Section 5.2 Grievance Procedure

All grievances shall be handled in the following manner:

Step 1: An employee with a complaint shall discuss the matter with the Undersheriff within five (5) days from the date of the incident which gave rise to the grievance. If requested by the employee, he/she may have his/her Steward present. All settlements are subject to the approval of the Sheriff before they become final.

Step 2: If the grievance is not satisfactorily resolved, it shall be reduced to writing, setting forth the facts, the specific provision or provisions of the Agreement alleged to have been violated and the relief requested, signed by the aggrieved employee and the Steward, and within five (5) days following the verbal discussion, presented to the Sheriff. The Sheriff, Steward and the grievant, if requested by the Steward, shall discuss the grievance in an attempt to resolve the grievance. The Sheriff shall place his/her answer on the grievance form and return it to the Steward within five (5) days following the meeting.

Step 3: In the event the grievance is not satisfactorily resolved at Step 2, it may be appealed by submitting a copy of the grievance to the Administration and County Services Committee of the board of Commissioners through the County Coordinator/Planner office, within five (5) days following receipt of the Sheriff's written answer. Within ten (10) work days after the grievance has been appealed, a meeting shall be held between representatives of the Administration and County Services Committee and the Union. Either party may have non-employee representation present, if desired. In the event the meeting cannot be held within the ten (10) work day period, it shall be scheduled for a date mutually convenient to the parties without unreasonable delay. The employer shall place the written answer on the grievance no later than seven (7) days following the meeting.

5.3 Time Limits

If the time limits procedure is not followed by the Union the grievance shall be considered settled in accordance with the Employer's last disposition. If the time procedure is not followed by the Employer, the grievance shall automatically advance to the next step, but excluding arbitration unless requested by the Union. The time limits established in the grievance procedure may be extended by mutual agreement, provided it is reduced to writing and the period of extension is specified.

5.4 Time Computation

5.9 Use of Discipline Record

In imposing discipline on a current charge, the Employer will not consider any prior disciplinary action which occurred more than twenty-four (24) months previously unless directly related to the current charge.

5.10 Election of Remedies

When remedies are available for any complaint and/or grievance of an employee through any administrative or statutory scheme or procedure, such as, but not limited to, a veteran's preference hearing, civil rights hearing, or Department of Labor hearing, in addition to the Grievance Procedure provided under this contract, and the employee elects to utilize the statutory or administrative remedy, the Union and the affected employee shall not process the complaint through any Grievance Procedure provided for in this contract. If an employee elects to use the Grievance Procedure provided for in this contract and, subsequently, elects to utilize the statutory or administrative remedies, then the grievance shall be deemed to have been withdrawn and the Grievance Procedure provided for hereunder shall not be applicable and any relief granted shall be forfeited.

ARTICLE VI
PROHIBITION

6.1 No Strike – No Lockout

It is the intent of the parties to this Agreement that the Grievance Procedure herein shall serve as a means for the peaceable settlement of all disputes that may arise between them concerning the terms of this Agreement. Recognizing this fact, the Union agrees that during the life of this Agreement, neither the Union, its agents, nor its members will authorize, instigate, aid or engage in work stoppage, slow-down or strike against the Employer. The Employer agrees that during the same period there will be no lockout. Any individual employee or group of employees who violates or disregards the prohibition of this section may be summarily discharged by the Employer without liability on the part of the County Board of Commissioners or Sheriff or Union.

ARTICLE VII
SENIORITY

7.1 Definition of Seniority

Seniority shall be defined as the length of the employee's full-time continuous service with the Sheriff's Department commencing from his/her last date of hire. Classification seniority shall mean the length of continuous service in a classification commencing from the date of the employee's entry into the classification. If two (2) or more employees are hired on the same date, their names shall be put into a hat, with the first name drawn having the most seniority.

7.2 Probationary Employees

All new full time bargaining unit employees, hired from outside the department, shall be considered probationary employees for a period of two thousand eighty (2,080) hours; provided, however, that such probationary period shall be extended for a period of time equal to the time that an employee is absent from duty due to personal reasons if such period of absence is greater than fourteen (14) consecutive days. Upon completion of the probationary period, an employee shall be placed on the seniority list and shall have seniority dating from his/her last date of hire. The Union shall represent probationary employees for the purposes of collective bargaining.

