AGREEMENT

This Agreement is entered into between the City of Detroit, a Municipal Corporation, (hereinafter referred to as the EMPLOYER or the CITY) and the International Union of Operating Engineers, Local 547-E Charter (hereinafter referred to as the UNION).

NOTE: The Headings used in this Agreement and exhibits neither add to nor subtract from the meaning but are for reference only.

1. PURPOSE AND INTENT

- A. The general purpose of this Agreement is to set forth terms and conditions of employment and to promote orderly and peaceful labor relations for the mutual interest of the City of Detroit in its capacity as an Employer, the Employees, the Union, and the citizens of the City of Detroit.
- B. The parties recognize that the interests of the community and City employees are dependent upon the parties working together toward achieving the goal of customer service excellence for citizens, businesses and visitors of Detroit; and accomplishing the Employer's initiatives of effective community policing, safe and stimulating programs for young people, and improving the environment in neighborhoods to instill civic pride and encourage new development.
- C. To these ends the Employer and the Union encourage to the fullest degree, friendly and cooperative relations between the respective representatives at all levels and among all employees.
- D. Both parties re-affirm by this Agreement their commitment not to discriminate against any person or persons because of race, color, creed, national origin, age, political orientation, sex, sexual orientation, marital status, or disability in accordance with applicable state and federal laws.

2. RECOGNITION

The City of Detroit hereby recognizes the International Union of Operating Engineers, Local 547 - E Charter as the exclusive bargaining representative as defined in Section 11 of Act 379, Public Acts of 1965 of the State of Michigan, consisting of all employees within the classifications of Paramedic, Emergency Medical Technician Specialist, Emergency Medical Technician, and Emergency Medical Technician Trainee in the Detroit Fire Department.

3. MANAGEMENT RIGHTS

- A. The Union recognizes the prerogatives of the City to operate and manage its affairs in all respects in accordance with the law.

- B. Except as specifically set forth in this Agreement, the City retains the sole and exclusive right to manage its business, including the right to decide the number and organization of departments and divisions, to decide the number of employees, to decide the type of machines and other equipment, the kinds and numbers of services, to maintain order and efficiency in its departments and divisions, including all its operations and activities, to establish over-all operating policies and procedures, to direct its working force of employees, to determine the type and scope of services to be furnished and the nature of the facilities to be operated and to establish schedules of operation and to determine the methods, procedures, and means of providing services; to discontinue any department, division or operation if in the sole judgement of the City, it is deemed necessary or believed advisable to do so; to introduce new or improved working methods or facilities.
- C. The City, in addition to the rights set forth in Section B, above, shall have the right to hire, suspend, discipline, discharge for cause, promote, demote, schedule, assign, transfer, layoff, recall or relieve employees from duty for other legitimate reasons and to maintain discipline and efficiency among employees; to establish work rules and rules of conduct; to fix and determine the penalties for the violation of such rules, provided they do not conflict with the terms of this Agreement. The Union shall have the right to grieve on the interpretation and application of these provisions.
- D. Except as specifically abridged, delegated, granted or modified by this Agreement, all of the rights, powers, and authority the City had prior to the signing of this Agreement are retained by the City and remain exclusively without limitation within the rights of the City.
- E. The right of contracting and sub-contracting is vested in the City. The right to contract or sub-contract shall not be used for the purpose or intention of layoffs of any member of the bargaining unit nor for the purposes or intention of undermining the Union, or to discriminate against any of its members.

4. UNION RESPONSIBILITIES

The Union, and the members of the bargaining unit under this Agreement, will not engage in nor encourage any strike, sit-down, stay-in, or slow-down. In the event of such work interference, the Union shall instruct the employee(s) involved that their activities are in violation of the contract, and that they may be disciplined including discharge.

The City shall have the right to discipline or discharge any employee participating in such interference, and the Union agrees not to oppose such action when properly taken. It is understood, however, that the Union shall have recourse to the grievance procedure as to matters of fact in the alleged actions of such employees.

5. UNION SECURITY

- A. Employees are free to join or not to join the Union. Employees who are members of the recognized bargaining unit but who are not members of the Union may join the Union by initiating their Union application form and dues deduction authorization form.

- B. The City agrees to deduct from the wages of an employee, who is a member of the Union, all Union membership dues uniformly required, as provided in a written authorization in accordance with the standard form used by the City provided that the said form shall be executed by the employee. The written authorization for Union dues deduction shall remain in full force and effect during the period of this Agreement unless revoked by written notice. The revocation notice must be given to both the Finance Department and to the Union.
- C. Any person employed with the City and covered by this Agreement, who is not a member of the Union and who does not make application for membership within ninety (90) calendar days from the effective date of this Agreement or from the date he/she first becomes a member of the bargaining unit, whichever is later, shall as a condition of employment, pay to the Union a service fee as a contribution towards the administration of this Agreement. Employees who fail to comply with this requirement shall be discharged within thirty (30) work days after receipt of written notice by the Fire Department from the Union unless otherwise notified by the Union in writing within said thirty (30) work days and provided that the Union shall release the Department from fulfilling the obligation to discharge if during such 30-day period the employee pays the membership dues or service fee retroactive to the due date and confirms his/her intention to pay the required membership dues or service fee in accordance with this Agreement.
- D. The City agrees to deduct from the wages of any employee covered by this Agreement, who is not a member of the Union, all Union service fees uniformly required as provided in a written authorization in accordance with the standard form used by the City, provided that the said form shall be executed by the employee. The written authorization for Union service fee deduction shall remain in full force and effect during the period of this Agreement unless revoked by written notice. The revocation notice must be given to both the Finance Department and to the Union.
- E. All Union membership dues and service fees will be authorized, levied, and certified in accordance with the by-laws of the Union. Each employee and the Union hereby authorizes the City to rely upon and to honor certifications by the Treasurer of the Union regarding the amounts to be deducted and the legality of the adopting action specifying such amounts of Union dues and service fees, which dues and service fees shall be sent reasonably promptly to the Treasurer of the Union. The Treasurer of the Union shall not request the City to change the amounts so deducted more often than four times each City fiscal year.
- F. The Union shall have no right or interest whatsoever in any money authorized withheld until such money is actually paid over to them. The City or any of its officers and employees shall not be liable for any delay in carrying out such deductions, and upon forwarding a check in payment of such deductions by mail to the Union, the City and its officers and employees shall be released from all liability to the employee-assignors, and to the Union under such assignments (Chapter 13, Article 4, Section 4 of the Municipal Code of the City of Detroit).
- G. The Union shall refund to employees, dues and service fees erroneously deducted by the City and paid to the Union. The City may offset any amount erroneously or improperly deducted and paid to the Union from any subsequent remittance to the Union.

