GeneralProvisions

1. In the event that the Union fails to appeal a grievance or appeal a College Board answer within the specified time limit, the involved grievance shall be deemed abandoned and settled on the basis of the College's last answer, if any. In the event the College shall fail to supply the Union with its answer to the particular step within the specified time limits the grievance shall be automatically positioned for appeal at the next step within the time limit for exercising the appeal, commencing with the expiration date of the College's grace period for answering.

2. The parties agree that it is good practice to keep all discussions confidential during the procedural stages of the resolution of the complaint.
3. All grievances shall be in writing, using the forms for that purpose supplied by the Office of Human Resources.

When an Informal Conference is requested the Employee will advise the Immediate Administrator or designee:

 - b. Whether or not a Union representative will be in attendance.

If the steward or designee is present during the Informal Conference, the Immediate Administrator or designee may also have representation from Human Resources.

If the issue is not resolved in the Informal Conference with the Immediate Administrator or designee the Union may proceed to Step 1 of the Grievance Procedure.

An "Informal Conference" will be requested by the Union only when there is an "aggrieved employee."

The Union will file a written grievance at Step 1, 2, or 3 (as appropriate) when the grievance is a class action. In such cases, there will be no Informal Conference.

6. Provided both parties agree, Steps 1 and/or 2 of the Grievance Procedure may be bypassed and the grievance brought directly to the next step.

Step2

1. If the grievance is not resolved at Step 1, the grievant and steward or designee will, within ten (10) days after having received the written answer, forward the grievance to the Vice President or designee of the area. The Vice President or designee will arrange a conference for discussion of the grievance between the grievant, Union representative, and the Immediate Administrator. The Vice President may attend this conference at his/her option.
2. The Vice President or designee will submit the written answer to the grievant and to the Union within ten (10) days from the receipt of the grievance.

In the event the grievance is not resolved at Step 2, the Union may submit the grievance in writing to the Office of Human Resources within ten (10) days of the decision. The Office of Human Resources will, within ten (10) days, meet with the Chief Steward or a designee, the Steward or a designee, and the appropriate Vice President or designee and will submit a written answer to the Union within ten (10) days from the receipt of the grievance.

Step4 Arbitration

1. If the Employer and the Union are unable to resolve any grievance, the grievance may be submitted to arbitration within thirty (30) working days after the decision of the Employer or designated representative. The grievance shall be considered submitted to arbitration when written notice is submitted to the College by the Union informing the Employer of the Union's intent to arbitrate the grievance. If AFSCME Council 25 internal appeals procedure is invoked, the Employer shall grant an extension of the time limits to cover such appeal procedure.
2. The arbitrator shall have no authority to arbitrate any complaint that is not an alleged violation, misinterpretation or misapplication of specific and express provisions of this collective bargaining Agreement. If the grievance sought to be arbitrated is not specifically covered by the Agreement then the Arbitrator shall have no authority to decide the grievance. The arbitration shall be conducted under the auspices of the American Arbitration Association, and the conduct of the hearing shall be controlled by the rules of the Association. The expenses of the Arbitrator shall be paid one-half (1/2) by the Union and one-half (1/2) by the Employer, and all other expenses shall be borne by the party incurring them.
 - a. The Arbitrator shall have no power to alter, add to, or subtract from the terms of the Agreement.

 - g. If the employee gives a false reason for a leave of absence.

