AGREEMENT

This Agreement is entered into between the City of Detroit, a Michigan Municipal Corporation (hereinafter referred to as the City or the EMPLOYER) and the Teamsters, State, County and Municipal Workers, Local #214 of the International Brotherhood of Teamsters, Chauffeurs, Warehousemen and Helpers of America.

NOTE: The headings used in this Agreement, on schedules or on exhibits neither add to nor subtract from the meaning but are for reference only.

PURPOSE AND INTENT

- A. The general purpose of this Agreement is to set forth terms and conditions of employment to promote orderly and peaceful labor relations for the mutual interest of the City of Detroit in its capacity as an Employer, the Employees, the Union, and the citizens of the City of Detroit.
- B. The parties recognize that the interest of the community and the job security of City employees are dependent upon the parties working together toward achieving the goal of customer service excellence for citizens, businesses and visitors of Detroit; and accomplishing the Employer's initiatives of effective community policing, safe and stimulating programs for young people, and improving the environment in neighborhoods to instill civic pride and encourage new development.
- C. To these ends the City and the Union encourage to the fullest degree friendly and cooperative relations between the respective representatives at all levels and among all employees.
- D. Basic rights and equities of employees are established through the City Charter, Executive Orders of the Mayor, Ordinances and Resolutions of the City Council, Rules of the Civil Service Commission, and the terms of this Agreement.

1. RECOGNITION OF UNION

Pursuant to and in accordance with all applicable provisions of Act 336 of the Public Acts of 1947, as amended, the Employer does hereby recognize the Union as the exclusive representative for all the employees holding the classifications listed in Schedules A and B, for the purpose of collective bargaining in respect to rates of pay, wages, hours of employment and other conditions of employment for the term of this Agreement.

2. MANAGEMENT RIGHT'S AND RESPONSIBILITIES

The City will honor all terms and conditions of this Agreement and the rights of the City shall in no way conflict with the terms of this Agreement.

The Union recognizes the prerogatives of the City to operate and manage its affairs in all respects in accordance with its responsibilities and powers of authority. The City has the right to determine when overtime work is required and schedule such overtime. The City reserves the right to discipline and discharge for just cause. The City reserves the right to layoff for lack of work or funds, or the occurrence of conditions beyond the control of the City. The City shall have the right to determine hours and shifts and reasonable schedules of work and to establish the methods and processes by which such work is performed. The City shall have the right to establish, adopt, amend, promulgate and enforce uniform work rules for its departments.

3. UNION RIGHTS

- A. No member of this unit shall be required to do work outside the concept of his classification, nor shall any other employee perform duties which are outside the concept of his classifications and which fall within the concepts of the classifications covered by this Agreement, except under emergency conditions (as defined in this Agreement) and except in those cases where the duties performed which fall within the concept of a classification covered by this Agreement are not the primary function. The concept of the classifications are described in the classification specifications.

It is understood by the parties that every incidental duty connected with operations is not always specifically described or enumerated in the job description or the classification's specification.

- B. A classification may not be removed from the Teamsters' bargaining unit by merely changing the title or by modifying the classification specifications or for the purpose of undermining the Union.
- C. Any alleged violation of union rights in Article 3 is subject to an immediate hearing of the Pre-Arbitration Panel after Step 3 of the Grievance Procedure has been completed.

4. NON-DISCRIMINATION

The Employer and the Union both recognize their responsibilities under federal, state and local laws pertaining to fair employment practices as well as the moral principles involved in the area of Civil Rights.

Accordingly, both parties re-affirm by this Agreement the commitment not to discriminate against any person or persons because of race, color, creed, national origin, age, political orientation, sex, sexual orientation, marital status or disability in accordance with applicable state and federal laws.

5. AGENCY SHOP

- A. Employees are free to join or not to join the Union. Employees who are members of the recognized bargaining unit but who are not members of the Union may join the Union by initiating their Union application form and dues deduction authorization form.
- B. The City agrees to deduct from the wages of an employee, who is a member of the Union, all Union membership dues uniformly required, as provided in a written authorization in accordance with the standard form used by the City provided that the said form shall be executed by the employee. The written authorization for Union dues deduction shall remain in full force and effect during the period of this Agreement unless revoked by written notice. The revocation notice must be given to both the Finance Department and to the Union.
- C. Any person certified and employed with the City who is not a member of the Union and does not make application for membership within ninety (90) calendar days from the effective date of this Agreement or from the date they first become a member of the bargaining unit, whichever is later, shall as a condition of employment, pay to the Union a service fee as a contribution towards the administration of this Agreement, in an amount determined by the Union in accordance with applicable law. City employment will be terminated for all persons who fail to comply with this requirement within thirty (30) calendar days after receipt of written notice by the employing department from the Union, unless otherwise notified by the Union in writing within said thirty (30) calendar days, and provided that the Union shall release the Department from fulfilling the obligation to terminate City employment if during such thirty day period the employee pays the membership dues or service fee retroactive to the due date and confirms his intention to pay the required membership dues or service fee in accordance with this Agreement.
- D. The City agrees to deduct from the wages of any employee covered by this Agreement, who is not a member of the Union, all union service fees uniformly required as provided in a written authorization in accordance with the standard form used by the City, provided that the said form shall be executed by the employee. The written authorization for union service fee deduction shall remain in full force and effect during the period of this Agreement unless revoked by written notice. The revocation notice must be given to both the Finance Department and to the Union.
- E. All Union membership dues and service fees will be authorized, levied, and certified in accordance with the by-laws of the Union. Each employee and the Union hereby authorize the City to rely upon and to honor certifications by the Treasurer of the Union regarding the amounts to be deducted and the legality of the adopting action specifying such amounts of Union dues and service fees, which dues and service fees shall be sent reasonably promptly to the Treasurer of the Union. The Treasurer of the Union shall not request the City to change the amounts so deducted more often than four times each City fiscal year.
- F. The Union shall not have right or interests whatsoever in any money authorized withheld until such money is actually paid over to them. The City or any of its officers and employees shall not be liable for any delay in carrying out such deductions, and upon forwarding a check in payment of such deductions by mail to the Union, the City and its officers and employees

shall be released from all liability to the employee-assignors, and to the Union under such assignments. (Chapter 13, Article 4, Section 4 of the Municipal Code of the City of Detroit.)

- G. The Union shall refund to employee's dues and service fees erroneously deducted by the City and paid to the Union. The City may offset any amount erroneously or improperly deducted and paid to the Union from any subsequent remittance to the Union.
- H. Upon receipt of written notification from the Union, the City agrees to make a special deduction from a member's paycheck to recover delinquent dues or service fees. This deduction will continue until the Union notifies the City in writing to stop the deduction. Any refunds for overpayments will be the responsibility of the Union. The maximum amount the City will deduct for delinquent union dues or service fees from any paycheck will be limited to \$25.00 per paycheck.
- I. The Union agrees to save and hold harmless the City from any damages or other financial loss, which the City may be required to pay or suffer as a consequence of enforcing the above provisions.

6. STEWARDS AND ALTERNATES

- A. It is mutually recognized that the principle of proportional representation is a sound and sensible basis for determining the number of stewards.
- B. In each representative district, employees shall be represented by one steward, or in his absence the alternate steward, on each shift who shall be a regular employee working in that district and on that shift or as designated in the departmental Supplemental Agreement. In the absence of the steward and alternate steward, a designated representative shall be appointed by the Union President.

Where possible, stewards shall be assigned duties from the yards in accordance with the departmental supplemental.

- C. When employees in any department are scheduled to work overtime, the steward or in his absence the alternate steward, will be called first as long as there is work in his classification, or lower class in series which he is able to perform, in his representative district and in accordance with department supplemental agreements.
- D. The City recognizes that Teamsters, Local #214 (both Craft and Non-Craft) may be granted a total of three (3) Chief Stewards for coverage of its members city-wide.
- E. Representative districts in each department shall be as outlined in department supplemental agreements.
- F. The Stewards, during their working hours, without loss of time or pay, shall investigate and present grievances to the Employer. Stewards should request to be released and wait for approval from the supervisor before the investigation of grievances. The Stewards should reveal the nature of the Union business to be conducted. This privilege shall not be abused.

- G. It is further mutually agreed that the Local Union will, within two (2) weeks of the date of the signing of this Agreement, serve upon the City a written notice listing the Union's authorized representatives employed by the City who are to deal with the City on behalf of the Union, and who are authorized to make commitments for the Union. The Union shall not be liable for any activities unless so authorized. The Union shall notify the City of any changes of these representatives during the term of this Agreement. This clause will not relieve the Union of liability if the President or Executive Board of the Union calls, leads or authorizes a strike.

Stewards, by nature of their position, shall have first pick of vacation selection, job assignment, and overtime options, including scheduled, call-in or casual overtime.

- H. Notwithstanding their position on the seniority list, all union stewards of record who are involved in the grievance procedure shall in the event of a layoff or demotion be continued in the following order as long as there is:

1. work in their classification in their Department,
2. work in any lower class in their series in their department,
3. work in a classification within the bargaining unit which they formerly held in their department,
4. work in a lesser class within the bargaining unit in their Department in which they can do the job, and
5. if laid off, shall be recalled whenever there is work in any such class in the Department from which they are laid off.

Layoff and demotion resulting from this procedure shall apply as long as no employee outside the Teamster Union jurisdiction is affected except as otherwise agreed upon between other labor organizations, Teamsters and the City.

The provisions of this article shall apply as long as employees continue to hold their Union office. Should a union representative lose his/her office, the former union representative shall be subject to displacement by employees with greater seniority who have been laid off or demoted as a result of reductions in force made prior to the loss of office.

Upon written notice from the Local Union President to the Employee Certification Division of the Human Resources Department that such loss of office has occurred, the City shall have sixty (60) days to investigate and make any required displacements.

7. GRIEVANCE PROCEDURE

The grievance procedure contained in this Agreement shall be the exclusive grievance procedure for all members of the bargaining unit.

Grievances involving suspension or discharge of bargaining unit members and union policy grievances shall be filed directly at Step 3 (Department Head).

Step 1: If an employee believes his contractual rights have been violated, he may discuss his complaint with his immediate supervisor, with or without his steward or designated representative. In the event the employee desires that his steward be present, he shall make his request through the supervisor and the supervisor shall make the necessary arrangements.

Should the Union believe that it or any member of its bargaining unit has been unjustly dealt with, a representative of the Union may discuss the complaint with the supervisor of the operation involved.

Step 2: In the event the complaint is not settled orally by the supervisor, and there is an alleged violation of the provisions of this Agreement, the steward shall reduce the grievance to writing and submit it to the division head with fifteen (15) working days of the alleged violation. The written grievance, shall set forth the nature of the grievance, the date of the violation, the identity of the employee(s) involved, by name when known, and the provisions of this Agreement the Union claims have been violated, and the remedy requested. The employee and the steward shall sign the grievance form.

The Division head or his designated representative will promptly arrange a meeting with the grievant and his Union representative to review the grievance and render a decision, in writing, within seven (7) calendar days of the meeting. If the subject grievance is not appealed in writing to Step 3 of the grievance procedure within seven (7) calendar days from the date of the Division head's decision, his disposition shall be considered as settlement of the grievance.

Step 3: If the grievance is not satisfactorily resolved at "Step 2", the decision may be appealed to the Department head or his designated representative. A meeting between at least two (2), but not more than four (4) representatives of each the Union and the City shall be promptly arranged to hear the grievance. The Department head or his designated representative shall have seven (7) calendar days to arrange a meeting. He or she shall have seven (7) calendar days from the mutually agreed meeting date to render his written decision. Management's written answer after the Third step meeting shall briefly state the factors considered by management in its decision regarding the grievance.

Step 4: Pre-Arbitration Panel: In the event of the failure of the above steps in the grievance procedure to resolve a grievance, the matter shall be referred to the Pre-arbitration Panel within ten (10) calendar days of the decision rendered at Step 3. The Union's written appeal to the Fourth Step shall state the facts in dispute and/or reasons for dissatisfaction with management's Third Step answer. The Labor Relations Director or his/her designated representative will arrange for the convening of this panel promptly. Further, the Labor Relations Director is authorized to make settlements on behalf of the City regarding any unresolved grievance properly appealed to Step 4 or Step 5 of the grievance procedure.

The Labor Relations Director or his/her designated representative will forward the written answer from the panel within fifteen (15) working days of the panel hearing.

The Pre-Arbitration Panel shall consist of not more than two (2) representatives of the Union, and not more than two (2) representatives of the City, one of which shall be a Labor Relations representative.

The parties may choose to mediate some cases, which are not, resolved at Step 4 in accordance with Schedule I entitled "Arbitration Panel Procedures."

The parties agree that exchanging pertinent information regarding grievances is mutually beneficial in attempting to resolve grievances at the earliest opportunity. It is expected that at the Step 3 meeting, the available factual information pertaining to action against an employee will be given to the union representative, and any available statements or documents disputing the alleged facts or explaining the employee's actions will be given to the management representative.

It is further expected that at the Step 4 hearings, all questions and all evidence pertinent to the case will be requested and will be exchanged so that both sides will be on notice of the matters in question. No matter may be presented which has not been raised at either the Step 4 hearing or sufficiently in advance of an arbitration hearing so as to deprive the other side of a reasonable chance to investigate this issue. If information is requested in writing and is not made available to the other party, such information shall not be admissible as evidence at the arbitration hearing.

Upon failure of the panel to agree to a settlement of the issues, and upon the failure of the parties to agree to the selection of an Ad Hoc Arbitrator, the charging party will contact the Federal Mediation and Conciliation Service (F.M.C.S.) for a list of Arbitrators. The parties will then meet to mutually agree upon an Arbitrator from the list. If the party desiring arbitration fails to refer the matter to the Federal Mediation and Conciliation Service within a reasonable time, not to exceed ninety (90) calendar days of the notice of intention to arbitrate, the matter shall be considered settled on the basis of the last answer to the grievance.

Step 5: (Arbitration) Any unresolved grievance which has been fully processed through the last step of the grievance procedure may be submitted to arbitration in accordance with Step 5.

1. The arbitrator shall limit his/her, decision strictly to the interpretation, application or enforcement of the provisions of this Agreement and he/she shall be without power and authority to make any decision:
 - a. Contrary to, or inconsistent with or modifying or varying in any way, the terms of this Agreement.
 - b. Concerning the discipline or discharge of employees for engaging in a strike, slowdown or stoppage of work who exercises his/her right under Section 6 of Act 379 of the Public Acts of 1965.
 - c. Concerning a matter which has been appealed to the Mayor pursuant to applicable State Law pertaining to rights of Veterans.
 - d. Granting any wage increases or decreases.
 - e. Granting any right or relief for any period of time whatsoever prior to the effective date of this Agreement.
 - f. Relative to position classification whether permanent or temporary.
 - g. Concerning complaints filed with state or federal civil rights enforcement agencies alleging violation of equal employment opportunity.

2. Changing the level of discipline issued to employees provided such discipline is consistent with disciplinary guidelines issued by the department and involving infractions for workplace violence, sexual harassment, theft or misappropriation of City property, being under the influence of alcohol or controlled substances at work, or an egregious act which brings the City into disrepute.
3. The arbitrator shall have no authority to require the City to delegate, alienate or relinquish any powers, duties, responsibilities, obligations or discretions which by state law or City Charter, the City cannot delegate, alienate or relinquish, nor to rule on the purchase of buildings or equipment.
4. The right of either party to demand arbitration over an unadjusted grievance is limited to a period of thirty (30) calendar days from the final action taken on such grievance under the last step in the Grievance Procedure or the date that management's answer was due. Any grievance not submitted within such period shall be deemed settled on the basis of the last answer given by the party against which the grievance is brought. No settlement at any stage of the grievance procedure shall be a precedent in any arbitration and shall not be admissible in evidence in any arbitration proceeding.
5. The City in no event shall be required to pay back wages for more than fourteen (14) calendar days prior to the date a written grievance is filed. In the case of a pay shortage of which the employee could not have been aware before receiving his pay, any adjustment shall be retroactive to the beginning of the pay period covered by such pay if the employee files his grievance within fourteen (14) calendar days after receipt of such pay.
6. All claims for back wages shall be limited to the amount of wages that the employee otherwise would have earned, less any compensation received for temporary employment obtained subsequent to his/her removal from the City payroll, and payments from Unemployment Insurance, Social Security Disability, Welfare, Family Independence Agency, and City funded Long Term Disability Insurance, Sickness and Accident Insurance and Automobile Accident Income Replacement Insurance. Where appropriate, the City shall reimburse those agencies and insurance funds so as to not affect the employee's equity therein.
7. The decision of the arbitrator in a case shall not require a retroactive wage adjustment in another case.
8. The arbitrator's decision shall be final and binding on the Union, all employees covered by this Agreement, and on the City. But, the City or the Union may challenge the award if it was not made in accordance with the arbitrator's jurisdiction and authority under this Agreement.
9. In the event a case is appealed to an arbitrator and he/she finds that he/she has no power to rule on such case, the matter shall be referred back to the parties without decision or recommendations on the merits of the case.
10. The expenses of the arbitrator shall be shared equally by the parties. Each party shall make arrangements for and pay the expenses of witnesses who are called by them. Pay for lost time

for any City employee, other than the aggrieved, shall not apply to their participation in arbitration cases. In group, policy or class action grievances, the Union may select the steward or any one of the affected group of employees who will act as the grievant and be paid as such.

11. Except as specifically provided, the parties understand and agree that in making this contract they have resolved for its term all bargaining issues which were or which could have been made the subject of discussion. The arbitral forum here established is intended to resolve disputes between the parties only over the interpretation or application of the matters which are specifically covered in this contract and which are not excluded from arbitration.

8. INTERFERENCE WITH WORK

The Union agrees to refrain from engaging, or participating in any strike, work stoppage or slowdown or participating in any activity for the purpose of interfering with the operations of the Employer during the term of this Agreement.

The Employer will not lock out any employee during the term of this Agreement. However, if equipment or facilities are unavailable for a member of this bargaining unit to work due to a strike, work stoppage, slowdown or other interference by other employees, such unavailability shall not be deemed a lockout under the terms of this section nor shall the employee affected be considered striking or refusing to work.