- H. The Union agrees to save and hold harmless the City from any damages or other financial loss which the City may be required to pay or suffer as a consequence of enforcing the above provisions.

6. STEWARDS AND BASIS OF REPRESENTATION

- A. On each shift, the employees shall be represented by two (2) Stewards. Work locations and details for stewards and extra personnel shall be mutually agreed to by the Business Representative or, if designated, EMMTTA Representative and the Superintendent of the E.M.S. Division. Work locations with a steward will have a roster assignment of three (3) persons.
- B. The Business Representative or, if designated, EMMTTA Representative will notify the department, in writing, of the names of the Union Stewards thirty (30) work days prior to each shift change.
- C. Stewards, without loss of pay and during their normal working hours, may investigate and present grievances, all in accordance with their proper place in the grievance procedure. Arrangements for their release shall be made by the shift supervisor without undue delay.

Release of a steward under this section shall not result in the payment of overtime or the closing of a unit except in situations needing immediate attention.
- D. A copy of each bulletin will be made available to the Union.
- E. A copy of photographs of departmental functions involving the Emergency Medical Service will be made available to the Union upon request.
- F. The Union officers may be permitted to discuss Union business with employees during their duty hours, provided such discussions shall not interfere with the performance of the employee's duties. Upon granting of this privilege, there shall be no abuse thereof.

7. GRIEVANCE PROCEDURE

The grievance procedure contained in this Agreement shall be the exclusive grievance procedure for all members of the bargaining unit.

- A. Every employee of the bargaining unit shall have the right to grieve in accordance with the procedure provided herein.
- B. The informal resolution of grievances is urged and encouraged at all levels.
- C. The Union and its members recognize and acknowledge their duty to fully cooperate with the Department during all phases of any investigation. During an investigatory interview, employees shall have the right to request union representation, if the employee reasonably believes that his/her statements will result in disciplinary action. This right shall not apply

to situations where supervision calls meetings to provide routine instruction, training, or corrective work techniques.

In all cases when a supervisor has reason to believe that an employee has committed acts warranting discipline and contemplates issuance of disciplinary action, the supervisor shall inform the employee and allows the employee the opportunity to have union representation. Exceptions to this procedure would be in situations where the suspended or discharged employee is absent without leave, or the parties agree that such discussion would not be beneficial at this time.

D. Grievances shall be processed according to the following procedures:

Step 1 (a) An employee who believes that any provision of this Agreement has not been properly applied or interpreted may discuss his/her complaint with his/her immediate superior, with or without the presence of his/her Union representative. The parties shall discuss the complaint in a friendly manner and shall make every effort to reach a satisfactory settlement at this point. The employee shall have the right to discuss the complaint with his/her Union Steward before any discussion takes place with the superior. The superior shall make arrangements for the employee to be off his/her job for a reasonable period of time in order to discuss the grievance with the Steward.

Step 1 (b) If the matter is not satisfactorily settled, a grievance may be submitted in written form by the Steward to the immediate superior. The written grievance shall set forth the nature of the grievance, the date of the matter complained of, the names of the employee or employees involved, and the provisions of this Agreement that the grievant claims have been violated. The grievance will be signed by the grieving employee. The superior's written answer shall be presented to the Steward within five (5) working days after receipt of the written grievance. Acceptance or rejection of the superior's answer will be written on the grievance form by the Steward. Grievances that are not appealed in writing to the second step within ten (10) calendar days of this answer shall be considered settled on the basis of this answer.

Step 2 If the grievance is not satisfactorily adjusted at Step 1 (b), it shall be referred by the Steward to the Business Representative or, if designated, EMMTTA Representative, who may appeal such grievance to the Superintendent of Emergency Medical Services. The Superintendent or his/her designated representative shall make arrangements, within five (5) working days after receipt of the grievance, to discuss the grievance with the Steward and the Business Representative or, if designated, EMMTTA Representative, and render a written answer within five (5) working days of the meeting. Grievances not appealed in writing to the third step within ten (10) calendar days of this answer shall be considered settled on the basis of this answer.

Step 3 If the grievance is not satisfactorily settled at Step 2, it shall be appealed by the Business Representative or, if designated, EMMTTA Representative to the Fire Commissioner or his/her designated representative who shall make arrangements within five (5) working days after receipt of the grievance, to discuss the grievance with the Steward and the Business Representative or, if designated, EMMTTA Representative. In cases of suspension or discharge, the grievant may attend the third step hearing. The Fire

Commissioner or designated representative shall render a decision, in writing, within ten (10) working days of the meeting.