- h. If the employee accepts a position in another department the employee's department seniority date shall be as of the date of entry into the new department. The employee's original date of hire shall remain consistent throughout the employee's employment as a part-time employee.
3. The College recognizes the importance of seniority in all layoffs, reinstatements and recalls.
4. In the event of a tie in seniority the tie shall be broken by reference to a table of pseudo random numbers and the social security numbers of the involved Employees. The Employee whose number appears first on the table shall be deemed to have higher seniority than the other involved Employee(s) in all layoffs, reinstatements and recalls.
5. Seniority dates shall be adjusted to account for breaks in service, but will not include the break between the fall and winter semester or Spring Break. Employees who do not work over the spring or summer semesters will be placed on inactive status until they return to work in the fall semester. Seniority will be frozen during that time and adjusted when the employee resumes active status. 4. Employees with the necessary qualifications and interest in the vacancy must apply utilizing the electronic applicant system within the posting period.
5. The department, on the basis of qualifications and availability, shall fill job vacancies. The final decision in hiring a bargaining unit member rests with the hiring department.
6. Status employees shall serve a forty-five (45) workday trial period. During the trial period the employee and the College have the right to revert the employee to the position held by the employee immediately previous to the trial position, provided the position has not yet been filled. In the event the position has already been filled, the College and the Union will meet to discuss an appropriate resolution.
7. If the vacancy to be filled is the result of the retirement of a part-time employee, the College will have the option of rehiring that part-time employee before posting the position. This option may only be exercised if the part-time employee returns to the same position within 60 days of retiring.

Temporary Assignments

1. The College may temporarily assign members of the bargaining unit to perform the duties of full-time clerical (AFSCME 2172) employees for up to 40 hours per week. These temporary assignments shall not exceed 60 days without mutual agreement and are subject to any restrictions negotiated between the College and AFSCME 2172.

Employees temporarily assigned to cover the duties of a full-time administrative support personnel employee will remain in this bargaining unit and will not be entitled to any rights or benefits granted to AFSCME 2172 members. Members on temporary assignment shall be paid an hourly rate equivalent to the step 1 of the Level they are assigned to or the employee's current rate of pay whichever is higher.

2. The College may temporarily assign members classified as V to temporary full-time equivalent positions within the bargaining unit under Article IV.G of the AFSCME 128 contract.
 - a. When the position is equivalent to the part-time position, employees assigned to these positions shall continue to be paid their same hourly rate, but shall be allowed to work 40 hours per week for up to 90 calendar days. They shall not be entitled to any of the rights or benefits granted to AFSCME 128 members.
 - b. When the position is equivalent to a full-time AFSCME 128 position, employees assigned to these positions shall be paid an hourly rate based on the AFSCME 128 pay scale and shall be allowed to work 40 hours per week for up to 90 calendar days. Employees in these positions shall not be entitled to any of the rights or benefits granted to AFSCME 128 members.

Work-Study Assignments

Both parties recognize that as an educational institution Macomb Community College must make opportunities available for students to gain additional education and work experience through positions related to their courses of study. Both parties also recognize that the work study program depends on the College's ability to offer opportunities for work-study students to earn the financial aid grant awarded to them.

The College agrees that work-study positions will be used to supplement the part-time staffing needs of the College. Work-study positions will be available to the extent of the work-study student's grant and to the extent there is work available. Work-study students hired in Fall and Winter may be placed on the department's budget at the end of the semester, provided there are sufficient funds available and the placement does not displace a bargaining unit member, until additional work-study monies are available for the following semester. Work-study positions may not be converted into regular positions without mutual agreement between the College and the Union.

ARTICLE 16 **Leave of Absence**

Worker's Compensation

1. Absences resulting directly from on-the-job injuries or illness shall be subject to the provisions of Workers Compensation as specified by law. Injuries shall be reported to the appropriate administrator, the Office of Human Resources, and Campus Police as soon as possible.

2. An employee shall be granted a Workers' Compensation leave of absence upon submission of appropriate verification that the leave is necessary.
3. This Workers' Compensation leave would terminate after a return to work notice or recovery statement has been filed in the Human Resources Office. If the employee remains disabled beyond sixty (60) days, the Employee shall retain the right to return to the position that he/she left up to a maximum of one (1) calendar year and such position may be filled by a temporary assignment. An employee receiving the temporary assignment shall hold such position subject to being removed from the position in the event the employee on Workers Compensation leave returns at any time within the year. If the employee on Workers Compensation leave does not return within one year the Employee shall be considered terminated. If the Employee on Workers Compensation returns during the year, the Employee on temporary assignment shall be removed from the job and will revert to the position held prior to the temporary assignment.

Military Leave

Employees who are inducted or who volunteer into the Armed Services will be granted non-compensable leaves in conformance with conditions established by Federal and State Laws.