Employees in the Unit are not subject to disciplinary action for refusing to cross a picket line of another union, if such action could endanger the personal safety of the employees, provided that employees involved in job assignments which may impact upon the health and safety of the community will be expected to report for work. If, in the opinion of such employee, his/her safety may be impaired he/she will so inform his/her supervisor who will make arrangements for the employee's safety.

At the City's discretion, bargaining unit members may be reassigned to alternate work locations in the event of a limited strike or work stoppage by another Union.

The City shall not, however, be obliged to pay the wages of employees who do not work.

9. TIME LIMITS ON GRIEVANCES

Any complaint under this Agreement which is not filed in writing by the employee involved, in individual complaints, or by the steward or designated representative in cases involving more than one employee, or a matter of policy, within fifteen (15) working days after the matter arises, shall not be considered a grievance. The City shall not be required to pay back wages more than fourteen (14) calendar days prior to the steward's formal notice of grievance. No claim for back wages shall exceed the amount of wages the employee would otherwise have earned at his/her regular rate.

The time elements in the first four (4) steps of the grievance procedure may be shortened or extended or steps may be eliminated by mutual agreement. If a grievance is not answered by management within those prescribed time limits, the Union may move the grievance to the next step of the grievance procedure if done within the prescribed time limits.

In instances wherein the subject matter of the grievance lies within the exclusive jurisdiction of specific City agencies, the grievance steps may be shortened or eliminated by mutual agreement in order to bring the grievance to the immediate attention of the department head of the agency involved.

In case of a pay shortage in which the employee would not have been aware before receiving his pay, any adjustment made shall be retroactive to the beginning of the pay period covered by such pay if the employee files his grievance within fourteen (14) calendar days after receipt of such pay.

The time limits in this article shall not apply to circumstances where, by error, an employee is paid other than the current negotiated rate for his present classification for time worked, on assignments made by authorized persons in his department, in that classification. Under such circumstances, the employee or the Employer shall be entitled to recover the underpayment or overpayment, respectively, without regard for the time limits above.

Time limits on grievances involving payment for time worked in acknowledged out-of-class or emergency assignments shall not begin until the employee shall have received the check containing payment for such time. This provision is intended only to protect the employee from pay shortages and shall not apply to any situation involving a dispute over whether or not an employee is properly classified.

Request for Information

Management shall be advised of the basis of the grievance and have the right to request copies of available written information or statements pertaining thereto and which the Union proposes to present in support of the grievance.

If the Union request information regarding a grievance from an aggrieved employee's personnel file, such information will be made available to the Union. However, if such information is of such a nature that its release could be damaging to the employee and suit for damages could be brought against the City, the Employer may request that the Union present written authorization from the employee to release such information.

It is agreed that any information requested in writing in accordance with the above provisions which is not made available to the other party shall not be admissible as evidence in any grievance or arbitration hearing. Both parties agree to exchange all information in support of their position. However, if additional information becomes available to either party they agree to forward such information to the other party prior to arbitration.

10. DISCIPLINARY PROCEDURES

- A. The City and the Union agree that all disciplinary action taken against an employee shall be for just cause and subscribe to the general philosophy that the primary purpose of disciplinary action is to correct employee behavior or conduct, that the disciplinary action procedure should be progressive in nature, and that selection of discipline in any specific case should be appropriate based on the circumstances of the offense and the employee.
- B. **Notification/Representation Requirements:** Notification shall be given to the appropriate union representative at the time of any disciplinary action taken against any member which may result in any official entries being added to the employee's personnel file. Both employee and the Union representative shall be given a copy of such official entry.

In all cases when a supervisor contemplates issuance of disciplinary action, the supervisor shall inform the employee and allow the employee the opportunity to have union representation. If the employee declines the union representative, he/she shall indicate so in writing and a copy of which shall be given to the Union.

In the case of a suspension or discharge, the employee will be allowed adequate time to discuss the suspension or discharge with his/her steward, and the Employer will make available an area where he/she may do so prior to leaving City property. Upon request, an appropriate management representative will discuss the suspension or discharge with the employee and his/her steward. Exceptions to this procedure would be in a situation where the suspended or discharged employee is absent without leave, or the parties agree that such discussion would not be beneficial at this time.

In the case of an oral reprimand, a notation by date and subject only shall be placed in the employee's personnel file.

- C. The Union may request and management may agree to hold the imposition of disciplinary action in abeyance until after the scheduled date for a Third Step meeting to discuss the matter. The request must be made by the union representative at the time management has decided that discipline is to be issued (see Section B above). If for some reason the scheduled Third Step is postponed and unable to be conducted within a reasonable period of time, management may impose the penalty. This provision shall not apply in cases of absence without leave, insubordination, threats or acts of violence or other disruptive behavior. It also does not apply to instances of suspension pending discharge or discharge. Any additional action(s) by the employee warranting additional discipline in the interim shall be cause for immediate imposition of all pending discipline.
- D. **Appeal Procedures:** All disciplinary actions shall be subject to the grievance procedure. Should the Union consider the suspension or discharge of an employee to be improper, the Union shall submit a written grievance to the department head or his/her designated representative within ten (10) calendar days of the Union's receipt of the formal notice of the action. The grievance shall be processed in accordance with Step 3 of the Grievance Procedure. Any further appeal of suspension or discharge shall be in accordance with the provisions of Article 7 - Grievance Procedure.

- E. Should it be necessary to reprimand an employee, management will attempt to administer such reprimand so as not to unduly cause embarrassment to the employee.
- F. Once disciplinary action has been taken against an employee by an authorized management representative, such disciplinary action on the particular charge cannot be increased in severity. The City retains the right to reduce the disciplinary action.
- G. During investigation, before an employee shall be required to make any written statement or written reply pertaining to possible misconduct on his/her part, the employee shall be given the opportunity to discuss the matter first with his/her steward.
- H. **Personnel Records:** All employees within the bargaining unit shall have the right to review his/her personnel record every six (6) months if requested by the employee in writing. Such requests shall be granted within five (5) working days of receipt of the written request and shall be scheduled during regular business hours. This review may be with the presence of the employee's steward if requested by the employee.

Employees shall be entitled to copies of materials in their personnel file, and to submit written statements explaining the employee's position if there is disagreement with any material in the file, in accordance with applicable state law.

- I. **Use of Past Record:** In imposing any discipline on a current charge or in evaluating an employee for promotion or transfer, management will not take into account any prior infractions or disciplinary action taken which occurred more than fourteen (14) months previously.

Guidelines For Administration Of A Corrective Discipline Program

- 1. Disciplinary action may be imposed for an employee's failure to fulfill his/her job responsibilities or for improper conduct connected with the individual's employment.

Grounds for disciplinary action generally fall into five (5) basic categories:

- a. Attendance Problems
- b. Insubordination
- c. Unsatisfactory Work Performance
- d. Misconduct on the Job
- e. Certain instances of Misconduct off the Job

In general, acts committed while off duty will not be grounds for disciplinary action, unless the results of such acts significantly impair the ability of the employee to perform his/her work, adversely affect the operations of the employing department, or bring City service into public disrepute.

- 2. Discipline is intended to be corrective and should follow a series of progressive steps to change the employee's unacceptable conduct or behavior.

Following is a series of progressive steps which will serve in the majority of cases:

- a. Oral Reprimand(s)
- b. Written Reprimand(s)
- c. Suspension(s)
- d. Discharge

These steps should give the employee notice that continued unacceptable conduct or behavior will result in more serious disciplinary action.

In cases of more serious offenses, the first disciplinary action taken may begin with the written or suspension step; and, for the most serious offenses, it may be appropriate to impose serious suspension and/or discharge the employee on the first occasion of improper conduct without prior discipline.

3. Disciplinary action should be appropriate and take into account both the offense and the Employee.

Factors which should be considered in imposing discipline in each case are:

1. The seriousness and circumstances of the particular offense.
2. The employment history of the employee involved including length of service.
3. The recency and nature of prior disciplinary action taken with respect to the employee.
4. Prior departmental action in comparable situations.

Any published departmental standards or rules governing employee conduct or expected work performance should be fairly, uniformly and consistently applied.

NOTE: Within ninety (90) calendar days following the effective date of this Agreement, representatives of Teamsters, Local #214 shall be provided with copies of departmental standards and work rules, including universal city-wide work rules / disciplinary guidelines. Within ninety (90) calendar days after receipt of such copies and prior to the implementation by the City, Teamsters, Local #214 shall have the opportunity to review and discuss with management these standards and rules.

11. SPECIAL CONFERENCES

Special Conferences for important matters will be arranged between local union representatives and the department head or his designated representatives or the Labor Relations Director, upon the request of either party within fourteen (14) calendar days of such request. Such meeting shall be between not less than two (2) not more than five (5) representatives each of the Union and the Employer. At departmental Special Conferences one (1) of the employer representatives may be from the Labor Relations Division if requested by either party.

Arrangements for such Special Conferences shall be made reasonably in advance and an agenda of the matters to be taken up at the meeting shall be presented at the time the conference is requested. Matters taken up in Special Conferences shall be confined to those included in the agenda.

Conferences shall be held between the hours of 9:00 a.m. and 4:00 p.m. The members of the Union shall not lose time or pay for time spent in such Special Conferences.

The Union's representatives may meet at a place designated by the City, on the City's property, for not more than one hour immediately preceding a meeting with the representatives of the City for which a written request has been made.

Any matter still in dispute after Special Conference, which is an alleged violation of this Agreement, may be submitted to the Grievance Procedure at Step 4 within fourteen (14) calendar days of the Special Conference date. A Special Conference shall not be used to institute or reinstate a grievance which would have been untimely when the Special Conference request is received.

12. SAFETY PROCEDURE

The Employer agrees that employees will not be assigned to any known unsafe operation or to operation of unsafe equipment. It shall be the responsibility of the employee involved to report any unsafe operation to his/her immediate supervisor. Specific complaints concerning safety shall be put in writing.

If the employee's complaint is not satisfied, he/she shall notify the Union steward who shall meet and discuss the complaint with the supervisor without undue delay. Following report of the alleged unsafe operation and during investigation by the Union steward and supervisor, the employee may be reassigned to other available work pending evaluation. Where possible, such alternate work shall be commensurate with the employee's daily work schedule.

In the case of complaints concerning alleged faulty vehicle equipment, if in the opinion of the supervisor, the equipment is safe to operate; the supervisor may order the equipment in service by written notice to the employee. All verified claims of serious equipment malfunction shall result in the equipment being written out of service until checked out by a mechanic.

If the complaint is not resolved with the supervisor, the Chief Steward shall submit the complaint, in writing, to the Department's safety officer or representative who shall investigate the complaint, and meet with the Chief Steward within two (2) days.

If the complaint is not resolved within forty-eight (48) hours of the meeting between the Department's safety representative and the Chief Steward, it shall become a proper matter for the grievance procedure starting at Step 3.

The parties agree to establish a Joint Labor/Management Health and Safety Committee consisting of two (2) persons selected by the President of Local 214 and two (2) persons selected by the Labor Relations Director. The Committee shall meet at mutually agreeable times and places to discuss matters of health and safety which have general application on a city-wide basis and to review legislation or regulations which may affect the City's health and safety programs. For those departments where it is deemed necessary by the City or the Union, a permanent health and safety committee consisting of equal numbers of management and union members will be established within six (6) months of the signing of this Agreement.

13. SENIORITY

- A. **City Seniority** is hereby defined as the length of continuous service after initial date of legal certification to a position, the duration of which is three (3) months or more, or is seasonal or after date of induction into the classified service as provided by law; provided, however, that employees certified on or after July 1, 1983, and not appointed within fifteen (15) days of such certification shall have their date of appointment recorded as their date of seniority and certification. Seniority, as defined above and in accordance with the rules of the Human Resources Department, is established primarily to serve as a basis for layoff and re-employment of employees. This definition of seniority shall not be deemed as restricting or limiting the establishment of other definitions of seniority for administrative purposes or personnel processes other than layoffs and re-employment as provided for in departmental supplemental agreements.
- B. **Classification Seniority** is hereby defined as the length of time an employee is assigned and continuously employed in the same classification after the effective date of legal certification or promotion to the classification. Classification seniority shall be the measure used for determining rights to shift and location preference, vacation selection, overtime assignments, promotions in series, transfers, training programs, and as used in the reduction in force article of this Agreement.

NOTE: Seniority is not the same as “service time” as utilized for the various economic benefit provisions.

- C. **Probationary employees:** New employees hired and others initially placed in the unit shall be considered as probationary employees for the first three (3) months of their employment except as provided for in local supplemental agreements. The probation period may be extended for a time up to an additional three (3) months. The probationary period shall be accumulated within not more than one (1) year. When an employee finishes the probationary period, he shall be entered on the Seniority List of the Unit.

The Union shall represent probationary employees for purposes of collective bargaining in respect to rates of pay, wages, hours of employment and other conditions of employment except discharged and suspended employees for other than Union activities.

- D. **Seniority Lists:** The City will provide the Union with an up-to-date seniority list of all employees within each classification and department represented by Local 214 and will revise that list every six months. The City will notify Local 214, in writing, when new employees are hired, transferred, or separated from the service of the City.
- E. **Loss of Seniority:** An employee shall lose his/her seniority for the following reasons only:
1. The employee quits or resigns.
 2. The employee is discharged or permanently removed from the payroll and the separation is not reversed through the grievance procedure.

3. The employee does not return to work when recalled from layoff as set forth in the recall procedure.
4. The employee retires on regular service retirement.
5. The employee does not return at the expiration of a leave of absence.

14-A. MOBILITY

(For Craft Classifications - See Schedule A)

A. Priority of Movement:

The priority of movement within the Teamsters Craft bargaining unit, to fill vacancies, shall be as follows:

1. Demotions (either disciplinary or as a result of reductions in force).
2. Intra departmental Downbids in a series and voluntary returns to bargaining unit.
3. Intra departmental Lateral Transfers.
4. Intra departmental Promotions.
5. Interdepartmental Lateral Transfer.
6. Interdepartmental Transfer-Promotion.

An employee desiring an interdepartmental lateral transfer or interdepartmental transfer promotion must file a written request with the Human Resources Department indicating the department to which the transfer is desired. A copy of such request shall be forwarded to the Union by the Human Resources Department. Only those requests which have been on file for thirty (30) days prior to the occurrence of a vacancy will be considered. The most senior employee in the classification in which a vacancy occurs who has a transfer request on file shall be transferred to fill the vacancy and must accept such transfer. An employee's request for transfer will remain on file for the duration of the current labor agreement or twelve (12) months, whichever is longer, unless withdrawn. Employees who have valid interdepartmental transfer requests on file will be placed in available permanent vacancies before lesser seniority laid-off or seasonal employees are certified to those vacancies.

Further definition and description of mobility within departments may appear in the departmental supplemental agreement.

Voluntary Returns to Bargaining Unit:

1. He/she returns only to an opening and no employee in the bargaining unit is bumped.
2. He/she returns to an opening prior to the posting of a notice of vacancy.
3. He/she has the present ability to perform the work with minimal re-orientation.
4. He/she shall occupy the position of lowest seniority in the classification to which he/she returns (including dual titles) for a period of two (2) years at the end of which he/she will exercise his/she total driving series seniority or classification seniority for the purposes expressed in the applicable departmental supplemental agreement.

An employee in the bargaining unit who accepts a position in a classification outside the bargaining unit may return to his/her formerly held classification either before or at the end of his/her probation period in the new classification without restriction.

The Department will notify the Union, in writing, prior to an employee's return to the bargaining unit.

Nothing in this article shall apply to Reductions in Force or any movement of employees as a direct result thereof.

- B. Downbids in a series and intra-departmental lateral transfers will be as described in the departmental supplemental agreements.

When an employee is physically unable to perform the duties of his present classification, but is physically able to perform the duties of another classification in series in the bargaining unit, the employee must present satisfactory medical evidence to his department and request a voluntary demotion to a classification in the series which he is physically able to perform. If the City approves his request and the vacancy is to be filled, the vacancy will be filled in accordance with paragraph D below.

- C. **Promotions:**

Promotions to classifications in the bargaining unit which are in a series (See Schedule A) shall be made by seniority, from the next lower classification in that series among equally qualified employees meeting the requirements for the classification. Promotional opportunities in the department shall be posted on departmental bulletin boards.

There shall be a training program coordinated by the Human Resources Department and a pre-qualified trained employee list in each department that has employees in the equipment operator series. Promotions in this series shall be made by non-written advisory examination.

- D. **Dual and Multiple Titles:**

Dual and multiple title positions will be established where the work assignment patterns reasonably indicate that employees will be assigned duties in two or more classifications on a regular, reoccurring or seasonal basis. Such dual or multiple title positions shall not be utilized in lieu of full-time straight-title positions and shall be kept at the minimum required for operation and appropriate for work assignments subject to annual review.

Dual and multiple titled employees in the Craft Unit shall be treated as having status in the highest equipment operation classification in their dual or multiple title. Their class seniority in this classification shall be the effective date of the status change to the dual or multiple title.

Disputes concerning use of dual or multiple titles shall be a proper subject for resolution at special conference. Participating at such special conference will be representatives of the Human Resources Department and/or Labor Relations Division.

- E. **Transfer of Work:**

The Employer agrees to give the Union advance notice of any transfer of work involving bargaining unit members resulting from closing of facilities, opening of new facilities or reassignment of groups of employees. If requested by the Union, the department involved will meet with the Union to discuss the matter.

14-B. PROMOTIONS

(For Non-Craft Classifications - See Schedule B)

Promotions within each of the representatives units (see Schedule B) shall be evaluated by the Human Resources Department based upon departmental supplemental agreements. All promotions shall be subject to a three (3) month trial period.

The trial period may be extended for a time up to an additional three (3) months. When the employee receives notification of the trial period extension, the Union will promptly receive a copy of the probation report.

Dual title positions will be established when the work assignment pattern indicates that something less than a full-time position is required to meet normal operating requirements. (Dual title positions shall not be utilized in lieu of full-time positions.) Any disputes concerning the propriety of a dual title versus a full-time position shall be referred to supplemental negotiations.

