ARTICLE I

RECOGNITION

- A. This Agreement is entered into this ____ day of _____, 19__, by and between the Board of Education of the Mio AuSable Schools, hereinafter called the Board, and the Northern Michigan Education Association, MEA/NEA, hereinafter called the Association, which shall represent all Mio AuSable employees who are included in Section B of this article.
- B. The Board hereby recognizes the Association as the exclusive and sole bargaining agent as defined in Section 11 of Act 379, Public Acts of 1965, for all certified personnel in the appropriate bargaining unit, described and defined as:
- All certified full-time and regular part-time teaching personnel, librarians, and counselors of the Mio AuSable Schools, excluding all administrative personnel, substitute teachers, and all other employees of the Mio AuSable Schools.
- C. The terms "teachers" or "employee," singular and plural, when used hereinafter in this Agreement shall refer to all personnel represented by the Association in the bargaining unit as defined above, and references to one gender shall include the other gender.
- D. The Board agrees not to negotiate with any teacher's organization other than the Association for the duration of this Agreement. Nothing contained herein shall be construed to prevent any individual teacher from presenting a grievance and having the grievance adjusted without intervention of the Association, if the adjustment is not inconsistent with the terms of this Agreement, provided that the Association has been given opportunity to be present at such adjustment.

E. The term "Board" shall refer to the Board of Education of the Mio AuSable Schools and, where appropriate, its superintendent and administrative personnel.

ARTICLE II

RIGHTS OF THE BOARD

A. It is agreed that the Board hereby retains and reserves unto itself, without limitation and without prior negotiations with the Association, all the powers, rights, authority, duties and responsibilities enumerated in the School Code of 1976, and conferred upon and vested in it by the laws and the Constitution of the State of Michigan and of the United States, including, and without limiting the generality of the foregoing, the rights to:

1. The executive management and administrative control of the school district, its properties, equipment, facilities and operation and to direct the activities and affairs of its employees;
2. Hire all employees, subject to the provisions of law, to determine their qualifications and the conditions for their continued employment, or their dismissal or demotion; and to promote and transfer all such employees;
3. Determine the size of the work force and to expand or reduce the force;
4. Establish, modify, or change any work, business, or school hours or days;
5. Decide upon the means and methods of instruction, including telecommunications instruction, the selection of textbooks and other teaching materials and the use of teaching aids of every kind and nature. The Board will consult with the teachers in affected areas with respect to these matters;
6. Determine class schedules, the hours of instruction, and the duties, responsibilities, and assignments of teachers with respect thereto and non-teaching school activities and the terms and conditions of employment.

The exercise of the foregoing powers, rights, authority, duties, and responsibilities by the Board, the adoption of policies, rules, regulations, and practices in furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited

only by the specific and express terms of this Agreement and then only to the extent that such terms are in conformance with the Constitution and laws of the State of Michigan and the Constitution and laws of the United States.

- B. The express inclusion by an affirmative statement or delineation of any specific rights of the Board anywhere in the Agreement shall not by implication exclude or diminish those remaining rights and powers of the Board not so mentioned and hereby retained by the Board.

ARTICLE III

DUES DEDUCTION AND REPRESENTATION FEE

- A. Each bargaining unit member shall, as a condition of employment, (1) on or before thirty (30) days from the date of commencement of duties or the effective date of this Agreement, whichever is later, join the Association, or (2) pay a legally permissible service fee to the Association, pursuant to the Association's "Policy Regarding Objections to Political-Ideological Expenditures" and the administrative procedures adopted pursuant to that policy. The service fee shall not exceed the amount of Association dues collected from Association members and shall be reduced by any amounts required by law. The bargaining unit member may authorize payroll deduction for such fee. In the event that the bargaining unit member shall not pay such service fee directly to the Association, or authorize payment through payroll deduction, the employer shall, pursuant to MCLA 408.477; MSA 17.277(7) and at the request of the Association, deduct the service fee from the bargaining unit member's wages and remit same to the Association. Payroll deductions made pursuant to this provision shall be made in equal amounts, as nearly as may be, from the paychecks of each bargaining unit member. Monies so deducted shall be remitted to the Association, or its designee, no later than thirty (30) days following deductions.
- B. Pursuant to Chicago Teachers Union v Hudson, 106 S Ct 1066 (1986). The Association has established a "Policy Regarding Objections to Political-Ideological Expenditures." That policy, and the administrative procedures (including the timetable for payment) pursuant thereto, applies only to non-union bargaining unit members. The remedies set

