AGREEMENT

THIS AGREEMENT, made as of the 1st day of January, 2009, by and between Alpena County (the "County") and the Alpena County Sheriff (the "Sheriff"), hereinafter jointly referred to as the "Employer", and the Police Officers Association of Michigan (the "Union").

ARTICLE I
RECOGNITION

1.1: Collective Bargaining Unit. The Employer hereby agrees to recognize the Union as the exclusive bargaining representative for the purposes of collective bargaining with respect to wages, hours of employment, and other conditions of employment for all the employees of the Employer included in the bargaining unit described below:

All full-time and regular part-time non-supervisory employees (cooks, deputies, detectives, correctional officers, bailiffs and clerks) of the County of Alpena working in the Sheriffs Department, but excluding executive employees (Sheriff and Undersheriff, supervisory employees (jail administrator and sergeants), seasonal or temporary employees, confidential employees (Sheriffs secretary), 911 employees, and all other County employees.

1.2: Extra Contract Agreement. The County agrees not to enter into any agreement with another labor organization with respect to the employees covered by this Agreement, nor any Agreement or contract with employees covered by the Agreement, individually or collectively, which conflicts with the express terms of this Agreement, during the term of this Agreement.

1.3: New Classifications. If during the term of this Agreement, the County desires to establish a new classification, it shall give notice to the Union not less than thirty (30) days prior to the implementation of the new classification; which notice shall include the title of the new Classification, a brief general description of the Job to be performed and the proposed wage rate. The County agrees to negotiate with the union, upon request, as to the wage rate for the new classification and, if the parties are unable to agree as to a wage rate, the position shall be established at the wage rate proposed by the County and the Union may, upon written notice to the County, refer the dispute of the wage rate to binding arbitration under the provisions of Act 312 of the Public Acts of 1969 as amended, if that classification is subject to the provisions of Act 312.

1.4: Definitions. For purposes of the recognition granted the Union and for purposes of this Agreement, the following definitions shall be applicable:

Full-Time Employee: A full-time employee is an employee who is working at least forty (40) hours a week on a regular basis in a job classified by the Employer as permanent.

Regular Part-Time Employee: A regular part-time employee is an employee who is working less than forty (40) hours but at least sixteen (16) hours per week on a regular schedule at a job classified by the Employer as permanent.

An employee's status under these definitions shall be based upon the number of hours in their regular schedule and does not include overtime hours. In the event that an employee's status is to be changed because of an increase or a decrease in that employee's regular working hours, the Employer will advise the Union prior to the effective date of the change in status.

Act 312 Eligible Employee: All full-time and regular part-time employees of the County of Alpena working in the Sheriffs Department eligible for Act 312 arbitration (deputies and detectives).

Non-Act 312 Eligible Employee: All full-time and regular part-time employees of the County of Alpena working in the Sheriff's Department not eligible for Act 312 arbitration (correctional officers, corrections supervisor, bailiffs, cooks and receptionists).

1.5: Work By Non-Unit Employees. The Employer reserves the right to hire and utilize supervisors, non-regular part-time employees, casual employees, temporary employees and volunteers from time to time. Supervisors, non-regular part-time employees, casual employees, temporary employees and volunteers are not within the recognition granted the Union and are not covered by the terms of this Agreement. The Union recognizes that the performance of work for the Employer by these non-bargaining unit individuals shall be permitted and shall not constitute a violation of this Agreement even if it could remove potential overtime opportunities for non-act 312 eligible employees; provided, however that such individuals shall not be hired or utilized so as to cause a full-time or regular part-time non-312 eligible employee to be laid off or lose time from their regularly scheduled hours.

ARTICLE II
REPRESENTATION

2.1: Stewards. The County recognizes the right of the Union to designate a Steward and Alternate from the seniority list and unit described in this Agreement. Once the Steward and the Alternate are selected, their names will be submitted to the County and the Sheriff for their information.