Step 4 If the grievance is not satisfactorily settled at Step 3, it shall be appealed by the Business Representative or, if designated, EMMTTA Representative to the Appeal and Review Board by submitting the appeal in writing to the Labor Relations Director within fourteen (14) calendar days of the decision rendered at Step 3. Within fourteen (14) calendar days of receipt of the appeal, the Appeal and Review Board, consisting of at least two (2), but not more than four (4) representatives of the Union and at least two (2) but not more than four (4) representatives of the City, shall be convened to discuss the grievance. The Labor Relations Director shall render his/her decision regarding the grievance within fourteen (14) calendar days of the meeting.

Step 5 Any unresolved grievance which relates to the interpretation, application, or enforcement of a provision of this Agreement and which has been fully processed through the last step of the grievance procedure may be submitted to arbitration by either party in strict accordance with the following:

1. Arbitration shall be invoked by written notice to the other party of intent to arbitrate. If the parties are unable to agree upon an Arbitrator within fifteen (15) working days of such notice, the City will secure a list of arbitrators from the Federal Mediation and Conciliation Service (FMCS). The parties will then meet and mutually agree upon an Arbitrator from the list.
2. The Arbitrator shall limit his/her decision strictly to the interpretation, application or enforcement of the provisions of this Agreement and he/she shall be without power or authority to make any decision:
 - a. Contrary to, or inconsistent with or modifying or varying in any way, the terms of this Agreement.
 - b. Granting any wage increases.
 - c. Granting any right or relief for any kind of time whatsoever prior to the execution date of this Agreement.
 - d. Concerning the discipline or discharges of employees for engaging in a strike, slowdown or stoppage of work if the employee exercises his/her right under Section 6 of Act 336 of the Public Acts of 1947, as amended or if the discipline or discharge of an employee has been appealed to the Mayor pursuant to the provisions of the Detroit City Charter or applicable state law.
 - e. Relative to position classification, whether permanent or temporary. The parties recognize this is within the sole jurisdiction of the Human Resources Department.
3. The Arbitrator shall have no authority to require the City to delegate, alienate or relinquish any powers, duties, responsibilities, obligations or discretions which by State law or City Charter the City cannot delegate, alienate or relinquish.

4. The right of either party to demand arbitration over an unadjusted grievance is limited to a period of forty-five (45) calendar days from the final action taken on such grievance under the last step in the grievance procedure immediately prior to arbitration and any grievance not submitted within such period shall be deemed settled on the basis of the last answer by the party against which the grievance is brought. No settlement at any stage of the grievance procedure shall be a precedent in any arbitration and shall not be admissible in evidence in any arbitration proceeding.
 5. The decision of the Arbitrator in a case shall not require a retroactive wage adjustment in another case.
 6. The Arbitrator's decision shall be final and binding on the Union, all employees covered by this Agreement, and on the City. But the City or the Union may challenge the award if it was not made in accordance with the Arbitrator's jurisdiction and authority under this Agreement.
 7. In the event a case is appealed to an Arbitrator and he/she finds that he/she has no power to rule on such case, the matter shall be referred back to the parties without decision or recommendations on the merits of the case.
 8. The expenses of the Arbitrator shall be shared equally by the parties. Each party shall make arrangements for and pay the expenses of witnesses who are called by them. Pay for lost time for any City employees other than the aggrieved shall not apply to their participation in arbitration cases.
 9. Except as specifically provided, the parties understand and agree that in making this contract they have resolved for its term all bargaining issues which could have been made the subject of discussion. The arbitral forum here established is intended to resolve disputes between the parties only over the interpretation or application of the matters which are specifically covered in this contract and which are not excluded from arbitration.
- E. Grievances affecting a large number of employees shall be treated as policy grievances and entered at the third step of the grievance procedure by the Union. Policy grievances shall be only submitted by the Business Representative or, if designated, EMMTTA Representative.
- F. Grievances shall be filed within ten (10) calendar days of the event, occurrence, knowledge, or receipt of notice of the situation giving rise to the grievance. Any grievance under this Agreement which is not filed in writing within ten (10) calendar days after the grievance arises shall not be considered a grievance.
- G. All claims for back wages shall be limited to the amount of wages that the employee otherwise would have earned less any compensation received for temporary employment obtained subsequent to his/her removal from the City Payroll, and payments from Unemployment Insurance, Social Security Disability, Welfare, Aid to Dependent Children, and the following: Long Term Disability Insurance, Sickness and Accident Insurance and Automobile Accident Income Replacement Insurance if City funded. Where appropriate,

the City shall reimburse those agencies and insurance funds so as to not affect the employee's equity therein.

In instances wherein the subject matter of the grievance lies within the jurisdiction of specific City agencies, i.e., payroll, etc., the grievance steps may be shortened or eliminated to bring the grievance to the Agency's immediate attention.

No claims for back wages shall exceed the amount of wages which the employee would otherwise have earned.

- H. A Union Steward shall not leave his/her assignment to investigate a grievance without his/her supervisor's permission. In no instance will a Steward leave his/her assignment without being replaced.
- I. "Working Days," or "Work Days" as used in this Grievance Procedure, shall include Monday through Friday and exclude Saturdays, Sundays, and Holidays.
- J. The time elements in the first three steps of the grievance procedure may be shortened or extended, or steps may be eliminated by mutual agreement. If a grievance is not scheduled or answered by management within the prescribed time limits, the Union shall move the grievance to the next step of the grievance procedure. The appeal will be considered timely if filed at the next step within forty-five (45) calendar days of the date that management was required to answer. However, if management submits a written answer subsequent to the date when the answer was due, the limits on appealing to the next step shall apply beginning as of the date of the answer. Grievances appealed to the next step of the procedure shall be scheduled and answered within the prescribed time limits.
- K. If the Union requests information regarding a grievance from an aggrieved employee's personnel file, such information will be made available to the Union. However, if such information is of such a nature that its release could be damaging to the employee and a suit for damages could be brought against the City, the Employer may request that the Union present written authorization from the employee to release such information. The parties agree that exchanging information regarding a grievance is beneficial to both parties in attempting to resolve the grievance. ~~The Union shall be advised of the factors considered in the imposition of discipline and shall have the right to request copies of available written documents or statements pertaining thereto. Likewise, management shall be advised of the basis of the grievance and have the right to request copies of available written information or statements pertaining thereto and which the Union proposes to present in support of the grievance. It is agreed that any information requested in accordance with the above provisions which is not made available to either party shall not be admissible as evidence in any grievance or arbitration hearing.~~
- L. All settlement agreements and last chance agreements at any step of the grievance procedure must be signed by representatives of the Labor Relations Division.