15. REDUCTION IN FORCE

SECTION 1 - REDUCTION IN FORCE TERMS DEFINED

- A. A *reduction in force* is a reduction in the number of employees in a given class in a department of the City for lack of work, lack of funds, or reasons other than the acts or delinquencies of employees. The expiration of a limited term certification or change of status shall not be considered a reduction in force, provided such employment is terminated before a reduction affecting employees in the same class employed on a permanent basis.
- B. A *lay off* due to reduction in force is the separation of an employee from a position in a department and from the classified service of the City of Detroit.
- C. A *demotion* due to a reduction in force is the separation of an employee from a position in a class in a department by change of status to a position in a lower class.
- D. A *transfer* due to reduction in force is the separation of an employee from a position in a class in a department by change of status to a position in an equivalent-level class.
- E. A *voluntary lay off* is a separation of an employee from the classified service of the City of Detroit which is made at the request of and for the convenience of the employee.
- F. Unless otherwise indicated, *seniority* shall mean total City seniority as determined in accordance with Human Resources Department Rules.
- G. *Class seniority* shall mean the total amount of regular service in the class, excluding periods of provisional employment, provided the employee has acquired permanent status in the class.
- H. An employee acquires *status* in the classified service by certification in accordance with Section 6-510 of the City Charter and Human Resources Department Rules III and IV.

- I. An employee who is certified, promoted, transferred, or demoted to a position in a class on a regular permanent basis or permanent subject to continuing availability of program funding, acquires *permanent status* in the class, provided he has satisfied all qualification requirements of the class including completion of any required probation period. An employee can have permanent status in only one class at a time.
- J. An employee who is certified, promoted, transferred or demoted to a position in a class only for a specified term or conditional event, or where the certification or status change states that such employment is limited to assignment on a particular project, acquires limited-term status in the class.

SECTION 2 - ORDER AND MANNER OF SEPARATION

Reduction in force in a department shall be by class and shall be made from among all employees in the same class in that department. The order and manner of separation of employees in the class shall be as follows:

- A. Provisional employees shall be separated by terminating their services; provided, however, that employees provisionally employed in the class who hold permanent status in some other class shall be restored to the class from which they were provisionally promoted or transferred.
- B. Employees hired on a limited-term basis and employees hired on a permanent basis but who have not completed their initial probationary period shall be laid off in accordance with their seniority, the least senior employee being laid off first.
- C. Employees in the class on a limited-term basis and employees in the class on a permanent basis who have not completed the required probationary period, but who held permanent status in some other class, shall be restored to the class from which they were promoted or transferred. Separation shall be in accordance with their length of service in the class, the employee with the least amount of service being separated first.
- D. Employees with permanent status in the class shall be separated from the class by demotion, transfer or layoff in accordance with the procedure provided for in Section 3.

SECTION 3 - PROCEDURE FOR SEPARATION OF PERMANENT EMPLOYEES

- A. When necessitated by or as a result of a reduction in force in a class in a department, employees with permanent status in the class shall be subject to separation from the class in the following order:
 - 1. Employees who have less than three (3) years of class seniority. Separation shall be in accordance with their class seniority, the least senior employee to be separated first.
 - 2. Employees who have three (3) or more years of class seniority. Separation shall be in accordance with their total city seniority, the least senior employee to be separated first.

B. Employees who are to be separated from the class in accordance with paragraph (A) shall be subject to and have rights to demotion as follows:

1. **Demotion in Series**

If the employee is in a class in an occupational series, the employee shall have the right to be demoted to a position in the department in a lower class in the series, provided, he has the necessary seniority. For purposes of determining such demotion rights, the employee shall exercise his total city seniority. The employee to be displaced as a result of the demotion shall be determined in accordance with the procedure provided in paragraph (A).

An employee who waives his right to demotion to the next lower class in series and is laid off, shall lose all rights to city-wide displacement as provided for in Section 4 and restoration rights as provided for in Section 6.

2. **Demotion or Transfer to a Formerly-Held Class in the Department**

If the employee has held permanent status in another class or classes, the employee may elect demotion or transfer in the department to a previously held lower or equivalent-level class, provided he has the necessary seniority. For purposes of determining such demotion rights the employee shall exercise his total City seniority. The employee to be displaced as a result of the demotion shall be determined in accordance with the procedure provided in paragraph (A). If the formerly-held class is not in the bargaining unit, the employee to be displaced will be determined in accordance with applicable rules.

An election to accept a demotion or transfer to a formerly-held class is optional for employees who have a right to a demotion in series.

3. **Change of Status to Vacant Positions in Other Classes**

If the employee has exhausted his rights to demotion or transfer under (1) and (2) above, the department may, in so far as the interests of the service permit, propose transfer or demotion of the employee to an available vacant position in any other class in the department for which the department believes the employee is qualified. Such proposed change of status shall be subject to the approval of the Human Resources Director.

C. Employees who are to be separated from the class in accordance with Paragraph (A) and whose eligibility for demotion or transfer is exhausted shall be laid off.

SECTION 4 - CITY-WIDE DISPLACEMENT

Employees with permanent status who have been laid off in a class from a city department shall displace employees of the same classification in categories A, B, C, and D listed in Section 2 on a city-wide basis. In addition, laid off permanent employees who have one or more years of classified service shall displace other permanent employees in the same classification of lesser seniority in accordance with the procedure provided in Section 3(A) on a city-wide basis. Employees who fail to exhaust their eligibility for demotion to the next lower class in series in their department shall lose their eligibility for city-wide displacement. Least senior employees displaced under this section shall be subject to demotion, transfer or lay-off in accordance with applicable rules.

SECTION 5 - MEANS OF ACCOMPLISHING CITY-WIDE DISPLACEMENTS

Displacement of lesser seniority employees across departmental lines shall be accomplished by lay-off and displacement certification and shall coincide with the effective date of the layoff, if possible, but in any event within sixty (60) days of the effective date of layoff of employees having displacement rights.

SECTION 6 - ORDER OF RECALL

- A. Employees who were laid off, demoted, transferred, or laid off and certified to a lower class as a result of a reduction in force shall have their names maintained on a special register ("blocking list") in the Human Resources Department in order of their total City seniority if they have three (3) or more years in the class and then class seniority if they have less than three (3) years in the class.
- B. Laid off employees who elect layoff in lieu of demotion in series shall be placed on the preferred eligible list for the class in which they were laid off and shall be re-certified to available vacancies in this class in the order of their total City seniority if they have three (3) or more years in the class and then class seniority if they have less than three (3) years in the class.
- C. Laid off employees shall be placed on preferred eligible lists for all other classes in which they have held permanent status and shall be offered certification to available vacancies in these classes in the order of their total city seniority from such lists, provided that employees who were laid off in such classes have been first recalled.
Should a laid off employee on a preferred eligible list waive an offer of employment to a position in the class, his right to remain on that list shall terminate.
- D. In the absence of a preferred eligible list for a class, laid off employees shall be certified to requisitions for positions in such class from higher, equivalent or allied lists which have been determined to be appropriate by the Human Resources Director.
- E. Re-employment provisions in this Article do not apply to persons laid off and separated from City employment for a period of four (4) years.

SECTION 7 - EFFECT OF JURISDICTIONAL LINES

It is not the intent of this Article to prevent employees in one bargaining unit from exercising their rights to demotion, transfer or recall to positions in another bargaining unit provided they qualify for such rights under applicable rules.

SECTION 8 - STATUS CHANGES IN ANTICIPATION OF LAYOFFS

Where the Human Resources Department shall find that any status change was made either to avoid the layoff of or to cause the layoff of any employee, upon finding by the Human Resources Director that such status change was made for reasons other than the good of the service such status change shall be set aside and proper layoff made; provided, however, this section shall not apply to status changes of more than six month's standing.

SECTION 9 - EMPLOYEES HOLDING MULTIPLE TITLES

An employee can have permanent status in only one class at a time. An employee who carries a multiple title shall have permanent status in the lowest class of the multiple title or the class in the multiple title in which he last held permanent status on a single title basis, unless there is a contractual agreement, Human Resources Department action identifying the class in which the employee has permanent status, or MERC decision granting jurisdiction to a named bargaining agent.

The parties agree that the Union reserves the right to review all multiple titles. Lower titles not presently being worked in will be dropped and the next highest title will become the employee's primary title, carrying with it all City seniority on all lower titles.

SECTION 10 - PREEMPTIVE LAYOFF REQUESTS

If a reduction in force in a department is imminent or taking place over an extended period of time, any employee who has been identified as being subject to layoff, may request in writing that he be laid off prior to the date when he would be reached for such layoff. Such request is subject to approval of the employing department and the Human Resources Director.

Employees who are granted an effective date of layoff earlier than the scheduled layoff date shall retain the same rights which they would have had had they been laid off as scheduled.

SECTION 11 - NOTICE REQUIREMENTS

- A. The Union shall receive notice of any reduction in force affecting members of the bargaining unit. Where possible, the City shall give the Union two (2) weeks advance notice prior to issuance of any layoffs to allow the Union the opportunity to meet with the City to discuss the circumstances of the reduction.
- B. Employees to be laid off as the result of a reduction in force in a department shall receive notice of layoff no less than two (2) calendar weeks prior to the effective date of the separation. Employees to be laid off as the result of the city-wide displacement provisions of this article shall receive notice of lay-off no less than one (1) calendar week prior to the separation.

Exceptions to the above notice requirement shall be allowed in individual cases where the failure to give timely notice resulted from errors or unforeseen circumstances beyond the control of management.

NOTE: Employees with permanent status in the classes of Refuse Collection Packer Operator, Line Helper-Driver I, Line Helper - Driver II and Airport Service Worker, who are laid off from their department as a result of a reduction in force, shall have city-wide displacement and recall ("blocking") rights to the classification of Vehicle Operator I. For purposes of these displacement and recall rights, such employees shall use their combined seniority in their former title and any prior seniority in the VOI class.

16. FORMAL LEAVES OF ABSENCE

- A. Formal leaves of absence without pay may be granted for reasonable periods for the purposes listed below:
1. Physical or mental illness
 2. Training relating to an employee's regular duties in an approved educational institution.
 3. Prolonged serious illness in the immediate family.
 4. Military service.

- B. Leaves of absence may be granted for other reasons than those listed above where such leaves are deemed beneficial to the City. Requests for leaves of absence are to be submitted in writing to the Human Resources office of the Department in which the employee works. Denials of requests for leave may be referred to the City Human Resources Department. The procedure for administration of leaves of absence shall be in accordance with Human Resources Department Rules. To be eligible for a leave of absence, the employee must have completed one (1) year of continuous service.

Such leaves granted may be extended for periods up to two (2) years. After two years, the person's name would be placed on the preferred eligible list for an additional two (2) years. Persons on leave shall continue to accrue seniority for leave periods up to one year. These limitations shall not apply to leaves for military service.

- C. Formal Leaves for Union Business: Members of the Union elected to local union positions or selected by the Union to do work which takes them from their employment with the employer shall, at the written request of the Union receive formal leaves of absence for periods not to exceed two (2) years or the term of office, whichever may be shorter, and upon their return shall be re-employed at work with accumulated seniority, if qualified. Employees will obtain leave renewal from the City on forms provided by the City.
- D. Two members of the Union selected to attend State or National Union conventions, not to exceed three in one year, shall be allowed time off their job to attend such convention without loss of time or pay. Such time off shall be granted on a daily basis and shall be approved for the official dates of the convention only. The employer will only pay for days which the employee would have been scheduled on his regular city assignment.
- E. Any employee who is absent from duty for three (3) consecutive days without a specific grant of leave of absence and who fails to notify the employer within those three (3) day (except in cases of proven enabling emergency), shall be deemed to have resigned from the City service and to have vacated his/her position. Any such absence shall be without pay unless otherwise approved by a subsequent action by the City.
- F. Family and Medical Leave Act of 1993 (FMLA.) The Act is intended to allow employees to balance their work and family life by taking reasonable leaves of absences for reasons set for in the Act. The City is committed to the two (2) fundamental concerns of FMLA – the needs of the American workforce, and the development of high-performance organizations.

The Human Resources (HR) Department is responsible for developing and disseminating policy directives which detail how the City will implement the provisions of the Act and any amendments promulgated during the life of this agreement. The City agrees to meet with the Union in Special Conference to discuss any administrative change to FMLA prior to the issuance and implementation of any new Policy Directive.

Currently, for employees of the City, the twelve month period for FMLA is the fiscal year. Effective July 1, 2010, for employees of the City, the twelve month period for FMLA will be a rolling 12-month period measured backward from the date an employee uses any FMLA. Questions concerning leaves for FMLA purposes should be referred to the employee's Human Resources Consultant/Manager.

17-A. TRAINING PROGRAM

(For Craft Classifications - See Schedule A)

- A. The City recognizes the need for training employees in the various equipment operator classifications. This is reflected in the general "Guidelines for Training Equipment Operators" developed by the Human Resources Department (Schedule D). However, additional individual training programs to meet departmental needs will be worked out between the department, the Human Resources Department and the Union where required.
- B. Opportunities for training shall be posted on departmental bulletin boards to allow interested employees to sign up. Employees who do not sign up will be considered as having waived their rights for training and subsequent upgrading. To the extent possible consistent with the operational needs of the department, employees will be trained from this list in accordance with their seniority.
- C. Employees who satisfactorily complete training will be placed on a pre-qualified list for the class for which they received training. Promotions shall be made from this pre-qualified list in accordance with Article 14-A. If the pre-qualified employee is regularly or continually assigned to the higher classification for a period of ninety (90) calendar days, he/she shall be forthwith status-changed to the appropriate classification provided a vacancy exists.

17-B. TRAINING PROGRAM

(For Non-Craft Classifications - See Schedule B)

Training needs shall be a proper subject for Special Conference.

18. EMERGENCY/TEMPORARY ASSIGNMENTS

No employee covered by this bargaining unit shall be required to perform duties which are not within the concept of his/her classification and fall within the concept of another classification except under emergency conditions. Emergency conditions shall be defined to be conditions caused by factors beyond the control of management which cannot be anticipated or planned for in the normal course

of departmental operations and where assignment of workers can not be delayed or postponed until the proper employee can be assigned.

It is mutually understood that in emergency situations, it may be immediately impractical to apply seniority to the assignment of personnel or to assign personnel with strict regard for classification. However, the employer agrees to move (without undue delay) to call-in or otherwise assign the appropriate employee of the proper classification in accordance with provisions of this and the supplemental agreements.

Temporary assignment of employees to a higher classification may be made to cover temporary absences or unavailability of other employees. Such assignments shall be made first to the most senior dual-title employees having the classification for the work to be performed. If such employees are not available, the work is to be assigned on an out-of-class basis to the highest seniority employee in the next lower class who is available, and has the ability to perform the work.

When conditions result in an employee being assigned to perform the duties of a higher classification for two (2) or more consecutive work days, or a total of four (4) or more work days in a calendar month, the department will immediately take steps so that the employee so assigned will be compensated at the rate for the appropriate classification for all such out-of-class hours worked. Supervisors shall not alternate or rotate out-of-class assignments for the purpose of avoiding out-of-class compensation. Compensation for working out-of-class will be paid within sixty (60) days following the performance of such work.

During any emergency or temporary assignment, members of the unit shall retain all rights under this Agreement.

Temporary Placement of Employees into Other Duties and/or Departments:

1. The employer may temporarily place an employee into other duties/departments in another department once per year. The employer shall first seek volunteers and if additional employees are required, the employee(s) may be placed by inverse seniority.
2. Such a temporary placement, if made by inverse seniority, shall be limited to forty-five (45) days. An employee that volunteered for such a temporary placement may continue in the placement beyond the forty-five (45) day limit until such time that the employee or the City requests the placement to be ended.
3. Employees temporarily placed under these provisions shall not be required to perform work out of their class, except that the provisions for out-of-class assignments shall be available for operation in these cases of temporary placement, provided that out-of-class opportunities at the transferred-in location must be preserved and first made as available to any qualified employee regularly assigned at the transferred-in location. Regardless, if the work performed at the transferred-in location is an upgrade, the subject temporarily placed employee shall be paid the out-of-class rate.
4. Employees temporarily placed under these provisions shall not lose their promotional opportunities at the transferred-out location and shall be treated as if they had not or had not been temporarily placed in other duties/departments.

5. The local union(s) at the transferred-out and transferred-in locations shall be notified of the proposed move and the reasons, at least thirty (30) days before the planned placement. The City will consider any union responses to its originally planned placement(s) for the possibility of choosing to modify said plans.
6. Any vacation period the moved employee had approved at the transferred-out location will continue to be honored at the transferred-in location.

19. CHANGES IN DUTIES, EQUIPMENT AND WORK ASSIGNMENTS

When new types of equipment are acquired or existing equipment is modified, or there are additional duties or changes in the work assignments which involve the application of skills and training not previously required, the new equipment or specific change shall be reported by the Department, in writing, to the Human Resources Department with a copy to the Union. Such writing shall include the specifications for new or modified equipment and/or specific changes in duties. Upon receipt of the written communication, the Union may request a conference with the department and Human Resources Department staff to discuss proper allocation of the new or changed positions. Such conference shall be scheduled within fifteen (15) working days.

Following the discussion, the Human Resources Department staff will make an investigation and a preliminary determination of the appropriate class and a recommendation to the Human Resources Department within thirty (30) days.

Should any of the parties fail to agree on the action taken by the Human Resources Department, they may file an appeal to the Civil Service Commission for hearing by the Classification Appeal Board within fifteen (15) calendar days of the Human Resources Department's action as provided under Civil Service Rules.

Appeals of the determination of the Classification Appeal Board may then be made to the Civil Service Commission which shall render a decision which will be final and binding upon all parties.

During the period of investigation and appeal, the department may place the new or changed equipment in operation on a temporary basis. If as a result of the appeal process, the position or assignment is allocated to a higher title, the permanent assignment shall be filled in accordance with Article 14. Employees temporarily assigned shall not receive any seniority in the higher title.

In those instances where a change in duties or assignment warrants the establishment of a new classification, the effective date of the status change shall not be prior to the date the Human Resources Department adopted the new classification.