Family Medical Leave(FMLA)

1. Federal law provides Family and Medical Leave Act coverage for all eligible Employees who need to take time off for the birth of a child, placement of a child with the employee for adoption or foster care, care of a parent, spouse or child with a serious health condition, or to take care of an Employee's own serious health condition that prevents the employee from performing the major functions of her/his position. Also a qualifying exigency arising out of the fact that the employee's spouse, child or parent is a covered military member on active duty or has been notified of an impending call or order to active duty in support of a contingency operation; or to care for a covered service member with a serious injury or illness incurred in the line of duty while on active duty if the employee is the spouse, child, parent or next of kin of the service member.
2. To be eligible for FMLA, an Employee must have worked at the College for at least twelve (12) months, and have worked 1250 hours in the 12-month period preceding the request for leave. The leave may only be used for the specific purposes outlined above, and documentation is required. Eligible part-time Employees are allowed to take up to 12 weeks unpaid leave. Any accumulated paid time shall be exhausted first and will be counted towards satisfying the maximum leave time provided by the Act.
3. Employees who want to take leave under the FMLA can get copies of the request form and certification form on the intranet or the Office Human Resources.

Medical Leave

1. Members who have at least one year of service but who do not meet the 1,250 hour requirement of the FMLA may be approved for up to 12 weeks of medical leave during any 12 month period to deal with the member's own serious medical condition.
2. The calculation of the 12 month period will be based on the initial day of the leave and expires one year later.

3. A “serious health condition” is defined as an illness, injury, impairment or physical or mental condition requiring in-patient care or continuing treatment by a doctor of medicine or osteopathy.
4. The medical leave will be an uncompensated leave, but members who take the leave must first exhaust any available paid time off before going uncompensated.
5. Members will be required to provide evidence of the need for the leave as well as verification of fitness of duty when the leave ends.
6. If a member is unable to return to work at the end of the 12 weeks, the member will be terminated. Failure to return from leave will not, by itself, impact on a member’s eligibility for rehire.
7. Members who wish to take a leave to care for a child or parent may do so if the member meets the eligibility requirements for the FMLA. The medical leave granted under this letter of agreement does not provide time off to care for family members.
8. This agreement is meant to provide those who are not eligible for FMLA with a medical leave option. This agreement is not intended to provide members who are eligible for FMLA with a second medical leave with the same 12 month period. Members who are eligible for FMLA must take the FMLA leave and may not request a leave under a Medical Leave within the same 12 month period.

JuryDuty

A Part-time Employee who is called to jury duty should notify his/her supervisor of the anticipated dates of service. If the Employee expects to miss regularly scheduled hours, the Employee should discuss a temporary schedule change with his/her supervisor to allow the Employee to pick up missed hours at another time during the week. Neither the Employee nor the supervisor can adjust the work schedule to pick up hours from one week in another week, unless it can be done without exceeding the hourly limits for that position.

ARTICLE 17 **Protection of Members**

DueProcess

1. No Employee shall be reprimanded, demoted, or discharged without just cause.
2. The employee will be notified of the specifics of the complaint if the College intends to pursue the complaint.
3. Employees shall be advised that they have the right to have a union representative present during any meeting that may lead to discipline, and the right to postpone any meeting until such representative is available.

4. If the College believes discipline beyond an oral warning is warranted, the parties will meet to discuss it. If disciplinary action is taken, the member and the Union will be informed in writing of the extent of the discipline and the reasons for it. A copy of the disciplinary action will be provided to the employee, the Union and placed in the employee's personnel file in a confidential envelope.
5. The Employee will have an opportunity to submit written evidence of rebuttal to any charges against him/her and such rebuttal shall become part of his/her record. The rebuttal will be included with the disciplinary notice in the personnel file.

