The fees and expenses of the arbitrator shall be shared equally by the parties. All other costs and expenses of arbitration, including filing fees and witness expenses, shall be borne by the party incurring them.

Section D. Any grievance not appealed in the aforementioned time stipulations shall be deemed settled on the basis of the last response. This, and all other time limits, however, may be extended by mutual consent of the parties. The word days in this Article refers to work days.

Section E. No back payments or wages shall be awarded for any period prior to thirty (30) days prior to the date of filing of a written grievance. All claims for back wages shall be limited to the amount of wages that the employee would otherwise have earned, less any unemployment or other compensation he/she may have received from any source during the period of the back wages.

Section F. No matter which arose prior to the date of ratification of this Agreement shall be the basis of any grievance or subject to arbitration under this Agreement.

Note: Grievance Form in Appendix B.

ARTICLE XIX - PROBATION

Section A. A probationary period of six (6) months shall be served by all new employees.

Section B. Whenever possible by the end of the fourth (4th) month of the probationary period, a written evaluation, signed by the immediate supervisor and the employee, shall be filed with the Assistant Superintendent specifying satisfactory or unsatisfactory performance, provided, however, it is understood that the District shall have the right to discharge, discipline, transfer or demote any probationary employee and no grievance shall arise therefrom.

Section C. Former employees (if rehired) shall be treated as a new employee.

ARTICLE XX - REDUCTION IN FORCE/RECALL

Section A. When there is a reduction in the work force, employees so affected shall be displaced in accordance with Section B of this Article.

Section B. There shall be three "brackets" in the Instructional Paraprofessional Classification. These include:

1. Six (6) or more hours (full-time).
2. Four (4) but less than six (6) hours (part-time with benefits).
3. Less than four (4) hours (part-time).

Section C. In the non-instructional classification, the layoff and bumping procedures will be mutually exclusive for the transportation paraprofessionals and parking lot paraprofessionals. Transportation paraprofessionals are governed by the system outlined in Article XXIII, Section J. Parking lot paraprofessionals are governed by the system outlined in Sections B and D of this Article.

Section D. A paraprofessional whose job is being eliminated or whose hours are reduced shall be reassigned according to the following procedures:

1. For the purpose of this Article, layoff and recall shall be based upon seniority. Periods of leave or layoff do not interrupt seniority. The classifications shall be (1) instructional and (2) non-instructional.
2. The displaced employee, if he/she has more seniority, shall bump into the position held by the least senior employee in the same bracket. Note: If two (2) or more employees are so affected in any "bracket", the administration shall assign the paraprofessionals within the "bracket".

ARTICLE XX (Cont'd)

3. If a bumpable position does not exist, the displaced employee shall, if he/she has more seniority, displace the least senior employee in the next lower "bracket". The process continues, if needed, through to the lowest "bracket".
4. Be placed on layoff.

Section E. A paraprofessional cannot claim a job out of his/her classification. But, a displaced employee may apply for and be considered for a vacancy in another classification (instructional, non-instructional). The employee seeking a transfer to the new classification shall be placed after employees in that classification have had their transfer requests considered. Any employee who is transferred to a new classification under this section shall have no recall rights to his/her original classification.

Section F. When a vacancy occurs in a higher "bracket", the displaced employee with the most seniority shall be reinstated (recalled). Note: If two (2) or more employees are so affected in any "bracket" because of multiple vacancies in that "bracket", the Board shall assign the paraprofessionals being recalled.

1. A laid off employee may refuse a recall to a vacancy in a lower "bracket" that originally held. However, once a recall is refused, that employee shall have no right to any vacancy unless the vacancy occurs in his/her original "bracket".
2. A displaced working employee shall accept any reinstatement (recall) offer to a higher "bracket".
3. The reinstatement (recall) period shall expire when the employee is returned to the "bracket" from which he/she was originally displaced.

ARTICLE XX (Cont'd)

4. Reinstatement (recall) rights are valid for two years or a period of time equal to the employee's seniority, whichever is longer.

Section G. In the event a paraprofessional on layoff is mailed a notice of recall to a position in the bargaining unit, by registered mail, to his/her last known address on file in the Personnel Office, and such paraprofessional does not notify the Assistant Superintendent for Personnel in writing, by certified mail, return receipt requested, within ten (10) days after such offer of his/her acceptance, then such paraprofessional shall have no further rights of reinstatement, unless approved by the Assistant Superintendent for Personnel in writing, and shall be considered to have voluntarily resigned.