However, should it be determined by the Human Resources Department at any point in this procedure, that an employee has been assigned duties of an established classification other than his present classification, the department will process the appropriate out-of-class status change to compensate the employee for the time worked in the assignment. In no event shall the employee be paid for time worked in such assignment prior to the date the change in duties is reported to the

Human Resources Department by the department or, in the absence of such report, prior to the union's request for conference.

City Medical Design (CMD) Plan II options (formerly known as the "Mercer Plan") – Blue Cross Community Blue PPO and all HMO plans 80% of the monthly premium.

The employee's contribution toward the component premiums (i.e., one person, two persons, family) for Blue Cross Community Blue PPO (AHCD) plan shall be capped at 10% of the monthly premium; and for Blue Cross Community Blue PPO (CMD Plan II) and all HMO plans shall be capped at 20% of the monthly premium.

If at the end of any fiscal year an alternative hospitalization plan or program has failed to enroll 50 employees city-wide, the City shall have the option of removing that plan from the list of eligible plans or programs. Effective with the 1987-88 fiscal year all alternate carriers must account for their premium charges without distinguishing between active and retired employees using the following format:

**Single Person
Two Persons
Family**

- G. The City shall provide for all active employees and their dependents, and duty disability retirees and their dependents, a dental plan which shall be equivalent to the Blue Cross/Blue Shield program which provides Class I benefits on a twenty-five percent (25%) co-pay basis and Class II and III benefits on a fifty percent (50%) co-pay basis. Class I, II, and III benefits shall not exceed \$1,000 per person per year. In addition, Orthodontic coverage shall be on a fifty percent (50%) co-pay basis with a \$1,000 life time maximum. Other terms and conditions regarding these plans shall be in accordance with the standard Blue Cross/Blue Shield policies regarding administration of such programs.

The City will make available cost-effective alternative dental plans.

Effective February 11, 2010, dental coverage for employees hired or reinstated shall begin on the first day of the month following the employee completing six months of service. Coverage ends on the last day of the month that employment ends.

- H. The City will provide Optical Care Insurance through the Employee Benefit Board. Such benefit will include case hardened lenses.

Effective July 1, 2006, the City will contribute \$6.42 per month for employees covered by CO/OP Optical and \$6.27 per month for employees covered by Heritage Optical. Optical care enrollments will occur at two (2) year intervals.

Optical coverage for employees hired/re-instated prior to February 11, 2010 shall begin on the first day of the month following the employee completing 60 days of service. Coverage ends on the last day of the month that employment ends.

Optical coverage for employees hired/re-instated on or after February 11, 2010 shall begin on the first day of the month following the employee completing six (6) months of service. Coverage ends on the last day of the month that employment ends.

- I. If, during the term of this Agreement, a Federal Health Care Law is enacted, the parties shall enter into immediate collective bargaining negotiations over the impact of such a law on the existing arrangement for funding and providing health care benefits.

- J. No insurance carrier shall be allowed to underwrite City health care benefits unless it offers coordination of benefits. All carriers will be required to provide group specific utilization and cost data as a condition of doing business with the City. Copies of all information will be provided to Union and City representatives as directed.
- K. The City reserves the right to implement health care cost containment programs during the term of the Contract. Said cost containment program shall not diminish the levels of benefits provided in the basic plans but may require the insured to follow procedures prescribed by the carrier in order to be eligible for benefits.
- L. Employees on the active payroll who are covered by a health care plan offered by an employer other than the City, and can furnish proof of such coverage, may elect to take a \$950 cash payment (opt-out stipend), payable quarterly at the end of each three month period, in lieu of the hospitalization-medical coverage offered by the City. Effective with the implementation of the new HR/payroll system this opt-out stipend will be paid equally during each applicable pay cycle. This opt-out election shall take place annually during the open enrollment period.

Once an employee elects the cash payment, the employee will not receive hospitalization-medical coverage until the next year's enrollment period. If the employee loses his eligibility for the alternate coverage, the employee, upon submitting appropriate proof of loss of coverage, will be able to resume the City's hospitalization-medical coverage the month following completion of the applicable enrollment forms. The cash payments will cease upon the employee resuming the City's hospitalization-medical coverage.

The City shall have the sole discretion to offer this opt-out provision to current and future retirees who are eligible for the City's hospitalization-medical coverage. This discretion shall extend to the determination of the amount of the cash payment, the method of payment, the eligibility requirements, and the continuance of the opt-out plan itself.

- M. A spouse who is or becomes divorced from an employee or a retiree (divorced spouse) is not entitled to healthcare coverage under this Agreement under any circumstances.

If a retiree marries or remarries after retirement, the new spouse is not entitled to healthcare coverage under this Agreement under any circumstances.

The child, of a divorced spouse or a new spouse of a retiree who is neither the biological, legally adopted nor legal guardian child of the employee or retiree is ineligible for dependent healthcare coverage under this Agreement.

- N. When the City's payroll system has the capability of allowing employees to pay their medical contribution amounts through the pre-tax IRS code 125K mechanism, all bargaining unit members shall be entitled to participate.
- O. Mandatory Generic Drugs: Prescription drug coverage under all City of Detroit health care plans shall require the use of generic drugs, unless determined that a brand name drug is medically required or a generic equivalent is not available. If the brand name drug is requested, but is not medically required or a generic drug is available, the employee, retiree or

covered dependent must pay the applicable brand name co-pay amount plus the difference between the cost of the generic drug and the brand name drug. This requirement applies even if the prescribing physician has indicated “dispense as written” or “DAW” on the prescription. This mandatory generic drug requirement shall be administered by BCBSM for BCBSM-administered or insured plans, and for other City carriers by their medical insurer or administrator. Final resolution to any appeal will be handled by the medical insurance carrier or administrator.

- P. Enrollment for medical coverage for retirees who are Medicare-eligible shall be limited to the Medicare Advantage option plans offered by the City. In the event, such Medicare Advantage plans are no longer offered or cost effective, enrollment in alternate plans will be permitted as determined by the City.
- Q. Effective with the coverage plan year that begins on or after July 1, 2006, in order to be eligible for coverage under all City of Detroit health care plans, all active employees and their dependents who are eligible for Medicare, due to certain medical conditions defined by Medicare that permits the employer to be a secondary payee for insurance, must enroll in Medicare Parts A and B. Such enrollment in Medicare shall not result in any reduction in benefits or additional cost to the employee, in that the employee shall be reimbursed the amount paid for Medicare after submission of required proof of enrollment and payment. This reimbursement for the cost of Medicare provision only applies to employees and their eligible dependents, while the employee is on the active payroll. This benefit does not apply to retirees or dependents covered under the City retiree’s health care contract.

Currently, all retirees and their dependents that are eligible for Medicare regardless of age must enroll in Medicare Parts A and B at their own expense to be eligible for continued coverage, and this provision shall remain unchanged and applicable to all persons who retire in the future.

Accordingly, any person who is eligible for hospitalization-medical coverage under this Agreement and who is Medicare-eligible shall furnish the City’s Benefits Administration Office a copy of his/her Medicare card which confirms that he/she has obtained Medicare Parts A and B or documentation from the Social Security Administration that verifies ineligibility in order to continue to receive any hospitalization/medical coverage under this Agreement. Failure to enroll in Medicare, provide required Medicare documentation or maintain Medicare Parts A and B coverage will result in coverage termination. If coverage is terminated, re-enrollment will not be permitted until the next scheduled open enrollment period. Required documentation, i.e., proof of Medicare coverage, must be presented with the enrollment application. If reenrollment is approved, the coverage shall be reinstated prospectively only. (Generally, open enrollment occurs in the spring of the year, with a July 1st coverage effective date).

- R. Consistent with current practice, if an employee retires with 25 years of credited service but less than 30 and receives an actuarially reduced pension, (referred to as the Actuarially Reduced 25 Year Option of the Retirement Plan) he/she may participate in the City’s group retiree hospitalization-medical plans at full cost for the coverage. The City shall make no contribution to the monthly premiums for this hospitalization-medical coverage until such

time as this retiree reaches what would have been his/her 30th year anniversary which would have qualified him/her for a regular service retirement. Upon reaching his/her 30th year, the City will contribute to the cost of the retiree and spouse's health care based on the contribution formula and rules in effect at time of qualification for regular retirement at the 30th year.

- S. Employees hired on or after February 11, 2010, hospital/medical and prescription benefits shall cease for retirees and their covered dependents after the retiree (or medical contract holder) becomes Medicare eligible by age; the current Medicare eligible age requirement is 65.
- T. Effective February 11, 2010, employees who retire after the effective date of this Agreement, and who are qualified to receive the City's hospitalization-medical insurance as a retiree shall at any time the retiree is receiving said coverage, be entitled to the same coverage opportunities then available to the active employees (plus, Medicare Advantage plans as specified in P above) and utilizing the same co-premium calculation formula to determine amounts payable by retirees for the retiree and his/her eligible spouse.
- U. Health Habits and Reproductive Prescription Drugs: Effective February 11, 2010, all health habits, reproductive (fertility), and lifestyle prescription drugs EXCEPT FOR SMOKING CESSATION AND WEIGHT LOSS will no longer be covered under the City's prescription drug program.
- V. Effective with the Family Continuation Verification Period for the coverage plan year beginning July 1, 2006, in addition to the existing family continuation requirements, employees insuring family continuation dependents (19 – 25 year old dependent children) must also provide proof that the dependent is enrolled in an accredited school as a full-time student (carrying 12 credit hours each Fall and Winter term) in order for that dependent to be eligible for continued coverage. Effective with the coverage year that begins on July 1, 2010, the age requirement for family continuation dependents shall be changed from age 19 through 25 to age 19 through 22.
- W. There shall be no duplicate hospitalization-medical insurance coverage or payments in lieu thereof provided employees or future retirees of the City. If the City employs more than one member of a family, or the family unit includes a retiree of the City, all of whom could be eligible for coverage under one hospital-medical insurance policy or plan as a spouse or eligible dependent, the spouses or eligible dependents of that family shall be covered by only one spouse or the other. It is the responsibility of the family to select a single hospitalization carrier. Under no circumstances shall the City be obligated to provide more than one hospitalization-medical policy or plan.
- X. Consistent with current practice, all employees, retirees, and their dependents, who receive healthcare coverage under this Agreement, must disclose to the City the existence of any other source of healthcare benefits. In all such cases, full coordination of benefits will apply at all times.

Effective July 1, 2010, if an employee/retiree's spouse has hospitalization-medical coverage available to him/her under a plan offered by his/her employer (other than the City of Detroit), said spouse must enroll in that employer's hospitalization/medical plan for employees or retirees in order for the spouse to be eligible for medical coverage through the City of Detroit. In such cases, if the spouse of the employee or retiree is also enrolled in the City's hospitalization-medical plan, the City will be the secondary insurer/payer. This provision does not apply in those instances where the employee/retiree and spouse are both employed by the City of Detroit. (See Paragraph W as referenced above)

- Y. In addition to the above noted provisions, the parties agree to continue to bargain and to work collaboratively toward establishing cost saving measures for Healthcare benefits as well as resolve issues that may arise with the implementation of the new HR/Payroll and Benefit System. If the parties agree to further changes during the course of this Agreement, such changes shall be implemented upon ratification of the bargaining unit and approval by City Council, and thereafter, incorporated into this Master Agreement. Examples of Continued Cost Saving Measures for medical, dental, optical and life insurance plans include, but are not limited to:
1. Post-Retirement Employment (City is Not Responsible for Retiree Healthcare if Employee is Eligible for Healthcare Through His/Her Post Retirement Employer, that is Substantially the Same as the City's Plan, During the Period of Other Employment)
 2. Inform Union the right to make this change is included in Paragraph K.
 3. Auto-Related Accidents Coverage (Primary Insurer—Automobile Insurance Plan; Secondary Insurer—City Medical Plan)

Note: The two-tier system for new hires referenced in this Article will be implemented when the City's Payroll System has the capability. (See Memorandum of Understanding – RE: HR/Payroll Systems.)

30. WORKERS' COMPENSATION

- A. All employees shall be covered by the applicable Workers' Compensation laws and related benefits. An employee sustaining injury or occupational disease arising out of and in the course of City employment shall be continued on the payroll and his/her time shall be charged to his/her sick leave reserve for all days not covered by Workers' Compensation payments; provided that in the absence of any sick leave reserve he/she shall be paid regular wages or salary to the extent of two-thirds of his/her daily wage or salary but for a period not to exceed seven (7) days; provided, also; that where the employee has a sick leave reserve and receives income under the Workers' Compensation Act, such income shall be supplemented by the City from his/her sick leave banks in an amount sufficient to bring it up to ninety-five percent (95%) of his/her weekly take-home pay. For the purposes of this article, take-home pay is defined as gross pay from the City less Social Security deductions, and less Federal, State and City income tax withholding amounts based on the employee's actual number of dependents. Employees shall be eligible to earn current sick leave.

- B. Employees who are unable to supplement their Workers' Compensation benefit from their off-time banks because the amount of overtime worked causes the benefit to meet or exceed ninety-five (95%) percent of weekly take-home pay, shall be treated like employees who are able to supplement for the purposes of hospitalization, life insurance and current sick leave. This provision does not apply to those employees who are unable to supplement because they have no time available in their off-time banks.
- C. Employees shall not be eligible for holiday pay nor earn additional vacation or reserve sick leave when they are being paid Workers' Compensation benefits.
- D. The City agrees to continue hospitalization and life insurance benefits for employees with one or more years of seniority who have been approved for Workers' Compensation benefits for a period of nine (9) months. Thereafter, employees will be entitled to benefits which accrue to them through the Pension Plan and the Income Protection Plan.

NOTE: In order to continue hospitalization and life insurance benefits, employees are responsible for their portion of the premium as required by the Contract. Those deductions will be made automatically while they remain on the payroll because they are supplementing. Once they leave the payroll, they must make arrangements with the Benefits Administration Office to pay those premiums in order to continue coverage.

- E. Consistent with the Workers' Compensation Act and current City practices:
 - 1. The City shall continue its program of returning workers who suffered job injuries back to active employment to perform work tasks which are compatible with their current physical capabilities. To the maximum extent possible, employees will be returned to their former job classification in their former department, or if no such position is available, in another City department if they are presently able to perform the essential duties with or without reasonable accommodations.
 - 2. If the employee is presently able to perform some but not all of the essential duties, but there is competent medical documentation that he/she will be able to perform all such duties within ninety (90) days, he/she may be placed conditionally in an available position in the classification subject to review at the end of this period. Work tasks assigned will be those compatible with present work restrictions.
 - 3. If the employee cannot presently be returned to his/her former job classification, he/she will be placed in an appropriate available position in another classification on a temporary basis until such time as the employee is able to return to his/her former job classification or acquires permanent status in the alternate classification by action of the Human Resources Department. The duration of the temporary status shall be in accordance with the Workers' Compensation Act. During the temporary period, efforts will be made to place the employee in available positions consistent with his/her training and experience and current physical capabilities.
 - 4. While employed in the alternate job classification, whether temporary or permanent, the employee shall be represented by the local union having jurisdiction over employees in

that classification and at that location. However, residual seniority rights to the employee's former classification shall remain with his/her former local or other union. An employee in an alternate classification on a permanent basis continues to have a right to return to his former job classification in his former department when physically able to do so.

5. Employees returned to work under these provisions shall not be charged with absences for disciplinary purposes where there is medical documentation that such absences were caused and necessitated by the former job injury.
6. Employees will be eligible for wage increases granted to their alternate job classification.
7. Should a medical dispute arise between the employee's physician and the Employer's physician, a third physician will be mutually selected by the doctors and the third doctor's opinion shall be final and binding on the City and Union.

- B. In the event that an employee reports for jury duty but does not actually serve on a jury, he/she will be paid the difference between the jury pay received and his/her regular days pay and be excused for the day.

If selected to serve on a jury, which requires the employee to be off work for more than one day, the employee must notify his/her employing department each day in accordance with established departmental call-in procedures. Failure to do so will make the employee ineligible for jury duty supplementation.

The jury duty supplementation shall not apply to special service, contractual, temporary or other employees with less than one year of seniority.

When the Human Resources Department establishes a new classification or materially changes the specifications of an existing classification, the rate of pay shall be determined by the Labor Relations Division, subject to the approval of the department involved. Recommendation for the establishment of such rates shall be directed by the Labor Relations Division to the City Council. When the new classification clearly falls within bargaining units covered by the Agreement, the Union will be advised as to the classification, the departments, the rate and anticipated number of employees affected before any action will be taken by the City Council. In the absence of any appeal by the Union within ten (10) working days of the date of the notice to the Union, action on the position will be submitted to the City Council. In the event of an appeal the interested bargaining agent may negotiate for a suitable rate with the proper department or departments and the Labor Relations Division and the matter shall be handled in accordance with the procedure for Special Conference.

The clothing allowance shall be \$170 per year and otherwise administered according to the Resolution of the City Council of May 9, 1974 (J.C.C. p. 1107).

- B. **Uniform:**
For employees who are required to wear a specific uniform, the allowance will be \$350 per year.
- C. **Tool Allowance:**
All Construction Equipment Operators who are required to furnish their own tools at the Street Maintenance Division of the Department of Public Works shall be paid a tool allowance of \$150 per year on the date this allowance is normally paid to eligible City employees.

40. RETIREMENT

- A. Eligibility for Service Retirement Allowance - Any employee who is covered by the provisions of this Agreement and who is a member of the General Retirement System of the City of Detroit who has thirty (30) or more years of credited service may retire upon his/her written application filed with the Board of Trustees setting forth the date, which shall not be less than thirty nor more than ninety days, subsequent to the execution and filing of said written application, he/she desires to be retired. On the date so specified for his/her retirement he/she shall be retired, notwithstanding that pending such period of notification he/she may have separated from City service. Upon his/her retirement he/she shall receive a Retirement Allowance as provided by the City Charter and Municipal Code. Employees may retire on or after July 1, 1992, with 25 years of credited service but less than 30 and receive an actuarially reduced pension which shall be known as the Actuarially Reduced 25 Year Option of the Retirement Plan. Employees who are receiving a duty or a non-duty disability pension or Income Protection benefits may elect to convert to this new option if they otherwise meet the qualifications.