Discipline

1. The employee shall have the right to be represented by the Union at the time disciplinary action is imposed. Disciplinary interviews, reprimands, or informal evaluations of any kind will be held in private. Said confidential proceedings will be between the immediate administrator and the employee unless waived in writing by the employee. The results of these proceedings may be shared with the involved administrators.
2. The college will inform the Union that an employee has been disciplined in instances of written reprimand, suspension, suspension pending discharge, and discharge.
3. It is agreed that no employee shall be disciplined or discharged except for just cause and that such actions shall be subject to the grievance procedure.
4. No materials of an adverse nature will be added to the employee's personnel file unless s/he has had an opportunity to see and initial or otherwise acknowledge in writing s/he has examined these materials and has the opportunity to submit a response in writing. Such response shall be added to the employee's personnel file.
5. Materials relating to disciplinary action which are placed in the file shall remain in the file for a period of time not to exceed two (2) years, after which time they will be destroyed, providing that there have been no subsequent disciplinary actions of any kind.
6. Should the discharged, suspended or disciplined employee consider the action to be improper, a complaint may be presented in writing through the Union President to the employer within five (5) regularly scheduled working days after receiving the notification. The President, or its designated representatives, shall review the discharge or discipline and give their answer within five (5) regularly scheduled working days after receiving the complaint. If the decision is not satisfactory to the Union, the matter shall be referred to the grievance procedure.

ARTICLE 18 ***Paid Time Off***

1. Paid time off allowance shall be provided in lieu of personal business leave, sick leave, vacation leave and holidays.

2. Employees will be eligible to receive paid time off with one (1) full year of service as of June 30th.
3. The employee is required to complete continuous years of service in order to advance to the next percentage on the paid time off schedule.
4. A maximum of five (5) non-cumulative paid time off hours may be carried over from one contract year to the next.
5. Paid time off shall be requested at least five (5) days in advance, through the immediate supervisor.
6. Paid time off must be taken and is not payable as a payoff.

Years of Service	Percent of Hours Worked
1 – 3 years	1.5%
3 – 6 years	2.5%
6 or more years	3.5%

ARTICLE 19
Compensation

1. Effective July 1, 2016 through June 30, 2019 the hourly rates, ranges (minimums and maximums) and steps are as set forth in Appendix A.
2. Except as provided in 6 below, each employee’s hourly salary shall be determined by placement on a step (from “1” minimum to “8” maximum) computed by calculating the number of years of part-time service s/he has attained as of July 1 in each year of this Agreement, using either the effective employment date, most recent part-time rehire date, or entry date into the bargaining unit (if originally hired into a different bargaining unit). For employees hired into additional part-time positions within the unit, the hourly salary shall be determined by placement on a step (from “1” minimum to “8” maximum) computed by calculating the number of years of part-time service s/he has attained as of July 1 in each year of this Agreement. In the event the employee’s hourly wage is above the salary schedule the employee will receive the negotiated wage increase.
3. If an employee is “on step” and is promoted to a higher classification, the employee will be placed on the same step in the higher classification. If the employee is “above step” the employee will receive the difference between the minimum of the classification the employee is leaving and the minimum of the higher classification. Conversely, if the employee is “on step” and is moved to a lower classification, the employee will be placed on the same step in the lower classification. If the employee is “above step” the employee’s hourly rate will be reduced by the difference between the minimum of the classification the employee is leaving and the minimum of the lower classification.

4. Retroactive pay will be limited to those employees on the payroll at the time the contract is ratified by the Board of Trustees.
5. Wage Exceptions. Wage exceptions may be made for an individual employee or for a specific position. If a wage exception is made for a specific position, all employees hired into that position will receive the exception rate. Wage exceptions will be at the discretion of the Vice President of Human Resources. The College will provide the union with written notification of the amount and rationale for the wage exception.

ARTICLE 20

Tuition Waiver/Reimbursement

Tuition Waiver

Effective Fall, 2016, semester, the Board shall provide bargaining unit members with two (2) continuous years of service, and who have worked 15 hours a week for six months prior to the request, a waiver of tuition for Macomb Community College credit classes but not registration and course related fees. The Member can use the tuition waiver for up to four (4) credit hours per semester.