2.2: Duties of Steward. When requested by an employee, the Steward or Alternate may investigate any alleged or actual grievance and assist in its preparation, and may be allowed reasonable time thereof during working hours without loss of time or pay, upon notification and prior approval of the immediate supervisor outside of the bargaining unit. When an employee presents their own grievance without intervention of the Steward or Alternate, the representative shall be given the opportunity to be present if the employee requests.

2.3: Names of Committee Members. The Union shall, in advance, furnish the County in writing with the names of its collective bargaining committee members. The County and the Union shall have the right to have outside representatives present.

ARTICLE III

3.1: Rules and Regulations. The Sheriff shall have the right to adopt and enforce rules and regulations concerning standards of conduct and performance of duties of department personnel and otherwise governing the employment relationship. Such rules and regulations shall not contravene any of the provisions of this agreement. The management of the Alpena County Sheriffs Department and the direction of the employees of the Department, including but not limited to the right to determine what work will be done, in what order and by whom; the right to determine whether or not overtime is required and how much; the right to establish and change standards of performance and conduct and to be the sole judge of employees' performance and conduct in connection with those standards, the right to hire promote, demote, lay off and discipline employees; the right to introduce new methods of work and equipment; the right to determine work schedules and shifts; the right to decide the number of employees needed at any one time and the right to adopt rules and regulations

governing employees' dress, conduct and work performance, shall be vested exclusively in the Sheriff provided that in the exercise of these rights, the Sheriff shall not violate any of the provisions of this Agreement.

3.3: No Strike. Parties hereto mutually agree and recognize that the services performed by the employees are essential to the public health, safety and welfare. The Union, therefore, agrees that there shall be no interruption of the services, for any cause whatsoever, by the employees it represents, nor shall there be any concerted failure by them to report for duty, nor shall they absent themselves from their work, stop work or abstain in whole or in part from the full faithful and proper performance of the duties of their work, or picket. Union further agrees that there shall be no strike, sit-down, stoppages of work or any acts that interfere in any manner or to any degree with the services of the County and the Sheriff as long as this contract is in force.

The parties agree that if an employee is present, they cannot refuse to consent to the search.

ARTICLE IV UNION SECURITY

4.1: Union Service Fee. All employees included in the collective bargaining unit set forth in Section 1.1 shall, as a condition of employment, pay to the Union a service fee. This obligation to pay a service fee to the Union shall commence upon completion of an employee's first thirty (30) days of employment. For purposes of this Agreement, the term "service fee" shall be defined to mean an amount equivalent to the periodic monthly dues uniformly required of Union members. The Union shall advise the Employer in writing of, the amount of its monthly dues and any changes thereto. An employee's obligation to pay a service fee to the Union may be satisfied by direct payment to the Union by the employee of the service fee, or by payment of the service fee in accordance with the checkoff provisions of this section. In

addition, any employee who is a member of the Union shall be deemed to have satisfied their service fee payment obligation for any month in which they were in good standing with the Union.

4.2: Failure to Pay Service; Fee. In the event that a member of the bargaining unit who is not a member of the Union fails to pay a required service fee directly to the Union, or to authorize payment of the service fee through payroll deduction, the Union may request the imposition of a mandatory deduction of the service fee pursuant to MCLA 408.477; MSA 17.277(7). In order to invoke such a mandatory deduction, the Union shall notify the employee of non-compliance by certified mail, return receipt requested, a copy of which shall be provided to the Employer. The notice shall detail the facts of the non-compliance, provide the employee with ten (10) working days for compliance, and inform the employee that a request for a wage deduction may be filed with the Employer in the event compliance is not effected. If the employee fails to remit the service fee or authorize a deduction for the service fee, the Union may file a written request to the Employer to make the deduction, a copy of which shall be provided to the employee. Upon receipt of the request for an involuntary deduction, the Employer shall provide the employee with an opportunity for a due process hearing within the next ten (10) working days limited to the question of whether or not the employee has remitted the service fee to the Union or authorized payroll deduction for the service fee; provided, however, that should any employee be contesting their obligation to pay the service fee or the proper amount of the service fee in any forum, the hearing shall not be held until thirty (30) working days after the decision of that forum becomes final. The Employer agrees to impose a mandatory deduction for the service fee if it determines after the hearing that the employee has not paid a required service fee in an amount lawfully established by the Union or if the employee does not request a hearing within the ten (10) working day request period. All dues and fees so deducted shall be promptly remitted to the Union at an address authorized for this purpose within twenty (20) days following the deduction.