Employees who have resigned with 25 or more years of service since July 1, 1992, shall have ninety (90) days to submit an application for this option from the date they are officially notified by the Pension Bureau that said application can be processed.

After the initial enrollment of applicants by the Pension Bureau, employees who subsequently leave City employment shall have ninety (90) days from their last paid date on the City payroll to select this option.

Retirees who began receiving a Duty or Non-Duty Disability Pension after July 1, 1992, may convert to this option no later than ninety (90) days after they would have had twenty-five (25) years with the City and have been notified by the Pension Bureau of the availability of this option.

Employees who began receiving Income Protection Benefits after July 1, 1992, may convert to this option anytime after they have had twenty-five (25) years of service with the City.

The above paragraphs notwithstanding, employees hired after January 1, 1996, shall not be eligible for a Service Retirement until they shall have attained fifty-five (55) years of age. This age requirement shall apply to both the Regular Service Retirement with thirty (30) years

of service and for pension calculation purposes to the Early Service Retirement (actuarially reduced) with twenty-five (25) or more years of service.

- B. Retirement benefits shall be modified to include an optional coordination of benefits between regular retirement benefits and Social Security benefits for those employees who retire from the City with a regular retirement or the Actuarially Reduced 25 Year Option prior to becoming eligible for Social Security payments. Such coordination of benefits shall cause an approximate leveling of total monthly benefits derived from both the City's retirement system and Social Security without creating any additional actuarial costs.
- C. For employees hired on or after July 1, 1980, the vesting provisions of the City Retirement Plan shall require ten (10) years of service regardless of age in lieu of the "40 and 8" age and service requirement.
- D. For employees who separate from City service with a vested pension prior to reaching eligibility for a regular service retirement, time earned after July 1, 1986, shall not be factored into the formula for determining their pension benefit until they shall have attained age 62. This provision will not affect the current practice governing disabled employees.

In the event that any law, state or federal is passed during the term of this Agreement which permits employees to vest their pension prior to meeting the vesting requirements set forth in this contract, any employee who vests his/her pension in such a manner shall not be eligible for any pension benefits until his/her sixty-second (62nd) birthday.

- E. Employees who become eligible for a pension under the vesting provisions of the plan, shall be ineligible for any of the hospital, medical, optical or dental benefits provided for other retirees, spouses, dependents or beneficiaries.
- F. Employee contributions to the general retirement annuity fund shall be optional. Balances in the fund standing to the individual credit of employees discontinuing contribution shall be maintained with accumulated interest to be paid out to the employee upon separation from the City. Employees qualified under the pension vesting provision of the general retirement system may withdraw their annuity with accumulated interest upon separation.

Upon attainment of twenty-five (25) years of service, an employee shall be eligible to withdraw, one time only prior to retirement, all or part of his/her annuity savings.

Non-Duty and Duty Disability Retirees shall be eligible to withdraw, one time only, all or part of their annuity savings.

- G. At the time of retirement, members of the general City pension system may elect an option which shall entitle them to change their pension option from either option 2 or option 3 to a straight life pension after they have commenced collection of the pension if the member's beneficiary predeceases the member. This shall be known as the Pop-Up Option. The actuarial cost of the change in benefit shall be borne by the member who selects this change in his/her option election.

- H. Employees, who retire on or after July 1, 1998, shall have their pensions computed according to the following formula. Using the highest paid 36 consecutive months out of the last 120, including longevity payments, as Average Final Compensation; 1.6% of Average Final Compensation for each year of service for the first 10 years; 1.8% of Average Final Compensation for each year of service greater than 10 years up to 20 years; 2.0% of Average Final Compensation for each year of service greater than 20 years up to 25 years; and 2.2% of Average Final Compensation for each year of service greater than 25 years; plus \$12 for each year of City service not to exceed \$120. In no case shall benefits paid by the Retirement System exceed ninety percent (90%) of Average Final Compensation except in the case where a higher pension amount has been earned in accordance with the provisions in effect prior to July 1, 1992.
- I. Effective for bargaining unit members who retire on or after July 1, 1999, they shall have the option to 1) select the Unused Sick Leave On Retirement (USLOR) payment benefit provided for elsewhere in Article 27 of this labor agreement or 2) chose to receive payment of twenty-five percent (25%) of their unused sick time and have that sum included in the average final compensation used to compute the membership service pension portion of their retirement allowance. For any member choosing to exercise this option, the lump sum payment of USLOR will be the remaining value of the eligible unused accrued sick leave bank as provided in Article 27.
- J. Effective January 1, 1999, the maximum annual amount payable to an individual on a Duty Disability pension shall be increased to \$9,000 and for Non-Duty Disability pension to \$6,000.
- The maximum amount of the Accidental Death Benefit as found in Chapter VI, Article VI, Part C, Section 1, Paragraphs B and C of the City Charter shall be increased from \$2,400 to \$5,700 per annum.
- K. Effective February 11, 2010, any employee covered by this agreement, who is seeking a duty-disability retirement, shall have an examination conducted by an independent medical examiner (IME). If the IME concludes that the employee's physical or medical condition does not relate to his/her employment with the City of Detroit, the employee shall not be eligible for the duty disability retirement.
- L. Effective January 1, 1999, minor dependents under age 19 or permanently mentally or physically impaired dependent children who become impaired prior to age 19 of employees who die with 20 years of service without a surviving spouse shall receive a payment of \$9,000 per year which shall be divided equally amongst all eligible dependents. The payment will cease when the last minor attains age 19 or for mentally or physically impaired children at death. There shall be no retirement escalator for this payment.
- M. In addition to in-service death pension benefits which already exist for employees with 20 or more years of service, effective July 1, 1998, if a bargaining unit member dies after having attained 15 or more but less than 20 years of creditable service at any age below 60, the surviving spouse will be paid a 50% joint and survivor election. Dependent children, if there is no eligible surviving spouse, are to be paid a total of \$6,000 which shall be divided equally

amongst all eligible dependents until the youngest child reaches age 19, or for life if a child is permanently physically or mentally impaired.

- N. The post retirement escalator factor shall increase from 2.0% to 2.25% of original base pension effective July 1, 1992.
- O. Employees shall have the option of selecting from two additional surviving beneficiary options of 25% and 75%.
- P. Annuity Contribution Amounts: The City will offer employees who choose to contribute to the annuity plan the option of 3% up to the Social Security maximum salary which would then be increased to 5%, a straight 5%, or a straight 7% annuity contribution.
- Q. Members of the bargaining unit shall have the option of belonging to the City's current defined benefit/defined contribution retirement plan or a new defined contribution retirement plan in accordance with the rules the City will issue for a defined contribution plan. All employees hired on or after February 11, 2010, shall be enrolled in the General City Retirement System Defined Contribution Plan (DCP). The parties agree that the defined contribution plan the Executive Branch will propose for acceptance by the City Council, although not specifically detailed at this time, is intended to be primarily in accordance with the provisions which were last advocated in the Executive Branch in November-December, 1997.
- R. Effective August 1, 1999, or the earliest date thereafter when all required agreements are reached between the City and other parties, the membership of the General Retirement System, Board of Trustees [Article II, Section 2, Subsection (1)] shall be modified to provide that one of the trustees is: "The Mayor of the City or his/her designated representative, ex-officio. Such designated person shall be a full time appointive or classified City employee."
- S. All Retirement and Pension Plan Provisions provided for by the City Charter and Municipal Code are incorporated herein by referral unless otherwise specifically modified by this Agreement and Ordinance 2-93, J.C.C. Page 133.

NOTE: All of the above provision changes will be presented to the Internal Revenue Service and are subject to being final only upon a determination that they are acceptable and approved and will not harm the current favorable tax-exempt status of the General Retirement System.

The two-tier system for new hires referenced in this Article will be implemented when the City's Payroll System has the capability. (See Memorandum of Understanding – RE: HR/Payroll Systems.)

41. WAGES, SALARIES AND MISCELLANEOUS PAY POLICIES

A. WAGE INCREASE:

- | | | |
|----|------------------------|----|
| 1. | Effective July 1, 2008 | 0% |
| 2. | Effective July 1, 2009 | 0% |
| 3. | Effective July 1, 2010 | 0% |
| 4. | Effective July 1, 2011 | 0% |

Members of the bargaining unit will be required to take twenty-six (26) mandatory budget required furlough (BRF) days without pay for three (3) consecutive 12-month periods. To achieve uniformity among its various bargaining units and equitable treatment of employees, the City has the right to determine the date that the BRF three (3) consecutive 12-month periods will commence. It is understood by the parties that the completion of the three (3) consecutive 12-month periods will exceed the contract period of the Master Agreement.

If for any reason an employee is required to work on any mandatory budget furlough day, a substitute furlough day without pay must be scheduled by the Department and taken by the employee to ensure that the twenty-six (26) mandatory budget furlough days without pay requirement will be met during each twelve month period.

The mandatory budget furlough days will impact the following economic provisions as specified below:

OVERTIME

If an employee is scheduled to work less than 40 hours in a work week due to mandatory budget furlough time off, overtime for that work week shall not be payable until the employee works 40 hours in that work week.

RETIREMENT

The period of reduced regular wages due to mandatory budget furlough time off shall not be recognized for pension computation purposes and appropriate calculations will be made to have any pension benefits equal to same amount the member would have earned had his or her regular pay not been reduced.

Employees who retire during this period shall continue to have their vacation, swing holiday and compensatory time banks run-out in forty (40) hour per week increments.

VACATIONS

Qualifications for earning time are proportionally reduced, and other appropriate modifications are agreed to as necessary to comport with the mandatory budget furlough 10% hours reduction.

SICK LEAVE

Qualifications for earning time are proportionally reduced, and other appropriate modifications are agreed to as necessary to comport with the mandatory budget furlough 10% hours reduction.

LONGEVITY

The minimum number of hours needed to qualify for this pay is proportionally reduced.

WORKERS' COMPENSATION

Employees who are working a 10% reduced work period at the time that they go off on Workers' Compensation shall have their formula for supplementation out of their sick leave banks calculated upon 10% of their take-home pay under the mandatory budget furlough schedule.

B. The pay rates of hourly rated employees shall be rounded up to the nearest whole cent.

Employees whose wages are classified as a yearly salary with minimum and maximum rates more than \$20,000 annually, and which rates, as a result of any required change to be made to their wages causes the resulting amounts to fall between even hundred-dollar levels, shall have these rates adjusted to the next higher hundred-dollar level.

C. All salaried employees will have their hourly rate computed by dividing their annual salary by 2080 hours.

D. Step increments for hourly rated employees hired prior to July 1, 1992, shall be \$.10 per hour.

E. The annual step increment for salary classifications hired prior to July 1, 1992, shall be five percent (5%) of the employee's salary as of the date the increment is normally paid, not to exceed the maximum rate for the classification.

Half steps shall be two and one-half percent (2-1/2%).

F. Employees promoted from classes where the maximum of the old class is greater than the minimum of the new class, shall be entitled to a step increase of two annual steps not to exceed the maximum of the new class.

G. All employees hired after July 1, 1992, (when starting salaries were reduced by 20%) will progress from minimum to maximum on the basis of equal steps over a period of three years from the date service begins.

H. Employees' benefits for those employees sixty-five (65) years of age and older may be modified as permitted by law but shall not result in any additional cost to the employee.

I. Members of the bargaining unit hired prior to July 1, 1992, when working as Sanitation Laborers, shall be paid the maximum rate of pay for that class. For members hired after July 1, 1992, normal step increment rules shall apply.

J. Where by payroll error an employee is underpaid or overpaid the City is expressly authorized to correct the underpayment or overpayment by payroll adjustment. The City shall notify an employee in writing fourteen (14) days prior to making any overpayment recovery.

K. When it is administratively feasible, the pay check for all employees shall be transmitted via direct deposit.

The correction of the underpayment shall be made within sixty (60) days after notification to the department human resource office.

For overpayment recoveries the City is authorized to deduct up to one hundred dollars (\$100) weekly or two hundred dollars (\$200) bi-weekly. If the employee separates from City service, the entire unpaid balance shall be recoverable immediately.

If the amount owed by the employee is over \$2,600, the City reserves the right to seek immediate recovery through appropriate legal proceedings.

42. SAVINGS CLAUSE

If any Article or Section of this Agreement or any supplement thereto should be held invalid by operation of law or by tribunal of competent jurisdiction, or if compliance with or enforcement of any article or section should be restrained by such Tribunal, the remainder of this Agreement and supplements shall not be affected thereby and the parties shall enter into immediate collective bargaining negotiations for the purpose of arriving at a mutually satisfactory replacement for such article or section.

43. TEAMSTER'S PENSION PLAN

- A. The City of Detroit will make Teamster Pension Plan payments of fifteen cents (15¢) per hour based upon the number of regular paid hours, exclusive of overtime, for which an employee is paid during the monthly reporting period as used by the City of Detroit payroll system monthly reporting process. Payments will continue to be paid into the Fund on the 15th day of each month after the expiration date of this contract until the parties reach a new collective bargaining agreement.
- B. Effective upon ratification of the 2008-2012 labor agreement, the City shall make a total contribution of thirty thousand (\$30,000) dollars to the Teamsters Pension Plan payable in an increment of ten thousand (\$10,000) dollars each fiscal year.

45. SOCIAL SECURITY

The City and the Union agree that the employees represented by Teamster's Local #214 and coming under the terms of this Labor Agreement shall continue to be covered under the terms of FICA (Social Security).

46. TUITION REFUND

- A. Effective January 1, 2010, the City's Tuition Refund Program is suspended for the balance of the 2008-2012 contract period. No reimbursement/payment shall be made for course work or employment development program ending after December 31, 2009. Effective July 1, 2012, bargaining unit members with a minimum of three (3) years of service may participate in the City's Tuition Refund Program in accordance with the policies as administered by the Human Resources Department. Employees requesting a tuition refund should submit the applications to the Human Resources Consultant/Manager servicing their department. Eligibility to

47. COMMERCIAL DRIVER'S LICENSE

For employees who are required by the City (as outlined in their job specification) to have a Commercial Driver's License (CDL), the City will pay fifty percent (50%) of the renewal fee for their CDL and 100% of the cost of any required endorsements. Refund payments will not include any other fees or expenses associated with renewing a CDL. To be eligible for this reimbursement, employees must follow the procedures established by their department. This reimbursement is only for CDL renewals obtained after June 30, 1996.

48. EMPLOYEE ASSISTANCE PROGRAM

The City and the Union recognize and acknowledge that the problem of substance abuse and other personal problems which affect the physical or mental well-being of employees of the City of Detroit merit special attention. Substance abuse, including alcohol and drugs, and other personal problems, by workers impair their ability to function, contribute to increased absenteeism and tardiness, and violation of other rules, regulations and procedures. The combination of factors is recognized as having potentially damaging effects on efficiency and endangers the job security of the worker. In the event that the City and the Union fail to arrive at an agreement on wages, fringe benefits, other monetary matters, and non-economic items by June 30, 2012, this Agreement will remain in effect on a day to day basis. Either party may terminate the agreement by giving the other party a ten (10) calendar day written notice on or after June 20, 2012.

GUIDELINES RE: EQUIPMENT OPERATION (Supersedes all previous versions)

EXPLANATORY NOTES

1. The examples of vehicle and equipment typically operated listed on the attached pages are examples of work usually performed by members of the classes indicated. This listing is not intended to be a complete listing of all duties regularly performed by class members and should be read in conjunction with the class specifications for those classes.
2. Positions are allocated to the listed classes whenever vehicular and equipment operations is the preponderant duty of the position and in accordance with the relative skill level of the duties performed. Operation of the listed vehicles or equipment can be performed by employees in other classifications where such driving or equipment operation is an incidental or secondary function to other duties. Examples: Building Tradesmen, Building Trades Helpers, Water Systems Repairmen, Water Systems Mechanics, Park Maintenance Men, Concrete Finishers, and others transporting themselves, other employees, tools and materials between job sites; Park Utility Men transporting personnel, materials and tools between job sites or operating towed gang mowers; Tree Artisans who alternate assignments with other Tree Artisans; and other proper situations.
3. As stated above, these Guidelines are not intended to be complete listings of all duties regularly performed by class members. Any driver or operator may have additional duties assigned within his class level including participating in the loading and unloading of equipment, operating auxiliary equipment, and/or performing other tasks where such assignments do not conflict with the class concept.
4. This listing is descriptive of agreed allocations and is not intended to “freeze” allocations nor to prejudice new assignments as to proper allocation. The Classification/Compensation Division will on proper request, review any new piece of equipment and determine the proper class allocation. Such request should preferably be made before an operator is assigned.
5. The “Remarks” accompanying the lists of examples of vehicles or equipment typically operated by class members for each indicated class are not intended to replace the official specifications but are included to assist users in interpreting these Guidelines. Final interpretation of proper allocation will be made by the Classification/Compensation Division of the Human Resources Department.

ANY QUESTIONS RELATING TO THESE GUIDELINES SHOULD BE REFERRED TO YOUR HUMAN RESOURCES OFFICER OR THE CLASSIFICATION/COMPENSATION DIVISION OF THE HUMAN RESOURCES DEPARTMENT CONSULTANT.

SCHEDULE D

DETROIT HUMAN RESOURCES DEPARTMENT GUIDELINES FOR TRAINING EQUIPMENT OPERATORS

Each department having employees in the Equipment Operator classes covered by the labor contract with the Teamsters, Local 214, will observe the following guidelines for the training of operators:

1. The senior employee who is, in accordance with the labor agreement, most eligible for training and promotion to the next higher level position for which an opening is anticipated, may be assigned for initial training for a period not exceeding the number of days specified as follows:

Vehicle Operator I	15
Vehicle Operator II	20
Vehicle Operator III	25
Construction Equipment Operator	100
Line Helper-Driver I	25
Line Helper-Driver II	15
Refuse Collection Packer Operator	20

If the employee is being trained for a position more than one level above his/her present position, the maximum period of training will be increased accordingly.