7.3 Seniority List

The seniority list on the date of this Agreement shall show the names, classifications and ranks of all employees in the bargaining unit. The Employer will keep the seniority list up-to-date from time to time and will furnish to the Union an up-to-date list at least every six (6) months.

7.4 Loss of Seniority

An employee's seniority with the Employer shall terminate for the following reasons:

- a. He/she quits or retires.

- b. He/she is discharged or terminated and the action is not reversed through the Grievance Procedure.
- c. He/she is absent for three (3) consecutively scheduled working days without properly notifying the Employer or supplying a justifiable reason for such absence. This section is not to be construed in limiting the sheriff's right to issue discipline for any unjustified absence.
- d. He/she fails to return to work upon recall or at the specified date at the termination of any leave of absence or vacation unless otherwise excused.
- e. He/she has been on layoff status for a period of two (2) years or the length of his/her seniority at the time the layoff commenced, whichever is less.
- f. He/she makes an intentional and material false statement on his/her employment application, on an application, for a leave of absence, or any official police report.
- g. He/she is on disability leave for twelve (12) months, or a worker's compensation leave for thirty-six (36) months, or the length of their seniority, whichever is less.

7.5 Super Seniority

For purposes of layoff and recall only, the Steward shall head the seniority list, provided however, that such officer must have the necessary skill and experience to perform the required work. The Sheriff agrees that this section shall not be applied in an arbitrary manner.

7.6 Layoff

A reduction in the work force shall be accomplished in the following manner:

- a. The first employees to be laid off shall be part-time, seasonal, temporary, and probationary employees within the classification affected by the layoff.
- b. Thereafter, the first employee to be laid off shall be the employee with the least classification seniority in the particular classification affected by the layoff, provided, however, that the remaining senior employees must have the ability to perform efficiently the required duties. Further layoffs from the classification affected shall be accomplished by following the inverse order of classification seniority, provided, however, that the remaining senior employee or employees must have the ability to perform the job.
- c. The Employer agrees to provide at least fourteen (14) calendar days notice of any layoffs.

7.7 Recall Reinstatement

Employees who have been laid off shall be given two (2) weeks notice of recall reinstatement to work, mailed to them at their last known address by registered or certified mail, or they may be advised in person by memo. In the event employees fail to make themselves available for work at the end of the two (2) weeks, they shall lose all seniority rights under this Agreement. Employees who are laid off or who requested demotion in lieu of layoff, shall be recalled to their former classification in the order of their seniority when the work force is to be increased.

7.8 Job Openings

The Employer agrees to post any vacancies or new positions in the bargaining unit. Such posting shall be made, whenever possible, thirty (30) days in advance. Bargaining unit employees may request consideration for such open position by notifying the Sheriff in writing of their intent.

7.9 Temporary Transfers

An employee who is temporarily assigned to a higher paying classification or rank to fill in due to vacations or leaves of absences shall receive the higher rate of pay for such period of temporary assignment. In making the assignment, the Employer will consider seniority, the needs of the department, and the ability and experience of the employees involved. Such assignments shall not be made in an arbitrary and capricious manner.

ARTICLE VIII **PROMOTION PROCEDURE**

8.1 Purpose of Procedure

The purpose of this procedure is to establish a promotion system for personnel of the Antrim County Sheriff's Department as directed and approved by the Sheriff. The Sheriff shall determine the duties of all positions subject to this procedure. The Employer, in its sole discretion, shall determine whether a vacancy does or does not exist. The promotion procedure shall be to a position above the rank of deputy or above the rank of corrections officer within their respective divisions. This procedure shall not apply to job advancements or transfers between divisions.

8.2 Closed Program

Promotion means to advance from a position to a higher position within the bargaining unit. This program involves the upward movement of personnel from within the bargaining unit. Each promoted employee must be a current member of the bargaining unit and must meet all the eligibility rules of this Promotion Procedure.

8.3 Program Weight

Scores shall be based upon the written examination and Promotion Interview Board. The weights assigned shall be as follows:

- a. Written examination – seventy (70) points (an applicant must receive a minimum score of seventy percent (70%) in order to be eligible to take the oral interview).
- b. Oral interview – twenty (20) points.
- c. Bonus points of one (1) per year, maximum of ten (10), for each year of service.