4.2: Checkoff.

- A. During the term of this agreement, the Employer agrees to deduct service fees, or if applicable, Union membership dues from each employee covered by this Agreement who voluntarily executes and files with the Employer a proper checkoff authorization in a form which shall be supplied by the Union. Once filed, a checkoff authorization shall be irrevocable during the life of this agreement. Any written authorization which lacks the employee's signature will be returned to the Union.

- B. All authorizations filed with the Employer shall become effective the first (1st) payroll period of the following month and each succeeding month, provided that the employee has sufficient net earnings to cover the amounts to be deducted. These deductions will cover the employee's or service fee obligation, or if applicable, Union membership dues owed for the previous month. If an employee's net earnings are insufficient to cover the sums to be deducted, the deductions shall be made from the next paycheck in which there are sufficient earnings. All dues and fees so deducted shall be remitted to the Union at an address authorized for this purpose.

- C. In cases where a deduction is made which duplicates a payment already made to the Union by an employee, or where a deduction is not in conformity with the provisions of the Union constitution and bylaws, refunds to the employee will be made by the Union.

- D. The Union shall notify the County Clerk in writing of the proper amounts of dues and fees, and any subsequent changes in such amounts.

- E. If a dispute arises as to whether or not an employee has properly executed or properly revoked a written checkoff authorization form, no further deductions shall be made until the matter is resolved.

- F. The Employer's sole obligation under this Section is limited to the deduction of service fees, and, where applicable, Union membership dues. If the Employer fails to deduct such amounts as required by this Section, its failure to do so shall not result in any financial liability whatsoever.

4.4: Indemnification. The Union agrees to indemnify and hold the Employer harmless against any and all claims, suits, or other forms of liability including but not limited to wages, damages, awards, fines, court costs, and attorney's fees that arise out of or by reason of action taken by the Employer pursuant to Sections 4.1, 4.2 and/or 4.3.

ARTICLE V
GRIEVANCE PROCEDURE

5.1: Definition of Grievance. A grievance is defined as a controversy between the parties relating to interpretations or violations of the provisions of this Agreement.

5.2. Grievance Procedure.

STEP I. The Steward or the aggrieved employee shall submit the grievance orally to the employee's immediate supervisor within seven (7) calendar days after the grievance might reasonably become known to exist. The immediate supervisor shall give an oral answer to the Steward and the aggrieved employee within seventy-two (72) hours of receiving the complaint. In the event the complaint is not satisfactorily settled at this point, it shall become a grievance and the procedures hereinafter set forth shall apply.

STEP II. The grievance shall be prepared in writing (in triplicate) and shall state the facts upon which it is based, when they occurred, the remedy desired, and the section of the Agreement which allegedly has been violated. This grievance shall be submitted to the Sheriff or designee and to the County Board of Commissioners within seventy-two (72) hours of receiving an answer, according to Step I hereof. The Sheriff or designee shall give a written answer to the Steward within seventy-two (72) hours of receiving the said written grievance.

STEP III. If Step II does not effect a settlement, the grievance shall be referred to the Sheriff or designated representative and a representative of the Union. They, together with the Steward, shall meet at the office at the County Jail within fourteen (14) days after the meeting of Step II. Within seven (7) days after conclusion of this meeting the Sheriff shall submit to the Union a written statement of the Employer's decision or position with respect to such grievance.