forth in that policy shall be exclusive and, unless and until such procedures, including any administrative or judicial review thereof, shall have been availed of and exhausted, no dispute, claim, or complaint by an objecting bargaining unit member concerning the application and interpretation of this article shall be subject to the grievance procedure set forth in this Agreement, or any other administrative or judicial procedure.

- C. Any bargaining unit member who is a member of the Association, or who has applied for membership, may sign and deliver to the employer an assignment authorizing deduction of dues in the Association as established by the Association. Such authorization shall continue in effect from year to year unless revoked in writing during the month of August according to the procedures outlined in the MEA constitution, bylaws, and administrative procedures. Pursuant to such authorization, the employer shall deduct such dues from each regular salary check of the bargaining unit member over the remaining paydays.
- D. Due to certain requirements established in recent court decisions, the parties acknowledge that the amount of the fee charged to non-members along with other required information may not be available and transmitted to non-members until mid-school year (December, January, or February). Consequently, the parties agree that the procedures in this article relating to the payment or non-payment of the representation fee by non-members shall be activated thirty (30) days following the Association's notification to non-members and the employer of the fee for that given school year.
- E. The Association agrees to indemnify and save the Board, including each individual school Board member, and its administrative employees, harmless against any and all claims, demands, costs, suits, or other forms of liability, including back pay, unemployment, and

all court or administrative agency costs that may arise out of or by reason of action by the Board for the purpose of complying with this Agreement. The Association shall have control of all litigation arising hereunder and shall be able to settle or compromise any such case in its discretion.

ARTICLE IV

RIGHTS OF TEACHERS AND ASSOCIATION

- A. No teacher shall be disciplined, reprimanded, or reduced in rank or compensation without just cause. Just cause requirements shall not be applicable in connection with the non-renewal of, or third year of probation for, a probationary teacher or with respect to non-reappointment to a position on the Co-Curricular Schedule (Appendix B). Should a teacher or the Association elect to seek relief through the Tenure Commission, courts or other avenues of law, then such discipline, reprimand, or reduction in rank or compensation cannot be arbitrated pursuant to this Agreement and is hereby specifically and expressly excluded from the arbitration provision of Article XIV. A probationary teacher who is dismissed or served written reasons for non-renewal pursuant to the requirements of the Tenure Act may utilize the grievance procedure through the Board level to obtain a hearing and opportunity to present arguments in opposition to such dismissal or non-renewal. Such dismissal or non-renewal cannot be arbitrated pursuant to this Agreement and is hereby specifically and expressly excluded from the arbitration provision of Article XIV. The decision of the Board in the case of the dismissal or non-renewal of the probationary teacher is final.
- B. The Association shall have the right to the use of school building rooms and facilities at all reasonable non-contractual hours for meetings, according to the Board's policy on the use of the building. Association business shall not be conducted during the regular

workday of any employee except during that teacher's duty-free lunch period or with prior administrator approval. The Association may conduct Association meetings for one (1) hour on the first and last teacher days.

- C. Bulletin boards in the teachers' lounge and school mailboxes shall be made available to the Association, and the public address system may be used for announcements subject to administrative approval. The administration shall receive a copy of general circulation materials.

ARTICLE V

MEDICAL EXAMINATIONS

- A. At the time of initial employment, each employee shall have a satisfactory current health certificate from a physician authorized to practice medicine in the state of Michigan. Said certificate will be filed in the Superintendent's office before taking up assigned duties. Cost of said examination to be borne by the employee.
- B. At the time of initial employment, each employee shall submit a report of a negative chest x-ray or a TB skin test taken within the past six months. Thereafter, a negative chest x-ray or TB test shall be required per State of Michigan directives at no expense to the individual.
- C. After five (5) consecutive days' absence due to illness or injury, a teacher may be required to obtain approval by a doctor before returning to work. This approval shall be made by a physician or psychiatrist authorized to practice in the state of Michigan.
- D. Any additional medical examination can be requested by the administration at the expense of the Board of Education.
- E. Medical examination results may be subject to verification by a doctor named by the district.