8. DISCHARGE OR SUSPENSION

- A. **Notice of Discharge or Suspension:** The Employer agrees, upon the discharge or suspension of any employee, to notify, within forty-eight (48) hours, in writing, the employee and the Steward or the designated Union Representative in the district of the discharge or suspension and to promptly send a copy to the Business Representative or, if designated, EMMTTA Representative.
- B. **Appeal of Discharge or Suspension:** Should the Union consider the discharge or suspension to be improper, the Business Representative or, if designated, EMMTTA Representative may submit a written grievance to the Department Head which shall be submitted within ten (10) calendar days of the notice of the discharge or suspension. The grievance shall be processed in accordance with Step 3 of the grievance procedure.
- C. **Use of Past Record:** In imposing any discipline on a current charge, the Employer will not take into account any infraction which occurred more than twenty-four (24) months previously.
- D. **Member's Rights - Disciplinary Procedures:** Employees shall have due process in accordance with the grievance procedure and the Rules of the Detroit Fire Department.

NOTE: It shall be the responsibility of the grievant to keep the Union and City informed of his/her mailing address and telephone number(s) at which he/she may be reached for purposes of notification. Certified mail to the address of record shall constitute proper notification to the grievant.

9. SPECIAL CONFERENCES

- A. Special Conferences for important matters will be arranged between the Business Representative or, if designated, the EMMTTA Representative and the Superintendent of Emergency Medical Service or his/her designated representative upon the request of either party. Such meetings shall be between at least two (2), and not more than three (3) representatives of the City, and at least two (2), and not more than three (3) representatives of the Union.
- B. Arrangements for such Special Conferences shall be made in advance and an agenda of the matters to be taken up at the meeting shall be presented at the time the Conference is requested.
- C. The Business Representative or, if designated, EMMTTA Representative may meet at a place designated by the City on the City's property for not more than one (1) hour immediately preceding a meeting with the representatives of the City for which a written request has been made.
- D. The Employer will submit to the Union a written position statement on the matters taken up in Special Conference that were mutually agreed upon by the parties before the Conference adjourns.

10. SAFETY

- A. The Employer agrees that he/she will not knowingly assign any employee to operate any unsafe medical unit vehicle. It shall be the responsibility of the employee involved to report any unsafe equipment. When equipment defects that would be hazardous to the safe operation of the medical unit vehicle are reported to the supervisor and concurred by him/her, the equipment will not be assigned until released by the Apparatus Division supervisor.
- B. In cases of dispute between an employee and his/her immediate supervisor over the safety of a medical unit vehicle the employee may request the supervisor to contact the Superintendent or Assistant Superintendent of Emergency Medical Service. The Supervisor shall contact the Superintendent or Assistant Superintendent whose decision shall be final and binding, subject to the right of the employee to file a grievance.
- C. The City shall provide reasonably safe and adequate work facilities.
- D. Matters governing employee safety shall be in accordance with Fire Department Rules.
- E. Safety Committee - Within thirty (30) work days of the effective date of this Agreement, the Business Representative, or if designated, the EMMTTA Representative and the Superintendent of Emergency Medical Service shall each appoint two persons to serve on the Emergency Medical Service Division Safety Committee. Each party shall notify the other promptly of any changes in its representatives on the Safety Committee.

It shall be the responsibility of the Safety Committee to investigate alleged unsafe working conditions or equipment, matters affecting the safety of patients, or such other matters concerning safety that may be referred to it by the Business Representative, or if designated, the EMMTTA Representative or the Superintendent of the Emergency Medical Service and to submit whatever reports, findings, or recommendations it deems appropriate to the Business Representative, or if designated, the EMMTTA Representative and the Superintendent of the Emergency Medical Service who will add his/her comments and forward the above to the Fire Commissioner. The Safety Committee shall meet at least once every six (6) weeks and conduct its investigations while on duty to the extent permitted by the Superintendent of Emergency Medical Service in accordance with the best interests of the Division. Recommendations made by the safety committee to the Superintendent of the Emergency Medical Service will be answered, in writing, by the Superintendent within thirty (30) days.

4. If an employee is regularly scheduled to work on the holiday and does not work on the holiday for any just cause or excused absence, he/she shall receive his/her normal pay for the holiday provided that if he/she is working a twelve (12) hour shift his/her sick leave bank or his/her accumulated time off bank, whichever is appropriate, is charged with one work unit. 1. Employees shall be entitled to two (2) swing holidays in each fiscal year. New employees shall be entitled to the first swing holiday after ninety (90) calendar days and the second swing holiday after one hundred eighty (180) calendar days.
2. In those years in which the City Council designates an additional swing holiday in lieu of Election Day, employees covered by this Agreement shall also be entitled to such swing holiday.

3. A swing holiday shall consist of two (2) work units of time off to be credited to the employee's accumulated time off bank.