STEP IV. Arbitration. The Union may request arbitration of any unresolved grievance which is arbitrable by filing the Arbitration Request Form with the Federal Mediation and Conciliation Service and delivering a copy of this Form to the County through the Secretary to the Board of Commissioners with a copy to the Sheriff within twenty (20) working days following the receipt of the County's written disposition in Step 3 of the grievance procedure.

If the County fails to answer a grievance within the time limits set forth in Step 3 of the grievance procedure, the Union may request arbitration by filing the Arbitration Request Form with the Federal Mediation and Conciliation Service and delivering a copy of this Form to the County through the Secretary to the Board of Commissioners with a copy to the Sheriff not later than forty (40) working days following the date the County's written Step 3 disposition was due. If the Union does not request arbitration in the manner or within the time limits established herein, the grievance shall be considered settled on the basis of the Employer's last disposition. Grievances which are considered settled shall not be arbitrable and no arbitrator shall have the power to issue any award or fashion any remedy concerning such grievances.

The arbitrator shall be selected from a panel of seven (7) arbitrators submitted by the Federal Mediation and Conciliation Service by each party alternately striking the name of an arbitrator from the panel. The Union shall strike the first name from the list of arbitrators. After six arbitrators have been struck, the remaining individual shall serve as the arbitrator. Should the parties mutually determine that any panel of arbitrators is unsatisfactory, that panel may be rejected and another requested. The fees and expenses of the arbitrator shall be shared equally by the Union and the Employer. Each party shall pay the fees, expenses, wages, and any other compensation of its own witnesses, representatives and legal counsel.

The arbitrator's powers shall be limited to the application and interpretation of this Agreement as written. The arbitrator shall at all times be governed wholly by the terms of this Agreement and shall have no power or authority to amend, alter or modify this Agreement either directly or indirectly; to rule on the discipline, layoff, recall or termination of any probationary employee; or to establish wage scales or rates on new or changed jobs, or to change any rate. If the issue of arbitrability is raised, the arbitrator shall not determine the merits of any grievance unless arbitrability has been affirmatively decided.

The arbitrator's decision shall be final and binding upon the Union, the Employer and the employees in the bargaining unit; provided however, that either party may have its legal remedies if the arbitrator exceeds the jurisdiction provided in this Agreement.

5.3: Discussion of Grievance. In all steps of the grievance procedure described above, either the Employer or the Union shall have the right to specify that the aggrieved employee or their superior, or both, be called in to discuss the details of the grievance in the presence of the proper representatives of both the Employer and the Union.

5.4: Grievance Procedure-General. The time limits established in the grievance procedure shall be followed by the parties hereto. If the time procedure is not followed by the Union or the employees represented by the Union, the grievance shall be considered settled on the basis of the Employer's last disposition. Grievances, which are considered settled, shall be deemed not to be arbitrable, and no arbitrator shall have any power to review the grievance or issue any award. If the time procedure is not followed by the Employer, the grievance shall automatically advance to the next step, excluding arbitration. The time limits established in the grievance procedure may be extended by mutual agreement of the parties provided the extension is reduced to writing and the period of extension is specified.

Saturdays, Sundays and holidays recognized under this Agreement shall not be counted as working days under the time procedures established in the grievance procedure. All other days shall be considered to be working days, even if a particular employee does not actually work on that day.

5.5: Settlement. The grievance procedure shall stop at any point when the parties involved reach a satisfactory solution to the grievance. This answer shall be in writing with one (1) copy to each of the following: (1) Sheriff, (2) aggrieved employees, (3) Union, and (4) the County Board. All parties involved or a representative of the parties involved shall sign this final answer.