ARTICLE VI

TEACHING HOURS

- A. The teachers' workday will not exceed a total of 7½ hours per day, including a lunch period and preparation period. In keeping with the Board's rights as listed in Article II of this Agreement, the beginning and ending of the teachers' workday shall be determined by the Board. These workdays shall include, but not be limited to, regular workdays, parent-teacher conference days, early school closings due to inclement weather or other circumstances, days without students, half-days, in-service days, exams, and records days.
- B. Teachers may be required to work a reasonable number of hours, given adequate notice, beyond the normal work day/week for the purposes of staff meetings, curriculum committee meetings, school improvement committee meetings, and parent conferences. The Board will make such extra hours voluntary. In consideration for volunteered time, the Board will recognize such voluntary service through the following means: conference attendance, school visitation, released time, in-service and professional development activities, compensatory time, compensated time.
- The Association will encourage all members to participate in the school-improvement process.
- C. All teachers shall have a duty-free, uninterrupted lunch period of no less than 30 minutes, except as mutually agreed.

- D. Teachers shall not be required to work on scheduled days of student instruction which are not held because of conditions not within the control of school authorities, such as inclement weather, fires, epidemics, mechanical breakdowns, or health conditions as defined by city, county, or state health authorities. The Board may reschedule any such days. Teachers will receive their regular pay for days which are cancelled, but shall work on any rescheduled days with no additional compensation.
- E. The Association shall strongly encourage its members to attend school-sponsored events in which students take part and shall strive to achieve full and appropriate faculty representation at students' academic honors or awards programs sponsored by the Board or administration.

ARTICLE VII

TEACHING CONDITIONS

- A. The administration will make every attempt to meet recommended class sizes as listed below:
1. Kindergarten and elementary grades -- 30 pupils.
 2. Special classes for special education students -- 12 pupils at one time, or more as permitted by special education rules with approved deviations.
 3. High school classes -- 30 pupils, except:
 - a. when work stations limit enrollment;
 - b. Music or study hall -- 40 pupils, or 75 pupils with one teacher and an aide;
 - c. Phys. Ed. -- 25 pupils, with one side of gym or 40 pupils if using entire gym.
- B. To relieve teachers of cafeteria, patrol, and bus duty, the Board agrees to engage non-professional people as aides in high school and elementary. The aides will handle patrol duties, duplication of teaching materials, collecting moneys for lunch and milk, and similar nonprofessional responsibilities, subject to economic conditions.
- C. The Board shall make available in each school a lounge, restroom, and lavatory facilities for teacher use and at least one room appropriately furnished which shall be reserved for use as a faculty lounge.
- D. A telephone shall be made available for teachers for their reasonable use in the lounge area. A pay phone or a system of collecting expenses from teachers for non-teaching calls shall be worked out between teachers and the administration.

- E. Adequate designated parking facilities shall be made available to the staff during the normal school day.
- F. The Board shall determine the school calendar. The school calendar shall be attached to this Agreement as Appendix C. The maximum number of teacher workdays shall be one hundred eighty-four (184). Scheduled days of student instruction may be rescheduled in accordance with Article VI, Section D.
- G. Teaching load and schedule:
1. The normal weekly teacher load in the junior and senior high school will be thirty (30) assigned periods and five (5) unassigned preparation periods. Any teacher assigned more than five (5) preparations (defined by course title) per semester (not including an additional prep caused by someone accepting a teaching assignment during his preparation period) shall be paid an additional One Hundred Fifty Dollars (\$150) per semester for each additional preparation. The normal weekly teaching load in the elementary school will be thirty (30) teaching periods. The administration will notify the Association of schedule changes. If schedules are changed, similar time ratios to the above shall be maintained.
 2. Recognizing those management rights of the Board as stated in Article II, the Board shall determine the daily teaching schedule. Said daily schedule shall not conflict with the assignment specifications outlined above.
- H. Based upon known conditions, teachers who will be affected by a change in positions in the elementary grades and by changes in subject and assignments in the secondary grades will be consulted and notified by their principals of a tentative position prior to the last day of school. In the event of assignment changes during the summer, the administration will make every effort to notify the affected teacher as soon as possible after the change is known. Such changes will be voluntary to the extent possible. Every effort will be made to avoid reassigning probationary teachers to different grade levels unless the teacher approves or requests such change.
- I. Team teaching situations shall be mutually agreed to by teachers and principals.