C. **Excused Time**

1. Employees shall be granted two (2) work units of time off on Good Friday effective on the Good Friday following the execution of this Agreement, two (2) work units of time off on Christmas Eve and two (2) work units of time off on New Year's Eve, provided they are on the payroll through the day in question. Employees will forfeit the above excused time benefits if they are absent on the day in question without good cause. All such excused time off shall be credited to the employee's accumulated time off bank.
2. Employees who are scheduled to work on any of the above Excused Time days and who do not work due to absence properly charged to sick leave shall have their absence charged first to the Excused Time due them on that day and the remaining portion of the unworked scheduled normal work shift charged to sick leave.

12. VACATION

- A. Employees discharged for cause, those who separate themselves from service without leave or in bad standing and those who fail upon separation to give sufficient notice shall not, in the discretion of the department head, be covered by this section. Employees excluded by this paragraph may be eligible for vacation privileges, according to this section, upon recommendation of the department head, with the approval of the City Finance Director, when, in their considered judgement, the circumstances warrant such action.
- B. Subject to the conditions and limitations contained in this section, all employees covered by this Agreement, except those specifically excluded by this section shall be eligible for vacation, based on years of service with the City, as follows:

<u>Length of Service</u>	<u>Amount of Vacation</u>
0 - 6 months	No vacation
6 months	10 work units
1 year	Additional 21.5 work units
2 through 9 years	31.5 work units
10 through 12 years	34 work units
13 years	36 work units
14 years	38 work units
15 years or more	42 work units

All vacation granted under the terms of this section shall be credited to the employee's accumulated time off bank.

- C. Employees inducted during the course of the fiscal year shall not be eligible for vacation leave without deduction of pay, until they shall have earned at least eight hundred (800) hours of paid time, exclusive of overtime or premium time, and until they have attained status as City employees for at least six (6) months. When employees qualify as above stated, they shall be entitled to ten (10) work units of vacation. Once employees have

earned at least sixteen hundred (1600) hours of paid time, exclusive of overtime, and have attained status as employees for at least twelve (12) months, they are entitled to twenty-one and one-half (21.5) additional work units of vacation leave. In order that an employee's vacation time may be computed on a fiscal year basis, on the July 1 following his/her first year anniversary date of employment, the employee will be entitled to a prorated vacation leave determined by the number of whole months from the employee's anniversary date of employment to the end of the fiscal year as applied to the table below. A whole month for this purpose is a calendar month in which the employee has been paid for not less than one hundred and fifty-six (156) straight time regular payroll hours.

<u>Number of Whole Months</u>	<u>Number of Work Units of Vacation</u>
1	2.5
2	5.0
3	8.0
4	10.5
5	13.0
6	15.5
7	18.5
8	21.0
9	23.5
10	26.0
11	29.0

Thereafter, the employee's vacation shall be computed on a fiscal year basis.

- D. After employees are placed on a fiscal year basis, and after sixteen hundred (1600) hours exclusive of overtime are worked in a fiscal year, employees will be entitled to 100% of their next July 1 vacation.
- E. Employees who fail to accumulate the required sixteen hundred (1600) hours, those who die, and those who are separated from the service, either temporarily or permanently, so that it is apparent at the time of separation that they will not accumulate sixteen hundred (1600) hours of paid time, shall be entitled to vacation leave before such separation computed as follows: 8.3% of the vacation credit of the previous July 1 multiplied by the number of calendar months in which employees have been paid for not less than one hundred and fifty-six (156) straight time regular payroll hours, excluding overtime, and then rounded to the nearest whole number of work units.

Employees who have attained status for at least twelve (12) months but have not yet been placed on a fiscal year basis and who are separated from the service, shall be entitled to pro-rated vacation leave, computed by determining the number of whole months as defined in paragraph "C" above from the employee's anniversary date of employment to the date of separation and applying that number to the table contained in paragraph "C" above.

- F. **Broken Service:** For the purpose of qualifying as above stated, employees experiencing broken service may accumulate any prior normal paid time within the two year period immediately preceding their return to the payroll; provided, that no such service shall be accumulated when it precedes resignation or discharge.

- G. **Rehired Employees:** All employees who are rehired after resignation or discharge for cause shall enter the service as new employees insofar as vacation privileges are concerned.
- H. **Bonus Vacation:** Employees eligible under the provisions of this section shall be eligible for additional work units of vacation leave, without deduction of pay, based upon their accumulated sick leave as follows:

Employees who on any July 1 date have accumulated a combined total of one hundred (100) or more work units of unused sick leave in both their current and reserve sick leave banks shall be entitled to additional vacation time as hereinafter provided.

Such additional leave time shall be equal to one-half the difference between the amount of current sick leave credited and the amount of sick leave used during the fiscal year immediately preceding any July 1 date, regardless of how same was charged on the record; provided, that charges made to supplement income of employees on workers' compensation and charges for time lost on duty-connected injury shall not be construed as time used when computing the above vacation credit, nor shall it, for the same purpose only, be deducted from the required total of one hundred (100) work units of sick leave; and provided further, that such additional vacation leave shall not exceed ten (10) work units in any one fiscal year, and the same shall not be computed in amounts of less than whole work units; and provided further, that such additional leave time shall not be charged against employees' sick leave credits.

- I. **Time of Taking Vacation:** The time for taking vacation leaves shall lie in the discretion of the department head, subject to the provisions of Section J below, who shall be guided by the interests of public service; provided, that no employee may liquidate consecutively more than fifty-one (51) work units of vacation time, except by approval of the City Finance Director. If an employee becomes ill while on his/her vacation or prior to it, his/her vacation shall be rescheduled after proof of such illness and his/her sick leave charged accordingly.