5.6: Veterans' Preference Claims. It is the intent of the parties to this Agreement that its terms and provisions shall be applicable to all employees included within the bargaining unit covered by this Agreement. Accordingly, the parties hereby agree that any employee who may come within the provisions of any legislative enactment entitling a military veteran to a preference in employment or which establishes a procedure whereby the military Veteran may challenge the Employer's determinations regarding the veteran's employment status will be required to, no later than Step 3 of the Grievance Procedure, elect in writing either the Grievance Procedure or their statutory remedy as their single means of challenging the Employer's determination. If the employee elects to pursue their statutory remedy, or fails to make an election, any grievance concerning the Employer's employment determination shall be considered withdrawn by the Union and, further, shall not thereafter be a subject of any Arbitration proceeding.

ARTICLE VI

6.1: Definition of Seniority. Seniority shall be defined as the length of an employee's continuous service with the Alpena County Sheriffs Department since the employee's last date of hire. Classification seniority shall be defined as the length of an employee's continuous service in their current classification commencing with their last date of hire in that classification. An employee's "last date of hire" shall be the most recent date upon which they first commenced work. Employees who commence work on the same date shall be placed on the seniority list in an order established by the Sheriff at the end of such employee's probationary period. Employees who are promoted to a different classification on the same date shall be assigned a classification seniority date in an order established by the Sheriff at the end of such employee's new job probationary period.

- F. They are absent from work, including failure to return at the expiration of a leave of absence, vacation, or disciplinary layoff, for three (3) consecutive working days without notifying the Employer or designee, except when the failure to notify into work is due to circumstances beyond the control of the employee.

6.6: Military Leave. The Employer and the Union agrees that the time spent in the armed forces on military leave of absence or other authorized leave, and time lost because of duty connected disability shall be included in the determining of seniority: newly commissioned employees shall acquire seniority upon completion of their probationary period, said seniority shall date from the original date of commencement of the employee's original commission.

6.7: Undersheriff Seniority Rights. An individual who is promoted to the position of Undersheriff shall retain all accrued seniority and shall continue to accrue additional seniority for a period of up to one (1) year. An Undersheriff who is returned to the bargaining unit by the Employer after having been transferred to the position of Undersheriff may be placed in any job classification that has a current vacancy or may displace an employee with less seniority in a job classification to which the Undersheriff was previously assigned to on other than a temporary basis.

6.8: Jail Administrator. In the event the Jail Administrator who came from this unit wishes to resign his/her position for any reason other than disciplinary, he/she may return to regular rotations and fill any current vacant position with no loss of seniority.

ARTICLE VII
HOURS AND OVERTIME

7.1: Work Period. A normal workday shall be defined as either eight (8) hours or ten (10) hours in a twenty-four (24) hour period commencing at 6:00 a.m. A normal pay period shall be composed of eighty (80) hours in a two-week period to coincide with the pay period of the County.

7.2: Overtime Pay. For all work except snowmobile duties, off the road vehicle (ORV) and marine patrol duties, employees shall be paid time and one-half (1-1/2) their regular straight time rate of pay for all hours in excess of the hours in their regular work day [either eight (8) hours or ten (10) hours] or eighty (80) hours in a work period; except that the overtime rate shall not be paid when more than eight (8) hours or ten (10) hours are worked in a work day as a result of a regular shift change. Employees who volunteer to work additional hours over eighty (80) hours in a pay period in the performance of extra snowmobile duties, ORV duties, or marine patrol duties, shall do so at their straight time rate of pay until they exceed eighty-six (86) hours of work per work period. Hours worked includes time on paid jury duty leave, paid holiday time and paid time off.

7.3: No Pyramiding of Premium Pay. Hours for which overtime or other premium pay are paid on one basis shall not be counted again for purposes of other overtime or other premium pay.

7.4: Scheduling.

