RECOGNITION, RIGHTS AND GUARANTEES

0001 A Master Contractual Agreement between the Governing Board of Bay de Noc Community College and the Faculty Senate Association of Bay de Noc Community College, a Michigan Education Association (M.E.A.) affiliate.

0002 This agreement entered into this 13th day of September, 1973 by and between the Governing Board of Bay de Noc Community College, hereinafter called the Board, and the Faculty Association, hereinafter called the Association.

0003 WHEREAS, the Board has an obligation, pursuant to the Public Act 379, to negotiate with the Association as the duly recognized representative of Bay de Noc Community College faculty, including counselors, but excluding the President, Business Manager, Deans, Financial Aids Officer, Bookstore Manager, administration assistants and staff with respect to salaries and terms and conditions of employment, and

0004 WHEREAS, the Board and the Association have reached agreements which are confirmed in this contract.

0005 NOW, THEREFORE, IT IS AGREED AS FOLLOWS:

0006 Board Recognition

The Board hereby recognizes the Association as the sole and exclusive negotiating representative for all Bay de Noc Community College faculty members as enumerated in Paragraph 0007 of this Agreement, all of which are collectively designated as the "bargaining unit." The term "faculty," when used hereinafter in this Agreement, shall refer to all members of the designated bargaining unit, and reference shall include both male and female faculty members.

0007 For the purpose of determining this bargaining unit only, a Bay de Noc Community College faculty member shall be defined as a teacher assigned 12 or more contact hours in any week for a semester or one who is assigned at least half-time counseling duties, or holds a full-time appointment to the college as a teacher, counselor or teacher-counselor. Faculty members who are hired exclusively to staff state and/or federally funded projects are not included in this bargaining unit.

0008 Sole Agent

The Board agrees not to negotiate with any faculty member individually, or with any faculty organization other than the Association for the duration of this Agreement.

0009 Supersedes

During the negotiation of this Agreement, each party made proposals and counter-proposals. It is the intention of the parties that this Agreement cover those items of greatest concern in the employer-employee relationship. However, in order to facilitate communications between the parties, it is agreed that representatives from the Faculty Association and the administration shall meet periodically to discuss interpretations of items contained in this Agreement and subjects not contained in it.

This Agreement constitutes the negotiated agreements of the Board and the Association and supersedes any previous rules, regulations, or policies which may have been in effect relative to the subjects covered in this Agreement.

0010 Changes in Current Policies

The Board agrees to effect any changes in current Board policies or by-laws which are in conflict with this Agreement.

0011 Copies of Proposed Policy Changes

The Board will furnish the President of the Association with copies of all proposed policy or by-laws changes one week in advance of final action of such change.

0012 This contract may be opened on any item upon mutual consent of both parties.

0013 Amendment

Should a mutually acceptable amendment to this Agreement be negotiated by the parties, it shall be reduced to writing and submitted to appropriate ratification procedures of the Board and the Association. At such time as it has been ratified by both the Board and the Association, it shall become a part to the Agreement.

0014 Effect on Individual Contracts

Any individual contract between the institution and an individual faculty member heretofore or hereafter executed shall be subject to and consistent with the terms and conditions of this Agreement. If an individual contract contains any language inconsistent with this Agreement, this Agreement, during its duration, shall be controlling.

0015 No Strike

0015.1 During the term of this Agreement, the Association will not authorize, sanction, condone, or acquiesce in, nor will any member of the bargaining unit take part in, any strike or work stoppage of any kind or nature. Strike and work stoppages shall be deemed to include, but are not limited to:

0015.1 (cont'd.)

slow downs, stoppages of any kind, sit-ins, "blue-flu," or any other type of interference of any kind whatsoever with operations at any of the facilities, singularly or jointly, of the Employer, and picketing of any kind during working hours. The Association further agrees that it will not engage in any sanction activities or other terms of boycotts of the Employer.

0015.2

The Association shall advise any and all teachers involved, including notification to the communications or press media, if requested by the Employer, that such teachers are in violation of the Agreement and that all teachers involved shall return forthwith to their regular duties. The Association shall further be expected to take any and all other action reasonably within its power to bring the activity to an end. If the Association takes the foregoing steps and has not acted in violation of its obligations under the Agreement, it shall not be liable in any way for such activities.