Employees who are on extended sick leave of one (1) month or more on any October 1 date, may, upon prior written application to the department head and the City Finance Director, be entitled to a lump-sum payment in lieu of time off for all vacation leave earned but not liquidated during the preceding fiscal year.

- J. **Time of Taking Vacations and Other Time Off:**
1. The Department shall determine and post by April 1 of each year the vacation allocation schedule for the forthcoming year that begins on July 1. The total vacation allotment so posted shall be sufficiently large so as to provide each employee the opportunity to liquidate the amount of time off the employee has earned within that fiscal year.
 2. On April 15, each employee shall submit his or her vacation request for the forthcoming year. Requests submitted between April 1 and April 14 will be re-dated as if they were received on April 15. Requests will be granted, consistent with the

posted allotment, on a first-come, first-served basis with the provision that requests submitted on the same date will be considered tied. DIVISIONAL seniority, defined as length of continuous service with the EMS Division, will be used as the tie breaker in granting vacation requests. Adjustments to assigned vacation periods will be allowed subject to vacancies in the allotment schedule and proper notification.

3. **Vacation Request Shall List First, Second, And Third Preferences:** Those employees who have sixty-three (63) or more work units in their general leave bank who fail to secure 3 weeks vacation by November 1, shall be assigned a vacation not to exceed three (3) weeks. Adjustments to assigned vacation periods will be allowed subject to vacancies in the allotment schedule and written notification.
- K. **Accumulated Time Off:** Time off credits, no matter how earned, shall not be allowed to accumulate on any October 1 date in amounts exceeding one hundred (100) work units.
- L. **Deceased Employees:** Upon the death of any employee, payment for any unused time off credits shall be made at the rate in effect when his/her name last appears on the payroll.

13. SICK LEAVE

- A. **Current Sick Leave:** All full-time regular service employees who have completed three (3) months of continuous service shall be granted sick leave with full pay of eight and one-half (8 1/2) hours for each period of service equal to the departmental service month. Such eight and one-half (8 1/2) hours sick days shall accrue monthly and shall be computed on the basis of not less than one hundred and twenty (120) straight regular payroll hours per month. Such time shall first be computed from the date of appointment and thereafter from the beginning of each fiscal year. Current sick leave shall accrue in terms of eight and one-half (8 1/2) hour units, and shall not exceed one hundred and two (102) hours in any one fiscal year. Those employees failing to work at least one hundred and twenty (120) straight time regular payroll hours in each month of the fiscal year may be entitled to sick leave at their regular rate of pay on the basis of eight and one-half (8 1/2) hours of sick leave for each period equivalent to one hundred and sixty-eight (168) straight time regular payroll hours. ~~Sick leave as above provided shall accrue from date of appointment but only after the employee shall have become eligible for sick leave according to the provisions of this article.~~ An unlimited number of hours of current sick leave may be accumulated in the employee's current sick leave bank.
- B. Sick leave or excused absences chargeable to sick leave according to the provisions of this section shall first be deducted from the current sick leave bank provided for under paragraph "A" of this section.
- C. **Reserve Sick Leave:** Additional sick leave of five (5) eight and one-half (8 1/2) hour sick days shall be granted for each full year of service. This time shall be credited on July 1 to all employees on the payroll on that date provided they shall have been on the payroll for one (1) calendar year and shall have been paid for sixteen hundred (1600), hours exclusive of overtime, in the previous fiscal year. Such sick leave shall be granted on the

basis of length of service free from any interruptions; provided, that death or termination of service ends rights to reserve sick leave and that continuous absences in excess of four (4) years shall be deemed to terminate any rights accruing under the provisions of this section. It is the intent of this section to provide a reserve based upon length of service in addition to, but not a part of, current sick leave as otherwise provided in this section. The reserve sick leave bank may be used only after the employee's current sick leave bank is exhausted and only for purposes described elsewhere in this section. Reserve sick leave earned on or after July 1, 1971, may be accumulated without limit.

- D. Sick leave may not be granted in anticipation of future service.
- E. **"Sick Leave" defined:** The term "sick leave" shall be construed to be absence due to illness or off-duty injury and shall also include absence due to exposure to contagious disease and attendance upon immediate members of the family within the household of the employee; provided that such absence for attendance upon immediate members of the family shall not exceed two (2) normally scheduled work shifts.
- F. **"Immediate Family" defined:** The term "immediate family" shall be construed to include husband, wife, children, father, mother, brothers and sisters and also relatives living in the same household, no matter what the degree of relationship.

Failure of the employee to give proper notice may be used by the department head as a just reason for the refusal of sick leave with pay.
- H. **Medical Certificate:** Evidence of illness must be provided by medical certificate or other suitable proof for all sick leave granted beyond six (6) consecutive work units; provided, that the granting of sick leave for not more than six (6) work units without the necessity of evidence shall be discretionary with the department head, and all excuses for absences shall be subject to such verification as the department head may see fit to require including examination by a physician selected by the department head.
- I. **Other charges against sick leave:** Absences for the purpose of taking City examinations, except non-competitive promotion examinations, attending a wedding of an immediate member of the family, consulting the draft board and other justifiable absences, in the judgement of the department head, shall be considered proper charges against the current sick leave bank; provided, that where possible, permission for such absence must be secured from the department head; provided, that the department head may permit such absences with pay to the extent of ten (10) work units in any one fiscal year.
- J. **Accrual During Service:** Absence shall not interrupt the accrual of sick leave where the employee's name appears on the payroll and he/she is actually receiving compensation; provided, that absences without pay, except for employees receiving workers' compensation, shall stop the accrual of sick leave; provided further, that upon his/her return in good standing, the employee may be granted all sick leave accrued on the basis

of his/her prior service; provided further, that any employee returning from any branch of the armed service, whether or not he/she may have resigned to enter such service, shall be granted all sick leave accrued on the basis of his/her prior service, including service in the armed forces; provided, that the accrual of sick leave granted on the basis of length of service, as provided in paragraph "C" of this section, shall not be affected by these provisions.