- J. The administration shall make the teacher assignments.
- K. The administration agrees at all times to maintain a list of substitute teachers. Teachers shall be informed of a telephone number they may call to report unavailability to work. Teachers shall call this number at least an hour and a half before the regular school day starts, except in an emergency. Once a teacher has reported his unavailability, it shall be the responsibility of the administration to arrange for a substitute teacher.
- L. Supervisors shall make themselves available to the teaching staff.
- M. Complaints by parents or students directed toward a teacher shall be called to the teacher's attention within a reasonable time.
- N. Telecommunications Instruction:
1. Telecommunications instruction assignments shall be voluntary.
 2. Telecommunications instructional providers may be evaluated for program effectiveness and student progress. A teacher cannot be terminated because of his/her performance as a telecommunications teacher, unless that teacher was hired specifically as a telecommunications teacher.
 3. The telecommunications instructor is telecasting as an employee of the Board; therefore, videotapes of instruction belong to the district and may be reused in the case of student make-up work without the instructor's permission. Use of tapes for other than student make-up shall be by mutual consent between the teacher and the Board.
- O. Whenever it is known that a special education student designated as SMI, TMI, SXI, POHI, AI, or EI who has unusual special needs due to the severity of the disability, at least fifty percent (50%) of the regular teachers who will be providing instructional services to that student will be invited, in writing, to participate in the IEPC meeting. A substitute will be provided if required for any teacher participating in the IEPC meeting.

The parties recognize the extent to which a handicapped student can satisfactorily participate in regular education programs, and services will partially depend upon the training which will be provided the regular education personnel responsible for instructing the handicapped student as needed.

Bargaining unit members, except trained special education personnel or other medically trained personnel, shall not be required to provide ongoing, repetitive medical or hygienic services for the above-referenced special education students except in an emergency situation.

- P. In the event that any provision(s) of a school improvement plan (SIP) or application thereof violates, contradicts, or is inconsistent with the collective bargaining agreement, the collective bargaining agreement shall prevail. The agreement shall not be altered or modified through the school improvement process, absent written mutual agreement through a properly executed letter of agreement between the Board and the Association.

The conditions which follow shall govern employee participation in any and all plans, programs, or projects included in the term "SIP":

1. Participation by the employee outside required work hours is voluntary, pursuant to the provisions of Article VI, Section B.
2. School improvement and site-based activities may be scheduled during the normal school year and normal school day set forth in the contract. These activities shall be attended, unless the principal excuses a staff member.
3. Participation or non-participation shall not be used as a criterion for evaluation, discipline, or discharge.

Q. The Board and Association recognize and accept the concept of participatory management systems that facilitate collaborative decision making on select issues, joint planning, and joint problem solving which focus ultimately on the goals of improving the quality and delivery of educational service and the work environment.

During the 1993-94 school year, the following issues will be addressed by a site-based decision making committee (SBD): scheduling, elementary prep time, and teacher evaluation. The SBD committee shall present written reports to the Board and the Association by March 1, 1994. Any recommendations contained in such reports shall require the mutual agreement of the Board and the Association prior to implementation.

ARTICLE VIII

PUPIL ADMINISTRATION

- A. It shall be the responsibility of the school district to periodically report to parents or guardians the progress of students. It shall be the responsibility of the administration and teachers to set up a reporting program. Formal methods of reporting shall include (1) report card, and (2) report card and/or a conference. Informal methods of reporting shall include (1) notes, and (2) phone calls. Organizing and establishment of the time schedule and the notification to the parents concerning conferences shall be the tasks of the administration assisted by the teachers.
- B. The teacher shall not be responsible for obtaining records of a student from a previous school district.
- C. No room with children present shall be left unsupervised. Each teacher is responsible to get someone to cover for him if he must leave his class.
- D. In the event that the classroom teacher feels in need of help, the administration may be called upon. Since the teacher's authority and effectiveness in his classroom is undermined when students discover that there is an insufficient administrative backing and support of the teacher, the Board recognizes its responsibility to give all reasonable support and assistance to teachers with respect to the maintenance of control and discipline in the classroom.
- E. Teachers of Mio AuSable Schools have an obligation to supervise, discipline, and take charge of pupils and all others using school equipment while under their assigned classes and/or activities.