2. Training assignments during this period shall consist of observing and working with an experienced and qualified operator, receiving instruction from another person who is qualified to give instructions on the particular type of equipment involved, and practice operation. The practice operation will include both manipulation of the controls and the moving, or processing of material under typical working conditions for the type of equipment involved. During the practice period, the trainee will be closely supervised and given additional instruction as needed. Instruction on equipment operations may be given by any of the following: experienced operators, supervisors, safety officers, instructors or other persons, provided that they are qualified to instruct and have been authorized and assigned to do so. In each department or major division, a management representative should be designated as the coordinator for the training program.
3. All trainees shall receive adequate instruction in safe operation of equipment. A minimum of one day of group instruction on safety and proper care of equipment is recommended as part of the training for each level of operating positions. Additional classroom training for review purpose or when new equipment is introduced is also recommended. The Training Division of the Human Resources Department will help departmental supervisors plan and arrange instruction as needed. No operator will suffer any loss of pay or benefits as a result of attending the training sessions.
4. The actual number of days of training on any one type of equipment or for any given class of operator position will depend on the prior training and experience and skill of the employee. The minimum period of training on-the-job on any equipment with the trainee working with and under the direct supervision of a qualified operator will be one full working day if the trainee has

had no prior training or experience on the same kind of equipment, although a somewhat longer period is generally recommended. The "trainee" may and should be recommended for an advisory qualifying examination as soon as the supervisor believes he/she is able to operate the equipment and perform the duties of the higher class in a safe and efficient manner.

5. Whenever feasible, the trainee will be trained to operate every type of equipment that he/she may be reasonably expected to operate after promotion to the higher class.
6. During training employees shall be paid their present rate. In case it is not possible or reasonable due to the nature of the work schedule or personnel shortage to provide training on all or a sufficient number of types of equipment included in a given class of operator position at the employee's work location to qualify for permanent promotion, the trainee will be promoted on an out-of-class basis and paid the rate of the higher classification pending completion of training, if he/she is assigned without supervision to a regular operating assignment normally performed by an employee in the higher level class.
7. If after being promoted on an out-of-class basis or during the trial period following permanent promotion, an employee is unable to perform in a satisfactory manner and needs additional training, he/she may be returned to his/her former status for the period of additional training or to his/her former assignment until it is feasible to complete training. However, if the employee is assigned to operate the higher level equipment without supervision, he/she shall be paid at the rate for the higher classification.
8. When new equipment is introduced and if training in its operation is provided by the manufacturer, a reasonable effort will be made to have the training given directly to the employee or employees who will be operating the equipment. Permanent assignment of employees to new equipment is subject to the provisions of Article 19, Changes in Duties, Equipment and Work Assignments.
9. When the employee is initially placed in training for an equipment operator title, the Department shall notify the Union and Recruitment and Selection Division of the Human Resources Department in writing stating the title of the class, kinds of equipment on which the employee will be training and the starting date of training. Upon the completion of training, the Department will notify the Recruitment and Selection Division of the nature of training received by the employee and request that the employee be given an advisory qualifying examination (non-written) for the promotional class for which he/she received training. The Department and Teamsters Local #214 will be notified of the results of the qualifying examination.
10. If promotional opportunities are not presently available in his/her current department, the pre-qualified employee may have his/her name placed on the transfer-promotion list for possible transfer-promotion to another City department as provided in Article 14-A, Mobility.
11. The Department will notify the Union of all employees currently undergoing training. Area stewards shall be given reasonable opportunity to monitor training.

SCHEDULE E

Driving Eligibility Standards and Guidelines For Departmental Actions Applicable to Members of the Teamsters Local #214

The eligibility standards for driving a City-owned vehicle or the employee's own vehicle on a reimbursable mileage basis are contained in the Eligibility Standards for Driving Assignments published by the City on March 3, 1972. The standards provide that an employee is disqualified from driving a motor vehicle on City business if he/she does not have a current valid driver's license for any reason, or, if in the last 24 months, the employee:

- Accumulated 10 or more traffic violation points.
- Accumulated 9 traffic violation points and was involved in one chargeable accident while driving on City business.
- Accumulated 8 traffic violation points and was involved in two chargeable accidents while driving on City business.
- Was involved in three chargeable accidents while driving on City business.

All members of the bargaining unit shall be subject to the driver qualification standards established by federal, state and local laws.

Following are guidelines to be used in applying these eligibility standards to members of Teamsters Local #214 who are in positions which require them to drive a City-owned vehicle or their own vehicle on City business.

1. Employees whose license to drive is temporarily suspended because of unpaid tickets or whose license has expired:
 - a) The employee should report such temporary loss of the right to drive immediately to his/her supervisor. The employee will then be placed on unpaid departmental leave without pay until he/she presents evidence of the restoration of the license not to exceed 30 calendar days. If the employee does not return with a restored license within the 30 day period, action should be taken to remove the employee from his/her current position.
 - b) An employee who does not report loss of his/her right to drive, and continues to drive on City business with the suspended license, shall receive a ten (10) calendar day suspension. If, after the suspension period, the employee returns with a restored license, he/she shall be returned to work; if not, the employee will be placed on unpaid departmental leave and given an additional twenty (20) calendar days in which to secure his/her restored license. Failure to do so shall result in action to remove the employee from his/her current position. A second occurrence of having driven with a suspended license within a 24 month period will be cause for discharge.
2. Employees who have become ineligible to drive on City business because of traffic violation points or combination of points and chargeable accidents in excess of those allowed under the City's Driving eligibility Standards:

- a) Action should be taken to remove such employees from their current positions. However, if requested by the employee, he/she may be placed on unpaid departmental leave for a period not to exceed 30 calendar days. If during this period, the employee is successful in amending his/her driving record so that he/she is eligible to drive, he/she shall be returned to work.
 - b) An employee with five (5) or more years of City service shall have the additional option of requesting to be placed on unpaid leave of absence for a period of time off work not to exceed a total period of time off work of 120 calendar days. If during this period the employee becomes eligible to drive, he/she shall be returned to work.
3. Employees whose license to drive has been suspended or revoked by the State of Michigan for excess traffic violation points or major traffic violation:
- a) If the employee reports this taking away of his right to drive by the State, he/she shall be removed from his/her current position. However, if requested by the employee, he/she may be placed on unpaid departmental leave not to exceed 30 calendar days to allow the employee the opportunity to pursue administrative or legal action to have his/her right to drive returned. If the employee returns with a restored license and is eligible under the City's Eligibility Standards, he/she will be returned to work.
 - b) An employee who does not report the taking away of his right to drive by the State, and continues to drive on City business, shall be discharged for cause.
4. Employees involved in accidents while on City business
- a) Employees are required to fill out all accident reports damage reports in accordance with departmental rules Policies. Failure to do so will result in disciplinary action.
 - b) The Accident Review Board will review all accident reports submitted to it and determine whether the accident is "chargeable" (i.e. that the driver did not act properly to prevent or avoid the accident) or "non-chargeable." Accidents in which mechanical defect has been shown to be a contributing cause shall not be chargeable to the driver except in those case where the driver operated the vehicle in a reckless or wanton manner.

For those accidents determined to be chargeable, the Board shall also determine whether the accident is a "serious incident" which reflects on the suitability of the driver to operate a City vehicle, or constitutes a "minor incident." A "minor incident" shall be defined as an accident which involves no other moving vehicle, no persons are reported injured, the total property damage is limited, and there is no evidence of recklessness or gross negligence on the part of the driver.

The parties agree that no disciplinary action will be taken against any operator and/or driver involved in a minor accident until such time as the Accident Review Board renders its decision.

Appeals of the initial determinations by the Accident Review Board shall be in accordance with its rules and procedures.

- c) Three or more chargeable accidents within a 24 month period shall subject the employee to disciplinary action or removal from his/her position in accordance with the following:
 - i. Upon receiving notice of the third chargeable “serious incident” from the Accident Review Board, the department shall take action to remove the employee from his/her position.
 - ii. Upon receiving notice of the third chargeable accident (less than three “serious incidents”), the employee shall be issued a three (3) working day suspension.
 - iii. Upon receiving notice of the fourth chargeable accident (less than three “serious incidents”), the employee shall be issued a ten (10) working day suspension.
 - iv. Upon receiving notice of the fifth chargeable accident (any combination of “serious” or “minor incidents”), action shall be taken to remove the employee from his/her position.

Departments shall not take disciplinary action or remove the employee from his/her position under the above provisions until after the Accident Review Board has rendered a final decision as to whether the third or subsequent accidents are chargeable; provided, however, the employee may be suspended from work without pay pending the decision of the Accident Review Board if the employee’s record of subsequent accidents and/or present driving habits indicate that he/she presents a danger to the public.

In addition, the department may temporarily assign the employee to non-driving duties pending final appeal if the Board’s initial determination is that the accident is chargeable and such determination if upheld will result in removal of the employee from his/her position.

- d) Notwithstanding the above provisions concerning removal or discipline of employees after three or more chargeable accidents, an employee may be disciplined or discharged for cause after a single accident where the employee deliberately caused the accident, or was under the influence of alcohol or controlled substance, or deliberately operated the vehicle in a reckless or wanton manner, which exhibited a degree of negligence which went beyond momentary inattention, poor judgment or simple negligence.

NOTE: In all instances where the employee operated a vehicle on City business while under the influence of alcohol or controlled substance, or in a reckless or wanton manner, he/she shall be subject to discharge whether or not an accident was involved in accordance with the just cause provisions of the Master Agreement. Where such charges are based upon a violation issued by a law enforcement officer, the department may remove the employee from his/her driving position pending court or administrative action.

- e) All chargeable accidents shall be counted in combination with traffic violation points in determining whether the employee continues to be eligible for operating a City vehicle under the City’s Driving Eligibility Standards. Actions to be taken in regard to employees

who are no longer eligible to drive a City vehicle because of a combination of traffic violation points and chargeable accidents is discussed in Section 2.

5. Actions to remove an employee from his/her position:

In all cases where the employee is to be removed from his/her position because of the employee's ineligibility to drive a vehicle on City business, removal shall be by:

- a) Transfer or demotion to an available non-driving position for which the employee is qualified provided the rights of other persons are not affected.
- b) Resignation submitted by the employee; or
- c) Notice of discharge issued to the employee citing failure to maintain eligibility to operate City vehicle resulting in unavailability to perform the duties of the classification.

If the disability commences prior to the Claimant attaining the age of sixty (60) years, but after the Claimant attains the age of 58 years and 3 months (or prior to attainment of age 55 years, but after 53 years and 3 months, with respect to those Employees with 30 or more years of service with the City), Benefits will be paid for the period of such disability not to exceed one year, except that benefits under this provision shall also be reduced by the amount of any Service Retirement Allowance paid by the City to the Claimant pursuant to Provisions of Title IX, Chapter VI of the City of Detroit Charter and policies of the General Retirement System.

VI. TERMINATION OF INDIVIDUAL INSURANCE

The insurance of any Employee shall terminate on the happening of any of the following events:

- (a) Upon attaining eligibility for a service retirement.

- (b) If insurance is provided on contributory basis and the Employee fails to make the required contribution, then such insurance shall automatically terminate at the end of the period for which contribution has been made.
- (c) The date the Employee leaves, due to leave of absence or voluntary layoff as defined by the City, or is dismissed from employment in a class eligible for insurance hereunder, except that absence from work due to involuntary layoff, as defined by the City, shall not be considered as termination of employment for a period of thirty (30) days next following the commencement of such involuntary layoff.
- (d) The date the Employee becomes eligible to receive a Service Retirement Allowance. A Service Retirement Allowance is that amount consisting of the total of a pension and an annuity (if any) paid to an Employee who withdraws from the City employ as a Service Retirant pursuant to the provisions of Title IX, Chapter VI of the City of Detroit Charter.
- (e) For non-payment of premiums by the City on behalf of an Employee in which event such insurance shall automatically terminate at the end of the period for which premium has been paid.

Such termination shall be without prejudice to any claim of the Employee originating prior thereto.

VII. OTHER BENEFITS INCLUDED IN THE CITY'S INCOME PROTECTION PLAN

Separate from the Long-Term Disability Insurance Policy, the City will be continuing medical insurance coverage for disabled employees who qualify for Long-Term Disability Insurance, and will also pay a \$2,500 death benefit in lieu of the City of Detroit Death Benefit Plan to employees qualified for Long-Term Disability Insurance. The medical insurance and death benefit are payable without the Elimination Period required of the Long-Term Disability Policy. Since these two benefits are available sooner than 9 months it is doubly important that employees file for Long-Term Disability Insurance prior to 60 days after becoming disabled.

SCHEDULE J

ARBITRATION PANEL PROCEDURES

The parties hereby agree to establish an Arbitration Panel composed of both members of the City and the Union, and an independent arbitrator for the purpose of providing final and binding resolution to unresolved grievances in accordance with the Master Agreement and the following procedure:

1. The Arbitration Panel shall be composed of an equal number of representatives from the City and the Union. The Panel shall consist of seven (7) members; three (3) representatives of management, one of whom shall be a representative of the Labor Relations Division, three (3) Chief Stewards from the Union, and the Arbitrator. The Panel may function with five (5) members, two (2) per side and a representative from Labor Research Consultants. No management panel member or Chief Steward may sit and decide cases involving a grievant from his/her department.
2. The Arbitrator will chair all Arbitration Panel hearings and provide the administrative services for the conduct of such hearings.
3. The Arbitrator will serve at the pleasure of the parties. If at any time either party desires to terminate the services of the Arbitrator, it shall give notice in writing to that effect to the other party, specifying the date of termination. The parties shall then send a joint written notice to the Arbitrator of his/her termination. Once the Arbitrator has received written notice that his/her services are terminated, he/she shall not hear any further cases. However, he/she shall render decisions on all cases that he/she has heard prior to receiving such notice.
4. The panel shall be entitled to resolve any grievance which the parties mutually agree to place before it and which has been fully and properly processed through Step Four (4) of the Grievance Procedure.
5. Written notification of intent to arbitrate must be received by the Labor Relations Division within forty-five (45) calendar days from the date of the City's Step 4 answer. The City and Union shall then have ten (10) calendar days to reach agreement as to whether the grievance will be arbitrated by the Arbitration Panel or processed through Step 5 of the Grievance Procedure of the Master Agreement. Grievances not referred to the Panel or to Step 5 within ninety (90) days of the Notice of Intent to Arbitrate shall be considered settled on the basis of the City's last answer.
6. Notices of Intent to Arbitrate must be in writing and contain the following information:
 - a. Grievant's name and mailing address
 - b. City of Detroit's case number
 - c. Grievance number
 - d. Employing Department
 - e. Grievance Issue
 - f. Disposition Requested

7. Within ten (10) calendar days of receipt of the Union's Intention to Arbitrate, the City will confirm in writing its agreement, with copy to the Arbitrator, to process the grievance through the panel or to an ad hoc Arbitrator mutually selected by the parties or from a list furnished by the F.M.C.S.

A hearing date for grievances submitted to the Arbitration Panel will be specified by the Arbitrator within thirty (30) days from receipt of appeal.

8. The Arbitration Panel Hearings shall take place as agreed to between the parties.
9. All dockets shall be mailed from the Arbitrator's office to the Union, the Labor Relations Division and the grievant.
10. Advisory times for each party's hearing shall be shown on the docket. Cases will be docketed with individual starting times.
11. Each party is entitled to one adjournment as of right. It shall be the obligation of the party requesting the adjournment to notify the Arbitrator on or before the Friday preceding the Arbitration Hearing, and to further notify any and all other interested parties. There will be certain exceptions to the requirement of timeliness in requesting adjournments; as illustrative examples only, are the following:
 - a. the non-appearance of a grievant in discharge cases the first time the case is docketed;
 - b. unanticipated unavailability of key witnesses, i.e. medical emergencies .

Further adjournments may be granted, but these must be by mutual agreement of the parties, or by ruling of the Arbitrator by a showing of good cause. Requests for subsequent adjournments must be by written notice to all interested parties, utilizing certified mail. It shall be the obligation of any grievant to notify the City and Union of any change of address.

If liability for wage and benefits is awarded by the Arbitration Panel, such liability will be assessed against the party requesting an adjournment. Accordingly, in a discharge case if management requests an adjournment liability will be ongoing; if the Union requests an adjournment, liability for wage and benefits losses will cease as of that request.

12. If either one party or the other, after due notification, chooses not to appear, the panel has the right to proceed and take testimony and consider the side not appearing to be in default; or in the Panel's discretion to order the case adjourned and assess any ongoing liability for wage and benefits losses against the party in whose favor the adjournment is ordered.
13. If the parties are not present when their case is called, the Panel in its discretion may wait a reasonable time before calling the case and proceeding in accordance with the procedure in rule number thirteen (13) above.
14. Each party shall have the option to present its case either in the narrative, by the testimonial process, or by position statements. The exercise of the option shall not prejudice the other party's choice of presentation.

15. Attorneys, unless they are employed by the City or the Union, shall not be permitted to speak at the Arbitration Panel Hearing. "Presentation" is reserved only for representatives of management and the Union.
16. It is expected that all cases will be heard and answered at Step 4 of the Grievance Procedure before a hearing is requested from the Panel. If there is any dispute as to whether or not the matter has been heard at Step 4, said matter will automatically be referred back for a Step 4 hearing and the question of liability for wage and benefits losses shall be reserved. It is further expected that at the Step 4 hearings, all questions and all evidence pertinent to the case will be requested and will be exchanged so that both sides will be on notice of the matters in question. No matter may be presented which has not been raised at either the Step 4 Hearing or sufficiently in advance of the actual Panel Hearing so as to deprive the other side of a reasonable chance to investigate this issue.
17. All parties shall be free to use such evidence and supporting documents as they deem necessary subject to the determination of relevance by the Arbitrator.
18. Both sides will present their case in its entirety before any questions are asked except for questions which the Arbitrator may deem necessary to clarify the record.
19. There will be no cross-examination, as such, allowed at the Panel hearing. If a question is asked for the other side to answer, that question will be directed to the Arbitrator and the Arbitrator will decide whether to direct the opposite side to answer.
20. Although decisions of the Panel are not precedent-setting unless the parties specifically request them to be, prior decisions may be used as supporting evidence of a position taken by one side or the other. If a prior decision is to be used, however, then the party offering that decision is obligated to present, along with that decision, the original grievance on which that decision was based; and further, said party must be able to coherently present a summary of the facts of said case.
21. At the conclusion of the presentation, the Panel members may ask questions at their discretion, subject to objection from either party. The parties are then excused and a decision will be made.
22. The Panel's decision shall be in accordance with the express provisions of the Master Agreement, and the Panel shall be without authority to add to, detract from, alter, amend, or modify any of its provisions, nor may it impose on either party a limitation or obligation not specifically provided in the Master Agreement.
23. In cases wherein it is discovered that one of the parties to the grievance has filed a charge with any Governmental Agency, the Panel will determine whether or not the grievance warrants a deferral until the appropriate agency has ruled. The Panel then expects this to be made a point of order prior to the introduction of any evidence.
24. Voting of the Panel members will be by secret ballot.
25. The decision of the Arbitration Panel shall be final and binding on the City, on the employee(s) and on the Union.