To qualify for a promotion, all applicants must receive a minimum score of fifty (50) points.

8.4 Promotion Interview Board

The Promotion Interview Board shall consist of three (3) members who shall be law enforcement officers from outside the department and the County, and whose rank is higher than the position being filled. The manner of selection of the members of the Promotion Interview Board shall be at the discretion of the Sheriff.

Results of the written examination shall not be made available to the Promotion Interview Board.

8.5 Roster

For each classified position, a roster of the top three (3) candidates for selection will prevail. Initially, this means that the scores will be in consecutive order with the Sheriff promoting from among the top three (3) scores. When a promotion occurs, the candidate with the next highest score will be added to the roster. The roster shall remain in effect for eighteen (18) months.

8.6 Probation

Commencing the first full pay period following promotion, the promoted employee shall be paid at the step in the pay range for the new classification that reflects an increase from his/her present rate. Employees who are promoted shall be on probation for a period of six (6) months immediately following promotion. During such probationary period, the Sheriff may demote the employee to his/her former classification, or the employee may on his/her own volition, request, in writing, to be relieved of her/her new classification and be returned to his/her former classification. If an employee returns to his/her former classification at his/her own request, his/her name shall be removed from the promotion roster until the next written examination is given. If there is a demotion for any reason, the Sheriff will promote from among the names on the roster as defined in Section 8.5.

8.7 Notification – Posting

Examination notices for all competitive promotion classifications shall be posted on the bulletin board throughout the department for a minimum of thirty (30) days prior to the examination date. Subjects to be covered in the written examination shall be posted thirty (30) days prior to the examination date. Subjects to be covered in the written examination shall be posted thirty (30) days prior to the examination date. Employees eligible to compete shall submit their letters of intent to participate to the Sheriff no later than fifteen (15) days prior to the examination date.

8.8 Eligibility for Promotion

- a. Sergeant (shift supervisor): Open to Deputies with two (2) years continuous employment service in the department and total of five (5) years law enforcement experience as a fully sworn, certified officer and must have performed road patrol duty.
- b. Correctional Sergeant: Open to all Corporals with two (2) continuous years of employment in the Corrections division of the department and a total of five (5) years correctional experience.

- c. In the event there is to be a promotion to a position other than sergeant (shift supervisor), the parties will meet and decide on the eligibility requirements for applicants.

8.9 Written Examination

The written examination shall be valid standardized test for law enforcement positions obtained from a recognized institute or organization.

8.10 Examination Procedure

Any employee has the right to examine the results of his/her own examination. The documents are confidential and they cannot be removed from the files. However, the contents of promotional documents will be made known only to the Sheriff and his/her designated representatives, and the employee and his/her designated representative.

8.11 Outside Appointment

The Sheriff may fill a vacancy, subject to this procedure, from outside the bargaining unit if no employee has attained a passing score for the examination or the vacancy is unable to be filled because employees subject to this procedure have failed to take the examination or declined advancement.

ARTICLE IX HOURS OF WORK AND OVERTIME

9.1 Work Schedule

The Employer shall establish the work schedule and shall post the schedule by the fifteenth (15th) of each preceding month. Any employee requesting leave days during the term of such schedule must submit his/her request at least ten (10) days prior to the date of posting such schedule. Any request for leave days after this time will not be granted unless specifically authorized by the Sheriff. The Sheriff reserves the right to modify such schedule where departmental operations warrant such change. In the event that the Sheriff determines that a major change in the schedule now in effect is warranted, such change may be the subject of a special conference with the Union.

9.2 Tour of Duty

The normal tour of duty shall consist of eighty (80) hours in a fourteen (14) day period. This, however, shall not be construed as a guarantee. No employee shall be required to work more than eight (8) consecutive days without the consent of the employee involved at the time of scheduling.

9.3 Shift Selection

Employees will maintain a shift for a period of three (3) months. At the conclusion of the three (3) months, the employee shall bid his/her shift preference for the next three months. The bids shall also be in accordance with Article IX of this agreement. Employees will bid his/her shift preference no later than the following dates:

Shift request deadline dates

December 5
March 5
June 5
September 5

Scheduling months

January – March
April – June
July – September
October – December

Employees who turn in their shift preference by the due date to his/her supervisor will have first priority. Determination of the shift assignment shall be based on the employee's preference according to his/her seniority within the classification and by whose shift preference slips were received in a timely manner "by the 5th" of the prescribed months. Those eligible must have completed at least one year of service in their classification.