ARTICLE IX

TEACHER EVALUATION

A. The performance of all teachers shall be evaluated in writing which could include a check list. Probationary teachers shall be evaluated at least twice each year by the administration. Tenured teachers shall be evaluated at least once every three (3) years. Formal evaluations for probationary and tenured teachers should normally be completed by May 1 of each year. However, the administration is not precluded from evaluating teachers informally after that date.

B. Evaluation Procedure:

1. All new teachers in the system may have a tenured teacher advisor assigned to them at a time approximately one month after the commencement of their employment in the system. The selection of said advisor shall be on the mutual agreement of the probationary teacher, the principal, and the advisory teacher. If possible, this assignment will continue until the probationary teacher receives tenure or one or the other of the teachers leaves the system.

It shall be the duty of the advising teacher to meet with and aid the probationary teacher in any way mutually agreed to. The advising teacher may be present at any meetings between the probationary teacher and the principal which are in regard to evaluation.

2. Each teacher may fill out a self-evaluation form to be filed with his personnel records.
3. The administrator shall prepare and submit a written report and recommendation to the teacher within ten days of an evaluation observation. If an administrator believes a teacher is doing unacceptable work, it shall be noted and set forth in specific terms. The administrator shall then set forth written recommendations for improvement. The teacher shall receive a copy of each form that is filled out.
4. Either the teacher or principal may request a conference following a written evaluation for the purpose of clarifying the written report and recommendations. A copy of each written evaluation will be submitted to the Superintendent. A

teacher who disagrees with a written observation, evaluation, or recommendation may submit a written answer within twenty (20) days, which shall be attached to the file copy of the written observation, evaluation, or recommendation in question.

5. The teacher shall be given reasonable notice of those formal evaluation observations conducted to fulfill the minimum requirements of Section A above. Advance notice need not be given for any additional observations.
6. All formal monitoring or observation of the work performance of a teacher shall be conducted openly and with the full knowledge of the teacher. Secret surveillance devices shall not be used to evaluate the performance of a teacher. If information obtained as a result of informal observation will be used in the evaluation of the teacher, then such information will be called to the teacher's attention.
7. Each teacher shall have the right upon request to review the contents of his own personnel file, except confidential, pre-employment references. A representative of the Association may be requested to accompany the teacher to such a review.
8. The evaluation process shall be continuous and comprehensive . The written evaluations, forms, and conferences may address the teacher's overall performance in the Mio AuSable Schools. A committee of teachers, administrators, and school Board members shall be established to study and make recommendations for improvements in the process of evaluation. This shall include forms, techniques, and criteria. Prior to implementing a change in the evaluation process, the Board shall review any of the recommendations of the committee.

ARTICLE X

VACANCIES, PROMOTIONS AND TRANSFERS

- A. Whenever any vacancy in any professional position in the district shall occur, the Board shall publish the vacancy by appropriate notice in the teachers' lounge. When a vacancy occurs in the summer, a written notice will be included with the teachers' paychecks or mailed to all other teachers. A vacancy is an opening in a bargaining unit position for a period greater than one hundred twenty (120) school days which the Board intends to fill on a regularly scheduled basis (full- or part-time) with someone other than a teacher who is on leave or layoff status. If a vacancy occurs during a school year after January 1, the Board may temporarily fill the vacancy with a substitute or temporary teacher until the end of the school year, at which time the position would be posted as a vacancy. However, the position need not be posted at that time as a vacancy if the vacancy occurred as a result of a teacher going on leave who is expected to return.
- B. Any teacher may apply for such vacancy. Applicants accepted for a teaching position must be certified from an accredited institution of higher learning or from the State Department of Education.
- C. The Board declares its support of a policy of promotions from within its own staff, including promotions to supervisory and executive levels.
- D. Criteria for qualifications to supervisory and administrative positions shall be spelled out by the Board of Education.