- A. The Sheriff shall provide eligible employees with a six (6) month (two quarterly shifts) schedule on January 1. Thirty (30) days prior to the start of the quarter, a tentative schedule will be posted indicating the shifts to be worked and the number of employees to be assigned to each shift. Employees shall advise the Sheriff of the shift that they desire, for that quarter within the next ten (10) days. The Sheriff will endeavor to assign shifts for that quarter in order of seniority, but reserves the right to assign employees without regard to seniority to balance the experience level on any shift. The quarterly schedule shall be posted at least fourteen (14) days prior to its implementation.
- B. The Sheriff shall have the right to change the posted schedule subject to the following limitations:
- C. An employee's regularly scheduled day off shall not be changed for the sole purpose of avoiding overtime.
- D. An Act 312 eligible employee's schedule may be changed in unforeseen or emergency circumstances. A non-Act 312 eligible employee's schedule may be changed in unforeseen or emergency circumstances or to accommodate vacation requests which were not approved more than five (5) days prior to the date the schedule is posted.

- E. Where possible, an employee shall not be scheduled to commence work less than eight (8) hours after the end of their previously scheduled shift. If an employee is scheduled to commence work less than eight (8) hours after the end of their previously scheduled shift, they shall be paid overtime for the hours less than eight (8) hours between, shifts. There shall be no pyramiding of overtime and, for example, hours worked after the previous shift for which overtime is paid shall be considered overtime hours for this purpose also.

- F. Employees coming in voluntarily to work on their days off shall not be mandated or held over for a 2nd shift.

7.5: Detectives and Compensating Time Off. Employees in the classification of Detective shall be considered salaried employees and exempt from the overtime and call out provisions of this article. Compensating time off will be granted to such employees in return for overtime hours worked. Compensating time off shall be at straight time.

7.6: Call-Ins. Any Act 312 eligible employee ordered and reporting to work at any time shall receive a minimum of four (4) hours pay at 1-1/2 times their regular rate of pay. An Act 312 eligible employee may be assigned to any work in their classification in order to fulfill this minimum guarantee. Non Act-312 employees called in to work at a time other than their regularly scheduled shift shall be paid for two (2) hours at time and one-half (1-1/2) their regular straight time rate of pay or for the time actually worked at the appropriate rate, whichever is greater. The hourly pay guarantee of this section does not apply in instances where the non-Act 312 eligible employee is required to report early for their regularly scheduled shift or to perform duties past the scheduled termination of their regularly scheduled shift.

7.7: Change of Shift for Employee's Convenience. Employees may agree to change shifts for one or more days at a time with other employees for their own convenience upon prior written notification to the Sheriff or Undersheriff. It is understood and agreed that no overtime shall result in any way for such voluntary changes and, for overtime and scheduling purposes, it shall be presumed that the shift transfer did not occur.

7.8: Additional Work Assignments. Employees will be expected to work at times other than their regularly scheduled shift upon request by the Employer. In order to be available for additional work assignments, employees are required to maintain a working telephone at their primary residence and to utilize answering machines only during times when they are not present in that

residence. The Employer will endeavor to make additional work assignments to available employees in the classification concerned, considering the nature of the work assignment and the expertise needed to deal with the assignment in accordance with the following:

An employee can be considered to be available for an additional work assignment when there are five (5) days or less including pass days occurring during the vacation period. An employee can be offered additional work assignment when they are on vacation in excess of five (5) days inclusive of pass days occurring prior to and after the vacation period, however, employees cannot be mandated to come in unless it is an emergency.

- A. Scheduled Additional Work. Scheduled additional work shall mean all work to be performed that has not previously been assigned through the normal scheduling process, the necessity of which is known to the Employer at least twenty-four (24) hours in advance. The Employer may assign scheduled additional work opportunities to non-Act 312 eligible individuals who can perform the work at straight time rates before offering that work to non-Act 312 eligible individuals who would be entitled to payment at time and one-half their straight time rate of pay. The Employer shall offer scheduled additional work opportunities that will be paid at overtime rates to volunteers from the classification concerned in inverse order of overtime on the overtime roster. In the event that there are no volunteers for any scheduled additional work opportunity, then the Employer will assign the scheduled additional work to the employee with the least overtime who is reasonably available.