26. A written copy of the decision will be mailed by the Arbitrator to all parties. The only exception to this procedure is on the question of untimely filing, which will be taken up in Panel session with the parties excused, and the decision will either be given orally or will be mailed to the parties depending upon the extent of the docket.
27. The expense of the arbitrator shall be shared equally by the parties and limited to the following:

Heard:	\$300 per case
Settled:	\$24 per case

If a case is adjourned, the party requesting the adjournment shall pay a \$50 adjournment fee.

28. The above described Arbitration Panel Procedure is a pilot program for the remainder of the 2008-2012 contract unless it is terminated by either party in accordance with paragraph #4 above. This procedure shall not abrogate any of the parties rights or responsibilities under the Master Agreement. At the conclusion of the 2008-2012 contract or in the event either party exercises its rights under paragraph #4 above, the parties will meet to discuss its results.

When an employee is involved in an accident while on City business resulting in damage to his automobile in excess of \$50.00, the City will pay for unrecoverable collision damage in excess of \$50.00 not to exceed \$250.00. Employees must furnish proof to their department of the time of an accident and the extent of the damages. Automobile accidents will be excluded from the City's regular small claims program.

5. In the event of an automobile breakdown during regular working hours, the time which an employee is allowed for servicing and repairing his automobile is to be determined in supplemental agreements.
6. When an employee covered by this Agreement is regularly assigned to a job which requires the use of an automobile during his normal working hours, he shall be required to furnish said car.
7. In order to receive mileage reimbursement an employee must actually use an automobile on City business.
8. The City and the Union agree to establish a joint committee consisting of three (3) members from the Union and three (3) members of Management to review the feasibility of establishing car pools which would reduce the City's cost for private car mileage.

RE: Revised Work Standards

During the 2008 negotiations there was discussion between the parties concerning the current minimum work standards and the desire to improve operational efficiency and productivity of work performed by members of the bargaining unit in the Department of Public Works.

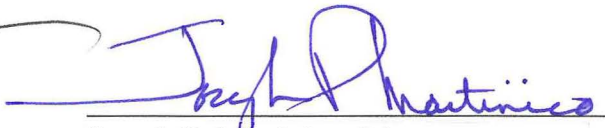

The parties agreed to establish a committee composed of an equal number of representatives of management and union for the purpose of conducting a study that would include a review and comparison of current department and industry standards. Such study shall be completed within nine (9) months of the signing of this labor agreement, at which time the matter of work standards shall then be referred back to Labor Relations where the negotiating team shall reconvene for the purpose of collective bargaining. It is understood that such bargaining shall be limited to the establishment of revised work standards on the type of equipment in use at the signing of the agreement.

Also, this agreement by the parties to meet, confer and reach agreement on the existing work standards is not intended to conflict with the City's inherent rights, abilities and responsibilities set forth in Article 2, Management Rights. Should the Department introduce new or different manufactured vehicles the parties agree to meet in special conference to discuss minimum work day standards.

RE: WORK ASSIGNMENT ISSUES (DPW)

1. Training will proceed as needed in accordance with Master Agreement.

The most senior VOI's at the yard who have been trained and certified on VOIII and CEO equipment will be assigned as VOIII/CEO's on an out-of-class basis as necessary.

Status changes to CEO/ VOIII/VOI will proceed as needed in accordance with the Master Agreement.

2. Employees holding the title of RCPO will not be assigned to CEO, VOIII or VOI work assignments if there are any CEO's or VO's available in the yard with the proper title or CEO's or VO's available in the yard who have been trained to perform the work.
3. Employees hired for the purpose of operating one-man packers shall carry the multiple-title of Refuse Collection Packer Operator/Vehicle Operator I/Sanitation Laborer. RCPO seniority shall be used in assigning employees at each yard to work assignments in the following order: 1) Automatic One-Man Packers, 2) Alternate RCPO assignments, 3) Vehicle Operator I equipment, and 4) Sanitation Laborer work.
 - RCPO's when assigned to one-man packers or alternate RCPO assignments will be paid at the RCPO rate.
 - RCPO's when assigned to VOI assignments will be paid at the VOI rate.
 - Effective July 1, 2000, the title of Sanitation Laborer shall be dropped from those RCPO's with ten (10) or more years of classification seniority. Such employees when assigned to Sanitation Laborer work shall be paid at the VOI rate. However, such employees will be required to perform the duties of a Sanitation Laborer when assigned such duties.

Employees returning from illness or leave of absence shall be returned to the assignment which he/she had prior to the absence based on his/her seniority, only during bid process. If the employee has been-away from work for an extended period, some period of reorientation or retraining may be required.

Employees on a sick leave or a leave of absence during the bid process, shall be entitled to bid for their work assignment; however, if the employee doesn't return within 30 days of the start of the bid process, the employee will be assigned as needed.

4. The Bulk and Courville collection operations within the Solid Waste Division shall be recognized as being separate and distinct operations for the purposes of making overtime

assignments. Employees will have the opportunity to pick their operation assignment, based upon seniority and qualifications, twice per year, once prior to the seasonal assignments being made, and again at the conclusion of the seasonal assignments. Unless extenuating circumstances dictate otherwise, the picks shall occur within 20 days of April 15, and November 15. Either the City or the Union may request to review this procedure, in accordance with Article 11 - Special Conferences.

5. Overtime assignments within the Solid Waste Division shall be made as follows:
 - a. If it is determined by management that the day's assignment can be completed within 90 minutes of the end of the shift, employees may be required to remain in the field for an additional 90 minutes to complete the assignment. This is known as casual overtime.
 - b. If it is determined by management that the assignment cannot be completed within 90 minutes of the end of the shift, or when overtime is need for a make-up day or scheduled assignments worked on a holiday or excused time day, overtime shall be assigned off a volunteer list. Employees wishing to sign the volunteer list shall submit their names to their supervisor by 12:00 p.m. Once placed on the volunteer list, an employee must report for the overtime assignment, except if excused by their supervisor in the case of an unforeseen emergency. Failure to report will result in the following disciplinary action:

First Offense:	Verbal Warning
Second Offense:	Written Warning
Third Offense:	The employee will be ineligible to work volunteer overtime for 14 calendar days, but will be subject to inverse overtime.
Fourth Offense:	The employee will be ineligible to work volunteer overtime for 30 calendar days, but will be subject to inverse overtime.

Further violations may result in more restrictive discipline, including suspension.

Employees working within the operation needing the overtime shall be assigned first, by seniority. If there are not enough volunteers from within the operation, volunteers from outside the operation shall then be assigned, in seniority order, for available assignments. If additional manpower is still needed, employees shall be assigned in inverse seniority order, from a common list of employees at the location. Employees assigned from the inverse seniority list shall not be required to work more than four hours of overtime Monday through Friday from the inverse list.

Overtime as a result of a special event, or sixth or seventh day overtime in the Bulk Operation, shall be assigned from the volunteer list. Assignments shall be in seniority order, then by rotation, regardless of the operation. If there are insufficient numbers of volunteers, additional employees shall be assigned from the inverse list.

6. The City and Union agree to continue the understanding whereby the RCPO class was broadened to include the following as alternate work assignments in the Solid Waste Division: Street Sweepers, Log Loader Truck, Vac-All Vacuum Sweeper, Gasoline Tank Truck, Bulldozers and Front-end Loaders for stockpiling or loading materials.
 - Such alternate assignments are subject to the conditions stated in paragraph 5.
 - RCPO's when assigned to these alternate work assignments inside the yard will be paid at the RCPO rate.

- All RCPO's will be provided training in all series one-man trucks and the alternate assignments at each yard in order of their seniority. Such training shall commence immediately upon execution of the Master Agreement.
 - CEO's operating Bulldozers and Front End Loaders will be paid at the CEO rate.
7. In the event an Automatic one-man packer is out-of-service at the beginning of the work shift, the RCPO regularly assigned to the vehicle shall be assigned to another available Automatic one-man packer or displace the least senior RCPO at the yard assigned to an Automatic one-man packer. The RCPO who is displaced shall then be reassigned in accordance with paragraph 5.
- If an RCPO's equipment breaks down within four (4) hours of the start of the shift and he is reassigned to other work, he shall be paid at the RCPO rate for the first four (4) hours and at the appropriate rate for the work performed during the remainder of the shift. If the RCPO has over five years of class seniority, he shall get no less than the VO I rate of pay for the work performed during the remainder of the shift. If the equipment breaks down after four (4) hours from the start of the shift, he shall be paid at the RCPO rate for the entire day regardless of work assigned.
8. New employees in the Solid Waste Division will continue to be hired as RCPO/VOI/Sanitation Laborer.
9. Both RCPO's and VOIII's will have the opportunity to bid for CEO positions in DPW using their seniority in these two classifications. RCPO's hired on or before July 1, 1983, shall have July 1, 1983, established as their effective class seniority date for purposes of such bidding.
10. The Scale House in Street Maintenance will be operated by bargaining unit members. The department has the right to assign additional bargaining unit members to this activity from the pre-qualified list on a part-time basis. Any such additional employee shall receive adequate instruction in Scale House operations.
11. The DPW will provide proper breathing protection equipment to employees assigned to the "wash rack." Employees who do not wear required protective equipment may be subject to disciplinary action in accordance with departmental disciplinary guidelines.
12. The DPW has established the following minimum work standards in an eight (8) hour day for the equipment used in the Solid Waste Division:

BULK OPERATIONS

TYPE OF EQUIPMENT

MINIMUM STANDARD

Log Loader	4 loads
Rear Loader (2 Person)	2 loads
Open Truck	4 loads

REFUSE OPERATIONS

Rear Loader	2 loads
Automatic Side Loader*	750 plastic containers

YARD WASTE

Rear Loader (1 Person)	1 load
Rear Loader (2 Person)	2 loads
Courville Drop Frame (1 Person)	2 loads

*These standards are based upon the type of equipment in use at the signing of the agreement. Should the Department introduce new or different manufactured vehicles; the parties agree to meet in special conference to discuss minimum work day standards.

The DPW recognizes that there may be some extenuating circumstances which may prevent an employee from meeting the minimum standard on a particular day. Such extenuating circumstances may include vehicle breakdowns, malfunctioning equipment, obstructions, availability of refuse, or other verified occurrences including those now presently recognized by the department. The occurrence of such extenuating circumstances shall be noted by the employee on the driver's daily log sheet.

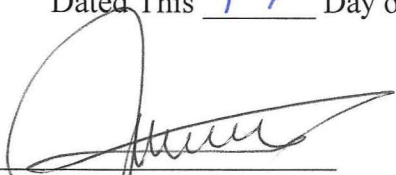

The DPW agrees to issue standardized instructions to all supervisors and foremen on the application of these standards. Such instructions shall include language that employees are entitled to a meal period and breaks as provided in the Supplemental Agreement and are expected to take such breaks at appropriate times.

NOTE: Should an operator fail to meet the minimum standard, a management will take into account the availability of refuse and excessive delays due to breakdowns, travel time, and severe weather conditions. Discipline shall be held in abeyance until all facts have been presented and reviewed by a supervisor or higher level of management assigned to the district.

Bargaining unit members recognize the importance of the Department's responsibility to remove snow and ice from municipal streets. To accomplish this goal, employees covered by this agreement will make themselves available when notified of adverse weather conditions. The Department will post a list of employees who are to be available for emergency operations. Employees who do not report for duty or who make themselves unavailable for duty will be subject to disciplinary action unless mitigating circumstances dictate otherwise. Details for the creation of the "on notice" list shall be a proper subject for supplemental negotiations.

During the 2008 negotiations, there was discussion between the parties concerning the current work standards and the efficiency of the Department. The parties agree to have a study performed on the industry standards for refuse collection, which the City will initiate. During the term of this agreement, the parties agree to continue collective bargaining negotiations on this issue.

RE: COOPERATION WITH THE AMERICANS WITH DISABILITIES ACT

The parties acknowledge their joint and severable obligations to comply with the provisions of the Americans with Disabilities Act of 1990 (ADA). The parties agree that no provision of the Labor Agreement shall conflict with the ADA.

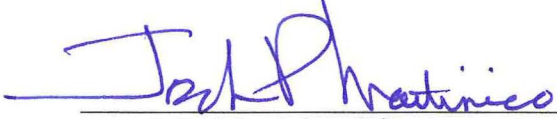

Furthermore, since the ramifications of this new legislation cannot be fully determined at this time, the parties agree to cooperate and meet in special conferences to discuss concerns and attempt to work out problems associated with its operation.

And, notwithstanding the Savings Clause in the Labor Agreement, which provision requires the renegotiation of sections of the Labor Agreement under certain conditions, the parties agree that if they jointly conclude that a provision of the Labor Agreement or this Memorandum violates the ADA they will renegotiate a replacement provision.

RE: LABOR/MANAGEMENT COMMITTEE

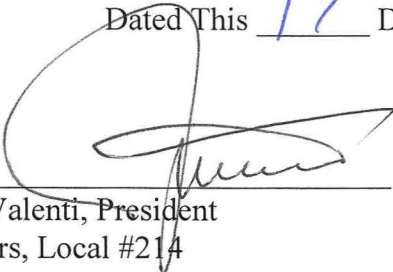

The parties acknowledge a need to establish a means for a continuing dialogue between management and union representatives to discuss and resolve matters that are of mutual concern, and to work cooperatively toward improving services, and the effective delivery of such services, to the citizen of Detroit. Accordingly, the parties have agreed to establish a Labor/Management Committee within each Department.

Composition of the Committee shall consist of the Business Representative, and up to three (3) other bargaining unit members, and up to three (3) management persons. Appointment of the union and management representatives shall be on an ad hoc basis; that is, committee members can be chosen based on the item(s) on the meeting agenda.

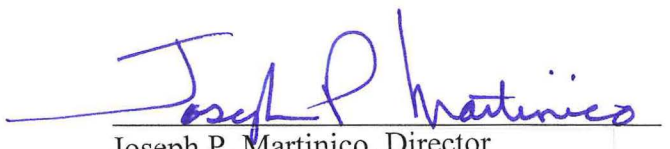

The proper subjects to be discussed by Labor/Management Committees shall include employment issues that are unique or of special concern to a particular department and the Council, or how provisions of the Master Agreement shall be applied in the department. Proper issues for discussion may include methods of increasing productivity, implementing of technological changes, and training employees in the department.

The parties agree that to increase effectiveness of Committee discussions, relevant training in specific subject areas should be made available to committee members. Provisions may be made to send selected committee members to seminars, workshops or in-service training.

RE: PERFORMANCE EVALUATIONS TO BE DEVELOPED, SERVICE IMPROVEMENTS TO BE REALIZED

After considerable discussion of the subject of all management, supervisors, and workers being required to give a high quality work performance for the City of Detroit, the parties acknowledge that the City government management, serving as "the employer," is obligated to provide adequate leadership in the operation of the City services, and has the responsibility to require adequate performance for the public's benefit by all levels of employees whose wages are paid for with the public's resources. Furthermore, that management in that role and with such responsibilities possesses the inherent authority to express and record evaluations of the performance of all employees at all levels in the government and to utilize such in the running of the government, so long as such usage does not violate any employee's rights or the provisions of the labor agreement.

RE: HR / Payroll Systems

The parties agree that the effective date for the two-tier systems, referenced throughout the 2008-2012 agreement, shall be effective on the date of the City Council's approval; however, not implemented until the HR/Payroll/Benefit system can accommodate each specific change.

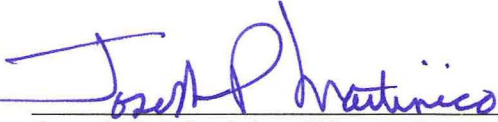

Furthermore, the parties will continue to work collaboratively toward resolving issues that may arise with the implementation of the 2008-2012 payroll/benefit negotiated changes.

The City agrees to meet with the Union in Special Conference to discuss such payroll issues which may result due to the negotiated changes as well as the two-tier systems prior to implementation.

RE: Miscellaneous

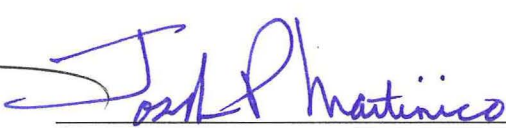

It is the City's goal to achieve a 10% reduction in scheduled work hours with all of our labor organizations. The parties understand, however, that certain bargaining units provide services to the public that on occasion must be delivered in an immediate or emergency manner or on a twenty-four (24) hour seven (7) day per week basis, and/or services that generate funds or revenue for the City, or are covered by Act 312. So under these circumstances the 10% reduction in scheduled work hours may not occur.

Finally, the City and Teamsters Local #214 mutually agree to resolve the 2008 – 2012 Master Agreement with the understanding that this Agreement had to be resolved expeditiously due to the current dire economic status of the City of Detroit. The City proposed and the Teamsters Local #214 agreed to several economic concessions to reduce personnel and benefit costs in an effort to avoid massive layoffs of members of this bargaining unit. While it is understood that due to the tenuous economic condition of the City, the City cannot guarantee to this union that there will be no lay offs as a result of the concessions made in this agreement, the City does promise to give consideration to the economic concessions made by this bargaining unit should there be a need for a reduction in force as a result of lack of funds or lack of work, or other circumstance beyond the control of the City. The City further agrees that should the City reach subsequent agreement on its 2008 – 2012 economic concession concepts with another non-Act 312 labor organization that is more economically advantageous to the employees such economic provision(s) for members of this bargaining unit will be implemented, except in cases where the City and one of its bargaining units tentatively agreed to (TA'd) and signed the applicable provision of the collective bargaining agreement prior to May 5, 2009.