Section H. During layoff, neither wages or fringe benefits will be paid, nor will sick days or wage increments accrue, but upon recall, unused sick days at the start of the layoff shall be reinstated.

Section I. It shall be the responsibility of each employee to notify the employer of any change of address or telephone number. The employee's address and telephone number as it appears on the employer's records shall be conclusive when used in connection with the layoffs, recall, or other notices of employment.

ARTICLE XXI - TERMINATION OF EMPLOYMENT

Section A. The best interest of the employee and the District will be served where both share the obligation to provide reasonable notice in writing when termination of employment is under consideration. Less than two (2) weeks notice may be considered unreasonable except as circumstances warrant such action.

Section B. Employees terminating their services with the District are entitled to vacation pay for all accrued vacation if applicable, payable at the next payroll period following the date of termination, except when the initial six (6) month probationary period has not been completed.

ARTICLE XXII - PROFESSIONAL GROWTH ON THE JOB

Section A. Meetings of employees are essential for purposes of organization, to facilitate integration of work schedules, and meet emergency situations. Such meetings shall be held from time to time as mutually agreed to between the Association and the District.

Section B. Prior to October 20th each year, the Executive Committee of the Association shall present a list of appropriate inservice topics, to the Administration. A joint committee shall review the list of topics and make recommendations to the Assistant Superintendent for Personnel on how these topics should be handled. The Assistant Superintendent for Personnel shall make the final determination on each topic presented and he/she shall inform the committee of his/her decisions.

ARTICLE XXIII - WORK SCHEDULE

Section A. The normal work schedule for most regular, full-time employees shall be a six (6) hour day and a thirty (30) hour week, Monday through Friday, provided nothing herein shall be construed as a guarantee of hours worked per day, or days worked per week.

Section B. Employee work schedules may vary due to the special needs and circumstances peculiar to building and/or departments. Employees are expected to report for duty within the organizational pattern of the building and/or department.

Section C. Employees shall be paid time-and-one-half for all hours worked beyond eight (8) hours in any one day, and over forty (40) hours in any one week. The allowance of an overtime premium on any hour excludes that hour from consideration for overtime payment on any other basis, thus eliminating any double or pyramiding of overtime payments.

Section D. If paraprofessionals are required to attend school camping trips with students they will be compensated as follows: On overnight trips paraprofessionals will be paid for an eight (8) hour day. Any paraprofessional not required to attend will not be paid for the day. Paraprofessionals who work their normal day will be paid their normal wage. No additional time will be paid for hours spent on camping trips unless these hours qualify under Section C and are earned beyond the normal dismissal time on the day of return.

Section E. All overtime shall be divided as equally as possible between full-time employees of each building and/or department, according to their skills.

Section F. Paraprofessionals will work with their immediate supervisors in establishing appropriate break and lunch periods during the work day. For paraprofessionals working five (5) or more hours per

ARTICLE XXIII (Cont'd)

day there will be a one-half (1/2) hour or one (1) full hour unpaid lunch period (as determined by the District).

Section G. Employees shall be paid time-and-one-half for all hours worked on Saturdays and shall be paid double-time for all hours worked on Sundays and holidays. Whenever possible, advance notice of overtime shall be given so that necessary arrangements can be made.

Section H. Employees laid off in June shall have their health and life insurance continued until August 31st. Employees laid off during the school year shall have health and life insurance continued for up to sixty (60) days from the effective day of the layoff.

Section I. In the event a ten (10) month job is extended, the person in that position shall continue to perform those assigned duties. If the regular employee in that position declines to work in the summer months, the summer job shall be offered to another member in the building as a temporary position. If the summer job cannot be filled in the building, the job shall be posted as a temporary position.

Section J.

1. Transportation paraprofessionals will be given an opportunity to express their run preference in August and again after the drivers make their second bid.
2. A transportation paraprofessional assigned to an AM and PM run during the school year will be guaranteed a minimum of four (4) hours or driving time, whichever is greater. A paraprofessional assigned only to an AM run will be guaranteed three (3) hours minimum or driving time, whichever is greater. In the event that the paraprofessional finishes the

ARTICLE XXIII (Cont'd)

runs in less than the guaranteed time, the Supervisor, or designee, may assign other tasks to complete the guaranteed time.