- B. Non-Scheduled Additional Work. Non-scheduled additional work shall mean all work, the necessity of which is known to the Employer less than twenty-four (24) hours in advance. The Employer may assign non-scheduled additional work opportunities to non-Act 312 eligible individuals who can perform the work at straight time rates before offering that work to non-Act 312 eligible individuals who would be entitled to payment at time and one-half their straight time rate of pay. The Employer shall offer non-scheduled additional work opportunities that will be paid at overtime to volunteers from the classification concerned in inverse order of overtime on the overtime roster. In the event that there are no volunteers for any scheduled additional work opportunity, then the Employer will assign the scheduled additional work

to the employee with the least overtime who is reasonably available; provided, however, that the Employer reserves the right in all cases where work precedes the start of or extends beyond the end of an employee's regularly scheduled shift to assign the non-scheduled work opportunity to the employee performing that work during the regularly scheduled shift, the provisions of this subsection notwithstanding.

Any available qualified personnel in the classification, which normally performs such work, may perform emergency overtime work.

The Sheriff shall maintain a roster of overtime which includes overtime worked as well as overtime work offered and refused. An employee will be charged with overtime refusal during any time when they are considered to be reasonably available for additional work assignments. An employee is not considered to be reasonably available for an additional work assignment when they are on vacation (including pass days occurring during the vacation period), on an approved leave of absence, physically unable to perform the work, would be required to work more than 16 hours in an 24 hour period, or are already scheduled to work during part of the additional work assignment. The overtime roster shall be updated at least once a pay period. Sergeants will participate in the extra work assignment and overtime pool as if they were a deputy.

7.9: Staffing Corrections. The Employer agrees that minimum staffing will be as determined by the Sheriff.

7.10: Lunch Periods. The Employer shall endeavor to provide Correctional Officers with a fifteen (15) minute lunch period with pay at or near the middle of their shift. 8.2: Holiday Pay. Eligible full time employees shall receive eight (8) hours pay at their straight time regular rate of pay, exclusive of all premiums, for each recognized holiday.

8.3: Holiday Work. Employees required to work on a recognized holiday shall be paid at one and one-half (1-1/2) their regular straight time rate of pay for all hours worked on the holiday; provided, however, that all hours worked on a holiday in excess of an employee's regular work day [eight (8) or ten (10) hours] shall be paid at two (2) times their regular straight time rate of pay. For purposes of this section, an employee shall be deemed to have worked on a holiday if their shift starts during the period from 6:00 a.m. to 5:59 a.m. on the day of the holiday and such work, until the end of that shift, shall be considered work on a holiday. The Employer will only pay according to current language in the labor agreement when an employee works. If the employee is scheduled to work the holiday and takes a PTO day the employee will be paid accordingly.

8.4: Holiday Eligibility.

- A. A new employee shall not be eligible for holiday pay until after thirty (30) days from the date of their employment.
- B. A disability leave shall be with pay and benefits until such time as the employee has exhausted all accrued PTO benefits and thereafter shall be without pay or benefits. This disability leave will continue for the period of the employee's disability; provided, however, that an employee may not be on a disability leave for a period of more than twenty-four (24) consecutive months or the length of their seniority, whichever is lesser. The Employer may request at any time, as a condition of continuance of a disability leave of absence, proof of a continuing disability. In situations where the employee's physical or mental condition raises a question as to the employee's capacity to perform the job, the Employer may require a medical examination by a physician chosen by the Employer at the Employer's expense and, if appropriate, shall require the employee to take a leave of absence under this Section. If the Employer has reason to doubt the validity of a medical certification, it may require the employee to obtain a second opinion at the Employer's expense from a health care provider of its choice. If the opinions of the employee's and the Employer's designated health care providers differ, the Employer may require the employee at the Employers expense to obtain certification from a third health care provider designated or approved jointly by the Employer and the employee. The Employer may request recertification at any reasonable interval.