- K. **Workers' Compensation:** An employee sustaining injury or occupational disease arising out of and in the course of City employment shall be continued on the payroll and his/her time shall be charged to his/her accumulated sick leave; provided, that in the absence of any such accumulation, he/she shall be paid regular wages or salary to the extent of two-thirds of his/her daily wage or salary but for a period not to exceed fourteen (14) work units of scheduled work time; provided also, that where the employee has accumulated sick leave in his/her banks and receives income under the Workers' Compensation Act, such income shall be supplemented by the City with an amount sufficient to maintain his/her regular salary or wage for a period not to exceed that of his/her accumulated sick leave, and such accumulated sick leave banks shall be charged for all sick leave work units or portions thereof paid to such employee.
- L. **Termination of Service Upon Death:** Payment for accumulated unused sick leave in the employee's current sick bank shall be paid at 50% of current rate of pay to the employee's beneficiary or estate, upon the death of the employee, provided that in the case of a non-duty related death, such payment of accumulated current sick bank shall be limited to seven hundred and twenty (720) hours.
- M. Sick leave shall not be charged against the employee's sick leave banks in amounts of less than whole work units; except for employees assigned to an eight hour twenty-four (8/24) minute shift; provided, that this rule shall not be construed to excuse absences of less than whole work units.
- N. **Unused Sick Leave on Retirement**
1. Effective July 1, 2003, upon retirement, an employee shall be entitled to a payment of sixty percent (60 %) of their unused sick leave.
 2. All the above shall otherwise be in accordance with the City Council Resolution of November 8, 1961, J.C.C. p. 2292 as amended.

The City shall provide a Duty Disability Benefit Plan to supplement benefits received by the employee from Workers' Compensation, Duty Disability Pension, Social Security, and other

compensation received by an employee as a result of being disabled in the line of duty. The total amount of compensation being paid to such employee from all sources will be two-thirds (2/3) of the normal straight time gross pay (before taxes) that the employee was earning at the time he/she was disabled for all illnesses or injuries arising on or before October 31, 1985. Effective November 1, 1985, supplemental compensation shall be increased so that the total paid will be one hundred percent (100%) of the normal straight time gross pay.

The Duty Disability Benefit coverage shall begin with the first continuous day of a disability resulting from a duty connected injury and the twenty-second (22nd) continuous day of a disability resulting from a duty connected illness. The maximum period of benefit shall be fifty-two (52) weeks.

When the City's authorized medical facility has returned the employee to regular duty who has not exhausted his/her fifty-two (52) weeks of supplemental benefits and at least six (6) continuous months have not elapsed, including sixty (60) regular work days and the employee is again incapacitated by an injury, the doctor shall make a determination if the injury is a reoccurrence. If it is a reoccurrence, the employee will be eligible to exhaust the remainder of his/her fifty-two (52) weeks of supplemental benefits.

When the City's authorized medical facility has returned the employee to regular duty who has exhausted his/her 52 weeks of supplemental benefits and at least six (6) continuous months have not elapsed, including sixty (60) regular work days and the employee is again incapacitated by an injury, the doctor shall make a determination if the injury is a reoccurrence. If it is a reoccurrence, the employee will not be eligible for additional supplemental benefits. All injuries sustained after such six (6) continuous months have elapsed including sixty (60) regular work days shall not be considered a reoccurrence of an original injury and an employee is entitled to another 52 weeks of supplemental benefits. The determination made by the City's authorized medical facility shall be subject to the Grievance Procedure and the matter may be submitted directly to the arbitration step of the Grievance Procedure. Duty Disability Benefit payments will be made only for disabilities which incapacitate an employee so that he/she cannot perform his/her normal duties of employment.

The determination of disability, the duration of the disability, and the ability of an employee to return to work shall be determined by the City's authorized medical facility of the Detroit Fire Department. ~~The City's authorized medical facility shall also determine whether an injury or illness is service connected.~~

If a dispute should arise as to whether the City's authorized medical facility has made a proper determination regarding whether a disability is service connected or not, the matter may be submitted directly to the arbitration step of the Grievance Procedure with the added provision that the Arbitrator shall be a physician licensed to practice medicine in the State of Michigan.

For payment to be made, the Detroit Fire Department must certify to the Finance Department that the disability was service connected and must provide a written statement setting forth the facts which led to the disability.

When the City's authorized medical facility determines that an individual is sufficiently disabled so as not to be able to perform his/her regular duties but is capable of performing other duties, such employee may first be assigned to a light duty assignment in the Emergency Medical Services, or secondly within the Detroit Fire Department. Work tasks assigned will be those compatible with present work restrictions, with or without reasonable accommodations. Thirdly, if the employee cannot be returned to a light duty assignment within the Fire Department, such employee will be placed in another classification in the Fire Department or another City Department. The assignment can be with or without reasonable accommodations, and shall be on a temporary basis until such time as the employee is able to return to his/her former job classification or acquires permanent status in the alternate classification by action of the Human Resources Department. The duration of the temporary status shall be in accordance with the Workers' Compensation Act. During the temporary period, efforts will be made to place the employee in available positions consistent with their training and experience and current physical capabilities.

While employed in the alternate job classification, whether temporary or permanent, the employee shall be represented by the union having jurisdiction over employees in that classification and at that location. However, residual seniority rights to the employee's former classification and all medical benefits shall remain with his/her former union. An employee in an alternate classification on a permanent basis continues to have a right to return to his former job classification in his former department when physically able to do so. In the event an employee suffers a reoccurrence of the former job injury, the Workers' Compensation Unit of the City will return the employee to the Fire Department where the injury and attendant benefits will be administered.