3. Transportation paraprofessionals are assigned to a run for the regular K-12 school year and also during times when their run serves students in special programs when transported by Livonia Public Schools transportation department. Should the run to which a paraprofessional is assigned operate during times outside the regular K-12 school year calendar, the following shall apply:
 - a. During the summer months the transportation paraprofessionals shall be guaranteed four (4) hours per day.
 - b. If a paraprofessional is specially trained and is assigned to a summer run which has less hours than his/her seniority entitles, then he/she will be paid at the higher number of hours.
4. Transportation paraprofessionals may arrange for another paraprofessional to substitute for them during the non-K-12 calendar periods subject to these conditions:
 - the substitute must be able to perform the assignment in a competent manner;
 - the Supervisor of Transportation, or designee, must be informed in advance and agree to the change;
 - the substitute paraprofessional will be informed of the obligations and duties of the job;

ARTICLE XXIII (Cont'd)

- the regularly assigned paraprofessional may not bump the substitute during the pre-arranged period of time.
5. Because of the unique nature of the "swing" position, the paraprofessional who holds that position shall qualify for single health insurance and other benefits as outlined in Article XIII.
 6. Layoff of transportation paraprofessionals shall be done by seniority. The least senior employee(s) shall be placed on layoff. When a vacancy is available the most senior employee on layoff shall be recalled.
 7. Transportation paraprofessionals and drivers shall receive fifty dollars (\$50) clothing allowance in September of each year.
 8. Parking lot paraprofessionals shall receive a twenty-five dollars (\$25) clothing allowance in September of each year.

ARTICLE XXIV - RETIREMENT

Section A. Employees retiring after July 1, 1989, shall receive \$200 retirement pay for each year of service. To be eligible for retirement pay, an employee must meet the following:

1. Have worked on a full-time basis for the District for a minimum of ten (10) consecutive years; provided further, approved leaves of absence shall not be considered as breaks in "consecutive years of service," but leaves granted shall not be counted toward "years of service."
2. Must meet minimum age requirements to qualify to immediately commence receiving retirement benefits under the Michigan School Employees Retirement Fund.
3. Must submit proof to the effect that he/she will actually qualify for retirement benefits for the period commencing on the first day of the month following the month of his/her termination.
4. Part-time employees shall be eligible for a pro-rated share of the retirement pay provided their part-time services, when pro-rated, makes them eligible under the full-time clause of Paragraph 1 above and provided, further, that they fulfill the other requirements set forth in Paragraphs 2 and 3.
5. After having worked the equivalent of ten (10) full years for the school district, should the person be employed at the time of his/her death, his/her estate shall be eligible for such retirement pay.

Section B. All bargaining unit members shall be allowed to continue their employment with the employer until age seventy (70). After age seventy (70), bargaining unit members may continue their employment on a year-to-year basis upon written request to the employer.

ARTICLE XXIV (Cont'd)

Section C. Sick Day Savings

A seniority employee who terminates his/her employment with Livonia Public Schools shall receive the dollar amount indicated for each eight (8) hours of unused sick time in his/her sick bank at the time of termination.

- | | |
|--------------------|---|
| 0-10 years | No reimbursement |
| 10 or more years | Ten dollars (\$10) per eight hours of sick time. |
| Retiring employees | Twenty-five dollars (\$25) per eight hours of sick time |

Beginning with the 1990-91 school year, employees who retire will receive thirty dollars (\$30) per eight hours of sick time.

ARTICLE XXV - EVALUATIONS

Section A.

1. Probationary employees shall be evaluated twice during their probationary period. Seniority employees shall be evaluated at least once per year. Such evaluations shall be completed by May 30th of the current school year. The appropriate administrator shall be responsible for the evaluation of each paraprofessional and the evaluation form shall be signed by the administrator.
2. The employee shall have an opportunity to read and discuss the evaluation prior to the document being placed in the personnel file.
3. The employee shall sign the evaluation form. This signature indicates only that the employee has read the evaluation. If the employee disagrees with the evaluation, then he/she may attach a written response to the document.