Employees on leaves of absence under this section shall be with pay as long as the employee has available accrued paid time off. Upon the exhaustion of accrued paid time off, the remainder of the leave shall be without pay. While on leave, an employee's coverage under any group health plan shall be continued on the same conditions as coverage would have been provided if the employee had been continuously employed during the entire leave period.

On return from leave, an employee shall be returned to the same position the employee held when leave commenced, or to an equivalent position with equivalent benefits, pay, and other terms and conditions of employment, unless the employee is no longer qualified for the position because of their physical or mental condition or the failure to maintain a necessary license or certification. Employees whose leave was occasioned by a serious health condition that made the employee unable to perform their job are required to obtain and present certification from the health

care provider that they are fit for duty and able to return to their work. This certification must be provided at the time the employee seeks reinstatement at the end of the leave, and the Employer may deny restoration until satisfactory certification is provided.

Re: 10 hour employees

The parties are signatory to a collective bargaining agreement effective from January 1, 2009 through December 31, 2011 which contains PTO accruals based upon hours. In order to properly address the current schedules that have employees working on 8 or 10 hour shifts, the parties agree to the following clarifications:

1. **Holiday Work and Eligibility.** Sections 8.3, 8.4 and 8.6 shall be revised to read as follows:

8.3: Holiday Work. In addition to holiday pay received under Section 8.2, employees required to work on a recognized holiday shall be paid at one and one-half (1-1/2) their regular straight time rate of pay for all hours worked on the holiday; provided, however, that all hours worked on a holiday in excess of the employee's regular work day [eight (8) or ten (10) hours] shall be paid at two (2) times their regular straight time rate of pay. For purposes of this section, an employee shall be deemed to have worked on a holiday if their shift starts during the period from 6:00 a.m. to 5:59 a.m. on the day of the holiday and such work, until the end of that shift, shall be considered work on a holiday. The Employer will only pay according to current language in the labor agreement when an employee works. If an employee scheduled to work the holiday takes a PTO day, they shall receive pay for the number of hours in their regular schedule in addition to holiday pay received under Section 8.2.

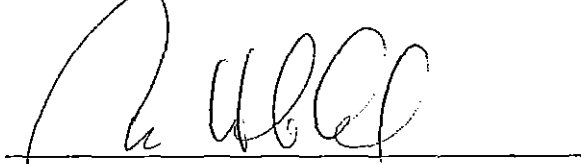

8.4: Holiday Eligibility.

- A. A new employee shall not be eligible for holiday pay until after thirty (30) days from the date of their employment.
- B. The employee shall have worked their scheduled- hours of work on their last scheduled workday preceding the holiday and also on their first scheduled workday following the holiday, unless the employee was on PTO on those days.
- C. The employee shall have worked their scheduled hours of work on the holiday, unless the employee was on PTO. Employees on PTO on a holiday receive holiday pay in addition to their PTO pay.

8.6: Five Day Employees. Holidays which fall on Saturday shall be observed on the preceding Friday and holidays which fall on Sunday shall be observed on the following Monday. Holidays shall be counted as time worked for overtime purposes. Employees working 10 hours shifts in five day a week operations who lose time from their regularly scheduled hours because operations are closed on a holiday may elect to maintain the normal amount of their weekly pay by utilizing 2 hours of PTO on that day in conjunction with the eight hours of holiday pay that they will receive under Section 8.2; provided, however that employees who do not elect to utilize PTO supplementation will not suffer a reduction in benefit accrual because that have not worked or been paid for 40 hours in that week.

2. **Bereavement Leave.** Add the following to Section 21.1: "These days will be 8 or 10 hour days depending upon the schedule of the employee at the time the bereavement leave is taken."