- E. Any teacher who shall be transferred to a supervisory or executive position and shall later return to teacher status shall be entitled to such rights as he had under this Agreement prior to such transfer.
- F. Transfer shall be accomplished through conference, evaluation, and between the administration and the teacher.
- G. Local teachers in the Mio AuSable Schools will be given first opportunity to have summer school assignments, provided they meet the qualifications and this does not conflict with the funding of the program.
- H. No teacher on continuing tenure shall discontinue his/her services with the Board except by mutual consent, without giving a written notice to said Board at least sixty (60) days before September 1 of the ensuing school year. Any teacher discontinuing his/her services in any other manner than as provided in this section shall forfeit his/her rights to continuing tenure previously acquired. The Board shall promulgate policy and regulations to enforce this section.

ARTICLE XI

REDUCTION IN PERSONNEL

- A. In the event of a reduction in personnel, the Board shall retain tenured teachers in the order of greatest seniority, provided they are certified and qualified to teach in the available positions.

Seniority is defined as years of continuous service as a certified employee of the Mio AuSable Schools from the first day of services rendered under contract. Leaves of absence without pay and periods on reduction in personnel shall not accumulate as seniority but shall not operate as a break in continuous service. A list of teachers' first date of work shall be prepared and published no later than ninety (90) days from the first day of each school year. Prior to serving the notice for reductions in personnel, a seniority list shall be prepared and published. Those teachers with equal seniority shall participate in a drawing to determine their ranking on the seniority list. The Association and teacher(s) so affected will be notified in writing of the date, place, and time of the drawing. The drawing shall be conducted openly and at a time and place that will reasonably allow the affected teachers and Association representatives to be in attendance. A copy of the seniority list shall be provided to the Association.

- B. No teacher shall be reduced pursuant to a reduction in personnel unless the teacher is provided written notice of at least sixty (60) days sent by registered mail to the teacher's last known address on file with the Board.

- C. All compensation shall cease when the teacher is reduced pursuant to the reduction in personnel. The teacher shall be paid all compensation which has been earned up to the date of reduction. The teacher shall be maintained as a member of the employee group for purposes of the reduced teacher continuing health insurance coverage at the group premium rate at the reduced teacher's expense for a period of up to twelve (12) months after reduction, subject to the permission of the health insurance carrier. The teacher shall submit the required payment to the school district in advance of the district's scheduled payment date to the insurance carrier.
- D. Teachers who have attained tenure in the Mio AuSable Schools and are reduced pursuant to a reduction in personnel shall be recalled to the first position for which the teacher is certified and qualified in order of greatest seniority among those remaining in reduced status. Notice of recall shall be sent by certified mail, return receipt requested, to the teacher's last known address on file with the Board. The teacher shall have fourteen (14) days from return of the receipt, or notice if undeliverable, to respond and accept recall, after which the teacher shall be deemed a quit.
- E. Nothing in this article shall supersede rights of a tenured teacher under the Michigan Teachers' Tenure Act.

ARTICLE XII

LEAVE DAYS

- A. Teachers shall be credited with three (3) days at the beginning of the school year. Thereafter they shall accumulate one (1) day per month for the remainder of the school year. These twelve (12) days may accumulate to one hundred (100) days.

All teachers shall be notified of their accumulated leave days at the beginning of each school year in September. The days must be used for the following reasons:

1. Personnel illness or accidental injury, including the period of personal disability and incapacitation due to pregnancy, childbirth, and recovery or complications therefrom. The following requirements and procedures shall apply to all teachers:
 - a. All teachers aware of an impending period of physical disability or illness shall notify the administration of such as soon as possible. Said notification is to be accompanied by a statement from the attending physician giving the anticipated date of disability or illness. Said notification shall be filed with the Superintendent of Schools.
 - b. The teacher may be required to furnish medical certification of continued ability to perform the duties of employment once a month following initial notification.
 - c. To receive sick leave payments, the teacher must perform all duties until physically disabled and return to service as soon as physically able to perform all duties.
 - d. In cases of extended illness or disability, chronic illness or disability, or mass absence of the teaching staff, the teacher may be required to have a physician's certification verifying the physical illness or disability which prevents performance of teaching duties.
2. Illness or injury to a member of the household under your support.
3. Each year not more than three days and not more than two consecutive days may be used for personal reasons. These days shall not be used immediately before or after a holiday or vacation period and the administration reserves the right to

limit teachers so as not to exceed four teachers absent at any one time. Requests shall be submitted at least forty-eight (48) hours in advance, except in emergency situations which preclude such notice. When such notice is precluded, the nature of the emergency preventing the notice shall be stated.