All Workers' Compensation benefits and overtime compensation shall be paid in accordance with the Workers' Compensation Act. Employees will be eligible for wage increases granted to their alternate job classification.

No employee returned to work under this program who retired during the term of the 1995-98 Labor Agreement will have his or her pension benefits lowered. The parties acknowledge, however, that the issue of preserving the pre-job-injury pension levels needs to be further discussed and possibly clarified and modified for the next successor Labor Agreement.

~~Employees receiving payments under this Duty Disability Benefit Plan will continue to earn sick leave and vacation benefits for as long as they receive such payments.~~

Employees eligible for the City's Income Protection Plan may elect to receive payments from this Duty Disability Benefit Plan or from the Income Protection Plan, but not from both plans simultaneously.

The City reserves the right to substitute for this Duty Disability Benefit Plan a formal insurance plan with a commercial insurance carrier with substantially the same features as this plan. The Union shall be given an opportunity to examine the proposed plan at least two weeks prior to its implementation. A claim by the Union that the plan with the commercial insurance carrier does not have substantially the same features shall be submitted directly to the arbitration step of the Grievance Procedure.

RE: Labor/Management Committee

The parties acknowledge a need to establish a means for a continuing dialogue between management and union representatives to discuss and resolve matters that are of mutual concern, and to work cooperatively toward improving services, and the effective delivery of such services, to the visitors and the citizens of Detroit, and to constantly strive towards a safe, productive, and harmonious work place. Accordingly, the parties have agreed to establish a Labor/Management Committee within the Fire Department.

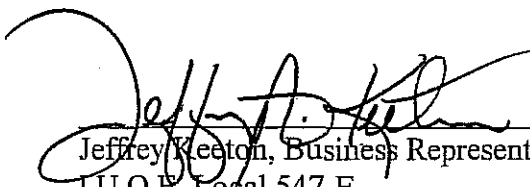

Composition of the Committee shall consist of those persons appointed by the Union and the City respectively. No more than (5) representatives of the Union and five (5) representatives of management will initially be appointed. This committee may be expanded upon mutual consent of the parties. Appointment of the union and management representatives shall be on an ad hoc basis; that is, committee members can be chosen based on the item(s) on the meeting agenda.

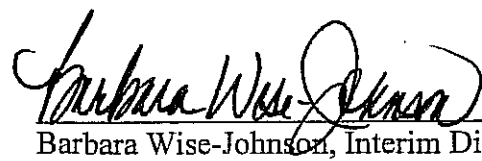

Proper subjects to be discussed by the Labor/Management Committee are any work related issues that would not interfere with the collective bargaining relationship.

When appropriate, and mutually agreed between the parties, EMMTTA will participate in Labor/Management Committee meetings involving representatives of other City labor organizations. The composition of this multi-union Labor/Management Committee will be determined at the time of formation of said committee.

The parties agree that to increase effectiveness of Committee discussions, relevant training in specific subject areas should be made available to committee members. Provisions may be made to send selected committee members to seminars, workshops or in-service training.

RE: Reduced Operational Costs Due to Improved Regularity in Attendance

TO DISCOURAGE ABUSES OF SICK LEAVE:

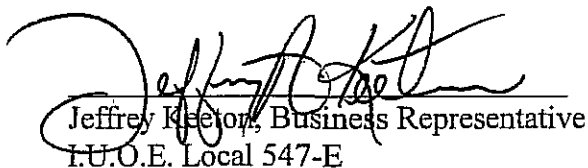

In order to maintain and increase worker morale, provide higher quality services, and reduce operational costs, the parties agree that effective in fiscal year 1996-97, Reserve Sick Leave will no longer be available for intermittent short-notice claims of illness unless there is good cause shown that a legitimate illness exists sufficient to have warranted the employee's absence, e.g., legitimate illnesses shall be absences associated with hospitalization or chronic illnesses.

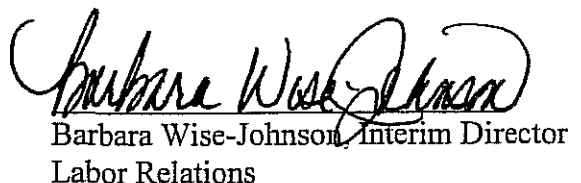

If an employee has requested the use of his/her Reserve Sick Leave and his/her Department Director denies such use because it is deemed not to comport with the Reserve Sick Leave standard we have set forth in the preceding paragraph, the denied employee shall be entitled to appeal the matter to Step 3 of the Grievance Procedure.

TO ENCOURAGE BETTER ATTENDANCE:

Effective with the Bonus Vacation granted on July 1, 1997, an employee can receive twelve (12) work units in any fiscal year he/she had perfect attendance as regards the use of sick leave (the employee did not use any time out of his/her sick leave banks). An employee can receive eleven (11) work units in any fiscal year he/she used some sick time but not as much as sixteen (16) work units. In all other circumstances, the former Bonus Vacation schedule will continue to apply.

RE: Performance Evaluations

After considerable discussion of the subject of all management, supervisors, and workers being required to give a high quality work performance for the City of Detroit, the parties acknowledge that the City government management, serving as "the Employer" is obligated to provide adequate leadership in the operation of the City's services, and has the responsibility to require adequate performance for the public's benefit by all levels of employees whose wages are paid for with the public's resources. Furthermore, that management in that role and with such responsibilities possesses the inherent authority to express and record evaluations of the performance of all employees at all levels in the government and to utilize such in the running of the government, so long as such usage does not violate any employee's rights or the provisions of the Labor Agreement.