0015.3

The Employer shall have the right to discipline, including discharge, any teacher for taking part in any violation of this provision, provided the Association has had time to notify the individuals. Prior to the taking of disciplinary or other action enumerated herein, the Employer shall notify the Association of its intentions and may also consult with the Association in connection therewith.

0016

No Lockout

The Board agrees that it will not engage in a lockout so long as this Agreement is in effect.

0017

Access to Information

The President of the Association, upon request, shall be sent copies of statements and financial information pertaining to the College. Such information shall be limited to that which is normally distributed to the Board.

The Association shall, upon request, send copies of correspondence, applications, legal documents and such other items which could have a financial influence upon the institution to the President at the same time they are sent to other parties.

0018

Copies of this Agreement shall be printed at the expense of the College within thirty (30) days after the Agreement is signed and presented to all faculty now employed or hereafter employed. The Board will also supply to the Association, free of charge, ten (10) copies of the Agreement, plus more as needed, at reasonable cost.

0019

The parties recognize that the principle of professionalism does not lend itself to a fixed number of hours. Education of students is a major responsibility of the institution. Faculty members are expected to work within their contracted area of competency so that each student is challenged to achieve and learn.

1. The faculty member shall keep well informed with particular attention to the latest developments in his subject area and teaching technology. Part-time faculty who hold full-time positions elsewhere shall not teach more than four (4) semester hours in any academic semester.

Administrative officers of the institution who wish to develop an opportunity to teach may do so by and in coordination with the department involved, if acceptable to that department. In no event shall such teaching exceed four (4) semester hours and in no event shall an administrator be assigned to teach where there is a qualified full-time faculty member available to fill such an assignment.

Any cooperative training programs developed by the college would be excluded from the clause.

0108 Faculty Schedules and Other Assignments

Faculty schedules shall be developed by the faculties in each division by procedures which the division faculty develops. Final approval of the schedule is the responsibility of the Academic Dean.

The system will be cooperatively developed during the first semester and implemented the second semester.

0111 (cont'd.)

The probation period for tenure at Bay de Noc Community College shall be a minimum of three years and a maximum of five years. Tenure may be granted at the end of a three year period at the discretion of the administration and the faculty tenure committee of the Senate.

In cases where a three year minimum is deemed not sufficient, a fourth year provisional contract may be issued to the individual. This fourth year provisional contract will be followed by one of the following:

1. Tenure
2. A fifth year provisional contract
3. A fifth year terminal contract
4. No contract

This policy will not affect the administrative right of limiting contracts during the initial three year period. In all cases, every faculty member will be informed no later than February 15 as to the disposition of his contract for the year pursuant, and the faculty member shall notify his supervisor in writing within 15 days of his intent to return or not return. Failure on the part of the faculty member to do so shall constitute forfeiture of the continued employment provision.

NOTE: The tenure policy is effective for faculty members who begin employment at the college after July 1, 1970. All faculty members who begin as full-time faculty members prior to July 1, 1970 will come under the previous tenure policy.

0112 Tenure and Continuing Contract

On successfully completing signed probationary contracts, the new appointee shall be given tenured status and a continuing contract. 0113.1 Fair Dismissal Procedures for Contract Termination

There shall be created a Tenure Committee consisting of four (4) members of the bargaining unit holding continuing contracts appointed by the Faculty Senate of the Association. The four (4) faculty members shall be representative of the entire institution. No faculty member recommended for dismissal may serve on the committee.

0113.2

The Tenure Committee Shall Hear Charges

The committee will meet to review a recommendation for dismissal of a member or members of the bargaining unit holding tenure prior to Board consideration of the charges.

0113.3

Conduct Hearings

The committee shall conduct all hearings in accordance with the provisions as specified in this Agreement.

0113.4

Reports

- a. At the conclusion of its hearings, the committee will prepare a written report within ten (10) days and not later than twenty-four (24) days of receiving the case.
- b. A copy of the written report will be delivered immediately to the member of the bargaining unit concerned, the president of the institution, and the president of the Association. The faculty agrees that if they fail to complete any of the previous steps, they will not intervene in any future action regarding the case.
- c. If all previous steps have been completed, the president of the college will send copies of the report to all Board members.
- d. Any action taken by the Board regarding dismissal will be made in an open Board meeting.
- e. The Board agrees not to take any action regarding the dismissal of a tenured teacher until the report has been sent to all Board members, provided 0113.1 and 0113.4b have been completed according to the contract and within the time stipulated.
- f. The Board will notify the member of the bargaining unit and the Association of its decision within forty-eight (48) hours after the conclusion of the hearing.