- B. A teacher may borrow up to seven (7) days from his anticipated sick leave, but shall reimburse the school district for leave taken but not earned at the time of severance.
- C. Each year two (2) days' leave shall be granted for attending funerals. Additional days, as needed, shall be charged against sick leave or personal business leave at the teacher's option.
- D. Teachers with students under their supervision attending a function of the organization for which the teacher acts as advisor shall not have these days deducted from business or personal leave days.
- E. Personal business days will not be deducted for attending school-oriented conferences.
- F. Any teacher called for jury duty during school hours or who is supposed to testify during school hours in any judicial or administrative matter, or who shall be subpoenaed to testify in any arbitration or fact-finding, shall be paid the difference between his/her regular salary and any pay received by the teacher for said duty.
- G. If a teacher with a serious illness or injury has used all existing sick days allotted to him/her, a committee of two school Board members, two teachers, and one administrator shall be formed to plan for a possible arrangement of borrowing of additional days from other teachers, or another plan of assistance for the ill or injured teacher. Any plan developed shall be subject to Board approval and Association approval and shall not be precedent setting.

H. Association Leave:

1. Each school year, teachers shall form a personal business leave pool of not to exceed three (3) days for use by the Association. The total days for Association leave during this Agreement shall equate to three (3) times the number of years' duration of said Agreement. All or a portion of the total Association leave days may be utilized during a given contract year; however, the total allotted by this provision shall not be exceeded during the life of this Agreement.
2. To institute this section, teachers shall contribute personal leave days granted according to Section A.3. of this Article XII. The mechanics of creating the pool shall be at the discretion of the Association.
3. The administration shall be advised as to whom personal leave shall be charged, so that a corresponding reduction may be made in a teacher(s)' personal leave availability. Article XII, Section A.3. provisions shall be controlling in the application of this Section H.

I. Teachers who attend conferences, conduct business on behalf of the school, chaperone students from a group sponsored by that teacher or another teacher, or who are engaged in an activity deemed to be equivalent in importance to executing their daily assignment shall be authorized to schedule such leave as "school business" so long as any of the foregoing reasons for leave are granted prior approval by the Superintendent. In such cases, personal business leave shall not be charged.

J. All "school business" leaves (conferences, school visitations, field trips, or other approved activity) shall be voluntary on the part of the teacher, regardless of whether such leave is teacher-initiated or via administrator request. Such "school business" leave is subject to prior administrative approval. Attendance by the teacher at an activity defined as "school business" shall not waive that teacher's responsibility or obligation to make up any student instruction days or teacher workdays cancelled at the time of said leave due to an Act of God in the district.

ARTICLE XIII

LEAVE OF ABSENCE

- A. Teachers may submit requests for leaves of absence without pay to the Board for consideration. The requests shall be in writing on the application provided by the Board and contain a full explanation of the reasons for the desired leave of absence. The application shall be submitted to the Superintendent for recommendation to the Board. The Board shall consider the request and provide an answer granting or denying the leave of absence as requested. The Board may indicate an alternative arrangement for leave of absence in its answer, which the teacher may accept by submission of an amendment to the original application.
- B. Upon the submission of a request by a teacher, the Board shall grant a leave of absence for the reasons and under the conditions as follows:
1. A military leave of absence shall be granted to any teacher who is drafted into any branch of the armed forces of the United States or is in the National Guard or Reserves and is called up for active duty.
 2. A leave of absence shall be granted to any teacher for the purpose of campaigning for and serving in a public office, except for a member of the Michigan Legislature. The leave shall commence no earlier than the date of filing for office and shall not be extended beyond one term of office.