Tuition Reimbursement

Bargaining unit members who have at least three (3) continuous years of service, and who have worked 15 hours a week for six months prior to July 1 of each contract year are eligible to apply for tuition reimbursement. A sum of money not to exceed \$4,000 per year shall be provided by the College to reimburse bargaining unit members for the cost of tuition for credit courses taken at accredited institutions of higher education and which are successfully completed. Upon proof of satisfactory completion of a course, tuition will be reimbursed up to a maximum of two-hundred-fifty dollars (\$250) per contract year, per employee. At the end of each contract year, any balance in the tuition will be prorated and paid only to Members who have successfully completed higher education classes outside of MCC and who have exceeded two hundred fifty dollars (\$250) in tuition payments for the contract year. These funds may be requested and funds encumbered upon proof of registration.

ARTICLE I RECOGNITION AND CONDITIONS OF EMPLOYMENT

- A. 1. This Agreement is made this 21st day of October, 2003, by and between the Board of Trustees of the Community College District of the County of Macomb (hereinafter called the Board) and the Michigan Council No. 25, American Federation of State, County, and Municipal Employees, AFL-CIO, Local 2172 (hereinafter called the Union) for the period described below.
2. The Board recognizes the Michigan Council No. 25, American Federation of State, County and Municipal Employees, AFL-CIO, Local 2172, as the sole and exclusive bargaining agent as defined in Section II of Act 336, Public Acts of 1947 as amended and as described in the "Certification of Representation" Case No. R73 B-49, March 20, 1973, by the State of Michigan Labor Mediation Board for all secretarial, special skills, and clerical personnel, including: bookkeepers, VDT/CRT operators, payroll clerks, cashiers, clerks, office machine operators, receptionists, switchboard/clerks, typists and general office employees, but excluding Secretary to the President, Secretary to the Vice President of Human Resources, Administrative Assistant to the General Counsel, supervisors, professional employees and all other employees.
3. The Board agrees to employ on a part-time basis, computed as full-time equivalents, part-time clerical employees equaling no more than seventy percent (70%) of the full-time staff. Part-time hours over seventy percent (70%) of the full-time staff will be replaced at the rate of one full-time employee for every fifty (50) hours of part-time. Excluded from this percentage are part-time employees covering the duties of Unit members on Maternity/Child Care Leave, Medical Leave, Illness in the Immediate Family Leave, and Personal Matters Leave.
4. It is further agreed that full-time registration personnel used during peak periods of registration beginning two weeks prior to the first day of mail registration and ending two weeks following the last day of late registration who are not employed on a continuing basis shall not be covered by this Agreement.
5. It is further agreed that temporary personnel shall not be covered by this Agreement.
6. The College shall provide the Union with a status report indicating the number and location (i.e., cost center) of part-time clerical employees for a pay period during the months of October/November and quarterly thereafter.
7. When the results of the above status report indicate an overuse of the above-referenced 70%, the College will take timely action to reduce the use of part-time and shall notify the Union of the specific action taken.
8. Part-time clerical employees will not be used to replace vacant full-time clerical positions.

LETTER OF AGREEMENT
between
AFSCME LOCAL 1917
and
MACOMB COMMUNITY COLLEGE

It is agreed that employees who work on the production crew in the Macomb Performing Arts Center are excluded from the 60-hour biweekly limitation on work hours as found in Appendix C (DEFINITION OF TERMS.) The production crew is defined as those employees who are classified as stage technicians (formerly stage hands), lighting technicians, sound technicians, rigger/carpenter, wardrobe, stage manager, or crew coordinator. For ease in identity, the above positions will be coded Q.

This Agreement is made with the understanding that the MCPA will attempt to adhere to the 60-hour biweekly limit.

This Agreement acknowledges that certain productions require extensive use of the technical crew and the necessity to use the same worker or groups of workers throughout the various stages of production (set-up, production, breakdown, etc.)

Either party to the Agreement may request a special conference to discuss the utilization of the production crew or other related matters in accord with provisions of the contract with Local 1917.

Local 1917 employees of the MCPA will continue to be offered available overtime before part-time employees are scheduled for excess hours.