Section B. Employees will be notified of complaints against them if the complaints are to be placed in the personnel file. The employee shall acknowledge he/she has read the complaint by initialing the matter with the understanding that the initialing merely signifies that the employee has read the complaint and does not necessarily indicate agreement with its contents. The employee shall have the opportunity of having a written answer to the complaint filed with the complaint, provided such answer shall be filed within thirty (30) days.

ARTICLE XXVI - PAYROLL

Section A. The wages of an employee shall start at the time he/she reports for duty. Wages shall be paid bi-weekly on such calendar dates as are established by the District. The bi-weekly pay periods begin on a Saturday and end on the Friday preceding payday.

Section B. When payday falls on a non-work day, every effort shall be made to see that the employees receive their pay on the last working day preceding the regular payday.

Section C. No deductions from an employee's pay shall be made without advance notice to the employee.

Section D. Changes and/or cancellation notices of employee-authorized deductions shall be submitted in writing at least ten (10) days in advance of the change being effective.

Section E. Employees may use payroll deductions for all approved deductions, including PAC.

Section F. If possible, annuity deductions shall be made from any earned vacation pay.

ARTICLE XXVII - MISCELLANEOUS PROVISIONS

Section A. At the time of employment, the Assistant Superintendent for Personnel shall evaluate all previous experience for placement on the salary schedule. A maximum of three (3) years experience may be allowed.

Section B. Copies of the Agreement shall be printed by the employer and enough copies given to the Association to provide a copy for each bargaining unit member.

Section C. If any provision of this Agreement or any application of the Agreement to any employee or group of employees shall be found contrary to law, then such provision or application shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.

Section D. Each employee shall have the right, upon request, to review his/her own personnel file maintained on that employee by the Livonia Public Schools. A representative of the Association may, at the employee's request, accompany the employee in this review. The review shall be made in the presence of the administrator responsible for the safekeeping of these files.

Section E. Employees shall receive reimbursement at the rate per mile established each spring by the Internal Revenue Service for use of personal cars on school business authorized by the District.

Section F. For the life of this Agreement, neither the District nor the Association shall be obligated to bargain collectively with respect to any subject or matter referred to or covered by the Agreement, or with respect to any subject or matters not specifically referred to or covered in this Agreement.

ARTICLE XXVII (Cont'd)

Section G. All earned vacation days will be paid for at the time a laid off employee is paid for the final days worked prior to layoff.

Section H. In the event of a strike by another representative group causing a layoff of paraprofessional personnel, an employee to be laid off will receive a written notice within a twenty-four (24) hour period.

Section I. This Agreement supersedes and cancels all previous agreements, verbal or written or based on alleged past practices between the District and the Association and constitutes the entire agreement between the parties. Any amendment or agreement supplemental hereto shall not be binding upon either party unless executed in writing by the parties hereto.

Section J. The use of words referring to the male gender in any Article and/or Section of this Agreement shall likewise be read to include the female gender.

Section K. If the State establishes minimum standards for paraprofessionals, the parties shall immediately open negotiation on the subject.

Section L. If possible the employer will provide each employee with a drawer or locker that is capable of being locked so that employees will have a safe place to store personal items.

Section M. The Association shall be informed when new employees are hired. Notice shall be sent to the Association Office and President.

ARTICLE XXVIII - NO STRIKE CLAUSE

Section A. During the term of this Agreement, neither the Association nor any person acting on its behalf will cause, authorize, sanction, condone, or support, nor will any member of the bargaining unit take part in any strike; i.e., the concerted failure to report for duty, or willful absence of an employee from his/her position, or stoppage of work or abstinence, in whole or in part, from the full, faithful and proper performance of the employee's duties of employment, for any purpose whatsoever, including sympathy strikes.

Section B. During an employee's working hours, the Association shall not cause any picketing of the School District's properties or of the Board of Education premises during the life of this Agreement.

Section C. The Association agrees that it will take prompt affirmative action to prevent or stop unauthorized strikes, work stoppages, slow downs of work, picketing, or work interference of any kind by notifying the employees that it disavows these acts. In the event of a violation of this Article, the District shall have the right to discipline any or all employees who violate this Article and such action shall not be subject to the grievance procedure.