RE: Employee Loan Program

In fulfillment of their collective bargaining obligations under the Michigan Public Employees Relations Act (“PERA”) MC423.215, the parties agree that a Participant Loan Program will be available to bargaining unit members. Its terms will be as follows:

- (a) **Established:** Any loans granted or renewed shall conform with the requirements of Section 72(p) of the Internal Revenue Code, 26 U.S.C.1 et seq. Such loan program shall be established in writing by the Board of Trustees, and must include, but need not be limited to the following:
1. The identity of the administrator of the Participant Loan Program;
 2. A procedure to apply for loans, the amount of loan that will be approved or denied, and limitations, if any, on the types and amount of loans offered;
 3. The procedure under the program for determining a reasonable rate of interest; and
 4. The events constituting default and the steps that will be taken to preserve plan assets.
- (b) **The Loan Program:** The Loan Program shall be contained in a separate written document copies of which shall be made available in the offices of the City of Detroit General Retirement System for prospective participants in the program. The Board of Trustees is authorized to adopt rules and regulations, from time to time, to govern the administration and the operation of this program. Copies of the rules shall also be made available to prospective participating members of the system in the offices of the General Retirement System.
- (c) **Eligibility:** Subject to the rules and procedures established by the General Retirement System Board, loans will be made to bargaining unit members. Former participants, spouses of participants, and beneficiaries are not eligible to receive any loans from the Plan. Subject to rules and procedures established by the Board, a participant who has been in the plan for twelve (12) months or more is eligible to apply for a loan from this plan.

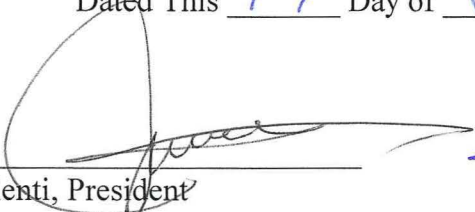

- (d) **Amount of Loan:** A participant who has satisfied applicable rules and procedures may borrow from his or her account an amount, which does not exceed fifty percent (50%) of the participant's vested accumulated balance, or ten thousand dollars (\$10,000.00) reduced by the excess, if any, of: 1) the highest outstanding balance of loans from the trust during the one (1) year period ending on the day before the date on which the loan is made, or 2) the outstanding balance of loans from the trust on the date on which the loan is made, whichever is less. The minimum loan amount shall be one thousand dollars (\$1,000.00).
- (e) **Terms and Conditions:** In addition to such rules and procedures that are established by the Board, all loans shall comply with the following terms and conditions:
1. Loan applications shall be in writing;
 2. Loan shall be repaid by equal payroll deductions over a period not to exceed five (5) years, or, where the loan is for the purpose of buying a principal residence, a period not to exceed fifteen (15) years. In no case shall the amount of the payroll deduction be less than twenty dollars (\$20.00) for any two-week period;
 3. Each loan shall be made against the assignment of the participant's entire right, title, and interest in and to the trust supported by the participant's collateral promissory note for the amount of the loan, including interest payable to the order of the trustee;
 4. Each loan shall bear interest at a rate determined by the Board. The Board shall not discriminate among participants in its determination of interest rates on loans. Loans initiated at different times may bear different interest rates, where, in the opinion of the Board, the difference in rates is supported by a change in market interest rates or a change in the pension system's current assumed rate of return. The loan interest rate shall bear a reasonable relationship to market rates for secured loans of a similar duration and shall bear a reasonable relationship to the costs to the pension trust of administering the trust. The loan interest rate shall be calculated in a manner that will not negatively affect the City's costs to the trust or the return to trust members.
 5. Loan repayments shall be suspended under this plan as permitted by Section 414(u)(4) of the Internal Revenue Code, 26 U.S.C. 414(u)(4). A participant who has an outstanding loan balance from the plan who is absent from employment with the employer, and who has satisfied the requirements of 26 USC 414(u) of the Internal Revenue Code shall not be required to make loan repayments to the fund during said periods of absence.

- (f) **Renewal of Loan:** Any loans granted or renewed shall be made pursuant to the participant loan program and Section 72(p) of the Internal Revenue Code, 26 U.S.C.72(p) and the regulations thereunder.
- (g) **Loan Balance:** A participant's outstanding loan balance shall be considered a directed investment by the participant and interest payments, shall be credited to the participant's account balance, and shall not be part of net investment income or part of the participant's account balance for the purpose of allocation of net investment income under Section 47-2-18 of the City Code.
- (h) **Distribution:** No distributions shall be made to a participant, former participant, or beneficiary until all loan balances drawn on the applicable vested accumulated balance and applicable accrued interest have been liquidated.
- (i) **Annual Report:** The General Retirement System shall include, in their annual report to all members, an accounting of the loan program established by this section, which contains the number and amount of loans made, the costs of administering the program, the amount of payments made including interest received by the trust, the amount of loans outstanding, including any defaults or delinquencies, and an evaluation as to whether the interest charged in the fiscal year covered the costs of administering the program.

Based on the request of the union, in recognition of what it views as the severest of economic hardships now being experienced by its bargaining unit members, the parties agree that eligibility for participation in said loan program will be in accordance with the provisions contained herein, and shall be effective immediately upon the signing of this Memorandum of Understanding and ratification by City Council. All necessary steps shall be taken to ensure that the implementation date of the Employee Loan Program for members of this bargaining unit shall occur as soon as administratively possible so that it coincides with the initial implementation date established by the General Retirement System.

The parties agree that this Memorandum of Understanding represents the sole and complete agreement regarding the Participant Loan Program for members of this bargaining unit, that this Agreement in full text shall be incorporated in the successor Labor Agreement and shall remain in full force for the duration of said successor agreement, and in recognition that the Participant Loan Program is a mandatory subject of bargaining, no modifications can be made unless collectively bargained and mutually agreed between the parties hereto.

RE: City Alternative Health Care Proposal

Effective with the implementation of the new HR/Payroll and Benefit System:

1. **Life Insurance and Death Benefit:** Coverage begins on the first day of the first full pay period, and ends on the last day of the month that employment ends.
2. **Supplemental Life Insurance Coverage:** Employees may opt for additional coverage up to either their actual salary or double their actual salary, rounded up to the nearest thousand. This would replace the Option 1 and Option 2 schedules for additional life insurance found in the Death Benefit and Life Insurance article of the Master Agreement.
3. **Pre-Tax Medical Premiums:** The employee's share of medical premiums will be shown and paid on a pre-tax basis.
4. **Employee Payroll Deductions:** Payroll deductions will be taken out equally during every pay cycle.

In addition to the above noted provisions, the parties will continue to work collaboratively toward establishing cost saving measures for medical, dental, optical and life insurance plans as well as resolve issues that may arise with the implementation of the new HR/Payroll and Benefit System.

RE: Facilities for Treating On-the-Job Injuries

Dear Mr. Valenti:

During negotiations of the 2008-2012 Master Agreement, there was considerable discussion concerning medical care for employees injured on the job. City policies and practices on this matter are generally covered in Finance Directive No. 92, issued July 29, 1983. These general policies include the following:

1. In life-threatening situations where emergency treatment is necessary, the injured employee will be taken to the hospital or medical facility nearest to the place of injury which is equipped to handle emergency situations.
2. In non-life-threatening situations requiring medical attention, the injured employee will be taken to the medical facility approved for treating City employees nearest to the place of injury, which has adequate facilities for treating the type of injury.
3. If further medical treatment is required following an on-the-job injury, such additional treatment will be provided in accordance with the provisions of the Workers' Compensation Act.

The City agrees to investigate any complaints in terms of quality of professional service and effectiveness of medical treatment at those medical facilities. The result of this investigation and any corrective action will be reviewed with the Union upon completion.

Sincerely,

Joseph P. Martinico

RE: Establishing Lists of Pre-Qualified Craft Employees

Dear Mr. Valenti:

During negotiations of the 2008-2012 Master Agreement, it was brought out that problems arose due to the failure of some departments in posting for training opportunities and maintaining a list of pre-qualified craft employees for promotional vacancies as required under the Master Agreement. The language in the 2008-2012 Master Agreement clearly states this obligation on the part of departments employing equipment operators. Those departments which currently do not have such lists of pre-qualified craft employees will take immediate steps to conform with these contractual obligations.

Sincerely,

Joseph P. Martinico

Re: Defense and Indemnification of Employees Against Damage Suits and Claims

Dear Mr. Valenti:

This letter is intended as a statement of current City policy which is set forth in Chapter 13, Article 11 of the Detroit City Code.

Sec. 13-11-1. Definitions.

For the purpose of this article, the following definitions shall apply:

Employees shall include, in addition to appointive officers and all employees on the city payroll, including all physicians and dentists employed on a salaried or contractual basis by the department of health, retired employees or appointive officers, and all physicians and dentists whether volunteers, staff, intern, resident or special duty, whether or not on city payrolls, assigned to patient care duties in Detroit General Hospital, whose credentials have been approved by the director of hospitals.

Official duties shall mean acts done pursuant to authority conferred by law or within the scope of employment or in relation to matters committed by law to the officer or employee's control or supervision or committed to the department or office under whose authority the officer or employee is acting, whether or not there is negligence in the doing of such acts. Where there is willful misconduct or lack of good faith in the doing of any such acts, the same shall not constitute the performance of the official duties of any appointive officer or employee of the city within the operation or effect of this article. (Code 1964, Section 16-13-1)

Sec. 13-11-2. Council may order reimbursement for certain causes.

At the discretion of and only upon approval by the City Council, the City may pay, on behalf of any city officer or employee, all or part of any sum which such officer or employee might become legally obligated to pay as damages because of:

- (1) Bodily injury, sickness or disease, including death, at any time resulting thereof, sustained by any person; or
- (2) Injury to or destruction of property, including the loss of use thereof; or
- (3) Illegal confinement, detention or other alleged injury caused by or arising out of the performance in good faith of the official duties of any such officer or employee. (Code 1964, Section 16-13-2)

Sec. 13-11-3. Conditions for defense and reimbursement by city.

No payment shall be made pursuant to section 13-11-2 except under the following conditions:

- (1) Whenever an officer or employee of the city has cause to believe that he may be sued by reason of, or as the result of, the performance in good faith of his official duties, such officer or employee shall promptly file with the corporation counsel a written notice of the act performed or the occurrence which gives rise to such belief, containing a statement of the facts and circumstances thereof, including names and addresses of persons who might bring suit, if known to such officer or employee, and the names and addresses of any witnesses, if likewise so known; and
- (2) Upon the receipt of any claim, demand, notice, summons or complaint, the officer or employee shall promptly forward the same to the corporation counsel. In addition thereto, such officer or employee shall promptly file a written request that he be represented by the corporation counsel's office in the matter. Such request shall first be submitted to the head of the department in which such officer or employee is working. It shall then be the duty of the department head to transmit the request for representation to the corporation counsel, along with the department head's recommendation as to whether or not the officer or employee should be represented; and
- (3) The officer or employee shall cooperate with the corporation counsel, and upon the request of the corporation counsel shall attend hearings and trials and assist in effecting settlements, securing and giving evidence and obtaining the attendance of witnesses. However, such officer or employee shall not, except, at his own cost, voluntarily make any payment, assume any obligation or incur any expense in connection therewith; and
- (4) The officer or employee shall consent to and concur in any compromise or settlement of the claim or suit against him; and
- (5) The city council must find and determine that the claim, demand or suit against the officer or employee arises out of or involves the performance in good faith of the official duties of the officer or employee involved. (Code 1964, Section 16-13-3)

Sec. 13-11-4. Report to council by corporation counsel.

Whenever the corporation counsel receives from any city officer or employee, any claim, demand, notice, summons or complaint with such officer or employee's request for representation by the corporation counsel with the recommendation of the head of the department as provided in section 13-11-3(3), the corporation counsel shall promptly transmit to the city council a report on the matter,

together with his recommendation as to whether or not the corporation counsel should represent the officer or employee as requested, and whether or not the city council should find and determine that the claim, demand or suit against the officer or employee arises out of or involves the performance in good faith of the official duties of such officer or employee. (Code 1964, Section 16-13-4)

Sec. 13-11-5. Determination by city council.

- (a) Upon receipt from the corporation counsel of the report and recommendation provided for in section 13-11-4, the city council shall consider and determine whether the corporation counsel shall represent the officer or employee in the matter and find and determine whether or not the claim, demand or suit arises out of or involves the performance in good faith of the official duties of such officer or employee. However, pending such determination by the city council, the corporation counsel shall represent any officer or employee making request thereof which had been approved by the head of the department as provided in section 13-11-3(2).
- (b) The finding and determination by the city council as to whether or not any such claim, demand or suit arises out of or involves the performance in good faith of the official duties of such officer or employee shall be binding and final. (Code 1964, Section 16-13-5)

Sec. 13-11-6. Payments by city to be reduced by employee's insurance.

If a city officer or employee has valid and collectible insurance covering or protecting against liability as covered by this article, payment under this article shall be limited to amounts in excess of the limits of such insurance. (Code 1964, Section 16-13-6)

Sec. 13-11-7. City to be subrogated to rights of employees; execution of instruments and papers by employees.

No payment shall be made by the city pursuant to this article unless the city is subrogated to all rights of recovery therefore against any person and unless the officer or employee on whose behalf payment is made executes and delivers to the city instruments and papers and does whatever else is necessary to secure such rights to the city. (Code 1964, Section 16-13-7)

Sec. 13-11-8. Duty of employees to maintain automobile insurance.

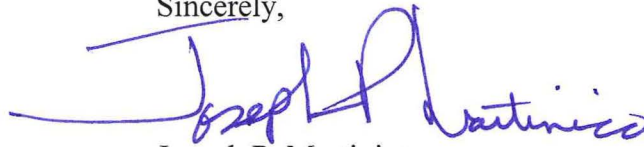

This article shall not relieve any officer or employee from securing and keeping in force the insurance required to be provided by section 13-1-4 governing the use of privately owned automobiles while used in the performance of their official duties. (Code 1964, Section 16-13-8)

Section 13-11-9. Application to physicians and dentists.

- (a) Notwithstanding any provisions of this article to the contrary, except section 13-11-1, the city shall pay, on behalf of any physician or dentist, whether salaried, contractual, volunteer, staff, special duty, resident, or intern, who is an employee as defined in section 13-11-1, all of any sum which such employee might become legally obligated to pay as damages resulting or arising out of his official duties, because of:
 - (1) Bodily injury, sickness or disease, including death, at any time resulting thereof, sustained by any person; or

- (2) Injury to or destruction of property, including the loss or use thereof; and
- (3) Illegal confinement, detention or other alleged injury caused by or arising out of the performance in good faith of the official duties of any such employee; except that the city shall be responsible to a physician or dentist who is a regular full-time member of the faculty of Wayne State University and serving on the Medical Staff at Detroit General Hospital, only for the sum which such employee shall be legally obligated to pay as damages which is in excess of his insurance coverage which shall be not less than one hundred thousand dollars (\$100,000.00) for each claim and three hundred thousand dollars (\$300,000.00) annual aggregate.
- (b) This section shall not be applicable if the physician, dentist, resident or intern fails to comply with all of the provisions of section 13-11-3, requiring written notice of any anticipated claim and the filing of all pleadings with the law department, together with a written request that he be represented in the matter by the law department.
- (c) Nothing herein contained shall be deemed to extend the definition of employee, or the city's responsibility toward any employee, beyond the clear terms of this article. (Code 1964, Section 16-13-9).

Sincerely,

Joseph P. Martinico

Re: Waiver of Re-employment Rights

Dear Mr. Valenti:

This letter is intended to clarify the City's policy of requiring laid off employees under certain circumstances to sign a waiver of current re-employment preferences in order to accept alternate employment in another job classification.

1. Employees hired on a permanent basis and who have acquired permanent seniority by completion of the probationary period. Such employees laid off due to reduction in force are placed on the blocking list for the class, and would not be required to sign any waiver of their recall rights in order to accept alternate available employment in another job classification. Whether or not they accept the alternate employment, they would remain on the blocking list without loss of their seniority.
2. Newly-hired employees hired specifically on a seasonal or other limited term basis. Such employees who are laid off at the end of the specified period are placed on a preferred eligible list for the class, and are required to sign a waiver of their preferred re-employment rights if they wish to accept alternate available employment in another job classification. The reason for this waiver requirement is that in most cases the alternate employment is temporary to meet department peak work load needs and departments must be assured of a stable work force during such periods.

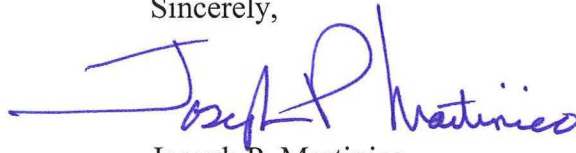

It should be pointed out that employees who do sign a waiver and accept temporary alternate employment are restored to the preferred eligible list for their original classification if they are subsequently laid off from the temporary employment without any adjustment of their original seniority date. In addition, a person while working in the alternate classification may file an application with the Human Resources Department requesting transfer to his original title. Such transfer request would give the employee a claim to any permanent vacancy in that classification before any new persons were hired.

3. In the case of either permanent seniority employees (who are not required to sign a waiver) or temporary status employees (who are required to waive their preferred eligible standing), the determination as to whether a refusal to accept an offer of available alternate employment will disqualify the laid off employee for continued lay-off benefits is a decision made by the Michigan Unemployment Insurance Agency in accordance with its rules and regulations. This determination is not made by the City of Detroit. However, Human Resources Department staff do inform employees that refusal to accept the alternate employment may result in their disqualification of benefits by MUIA.

I hope that this information has been of some assistance to you.

Sincerely,

Joseph P. Martinico
Labor Relations Director