9.4 Overtime

All employees shall be expected to work reasonable amounts of overtime upon request. Overtime other than of an emergency nature must be authorized by the Sheriff or his/her designee. Time and one-half (1-1/2) the employee's regular rate shall be paid for all hours actually worked in excess of their regularly scheduled workday and/or paid period. There shall be no pyramiding or duplication of overtime premium pay.

9.5 Call-In-Pay

An employee called in to work or to attend a mandatory meeting on his/her off duty time shall be paid a minimum of three (3) hours pay at the rate of time and one-half (1-1/2) his/her regular rate of pay, except for call-ins or meetings which begin one (1) hour or less prior to or after his/her regularly scheduled shift. In such cases, the employee shall be paid at the rate of time and one-half (1-1/2) for all hours actually worked or in attendance at the meeting.

9.6 Lunch and Rest Periods

Each employee shall be granted a thirty (30) minute paid meal break per each tour of duty. Each employee shall be granted two (2) fifteen (15) minute coffee breaks during each day of duty. An employee required to work more than two (2) hours overtime shall be granted an additional coffee break. An employee who is required to remain on duty in excess of twelve (12) hours shall be granted an additional thirty (30) minute meal period.

9.7 Trading of Shift

Employees within the same classification may trade shifts provided they first obtain permission of the Sheriff or his/her designee. An employee working on a voluntarily traded shift shall not be entitled to overtime premium for working the normally scheduled hours on that shift.

9.8 Training

Mandatory or authorized training which occurs during an employee's off duty hours shall be considered as hours worked for purposes of overtime compensation under Section 9.2.

9.9 Overtime Rotation

The Sheriff or his/her designee will be the determining authority on the necessity of overtime. The Sheriff or his/her designee shall be responsible for calling the necessary personnel and the Employer shall maintain a current list of employees by seniority for purposes of call in assignments. In the event a call out is needed and all personnel are unreachable or have refused to come in to work, the employee who is currently working with the least seniority will automatically have to stay over and cover the next shift or he/she must find replacement coverage, subject to the provisions of Section 9.9, fourth paragraph.

Overtime assignments shall be made among employees in the bargaining unit by the classification needed to perform the assignment on a rotational system. The initial rotation shall be by seniority. The Sheriff or his/her designee will call the most senior employee in the classification needed. Subsequent call-ins for overtime shall start with the most senior employee with less seniority than the employee who reported in for the previous overtime assignment.

If there is a refusal to accept overtime assignments, a notation shall be made next to the refusing employee's name indicating the hours refused.

No employee shall be subject to overtime assignments if off on vacation, personal leave or leave of absence of a personal nature. No employee shall be required or permitted to work in excess of sixteen (16) hours in a twenty-four (24) hour period, inclusive of overtime, except in emergencies or exceptional circumstances with authorization from the Sheriff or his/her designee.

Rotation of overtime as contained herein shall not include court required functions or O.U.I.L. grant functions. These exclusions are not to be used for computation or equalization of overtime assignments.

9.10 Shift Premium

Employees, effective January 1, 2007, shall receive an additional twenty cents (20¢) per hour for all hours worked on the afternoon shift. Employees shall receive an additional forty cents (40¢) per hour for all hours worked on the midnight shift.

9.11 Field Training Officer (FTO) Program

Employees who are certified as FTO's shall receive an additional forty cents (40¢) per hour when actively providing training.

ARTICLE X
LEAVES OF ABSENCE

10.1 Personal Leave

Any employee desiring a personal leave of absence without pay from his/her employment shall first secure written permission from the Sheriff. The maximum leave of absence shall not exceed thirty (30) days and may be extended for like periods, provided the Sheriff has granted an extension of the leave prior to the expiration of the original leave.

If a personal leave of absence exceeds thirty (30) days, such leave shall be without accumulation of any vacation, personal leave, step increases within established salary range, or any other benefits under this Agreement which are conditioned on service. During a personal leave of absence in excess of thirty (30) days, the employee shall be responsible for his or her insurance premiums and failure to provide the insurance premiums shall result in discontinuance of the employee's coverage.