0113.5

- a. No teacher shall be disciplined, reprimanded, or reduced in rank or compensation without just cause. Any such discipline, reprimand, or reduction in rank or compensation shall be subject to the grievance procedure set forth herein. It is understood that the Board's decision to discharge during a probationary period is not arbitrable.
- b. A teacher shall be entitled to have present a representative of the Association for any disciplinary action that is more serious than a written warning. If possible, disciplinary action that is more serious than a written warning will not be effectuated until the teacher has had the opportunity to request the presence of an Association representative. If an Association representative is

0113.5 (cont'd.)

requested and notification for the disciplinary action is given, no longer than two (2) school days may lapse before such action is taken.

A schedule for department meetings shall be determined by the department members.

0116 Emergency meetings may be called only under procedures established by the department members.

APPOINTMENTS, PROMOTIONS, REDUCTIONS, AND RELATED MATTERS

0200 . Promotions

0201.1 A "promotion" is an upward change in position which results in additional compensation for additional duties or responsibilities performed during the regular working day. Promotions are not meant to include the taking on of additional duties in connection with extracurricular or extra-duty activities.

0201.2 The promotional positions are: Dean of Students, Assistant Deans, Business Manager, Academic Dean, Director of Community Services, President, or other administrative positions.

0201.3 Whenever a vacancy occurs, which is a promotion as defined in Sections 0201.1 and 0201.2, the Employer shall publicize the same by giving written notice of such vacant position, with qualifications and job description where possible, to the President of the Association prior to publication elsewhere. The President of the Association shall notify all faculty members of the vacancy.

0201.4 Any teacher may apply for a vacancy in a position considered to be a promotion as defined in Section 0201.1. In filling such vacancy, the Board shall consider the professional qualifications, background, attainments, and other relevant factors, including service in the college, of all applicants from within the college, as well as applicants from outside the college. If two or more applicants' factors are equal, the vacancy should be filled: 1) from within the college, and 2) by the teacher with the longest continuous service with the college, provided, however, in all appointments to positions, the Board's decision shall be final.

0201.5 If requested, unsuccessful applicants shall be given reasons for not attaining the position.

0202 Transfers

With the consent of the Academic Dean, a faculty member may transfer from one division or department to another without loss of rights, provided he meets all of the necessary qualifications for the position to which he is transferring. When a change in title or function occurs through such a transfer, the faculty member shall retain all rights, benefits and privileges of his previous status.

0203 Acting Promotions

With the consent of the instructor, the institution may appoint the instructor to hold an administrative position on an acting basis for a period not to exceed one calendar year. His title in the administrative position will include the word "acting" during the time he holds the administrative position.

0203.1 An instructor holding an acting position shall have the right to return to the bargaining unit with full rights and benefits as conferred by the master contract.

0204 Permanent Promotions

Any member of the bargaining unit who is selected to an administrative position, not holding it on an acting basis, but in the full capacity of the position, and who later returns to a position within the bargaining unit, shall be considered in terms of seniority and tenure and all other rights and benefits due him under this contract to have continued in the bargaining unit during the time he held the administrative position.

0205 Faculty Reductions

0205.1 In the event of circumstances which significantly influence revenue or expenditures thereby requiring layoff from employment, the following procedures will be used:

- a. Non-tenured teachers in the specific positions being reduced or eliminated will be laid off first, provided there are fully qualified teachers to replace and perform all of the duties of the laid-off teachers.
- b. If reduction is still necessary, then faculty members in the specific positions being reduced or eliminated will be laid off in accordance with the following factors: qualification, experience, ability, past performance, and length of service.

0205.2 If after a reduction of teachers, as outlined above, there are teaching positions that become vacant, laid-off teachers who are qualified will be given the first opportunity to fill such positions. In the event two or more teachers are qualified, the order of priority shall be to the teacher who is the most qualified and fully capable to fill such position.

0205.3 Before official action on a reduction of teachers is taken by the Board, it will give notice to the Association of the contemplated reduction and afford the Association opportunity to discuss it with the Employer. As soon as the names of the teachers to be laid off are known, a list of such names shall be given to the Association.

- 0205.4 In the event the Association questions the wisdom of the Employer as to specific faculty members (1) being laid off or not being laid off, or (2) filling such position, the Employer will set forth in writing to the faculty member and the Association its reasons for its action. It is understood, however, that the Association's request for this information is reasonable, timely, and intended in good faith.
- 0205.5 If the Employer fails or refuses to comply with Sections 0205.3 or 0205.4 above, or if the reasons assigned clearly demonstrate that the Employer acted arbitrarily or capriciously, the Association has the right to use the grievance and arbitration procedure to seek relief.
- 0205.6 In conjunction with Section 601 which provides that the individual contract executed between each faculty member and the Employer is subject to terms and conditions of this Agreement, it is intended that Section 205 takes precedence over and governs the individual contract and the individual contract is expressly conditioned upon this section.
- 0205.7 Except in the event of an emergency, all faculty members to be laid off shall be given written notice. The official action of the Board at a public meeting shall constitute written notice.
- 0205.8 Layoff notification shall be made prior to February 15 for the following academic year.

- 0301.1 Faculty members are granted five days sick leave upon employment and may accumulate sick leave at the rate of 1/2 day per week up to 15 days per year for the first year's employment and granted at the rate of 12 days per year for each succeeding year for full-time faculty members, prorated for less than full year and/or less than full-time faculty members, covered under the master contract. - 0302.10 After receiving a sabbatical leave, the recipient will not be eligible for another sabbatical until completion of another six years of service.
- 0302.11 All benefits in addition to salary and those mentioned above shall remain in effect.
- 0302.12 The administration shall notify the applicant of its decision concerning sabbatical leave not later than January 15 of the preceding academic year.
- 0302.13 No more than 5% of the number of full-time faculty members may be granted sabbatical leave each year. The 5% is to be rounded off to the nearest whole number.
- 0302.14 Faculty members on sabbatical leave may receive fellowships, stipends, grants, and/or salary for work performed while on leave; however, the sabbatical pay and fringe benefits from the college shall be such that the total compensation from all sources earned during the academic year shall not exceed what the faculty member would have been entitled to had he been under normal contract, with allowances being made for extraordinary expenses, such as travel, maintenance of two places of residence, if necessary, normal expenses associated with research (i.e., secretarial, duplication, photowork, etc.) and/or study, and other expenses which can be justified as necessary to the performance of the research or study during the sabbatical period.

In the event the pregnancy terminates between semesters, the pregnancy shall be considered terminated in the following semester.

GRIEVANCE PROCEDURE

- 0400 Any claim by the Association or faculty member that there has been a violation, misinterpretation, or misapplication of the terms of this Agreement shall be resolved through the procedures set forth herein.
- 0400.1 All time limits herein shall consist of school days. Time limits may be extended upon good cause shown or upon mutual consent of the parties. It is understood that the time limits set forth herein or agreed upon shall be considered as substantive and failure to conform to them shall mean default by the party failing to conform.
- 0400.2 It is understood that grievance problems will be handled at times other than when the faculty member is at work. In the event, however, in the handling of a grievance, it becomes necessary for the faculty member to leave his work, he shall first obtain permission from his supervisor.
- 0400.3 In the handling and processing of a grievance, the following procedure shall apply:
- Step 1:
- Any faculty member who believes he has a grievance may present such grievance, on an informal basis, with his immediate supervisor. If the grievance is not resolved, the matter shall be reduced to writing by the grievant and submitted to his supervisor. The grievance must be reduced to writing ten (10) days from the time of the discussion between the grievant and his supervisor. In the event the grievance involves more than one grievant or is filed by the Association, it must be filed with the appropriate supervisor who could remedy the alleged grievance.
- 0400.4 No grievance shall be processed unless it is presented at Step One within fifteen (15) school days of its occurrence or knowledge of its occurrence.
- 0400.5 Within two (2) days after the presentation of the written grievance, the supervisor shall give his answer in writing to the grievant.

0400.6 Step 2: In the event the grievant is not satisfied with the disposition of his grievance at Step One, within five (5) days after the date of the supervisor's answer, the grievant may appeal the grievance to the Academic Dean or his designee. Such appeal shall be in writing. Within five (5) days after receipt of such request for appeal, the Academic Dean or his designee shall meet in an attempt to resolve the alleged grievance. Only the necessary persons and/or teachers to the grievance shall be present at such meeting. Within three (3) days following such meeting, the Academic Dean or his designee shall present the Association President with a written answer to the grievance.

0400.7 Step 3: In the event the grievance is not settled at Step Two, it may be referred in writing to the President within five (5) days after the date of the answer by the Academic Dean or his designee. At this point the President may:

- a. attempt to resolve the grievance by holding a meeting with the necessary persons and/or teachers to the grievance. Such meeting shall be scheduled within five (5) days from the date of receipt of the appeal; or
- b. refer the grievance to Step Four (4) within five (5) days from the date of receipt of the appeal. Written notice of such referral shall be given to the Association President.

If the President holds a meeting, he shall present the Association President, within three (3) days after conclusion of such meeting, with a written answer to the grievance.

0400.8 Step 4: If the alleged grievance is not settled at Step Three, it may be referred in writing to the Board of Trustees within five (5) days after the date of the answer by the President in Step 3, or upon referral by the President. The Board, or a committee thereof, shall hold a hearing, or otherwise investigate the grievance or prescribe such other procedures as it may deem appropriate for consideration of the grievance. The Association shall have an opportunity to present its views at this step. The Board, or committee thereof, shall render a decision on the grievance and present it in writing to the Association within twenty-five (25) days after the date the matter was referred to the Board of Trustees.

0400.9 Step 5: If the alleged grievance is not settled at Step Four, the matter may be referred to arbitration. Either party may refer the matter to arbitration, provided that notice to refer the matter is given to the other party within ten (10) days from the date of the Board's (or committee thereof) written decision at Step 4. Within five (5) days after the date of the written request for arbitration, a committee of the Board or its designated representative and the Association or its designated representative shall make every reasonable effort to agree upon

a mutually acceptable arbitrator. If the parties are unable to agree on an arbitrator within the time period set forth herein, the party seeking arbitration shall file a request with the American Arbitration Association to submit a list of qualified arbitrators. The arbitrator shall then be selected according to the Rules of the American Arbitration Association.

The Arbitrator shall hear the grievance in dispute and shall render his decision in writing as soon as possible after the close of the hearing. The Arbitrator's decision shall set forth his findings and conclusions with respect to the issues submitted to arbitration. The Arbitrator's decision shall be final and binding upon the Employer, the Association, and the employee or employees involved.

The Arbitrator shall have no authority except to pass upon alleged violations of the expressed provisions of this Agreement and to determine disputes involving the application or interpretation of such expressed provisions. The Arbitrator shall construe this Agreement in a manner which does not interfere with the exercise of the Board's right and responsibilities, except where they have been expressly and clearly limited by the terms of this Agreement.

The Arbitrator shall have no power or authority to add to, subtract from, or modify any of the terms of this Agreement and shall not substitute his judgment for that of the Employer where the Employer is given discretion by the terms of this Agreement or by the nature of the area in which the Employer was acting. The Arbitrator shall not render any decision which would require or permit an action in violation of Michigan Community College laws.

The Arbitrator's fees and expenses shall be shared by the Employer and the Association equally. The expenses and compensation for attendance of any employee, witness, or participant in the arbitration shall be paid by the party calling such employee, witness, or requesting such participant.

The termination of a probationary or non-tenure teacher, or extension of the probationary period for a teacher, shall not be subject to the arbitration provision.

The filing of the grievance shall in no way interfere with the right of the Board to proceed in carrying out its management responsibilities, subject to the final decision of the grievance.

In the event the alleged grievance involves an order, requirement, etc., the grievant shall fulfill or carry out such order or requirement, etc., pending the final decision of the grievance.

Nothing contained herein shall be construed as limiting the right of any teacher having a grievance to discussing and having it resolved informally with the Employer, provided that the Association be given the opportunity to be present at the hearings or meetings of such grievance and that the final decision by the Employer is not inconsistent with the terms of this Agreement.

It is understood by the parties that no grievance shall be filed or based upon any prior or previous agreement or upon any alleged grievance occurring prior to the effective date of this Agreement.

Nothing contained herein shall be construed as a waiver or precedent by any action or lack of action taken by the Employer.

0401 Grievance File

All documents, communications, and records dealing with a grievance, except the material which is normally kept in the teacher's personnel file, shall be filed separately from the personnel files of the participants.

0402 Personnel Files: Access

A designated member of the Association may, with written permission from the individual, examine the personnel file of any member or members of the bargaining unit if the examination relates to a filed grievance, a grievance in preparation, a written charge against the member, including a recommendation for dismissal, or verification of data for negotiations.

0403 The individual faculty member shall have access to his own file any time during normal business hours. Items which are sent to the college in confidence may first be removed by the administration.
